Annual Reports

of the

Town Officers

of the

Town of Sandwich

"The Oldest Town On Cape Cod"

For The Year Ending
December 31, 1976

The Cover

An ecumenical church service was held on the steps of The First Church of Christ on the morning of July 4, 1976. The service began a day of activities in Sandwich's Bicentennial celebration.

The photograph was taken by Barbara L. Russell of Sandwich.

IN MEMORIAM

CARL H. HILER

1897 - 1976

Selectman-Assessor

1967 - 1976

Chairman Board of Selectmen

1968 - 1976

Town Accountant

1954 - 1967

Town Meeting Moderator

1949 - 1967

Treasurer, Sandwich Water District

1955 - 1976

A. John MacQuade

1907 - 1976

Selectman-Assessor

1958 - 1967

Board of Public Welfare

1958 - 1967

Chairman, Board of Public Welfare

1960 - 1964

Chairman Board of Selectmen

1964 - 1967

Commissioner, Sandwich Water District

1947 - 1976

SCHEDULE OF MEETINGS

Listed below are the scheduled meetings of Town Organizations

BOARD OF SELECTMEN

10:00 A.M. - Town Hall
Each Tuesday

APPEALS BOARD

Town Conf. Rm. at H.T. Wing Sch.
7:30 P.M.
2nd and 4th Tuesday—(If Hearing Scheduled)

RECREATION COMMITTEE

7:30 P.M. - Town Hall
1st Monday each Month

BOARD OF HEALTH

7:30 - Town Hall
1st Tuesday each Month

CONSERVATION COMMISSION

Town Conf. Rm. at H.T. Wing Sch.
4th Wednesday each Month - 7:30 P.M.

FIRE ENGINEERS

Cape & Islands Insurance Office
1st Tuesday each Month - 7:00 P.M.

SANDWICH HISTORIC DISTRICT COMMITTEE

Town Conf. Rm. at H.T. Wing Sch.
1st and 3rd Monday each Month - 7:30 P.M.

SANDWICH NURSING AGENCY

PROFESSIONAL ADVISORY BOARD

Public Health Office
1st Wednesday, March, June, Sept., Dec.
8:00 P.M.

PLANNING BOARD

Town Conf. Rm. at H.T. Wing Sch.
1st and 3rd Wednesday each month - 7:30 P.M.

SCHOOL COMMITTEE

Conf. Rm. at H.T. Wing Sch.
4th Wednesday each Month - 7:30 P.M.

TRUSTEES-CLARK-HADDAD BLDG.

Clark-Haddad Bldg.
3rd Friday each Month - 7:30 P.M.

When planning a special meeting, the above schedule should be consulted to avoid confusion.

Town Officers 1976

Report of the SELECTMEN

One could not begin to write the Annual Report of the Selectmen without immediately recalling the man who wrote the report for the past number of years. Mr. Carl H. Hiler, Chariman of the Board of Selectmen, servant to the Town of Sandwich for 27 years, and the dominant political figure in this community for most of those years, passed away at the age of 79 years, on October 9, 1976, after a very brief illness. One has only to reflect on the tax rate, and the excellent financial condition of the Town as mirrored in the reports of the Town Treasurer and Town Accountant to understand in part the legacy this gentleman left this community. Engineer turned Accountant, Accountant turned Municipal Manager, Carl Hiler leaves a void as a leader, as a listener, as a counselor, that may never be filled in quite the same way in Sandwich again. We as associates, as staff, as acquaintances, have missed and will continue to miss, although I trust we will be better managers for having worked with this delightful man.

The Annual Town Meeting of 1976 was unique in two respects, inasmuch as the Town for the first time had the opportunity, as a community, to use the excellent facilities of the new Junior-Senior High School on Quaker Meetinghouse Road; and secondly, had the first-time experience of voting in two precincts. Town Meetings in Sandwich have traveled few times in this century, moving in the very early 1920's from the second floor of the Town Hall to the then new Henry T. Wing gymnasium/auditorium, where a succession of moderators opened and closed meetings until 1959, when a move was made to the then newly constructed gymnasium addition. The move in 1976 to the new facilities still leaves unanswered the question of where best can succeeding meetings be held. Making a decision between a less than 1000 seat, extremely comfortable auditorium, and the seating capacity of nearly 2500 hard gymnasium seats is not as easy as it might, on the surface, seem.

State law prevails when determining voting facilities, and when Sandwich population exceeded 6000 persons two years ago, we were mandated to establish a second precinct for voting purposes. If in the future either precinct exceeds 6000 persons, the Town will again have to divide that precinct and establish a third precinct.

The Annual Election returned Mr. Hiler to office for his 4th term as Selectman, and soon thereafter he was

once again designated Chairman by the other members of the Board.

Authorization was granted to the Selectmen by the Annual Town Meeting to enter into an agreement with an engineering firm to review and update the Sewerage System Report of 1966. A long search process was instituted with a number of interviews and re-interviews with potential engineering companies. In the early fall a contract with the engineering firm of Weston & Sampson of Boston was signed by the Board, and the long process of review, public meetings, technical studies and public input was begun. The need for sewerage in the older sections of the Town has been well established. The new year will record the willingness of the taxpayer to shoulder the responsibility to solve this problem.

Certainly the focal point of attention of the nation, state and town on the years activities to this National Bicentennial year came on July 4, 1976. If one were to have the ability to order weather conditions we could have ordered no better than what we received for this memorial day.

A large crowd, as depicted by the cover of this Annual Report, gathered for an Ecumenical Church Service on the steps of the First Church of Christ. Music furnished by an ecumenical choir and brass quartet gave lovely background to words of thankfulness for blessings past and challenge for years ahead.

The opening of the 100 year sealed box was given its proper setting by the work of the Bicentennial Committee, the Sandwich Militia, the Sandwich High School Band, and visiting political dignitaries. Honored guest seating was provided for elderly, long-time citizens of the community. Hundreds sat on blankets or chairs on the surrounding playing fields of the Henry T. Wing School in a family picnic-like atmosphere.

Following the opening of the box and the speeches, all who cared to, gathered in a long procession and walked casually to the Deacon Eldred House for the dedication of the Bicentennial Plaque and Boulder. The evening's activities again included the Band Concert by the lake, the lantern display on the rowing boats, and a colorful birthday celebration fireworks display.

The following Friday was the time for that portion of the "Tall Ships Armada," who would take passage through the Cape Cod Canal to make their appearance. Great public interest in these ships and enormous media publicity brought the greatest number of persons to the banks of the Canal that any had ever seen. Some have said, "there were more persons than rocks" along the Canal. The ships which did pass, though few in number, did provide a beautiful spectacle for those who waited and persevered. The majority of ships on their way to Boston had chosen to sail around the Cape, much as their predecessors had done.

A much, much smaller reviewing audience witnessed at 4:00 A.M. on the Saturday morning, the passage of the Queen of England's yacht Britannia, with her escort of British and United States destroyers on her way to the Tall Ships display in Boston.

Special pride can be taken by the voters of Sandwich when one reflects on the 84% voter turnout to the State and National elections of November. The same high percentage did not hold for long though, for a little over a month later, in a Special Election to elect a successor to Mr. Hiler, only 55% chose to come out on the first Saturday election ever held in this town. In a field of 7 candidates, Mr. John Louis Roberti, a former Selectman, was elected to fill the unexpired term. Mr. Benjamin D. Fleet was subsequently chosen to be Chairman of the Board.

Sandwich continues to take an active part in regional studies of regional issues. Much time is spent along with other designees to the Cape Cod Planning Commission, studying such issues as regional waste water management, Coastal Zone Management, fresh water availability, and reserves, solid waste disposal and regional transportation.

Please keep in mind when reading the Annual Reports of departments, committees and commissions, that this information is based on the previous calendar year's activities. On the other hand, the fiscal reports must by law represent the previous fiscal year which extends from July 1 to June 30. We well understand that this information is now nearly a year old, but is a condition over which the Town has no control.

Let the Board in closing this report indicate its appreciation to the people of Sandwich for their confidence of this past year. We would also wish to acknowledge our sincere appreciation to the elected and appointed officials with whom we worked throughout this time and whom we find to be fine, dedicated public servants.

Respectfully Submitted

*Benjamin D. Fleet, Chairman
H. Eugene Carr
John Louis Roberti*

Report of the Board of ASSESSORS

To the Citizens of the Town of Sandwich

As can be seen on our valuation report, the town last year grew in valuation from 170M to almost 200M. This growth occurred even in the face of poor economic conditions in the town, as well as in the nation. The large bulk of this increase is a result of the completion by Canal Electric Company of Plant Number Two.

This increased assessed valuation allowed us to maintain a stabilized tax rate for fiscal 1977 of \$23.00 per thousand, even though the budget for this period increased considerably.

We reported last year that we felt we were forced to conduct a revaluation of the town as a result of the ruling made by the Superior Court in response to a suit brought by the Town of Sudbury. This re-evaluation is still in progress, and we cannot at this time estimate what the final valuation and its associated tax rate will be for the forthcoming year.

Respectfully Submitted

*H. Eugene Carr, Chairman
Benjamin D. Fleet
J. Louis Roberti*

Report of the TOWN ACCOUNTANT

To the Honorable Board of Selectmen

In accordance with Chapter 41, Section 61 of the General Laws, I herewith submit my fifth annual report covering the fiscal period July 1, 1975 to June 30, 1976.

My sincere thanks to the Selectmen, Department Heads and Town Employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon

Town Accountant

Report of the TOWN CLERK

ANNUAL TOWN MEETING

MONDAY, MAY 3, 1976

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. William A. Bullock in the new Junior-Senior High School.

The Invocation was offered by the Reverend John David Erb, who called for a moment of silence in memory of Mr. A. John MacQuade, who served the Town as Selectman from

1958-1967, and the Sandwich Water District as Commissioner from 1947 to his death.

Mr. H. Eugene Carr, Selectman, read a proclamation of the Great and General Court of Massachusetts given in 1776.

Mr. Benjamin Fleet, Selectman, called attention to the fact that the proceedings were being broadcast by the School radio station WSDH.

Mr. Fleet welcomed a group of young people from Springfield, Ohio, who were here visiting the Town and the School.

Mr. Channing E. Hoxie, Town Clerk, then introduced the people on the platform: Mr. Alan Green, Town Counsel, and the Finance Committee - Dr. Raymond Ostrander, Chairman, Messrs. Clifford Nelson, C. Ruggles Smith, Fred W. Lehmann and Robert N. Johnson; Mrs. Barbara Walling, Assistant Town Clerk; Mrs. Helen Palmer, Secretary for the meeting.

The Moderator appointed four tellers for the meeting: William Duncan, Milton Geltz, Jean Richards and Carlo Pola.

It was unanimously voted that the complete reading of the Warrant be dispensed with. Mr. Hiler then spoke concerning the tax rate, and the efforts of the Finance Committee to stabilize the rate at \$23.00, and with all the projections of the Finance Committee, this rate will still hold.

ARTICLE 1 - To hear the reports of all Town Officers and Committees and to act thereon, or take any action relative thereto.

UNANIMOUSLY VOTED - That the reports of the Town Officers, Boards and Departments be accepted as printed in the 1975 Annual Town Report, subject to errors in printing.

ARTICLE 2 - To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1976, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUSLY VOTED - That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1976, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3 - To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

UNANIMOUSLY VOTED - That the salaries of the elected Town Officials for the Fiscal Year beginning July 1, 1976, be as follows:

Chairman of Selectman	\$11,800.00	
Selectmen (2)	8,980.00	each
Assessors	1,800.00	each
Treasurer	4,900.00	
Tax Collector	8,000	
Town Clerk	6,000.00	
Highway Surveyor	14,444.00	
Tree Warden	2,500.00	
Board of Health -		
Chairman	738.00	
Vice Chairman	685.00	
Clerk	685.00	
Moderator	200.00	

ARTICLE 4 - To hear the report of the Finance Committee and to raise and appropriate monies as may be needed to defray Town expenses for the Fiscal Year July 1, 1976 to June 30, 1977, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$5,508,554.42 for the budget for Fiscal 1977, divided among the respective accounts as printed in the Annual Town Meeting Warrant for the Fiscal Year 1977 under Article 4.

1976-77 FISCAL YEAR BUDGET

ARTICLE 5 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for oil treatment of Town Roads, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$25,000.00 for oil treatment of Town Roads. (Voice Vote)

ARTICLE 6 - To see if the Town will vote to transfer monies received or to be received from the Commonwealth under State-Aid to Highways Programs or from other available funds for the use of Highway Construction under Chapter 90

on Quaker Meeting House Road, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate the following State Aid Highway Program Funds for Chapter 90, Highway Construction on Quaker Meeting House Road.

Chapter 497, Acts of 1971 \$32,123.33
Chapter 825, Acts of 1974 45,460.11

ARTICLE 7 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a

sum of money to a Reserve Account, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$50,000.00 from the Overlay Surplus Account for a Reserve Account.

ARTICLE 8 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$5,000.00 and transfer and appropriate \$3,500.00 from the Beach Sticker Account to an account for payment to the Town of Barnstable for beach and other recreational privileges of the Barnstable Sandy Neck area for residents and property owners of the Town of Sandwich and to authorize the Board of Selectmen to enter into such an agreement as might be required under Chapter 40, Section 4A of the Massachusetts General Laws.

ARTICLE 9 - To see if the Town will vote to raise and appropriate a sum of money to reimburse Barnstable County in connection with Land Damages paid in connection with the County taking of Great Hill Road and Chase Road as billed to the Town by the County Commissioners.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$475.00 to reimburse Barnstable County to cover land damages paid in connection with the County taking on Great Hill Road and Chase Road as billed to the Town by the County Commissioners.

ARTICLE 10 - To see if the Town will vote to accept the Real and Personal Property of the Cedarville Cemetery Association in accordance with a Special Enabling Act filed with the General Court and to hold and administer the said property for the purpose of a Town Cemetery in the manner therein set forth, upon the enactment thereof, or take any other action relative thereto.

UNANIMOUSLY VOTED - That the Town accept the real and personal property of the Cedarville Cemetery Association, in accordance with a special enabling act filed with the Massachusetts General Court, and to hold and administer the said property for the purpose of a Town Cemetery in the manner therein set forth, upon the enactment thereof.

ARTICLE 11 - To see if the Town will authorize the Board of Selectmen to grant New Bedford Gas and Edison Light Company an easement over the Junior-Senior High School property on Quaker Meeting House Road and Beale Avenue for the electric system now installed at said schools, said easements to be used for the purpose of supplying electric energy to the Junior-Senior High School and the Henry T. Wing School.

UNANIMOUSLY VOTED - That the Town authorize the Board of Selectmen to grant New Bedford Gas and Edison Light Co. an easement over the Junior-Senior High School property on Quaker Meeting House Road and for an easement to the Henry T. Wing School on Water Street and Beale Avenue for the electric system now installed at said schools, said easements to be used for the purpose of supplying electric energy to the Junior-Senior High School and the Henry T. Wing School.

ARTICLE 12 - To see if the Town will vote to transfer and appropriate the 1975 income from the Hoxie House and Grist Mill for the Operation and Maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$18,516.90 from the Hoxie House and Grist Mill Income Account to an account for the operation and maintenance of the Hoxie House and Grist Mill.

ARTICLE 13 - To see if the Town will vote to transfer and appropriate the money from the Marina Income Account for the use of the operation, maintenance, repairs and Capital Outlay at the East Boat Basin Marina, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$12,254.29 from the Marina Income Account to a maintenance and capital outlay account.

ARTICLE 14 - To hear the report of the Town Hall Study Committee and act thereon.

This article was moved and seconded, and Mr. John A. Coe, Co-Chairman of the Committee appointed under Article 26 of the 1975 Warrant, gave the report for the majority of the Committee. He noted that in reference to the year of study, under this article, the selection of an Architect, Mr. Robert Neiley, Bastille-Neiley, and the study of Mr. Neiley's report, the majority view of the committee was as follows:

1) All described the plans (as presented by Mr. Neiley) as a good use for the available space but not adequate for the problem posed. Despite the total of 6600 net square feet on three full floors, there is not room for expansion.

2) The majority felt that \$491,302.00 was a low estimate for the work involved and did not deal with several hidden but unavoidable costs. These included cost escalation, a potentially insufficient contingency fund, rental of office space for as long as a year, secure vault provisions and temporary office equipment.

3) The proposed and tentative solution of sewage disposal at the Dunbar property was felt to be expensive and complicated and potentially depreciating of the land value there. During the study, other areas investigated, were deemed unsatisfactory or inadequate.

4) Although the parking problem was outside the scope of the Article, the majority found it to be one of the most serious shortcomings of the intense recycling proposed by the Study. It was found that the Glass Museum could not provide any space during the time of year when space is needed most, and that the possible use of a portion of the Dunbar property was on land too distant, and the crossing of Route 130 too dangerous. The congestion of Town Hall Square in the summer is well known. The majority felt the area could not support the parking required for a 100 per cent increase in the number of employees and the attendant increase in vehicular traffic for Town Hall business.

5) In conclusion, the substantial majority of the committee felt that the problem presented in Article 20 had been explored by Mr. Neiley in an imaginative way. However, the proposed cost of \$500,000 for major alterations to a 142 year old structure was judged prohibitive in the light of the inadequate space provided, the short-term life of such an in-

vestment in view of probable town growth, loss of the building's existing historic characteristics, and the accompanying environmental damage to Town Hall Square. We feel there is a better, more sensible and less expensive use for the venerable building, such as that proposed by the Sandwich Historical Commission.

For all the reasons stated herein, the majority of the Town Hall Study Committee does not recommend this large expenditure for renovation to Town Hall which have to be considered a short-range solution to what are long-range municipal needs.

Mr. Coe noted that these conclusions of the report were signed by twelve members of the Committee - John A. Coe (Planning Board), Francis X. Martin (Historical Society), Carl H. Hiler (Selectman), William C. Taylor (Town Engineer), Robert H. Ellis (Board of Health), Albert Roberti (Board of Appeals), Grattan Gill (Architect, member-at-large), Sven E. Hanson (Building Inspector), Channing E. Hoxie (Town Clerk), James Cervantes (Heritage Plantation), John A. Field (Historic District Commission), and John A. Erickson (Builder, member-at-large).

Mrs. Cross was recognized and presented a minority report, which questioned all main points of the majority report. She noted that after Mr. Neiley had attended a Sandwich Citizens Organization meeting, he became aware of the concern of the citizens over the \$491,302.00 which had been proposed and submitted in a letter a proposal to cut out the third floor construction and cut the costs to \$298,000.00. She said the minority felt that parking could be solved by creating tourist parking. The sewage system could be solved by using the Dunbar property, and only the major offices should be kept in the Town Hall. Other buildings such as the Co-Operative Bank and Wing School might be used for many offices. She urged a NO vote so that Article 16 could be passed.

The minority report was endorsed by Mrs. Cross (Sandwich Woman's Club), Virginia Amidon (Junior Woman's Club), Pearl Rosser (Sandwich Citizens Organization) and David Wright (Sandwich Historical Commission).

Mr. Coe reviewed the conclusions of the majority:

I would like to put into perspective the second report from Mr. Neiley. On the evening of February 25, 1976, Mr. Robert Neiley presented his final report and plans to the Town Hall Study Committee. Each plan and report was discussed at some length by the fourteen members present. I quote from the final paragraph of the minutes of that meeting. "Mr. Gill said in connection with Mr. Neiley's contract ... as to which I believe he conformed, — now I think we can submit to the committee an offer of vote of acceptance, unless Mr. Neiley has anything else to report. Mr. Gill made a motion that the committee accept the report as submitted by Bastille-Neiley, Architects, tonight — with appreciation. The motion was seconded and passed, and Mr. Neiley was thanked for his services.

As a final action at this meeting, all members received a bound copy of Mr. Neiley's report and a letter from the chairmen — asking that they evaluate the report and present their findings, in writing, at the next meeting on March 12. On March 12, and I quote from the minutes — "all reports were read and copies sent to each member." From these reports, the final report of the Town Hall Study Committee

was prepared by the Co-Chairmen, and April 9 was set for a meeting, at which time the final report would be read, edited, accepted, or rejected. On Thursday, the 25th of March, Mr. Neiley addressed the Sandwich Citizens Organization on the subject "The Town Hall Renovation Plan."

This talk was ably recorded by the publicity committee and reached the four local news media — the Broadside, the Cape Cod Independent, the Cape Cod Times and the Cape Cod News. According to the article, Mr. Neiley's proposal was courteously received and a lively discussion followed. At no time was it reported that an alternative fall-back proposition was presented, discussed, or requested.

On April 8, Mr. Gill and I received an extraordinary piece of correspondence from Mr. Neiley, which I would like to read.

(The letter from Mr. Neiley was addressed to the Sandwich Town Hall Study Committee - Attention: Messrs. Gill and Coe, Co-Chairmen)

Gentlemen:

"Following my recent talk before the Sandwich Citizens Organization I spoke with a number of those present and received the strong impression that in today's economic climate there is only a slim possibility that the Town Meeting will vote the money for the proposed three-story renovation of Town Hall or even any funds for a study aimed at a new Town Hall.

Since there seems to be general agreement that the facilities in Town Hall at present are inadequate, I wonder whether the Town would support a more modest program of renovation designed not to be the long-range answer to town office needs but frankly a short-range improvement to carry over the next few years. This would allow the time needed to reach agreement on a more permanent solution to your needs.

With this in mind, I have projected a second budget estimate based on renovating only the first and second floors. The third floor could be added in the future or it might never be added, in which case the building would still be suitable for other uses if a new town hall should be built.

It seems to me that a fall-back alternative such as this may be acceptable to voters who admit the need for Town Hall improvements, but are unwilling either to commit a large amount of money for changes or accept the present proposal as a long range solution.

If you need more information or have questions, please do not hesitate to call us."

Sincerely yours,
BASTILLE-NEILEY
Robert G. Neiley

(The attached cost schedule to the above letter reduced the Town Hall renovation costs to \$297,539.00)

This letter was dated April 1 and we received it April the 8th. On April the 9th, the Town Hall Study Committee met. At this meeting — the final meeting of the Town Hall Study Committee — this letter was read and caused much discussion concerning the fact that it was submitted after the final report and after Mr. Neiley had been thanked for his services and dismissed.

I quote from the minutes of April 9. "Dr. Rosser felt that Mr. Neiley's motivation should not be questioned, as he had practically been requested to do this to give more detailed information to a large number of people, presumably, the

Sandwich Citizens Organization. After further discussion and consideration of the matter, it was voted to postpone any further discussion of the matter. The vote was nine to five.

The Report of the Committee of the Town Hall Study Committee was read and discussed paragraph by paragraph. The vote to accept the report as presented was nine in favor, three against, and two persons abstained. Eventually, twelve members of the committee signed this report.

A question still remains — Who had the authority for "Practically requesting Mr. Neiley to do this?" He had completed his work for the committee, had been given a vote of thanks, and we paid him.

Mr. Neiley accepted the invitation of the Sandwich Citizens Organization as a free lance individual. Dr. Rosser had, in fact, asked the committee if it was all right for him to speak. (The Committee felt) he was a free agent.

Under these conditions, how could the Neiley letter dated April 1, and received on April 8, be seriously considered by your Committee as anything but a last minute attempt to salvage some work for this firm from the Town of Sandwich.

After further discussion, it was

VOTED - That the Town Hall Study Committee's report be accepted and that the Committee be discharged with a vote of thanks and appreciation for their work. This was a voice vote and declared carried by the Moderator. Seven people contested this decision and a hand vote was held: 341 in favor of acceptance of the report, 268 against.

ARTICLE 15 - To see if the Town will vote to authorize and direct the Selectmen to direct the Town Engineer forthwith to design a plan to carry the Town Hall sewage to the adjacent Comfort Station sewerage system and to submit said plan to the State Department of Public Health for approval, or do anything relative thereto. (By Petition)

UNANIMOUSLY VOTED - Indefinite Postponement of this Article.

ARTICLE 16 - To see if the Town will vote to authorize and direct the Selectmen forthwith: 1. - To hire Bastille-Neiley, Architects of Boston, Massachusetts to prepare construction documents for the renovation of Sandwich Town Hall according to the "Study of Town Hall, Sandwich, Massachusetts, Bastille-Neiley, Boston, Massachusetts," and the design drawings contained therein as accepted by the Town Hall Study Committee on March 3, 1976 and as presented to the Town at this Annual Town Meeting of the Town of Sandwich, subject to refinements in construction drawing: 2. - To invite and receive construction bids for said renovation: 3. - To authorize construction of said renovation provided the lowest acceptable bid is within the monies available and 4. - To appoint a Town Hall Renovation Committee consisting of five (5) voting residents of the Town of Sandwich a majority of whom shall be selected from those voting residents of the Town of Sandwich speaking in favor of this article at this Annual Town Meeting to assist and advise Bastille-Neiley on the renovation of the Sandwich Town Hall, and to raise and appropriate or transfer from available funds an amount not to exceed \$491,302.00 for the purpose of this renovation or do anything relative thereto. (By Petition)

VOTED - This Article was Indefinitely Postponed.

ARTICLE 17 - To see if the Town will vote to transfer and appropriate the money received from the State Public Library

Aid Account to the library Appropriation Account, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$1,964.63 received from the State Public Library Aid Fund to the Library Appropriation Account.

ARTICLE 18 - To see if the Town will vote to transfer and appropriate the money received from the Dog Fund of 1975 to the Library Appropriation Account, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$3,203.81 received from the 1975 County Dog Fund to the Library Appropriation Account.

ARTICLE 19 - To see if the Town will authorize the Board of Selectmen to appoint a committee of five (5) to examine the concept of a Town archives and Historical center with respect to space and staff requirements, the scope of collections to be formed, relations to existing public and private records, and the functions of the center in serving the Town and those interested in its history and to report its recommendations to the next Annual Town Meeting, and to raise and appropriate a sum of money for the use of said committee, or do anything relative thereto. (Requested by the Sandwich Historical Commission)

Dr. Wright made the following amendment: Insert the following between "Annual Town Meeting," and "and to raise and appropriate:" "said committee to consist of the Town Clerk, the Town's Head Librarian, or one designated by her, one member representative designated by the Sandwich Historical Commission, one member-at-large."

This amendment was then voted and declared carried by the Moderator.

UNANIMOUSLY VOTED - That the Town authorize the Board of Selectmen to appoint a committee of five (5) to examine the concept of a Town Archives and Historical Center with respect to space and staff requirements, the scope of collections to be formed, relations to public and private records, and the functions of the Center in serving the Town and those interested in its history, and to report its recommendations to the next Annual Town Meeting, said committee to consist of the Town Clerk, the Town's Head Librarian, or one designated by her, one member representative designated by the Sandwich Historical Commission, one member representative designated by the Sandwich Historical Society, and one member-at-large, and to raise and appropriate \$800.00 for the use of said committee.

ARTICLE 20 - To see if the Town will vote to authorize the Selectmen to appoint a Capital Outlay Committee of not more than five (5) members to study, set priorities and make recommendations to the Board of Selectmen concerning future Capital Outlays, including but not restricted to buildings, equipment and land, and to report at least annually their recommendations to the Selectmen or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town authorize the Board of Selectmen to appoint a Capital Outlay Committee of not more than five (5) members to study, set priorities and make recommendations to the Board of Selectmen concerning future capital outlays, including but not restricted to buildings, equipment and land, and to report at least annually their recommendations to the Selectmen.

ARTICLE 21 - To see if the Town will vote to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town a parcel of land on Plank Walk Road containing about 12.8 acres and shown on the Sandwich Assessors' Maps as parcel Q6 on sheet No. 7 in the name of David W. Swain, et al, recorded owners, the parcel to be acquired for conservation purposes and the assessed valuation of \$1,100.00 to be paid for the acquisition from the conservation commission land acquisition fund.

UNANIMOUSLY VOTED - That the Town authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town a parcel of land on Plank Walk Road containing 12.8 acres more or less and shown on the Sandwich Assessors' Maps as parcel Q6 on Sheet 7 in the name of David W. Swain, et al, recorded owners, the parcel to be acquired for conservation purposes and the assessed valuation of \$1,100.00 to be paid for the acquisition from the Conservation Commission land acquisition fund.

ARTICLE 22 - To see if the Town will vote to authorize the Board of Assessors to contract with the J. M. Cleminshaw Company to make an appraisal of the taxable Real Estate within the Town for the purpose of updating our assessed valuations and to transfer from the Federal Revenue Sharing Fund a sum of money to cover the cost of same, or do anything relative thereto.

VOTED - That the Town authorize the Board of Assessors to contract with the J. N. Cleminshaw Company to make an appraisal of the real estate within the Town for the purpose of updating our assessed valuations and to transfer \$55,000.00 from the Federal Revenue Sharing Fund deposited in a special savings account to cover the cost. This was a voice vote and declared carried by the Moderator.

ARTICLE 23 - To see if the Town will vote to authorize the Board of Selectmen to appoint a committee to determine if a need exist for an outdoor concert amphitheater and if it is determined that a need exist to suggest and recommend a suitable location and report their finding at the next Annual Town Meeting, or do anything relative thereto.

VOTED - That the Town authorize the Board of Selectmen to appoint a committee to determine if a need exists for an outdoor concert amphitheater and if it is determined that a need exists to suggest and recommend a suitable location and a projected cost and report their findings at the next Annual Town Meeting. This was a voice vote and declared carried by the Moderator.

ARTICLE 24 - To see if the Town will vote to amend the Town unregistered Vehicle Bylaw by adding at the end of the second paragraph the following, "and each day of violation shall be a separate offense." so that the second paragraph will read as follows:

This Bylaw shall be administered by the Chief of Police. Any person violating any of the provisions of this Bylaw shall be fined not more than fifty dollars (\$50.00) for each offense, and each day of violation shall be a separate offense.

VOTED - That the Town amend the Town's unregistered vehicle Bylaw by adding at the end of the second paragraph the following:

"And each day of violation shall be a separate offense," so that the second paragraph reads as follows:

This Bylaw shall be administered by the Chief of Police. Any person violating any of the provisions of this Bylaw shall

be fined not more than fifty dollars (\$50.00) for each offense, and each day of violation shall be a separate offense.

This was a voice vote and declared carried by the Moderator.

ARTICLE 25 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting Section 2421 in its entirety and substituting the following:

"2421. Extension. No addition to or increase in the extent of a non-conforming use of a structure of land may be made except that the Board of Appeals may grant a Special Permit for expansion of an existing use if the following standards are met:

1. All new parking and new construction are located not closer to side lines and rear lines than twice the setback distance required for conforming structures in the same district.
2. Only those parcels are used as were so employed at the time the use was made non-conforming.
3. All new parking is substantially screened from abutters and from streets.
4. Additional traffic, parking, noise and congestion will not detract from the existing character of the neighborhood."

or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - Article 25 was unanimously voted as printed in the Warrant.

ARTICLE 26 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting the second paragraph of Section 1320, and substituting the following:

"The Board of Appeals shall have the power to grant variances from the terms of this Bylaw, with respect to particular land or structures, including variances for use, but only in cases where the Board finds all of the following:

- (1) A literal enforcement of the provisions of this Bylaw would involve a substantial hardship, financial or otherwise, to the petitioner or appellant.
- (2) The hardship is owing to circumstances relating to the soil conditions, shape, or topography of such land or structures but not affecting generally the zoning district in which it is located.
- (3) Desirable relief may be granted without either:
 - (a) substantial detriment to the public good; or
 - (b) nullifying or substantially derogating from the intent or purpose of this Bylaw."

or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - Article 26 was unanimously voted as printed in the Warrant.

ARTICLE 27 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map, removing from BL-1 district and placing into the R-20 district that portion of the BL-1 district abutting and lying south of Route 6A between Tupper Road and Route 130 and also that section lying southwest of Route 130 near its intersection with Route 6A, or act in relation thereto. (Request of the Planning Board)

VOTED - Article 27 was Indefinitely Postponed. This was a hand vote; 201 Yes, 118 No.

ARTICLE 28 - To see if the Town will vote to amend the

Sandwich Zoning Bylaw by retitling Section 3400 as "Environmental Controls," by renumbering Section 3470 to be Section 3480, and by inserting a new Section 3470, Lighting, to read as follows:

"3470. Lighting. Exterior area lighting, such as for parking lots or recreation areas, and building floodlighting, shall employ fixtures of a type, height, location, brightness, and direction such that glare and shadow-producing light over-spill onto adjacent parcels is avoided. Installations of exterior illumination totalling more than 10,000 watts on a single parcel shall be allowed only on Special Permit from the Board of Appeals, to be granted only if the above requirements are complied with."

or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - Article 28 was unanimously voted as printed in the Warrant.

ARTICLE 29 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows:

1. Delete all references to "Shore District" in the Bylaw, including at 2110 the row "Shore District S;" at 2300 the column headed "S"; and at 2600 the column heading "S".
2. Amend the Zoning Map by removing the "Shore" row from the legend, and by redesignating all areas now designated Shore District as R-20 District.

or act in relation thereto. (Request of the Planning Board)

VOTED - Article 29 was Indefinitely Postponed. This was a hand vote; 155 Yes, 108 No.

ARTICLE 30 - To see if the Town will vote to amend Article V Definitions of the Sandwich Zoning Bylaw as follows:

1. Substitute the following for the first sentence of the definition of "Lot Frontage." "Lot Frontage - That portion of a lot fronting upon and providing rights of access to street."
2. Delete in its entirety the current definition of "street," substituting the following in place thereof:
"Street - An accepted town way, or a way established by or maintained under County, State, or Federal authority, or a way established by a subdivision plan approved in accordance with the Subdivision Control Law, or a way certified by the Planning Board to have sufficient width, suitable grades, and adequate construction to provide for the needs of vehicular traffic in relation to the proposed use of the land, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon."

or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - Article 30 was unanimously voted as printed in the Warrant.

ARTICLE 31 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting the first sentence of Section 4640, and substituting the following:

"4640. Multi-family dwellings shall have a lot area of at least five acres and lot area per dwelling unit at least equal to the lot area required at that location for a single-family dwelling, or half that amount if the site is serviced with public water. Two thirds of the dwelling units shall be restricted to

not more than one bedroom, the remaining one third shall have not more than two bedrooms."

or act in relation thereto. (Request of the Planning Board)

VOTED - This article was voted by hand vote; 150 Yes, 100 No. This article was declared Not Carried by the Moderator as it did not meet the two-thirds requirement.

At this point, 11:20 P.M., a motion was made to adjourn this meeting. This was voted. The next meeting to be on Tuesday, May 4, 1976, at 7:30 P.M., at the same location.

The Meeting was called to order on May 4, 1976, at 7:30 P.M. The Moderator appointed four tellers: Carlo Pola, Albert Roberti, Lester Geary and Jean Richards.

ARTICLE 32 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting 3520, and substituting the following:

"3520. All parking lots for commercial use must assure safe patterns of internal circulation of vehicular traffic. They shall have a buffer strip between the street and the parking area consisting of a mixed planting of trees and shrubs with a minimum of one shade tree of at least 2" caliper for each ten cars. In addition, parking areas for more than ten cars shall have within the parking area one tree of at least 2" caliper, with shrubs at the base, for every ten cars. One half of these trees shall be shade trees. All trees and shrubs shall be protected from vehicular damage in curbed soil plots allowing not less than 40 square feet of unpaved soil area per tree.

A bond to be posted in the amount of \$50.00 per parking space shall be required if an occupancy permit is given in a season when the landscaping is not completed.

Plans for landscaping parking areas must be approved by the Planning Board."

or act in relation thereto. (Request of the Planning Board)

VOTED - This article was voted by hand vote; 138 Yes, 98 No. This article was declared Not Carried by the Moderator as it did not meet the two-thirds requirement.

ARTICLE 33 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows:

Revise Section 1310 by deleting the word "two" in reference to the number of associate members and substituting in its place the word "four" or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - That the Town amend the Sandwich Zoning Bylaw as follows:

Revise Section 1310 by deleting the word "two" in reference to the number of associate members and substituting in its place the word "four."

ARTICLE 34 - To see if the Town will vote to adopt the following Town Bylaw as Section 3 of Article VI:

"Section 3.

The layout and acceptance of any private way shall be done in accordance with Chapter 82, G. L. and any betterment assessments shall be made in accordance with Chapter 80, G. L. The Selectmen shall not recommend acceptance of a road layout by the Town Meeting unless the owners of a majority of the assessable frontage abutting the way have agreed to accept the estimate of cost to be apportioned to each abutter, or unless the Selectmen shall determine by unani-

mous vote of their board that a compelling public need exists for acceptance of that way. No betterments shall be assessed for improvements to any way accepted by the Town prior to approval of this article."

or act in relation thereto. (Request of the Planning Board)

UNANIMOUSLY VOTED - Article 34 was unanimously voted as printed in the Warrant.

ARTICLE 35 - To see if the Town will vote to adopt the following town bylaw as Section 7 of Article V, renumbering present Section 7 as Section 8:

"Section 7.

Yard sales (the sale or offering for sale of ten or more items of personal property at any one residential premises at any one time) may be held only with the written permission of the Board of Selectmen for each such sale, with each sale to last not more than two days. Such permission shall be granted only where no hazard to traffic will thereby be created and shall be granted not more than twice for the same premises in any twelve-month period."

or act in relation thereto. (Request of the Planning Board)

VOTED - This article was voted by a Voice vote and declared Not Carried by the Moderator.

ARTICLE 36 - To see if the Town will vote to amend the Sandwich Sign Bylaw as follows:

Revise Section 7. Nonconforming Signs, by deleting the second sentence in its entirety and substituting the following:

"Each nonconforming sign shall conform to the provisions hereof on or before November 24, 1977; provided, however, that all prohibited signs described in Section 5 shall be removed no later than one year from the enactment of this Code."

or act in relation thereto. (Request of the Planning Board)

VOTED - That the Town of Sandwich amend the Sandwich Town Bylaw as follows:

Revise Section 7. Nonconforming Signs, by deleting the second sentence in its entirety and substituting the following:

"Each nonconforming sign shall conform to the provisions hereof on or before November 24, 1977; provided, however, that all prohibited signs described in Section 5 shall be removed no later than one year from the enactment of this Code."

This was a voice vote and declared carried by the Moderator.

ARTICLE 37 - To see if the Town will vote to raise and appropriate a sum of money to be paid to the Cape Cod Mental Health Association for services rendered to the citizens of the Town by the Mental Health Center at Pocasset or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$1,756.00 to be paid to the Cape Cod Mental Health Association for services rendered to citizens of the Town by the Mental Health Center at Pocasset.

ARTICLE 38 - To see if the Town will vote to raise and appropriate a sum of money to be paid to the Cape-Island Home Care, Inc., to be used as matching funds to enable the Home-Care Program to offer services to elderly residents of the area, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$500.00 to be paid to the Cape-Island Home Care, Inc., to be used as matching funds to enable the Home Care Program to offer services to elderly residents of the area.

ARTICLE 39 - To see if the Town will vote to raise and appropriate a sum of money to be paid to the Cape Cod Retired Senior Volunteer Program, known as RSVP to assist in the promotion of their volunteer program, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$650.00 to be paid to the Cape Cod Retired Senior Volunteer Program to assist in the promotion of their volunteer programs.

ARTICLE 40 - To see if the Town will vote to transfer from available funds a sum of money for the purchase by the Recreation Committee of equipment for their summer activities or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$3,500.00 from Surplus Revenue to the Recreation Committee for the purchase of equipment for their summer activities.

ARTICLE 41 - To see if the Town will vote to transfer a sum of money from the Federal Revenue Sharing Fund deposited in a Special Savings Account and appropriate the money as needed to cover the cost of the purchase of police cruisers for the Police Department, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$14,850.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to be available as needed for the purchase with the approval of the Selectmen for replacement of police cruisers for the Police Department.

ARTICLE 42 - To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of foreshores and shores along the public beaches in the Town of Sandwich, in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

UNANIMOUSLY VOTED - This article was unanimously voted as printed in the Warrant.

ARTICLE 43 - To see if the Town will vote to raise and appropriate a sum of money to be expended towards the operating expenses of the Cape Cod Family and Children's Service, Inc., in offering professional counseling service, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$500.00 to be paid to the Cape Cod Family and Children's Service, Inc., for their operating expenses in offering professional counseling services.

ARTICLE 44 - To see if the Town will vote to authorize the Board of Selectmen in the name and in behalf of the Town of Sandwich to remise and release to the Commonwealth of Massachusetts, through its Department of Public Works, whose post office address is 100 Nashua St., Boston, Mas-

sachusetts 02114 hereinafter referred to as the Department, all right, title, claim and demand whatsoever as said grantor has, or ought to have in and to a certain vehicular bridge being bridge S-4-Z and being identified as Railroad Bridge No. 66.98, said bridge being a continuation and extension of a public way known as Old County Road in the Town of Sandwich providing Vehicular passage for the public over the tracts of the Penn Central Railroad Co.

UNANIMOUSLY VOTED - Article 44 was unanimously voted as printed in the Warrant.

ARTICLE 45 - To see if the Town will vote to abandon pursuant to Chapter 40, Section 15, Massachusetts General Laws that certain drainage easement running from Freeman Ave., to the waters of Cape Cod Bay shown on Assessors Map 15 and Land Court Plan 22318A Sheet No. 2, or do anything relative thereto.

VOTED - Article 45 was voted as printed in the Warrant. This was a voice vote and declared carried by the Moderator.

ARTICLE 46 - To see if the Town will vote to authorize the Selectmen to accept on behalf of the Town from the Commonwealth of Massachusetts a parcel of land consisting of 79.95 acres more or less located on Route 130 for the use by the Town for a Town Cemetery upon the approval and conveyance of the land by the Commonwealth of Massachusetts to the Town for cemetery purposes.

UNANIMOUSLY VOTED - Article 46 was unanimously voted as printed in the Warrant.

ARTICLE 47 - To see if the Town will vote to transfer from the Federal Revenue Sharing Fund a sum of money to complete the equipping of a recently acquired tank truck for the Fire Department use or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$5,000.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to complete the equipping of a recently acquired tank truck for the Fire Department.

ARTICLE 48 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program for the better utilization of the school building facilities for the entire community, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$53,408.00 for the operation of the Community School Program for the better utilization of the School Building facilities for the entire community.

ARTICLE 49 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for highway work on Town roads in accordance with the following list, or do anything relative thereto.

Freeman Avenue	\$44,503.00
Ploughed Neck Road	10,000.00
Atkins Road	10,963.00
Dewey Avenue	14,566.00
Plank Walk	6,800.00
Old County Road at Route 6A	5,000.00

Mr. Cullity moved to amend the Article which would delete the words "Old County Road at Route 6A \$5,000.00."

The amendment was then voted and declared Not Carried by the Moderator.

UNANIMOUSLY VOTED - That the Town transfer and appropriate \$91,832.00 from the Federal Revenue Sharing Fund on deposit in a special savings account for highway work on the following Town Roads:

Freeman Ave.	\$44,503.00
Ploughed Neck Rd.	10,000.00
Atkins Rd.	10,963.00
Dewey Ave.	14,566.00
Plank Walk	6,800.00
Old County Rd. at Route 6A	5,000.00

ARTICLE 50 - To see if the Town will vote to authorize the Selectmen to appoint a committee to study the advisability of the constructing of a sidewalk on Route 130, State Highway from Shawme Crowell State Forest to the vicinity of the Town Hall Square and report their findings to the next Annual Town Meeting or do anything relative thereto.

UNANIMOUSLY VOTED - Article 50 was unanimously voted as printed in the Warrant.

ARTICLE 51 - To see if the Town will vote to transfer from available funds \$100,000.00 to reimburse the school committee for the funds deducted from their 1976 budget and reinstated by the Court.

UNANIMOUSLY VOTED - Article 51 was unanimously voted as printed in the Warrant.

ARTICLE 52 - To see if the Town will vote to authorize the Selectmen to enter into an agreement with an Engineering Firm to review and update the proposed Sewerage System Report of 1966 so that it will conform with the present regulations and guidelines which have been put into effect since the date of the previous report and report back to the next Annual Town Meeting, or sooner, for the Town's consideration and action, and to raise and appropriate or transfer from available funds a sum of money to cover the cost of the work, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town authorize the Board of Selectmen to enter into an agreement with an Engineering Firm to review and update the proposed sewerage system report of 1966 so that it will conform with the present regulations, and guidelines which have been put into effect since the date of the previous report and report back to the next Annual Town Meeting, or sooner, for the Town's consideration and action, and to raise and appropriate \$49,000.00 to cover the cost of the work.

ARTICLE 53 - To see if the Town will accept the layout of Deerwood Drive, Kettle Drum Lane, Lakewood Drive, Pine Cone Drive, Spectacle Road and the remaining section of Herring Run as laid out and recommended by the Selectmen in accordance with the plans thereof, dated December 1975, January 1976 and February 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of Deerwood Drive, Kettle Drum Lane, Lakewood Drive, Pine Cone Drive, Spectacle Road and the remaining section of Herring Run as laid out and recommended by the Selectmen in accordance with the plans thereof, dated December 1975, January 1976 and February 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by

purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 54 - To see if the Town will accept the layout of Bramblebush Drive, Woodvue Road, Greenville Drive, Shagbark Road and Woodvue Circle as laid out and recommended by the Selectmen in accordance with the plans thereof, dated September 1975 and October 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - It was unanimously voted to Postpone Article 54.

ARTICLE 55 - To see if the Town will accept the layout of Richards Way, Roberts Way, and Barbara Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated December 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of Richards Way, Roberts Way and Barbara Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated December 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 56 - To see if the Town will accept the layout of the remaining section of Artisan Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by eminent domain, or purchase, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of the remaining section of Artisan Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 57 - To see if the Town will accept the layout of Gallo Road connecting Town Neck Road and Marina Service Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated September 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of Gallo Road connecting Town Neck Road and Marina Service Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated September 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town, such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 58 - To see if the Town will accept the layout of Wilson Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of Wilson Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town, such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 59 - To see if the Town will accept the layout of the remaining section of Tabor Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the layout of the remaining section of Tabor Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1976 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 60 - To see if the Town will accept the relocation of a section of the Mid-Cape Service Road as laid out and recommended by the Selectmen in accordance with the plan thereof, dated September 1975 and filed with the Town Clerk, and to authorize the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town accept the relocation of a section of the Mid-Cape Service Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated September 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefore, and to raise and appropriate \$3,100.00 for said purpose.

ARTICLE 61 - To see if the Town will vote to raise and appro-

ropriate or transfer from available funds in the Treasury a sum of money for the payment of interest on loans.

UNANIMOUSLY VOTED - That the Town raise and appropriate \$296,955.00, transfer and appropriate \$250,000.00 from Surplus Revenue and transfer and appropriate \$250,000.00 from the Otis Trust Fund for the payment of interest on loans.

ARTICLE 62 - To see if the Town will authorize the Conservation Commission to acquire by purchase or otherwise for Conservation purposes, a certain parcel of land in the town from Dorothy N. Holway of about 60 acres located on Route 6A in East Sandwich and to vote to raise and appropriate or transfer from available funds a sum of money to cover the cost, or do anything relative thereto.

UNANIMOUSLY VOTED - That the Town authorize the Conservation Commission to acquire by purchase or otherwise for conservation purposes a certain parcel of land from Dorothy N. Holway, owner of record, of 60 acres more or less located on Route 6A in East Sandwich and to raise and appropriate \$52,000.00 for said purchase.

ARTICLE 63 - To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Numbering of Buildings	5.08
ROAD TAKINGS	
Anderson Ave. & Edward Kelly Road	5.00
Surrey Lane & Horseshoe Circle	5.00

The total vote cast was 2316 which included 56 Absentee Ballots for Precinct 1 and 29 Absentee Ballots for Precinct 2.

The Voting Lists of Checkers and Ballot Clerks were checked and found in order and the ballot box counter agreed with these lists.

The total number of registered voters at the close of registration prior to election was - Precinct 1 - 2066; Precinct 2 - 2142. (4208)

I certify that this is a true record of the Special Election held in Sandwich on December 11, 1976.

Channing E. Hoxie
Town Clerk

Report of the Inspector of BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Mass.

In the year 1976 there was a substantial increase over the year 1975 in permits issued.

There were 543 permits issued with an estimated value of \$6,384,507.00 which is approximately double the estimated value of 1975.

The permit issued for the standpipe on Quaker Meetinghouse Road was the only large commercial permit issued in 1976, with a value of \$556,000.00. The Sandwich Co-operative Bank building was started in 1976 but under a foundation permit, so the building permit was not issued until January, 1977. This permit is for an estimated value of \$715,000.00 which is not figured into the estimated values for 1976.

There were 52 more dwelling permits issued.

The fees collected and paid to the Town Treasurer amounted to \$10,060.46.

Permits were issued as follows:

178 Dwellings
68 Additions
42 Alterations
15 Garages
2 Office Buildings
38 Sign Permits
11 Occupancy Permits (at \$5.00)
27 Certificate of Inspections
118 Occupancy Permits (No Fee)
44 Misc. Permits

I would like to take this opportunity to thank the Selectmen, all the girls in the office, all the inspectors in the building department, to the Fire Chief for their co-operation, and especially to Mrs. Helen Palmer for her untiring efforts to help keep the department running smoothly, and also to Mr. Lester Geary, Alternate Building Inspector for his readiness to help if needed.

Respectfully submitted,

Sven E. Hanson

Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1976.

There were 140 permits issued in 1976 for the installation of gas services and appliances.

There were no major revisions in the Massachusetts Gas Code during the past year. Again I am pleased to report that most of the installers have been most cooperative and responsible in their work.

I would like to thank the Selectmen, the citizens of the Town, the various contractors and installers and in particular Mr. Edward Montague and Mrs. Helen Palmer for their cooperation during 1976.

Respectfully submitted,

Walter T. Fagnant

Gas Inspector

Report of the PLANNING BOARD

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The Planning Board has experienced a second consecutive quiet year. Building activity continues to grow but the lots being used are mostly those previously subdivided.

The state legislature did not pass the anticipated revision and clarification of the new state zoning statute this year. We are required to amend our bylaws to conform before June 1978 and will be working on this project in the coming year with or without further statements from the legislature.

We expect a year of greater subdivision activity. A substantial portion may be the result of the continuing Mashpee situation which prohibits further construction there. Whatever the result of the Indian suit, it will affect Sandwich.

Respectfully submitted,

Jonathan D. Fitch, Chr.

David W. Allen

William G. Bryden

Edward A. Coomey

Chester E. Cross

Report of Board of APPEALS AND SIGN CODE BOARD OF APPEALS

To the Honorable Board of Selectmen
Sandwich, Mass.

A total of 67 applications for Appeals Board public hearings were advertised. Sixty of these were heard, as seven were withdrawn before the hearing or the applicant did not appear. The breakdown was as follows: 46 Special Permits granted; 4 Special Permits not granted; 13 variances granted; and 4 variances not granted. No decisions were appealed in court.

Our new bylaw, Section 242I, allowing extension of non-conforming uses with restrictions is working well. Four applicants, all along Rt. 6A, have been granted Special Permits to expand. Also the addition of two more alternates has been a tremendous help in maintaining the required 5 members at a hearing.

Only one application for a Sign Code Board of Appeals public hearing was held. This was a Special Permit to erect 3 off-premise directional signs. A permit for only one sign, on town land, was granted.

The members of the Board wish to express their gratitude to Mrs. Palmer for her services as secretary.

Respectfully submitted,

Albert Roberti, Chm.

Roland DeConto, Vice-Chm.

Ann Sullivan, Clerk

John Harvey

Edward W. Osgood, Jr.

Peter Closson, Alternate

Peter Boniface, Alternate

Walter Stahura, Alternate

Herbert Rosenberg, Alternate

Report of the WIRE INSPECTOR

To the Honorable Board of Selectmen,
Sandwich, Massachusetts

The following report is for the year 1976 as requested from July 1, 1975, to June 30, 1976.

During the year we issued 298 wiring permits of which 194 were for new installations and 104 were for additions or alterations.

We therefore travelled 5,256 miles to make the necessary inspections.

We wish to extend our sincere thanks and appreciation to the people in Town Hall for being cooperative.

Respectfully submitted,
Edgar E. Caron
Inspector of Wires

Report of the Inspector of PLUMBING

To the Honorable Board of Selectmen:

The year 1976 brought a slight increase in building in Sandwich. There were 262 plumbing permits issued as compared to 215 for 1975, an increase of approximately 22% over 1975. There were 394 inspections made at various stages of completion.

There were 235 sewerage disposal permits issued in 1976 as compared with 179 for 1975, an increase of 31% over 1975.

As always I wish to thank everyone who has worked with me in 1976 and hope and trust conditions will improve in the coming year of 1977.

Respectfully submitted,
Edward F. Montague
Plumbing Inspector

Report of the Cape Cod Planning and Economic DEVELOPMENT COMMISSION

Public transportation program for the elderly and handicapped funded by a \$368,000 federal grant to Barnstable County . . .

Creation of a Cape Cod Business Development Corporation that can financially assist businesses to locate or expand businesses on the Cape. . .

Community Development Block Grants for Provincetown, Falmouth, Dennis, and Bourne totaling \$287,000 for local Cape projects . . .

Creation of a Cape Cod Regional Transportation Authority that can receive 50% reimbursements from the State for operating public transportation services. . .

Approval of a Five-Year Transportation Plan that pro-

vides 80% federal share of capital equipment purchases for local and regional public transportation. . .

Industrial Development Finance Authorities established in Brewster, Falmouth and Bourne. . .

Use of Local Growth Policy Statements to develop a Regional Growth Policy Statement for Cape Cod. . .

Efforts to develop construction jobs at two major Otis projects leading to five Cape firms obtaining contracts for work. . .

While the Commission's major planning programs have been in various stages of development, all have been well underway during the past year from comprehensive data gathering to the publication of final reports. The following brief review of the Commission programs will provide an overview of the status and goals of these efforts:

Wastewater Management

The protection of the Cape's groundwater and recreational waters and the prevention of future water quality problems is the broad task of the 208 Planning Program. This two-year program is now entering its final phases after extensive research, data gathering and analysis of the Cape's existing and potential water quality problems and what can be done about them. The development of alternative approaches, the selective ranking of alternatives and formulation of the final plan are the tasks ahead.

U.S.G.S. groundwater study will provide the local governments with an improved capability for protecting water quality and quantity. The coordination of these two critical programs at the county and town level may be the key to future efforts concerning resource management of Cape Cod.

Economic Development

Business and community leaders from each of the 15 Cape towns joined together this past year through the action-oriented Joint Committee on Economic Development. Established by CCPEDC at the request of the Barnstable County Commissioners and the Barnstable County Selectmen's Association, the Joint Committee has developed a series of action recommendations and has already taken some significant steps toward improving the Cape's economy.

Coastal Zone Management

Massachusetts coastal areas experience tremendous pressures for development and active use. Cape Cod towns have been forced to deal with these conflicting demands with limited resources and planning capability. The State CZM program, funded by the National Oceanic and Atmospheric Administration, has developed policies and proposals during the past two years designed to resolve these conflicts and to establish general priorities for local governments in coastal areas in dealing with future problems. In the develop-

ment of the CZM program, the State has emphasized the importance of citizen participation and toward this end has provided the CCPEDC a minimal budget with which to encourage the involvement of local people in the efforts of this program.

In November, the State completed the CZM Preview, a draft of the final plan for local review. The State CZM Preview includes the following areas: (1) Marine Environment; (2) Coastal Hazards; (3) Visual Environment; (4) Ponds and Harbors; (5) Recreation; (6) Energy and; (7) Management. The CZM Advisory Committee has been meeting on a bi-monthly basis to review each chapter in detail. The comments of interested citizens and groups that have attended these meetings as well as local meetings will assist the Committee in drafting the Cape Cod Regional Chapter which will be included in the final State CZM Plan. The Committee will also hold public meetings on the draft Regional Chapter prior to submission to the State in the Spring. Continued local citizen involvement in the development of the Cape's Regional Chapter will strengthen its usefulness and impact on the State Plan as it is completed and implemented.

Transportation

Progress toward providing improved public transportation for Cape Cod citizens was made this past year with the culmination of major transportation planning projects. In July, the Federal Highway Administration awarded a grant of \$368,000 to Barnstable County to support a two-year Rural Public Transportation Demonstration Program. The project will allow the County to purchase ten vehicles that will be used to determine the feasibility of providing multi-purpose dial-a-ride transportation service on a county-wide basis. Call-A-Ride of Barnstable County, Inc., will operate the transportation service with Barnstable County serving as the contracting authority. The service will be geared primarily to satisfying the travel needs of the elderly and handicapped. Available to all fifteen Cape towns, the service will operate five days a week. Trip purposes may include shopping, medical appointments, visiting, recreation, etc. Preparations for the provision of service have begun as of January 1977 and service is anticipated to begin in April 1977. The grant application was prepared by the CCPEDC staff for the County Commissioners. Monitoring, evaluation and marketing functions of the project will also be performed by the CPEDC.

Regional Growth Policy

At the end of 1975 the General Court passed the Massachusetts Growth Policy Development Act seeking the development of Local and Regional Growth Policy Statements that could be used in formulating future State policies affecting growth and development. The Act called for the creation of Local Growth Policy Committees that would be asked to complete a question-

naire prepared by the Office of State Planning. Limited timing requirements were set forth to allow for the completion of local Growth Statements, followed by the preparation of Regional Growth Policy Statements and finally a State Growth Policy Report within one year. The ambitious timetable, unsupported by any funding, was revised considerably throughout the year. All of the Cape towns formed a Local Growth Policy Committee and twelve of the fifteen towns have completed a Local Growth Statement.

Local Assistance

The Commission's extensive information resources continue to be widely utilized by local officials, students, consulting firms, business interests, local organizations and individual citizens. Up-to-date demographic and economic statistics, planning studies and reports and other research materials are maintained for public use at the Commission's office.

A Year of Planning and Progress

In 1976, the CCPEDC has witnessed an increasing involvement of local and County government in the guidance of Commission programs. With the understanding that the ability to implement planning recommendations rests with town and County government, this growing commitment is what is needed to make the Commission an effective and useful resource. The delivery of services to Cape Cod citizens, the protection of the Cape's natural resources and the improvement of the Cape's economy can only benefit through this spirit of cooperation.

Report of the FOREST WARDEN

Honorable Board of Selectmen
Sandwich, Mass. 02563

The following is the annual report of the Forest Warden's Department for the 1976 calendar year.

Below is the breakdown of alarms responded to and other activities of the Forest Warden Department.

Woods, Brush and Grass Fires	21
(Approximately 9 acres burned)	
Dump Fires	0
Wood Smoke Investigations	20
Cooking Permits issued	251
Brush Permits issued	512
Burning Violations	11

Again this year we were fortunate in not having any woods fires of major proportions. The majority of the alarms responded to were extinguished before they

burned any sizeable areas. The Forest Warden Department did respond on Mutual Aid calls to assist some of the neighboring towns on larger fires.

The Massachusetts Department of Environmental Health allowed limited burning for one month starting 2/15/76 to 3/15/76. During this period 512 permits were issued for open burning.

I welcome this opportunity to thank all the Town Departments and Townspeople who assisted me during the past year. I would like to thank the permanent and call firefighters for their good work and all other Fire Departments who assisted me in any way.

Respectfully submitted,
Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN AND INSECT PEST CONTROL SUPERINTENDENT

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This is my twenty-fifth annual report as Tree Warden of the Town of Sandwich. Thirty-five trees were planted to replace elms this year. This spring all plantings will be fertilized. Vandalism still seems to be a problem in some areas of town, so we are planting a larger caliper tree. Trees planted were linden, Shade Master locust, London plane and flowering trees under wires.

It is getting difficult to plant trees on some of the roadsides due to hardtop taking over the grass strips. Under Chapter 87, Public Shade Trees, towns may appropriate money to be expended by the Tree Warden to plant trees upon adjoining land, at a distance not exceeding twenty feet from a public way. We have done this in some cases, with property owners' permission.

More time is being spent on the tree planting program each year, feeding, watering and mulching.

Dutch Elm is still our biggest problem; last year we injected twenty elms with a soluble fungicide for use in control of Dutch Elm Disease, called lignasan. It may be used as a protective treatment for uninfected trees and as a therapeutic treatment at first sign of the disease in infected trees. Trees with the disease have to be treated early, before damage exceeds ten percent of the tree. It seems to be working as a protective treatment with good results, so this year we will treat as many trees as possible, starting this spring when trees reach half to full leaf.

The Town of Sandwich is the first to use this treat-

ment in this area. We have injection equipment purchased from the Elm Research Institute. Lignasan was first released for public use in 1976. Holes are drilled an inch and a half deep, six inches apart, around the root flair of the tree as close to ground level as possible, using low pressure injection equipment and twenty pounds of pressure per square inch. The treatment must be continued on an annual basis; it is also necessary to continue the Dutch Elm Disease spray program, using the approved material, methoxychlor, as recommended by the Shade Tree Laboratory of the University of Massachusetts.

The past year a gypsy moth trapping and scouting program was carried out. A small number of male moths were trapped just north of the Mid-Cape off Quaker Meeting House Road and they were carefully monitored for any build-up in their numbers. No moths were found in other areas of Town. There has been no sign of feeding. So for now the gypsy moth seems to be under control; however, we will continue the trapping and scouting program.

Last fall I had a few calls regarding gypsy moths, only to find out they were fall webworm, which seems to be building up on the Cape, particularly on wild cherry trees. Control is usually relatively easy, involving cutting out the colony and burning it.

Respectfully submitted,
William J. Ellis
Tree Warden

Report of the CONSERVATION COMMISSION

To the Honorable Board of Selectmen
Sandwich, Massachusetts

In the Bicentennial year, development continued at the Wakeby Holly Sanctuary & Recreation Area. The construction of a 32' x 32' bath house, three 16' x 16' beach shelters, and five picnic tables was completed by the students and staff of the Upper Cape Cod Regional Vocational School during June, just in time for their summer vacation. Their carpentry, painting, plumbing and electrical work was of the highest quality; for this, and the labor costs they have saved the town, we are very grateful.

The entrance to the Wakeby Recreation Area was landscaped, a plaque and boulder placed, and a sign erected; construction of all roads and the parking area was finished; beach sand was brought in for the bathing beach; the picnic area was prepared; young

shade trees were planted at the rear of the beach; a concrete walk around the bath house was installed along with steps to the beach; and the bath house area was landscaped and planted with shrubs.

On July 4th, the bathing area was opened to the public and the Sandwich Recreation Committee took charge of these facilities until Labor Day. Later, on July 18th, a short dedication marked the official opening of the Wakeby Recreation Area. The program was highlighted by a brief history of the Sandwich Conservation Commission given by the Hon. Carl Hiler, late Chairman of the Sandwich Board of Selectmen.

Spanning a low area on one of the Wakeby natural trails, a 100-foot wooden bridge was constructed by local Boy Scouts, along with several benches on a nearby trail. Appreciating the craftsmanship and cooperation of the Eagle Scout Service Project, the bridge was dedicated "EAGLE BRIDGE"; this seemed appropriately named because, not far from this site, the American Bald Eagle was known to nest, years ago.

As part of the planning for natural studies and trails, an ongoing record is being made of the trees, shrubs, and herbaceous plants located on the Wakeby Recreation Area, including those planted at the entrance, bath house and beach. To date, they number 83 species, and each is being labeled with plastic identification tags, the records of which are kept in card files, cross indexed as to number, year of identification, Latin and common names.

Unfortunately, the construction of a boat house at the recreation area was never started due to the fact that a permit was not received from the Division of Waterways of the State Department of Public Works until October 8th, 1976.

The resignation of William Richards from the Commission was accepted with regret. He has been a valuable member, who oversaw the activities of the Wakeby Recreation Area, in both planning and development, from start to finish. For his many contributions, the Commission has appointed him an associate member, and we will continue to consult with him in the years ahead.

After 8 years of service to the Conservation Commission, Mrs. Meredith Bourne resigned December 1976. Meredith has served as both secretary and member of the Commission and her dedicated interest in our natural resources and the welfare of Sandwich has been outstanding. She will be missed, although as an associate member she will be informed of our activities and we will continue to seek her advice and counsel.

Paul G. Bousfield of East Sandwich was appointed to fill one of these vacancies. Also, a permanent, year-round caretaker was hired to look after and manage the areas under the control of the Commission; this has proved to be of great value to our holdings, especially to the areas being developed.

Our tree and shrub nursery continues to grow in size and number. Again this year, we received a gift from the Barnstable County Conservation District of 500 tree

seedlings. The Commission also purchased the same number of seedlings, including a wide variety of berry bearing trees which were planted for the benefit of wildlife. Tree planting continued on the sand dunes held by the Commission to prevent erosion.

In 1976, the Conservation Commission acquisition program consisted of the purchase of the Holway property, off Route 6A in East Sandwich. Known as Josh's Point, this land is a wooded peninsula and a small brush covered island extending into Scorton Marsh, comprising some 20 acres of upland and 40 acres of salt marsh and swamp. The Commission also purchased about 30 acres of salt marsh most of it located in the Spring Hill area. Two bronze plaques and boulders were placed at appropriate sites at Old Harbor Recreation Area marking a gift of beach, dunes and marsh bordering the entrance to Old Harbor Creek and a similar area purchase with Massachusetts Self-Help Funds.

Under the wetland act, chapter 131, Section 40, many requests for determinations and public hearings were held to alter land bordering wetlands.

Finally, we wish to express our appreciation for the cooperation and assistance of the Board of Selectmen, the Town Engineer, the Highway Surveyor, the Recreation Committee, and the Town Hall Staff. Special thanks is extended to the Barnstable County Conservation District Soil Conservation Service for their help and guidance with our natural resources problems.

Respectfully submitted,

J. Albert Torrey, Chairman

Gary A. Nickerson, Vice-Chairman

Paul G. Bousfield

Richard E. Canning, Jr.

Report of the Dog and CONSERVATION OFFICER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Herewith submitted is the annual report for the activities of the Town of Sandwich Dog and Conservation Officer:

Dog and Conservation Calls	1,899
Dogs Impounded	245
Dogs Turned Over to MSPCA	34
Dog Bites	25
Dogs Licensed	1,265

Dogs Killed or Injured	28
Warnings issued for Failure to Restrain	160
Letters sent for Failure to Restrain	111
Complaints	421
Notices sent for Unlicensed Dogs	1,100
Cats Killed	8
Cats Turned Over to MSPCA	7

As of December 31, 1976, there were 1,265 licensed dogs, an annual increase of 90. Every effort is being made to find those whose dogs are not licensed. All dogs, three months and older, must be licensed by the tenth of June or the owners or keepers are subject to Court Action.

A Rabies Clinic was held in May, 1976, with 300 dog owners having their dogs inoculated against rabies. All dogs, six months and over, must be inoculated. The rabies shot is effective for two years. Another clinic is planned for 1977 sometime in May.

Fees collected for 1976 for pick up and custody and care amounted to \$1,690.00. Court fees amounted to \$55.00. Please be considerate of your neighbor by keeping your dog restrained or by walking it on a leash.

Also, herewith is the 1976 report of the Fish and Game Conservation Officer:

Hunting Complaints	11
Complaints of Oil on Beaches	9
Complaints of Horses Loose	13
Lobster Complaints	3
Fresh Water Fishing Complaints	2
Motorboat Complaints (excessive speeds)	7
Shellfishing Complaints	1
Cease and Desist Orders Delivered	2
Injured Birds	8
Deer Chased by Dogs	4
Dead Opossum	1
Complaints of:	
Skunks	3
Raccoons	4
Squirrel	1
Snakes	3
Turtles	3
Swans	3
Ducks	10
Hornet's nests	2

In the performance of my duties as Dog and Conservation Officer, I have logged over 20,000 miles in the year 1976.

I would like to thank the following for their assistance:

The Honorable Board of Selectmen
The Fire and Police Department's Personnel
The Conservation Commission
The M.S.P.C.A.

Respectfully submitted,
Francis G. Silva
Dog and Conservation Officer

Report of the Inspector of ANIMALS

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich

During this Bicentennial year, I have investigated 29 animal bites — 28 dogs and 1 rat. Quarantined 25 dogs and subsequently released them. The rat ran away. (The way of all Rats!)

I have inspected 103 animals and 45 animal shelters. There is no indication of infections or contagious disease. Most horses have been Coggins tested and vaccinated against Infectious Anemia and Eastern-Western Encephalitis.

Listed below is the census I took for the State Department of Agriculture.

Census: 53 Horses
25 Ponies
11 Cows
7 Sheep
2 Goats
5 Swine

103 Animals

Respectfully submitted,

Hilda E. Whitmore

(Mrs. Charles G. Whitmore)

Report of the PARK DEPARTMENT

To the Honorable Board of Selectmen

The Park Department had an exceptionally busy year in 1976 preparing for the Bicentennial programs for the Fourth of July, the opening of the 100 year old box, the parades, dedications, games, and, of course, the fireworks display. It was a beautiful day and everything went along fine and I am sure everyone will remember it for years to come.

The Park Department has been clearing a portion of land at the intersection of Route 6A and Route 130 for a future park and rest area for Sandwich residents and people visiting our town. At the present date there are very few places that tourists can sit and relax while touring Sandwich.

The town's acquisition of seventy eight acres of land on Route 130 from the Federal Government for a much needed town cemetery will be maintained by the Park

Department along with all the other town owned cemeteries.

I would like to thank the Selectmen and the other Town Departments for their cooperation during the year.

Respectfully submitted,

Raymond L. Thayer

Park Foreman

Report of the RECREATION COMMITTEE

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This year the Sandwich Recreation Committee appreciated the smoothing effect of the "Rules, Regulations, and Policies" established in 1975. As a result of these "Rules," the Recreation Committee has promoted a conscientious effort on the part of program managers towards the control of budgets, equipment, and the quality of town sponsored recreational activities.

The Recreation Committee has, therefore, had the opportunity to focus its attention on the upgrading of those programs which offer the greatest benefit to all citizens of Sandwich.

With the blossoming of the excellent Community School activities, a special communications subcommittee has been formed to maximize facility utilization and to avoid redundancy and conflict. This subcommittee consists of members of the Community School Committee, School Committee, and Recreation Committee. Meetings have been tentatively set for every other month during the school year.

Last summer the Recreation Committee initiated the utilization of the Ryder property on Wakeby Lake and looks forward to increased activity as this beautiful park is "discovered" by the people of Sandwich and surrounding communities.

Many recreational activities were held in 1976 for both children and adults in the town of Sandwich. Ski trips were again held for Junior and Senior High School students to Pat's Peak in Henniker, N.H. Approximately sixty youngsters per trip were involved.

The figure skating clinic, sponsored by the Recreation Committee, continued this year. The instructor, Mrs. Sidney Arnold, of Duxbury, taught the basic skills at the Gallo Rink in Bourne. A total of 58 boys and girls participated in the Fall Session. The Basic Tests as set by the U.S. Figure Skating Association, were given to each

skater. Those passing the requirements for each of the nine stages, earned badges for skills perfected.

The co-ed basketball and volleyball program on Thursday evenings attracted many teenagers at the Wing School for period of ten weeks. An average of twenty students attended each week.

As the warmer weather approached, many adults and children participated in the Spring Tennis Program for six weeks on Saturday mornings. Mass. Maritime Tennis Coach Ron Smith and Sandwich High School Tennis Coach, Silvio Tedeschi, provided the instructions.

The Annual Summer Recreation Program began once again this year with a Fourth of July parade and field day. The parade was again well attended, with participants being awarded ribbons and refreshments. The festivities then continued on the grounds of the Henry T. Wing School, where youngsters and parents participated in many field events. Frankfurts and sodas were received by all participants. Once again pony rides were popular with the younger children.

The six-week summer program, which included swimming and canoeing instruction, arts and crafts, playground activities, and tennis instructions, was again, very successful. This program was under the direction of Mr. Silvio Tedeschi. His staff included Jan Semonian, Cynthia Ambroseno, Andrea Whitelaw, Jenny Borjeson, Buzz Ambroseno, Douglas Hart, Joanne Basile, Janet Rushton, Pam Whitney, Peter Thomas, Maureen Cheney, Bob Siegel, Kevin Merritt, Debra Hart, Jane Terry, John Walling, Jean Sibson, and David Dinklage.

The nature and crafts program was again a big success. At the end of the six-week program, field trips were made to the New Bedford Whaling Museum and the Lincoln Park Amusement Park. Parents were also invited to an Arts and Crafts Show held the last day of the program. Numerous art projects, completed by the children, were displayed. This was an outstanding program due to the efforts of Debra Hart and her assistants, Jane Terry, and John Walling.

The Swimming program at Snake Pond drew a record number of participants. A total of 567 children were involved. Forty classes were taught during the first session and thirty classes during the second session. This year the High School pool was used for morning classes and was an excellent addition to our program. Once again, at the conclusion of the program, all participants were invited to a swim carnival, where prizes were awarded and refreshments served. Many thanks to Officer George Russell for helping with the swim carnival.

The Third Annual Sandwich Tennis Tournament was held for both children and adults. A new division of twelve and under was very successful with boys and girls. Trophies were awarded to all winners and runners-up. Men's and Women's tennis leagues were again formed with many people in town taking advantage of this program.

Softball teams for both men and women were again sponsored as well as a men's soccer team. Many thanks to David De Conto and Harry Evans for their efforts in forming this team.

Teen dances at Town Beach were again held this summer. As always, they were well attended.

A gymnastics program was held in the Fall for Junior and Senior High students at the new Sandwich High School. Mr. David March, of Taurian Gymnastics in Hyannis, instructed 47 students for six weeks. This program was very popular, and will be continued each year.

Co-ed basketball and volleyball for students in grades 9 through 12 was held again in the Fall for ten weeks.

The Recreation Committee would like to take this opportunity to thank the Selectmen, the Finance Committee, and the citizens of Sandwich for their continuing support.

Respectfully submitted,

*Silvio Tedeschi, Director
Carlo M. Di Persio, Chairman
Janice M. Peterson, Secretary

Sandwich Youth League

The Honorable Board of Selectmen
Sandwich, Massachusetts

This is the first year report of the Sandwich Youth Baseball League.

The Sandwich Recreation Committee accepted my recommendation to initiate a new four-team baseball league for the youth of Sandwich that have graduated from Little League. The Committee placed great importance to the establishment of the league because it would be available to all our teenagers. Initial funding by the Committee made it possible to outfit four teams last year and a fifth team for the 1977 season.

Getting the league started required more effort than I had anticipated. After several notices in the local newspapers and on the school bulletin boards, the assistance of high school athletic director Bob Woodbury and his staff, and many telephone calls the league became a reality.

The four teams were named for the old villages in the Town.

East Sandwich was coached by Carl Moore and Bob Woodbury; South Sandwich by Art Kingsbury and Ray Rondeau; Forestdale by Bob Cahoon and Jeff Walker; Sandwich by Pete LaBlanc and Bryce Myers.

The above named men are to be commended for

stepping forward and giving their time to coach the teams. They are responsible for the leagues successful first season.

Each team started with eighteen players and ended with eighteen players. We broke tradition a little by having 10 fielders and 11 batters in order to maintain playing interest and still play each one half of the game. A fifth team should partially solve this problem next season.

Interest seems to be high and everyone is looking forward to a full schedule of games and playoffs this season.

I would like to thank the players and coaches, the School Committee, the Recreation Committee, the Finance Committee and the Selectmen for their assistance and support of the new Sandwich Youth Baseball League.

Respectfully submitted,

William R. Hendy

Director

Senior Babe Ruth Team

The Honorable Board of Selectmen
Sandwich, Massachusetts

The 1976 Sandwich "Blues" completed its fourth successful season in the Cape Cod 16-18 year old Babe Ruth League. Teams in the League include Barnstable, Falmouth, Harwich, Wareham, Bourne, Chatham, Orleans, Dennis and Sandwich. The Dennis "Giants" won the championship this year and Sandwich finished second.

This year I had the honor to coach the League "All Star" Team in the State Tournament held in Dennis, Massachusetts in August. Sandwich placed six players on the team. They were John Hendy, Mike Burt, Dan Davis, Dan Maloof, Tom Maloof and Dean Stanley.

At this time I would like to thank assistant Coach Tom Taylor for his time and assistance coaching the team this past season. Tom also was assistant "All Star" coach.

I should like to thank the School Committee, Recreation Committee, Finance Committee and the Selectmen for their continued support of the Babe Ruth Team.

Respectfully submitted,

William R. Hendy

Coach

Sandwich Little Baseball League

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The 1976 Sandwich Little Baseball League season

saw over 320 boys and girls participate in this town's fastest growing program. This was almost a 20% increase over last year's 275. The good quality of coaches and umpires made it possible for all the children to enjoy one of the best organized seasons yet.

The Sandwich All-Stars participated in both the Harwich and West Bridgewater Tournaments with good showing but no trophies.

The Little League Committee would like to thank the Selectmen, the Recreation Committee, the Finance Committee and the citizens of Sandwich for their continued support. The Little League Committee would also like to thank all the parents and friends who were great fans during the season and post season.

A very special Thanks to Mr. William Chase, Editor of the Broadside, who gave Little League space to report the "Little League Highlights"; and most important, to the boys and girls in the program who made the program so enjoyable to all.

Respectfully submitted,

Michael B. Robbins

Director

Sandwich Little Baseball League

Sandwich Youth Hockey

To the Honorable Board of Selectmen
and Citizens of Sandwich:

We are proud to share with you the accomplishments of our young people in the Youth Hockey Program. The final standings of the Cape Cod Conference 1975-76 season showed Sandwich as league champions in the Squirt, Peewee, and Bantam divisions. These team awards are indicative of the effort and individual development of our young skaters.

To our coaches we extend a well deserved "Thank You" for their commitment of time and energy to the program.

The coaches for the 1976-77 season are as follows:

Jim Bondarek	Clinic
Owen Gaffney	Squirt House Team
Bill Dwyer	Squirt House Team
Rod Valentini	Squirt Travel Team
Paul Feeley	Peewee House Team
Richard Buckland	Peewee Travel Team
George Challies	Bantam Team

The Board of Directors, Sandwich Youth Hockey, welcome the participation of all Sandwich children interested in a hockey oriented instructional skating program.

We thank the Recreation Committee, Finance Com-

mittee, Selectmen, and the people of Sandwich for making this youth program possible.

Respectfully submitted,

Richard E. Canning Jr.

President

Sandwich Youth Hockey

Report of the SHELLFISH CONSTABLE

To the Honorable Board of Selectmen
Sandwich
Massachusetts

During the summer of 1976, 150 bushels of quahogs and 150 bushels of oysters were planted in the Old Harbor Area.

In November of 1976, the area was opened on Sundays only for the taking of oysters, quahogs and mussels. It will close on the last Sunday in December and re-open on Sundays again during the months of March and April.

In the near future, there will be experimental rafts for the propagation of quahogs and oysters. This will be done with the assistance of the State shellfish biologists.

Respectfully submitted,

Eugene Morrow

Shellfish Constable

Report of the TOWN ENGINEER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit the report of the Engineering Department for the year 1976.

During the past year the Engineering Department has been engaged in making additions to the record inventory which was started last year, also we have prepared variations of the new Town Map. There are now available copies of Zoning, Street Index and Conservation maps which have been prepared on the new base map.

The Department has done surveys and prepared plans of the Cedarville and Mount Hope Cemeteries as well as the new 79+ Acre cemetery parcel off Route #130.

I have been actively engaged in the Sewer Study being done by the firm of Weston & Sampson, Engineers. We have attempted to be available to the townspeople to answer their questions and also to receive their input and comments regarding the study. The Engineering Department was called upon to furnish a lot of the required local data for this study.

During the past year I have served as the Town's representative to the Coastal Zone Management Advisory Committee and the 208 Wastewater Management and Planning Program Advisory Committee. Both of these committees are presently engaged in discussions and decisions that will be far reaching in their affect on the future of Sandwich and Cape Cod.

The Engineering Department continues to render technical and professional assistance to the other town departments when requested.

I'd like to thank the residents of Sandwich for their continued support and interest in the projects that the Engineering Department has been involved in during the past year.

Respectfully submitted,
William C. Taylor, P.E., R.L.S.
Town Engineer

Report of the HIGHWAY SURVEYOR

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

I submit my report for the last half of fiscal year 1976 and the first half of 1977 ending June 30, 1977.

During this period the following works were completed.

All general maintenance was kept up to date. This included patching, guard rails, brushing, and the conditioning of 250,000 sq. yards of roads by resurfacing with oil and sand cover.

This maintenance is an investment in the continued use of our highways at a reasonable cost and also insurance against cost of repairs in the future. We expect to continue this work.

Snow and ice control this winter has been a big project and consumed a great amount of time, effort and expense by this department.

I have requested thru an article, which will be in the

warrant, for a new unit that will consist of a truck, sander and snow plow. As our roads have increased in mileage, largely due to the take over of many developments and requirements of school bus routes, this will be a necessary part of our budget.

Drainage is a part of maintenance under ordinary conditions. However this is now becoming a major project. An example of this is the intersection of Tupper Road and River Streets. This problem has developed over a period of years caused by the roots of a willow tree growing into the pipes through the joints and causing a blockage of the drain. This is a single incident.

Many other drainage problems are caused by improper adherence to the Planning Board regulations regarding layout of roads to insure proper drainage.

Requirements regarding grading of shoulders and service of Type 1 are not closely adhered to in my opinion.

More work done under special appropriation was as follows:

Atkins Rd. surfaced under Type 1
Ploughed Neck Rd. under Type 1
Dewey Ave. under Type 1

shoulders of these roads will be loamed this spring.

Freeman Ave. surfacing was postponed until the sewer system question is resolved.

The plank walk project was kept operational and will be put in class 1 condition by the summer.

This department has been more receptive to the public's needs due to the addition of a secretary to our force. This enables me to spend almost my entire time on the highways attending to the needs of the people.

In May the Highway Department lost a faithful, long time employee, Eddie Pola, who has been greatly missed.

The cooperation and interest of the Citizens, Selectmen and other Town Departments in the past year have been fully appreciated by this Department.

Respectfully submitted,
Clarence R. VanBuskirk
Highway Surveyor

Report of the VETERANS' AGENT

Herewith is the 1976 Annual Report of the District Department of Veterans Service:

The Department of Veterans Services during 1976 handled 7,211 visits to our office and 7,430 incoming telephone calls. We have tried to handle each and every case with speed, courtesy and dignity. In time of need, we try to make these veterans feel like human

beings, and their problems answered as fast as possible.

It is the responsibility of this Department, under Chapters 115 and 483 of the Mass. General Laws, to aid, assist, advise, file claims and explore each avenue of resource and revenue for these veterans and their dependents.

We try to keep abreast of laws governing State, Federal and local programs that might benefit any veteran and try to implement these programs in behalf of the veteran.

It is also at this time that I am proud to announce the appointment of George C. Christopoulos as our Investigator.

This year will be remembered as a very sad year by this Department and the hundreds of people that had any contact with Charles H. "Chucky" Cross, Veteran's Agent, and Carl Hiler, Selectman, Town of Sandwich, and Chairman of the District Board for Veterans Services, who passed away during the year. There have been many words spent in testimonial on these gentlemen, and below is my feeling toward their passing:

*"Let us not mourn their going;
Let us rejoice to know
That - earthly labors finished -
They were prepared to go.

Let us emulate their virtues
That men to us may say
The world is brighter, better,
Because they passed this way."*

Respectfully,
Sidney L. Chase
Director and Veterans Agent

DISTRICT BOARD:

Howard Marchant, Yarmouth, Chairman
Henry Kelley, Dennis
William Eshbaugh, Barnstable
George Benway, Mashpee
Benjamin Fleet, Sandwich

Report of the VETERANS GRAVES OFFICER

To Honorable Board of Selectmen
Sandwich, Massachusetts

Gentlemen:

Sectional maps of all Cemeteries have been made covering all the Town of Sandwich Veterans gravesites.

Many of the Medallion Markers placed at Veterans graves in the St. Peters and Bay View Cemeteries were missing from the time flags were placed at gravesites for Memorial Day and taken off in July. These all had to be replaced at expense of the Town.

I really cannot stress this reminder too much — Please take the deceased Veterans discharge papers with you to your funeral director to make application for suitable headstone for the Veteran.

Respectfully submitted,
Elizabeth L. Currier
Veterans Graves Officer

Report of the Director of CIVIL DEFENSE

Board of Selectmen,
Town Hall,
Sandwich, Mass.

Gentlemen:

The Annual Report of the Sandwich Civil Defense Agency is submitted herewith.

From the standpoint of Civil Defense, 1976 will probably best be remembered as the year of hurricane "Belle." On August 9 with a hurricane watch in effect, meetings were held with the Selectmen, Chiefs of Police and Fire, Town Engineer, and Highway Surveyor. On the basis of these meetings it was decided to evacuate the beach areas, and to use the new high school as a shelter area. As near as could be determined close to 450 people took refuge there.

An Emergency Operating Center was set up in the Conference Room at Police Headquarters from which point the activities of the various town departments might be coordinated. Fortunately the storm did not hit the Cape area, but it did provide an exercise in which the emergency preparedness posture could be determined and the operational problems encountered to be assessed.

Appreciation is extended to the town departments and the many volunteers who performed yeoman service, particularly in connection with the sheltering of those evacuated from the beach areas.

The Civil Defense radio equipment linking Sandwich with the Cape and the southeastern section of the state, should be replaced. The present equipment obtained over 20 years ago can no longer be considered reliable, or of a type to take advantage of the repeater equipment currently in use. Funds are being sought to replace this equipment in the budget for 1977.

Regular trips have been made to the Surplus Depot

in Taunton and when available surplus materials obtained for town departments.

Area meetings have been attended by CD personnel at which matters related to area activities have been discussed with a major emphasis on the service CD can render during a natural disaster.

Appreciation and thanks is extended to the Board of Selectmen and the various town departments and volunteers for their help and cooperation during the past year.

Respectfully submitted,

W. Gordon Swan

Director,
Sandwich Civil Defense

Report of the Sandwich BICENTENNIAL COMMITTEE

The Sandwich Bicentennial Committee met twice a month during 1976. Chairman: Mr. Carl Leino, Co-Chairman Mrs. Carolyn Weimar, Secretary Mrs. Kathy McGonagle, later Co-Chairman, Treasurer Mr. Russell Wisner, later Mr. Julius Mueller. There were some twenty members, some of whom resigned in the course of the year. Others were active in forming Committees.

The Commemorative Boulder Committee, headed by Messrs. Paul Brown and George Fernandez, contacted Mr. Alvan Crocker, who produced a suitable boulder and placed it near the lake on the grounds of the Eldred House with a handsome bronze plaque commemorating the Bicentennial.

March 17th Mr. Leino and members of the Committee presented a Bicentennial Flag to the Elementary School.

Sunday, April 4th the Committee joined the Bourne Bicentennial Week celebrations in a parade commemorating the break-away of Bourne from Sandwich in 1884. In May, Mona Brown in a Bicentennial Ball Dress attended a meeting of the Homemakers Extension Service at the Sheraton Regal, Hyannis, where a 1776 fashion show was held.

On May 16th Mr. Louis Cataldo of the Barnstable Bicentennial Committee showed the film in the Elementary School, "Cape Cod 1776." This film illustrated various aspects of Cape Cod life during the Revolution and included many members of the Sandwich Committee. After the show the Committee served refreshments. This day was also Open House

Day at the new Sandwich High School and Mr. Leino presented the School with a Bicentennial Flag.

On June 13th the Committee joined with the Thornton W. Burgess Committee and the Woman's Club in the opening ceremonies of the Eldred House Burgess and Bicentennial Museum. Sets of 18th Century country dances were performed in costume and the Committee helped in the serving of refreshments to the many guests. The opening was a great success.

The 4th of July was celebrated throughout the day; first by a 9 a.m. open air service outside the First Church of Christ conducted by the Reverend John D. Erb with a full choir including many members of the Committee in Colonial Dress. In the afternoon a large audience gathered outside the Elementary School to witness the ceremonial opening of the Sandwich Centennial Box. On the Dais were: State Senator Aylmer, US Representative Studds and State Representatives Kendall and Wilber. MC Fred Morey, Sandwich and Bourne Board of Selectmen, Town Clerk Channing Hoxie, Reverend John Thomas, Quaker Representative H. Hutcheson, Historian Russell Lovell, and descendant of C.C.P. Waterman, (chief planner of the Box project,) Jonathan Shaw. The School Band played while the guests assembled; the Box was opened by the Sandwich Selectmen, the contents described briefly by Russell Lovell. A parade was then formed and marched from the Wing School to the Eldred House for the unveiling and dedication of the Boulder. The ceremonies terminated by bell ringing and a military salute by the Militia.

The greater part of the organization of this day was borne by Kathy McGonagle who accepted the responsibility on the resignation, on medical grounds, of Carolyn Weimar.

The Committee received with grief and shock the news of the sudden death of Carl Leino on November 18th. Friends and relations were received at the Sandwich Funeral Home on Sunday, 21st and the Committee sent flowers in Bicentennial colors. Many members of the Committee visited the Home and also attended the Funeral on the 22nd. The Committee extends sympathy to his widow and to his mother. We feel sure we speak for the Town in expressing our gratitude to Carl Leino for his work for Sandwich's Bicentennial Year and we are glad for him that he lived to see his work completed.

As directed by the Selectmen at the July 4th ceremonies, the Committee is currently gathering material for a Tricentennial Box. The sub-committee responsible for this project, Kathy McGonagle and Joseph Pistorio, report that the wooden box has been completed by the students at Sandwich High School and that the box with its contents will be sealed within the first quarter of 1977.

Respectfully submitted,

Kathy McGonagle
Penelope Lovell

Report of the Sandwich HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

The Historical Commission is responsible for research on the town's historic assets. A number of specific results were achieved during 1976 — a new historical map for the Business Men's Association — inventory and articles about the contents of our Centennial Box — articles about the Dexter Mill and about the Daniel Wing family houses—a fact sheet about the National Register Historic District and acceptance of the Wing Fort House as a National Register landmark. Two paintings planned by the Commission were created by an artist for the Heritage Plantation Bicentennial Show, and have since been given to us on permanent loan by Heritage.

There were two important new developments during the year. The Commission has started to accept donations of historical documents, pictures and other materials as the nucleus of the town's historical collection. The Commission placed an article in the 1976 Town Meeting Warrant regarding a Town Archives and Historical Center, and has participated in the work of the resulting Study Committee, placing itself on record as favoring the use of Town Hall as a Historical Center if and when other space is available for town offices.

During the year the Commission continued its work on the inventory of historical assets (buildings, structures, monuments, sites and burial markers) and also continued to extract vital records from early Church books and to extract facts about Sandwich from early newspapers and scholarly publications. Current research projects include the date of the Skiff House, the origin of the iron fireback unearthed at 10 Grove St., and extraction of records on veterans of the Revolution.

A number of speaking engagements were completed by the Secretary.

Questions on early families, the dates of houses and other historic items in the Town will be welcomed by the Commission.

Dr. David F. Wright, Chairman
Dr. C. Ruggles Smith
Dr. Albert C. Cook
Mrs. Barbara Gill
Mr. Francis X. Martin
Mr. Ross vander Pyl
Mr. R. A. Lovell Jr., Secretary

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich

"What a beautiful place to visit in this Bicentennial year!" was often heard during this season. The national exposure, the picture of the keeping room of the Old Hoxie House in the July issue of the Readers Digest, was most gratifying. That picture was taken several years ago by award-winning photographer John Lewis Stage.

Guests came early and stayed late. Many interesting groups attended the continual tours. Naming a few — a busload from Hawaii, retired women of the United States Marine Corps, and especially a youth group representing the Philippines in the Summer Olympics. The number of children under twelve, paying no admission, grows each year. Some 3,300 visited here this year.

The furniture and furnishings are in very good condition, cared for each day. Several boards had to be replaced on the outside of the building due to the elements.

The herb garden is thriving. Many cuttings were used with flowers for bouquets, always a conversation piece.

My dear friend and yours, the late Selectman Carl H. Hiler shall be sadly missed. Always took time out of his ever busy schedule to attend our opening day and make several visits during the summer, always cheerful. God Bless him!

Many thanks to the following for the beautiful flowers brought here this summer:

Mr. & Mrs. Walter Hilliard
Mr. & Mrs. George Cary
Mr. & Mrs. Charles Tomlinson
Mrs. Alfred Hoey

and to Mr. & Mrs. Howard Crowell for the ever needed herb plants. A special thanks to Mr. Paul Brown for the donation of a set of Bicentennial Flags used on display here.

My assistants, Mrs. Walter Hilliard and Mrs. Alfred Hoey join me in thanking you for any aid given us this past season.

Do remember taxpayers and local residents, the Old Hoxie House is your house to visit!

See you next summer?

Respectfully submitted,

Hilda E. Whitmore

(Mrs. Charles G. Whitmore)

Report of the Dexter GRIST MILL

To the Honorable Board of Selectmen

The Dexter Grist Mill opened this year on Friday, June 10th and 10,076 paid visitors (not including the many children under 12 who are admitted at no charge) visited the Mill throughout the season and watched the meal being ground.

Fifteen and one-half tons of corn were ground into meal and 13,620 bags were sold at the Mill. Some of the town stores carry this meal, after the Mill is closed, and it is available for sale during the winter months for as long as their supply lasts.

The Mill's guest book was signed by visitors from just about every state in the Union, indicating its attraction.

The Mill closed on Sunday, October 3, 1976 after a most successful season.

Respectfully submitted,
Blake Norris, Miller

Report of the Sandwich Historic District Committee OLD KING'S HIGHWAY Regional Historic District

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the year of 1976, the second year of operation under the Regional Historic District Act, the Sandwich Committee disposed of 243 applications for the certificates of appropriateness required by law. In addition there were processed a great number of applications for certificates of exemption. Such certificates were authorized under amendment of the basic act, enacted in December 1975, designed to expedite procedures in cases involving minor "exterior architectural features."

The committee has been actively interested in the matter of exempting from the strict requirements of the basic regional historic district act areas within the district which lack historical significance. The chairman participated in drafting the bill authorizing the ref-

erendum on this subject, at the November 1976 election. The vote on the referendum favored allowing such exemptions. The chairman has drafted and the regional commission has approved proposed legislation implementing the referendum vote.

At an election held on November 22, 1976 Mr. Robert W. Bridges was reelected as a member of the committee for a term of four years. As ever, Mrs. Harold I. Palmer has been an invaluable secretary to the committee.

Respectfully submitted,
*Donald Bourne, Chairman
Robert W. Bridges
George Sutton
Grattan Gill
Edward A. Coomey*

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich

As Chief of Police of the Town of Sandwich, I respectfully submit my annual report for 1976.

1976 was a busy year for the Sandwich Police Department. Total complaints investigated by the department rose over 25% to 5645 from 4486 in 1975.

Breaking and enterings, one of our more serious problems, increased slightly in 1976, to 125 from 114 in 1975. 89 breaks were into summer and year 'round homes and 36 into businesses. Larcenies rose over 20% from 260 to 318.

Vandalism, a continuing problem, decreased slightly from 215 in 1975 to 208 in 1976. Drug arrests rose from 30 to 57.

Other crimes investigated included assault and battery 23, down from 27 in 1975, auto theft 28, forgery 5, rape 1, buying, receiving or selling stolen property 2, carrying unlicensed firearms 3, sex offenses 3. The remaining incidents were of a minor criminal, service, assistance or non-criminal nature.

Of the 5645 complaints, Sandwich village accounted for 2879, East Sandwich 1263, Forestdale 747, South Sandwich 522 and Sagamore Beach 234.

2426 complaints occurred between 4:00 P.M. and 12:00 M., 2028 between 8:00 A.M. and 4:00 P.M. and 1191 between 12:00 M. and 8:00 A.M.

Saturday was the busiest day with 883 complaints, followed by Sunday 857, Thursday 811, Monday 786, Tuesday 781, Friday 776 and Wednesday 751.

A total of 294 arrests were made by members of the department, up from 206 in 1975. 163 incapacitated persons were taken into protective custody and later released or taken to the detoxification center at Pocasset.

Continuing its policy of strict enforcement of motor vehicle laws, the department issued 2138 citations, of which 802 required court complaints and 1336 were warnings.

189 motor vehicle accidents were investigated, up from 157 in 1975. One accident was fatal. 67 involved personal injury and 122 resulted in property damage only.

Officers investigated 861 citizen reports of suspicious persons, vehicles and incidents, answered 393 burglar alarms, served 448 summonses, and relayed 1441 calls to the Dog and Conservation Officer from the Police Communications Center.

Continuing its intensive housecheck program, officers made 17,528 checks of vacant homes. 416 homes and businesses were found open during security checks.

Assistance was rendered on 1,565 occasions, 819 to the ambulance, 165 to the Fire Department, 191 to other police departments, 29 to other Town agencies, 7 to mentally disturbed persons, 37 to homeowners, 212 to disabled motorists, 79 escorts, 16 lockouts and 10 medical assists.

45 Firearm ID cards were issued, along with 35 pistol permits and 4 liquor ID cards.

The department returned \$1,878.16 to the Town treasury for the sale of Firearms licenses and copies of police reports sold to insurance companies and attorneys, and the sale of unclaimed property by auction.

Patrolman William P. McBride, Jr., completed the Crime Scene Search program at the State Police Academy and the State Certification program as a Breathalyzer operator. Patrolman James R. Spofford completed the Crime Scene Search Program, and Lt. Clyde S. Gill and Patrolman Stephen M. Pelletier, the Breathalyzer Program.

The department was awarded one of fifty completely equipped 1976 Dodge cruisers from the Governor's Highway Safety Bureau, following a competitive grant procedure.

I would like to take this opportunity to thank the citizens of Sandwich, the Selectmen and other Town departments and boards, other law enforcement agencies, and of course, my own officers, for the assistance and cooperation they have shown during the year.

Respectfully submitted,
Robert D. Whearty, Jr.
Chief of Police

Report of the Board of FIRE ENGINEERS

Board of Selectmen,
Town Hall,
Sandwich, Mass.

The Annual Report of the Sandwich Fire Department for the year 1976 is submitted herewith.

Following is a breakdown of department activities during the period covered by this report.

Structure fires with loss exceeding \$1,000 ...	7	
(Approx. loss \$135,500)		
Structure fires with loss less than \$1,000	16	
(Approx. loss \$ 2,000)		
Brush, Grass or Woods fires	21	
(Approx. 9 acres)		
Vehicle fires	22	
Electrical fires (other than structures)	2	
Mutual Aid for fires	7	
False Alarms	3	
Needless Alarms	8	
Bomb Scares	2	
Motor Vehicle Accidents	80	
Investigations	Total 140	
Automatic Alarms	41	
Smoke	39	
Burning without permit	5	
Other	63	
Assistance Rendered	Total 210	
Elderly	8	
First Aid	86	
Cellars Pumped	33	
Lockouts	14	
Miscellaneous	69	
Washdowns	35	
Ambulance Calls	Total 643	
Mutual Aid Ambulance Runs	26	
Rescue Calls	Total 17	
Mutual Aid Rescue	1	
Standby	11	
Fuel Spill	1	
Feet of Hose Laid 1-1/8"	850 ft.	
1-1/2"	4,700 ft.	
2-1/2"	2,450 ft.	
3"	1,200 ft.	
Feet of Ladder Raised	751 ft.	
Inspections Made	Applications Received	Permits Issued
Oil Burners	163	142
Heat & Smoke Systems	170	95
Oil Tanks	4	4
Model Rockets	8	8

Again this year ambulance calls comprised the department's major activity, with a total of 643 calls. This is an increase of 102 over the previous year.

While the total number of structure fires was 4 less than the previous year, the total loss was \$97,375 greater due principally to the type of structures involved.

Motor vehicle accidents requiring department response increased from 25 to 80. Rescue calls for other than motor vehicle accidents increased from 7 to 17 for a total increase of 65 rescue calls.

The steadily increasing number of calls requiring the use of rescue equipment has prompted a request for funds to replace the light weight rescue truck obtained under a matching funds grant from Civil Defense in 1962. A heavy duty unit designed to carry the heavy rescue equipment necessitated in today's rescue operations is definitely needed.

In June both department ambulances were equipped with special radio equipment providing direct communication with area hospitals as part of the EMS Communications System.

During the past year the Sandwich Lions Club presented the department with a Life-Pac V defibrillator and a Cardio Beeper unit for use on the department ambulances. On behalf of the town and the fire department the Engineers express their thanks for this highly specialized equipment.

Three of the permanent fire fighters are undergoing extensive training as Paramedics. Two of these men have almost completed the course and the third man, enrolled at a later date, has partially completed training. It is planned to have a qualified paramedic assigned to ambulance duty on each shift.

There are currently 10 permanent fire fighters and 15 callmen certified as Emergency Medical Technicians (EMT). During the past year 10 members of the department have taken special courses in fire sciences and related courses in area colleges.

The 750 gallon military pumper obtained from Otis through Civil Defense was overhauled, painted and placed in service at headquarters as a second run engine.

A 2,600 gallon tank truck purchased from Crowell Construction was adapted for fire department use by the permanent fire fighters and placed in service at Station 2 in East Sandwich, replacing the 30 year old tanker which was no longer in serviceable condition for department use. The old tanker was donated by the town to the Barnstable County Agricultural Society for use at its fair grounds.

A used 3,100 gallon diesel tanker was purchased in late spring. This unit was also overhauled and adapted for department use by the permanent personnel. This tanker was placed in service at Station 3 in Forestdale in October, providing a supply of water for fighting fires in the Forestdale, South Sandwich area.

The 1930 Ahrens Fox, Sandwich's first pumping en-

gine, was retired to the New England Fire and History Museum in Brewster on May 10.

The former military crash truck, purchased third hand many years ago and used as a brush breaker, together with the old Chiefs Patrol truck, both of which were no longer in serviceable condition, were taken out of service in late spring and sold by the town.

At the headquarters station new overhead doors were installed in the rear section, replacing doors originally installed when the station was built. Fluorescent light units were installed in the main apparatus room, replacing the old incandescent units.

Estimates are currently being obtained to replace the fuel oil tank at the headquarters station. The present underground tank was installed when the station was built, and has deteriorated allowing water to enter the tank causing malfunction, of the station boiler.

Heavy duty aluminum towers were fabricated by students at the Upper Cape Vocational School on which to mount the air horns at headquarters and the sirens at the two outlying stations. New hoods for the sirens were also fabricated at the school. The sirens have also been overhauled and painted by the permanent men.

A new Torginal floor was laid in the reception-office area at Station 3. Interior sections of this building were painted by personnel assigned to duty at this station during the summer months. Funds are being included in the budget to repair and paint the masonry walls at either end of the building.

The emergency generator at Station 2 has been replaced with a larger and more efficient unit with sufficient output not only to carry the stations power requirements, but to also operate the siren at this location.

As has been recommended in previous reports, immediate steps should be taken to obtain a suitable tract of land in the area of Farmersville and Boardley Roads for future construction of a small two bay station to serve this section of town. Building in the Lakefield Farms, Holly Ridge and Lawrence Pond areas justifies the location of a station in this section in the not too distant future. In addition to the above developments, the several camps located in this section and populated by young people during the summer months is a further consideration not to be overlooked.

During the past year all permanent fire fighters underwent a complete physical examination.

Peter Andrews of the call force attended a week long course at State Police Headquarters in Framingham, in Arson Photography.

Effective October 1, Bruce Lloyd was appointed a permanent dispatcher assigned to the 4:00 P.M. to 12:00 midnight shift.

During the summer months the stations at East Sandwich and Forestdale were manned during the daytime hours. Also during the summer months, a part time dispatcher was employed to cover the period between 8:00 A.M. and 4:00 P.M. on Saturdays and Sundays.

After many years of faithful service as a call Deputy Chief, Robert White resigned as an active member of the department in June. On behalf of the town, the Engineers express their thanks and appreciation for his long and loyal service as a member of the department.

There are at the present time vacancies in the Call Force at the Sandwich, East Sandwich and Forestdale stations. Applicants must be between the ages of 18 and 35 and in excellent physical condition. Availability to respond to alarms during the daytime hours, as well as availability to attend special training, schooling and drills will be of primary consideration. Applications may be obtained from the Chief who will interview all applications.

Townpeople are reminded that to report a fire, or request the ambulance, the number to call is 888-2323. Stickers which may be affixed to telephone instruments are available at headquarters.

The Board of Fire Engineers and the Chief extend their thanks and appreciation to our neighboring towns for their valuable assistance through mutual aid. The Board also gratefully acknowledges the cooperation and assistance of other town departments and officials who have been of assistance in many ways.

Respectfully submitted,

Board of Fire Engineers

Report of the CLARK-HADDAD MEMORIAL BUILDING TRUSTEES

To the Honorable Board of Selectmen
Sandwich Town Hall
Sandwich, Mass.

The Year 1976 was indeed a trying and difficult one for the venerable old schoolhouse the Clark-Haddad Memorial Building. On Nov. 19th, 1976 the five member board of trustees suddenly lost one of its members, Carl E. Leino, Secretary. Carl was a lifelong resident of Sandwich, a former student of this school building when it was known as the Jarves School and was an ardent supporter of all Clark-Haddad activities. To date the vacancy caused by his passing has not been filled.

Earlier in the year the Boy Scouts, who had been using the main floor of the building, had chosen to use the basement area as their den and function room. In considering this boiler room area it was deemed prudent to have the area inspected by the Fire Chief and get his opinion as to whether or not it was a safe place in which the public should assemble and hold meetings and activities. In his opinion and in the opinions of both the town building inspector as well as the state public building safety inspector it was found not to be for several reasons; inadequate exits, poor ventilation, no fire extinguishing equipment, no emergency lighting and alarm systems.

During the summer, due to a malfunction of the oil burner, the entire tank of fuel oil in the basement saturated the boiler, the floor and adjacent wooden walls. Upon examination by safety officials the boiler and burner were condemned. Bids were solicited and received for their replacement which was accomplished and completed in the fall. The Sandwich Finance Committee approved a request by the trustees for an emergency sum of 1102 dollars in order that the necessary work could be done; cost of the entire job was 3102 dollars. In the meantime the main floors were refurbished, additional electrical outlets installed, faulty plumbing repaired and a brand new gas stove installed. The entire building both inside and out has taken on a new aura.

Our sincere thanks to all the citizenry and to all those organizations who use the Clark-Haddad Building regularly for their patience and cooperation during a very trying time. At this writing there are eleven differ-

ent town organizations using this building regularly.

Sincerely,

Clark-Haddad Trustees

C. VanBuskirk

D. Earle

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen
and Citizens of Sandwich

Submitted below is my twelfth Annual Report as Public Health Nurse for the Town of Sandwich.

Another eventful year has passed.

The Lead Paint Screening test has been added to the growing list of services available to the citizens of Sandwich. The screening test consists of a simple finger prick to obtain a sample of blood which is sent to the Childhood Lead Poisoning Prevention Program in Boston for final results. This test is done annually on children from 1 year to 6 years of age.

The Swine Flu Clinic was offered to all citizens of Sandwich 25 years to 105 years. A great number of people partook of this service. The program carried federal restrictions and was financially supported by the Town Board of Health.

Other services available are the Well Children Conferences and Well Women Conferences, sponsored by the Sandwich Health Association, a long standing group of people interested in the health needs of the town.

Also available is Physical Therapy, Speech Therapy, Occupational Therapy and Homemaker H.H.A. Services. These services are on contract from the Falmouth Nursing Association and Cape Cod Homemaker, Home Health Aide Services, Inc. They are available to people only with a doctors written orders.

The Nurse also visits the Friendship Center monthly for blood pressure checks. This service is available to people who do not regularly see a physician.

A Social Security Representative visits the Public Health Office the 3rd Wednesday of each month to offer assistance and answer any questions on Social Security and Medicare.

The Town of Sandwich Nursing Agency was recertified by Medicare in February, and by the Mass. Department of Public Health for participation in the Medi-

care and Medicaid programs. There were no difficulties found.

The Town of Sandwich Nursing Agency joined the Mass. Association of Community Health Agencies, Inc. (MACHA) this year. MACHA was incorporated in January 1976 as a result of the merger of two organizations, the Mass. Assembly of Home Health Agencies and the Council of Public Health Services of Mass. League for Nursing. It is hoped that this merger will provide a stronger group to represent Home Health Agencies in health matters and legislative actions in Mass.

The statistical reports show an increase in number of visits and services. Consequently, more hands are needed to handle the patient load and paper work. The second Nurse's work hours have been increased to 25 hours per week with an addition of part time clerical help for 20 hours per week.

Recommendations for a pre-application for a new building for the Town Nurse and Council on Aging was presented to the Selectmen. The Selectmen submitted these to the Housing on Urban Development (HUD). When, and if, the pre-application is accepted, the data is sent in for approval of a money grant.

PROFESSIONAL ADVISORY BOARD

The Town of Sandwich Nursing Agency held 4 regular meetings, 1 special budget meeting and 1 special meeting for the purpose of discussing a new building to house the Town Nurse and preparing a 5 year Capital Expenditure list for the Board of Selectmen.

At each of the regular meetings, the Public Health Nurse reported on pertinent Agency matters and a Record Review Report was submitted by the Record Review Committee.

One of the main functions of PAB is to evaluate the Nursing Agency and offer recommendations to the Selectmen, which are the governing body of the Nursing Agency, for the improvements of the service to the people of the Town of Sandwich.

In September, Tekla Cote was elected Chairman and Janet Davis Vice-Chairman at the first meeting of the 1976-1978 Professional Advisory Board. Merilyn Myers continues as Secretary.

A special thank you to outgoing board members and members who resigned: Irene Beers, Florence Hall, Hazel Keith, Allen Peterson and Florence Whitely. Carl Hiler will be missed as a member of the PAB.

A welcome to newly appointed Board members: Grace Day, School Psychologist and Katherine Currier, R.N.

The cooperation and consideration of the Board of Selectmen, departments, organizations, volunteers and townspeople have been truly appreciated. A special thank you to the Park Department in keeping us shovelled out, for rubbish removal and assistance during the year.

Respectfully submitted,
Frances M. Silva, R.N.
Public Health Nurse

Report of the
BOARD OF HEALTH

To the Honorable Board of Selectmen
and the Citizens of Sandwich

The Board continues to meet the first Tuesday of every month at 7:30 P.M. Business hours are 8:30 - 10:00 A.M. Monday thru Friday. The Citizens of Sandwich can contact any member of the Board as well. All complaints must be in writing. All meetings are held at the Town Hall and are open to the public.

The Board has been operating the Disposal Area as planned in the operational report of Whitman & Howard Engineering Co. We feel it has been very successful for 1976-1977 fiscal year. In order to fully comply with the state standards the Department of Environmental Management Bureau of Solid Waste Disposal will impose new requirements for the operational plan. This has not been accomplished as of this writing. The Board has also been assured that the state permit for the disposal site will be renewed for a five (5) year period. We bow to no Town on Cape Cod in the operation of our land fill. Albert Fournier, supervisor has done an excellent job and we appreciate his efforts. We feel that Squeaky, Alvin and Milton make a Dynamic Trio.

In Fiscal Year 1976-1977 the Board has been able to achieve a savings of \$10,000. This was done by closing the Disposal Area on Wednesday's for about 40 weeks and maintaining disposal hours from 8:00 A.M. to 4:30

P.M. each day. We will continue this policy in Fiscal Year 1977-1978.

The Board has recommended for many years that the Town should have a municipal sewerage system. It appears at this writing that at long last it will be fact. The Board has felt these many years that this would be the only way to fully protect the ponds and streams, beaches and marshes of the Town.

Under Title 5 of the State Code concerning the disposal of sanitary sewerage new regulations will be forthcoming. These regulations will be more stringent than was Article XI. They have not been completed as of this writing.

The Board appreciates the aid of the County Board of Health and its offices. The County board tests all ponds, camping areas, motels and food establishments. The reports are sent to this Board of action.

The Board again wishes to thank Mr. Oscar Doane, Jr. and his efficient crew for their work in maintaining the marsh areas to control mosquitos. For the last few years they have been maintaining greenhead fly traps on the marshes. Their work is acknowledged and appreciated by the Town of Sandwich.

In August 1976 Mr. Allen Peterson Vice Chairman of the Board found it necessary to resign. Mr. Peterson received a promotion to Director of the Department of Sport Fisheries of Massachusetts. This is a very important post in the Commonwealth as we on Cape Cod can appreciate. The Board was indeed sorry to have Allen leave. He was a tremendous help to this Board, especially in implementing the disposal area study as well as other areas of policy making. The Board will miss him. We wish him success in his new appointment.

Due to the resignation of Mr. Peterson it was necessary to appoint someone for the balance of the term. Mr. Robert McKillop former board member was appointed by the Selectmen. Mr. McKillop will serve until the annual election in 1977. We appreciate Mr. McKillop's willingness to serve. Mr. Peterson's term expires in 1978.

The Board of Health licenses motels, hotels, camps, and food establishments. Installers of sanitary sewerage systems must also be licensed. Cesspool pumping permits are also issued by the Board of Health.

ELECTED OFFICIALS

Robert H. Ellis	1977
Allan Peterson	1978
Dennis Earle	1979

APPOINTED BY THE BOARD OF HEALTH

John H. Lewis	Medical Consultant
Miss Esther Howes	Health Officer (Director Barnstable County Board of Health)
Leo H. Decoteau	Sanitarian (Barnstable County Board of Health)
Edward F. Montague	Inspector of Plumbing & Sanitary Installations

Herbert Hamlen	Assistant to Inspector of Plumbing & Sanitary Installations
Mrs. Hilda Whitmore	Inspector of Animals
Albert Fournier	Supervisor of Disposal Area
Milton M. Fiske	Assistant

LICENSES AND PERMITS ISSUED - 1976

Methyl Alcohol License	1
Recreation Camps - Overnight, camps - hotels, Trailer Camps - Tent camps - summer Trail Camps ...	31
Garbage-offal and Pumping Cesspool Permits ..	17
Funeral Director License	2
Sanitation Installer Permits	36
Swimming Pool License	8
Sanitation Permits to Install Septic Systems	235
Food Service Establishments Permits	39
Complaints Investigated	50
Plumbing Permits	262
International Travel Certificates	1
Subdivisions Investigated	3

The Board appreciates the assistance and co-operation of all Town Officials and Town personnel. Special thanks to Town Nurse Frances Silva, and also thanks for a job well done by Alvan Crocker.

Respectfully submitted,

Robert H. Ellis, Chairman
Dennis Earle, Vice-Chairman
Robert McKillop, Member

Report of the BARNSTABLE COUNTY HEALTH DEPARTMENT

This report is for the six months ending June 30, 1976.

The staff has been finding it difficult to carry on existing programs, and keep up with the impact of health planning agencies, local human services committees, grant proposals from community interests relating to health, requests for consultation and for committee participation.

Specialized instruction in the performance of additional tests in water chemistry, learning to use the new laboratory equipment, and sharing in conferences with the "208" waste water study have taken much time and effort. The position of sanitary inspector funded by CETA (Comprehensive Employment Training Act) was terminated in May. We were fortunate in hiring a

registered sanitarian to succeed him immediately, and who could work through the summer period. Occasional workshops have been held with the town health agents and this department. Environmental health protection continues to be a major service.

The Public Health Nurse Directors have provided supervision to seven Home Health Agencies, attending quarterly record reviews, serving ex-officio on their professional advisory committees, attending the one day and two day surveys for re-certification under Medicare. They assisted in the selection and orientation of new community nurses in two towns and in one school. A continuing education course "The Community Nurse is the Leader — Her Role and Responsibility in the Home Visit" was well attended, 33 nurses received credit for 1.4 Continuing Education Units from the Massachusetts Nurses Association. One nurse director has served on the Continuing Care Committee of Cape Cod Hospital, the Heart Association professional education committee, the Cape Cod Community College Medical Advisory Committee, and the College Geriatric Aide Course Advisory Committee. Lectures have been given on communicable diseases and personal care in the orientation course for the Cape Cod Homemaker-Home Health Aide Service. One director served on a town government study committee, and completed a course at the Harvard School of Public Health in nurse leadership and management with particular reference to school health services. Responsibility for the epidemiological aspects of the state tuberculosis clinic and for all communicable diseases is a continued one and to some extent, is jointly shared with the registered sanitarians. One public health nurse director continues to direct a five member staff and coordinate the management of the State Handicapped Childrens Clinic in this area, and coordinates the group day care center inspection activities.

Medical Social Services are provided, directly to the Handicapped Childrens Clinic families on a continued basis, and also to any person or family on request. Consultation and conferences with other agencies in the county and elsewhere have led to the fulfillment of several requests, such as approval for admission to special schools and services, funds for homemakers and specialized care at home. Joint planning continues on a regular basis with day care operators, school special needs counsellors, the collaborative staff, school nurses and psychologists.

Dental Hygiene services are still focussed on the young child of pre-school and elementary age. As requested by individual schools and pre-schools, direct services of screening, topical fluoride application, and education are provided. An affiliation experience for the dental hygiene students at Cape Cod Community College is now available here, with instruction and supervision provided on a weekly basis, however this is dependent on the approval of each school system involved.

The Handicapped Children's Clinic is held twice

each month, at Barnstable County Hospital in Pocasset, with a caseload of over 330 children, ages from birth to 21 years. Because of the increase in the number of referrals, and the complexity and seriousness of most diagnoses, additional clinic sessions are being scheduled. The medical staff includes:

Murray Pendleton, M.D., Pediatrician, Falmouth
Henry H. Banks, M.D., Orthopedic Surgeon, New England Medical Center, Boston
Michael Goldberg, M.D., Orthopedic Surgeon, New England Medical Center, Boston
Seymour Zimble, M.D., Orthopedic Surgeon, New England Medical Center, Boston
Edward Rabe, M.D., Pediatric Neurologist, New England Medical Center, Boston
Leo Sullivan, M.D., Pediatric Neurologist, New England Medical Center, Boston

A public health physical therapist, medical social worker, and three secretaries complete the team. The position of occupational therapist, funded by CETA was terminated in May, there has been no provision for a replacement. The team has access to other services and staff assistance, through the Division of Family Health Services of the Massachusetts Department of Public Health.

The responsibility for recommending licensure for Group Day Care Centers continues to increase. The State Office for Children is re-writing Rules and Regulations for the operation of such centers, and a final draft will soon be completed and interpreted to the day care center operators. In addition to stricter standards by the State Building Code there is greater parent involvement and consumer interest. Because of our wide involvement in many children's services, we feel that it is important for us to continue in this field.

We also continue to provide "promotion of health" and "prevention of disease" and the "public health viewpoint" through consultation services, board membership and committee participation, such as, with Elder Services of Cape & Islands, with the Area Hospital Council, the Nurse Directors Committee, the Associated Boards of Health, Massachusetts Department of Mental Health and Mental Health Association, Family and Children's Services, the local Office for Children and Child Development Program Inc., the Cape Cod Community Council, the Cape Cod Community College, and the Comprehensive Health Planning Agency. We endeavor to support the medical community and to prepare for the most efficient, economical, compassionate provision and system for the delivery of health services.

The department personnel has included:

Ruth J. Alvezi, Principal Clerk
Monette Blanchard, * O.T.R., B.S., Public Health Occupational Therapist, CETA employee.
Mary L. Casey, R.N., M.P.H., Public Health Nurse Director

Christine Castellano, R.N., B.S., Epidemiologist, Massachusetts Department of Public Health
 Alice A. Dalzell, R.D.H., Public Health Dental Hygienist
 Leo H. Decoteau, R.S., B.A., Public Health Sanitarian and Certified Health Officer
 Sandra H. Drozell, Senior Clerk-Stenographer
 Mary E. Dwyer, Senior Clerk
 Bonnie C. Farmer, R.N., B.S., Public Health Nurse Director II
 Stetson R. Hall, R.S., B.S., Public Health Sanitarian and Certified Health Officer
 Esther G. Howes, R.N., M.N., M.S., County Health Officer and Certified Health Officer
 Carol M. Hunter, Head Clerk
 Sandra B. Jones, Laboratory Technician
 Joan S. Lawless, * A.S., Senior Clerk-Stenographer
 Teresa J. Lohr, * Junior Clerk-Stenographer
 Judith A. McNamara, M.S.W., Medical Social Worker
 Elizabeth Maginnis, M.S., A.C.S.W., Medical Social Work Consultant
 Bruce Murphy, R.S., B.S., Sanitary Inspector — Temporary position

 David Werner, * B.S., Sanitary Inspector, CETA employee
 Florence Whiteley, R.P.T., B.S., Public Health Physical Therapist

* Resigned

Report of the Sandwich COUNCIL ON AGING

To the Board of Selectmen
 Sandwich, Massachusetts

Submitted herewith is a brief outline of the programs initiated, implemented and planned for the 1,517 residents of the town who are registered as being 59-years of age or over during 1976.

From the office at the Dunbar House, director Mrs. Bradley Kellogg, an aide provided by Elder Services of Cape Cod and from 12 to 14 volunteers have been consistently contacting 132 persons who live alone, with reassurance calls made daily to 24 other persons.

Also, Mrs. Kellogg had made friendly visits to 223 persons during the year; has taken elderly persons not having transportation to appointments or shopping on 139 trips; has arranged transportation through others for 77 persons and she has attended meetings or other activities at area nursing homes, the Council's Drop-In-Center and accompanied elderly to the special

school lunch programs at Sandwich and Bourne Vocational School 294 times.

Working with other agencies, Mrs. Kellogg and members of the Council distributed 22 plants for Christmas to shut-ins, and coordinated the recent swine-flu immunization program at Barnstable County Hospital and at Bourne Community Building.

The Drop-In-Center, held each Wednesday and Friday afternoon at Clark-Haddad Hall, including those sessions held at St. John's Church when the hall was under repairs, catered to between 190 and 250 senior citizens each month.

An art class, the only class able to be implemented in 1976, attracted 25 persons weekly during a 40-week season.

An average of a dozen residents of Fraser Nursing Home were transported by volunteers almost once a week during the year to the Drop-In-Center and between 8 to 12 persons weekly enjoyed bridge at the center on Monday and Thursdays during the past year.

There were 13 tours arranged by council member Herb Nelson since last April with 597 people participating, this total included 146 new people. That program was self supporting. This program does not include a trip planned during December and taking place January 6, in which 127 senior citizens made a day trip to the new Quincy Market in Boston. The Drop-In-Center served as the depot for all trips.

After a slow start, the special school lunch program for the elderly saw an average of 25 persons partaking of meals at the new high school four days a week since September through December.

Another 20 to 40 persons enjoyed a special lunch program at Bourne Vocational School.

A majority of the council members have attended formal and informal meetings held by the State Department of Elder Affairs, the Elder Services of Cape Cod and the Islands, Sandwich Housing Authority, Social Security Administration at Falmouth, Massachusetts Housing Assistance Bureau, Cape Homecare Services at Pocasset and Barnstable County Rural Public Transportation Project. Many were held in Sandwich.

Limited space at the Dunbar House requires that most typing of reports, minutes of meetings, publicity and correspondence be done by council members in their homes and with their personal equipment.

The council also has directly handled two legal services cases through the efforts of Chairman Oetinger. Also, the council, through its volunteer staff and members, has encouraged use of the Call-A-Ride non-emergency medical bus service with the result that from May-June, as the service was getting started and there was no local response, an average of 60 persons used the service during the months of September through December.

Concluding the council's 1976 social activities a special Christmas Party was held at American Legion Hall

on December 17. Over 200 Sandwich elderly participated in the merriment.

Plans for 1977 call for increased activities such as classes and lectures along with programs with other town organizations as facilities can be made available, transportation provided and surveys of need completed to reach more of the elderly population of Sandwich.

This year the Council on Aging once again lost one of its valued members on May 15, 1976. The community lost one of its most active citizens especially in the area of Senior Citizens activities. Clifton F. Robinson was a diligent, enthusiastic and tireless worker organizing and implementing a great variety of trips and events for the enjoyment of the elderly in Sandwich.

Respectfully submitted,

Sandwich Council on Aging

Ernest A. Oetinger, Chairman

Report of the Sandwich PUBLIC LIBRARY

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

Submitted herewith is the report of the Sandwich Public Library for the calendar year, 1976.

This is a record of progress and problems.

Believing that free access to full information for all citizens is fundamental to the preservation and development of a free society, the Trustees of the Sandwich Public Library unanimously endorse the "Library Bill of Rights" formulated by the American Library Association. The full text of this document is available in the Library.

The Collection. With this ideal, the materials-selection process, directed by the librarian, is complex. Careful attention is paid to the particular interests of Sandwich (e.g. local and regional history, defined to include social, economic, cultural and natural history; home restoration and maintenance; marine subjects; arts and crafts and antiques...), and to particular needs of special segments of the population (e.g. the home-

bound, visually handicapped, unemployed, the young adult...). Every special request is either purchased, borrowed, or located, if the reader so wishes.

At the same time, a cross-section of history, a balanced sampling of all major fields and of conflicting views, concern for quality within a given field, whether fiction or non-fiction, are essential. With our limited space and funds, so is a strong reference collection, and the recognition of available resources nearby, such as historical material, particularly that in manuscript or document form, found elsewhere in Sandwich; business, law, and microfilm collections in the Falmouth Sub-Regional Headquarters Library; books, films and records in the Eastern Regional Depository in Yarmouth Port and in the Boston Public Library; sources for talking books for the blind and physically handicapped; these and many others.

The process involves all the staff and several volunteers, and the regular checking of eight major review journals. Orders are placed to obtain maximum discounts. We are very grateful for and dependent on the gifts of our patrons. Any gifts not kept here are turned over to the Friends-of-the-Sandwich-Public-Library for benefit sales, given out in the Library, used for exchange with booksellers, or otherwise usefully distributed. We are entirely dependent on gifts for museum tickets, recreational paperbacks, jigsaw puzzles, and the pattern exchange.

The Library has added this year 1,879 volumes. We borrowed for open-shelf deposit 455 additional books (110 of them in large-print) from Eastern Regional centers. We subscribed to 69 periodicals, receiving 35 additional subscriptions as gifts, with an additional 90 newsletters or bulletins. We added 65 phonograph records. Gift puzzles and patterns are not tabulated. Family tickets for the Children's Museum, and the Museum of Fine Arts were continued by the two women's clubs.

Loan use. Circulation increased from 58,329 in 1975 to 67,000 in 1976. Beginning in the fall, the young-people's librarian selected and sent to the Elementary School 600 books each month for use in the classroom free-reading periods set up as part of the "Right-to-Read" program. Books sent one month are returned here at the time the new selection is sent.

There were 783 new borrowers (6 years of age or over) registered, bringing the active total to 5,450. Of these, 1,185 are seasonal visitors.

Every practicable effort is made to make materials easy to find and to use — through prompt and careful cataloging, posting of new-book lists, exhibits, reserves taken — with telephone notification, telephone renewals for books not overdue, and a member of the reference staff always on duty.

Information and Referral Service. The staff takes pride in maintaining an exceptional information service. Its quality is due in part to the strength of the reference collection, in part to the existence of an effec-

tive inter-library and inter-institutional network, but above all to the dedication, specialized knowledge and cooperative effort of the staff members involved. There is no room here to describe the art of a successful reference interview, whose purpose is to discover exactly what the enquirer wants, how much and how soon, or to describe the knowledge of alternative sources and their relationship that are then required to get the information. The question of the smallest child is taken as seriously as the question of an adult. A question prompted by curiosity is handled with the same care as one prompted by practical need. Questions received by mail, or by telephone are treated as those asked directly.

Questions that can be answered from resources in the Library are so answered. Just as important are referrals, via inter-library loan, via telephone, or letter, or introduction to more specialized agencies. This is a traditional service, strengthened by modern networks, directories and means of communication. Some 3,000 questions were answered this year. 264 items were verified, located and borrowed to fill specific requests. No record is kept of the number of referrals.

Projects. The young-people's librarian now spends one afternoon per week giving multiple reviews in the school classrooms, visiting each class in grades one through six once a month. The individualized reading club has been extended through grade eight.

The Friends-of-the-Library sponsored programs, exhibits and a benefit book sale.

With an LSCA Title I Enrichment Grant of \$2,345.00 we were able to purchase some 50 large-print books, 40 comfortable stack chairs for the activities room, an electric typewriter with table, 5 kick-step stools for the stacks, and counter-top phonograph-record holders.

With part of the funds from the Thornton Burgess bequest, given in memory of his mother, Caroline F. Burgess, we added shelving in the Reference and Juvenile sections.

Problems. It is now more than ten years since the last addition to the Library building. The one workroom and the stacks are overcrowded. There is no proper shelving for folios, cassettes, or other special materials. There is inadequate space for periodicals, and for rare or fragile items requiring supervised use; no electric lift between floors. There is need for replanning and expanding existing space to handle expanded functions. There is no climate control for the preservation of the collection, or the comfort of users. The furnace is inadequate. The parking lot is much too small, outside lighting too dim, and there is no entrance designed for the physically handicapped. The Trustees, as legal custodians of all library property, are especially concerned with these and other building and grounds problems.

Use is too heavy for the professional staff any longer to pinch hit as desk assistants and pages in "spare time" — now non-existent. In any case, this is a wasteful use of specialized people. Over the next few years

there will be additional need for greater staff specialization. We are dependent on able volunteers for a dangerously large number of basic services, for example, the home-bound service, book repair, inventory, typing...

As the Town grows and its agencies and organizations multiply, there is an increasing need for more thoughtful and reciprocal planning between agencies and departments to preserve what we have and to develop what we need in the most effective ways.

Endowment funds largely financed previous library buildings here, and income from the residue still reduces operating funds required from the taxpayers, but is much too small to meet expenses. Libraries in this country run at extraordinarily low unit costs. We encourage all citizens not only to use and to enjoy our facilities, but to find out just how and why we run.

We express our pleasure in the pride and enthusiasm of the Library's users, and the thoughtful support of the Town's officials.

A record of volunteers and donors is gratefully posted in the east vestibule of the Library.

Respectfully submitted,

Louise Walker

Librarian

Report of the Sandwich COMMUNITY SCHOOL

To The Board of Selectmen, Town of Sandwich
Sandwich School Committee

During the summer of 1976, the Sandwich Community School pool was open three days a week. Lessons were given in the specialized areas of diving, water polo, and synchronized swimming in an effort to provide areas of instruction not included in the Recreation Program.

Other Community School activities during the summer included freezing and canning of foods demonstrations, a sand castle contest, and an old-time family picnic.

The Arts Council Town of Sandwich was formed as a sub-committee of Community School. Members worked with the School Committee to bring a resident repertory theater group, The Cape Cod Theater Ensemble, to Sandwich for the summer months. Reviews of their plays were excellent throughout the season. Also during the summer, the Sandwich Community School Children's Theater under the direction of Jane Gay

Stephens made its debut with a delightful musical production, "Sing It Again, Sam!"

The Adult Education Program was widely successful this year with approximately 800 people registered in seventy-five classes.

The Swimming Program had over 600 people enrolled in classes with hundreds of others enjoying the open swim and lap swim times. For the most part, the pool was available to the community seven days a week during the school year.

Many cultural events took place in the auditorium under the auspices of the Community School during the year and the facilities were also made available to local groups for concerts, dance, theater, and opera. Several thousand residents have attended and enjoyed these performances.

One of the components of the Community School Program is to make maximum use of school buildings. Thirty-seven committees and organizations are currently using the facilities on a regular monthly basis, and many others are scheduling events and functions at the schools. In an average week, fifteen hundred different people come to the schools for activities that are not a part of the regular kindergarten — grade 12 program. These range from babies enrolled in the swimming classes to Senior Citizens who come for lunch or to attend evening classes. This year a group of pre-schoolers have been regularly meeting for play and programs in the High School child care room.

In the first two years of the Community School, the most vital ingredient in its success has been its VOLUNTEERS. Hundreds of people have contributed time and talents in a variety of ways. The most outstanding of the volunteers have been members of the Executive Council who have worked tirelessly and enthusiastically for the Program. Council members are: Charles Scribner, Chairman; Eleanor Gaffney, Vice Chairman; Patricia McArdle, Secretary; Carol MacLean, Treasurer; Virginia Lewis, John Chisholm, Bette Bridges, Earl Lantery, Kathy Nickerson, Orrin Taylor, and Paula Savel.

A regular corps of volunteers have manned the office under the guidance of our secretary, Gerry Porter. Donating a total of nearly one thousand hours of clerical and secretarial work were: Nancy Hallaren, Peggy McLaughlin, Leslie Lovell, Judi Dingley, Marilyn Smith, Helen Whiting, Betty Gallant, and Karen Collings. A list of all the people who have volunteered in some capacity during the past year would look like the Sandwich street listing. Thanks to you all for your help.

Our plans for the future include such things as theater workshops, expansion of the Adult Education Program, the opening of underenrolled high school classes to citizens, and a professional musical comedy. We welcome suggestions and ideas at all times.

Respectfully submitted,
Gale B. Ewer, Director

Sandwich Community School

Report of the SCHOOL BUILDING COMMITTEE

To The Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

The year 1976 was the year that the Building Committee had hoped to see final completion of the General Construction of the Elementary and High School building projects. However, some major legal problems are holding up the completion of the High School project and I shall explain the litigation between Franchi Bros. Construction Corporation vs. the Town of Sandwich further on in this report.

The Building Committee is very happy to report that the general contract for the Elementary School awarded to Wexler Construction Company of Newton, Mass., was completed in December of 1976. The money not spent on this project is being kept in the present budget to help complete some items on the punch list and to help pay town counsel fees concerning the completion of the High School project.

The Committee wishes to express its thanks to Wexler Construction Company for the fine work on the renovations and the excellent cooperation given by the Company to this Committee.

The General Construction on the High School project, as indicated previously, is not finished and we are in litigation at the present time.

The Building Committee feels that some parts of the general construction contract have not been completed to specifications; primarily, the school grounds and athletic fields, a portion of the cinderblock walls and part of the building flooring. It is also felt the Committee does not owe any extra money for items bid in the general contract. The Committee has put \$60,000 to \$80,000 in escrow for subcontractor payments.

Franchi Brothers Construction Corporation has filed suit charging the Committee is withholding funds in an arbitrary manner and attempting to recover costs above and beyond the original bid in areas such as the fields and grounds, sewerage disposal system, masonry light pole bases, gym flooring and the fly gallery located in the stage tower of the auditorium. This suit involves \$713,000 plus interest from December 1975.

The Elementary and High School Buildings are in use and the Committee is pleased with the results. School and Community use of both buildings is indeed rewarding to the Committee. We feel we have excellent facilities for the entire population of Sandwich and this was one of our goals when this building project was initiated.

The year 1976 saw a new member join our Building Committee when Mrs. Betty Bridges replaced Mr. William Hendy as the School Committee member. At this time I would like to thank Mr. Hendy for his time and contributions to the Building Committee during the years he served the town in this capacity.

The Building Committee met at least once a month during 1976 plus some special meetings for the suit brought against the town, and of course many court appearances for some members. In all a busy year. The committee will continue to meet on a monthly basis in the future as our responsibility to the town is far from complete.

The Building Committee would like to thank Mr. Howard Pease, former Clerk of the Works, for his untiring effort toward this project. We also welcome aboard Mr. Robert Scott who is doing a fine job following through on this project until completion.

I wish to thank my fellow committee members who have given so much time and effort to this project, the Superintendent of Schools and his staff who have spent many hours seeing the project through to this point, the school administrators and the faculty who completed a giant moving task with little or no problems, the custodians and other school personnel whose untiring efforts helped all parties concerned in the moving, and the townspeople of Sandwich who have made all this possible.

Stanley Torrey, Chairman

Sandwich School Building Committee

Upper Cape Cod Regional VOCATIONAL- TECHNICAL SCHOOL DISTRICT

To the Citizens of BOURNE, FALMOUTH,
MARION, SANDWICH, and
WAREHAM:

In compliance with Section 13 of the Agreement between the towns of the district, this annual report is submitted.

The membership of the Committee follows:

Town of Bourne	Frederick W. McComiskey Peter N. Way
Town of Falmouth	James M. Crossen M. Gregg Hibbs
Town of Marion	Warren L. Washburn, Vice-Chairman

Town of Sandwich

Edgar E. Caron, Chairman
Town of Wareham
Robert T. Joy
William E. C. Warr, III

Treasurer	John S. Jillson
Assistant Treasurer	Martha B. Overlock
Secretary	Arthur L. Sweetman
Superintendent-Director	Arthur L. Sweetman

Since January, 1976, students at the Upper Cape Cod Regional School have been busy as usual working on numerous community and church projects throughout the five-town district. This is excellent work not only because of the actual job experience but because of the fact that the materials used for this training are paid for by others which helps to lower the cost of instructional materials used by the school. These projects included Bourne Police and Fire Stations; Aptuxet Trading Post; North Falmouth Congregational Church; East End Meeting House Parsonage, Hatchville; Wareham Water Department; Barnstable County Hospital; building of aluminum siren towers for the Sandwich Fire Department; recreation complex at Wakeby Pond, Sandwich; to name but a few. In September work was started on the building of a new parsonage for the Swift Memorial Church in Sagamore.

Within the school, students cook and serve meals three days a week to senior citizens from Bourne, Falmouth, Sandwich, and Wareham on a rotating schedule. The students have completed the gym equipment storage addition and are building a new classroom within the Electronics laboratory to be used as a related classroom. The former Electronics related classroom will become an academic classroom. In the spring students will begin the installation of piping to expand our irrigation system to the front and left side of the building. All playing fields are now covered by this irrigation system which is fed by our own well. Our students also do all major building repairs on our physical plant and the complete maintenance on four school busses, three station wagons, a van, three pickup trucks, one large combination sander-snow plow, and two tractors used for grounds maintenance. All of the trucks except the snow plow were obtained at different times from the Federal Government and were reconditioned in our shops.

Of the 118 students graduating in June, 1976, 81 are working in their trade or related fields; 15 are in the service; 11 are attending colleges or advanced technical schools; and 11 are unavailable for employment. A few years ago a scholarship fund was started through contributions from interested persons and organizations and fund-raising projects such as an annual auction. This fund provides a scholarship for each student going on to school and an award in the form of tools of the trade to the top student in each shop area.

In August, 1976, twenty-one students were graduated from the 48-week practical nursing pro-

gram. These students are presently working in the area hospitals and nursing homes.

The Regional School District, in the way of financial assistance in 1976, received \$498,307.00 representing the 50 percent reimbursement of net operating expense for 1974-1975. Also received was \$94,217.00 for transportation reimbursement for 1974-1975; a library grant of \$424.15; and \$15,718.21 under PL 81-874 for federally connected pupils.

Additional aid under Chapter 71, Section 16D, is now based on the amount each town contributes to the district and is paid directly to the district. This year the regional school district is entitled to receive \$81,587.00. At the present time this aid will be distributed at a proration of 79.56 percent, and it is not

expected that an additional appropriation will be funded for this deficiency.

We are grateful to Tobey Hospital, Jordan Hospital, Falmouth Hospital, the Cape Cod Nursing Home, and the Plymouth Community Nurse Association for providing the externship for our Practical Nursing and Health Careers programs. I wish to express our sincere appreciation and thanks to all the town officials and school personnel in our district, to my fellow school district committee and advisory board members, and to our own school staff and faculty for their interest, cooperation, and help during 1976.

Edgar E. Caron

GENERAL INFORMATION

SCHOOL COMMITTEE MEETINGS

School Committee meetings are held at 7:30 p.m. on the fourth Wednesday of each month at the Sandwich Jr.-Sr. High School.

SCHOOL ENTRANCE

KINDERGARTEN: Any child resident of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

GRADE 1: Any child resident of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that all children seven years of age and over, who are physically and mentally able, attend school.

BIRTH CERTIFICATE

A birth certificate is required for all children entering either Kindergarten or Grade 1.

MEDICAL REQUIREMENTS

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor - also, a physical examination is mandatory.

NO SCHOOL

Every effort will be made to have school whenever feasible. On days when transportation by bus is impossible, school will not be in session. Notice will be broadcast over radio stations WBZ, WCVB-TV, WPLM, WCOD, WQRC, WOCB and WVLC at 7:00, 7:30 and 8:00 A.M. In addition, there will be signals from the Fire Stations at 7:00 A.M. and 8:00 A.M. as follows: The East Sandwich and Forestdale Stations will sound four signals - the Sandwich Station will sound 2, pause, 2 signal four times. In the event that it becomes necessary to close school before the regular dismissal time, due to power failure, severe weather conditions, etc., the above radio stations will broadcast this information at 12:00 Noon.

KINDERGARTEN UNDERAGE ADMISSION POLICY AND PROCEDURES

Sufficient space, facilities, materials and personnel must be available before any underage children are accepted.

REQUIREMENTS:

1. The child should be at least 4 years, 4 months old by September 1 of the year of entry (currently 4 years, 8 months).
2. Parents must confer with the principal, school psychologist and teachers prior to the child's entry.
3. It must be understood by the parents that the child may be discontinued from the program if, after a reasonable trial period, the teacher(s) and psychologist find it in some way damaging for the child to continue in the Kindergarten program.
4. The child must successfully pass a battery of readi-

ness tests and a psychological evaluation. Social and emotional maturity must also be taken into account. He must be recommended for entrance by a team including the reading coordinator, Kindergarten teacher and school psychologist. The decision of the evaluating team will be final.

PROCEDURES

1. Parents should make application for early entrance through the school principal. A conference is held.
2. The child is evaluated by the school psychologist, reading specialist, and any other specialists or professionals whose evaluation is deemed necessary.
3. The team meets and makes a recommendation.
4. A conference is held with the parents of the child and the school principal. The school psychologist and others involved as necessary.
5. A check on the child's progress is made by the principal and school psychologist two months after the child enters the program.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and the
Citizens of the Town of Sandwich:

As the nation paid tribute to its past and hailed its future in its Bicentennial celebration, the Sandwich school system, in a like manner, strengthened the fundamentals of its program and opened up new areas for educational growth. 1976 was a banner year for the country and for Sandwich.

Concern for human rights has always been at the heart of American heritage, and it thus seems appropriate that the Right to Read program was implemented in the Sandwich Elementary School in 1976. The successful program, whose national goal is the eradication of illiteracy, has been received enthusiastically by students, parents, teachers, and administrators. In cooperation with the Sandwich Town Library, the program provides a variety of reading experiences for youngsters, one of the most conspicuous being USSR, or Uninterrupted Sustained Silent Reading, a period of 15 minutes or longer each day in which each student reads something unassigned which he has selected. Right to Read also provides in-service training for teachers and volunteers.

1976 was a year in which all basics, not just that of reading, were emphasized in the Sandwich schools. The traditional skills of reading, writing, and mathematics have always provided the underlying structure of our curriculum, but in today's fast-moving world of technology it is possible to take such skills for granted, and it is necessary, even as we innovate, to rededicate ourselves to education's primary responsibility, to instruct each student thoroughly in the fundamental skills and habits.

The opening in February of the new Sandwich Junior-Senior High School on Quaker Meeting House Road in East Sandwich provides a stimulating, innovative environment in which to house the American public school concept, which dates back to our country's founding. The keynote of the dedication ceremonies of the school on May 16, attended by 3500 people, was Community Education Dedicated to Excellence. Now housing 726 pupils during the day, the new school, carrying out its initial concept as a community school, makes maximum use of its facilities with the enrollment of over 600 people in the Community School program. From pre-schoolers to senior citizens, from water polo to Shakespeare, this unique program engenders community spirit and pride.

Innovation is evident, not only in the physical plant with its folding wall partitions, balconied resource center and closed-circuit television, but in the curriculum as well, with new courses such as freshwater ecology and food services stressing active student involvement in practical projects. An intramural sports program was initiated at both elementary and high school levels in the Fall. In this highly successful program, all students who are interested in sports have an opportunity to participate regardless of their athletic prowess. The intramural program, in addition to developing school loyalties and spirit, adds to the youngster's conditioning begun in physical education classes.

Inspired perhaps by the ever-present strains of Sousa marches during this Bicentennial year and by their new uniforms, the high school band made its debut in the Hyannis Christmas Parade and won commendation from numerous spectators. Still in the musical vein, another first for 1976 was the inauguration in the new auditorium of the Sandwich Youth Concerts, whose first program in December featured instruments of the string family.

WSDH, 91.7 on FM, the radio station run by students of the junior-senior high school, is the most audible of the programs initiated within the school system in 1976. Featuring news, weather, sports, interviews, and a varied musical selection, the station has added live broadcasting of the Annual Town Meeting and other programs of local interest to its schedule, as a public service to those in the community unable to attend these meetings, as well as live broadcasting of school sporting events. In operation during the summer in addition to the school year, the station enables students to develop writing and speaking skills as well as technical know-how. The station, along with the high school social studies classes, made history with its Presidential Election coverage, complete with anchormen (and anchorwomen), on the first Tuesday in November.

Service to others, another traditional American value, came up for renewed recognition as the Sandwich Woman's Club inaugurated its Student-of-the-Month award, honoring each month two secondary

school students for their outstanding service to school and community. Arbor Day, a tradition begun in 1872 with an eye on the future, was once again observed at the elementary school with the planting of large trees and seedlings on the school grounds. Not only did the schools bridge the generations, but for the first time they bridged miles with the institution of the Domestic Student Exchange program. Under the program 15 Sandwich High School students flew in April to Springfield, Ohio, where they stayed for a week with host families in the town, attending classes with their "brothers and sisters", sightseeing, and exchanging customs and mementos. In May, their Springfield counterparts returned their visit, spending a week in Sandwich. Sandwich students were highly praised by the Shawnee High School principal, who wrote: "I don't believe we have ever participated in any event that has been met with greater enthusiasm than on our recent Domestic Student Exchange with Sandwich High School."

On June 4, the largest senior class to graduate in Sandwich, with 98 receiving diplomas, was also the first to hold its commencement exercises in the Quaker Meeting House Road complex. Broadcast over WSDH, the exercises, highlighted by the awarding of over \$20,000. in scholarship prizes, were carried in color on closed-circuit television.

New school building, new equipment, and new programs, however, are only as good as the people who use them. I would like to pay deep tribute to the students, staff and administrators of the school system who worked so hard and with so much evident pride to implement to the best of their ability the resources provided them by the Town of Sandwich.

With a total school enrollment in 1976 of 1,554, up 13.1 per cent over last year and doubled in the past six years, Sandwich must continue to look to the future. A variety of alternatives is available for the growing student population including use of portables and the 1927 building of the Henry T. Wing School, moving sixth graders to the new school in East Sandwich, and the construction of a new facility. There are, in addition to the cost of such housing, further ideas to be explored and examined in depth. We must consider the whole educational philosophy of the community. With the tireless efforts of the School Committee and the cooperative assistance of the various Town departments and offices, I believe that the teachers, administrators, and staff of the Sandwich schools will continue to devote themselves to an educational system dedicated to excellence.

Respectfully submitted,
Anthony D'Antuono
Superintendent of Schools

REPORT OF THE HIGH SCHOOL PRINCIPAL

To the School Committee
and Superintendent of Schools:

The bicentennial year 1976 was an exciting challenge for the entire high school community. The academic year began in September of 1975 with double sessions in the overcrowded Henry T. Wing School. In spite of the severe physical limitations, every attempt was made by the administration to insure that the education of the students would not suffer. Due to the cooperation and industry of an excellent teaching staff, the school functioned and young people learned.

The month of February was the critical period of 1976. A move was to be made; double sessions were to end; and a new building was to be occupied. On Wednesday, February 26, 1976, the first students entered the new Sandwich High School on Quaker Meeting House Road. To move into a new building is a challenge; to move in the middle of a school year adds more intensity to the challenge. The change was made, however, and made successfully. There are many people to whom I owe thanks, but to list them all in this report poses the problem of inadvertently omitting someone. Suffice it to say that the professional and non-professional staff members must be congratulated for their totally unselfish expenditures of time and energy; the citizens of Sandwich deserve the gratitude of the educational community for providing this effective and functional school plant; and, finally the students must be commended for the respect they have demonstrated to the new building.

It cannot be denied that pleasant physical facilities contribute to a positive educational atmosphere; however, the interaction between student and teacher is still the essence of any effective learning situation. Now that we are settled in these fine facilities, it is the responsibility of the high school administration to constantly seek improvement in the educational process and to be satisfied with nothing less than excellence in student and teacher achievement.

Respectfully submitted,
John J. Chisholm
Principal

REPORT OF THE ELEMENTARY SCHOOL PRINCIPAL

To the School Committee and the
Superintendent of Schools

Our nation's 200th Birthday is now a part of our past, but I cannot help but remember our school's participation. We had so many things going on at one time

or another, which all came together over a five day period, ending with a parade, an assembly and birthday cake for everyone. Many of our staff should be thanked, but especially Mrs. McLean, Mrs. McGonagle, Mrs. Lewis and Mr. Twomey, who kept our attention on the task. The student body cannot go unmentioned and some outstanding participants were: Maria Chapman, Ross DeLacy, Debbie Lumpkin, Annalie Chapman, Michael Lucier, Kathleen Dingley, Kim Reis, Douglas Ewer and Bruce Wilcox. In the Community, our thanks are extended to the Sandwich Bicentennial Committee, chaired by the late Carl Leino, the Selectmen, and Mrs. Diane Tucker, one of many volunteer parents from the Parent Advisory Council; without them all, our success would have been limited. To everyone — may I extend a sincere thank you for making the celebration such a success. I believe much will be remembered and much was learned of our past heritage and how it may affect our future.

Other developments for the period of this report were the final completion of the building. As you review the enrollment figures that appear in the total school report, we are getting close to capacity. Curriculum revision and up-dating have been completed and implemented. Evaluation of these latter changes continues, so as to insure the growth and progress of each pupil. Future curriculum changes will occur as the need arises.

As our enrollment increased, our professional staff increased; such as in general classroom teachers, with 30 teachers having a ratio of 29 pupils to each teacher. In addition, we have the teaching specialists such as: music, art, physical education and Special Needs, totaling ten people, four people available in the Library/Resource area (some shared with the High School), and six supervisors including myself. These people are further complemented with teacher-aides, Title I instructional aides, secretaries, clerk, and the cafeteria and custodial staff. Education grows. If you were to review the annual reports as I have since 1960 or any date you choose, growth is evident. All of this is true in spite of National and State trends that indicate the opposite picture. Sandwich and Cape Cod seem to be very attractive places in which to live and grow, which continues to add growth to educational costs as well as other community costs.

In closing this report, which is my seventh, may I once again thank present and past School Committee members, the Superintendent, the faculty and staff, the pupil population, the parents, and the Community Leaders and Citizens, for their past and continued support.

Respectfully submitted,
James G. Dolan, Principal
Sandwich Elementary School

REPORT OF THE SCHOOL NURSES

To the School Committee
and the Superintendent of Schools:

The objective of the school health program is to promote, protect and maintain the health of all students. The school nurse is responsible for first aid, arranging for medical examinations, screening, health counseling, health records and follow up to assure effective action on findings and recommendations of the school health program.

During the past year a second health office was established upon opening of the new Sandwich Junior-Senior High School. Ellen G. O'Neil, R.N. was appointed High School Nurse.

The School Committee approved new regulations concerning the dispensing of medication in school. Written authorization must be received from both parent and physician before any medication may be taken at school. A new Emergency Procedure form was also approved.

Our health program includes routine physical examination of all students in the fourth, seventh, and tenth grades as well as all students engaged in competitive sports. During this year, 330 students were examined by Dr. John Lewis, M.D.

The vision and hearing screening program includes every grade level in the Sandwich School System.

Routine immunizations clinics for tetanus diphtheria boosters and mumps vaccine are no longer held due to changes in philosophy and the availability of supplies from the Public Health Department. Tuberculin testing is done on first grade children only. A total of 85 children were tested.

According to State law all school personnel must be certified free of tuberculosis every three years. In accordance with this law, 93 employees received the Mantoux skin test this year and subsequent follow-up chest x-rays as needed.

The Dental Hygienist from Barnstable County Health Department conducted a program in the second grade. Teeth were cleaned and fluoride treatments given to 43 students.

Pre-school clinics were held on two occasions at the Public Health Office with Dr. Charles Gleason and Miss Frances Silva, R.N. A total of 53 children were examined. The following immunization were given:

DPT	1
DT	11
Polio	12
MMR	14
Tine	23

In accordance with Chapter 766, 13 home visits have been made throughout the year.

We sincerely thank all the parents, faculty, administration, school physician and volunteers who have assisted us. The assistance of these people help us

insure a good and effective health program for all students.

Respectfully submitted,

Janet E. Davis, R.N.

Ellen G. O'Neil, R.N.

CLASS MARSHALLS

Ann Stobbart and William Mahoney

SCHOLARSHIPS AND AWARDS

Graduation Exercises were held at the new Sandwich High School on June 4, 1976. During the ceremonies, 41 seniors divided in excess of \$20,000 in scholarships.

Diane M. Luciani, class valedictorian, received a Faunce Scholarship, a Sandwich High School Association Scholarship and one of the Mary Howland Wing Scholarships from the Sandwich Women's Club. In addition Diane was the recipient of the DAR Good Citizenship and DAR Medal for Excellence in History Awards.

Maria Cervantes, class salutatorian, received the Hannah B. Belcher Scholarship, a Sandwich High School Association Scholarship and a Sandwich Teachers Association Scholarship.

Class President, William J. Troyanos, Jr., was the recipient of a Sandwich High School Association Award and a Alvin W. Holway Scholarship.

Receiving Mary Baker Scholarships were: Christine A. Laffoon, Ann Marie Glynn, Kimberly A. Whitelaw, Timothy A. Birch, Paul S. Titcomb and James L. Watson III.

Laurie M. Meeks and Pamela A. Taylor received Scholarships from the Sandwich Health Association and the Elizabeth T. Van Buskirk Memorial Scholarship Fund.

George S. Wing Scholarships were awarded to John J. Hendy, Jane L. Cornelius and Lucinda M. Yates.

Sandwich Men's Club Scholarships were awarded to Winifred A. Earle, Margaret Mary O'Brien and Cynthia E. Brown.

The 1st Annual Pagani Bros. Construction Co. Inc. scholarships were awarded to Michael A. Jones and Phillip J. Oliver.

Other students receiving awards were: Charles A. Bess - the Hyannis B.P.O.E. Award, Peter S. Thomas - the Floyd J. Folmsbee Award, George A. Stanley, Jr. - Sandwich Lion's Club, Cathy A. Lastih - Sandwich Lion's Club and Sandwich Men's Club Scholarships, Kristin L. Peterson - Cape Cod Bank & Trust Award, Marcina M. Bethel - Bishop Daniel F. Feehan, Council Knights of Columbus Scholarship, Bruce C. Stein was awarded an Alvin W. Holway Scholarship.

William Harrison Scholarships were awarded to Martha E. Gallant and Kimberley A. Hughes.

Maura A. Hamlen received a Mary Baker Scholarship and a Sandwich Men's Club Scholarship.

Mary Ellen Walsh received a Mary Baker Scholarship and a Chamberlain Scholarship.

Sally Winings was awarded the Mary Baker Scholarship and the Thornton W. Burgess Scholarship.

Mary Guillemette received a Faunce Scholarship, a Mary Howland Wing Scholarship given by the Sandwich Women's Club, and the Muriel S. Torrey Award for Community Service.

Other seniors receiving Scholarships were: Michele McNamara - a George S. Wing Scholarship and the John F. Clayton Scholarship, Karl Uggerholt - Faunce Scholarship and a George S. Wing Scholarship, Matthew Mahoney - Faunce Scholarship and a Sandwich High School Association Scholarship, James K. Miller - Sandwich Teachers Association and Wareham B.P.O.E. Scholarships, Thomas W. Hutcheson - Mary Baker Scholarship and Sandwich Band Boosters Award, Teresa A. White - Mary Baker Scholarship and Police Wives Association Award, Andrew Gelson - Sandwich Junior Women's Club Scholarship and the Bausch and Lomb Science Award, Jeffrey L. Green - The David W. Allen Jr. Memorial Scholarship Award, E. David Finerty - the James H. Sibson Athletic Award, Wayne L. Burke - Certificate of Merit from the National Merit Scholarship Program, Donna Matchett - the Harold Irving Smith Scholarship, the Sandwich Arts and Crafts Association Award and the Bourne-Wareham Art Association Scholarship.

Laura Pell received the Harvard Prize Book Award given to an outstanding Junior by the Cape Cod Harvard Club.

GRADUATES ANNOUNCE FUTURE PLANS

The 98 members of the senior class at Sandwich High School are anticipating entry into a variety of

careers following their June 4th graduation. For many, this will involve further education.

A large number of the class will enter Cape Cod Community College in the fall: Patricia Armstrong, Mark S. Bridges, Pamela M. Freeman, Donna M. Hamblin, Debra A. King, Christine A. Laffoon, Cathy A. Lastih, Robert Lehner, Bernard G. Linehan, Laurie M. Meeks, Candice M. Melvin, Kristin L. Peterson, Joanne Quinn, Janet C. Scovill, George A. Stanley, Jr., Rebecca S. Terry, Mary Ellen Walsh, Michael J. Willette, Shauna M. Wood and Karen L. Zinkargue.

The following students, having completed their formal education, will begin working in various careers: Norman R. Anderson, Robert B. Anderson, Ronald A. Brun, David M. Burke, David L. Cullen, Michael S. Donovan, Beverly S. Drummond, David C. Erickson, Daniel T. Gilfoy, Linda D. Hughes, Gregory B. Kull, John Latimer, Mark A. Martin, Cynthia A. McFarland, Pamela A. McMahon, Debra A. Merriam, Carol J. O'Connell, Frances A. Russell, Cynthia A. Sprague, Ronald W. Thibideau, II, Scott A. Torrey, Debra A. Wallace and Michael K. O'Connell. Many of these students were involved in various co-operative work study programs leading to their specific career.

Two Sandwich High School students plan to enter Massachusetts Maritime Academy. They are E. David Finerty, and James L. Watson, III.

Entering branches of the military services are: John H. Cropper - Marine Corps, Mark W. Doyle - Air Force, Dana M. Freitas - Air Force, Scott A. Morris - Army, Kyle Murphy - Coast Guard, Christine E. Smith - Army-Air Reserve.

Michael A. Jones will attend Southeastern Mass. University. Other students enrolling in Massachusetts State Colleges include: Kimberley A. Hughes and Philip J. Oliver at North Adams State College, Margaret M. O'Brien at Greenfield Community College and Donna M. Gironda at Massasoit Community College.

The University of Massachusetts at Amherst will claim six students from this year's graduating class:

Marcina M. Bethal, Maura A. Hamlen, Thomas W. Hutcheson, Frank E. Kosarick, Bonnie M. Palmer and Kimberly A. Whitelaw.

The following students will be attending colleges in the New England region: Charles A. Bess - Unity College, Maria J. Cervantes - Smith College, Jane L. Cornelius - University of Connecticut, Winifred A. Earle - Dean Junior College, Andrew Gelson and Teresa A. White - Boston College, Debra A. Geltz - Shallow Brook Equestrian Center, Lynn Gourley - University of New Hampshire (Thompson School), Jeff Green - Johnson & Wales, Mary Guillemette and Matthew Mahoney - College of the Holy Cross, Herbert C. Hamlen - Johnson State College, Charlene R. Johnson - Aquinas Junior College, Diana V. Lewis - Anna Maria College, Diana M. Luciani - Wellesley College, Donna Matchett - Swain School of Design, Michelle McNamara - Assumption College, James K. Miller - Stonehill College, Nancy J. O'Hara - University of Miami, Russell A. Schmelzer III - Thomas College, Bruce C. Stein - Clark University, Pamela A. Taylor - Norwich University, Peter S. Thomas - University of Maine at Farmington, Karl Uggerholt - Babson College, Sally E. Winings - Connecticut College and John J. Hendy - Choate School.

Some of our graduates have chosen to attend school outside the New England region: Timothy A. Birch - Muhlenberg College, (Allentown, Penn.), Cynthia E. Brown - Hunter College (N.Y.C., New York), Wayne L. Burke - Clarkson College of Technology, (Potsdam, New York), Christopher M. DiPrete - George Washington University (Washington, D.C.), Martha E. Gallant - Southern Seminary Jr. College (Virginia), Ann Marie Glynn - LeHigh University, (Bethlehem, Penn.), Paul S. Titcomb - University of Colorado, (Boulder, Colo.), William J. Troyanos, Jr. - Culinary Arts Institute of America, (Hyde Park, New York) and Lucinda M. Yates - Texas Women's University, (Denton, Texas).

Boel Hanson, a foreign student from Sweden, will be returning to her homeland to attend Hvitfeldtska.

Wire Inspector 1960-1977

SCHEDULE OF MEETINGS

Listed below are the scheduled meetings of
TOWN ORGANIZATIONS

BOARD OF SELECTMEN

10:00 A.M. - Town Hall
Each Tuesday

APPEALS BOARD

Town Conf. Rm. at H.T. Wing School
7:30 P.M.
2nd and 4th Tuesday - (If Hearing Scheduled)

RECREATION COMMITTEE

7:30 P.M. - Town Hall
1st Monday each Month

BOARD OF HEALTH

7:30 P.M. - Town Hall
1st Tuesday each Month

CONSERVATION COMMISSION

Town Conf. Rm. at H.T. Wing School
4th Wednesday each Month - 7:30 P.M.

FIRE ENGINEERS

Cape & Island Insurance Office
1st Tuesday each Month - 7:30 P.M.

SANDWICH HISTORIC DISTRICT COMMITTEE

Town Conf. Rm. at H.T. Wing School
1st and 3rd Tuesday each Month - 7:30 P.M.

SANDWICH NURSING AGENCY

PROFESSIONAL ADVISORY BOARD

Public Health Office
1st Wednesday, March, June, Sept., Dec.
8:00 P.M.

PLANNING BOARD

Town Conf. Rm. at H.T. Wing School
1st and 3rd Wednesday each Month - 7:30 P.M.

SCHOOL COMMITTEE

Conf. Rm. at H.T. Wing School
4th Wednesday each Month - 7:30 P.M.

TRUSTEES-CLARK-HADDAD BLDG.

Clark-Haddad Bldg.
3rd Friday each Month - 7:30 P.M.

SIGN CODE BOARD OF APPEALS

1st and 3rd Tuesday each Month
7:30 P.M.

When planning a special meeting, the above schedule should be consulted to avoid confusion.

Report of the SELECTMEN

In presenting the Selectmen's Annual Report, we wish to remind you that the report is for the calendar year of 1977. The fiscal reports for all the departments and committees are presented to you for the period July 1, 1976 through June 30, 1977.

This year a vacancy on the Board again became apparent upon the resignation of Mr. Benjamin D. Fleet, Chairman of the Board. We wish to express our appreciation to Mr. Fleet for his contributions to the Town as a member of the Board and as Chairman. John Louis Roberti became Chairman of the Board and H. Eugene Carr continued as Chairman of the Board of Assessors. The Special Election held July 21, 1977 again brought the Board back to three members with David P. Persson elected to the unexpired term of Mr. Fleet. Again the Board reorganized with John Louis Roberti as Chairman of Selectmen, H. Eugene Carr as Chairman of Assessors and David P. Persson as Clerk of the Selectmen.

With the absence of one member for a portion of the year, and in a year in which the Town implemented the State-mandated 100% evaluation of all town properties, it certainly increased greatly the activity and work of the Selectmen and Assessors.

This year the Town of Sandwich was fortunate in receiving a large federal grant. A grant for \$479,000. from the Economic Development Administration (E.D.A.) a Public Works program. \$103,000.00 was allocated to the Water District and \$376,000.00 was allocated for Town projects. Although previous applications for grant money had been made, the funds came unexpectedly and on extremely short notice for planning and implementing a grant of this magnitude. Owing to this short period of time, and the rapidly approaching deadline caused the projects to be limited. We were fortunate in being able to design an acceptable plan to develop the recently acquired land as a town-owned cemetery. A Special Town Meeting was held and approved the use of the grant

money for this purpose. The acceptance of the grant funds also brought with it a multitude of Federal regulations, procedures and red tape not quite familiar to our system of government. In spite of this, and the early cold winter weather, progress is going very well.

The second Special Town Meeting held on December 5, 1977, approved the expenditure of \$83,505.00 of anti-recession monies. It gave us the opportunity to do some much-needed maintenance and repair work on the Town Hall, the Dunbar House, the Grist Mill, the Town Barn and some work on the 1927 section of the H.T. Wing School. It also gave us money to correct some drainage problems in several areas of town.

This year we have implemented Tuesday morning open meetings. These meetings with participation from both citizens and the press have been extremely informative for both the community and our Board. We wish to express our deep appreciation to the press and radio media for their fair and informative coverage of the meetings. We hope that as soon as we have more room in Town Hall, that more people will take advantage of the meetings.

Quaker Meeting House Road between Route 130 and Cotuit Road was completed this year under Chapter 90. The remaining section of Quaker Meeting House Road from Cotuit to Mill Road will be done this year. The channelization of traffic at the intersection of Tupper Road and Route 6A is scheduled for the Fall of 1978.

This past year we have been able to obtain numerous employees made available to us through the CETA Program. These men have been placed in various departments in the Town and have helped to accomplish a great deal of work at no cost to the Town.

This year the historical event of the year was the 75th anniversary of the Wing Family of America, which featured the butter parade ceremony at Town Hall Square in June.

The Selectmen continued throughout the year to hold open public meetings on the Sewage Report and to obtain public input. This is an ongoing process as the sewage problem must be resolved.

The increases in population and demands upon services, in particular upon our school, police and fire departments has caused deep concern on our Board as to how to stabilize a reasonable tax rate. The ever-increasing problem of inflation and the request for these increased services, constitutes a real problem for any Board of Selectmen.

The Annual Town Meeting last year voted to purchase the Sandwich Cooperative Bank for use as additional space for Town municipal departments. The Town purchase will take place after the bank personnel and equipment move to their new building. Planning arrangement for the additional space is being done, but the actual moving of personnel will

not take place until after this year's Annual Town Meeting. We realize that in some instances there will be some inconveniences to the public, but we will try to make the transition as smoothly as possible with the least inconvenience to all.

We are taking active part in regional program issues. We are represented on the Cape Cod Planning & Economic Development Commission, Growth Policy Committee, 208 Water Waste Management, Coastal Zone Management, Regional Transportation studies and others that we feel representation and input from Sandwich is required.

In closing this report, the Selectmen wish to indicate their appreciation to the citizens of Sandwich for their confidence this past year. We wish to acknowledge our sincere appreciation to the elected and appointed officials who have worked on many boards, commissions and committees. Their long and devoted work has been a great asset to the Town of Sandwich.

Respectfully submitted,

BOARD OF SELECTMEN

*J. Louis Roberti, Chairman
H. Eugene Carr
David P. Persson*

Report of the BOARD OF ASSESSORS

As a result of the state-mandated revaluation of the town, our assessed value increased from \$191 million to \$344.5 million. This resulted in a decrease in the tax rate to \$14.00 per thousand.

A check of the ratio between sales price and assessed value for the period January 1, 1977 to December 31, 1977 shows the town to be assessed at 97.2% of market value. We feel this accomplishes the mandate given by the Superior Court in the Town of Sudbury case, and will allow the town a number of years respite before any further revaluation need be considered.

It is too early to predict the tax rate for next year. Although tax receipts will increase \$140,000. - \$180,000., based on new construction completed during 1977, increased budget requests now being considered more than offset this amount.

Respectfully submitted,

BOARD OF ASSESSORS

*H. Eugene Carr, Chairman
J. Louis Roberti
David P. Persson*

Report of the

TOWN ACCOUNTANT

To the Honorable Board of Selectmen,

In accordance with Chapter 41, Section 61 of the General Laws, I herewith submit my sixth annual report covering the fiscal period July 1, 1976 to June 30, 1977.

My sincere thanks to the Selectmen, Department Heads and Town Employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon
Town Accountant

Report of the TOWN CLERK ANNUAL TOWN MEETING

Monday, May 2, 1977

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. William A. Bullock, in the new Junior-Senior High School.

Mr. Benjamin Fleet, Chairman of the Board of Selectmen, offered the following Resolution:

WHEREAS Mr. Carl H. Hiler served this Town of Sandwich as a Selectman/Assessor from the year 1967 to the year 1976;

AND

WHEREAS Mr. Carl H. Hiler served this Town of Sandwich as Chairman of the Board of Selectmen from the year 1968 to the year 1976;

AND

WHEREAS Mr. Carl H. Hiler served this Town of Sandwich as Town Accountant from the year 1954 to the year 1967;

AND

WHEREAS Mr. Carl H. Hiler served this Town of Sandwich as Town Moderator from the year 1949 to the year 1967;

AND

WHEREAS Mr. Carl H. Hiler served this Town of Sandwich as Treasurer of the Sandwich Water District from the year 1955 to the year 1976;

AND

WHEREAS Mr. Carl H. Hiler departed this life and this Town of Sandwich on October 9, 1976.

BE IT RESOLVED

That this 1977 Annual Town Meeting be dedicated to the memory of Mr. Carl H. Hiler and that in consent to this Resolution this Assembly shall stand for a few moments of silent memory, to be followed by the Invocation for this Town Meeting, to be spoken by the Reverend John Thomas.

Following the invocation, the Moderator appointed tellers: James Sibson, Edgar Caron, Jean Richards and Stanley Torrey.

The Finance Committee was introduced by the Chairman, Mr. Clifford Nelson: Robert H. Johnson, C. Ruggles Smith, Kenneth N.S. Ferguson and Francis X. Martin.

It was unanimously voted that the complete reading of the Warrant be dispensed with.

ARTICLE 1 - To hear the reports of all Town Officers and committees and to act thereon, or take any action relative thereto.

Unanimously Voted - That the Reports of the Town Officers, Boards and Departments be accepted as printed in the 1976 Annual Town Report, subject to errors in printing.

Mrs. Karen Atwood moved that the rules of the meeting be suspended so that a resolution might be introduced. Carried by hand vote 584 yes, 171 no.

Mrs. Atwood then introduced the following resolution:

Mr. Moderator:

I moved that it be resolved:

We, Citizens of Sandwich, who are distressed over the inequities in the Revaluation of all Real Estate as appraised by the Clemminshaw Company and compiled and reported by the Board of Assessors:

who are in great concern for the effects of the Revaluation on the welfare of individual citizens of Sandwich;

who are apprehensive of the pressures this Revaluation puts upon property sales, open land development, and more rapid growth in Sandwich;

who find in other maybe several and serious ways this Revaluation contrary to the public interest of Sandwich;

DO URGE AND INSIST THAT the Board of Assessors of Sandwich do not accept the appraisals of the Clemminshaw Company and do not adopt or institute this Revaluation of all Real Estate in Sandwich.

This was carried. The Moderator noted that it was a non-binding resolution.

ARTICLE 2 - To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1977, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Unanimously Voted - Article 2 was unanimously voted as printed in the Warrant.

ARTICLE 3 - To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages to property that may be incurred by work to be performed by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a public beach, (including the Merrimack and Connecticut Rivers), in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Unanimously Voted - Article 3 was unanimously voted as printed in the Warrant.

ARTICLE 4 - To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

It was moved and seconded that the salaries of the elected Town Officials for the fiscal year beginning July 1, 1977 be as follows:

Chairman of Selectmen	\$14,000.00	
Two Selectmen	13,000.00	each
Assessors (3)	1,800.00	each
Treasurer	5,100.00	
Tax Collector	8,200.00	
Town Clerk	6,200.00	
Highway Surveyor	15,644.00	
Tree Warden	3,000.00	
Board of Health		
Chairman	738.00	
Vice-Chairman	685.00	
Clerk	685.00	

Mr. Carlo Pola moved the following amendment:

I move to amend Article 4 to delete the recommended 1978 salaries of Chairman of Selectmen, Selectmen and Assessors, to maintain the 1977 salaries of the Chairman of Selectmen, the Selectmen and the Assessors and refer those salary schedules to a committee appointed by the Moderator; said committee to report back at a future Town Meeting.

This amendment was amended by Mr. William Richards and was accepted by Mr. Pola as follows:

To delete the salaries of Chairman of Selectmen, Selectmen (2), Assessors (3) as given in the amendment and to substitute the following:

Chairman of Selectmen	\$ 8,980.00	
Selectmen (2)	8,900.00	each
Assessors (3)	1,000.00	each

The amendment, as amended, was carried by hand vote 560 yes, 229 no.

Voted - That the salaries of the elected Town Officials for the fiscal year beginning July 1, 1977 be as follows:

Chairman of Selectmen	\$ 8,980.00	
Selectmen (2)	8,980.00	each
Assessors (3)	1,000.00	each
Treasurer	5,100.00	
Tax Collector	8,200.00	
Town Clerk	6,200.00	
Highway Surveyor	15,644.00	
Tree Warden	3,000.00	
Board of Health		
Chairman	738.00	
Vice-Chairman	685.00	
Clerk	685.00	

and refer the salary schedules of the Selectmen and Assessors to a committee appointed by the Moderator, said committee to report back at a future town meeting.

ARTICLE 5 - To hear the report of the Finance Committee and to raise and appropriate monies as may be needed to defray Town expenses for the Fiscal Year July 1, 1977 to June 30, 1978, or do anything relative thereto.

	Total Debt Payments	780,000.00	880,000.00
	Total Budget	\$ 5,508,554.42	\$ 6,176,317.76

Unanimously Voted - That the Town raise and appro-

priate \$6,176,317.76 for the budget for Fiscal Year 1978, divided among the respective accounts, as printed in the Warrant for FY 1978 under Article 5.

ARTICLE 6 - To see if the Town will vote to accept Section 100 i of Chapter 41 of the General Laws which provides that the Town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense including reasonable legal fees and costs, if any, in an amount not to exceed one million dollars, arising out of any claim, demand, suit or judgment by reason of any act or omission including a violation of the civil rights of any person under any federal law, if the official at the time of such act or omission was acting within the scope of his official duties or employment.

Unanimously Voted - That the Town accept Section 100 i of Chapter 41 of the General Laws as printed in the 1977 Annual Town Meeting Warrant.

ARTICLE 7 - To see if the Town will authorize the Board of Selectmen to appoint a committee of five (5) and to authorize that committee to hire an architect to design plans for a new Town Office Building to be located on town owned land on Quaker Meeting House Road, shown as Lots C3 and K3 on Assessors Maps 54 and 58 and to transfer from available funds a sum of money for said purpose and to report to a future Town Meeting, or do anything relative thereto.

Mr. Fleet moved that Article 7 be amended by deleting the phrase "to be located on town owned land on Quaker Meeting House Road, shown as Lots C3 and K3 on Assessors Maps 54 and 58," and to add the phrase after the words "future Town Meeting," "with architectural plans and location recommendations." The amended Article would read as follows:

Move that the Town authorize the Board of Selectmen to appoint a committee of five (5); to authorize that committee to hire an architect to design plans for a new Town Office Building, to instruct the Committee to report to a future Town Meeting with architectural plans and location recommendations, and that \$10,000.00 be transferred from Surplus Revenue for the use of said Committee.

Mrs. Cross moved that Articles 7, 8 and 9 be discussed before voting on any one of the three articles. This motion was declared carried by the Moderator.

Mr. Fleet's amendment was then voted 365 Yes, 352 No. Amendment carried.

Mrs. MacClean moved to limit the discussion on each article to 10 minutes. The vote on this was 420 yes and 380 no and was declared not carried since a 2/3 vote was required.

There followed extensive discussion on Articles 7, 8 and 9.

Voted - Article 7 was then voted as amended and declared Not Carried by the Moderator.

ARTICLE 8 - To see if the Town will direct the Board of Selectmen to acquire by purchase the Sandwich Cooperative Bank building and property located on Main Street and shown on assessors map #6, parcels C7 and C9, consisting of the building to be used for accessory town offices with the particular intent of freeing the limited space of Town Hall for use by the principal officials of the Town, and to raise and appropriate or transfer from available funds the amount of \$139,000.00 or do anything relative thereto. (By Petition).

Article 8 was moved and seconded as printed in the Warrant with the final phrase "and to transfer from the Stabilization Fund \$139,000.00 for said purpose."

Mr. Taylor moved to amend Article 8 by adding after "principal officials of the Town"; provided that the Sandwich Co-operative Bank will provide the right of way over lands now or formerly of Thomas, that are presently held by said Sandwich Co-operative Bank.

The amendment was accepted by Mr. David Allen who moved the article originally.

Voted - That the Town direct the Board of Selectmen to acquire by purchase the Sandwich Co-operative Bank Building and property located on Main Street and shown on Assessors Map 6, parcels C7 and C9, consisting of the building to be used for accessory town offices with the particular intent of freeing the limited space of Town Hall for use by the principal officials of the Town, provided that the Sandwich Co-operative Bank will provide the right of way, over lands now or formerly of Thomas, that are presently held by said Co-operative Bank, and to transfer from the Stabilization Fund \$139,000.00 for said purpose. This was a hand vote; 578 Yes, 119 No. This vote was declared Carried by the Moderator and met the 2/3 requirement.

ARTICLE 9 - To see if the Town will authorize and direct the Selectmen forthwith: (1) to hire Bastille-Neiley, architects of Boston, Mass., to prepare construction documents for their two floor renovation proposal for Sandwich Town Hall dated April 1, 1976 designed in conjunction with the "Study of Town Hall, Sandwich, Mass., Bastille-Neiley, Boston, Mass." as accepted by the Town Hall Study Comm. on March 3, 1976 subject to refinement in construction drawings; (2) to invite and receive construction bids for two floor renovation; (3) to authorize construction of said two floor renovation provided the lowest acceptable bid is within the monies available, and to vote to raise and appropriate or transfer from available funds the amount of \$296,000.00 for said purposes or do anything relative thereto. (By Petition).

Mr. Rosenberg proposed an amendment to Article 9, Section (3) to authorize construction of said two floor renovation provided the lowest acceptable bid

is within monies available, and to vote to fund said project from funds of the Otis Trust in the amount of \$296,000.00 for said purposes or do anything relative thereto.

The amendment was accepted.

Mr. John Bonner made a motion that Article 9 be tabled. This was seconded, and the vote was 470 yes to 211 no. The Article was declared tabled.

At this point, 11:50 P.M., the meeting was adjourned to resume on Tuesday, May 3, at 7:30 P.M.

The meeting was reconvened at 7:30 P.M. on Tuesday, May 3, 1977.

Mrs. MacClean read the following resolution:

WHEREAS The Town of Mashpee has been sued by the Wampanoag Indian Tribe

AND

WHEREAS Due to the suit there is great financial trouble in the Town of Mashpee both for the Town and its citizens

AND

WHEREAS The Town of Mashpee is a bordering Town to the Town of Sandwich

RESOLVED That the citizens of Sandwich in Annual Town Meeting assembled - with charity to all - entreat - beg - command the Government of the Commonwealth of Massachusetts and its elected and appointed members, also the Government of the United States of America and its elected and appointed members, to proceed with great haste to settle this suit, hopefully before the close of the year of our Lord 1977.

Copies to be sent to the Governor, the President of the State Senate, The Majority and Minority Leaders of the State Senate, the President of the State House of Representatives and the Majority and Minority Leaders of the State House of Representatives. The President and Vice-President of the United States of America also the President of the United States Senate and its Majority and Minority Leaders. The Speaker of the U.S. House of Representatives and its Majority and Minority Leaders.

Dr. Rosser inquired what would be done concerning the non-binding resolution about the revaluation. The Moderator's decision was that any discussion of this was not within the scope of the Town Meeting.

ARTICLE 10 - To see if the Town will vote to establish an Archives and Historical Center, to be known as the Sandwich Archives and Historical Center, and to establish a committee of five residents of Sandwich to manage the affairs of the Center. The Center shall have as its purpose the bringing together and maintaining of the historical information pertaining to the Town of Sandwich and making such information available to the public.

The committee shall include a member of the Sandwich Library Trustees, a member of the Sandwich Historical Commission, a member of the Sandwich Historical Society, one member-at-large from the voters of the Town, and the Town Clerk of Sandwich. Each member shall serve for four years and shall be appointed by the Selectmen, their terms to begin on the July 1 following appointment. The first appointees following establishment of the Center shall be appointed one member for a one year term, one member for a two year term, one member for a three year term, and one member for a four year term. Thereafter, one member shall be appointed annually. The Committee members shall serve without pay. Vacancies shall be filled in accordance with the provisions of Chapter 41, Section 11, M.G.L.

Subject to the general laws of the Commonwealth of Massachusetts and consistent with the purposes for which the Center is created, the committee shall manage its own affairs, and act and amend its own bylaws, accept gifts subject to the provisions of Chapter 44, Section 53A, M.L.G., and select personnel; and see if the Town will vote to raise and appropriate a sum of money for the operation of the Center, or do anything relative thereto.

Mr. Russell A. Lovell, Jr. read the following report of the Study Committee for Town Archives and Historical Center.

The Town Archives and Historical Center Study Committee was appointed as a result of the following vote taken under Article 19 of the 1976 Annual Town Meeting:

Unanimously Voted - That the Town authorize the Board of Selectmen to appoint a committee of five (5) to examine the concept of a Town Archives and Historical Center with respect to space and staff requirements, the scope of collections to be formed, relations to public and private records, and the functions of the Center in serving the Town and those interested in its history, and to report its recommendations to the next Annual Town Meeting, said committee to consist of the Town Clerk, the Town's Head Librarian, or one designated by her, one member representative designated by the Sandwich Historical Commission, one member representative designated by the Sandwich Historical Society, and one member-at-large, and to raise and appropriate \$800.00 for the use of said committee. The committee has expended to date \$44.80.

The members appointed were: Sandwich Historical Society - Francis X. Martin; Sandwich Historical Commission - Russell A. Lovell, Jr.; Library - Louise I. Walker - Resigned. (Replaced by William R. Collins); Member-At-Large - James E. VanBuskirk; Town Clerk - Channing E. Hoxie.

The Committee studied the work of Archives Centers in a number of Massachusetts towns and paid a visit

to Danvers which has a noted Archives Center. We found that there was no set pattern of organization as to physical location or organization. The Danvers Center, for example, occupies the basement of the Historical Society on a rent-free basis, in exchange for care of books and documents. Its budget is part of the Library account. In other towns the pattern is different, but all have these common features:

1. Retention of specific town records and files whose protection for a period of years, or in perpetuity, is required by State Law.
2. Collections of books, documents, pictures and microfilm on Town history and local specialties.
3. Physical care and protection of the historic materials as to temperature, humidity, proper boxing and scientific care.
4. Highly organized listings of subjects covered for quick retrieval of information.
5. Space where interested persons can sit and study and make copies of information under controlled conditions.
6. Specific agreements for harmonious relations with the Library, the Historical Society, the Churches and other public or private societies that also have historic interests and collections.

The Study Committee concluded that as a concept Sandwich would benefit greatly from such a center because of our long and distinguished history and because detailed historic information is still hard to obtain, both by Town officials and by the public. The Study Committee, therefore, proposes the establishment of such a Center.

The purpose of the Center is to bring together under one department any and all historical information pertinent to the history of the Town and make such information available to the residents and visitors to the Town. Such information would include, but not be limited to, certain Town records or copies or indexes thereof, church records, cemetery records, genealogical records, any miscellaneous documents, pictures and manuscripts, and all or any papers, books, and other material of every nature and description germane to the history of Sandwich. The historical period to be covered would be unlimited in time and would include current records of Town information in general.

By the establishment of this Department, it is declared that it will in no way infringe upon the activities of any other Town department or private organization, and that it will exist in a spirit of cooperation with all other Town Departments or private organizations to attain the mutual goal of searching out, preserving and disseminating the history of the Town to all who may be interested, and that it will stand ready to assist any other Town Department.

The members of the Archives Committee would be

empowered to appoint personnel, including a Town Historian, prepare all budgets, formulate policies, and in general, manage all the affairs of the Center. They also would have authority to accept gifts of every nature and description on behalf of the Center, and to negotiate with State, Federal, or any other agencies, for grants that might be available from time to time, unless by operation of any regular or special law, State or Federal, this power is vested in some other Town Board. The Town Historian would receive such pay as is approved by the Committee within its annual appropriation, and, among other duties, would work on and prepare an updated history of the Town.

The initial work of this Department, as of July 1, 1977, would be dealing with Town records in Town Hall. In the longer range, the Center would involve space of its own for books and records, a vault, a study space and a meeting room. The Center would be located where it is easily accessible to the townspeople and to the visiting public.

This Article, as presented for your consideration, has been discussed with the Trustees of the Sandwich Public Library, The Sandwich Historical Commission, and the Trustees of the Sandwich Historical Society and meets with their approval.

The five members of the Study Committee concur in this report.

Voted - That the Town establish an Archives and Historical Center and authorize the Selectmen to appoint a committee of five residents of Sandwich to manage the affairs of the Center, as printed in the 1977 Annual Town Meeting Warrant and to raise and appropriate \$9,500.00 for said purpose. This was a voice vote and declared carried by the Moderator.

ARTICLE 11 - To see if the Town will vote to raise and appropriate a sum of money to reimburse Barnstable County for expenses incurred in connection to the matter of the layout, alteration, relocation or extension of Chase and Great Hill Roads as billed to the Town by the County Commissioners.

Unanimously Voted - That the Town raise and appropriate \$505.00 to reimburse Barnstable County to cover legal fees paid in connection with the County taking on Great Hill Road and Chase Road as billed to the Town by the County Commissioners.

ARTICLE 12 - To see if the Town will vote to transfer and appropriate the money from the Marina Income Account for the use of the operation, maintenance, repairs and Capital Outlay at the East Boat Basin Marina, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$13,818.94 from the Marina Income Account to a maintenance and capital outlay account.

and appropriate or transfer from available funds a sum of money to fund several social service organizations in the amounts listed below for services performed for, and on behalf of Sandwich residents, or do anything relative thereto.

Consumer Assistance Council	\$ 200.00
Cape Cod Committee on Alcoholism ...	1,125.00
RSVP	650.00
FISH	250.00
Cape Cod Mental Health Association ..	2,314.40
Cape Cod Family & Children's Serv. ...	500.00
Elder Services	500.00

Unanimously Voted - That the Town raise and appropriate \$5,539.40 to be divided among the various social service organizations as listed in the 1977 Annual Town Meeting Warrant.

ARTICLE 14 - To see if the Town will vote to authorize and instruct the Selectmen to appoint a Cemetery Committee of not more than five (5) members to study, set priorities and make recommendations to the Board of Selectmen for the development of the newly acquired Town Cemetery land on Route 130, and to report its recommendations to the next Annual Town Meeting, and to raise and appropriate a sum of money for the use of said committee or do anything relative thereto.

Voted - Article 14 was voted by hand vote: 230 Yes, 371 No. This Article was declared Not Carried by the Moderator.

ARTICLE 15 - To see if the Town will authorize the Board of Selectmen to subdivide the Dunbar property on Water Street into 2 lots, one of 34,227 sq. ft. including the Dunbar house and garage, the second to include the remaining area, these plans to be recorded with the Town Clerk, or do anything relative thereto.

Voted - Article 15 was voted as printed in the Warrant by voice vote and declared carried by the Moderator.

ARTICLE 16 - To see if the Town will authorize the Board of Selectmen to offer for sale, enter into an agreement of sale and issue the deed of sale for the Dunbar House and garage sitting on 34,227 sq. ft. of land per plan drawn by William Taylor, Town Engineer and recorded with the Town Clerk subject to the following provisions, or do anything relative thereto.

1. The house and garage shall be maintained for the residential purposes only for which normally a house and garage are used.
2. The property will not be used for the wholesale or retail sale of home industry products or for any other commercial activity.
3. No agreement of sale shall be signed by the

Board of Selectmen which offers less than \$80,000.00 to the Town of Sandwich.

4. All costs arising from the sale of this property shall be paid by the buyer.

Voted - Article 16 was Indefinitely Postponed.

ARTICLE 17 - To see if the Town will vote to adopt the following Town Bylaw as Section 7 of Article XII of the Bylaws of the Town of Sandwich, or do anything relative thereto.

Every person who engages in a temporary or a transient business selling goods, wares, periodicals, or merchandise or who goes door-to-door for any commercial selling purposes, either as a principal or agent, shall, before commencing business in the Town of Sandwich, make written application, under oath, for a license to the Chief of Police stating his or her name and address, the name and address of the owner or parties in whose interest said business is to be conducted, their business address, and a brief description of the business he wishes to conduct in Sandwich. He shall permit the Police Department to photograph him and to take his fingerprints for the purpose of identification.

No later than one week after the filing of such application, the Chief shall issue him a license, provided he shows evidence of good character. The license shall be a license in the form of a badge authorizing him to do the business described in his application subject to the Bylaws of the Town of Sandwich and the laws of the Commonwealth of Massachusetts. The fee for such a license shall be five dollars. It shall expire one year from the date thereof or on the day of its surrender or of the filing of an affidavit of its loss if it is earlier surrendered, or if such affidavit is earlier filed.

Such license shall be affixed in a prominent place to the outer garment of each licensee whenever he or she shall be engaged in such business so that it may be seen by all prospective customers.

It shall be unlawful to engage in any of the hereinabove enumerated businesses except in compliance hereof.

Failure so to display the license shall be punishable to revocation thereof.

The provisions of this section shall not apply to any person conducting a "garage sale" nor to any person who goes door-to-door to sell goods, wares, periodicals, or merchandise on behalf of any group organization for any of the purposes described in G.L. Chapter 180, Section 2.

Unanimously Voted - Article 17 was Unanimously Voted as printed in the Warrant.

ARTICLE 18 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of

money to be made available as needed to cover the cost of the purchase of police cruisers for the Police Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$10,500.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to be available as needed for the purchase, with the approval of the Selectmen, for replacement of Police Cruisers for the Police Department.

ARTICLE 19 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money to a Reserve Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$50,000.00 from Surplus Revenue for a Reserve Account.

ARTICLE 20 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to repair and recondition the "Little Red Schoolhouse" on Route 130 in Forestdale, or do anything relative thereto.

Voted - That the Town transfer and appropriate \$7,500.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to be available to repair and recondition the "Little Red Schoolhouse" on Route 130 in Forestdale. This was a voice vote and declared carried by the Moderator.

ARTICLE 21 - To see if the Town will vote to transfer monies received or to be received from the Commonwealth under State-Aid to Highways Programs or from other available funds for the use for highway construction on Quaker Meeting House Road, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$15,000.00 and transfer \$17,907.76 received from the Commonwealth under State-Aid to Highways Programs for installing proper drainage and road construction according to State Aid Standards on Quaker Meeting House Road, and to acquire the necessary land or easements in land, by gift, purchase or eminent domain for such project.

ARTICLE 22 - To see if the Town will vote to raise and appropriate or transfer from available funds for the purpose of purchasing a parcel of land owned by Cape Holdings, Inc., adjacent to the Town's present holdings on Sandy Neck consisting of approximately nine acres of land with frontage on Cape Cod Bay, to be used for recreation and conservation, and further that the Conservation Commission be instructed to seek Bureau of Outdoor Recreation funding, and Self-Help funding to assist the Town in the purchase of the land, or do anything relative thereto.

A motion was made by Robert Jones to delete the word "recreation" so that it would read "for conser-

vation." This motion did not carry.
Considerable discussion of the article followed, and at two points, a motion was made and seconded to Indefinitely Postpone the Article. Both failed to be carried.

Voted - That the Town transfer and appropriate \$60,000.00 from the Revenue Sharing Fund on deposit in a special savings account to purchase a parcel of land owned by Cape Holdings, Inc., shown on Assessors Map 45 as Lot J11, adjacent to the Town's present holding on Sandy Neck, consisting of 9.1 acres of land, to be used for recreation and conservation, and further that the Conservation Commission seek Bureau of Outdoor and Self-Help funding. This was a voice vote and declared carried by the Moderator.

ARTICLE 23 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to hire a library expansion consultant to assist the librarian and library trustees in planning the most intensive and functional use of space in the Sandwich Public Library, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$1,000.00 for the Library Trustees to hire a Library Expansion Consultant for planning use of space in the Sandwich Public Library.

ARTICLE 24 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the renovation of the basement room adjacent to the furnace of the Sandwich Public Library, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$8,000.00 for the renovation of the basement room adjacent to the furnace in the Sandwich Public Library Building.

ARTICLE 25 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for highway work on Town roads in accordance with the following list, or do anything relative thereto.

Tupper Road	\$46,385.00
Harlow Road	39,970.00
Richards Way	8,500.00

Voted - That the Town transfer and appropriate \$94,855.00 from the Federal Anti-Recession Funds received and to be received, held on deposit in a special savings account for highway work on the following Town roads:

Tupper Road	\$46,385.00
Harlow Road	39,970.00
Richards Way	8,500.00

This was a voice vote and declared carried by the Moderator.

ARTICLE 26 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be made available as needed to purchase a new heavy duty truck for the Highway Department, or do anything relative thereto.

Voted - That the Town raise and appropriate \$35,000.00 for the purchase of a truck, sander and snowplow for the Highway Department. This was a voice vote and declared carried by the Moderator.

ARTICLE 27 - To see if the Town will advise the Board of Selectmen to cause the feasibility sewage update study being done by Weston & Sampson Engineers, Inc., to be completed in such form that the so-called larger district, including the East Sandwich areas known as North Shore Boulevard and Salt Marsh Road, be included in the recommendation, or do anything relative thereto.

Unanimously Defeated - Article 27 was Unanimously Defeated by voice vote.

ARTICLE 28 - To see if the Town will advise the Board of Selectmen to cause the feasibility sewage update study being done by Weston & Sampson Engineers, Inc., to be completed in such form that only the so-called smaller district including the historic older portion of Sandwich, West Sandwich, Town Neck, easterly to and including Charles Street, be included in the recommendation, or do anything relative thereto.

Mr. James Westfield made the following amendment:

To see if the Town will advise the Board of Selectmen to cause the feasibility sewage update study being done by Weston & Sampson Engineers, Inc. to be completed in such form that only the historic older portion of Sandwich, Town Neck, easterly to and including Charles Street, be included in the portion of town recommended for sewerage or do anything relative thereto.

This amendment was Not Carried.

Voted - That the Town authorize the Board of Selectmen to cause the feasibility sewage update study being done by Weston & Sampson Engineers, Inc. be completed in such form that only the so-called smaller district, including the historic older portion of Sandwich, West Sandwich, Town Neck easterly to and including Charles Street be included. This was a hand vote — 417 Yes and declared carried by the Moderator.

ARTICLE 29 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

Voted - That the Town raise and appropriate \$2,500.00 and transfer and appropriate \$6,000.00 from the Beach Sticker Account to an account for payment to the Town of Barnstable for beach and other recreational privileges of the Barnstable Sandy Neck area for residents and property owners of the Town of Sandwich and to authorize the Board of Selectmen to enter into such an agreement as might be required under Chapter 40, Section 4A of the Massachusetts General Laws. This was a voice vote and declared carried by the Moderator.

ARTICLE 30 - To see if the Town will vote to purchase a "mini-bus" for the use of the Council on Aging to provide transportation for our senior citizens and raise and appropriate or transfer from available funds a sum of money for this purpose, or do anything relative thereto. (*Request from Council on Aging*).

Unanimously Voted - It was Unanimously Voted to Table Article 30.

ARTICLE 31 - To see if the Town will vote to authorize the following question to be placed on the official Town of Sandwich ballot for May 1978, or do anything relative thereto.

Shall the Town vote to have its Selectmen appoint a Superintendent of Streets. Yes _____ No _____

Voted - Article 31 was voted Indefinitely Postponed. This was by voice vote and declared carried by the Moderator.

ARTICLE 32 - To see if the Town will vote to authorize the following question to be placed on the official Town of Sandwich ballot for May 1978, or do anything relative thereto.

Shall the Town vote to have its Selectmen appoint a Tree Warden. Yes _____ No _____

Voted - Article 32 was voted Indefinitely Postponed. This was by voice vote and declared carried by the Moderator.

ARTICLE 33 - To see if the Town will vote to amend Article 1, Section 5, of the Town Bylaws of the Town of Sandwich, Massachusetts, by striking the existing language thereof and substituting the following therefor:

At any Annual or Special Town Meeting, five percent (5%) of the registered voters shall constitute a quorum, and no business, other than adjournment, shall be transacted unless a quorum is present, or do anything relative thereto. (*By Petition*)

Unanimously Voted - Article 33 was Unanimously Voted as printed in the Warrant.

The meeting was adjourned at 11:00 P.M. to meet on Wednesday, May 4, 1977, at 7:30 P.M.

The first business of May 4, was a motion by Richard

Fox to reconsider Article 30. This was a hand vote 121 yes, 112 no.

Voted - That the Town raise and appropriate \$11,000.00 to purchase and operate a "Mini-bus" for the use of the Council on Aging to provide transportation for senior citizens. This was a hand vote; 193 yes, 125 no and declared carried by the Moderator.

Mrs. Wilharm made a motion to suspend the rules to reconsider Article 4. This was seconded and DEFEATED by hand vote; 142 yes, 171 no.

ARTICLE 34 - To see if the Town will vote to amend Article 1 of the Town of Sandwich Bylaws by adding another Section to be designated as Section 7 to read as follows:

All Annual or Special Town Meetings shall adjourn or be recessed, to a later date no later than eleven (11:00 P.M.) unless an earlier hour is voted, or do anything relative thereto. *(By Petition)*

Mr. Brownell made a motion to amend to read "No evening session at a Town Meeting shall continue after eleven (11:00 P.M.) except upon the affirmative vote of the majority of the Town Meeting members then present. This was seconded but was NOT CARRIED.

Voted - Article 34 was then voted as printed in the warrant and declared Not Carried by the Moderator. This was a voice vote.

ARTICLE 35 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to replace the copying machine in the Selectmens Office and to purchase new microfilming equipment for the Assessors Office, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$5,275.00 and transfer and appropriate \$5,425.00 from the Federal Anti-Recession Fund on deposit in a special savings account for the purchase of a copy machine and microfilming equipment for the Selectmen and Assessors Office.

ARTICLE 36 - To see if the Town will authorize the Board of Selectmen to appoint a committee of five (5), with a minimum of 2 members to be appointed from the School Committee to study the feasibility and cost of renovating the 1927 Henry T. Wing school building for school use, and report back to a future Town Meeting, and to raise and appropriate a sum of money for the use of said committee, or do anything relative thereto.

Mr. Stanley Torrey made a motion to amend the Article as follows:

To see if the Town will authorize the School Committee to study the feasibility and cost of renovating the 1927 Henry T. Wing School Building for school

use and to report back to a future Town Meeting, and that \$10,000.00 be transferred from Surplus Revenue for the use of said School Committee, or do anything relative thereto.

The Amendment was voted by Voice Vote and declared NOT CARRIED by the Moderator.

Voted - That the Town authorize the Board of Selectmen to appoint a committee of five (5), with a minimum of 2 members to be appointed from the School Committee, to study the feasibility and cost of renovating the 1927 Henry T. Wing School building for school use, and to report its recommendations to the next Annual Town Meeting, and to transfer \$10,000.00 from Surplus Revenue for the use of said committee.

ARTICLE 37 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for oil treatment of Town roads, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$30,000.00 from Surplus Revenue for the oiling of Town roads.

ARTICLE 38 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be paid to the Cape & Islands Emergency Medical Services System, Inc., for the Town share of a continuation of the paramedics training, staff coordination and public information costs, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$2,104.00 for the Town share of the operating costs of Emergency Medical Services System, Inc. in the training of paramedics.

ARTICLE 39 - To see if the Town will raise and appropriate or transfer from available funds a sum of money for expenses of the Growth Policy Committee, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$500.00 for the use of the Growth Policy Committee.

ARTICLE 40 - To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Town Hall Study Committee	\$1,193.00
School Traffic Signals	799.50
Road Takings:	
Deerwood, Lakewood, Pine Cone Drives, Kettle Drum Lane, Spectacle Road & section Herring Run	5.00
Richards & Roberts Way & Barbara Lane	5.00
Section Artisan Way	5.00
Gallo Road	5.00

Wilson Road	5.00
Tabor Road	5.00
	<hr/>
	\$2,022.50

Unanimously Voted - That the Town transfer the unexpended balances from special appropriations totaling \$2,022.50 as listed in the 1977 Annual Town Meeting Warrant to the Surplus Revenue Account.

ARTICLE 41 - To see if the Town will vote to transfer the parcel of land #97 as shown on plan of land dated September 11, 1975 as filed with Barnstable Registry Certificate No. 21283 to Mrs. Constance Crowell, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Selectmen to transfer the parcel of land, shown as Lot 97 on Land Court Plan 9565N filed with the Barnstable Registry of Deeds September 11, 1975, to Mrs. Constance Crowell.

ARTICLE 42 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase, with the approval of the Selectmen, a new Rescue Truck for the Fire Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$39,000.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to be available as needed, with the approval of the Selectmen, to purchase a new Rescue Truck for the Fire Department.

ARTICLE 43 - To see if the Town will vote to accept Chapter 40, Sec. 8G of the General Laws to allow the Town to enter into a mutual aid program with other Police Departments, or do anything relative thereto.

Unanimously Voted - That the Town accept Chapter 40, Section 8G of the Massachusetts General Laws allowing the Town to enter into a mutual aid program with other Police Departments.

ARTICLE 44 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by inserting in Article V in the proper place the definition of "bordering." Bordering - As defined under the Wetlands Act (G.L. Ch. 131, Sec. 40) shall include any land within either of the following:

- (a) 100 feet horizontally landward from the bank of any beach, dune, flat, marsh, meadow or swamp bordering the ocean, estuary, creek, river, stream, pond, lake, freshwater wetland or coastal wetland.
- (b) 100 feet horizontally landward from the water elevation of the 100-year storm or whatever is the greater distance of (a) or (b).

(Request of the Planning Board)

Unanimously Voted - Article 44 was Unanimously Voted as printed in the Warrant.

ARTICLE 45 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting Section 2540, and replacing it with the following, or act in relation thereto.

"2540. Multiple principal buildings are allowed on the same lot, but each must provide lot area, side yards and rear yards as required in Section 2600 Intensity of Use Schedule without counting any area twice. However, in districts where they are allowed, a single dwelling unit may be located within a structure, the principal use of which is non-residential, without requiring additional lot area or yards provided that it is granted a Special Permit by the Board of Appeals. Such Special Permit shall be granted only if parking is provided as if the dwelling floor area were devoted to the principal use, appropriate site provisions have been made for both residential and non-residential uses, and the criteria of Section 1330 have been met." *(Request of the Planning Board)*

Voted - Article 45 was Indefinitely Postponed.

ARTICLE 46 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by increasing the assumed area of unmarked parking spaces from 350 square feet to 450 square feet, revising in Article V the second sentence of the definition of "Parking Space" so that it reads: "Where spaces are not marked, each space shall be assumed to require 450 square feet, and where marked shall be 10' by 20'," or act in relation thereto. *(Request of the Planning Board)*

Indefinite Postponement was moved and seconded for this Article but did not carry.

Voted - Article 46 was voted by hand vote; 76 yes, 214 no. Article did not carry.

ARTICLE 47 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows, or act in relation thereto:

1. Revise the definition of structure in Article V so that it reads as follows:

"Structure - Anything constructed or erected, the use of which requires fixed location on the ground, or attachment to something located on the ground, including all buildings with floor area exceeding 75 sq. ft., mobile homes, billboards, swimming pools or tanks having capacity of 4,000 gallons or more, or the like, or part thereof; but not including smaller buildings, paving, usual lawn accessories, or fences or retaining walls of six feet in height or less."

2. Amend Section 3560 by replacing it with the following:

"3560. No sight-obstructing fence or wall shall exceed three feet in height within a required front

yard or exceed six feet in height within a required side or rear yard unless granted a Special Permit for an exception by the Board of Appeals. Such Special Permit shall be granted only upon the Board's determination that the increased height will not create hazard, unreasonably obstruct visibility from adjacent properties or habitable rooms in any dwelling, or create an unsightly departure from the character of the environs." (*Request of the Planning Board*)

Voted - Article 47 was voted as printed in the Warrant: 184 yes, 63 no. This was declared carried by the Moderator and met the 2/3 requirement.

ARTICLE 48 - To see if the town will vote to amend the Sandwich Zoning Bylaw as follows, or act in relation thereto:

- 1. Revise Section 2520 by deleting it and substituting the following:

"2520. No lot shall be changed in size or shape so as to result in a violation of Section 2600, if such alteration increases the number of actual or potential building lots."

- 2. Add the following sentence at the end of Section 2550:

"Legally existing non-conforming lots may be altered in size, shape, or number without losing this exemption, so long as the alteration does not increase the number of actual potential building lots." (*Request of the Planning Board*).

Unanimously Voted - Article 48 was Unanimously Voted as printed in the Warrant.

ARTICLE 49 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising Section 2600 as follows:

- 2. Revise Section 2600 by deleting the RD column and replacing it with the following:

	RD
Min. lot area (sq. ft.)	120,000
Min. lot frontage (ft.)	250
Min. front yard (ft.)	40
Min. side, rear yard (ft.)	40
Max. lot coverage (%)	10
Max. building height (ft.)	30

or act in relation thereto. (*Request of the Planning Board*)

Voted - Article 49 was voted by a hand vote; 146 yes, 154 no. This Article was declared Not Carried by the Moderator.

ARTICLE 50 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting 3520, and substituting the following:

"3520. All parking lots for commercial use must assure safe patterns of internal circulation of vehicular traffic. They shall have a buffer strip between the

street and the parking area consisting of a mixed planting of trees and shrubs with a minimum of one shade tree of at least 2" caliper for each ten cars. In addition, parking areas for more than ten cars shall have within the parking area one tree of at least 2" caliper, with shrubs at the base, for every ten cars. One half of these trees shall be shade trees. All trees and shrubs shall be protected from vehicular damage in curbed soil plots allowing not less than 40 square feet of unpaved soil area per tree.

A bond to be posted in the amount of \$50.00 per parking space shall be required if an occupancy permit is given in a season when the landscaping is not completed.

Plans for landscaping parking areas must be approved by the Planning Board.", or act in relation thereto. (*Request of the Planning Board*)

Voted - Article 50 was voted by hand vote; 160 yes, 131 no. This did not meet the 2/3 requirement and was declared Not Carried by the Moderator.

ARTICLE 51 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map (part 1) deleting from BL-1 District and placing in R-20 District an area of land bounded on the south by the present BL-1/R-20 boundary at Tyler Drive and Januit Street; on the north by a line 150 feet southerly of and parallel to the southern sideline of Route 6A; on the west by the eastern sideline of Campbell Street, and by the eastern sideline of lot D9-A on Sandwich Assessors' Map 1; and on the east by the westerly sideline of lot G-1 on Sandwich Assessors' Map 3; and (part 2) by placing in BL-1 District those portions of Lots G-1 and G-2 on Sandwich Assessors' Map 3 now in the R-20 District; or act in relation thereto. (*Request of the Planning Board*)

Mr. Bryden moved that Article 51 be amended by deleting the words "and (part 2) by placing in BL-1 District those portions of Lots G-1 and G-2 on Sandwich Assessors' Map 3 now in the R-20 District."

This amendment was Unanimously Voted by voice vote.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by amending the Zoning Map (Part 1) deleting from BL-1 District and placing in R-20 District an area of land bounded on the south by the present BL-1/R-20 boundary at Tyler Drive and Januit Street; on the north by a line 150 feet southerly of and parallel to the southern sideline of Route 6A; on the west by the eastern sideline of Campbell Street, and by the eastern sideline of Lot D9-A on Sandwich Assessors' Map 1; and on the east by the westerly sideline of Lot G-1 on Sandwich Assessors' Map 3.

ARTICLE 52 - To see if the Town will vote to amend

the Sandwich Sign Bylaw by deleting three (3) words, "Section 17 of" from Section 3, sub-section E. (*Request of the Planning Board*)

Unanimously Voted - Article 52 was Indefinitely Postponed.

ARTICLE 53 - To see if the Town will vote to amend the Sandwich Sign Code by striking the first sentence of Section 3(f) and substituting the following two sentences therefor:

"f) The Sign Code Board of Appeals shall be made up of five regular members and two alternates, appointed by the Selectmen as follows:

one member from a list submitted by the Sandwich Advisory Landscape Council;
one member from a list submitted by the Sandwich Business Association;
one member of the Planning Board;
two other residents of the Town as members, and two as alternates;

or act in relation thereto. (*Request of the Planning Board*)

Unanimously Voted - Article 53 was Unanimously Voted as printed in the Warrant.

ARTICLE 54 - To see if the Town will vote to amend the Sandwich Sign Code by inserting the following as the second sentence of Section 4, paragraph a:

"However, on premises having more than one hundred feet of frontage on a single street, additional sign area shall be allowed at the rate of 0.16 additional square feet of allowable sign area per additional linear foot of frontage, to a maximum sign area of 36 square feet." (*Request of the Planning Board*)

Mr. Paul White moved the following amendment:

"however, on premises having more than one hundred feet of frontage on a single street, additional sign area shall be allowed at the rate of 0.04 additional square feet of allowable sign area per additional linear foot of frontage to a maximum sign area of 20 square feet."

This amendment was voted by Voice Vote and declared CARRIED by the Moderator.

Voted - That the Town amend the Sandwich Sign Code by inserting as the second sentence of Section 4, paragraph a:

"However, on premises having more than one hundred feet of frontage on a single street, additional sign area shall be allowed at the rate of 0.04 additional square feet of allowable sign area per additional linear foot of frontage, to a maximum sign area of 20 square feet."

This was a voice vote and declared Carried by the Moderator.

ARTICLE 55 - To see if the Town will vote to make the act of water skiing or the act of towing a water skier upon the waters of Lawrence Pond an illegal act, or do anything relative thereto.

Voted - This Article was voted by voice vote and declared NOT CARRIED by the Moderator.

ARTICLE 56 - To see if the Town will vote to transfer and appropriate the 1976 income from the Hoxie House and Grist Mill for the operation and maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$3,000.00 and transfer and appropriate \$20,920.63 from the Hoxie House and Grist Mill Income Account to an account for the operation and maintenance of the Hoxie House and Grist Mill.

ARTICLE 57 - To see if the Town will vote to transfer and appropriate the money received from the Dog Fund in 1976 to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$2,905.83 received from the 1976 County Dog Fund to the Library Appropriation Account.

ARTICLE 58 - To see if the Town will vote to transfer and appropriate the money received from the State Public Library Aid Account to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$1,964.63 received from the State Public Library Aid Fund to the Library Appropriation Account.

ARTICLE 59 - To see if the Town will raise and appropriate or transfer from available funds a sum of money for a crane-lift to be mounted on the Tree Warden's truck for the purpose of lifting equipment and sections of trees being cut and removed, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$7,600.00 for the purchase of a crane-lift for the Tree Warden's Department.

ARTICLE 60 - To see if the Town will vote to accept the provisions of Chapter 90, Section 20C of the General Laws, regarding the non-criminal disposition of parking violations, or do anything relative thereto.

Voted - That the Town accept the provisions of Chapter 90, Section 20C of the Massachusetts General Laws, regarding the non-criminal disposition of parking violations. This was a voice vote and declared carried by the Moderator.

ARTICLE 61 - To see if the Town will vote to raise

and appropriate or transfer from available funds a sum of money for the construction of a boathouse at the Wakeby Holly Sanctuary and Recreation Area (Ryder Property) and further that the Conservation Commission be instructed to request the Bureau of Outdoor Recreation of the U.S. Government to contribute funding under its BOR funding, or do anything relative thereto.

Voted - That the Town raise and appropriate \$6,000.00 for the Conservation Commission to construct a boathouse at the Town Recreation Area located on Wakeby Pond and authorize the Conservation Commission to seek funding and/or reimbursement from the Bureau of Outdoor Recreation for this project. This was a voice vote and declared carried by the Moderator.

ARTICLE 62 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program, or do anything relative thereto.

Voted - That the Town raise and appropriate \$40,000.00 and transfer and appropriate \$14,611.00 from the Community School Income Account to an operating account for the Community School Program. This was a voice vote and declared carried by the Moderator.

ARTICLE 63 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of interest on loans.

Unanimously Voted - That the Town transfer and appropriate \$203,090.00 from Surplus Revenue and transfer and appropriate \$537,500.00 from the Otis Trust Fund for the payment of interest on loans.

ARTICLE 64 - To see if the Town will raise and appropriate or transfer from available funds a sum of money to assist the Cape Cod & Islands Child Development Program, Inc. in their Head Start Program.

Unanimously Voted - That the Town raise and appropriate \$884.52 for the Cape Cod & Islands Child Development Program, Inc. for use in their Head Start Program.

ARTICLE 65 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase Lot #M2 on Assessors Map #30, a piece of land of 17,350 sq. ft. bounded by Route 6A, Quaker Meeting House Road and Spring Hill Beach Road, from Mrs. Hildegard H. VonLaue, for the purpose of establishing a Town Park area, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Selectmen to purchase a parcel of land shown on Assessors Map 30 as Lot M2 bounded by Route 6A, Quaker Meeting House Road and Spring Hill Road, consisting of 17,350 sq. ft. from Mrs. Hildegard H.

Von Laue to be used for a Town Park area, and to raise and appropriate \$3,500.00 for said purpose.

ARTICLE 66 - To see if the Town will accept the layout of Jennifer Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Jennifer Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 67 - To see if the Town will accept the layout of Meredith Road and Emerald Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and March 1977 respectively and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Meredith Road and Emerald Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and March 1977 respectively and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 68 - To see if the Town will accept the layout of Shore Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Voted - Article 68 was Indefinitely Postponed. This was by voice vote and declared carried by the Moderator.

ARTICLE 69 - To see if the Town will accept the layout of Guild Road as laid out and recommended by

the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 69 was Indefinitely Postponed.

ARTICLE 70 - To see if the Town will accept the layout of Salt Kettle Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Salt Kettle Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 71 - To see if the Town will accept the layout of Wellington Circle as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Wellington Circle as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1975 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town, such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 72 - To see if the Town will accept the layout of Andrea Way and Arline Path as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout

of Andrea Way and Arline Path as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 73 - To see if the Town will accept the layout of Lands End Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase, or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town accept the layout of Lands End Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose. This was by voice vote and declared carried by the Moderator.

ARTICLE 74 - To see if the Town will accept the layout of Powderhorn Way, Settlers Path, Old Fields Road and Hunters Trail as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and March 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Powderhorn Way, Settlers Path, Old Fields Road and Hunters Trail as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1977 and March 1977 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 75 - To see if the Town will vote to raise and appropriate or transfer from available funds an amount necessary to pay members of the Sandwich Police and Fire Departments retroactive salaries for cost of living adjustments, allowed by contract agreements, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$20,000.00 from the Federal Anti-Re-

cession Fund on deposit in a special savings account for payment of retroactive salary cost-of-living adjustments for members of the Sandwich Police and Fire Departments.

ARTICLE 76 - To see if the Town will authorize the Board of Selectmen to grant the Sandwich Water District an easement over town-owned land on Water Street along the edge of the Town Barn property, said easement to be used for the purpose of laying a water main connecting presently existing water mains, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Board of Selectmen to grant the Sandwich Water District an easement over town-owned land on Water Street along the edge of the Town Barn property, said easement to be used for the purpose of laying a water main connecting presently existing water mains.

ARTICLE 77 - To elect the following officers:

One Selectman for a term of three years.

One Assessor for a term of three years.

One Town Clerk for a term of three years.

One Treasurer for a term of three years.

One Tax Collector for a term of three years.

One Constable for a term of three years.

One Member of the Board of Health for a term of three years.

One Member of the Board of Health for an unexpired term of one year.

One member of the Planning Board for a term of five years.

Two members of the School Committee for a term of three years.

Three Trustees of the Sandwich Public Library for a term of three years.

One Trustee of the Weston Memorial Fund for a term of three years.

Two Trustees of the Clark-Haddad Memorial Building for a term of three years.

One Member of the Sandwich Housing Authority for a term of five years.

And all other candidates that may appear on the official ballot.

The polls for the election of officers will be open at 10:00 o'clock in the forenoon on said

Saturday, the Seventh Day of May 1977

and will close at 8:00 o'clock in the evening.

The Town Meeting was adjourned at 11:15 P.M. to reconvene on Saturday, May 7, 1977 at 10:00 o'clock to consider Article 77.

There were 50 Absentee ballots cast in Precinct 1, and 35 Absentee Ballots in Precinct 2.

A True Record of the 1977 Annual Town Meeting and Election.

Channing E. Hoxie
Town Clerk

TOWN OF SANDWICH SPECIAL TOWN MEETING Monday, July 18, 1977

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. William A. Bullock, in the Junior-Senior High School, and he read the Warrant.

BARNSTABLE, S.S.

To the Constables of the Town of Sandwich, in the County of Barnstable, GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of the Town of Sandwich, qualified to vote in elections and Town affairs, to meet at the Junior-Senior High School on Quaker Meetinghouse Road in said Sandwich on

Monday, July 18, 1977

at 7:30 o'clock in the evening, then and there to act on the following article:

ARTICLE 1.

To see if the town will vote to authorize the Board of Selectmen, from time to time, to apply for, receive and expend funds under the Federal Local Public Works Capital Development and Investment Act, as amended, to be used for the construction of such public works projects as the Board of Selectmen in its discretion shall deem necessary, and to engage on a contingency basis such professionalism and engineering assistance as the Board of Selectmen shall deem necessary and proper, and to do such acts and enter into such contracts as may be necessary or desirable to obtain such federal aid, or do anything relative thereto.

And you are hereby directed to serve this Warrant by posting attested copies thereof, one at the Town Hall and one at each of the Post Offices in Sandwich, the last posting to be at least fourteen days prior to the time of holding said meeting.

William Duncan and Herbert Rosenberg were appointed tellers.

Mr. Clifford Nelson, Chairman of the Finance Committee read the following statement. "Federal funds consist of monies collected by the government through taxation; some of it coming from the taxpayers of Sandwich. From time to time the government makes funds available for certain accepted

projects throughout the country and Sandwich should be in a position to participate in such sharing. However, government funds are not readily available unless well prepared proposals are presented.

The intent of this Article is to give the Board of Selectmen the authority to accept presently available funds and be prepared for such other funds as may become available in the future.

The Finance Committee believes that this Article is geared to the best interests of the Town and should be supported, and we so recommend."

ARTICLE 1.

To see if the town will vote to authorize the Board of Selectmen, from time to time, to apply for, receive and expend funds under the Federal Local Public Works Capital Development and Investment Act, as amended, to be used for the construction of such public works projects as the Board of Selectmen in its discretion shall deem necessary, and to engage on a contingency basis such professionalism and engineering assistance as the Board of Selectmen shall deem necessary and proper, and to do such acts and enter into such contracts as may be necessary or desirable to obtain such federal aid, or do anything relative thereto.

Mr. Roberti, as Chairman of the Board of Selectmen read the following statement.

"For several years the Congress of the United States has embarked on a program of appropriating funds and allocating these funds to create employment and stimulate the economy of the country. One of these programs is the Federal Local Public Works Capital Development and Investment Program; administered by the Economic Development Administration (EDA). These funds are available to communities with an unemployment rate of 6.5% or over. A year ago the Selectmen applied for the Water District for such funds under Round 1, for the expansion program of the District. Unfortunately Sandwich did not receive funds under Round 1. Several months ago Round 2 funds were released and on June 3 the Selectmen's Office received a call from Representative Studd's office that Sandwich had been allocated \$566,000 and that in a week or so would receive instructions on how and where these funds could be used. Upon receiving such instructions on June 16, we had 28 days to submit plans and applications to EDA for approval. If approved, complete plans, working drawings, and bid approvals have to be completed within the next 45 days and work begun within 90 days.

We discussed many projects that would be desirable and projects that we know at some time in the future would be presented to the voters for an appropriation of funds. None of the projects discussed and reviewed could be completed and submitted within the time frame necessary. Only the Water District pro-

jects and the cemetery on Town-owned land, accepted by the Town Meeting action for precisely that purpose, seemed to be eligible. I tried to find an architectural and planning firm that could be capable of doing this program in the required time. I contacted the firm of Perry, Dean, Stahl and Rogers, architects of the National Cemetery at Otis and made an appointment with Andrew Dean, Vice President of the firm. After consultation with Mr. Dean, Mr. Taylor, Town Engineer, and reviewing maps and the property, the following agreement was made with Mr. Dean. The firm of Perry, Dean, Stahl and Rogers will make all cost estimates on the different phases of the project to meet the requirements of EDA. If approved by EDA the preliminary architectural fees are included in the total sum. The only funds committed were \$1,000 to complete the EDA application by a professional grants man. The original estimated cost of the cemetery project was \$420,000 and the remaining \$146,000 was allocated to the Water District projects. All forms, applications and reports have met the deadline of July 14 and have been sent to the EDA office in Philadelphia. This project has a high priority rating because it has a high labor versus material ratio. We are very optimistic that the project will be approved.

Since submitting the project to EDA we have been notified by Representative Studd's office on Friday, July 15, that the appropriation for Sandwich had been reduced by \$87,000, making it a total of \$479,000. By reducing some phases of the cemetery project and some on the Water District project (their funding has more flexibility than the Town project) I believe we can still complete the programs.

Article 1 asks that the Board of Selectmen be authorized to receive and expend the funds allocated under the Federal Local Public Works Capital Development and Investment Act. Article 1 also asks that the Board have the authority to apply and receive funds in the future. The Article does not ask for the expenditure of Town money to be raised by Town taxes. We need the support of the voters to receive and expend this grant."

Mr. Chester Cross moved that the Article be amended by deleting the phrases "from time to time," and "to be used for the construction of public works projects as the Board of Selectmen in its discretion shall deem necessary," and substituting for the latter "to be used for the Sandwich Town Cemetery Project and the Sandwich Water Department Water System Extension and Improvement Project as submitted to the Federal Economic Development Administration in July, 1977."

A vote was taken on the amendment. Carried — 89 Yes, 56 No.

Unanimously Voted - That the Town authorize the Board of Selectmen to apply for, receive and expend funds under the Federal Local Public Works

Capital Development and Investment Act as amended, to be used for the Sandwich Town Cemetery Project and the Sandwich Water Department Water System Extension and Improvement Project as submitted to the Federal Economic Development Administration in July, 1977 and to engage on a contingency basis such professional and engineering assistance as the Board of Selectmen shall deem necessary and proper and to do such acts and enter into such contracts as may be necessary and desirable to obtain such federal aid.

The meeting was adjourned at 7:55 P.M.

TOWN OF SANDWICH

SPECIAL ELECTION

July 21, 1977

Pursuant to the foregoing Warrant, the polls opened at 8:00 A.M. The Ballot Box was checked and the counter set at zero. The ballots were delivered to the Ballot Clerks and the Election Officers were administered an oath to faithful performance of their duties.

The results of the election are as follows:

	Precinct 1	Precinct 2	Total
Member Board of Selectmen			
David W. Allen	307	271	578
George H. Crawford	9	3	12
Edward W. Osgood, Jr.	90	63	153
David P. Persson	539	566	1105
Blanks	4	0	4
Total	949	903	1852
Member Board of Assessors			
David W. Allen	308	265	573
George H. Crawford	5	1	6
Edward W. Osgood, Jr.	95	64	159
David P. Persson	531	564	1095
Blanks	10	9	19
Total	949	903	1852

The polls closed at 8:00 P.M.

The total vote cast was 1852 which included 28 Absentee Ballots for Precinct 1 and 16 Absentee Ballots for Precinct 2.

The Voting Lists of Checkers and Ballot Clerks were checked and found in order and the ballot box counter agreed with these lists.

The total number of registered voters at the close of registration prior to election was - Precinct 1 - 2047; Precinct 2 - 2207 for a total of 4257.

I certify that this is a true record of the Special Elec-

tion held in Sandwich on July 21, 1977.

Report of the Inspector of BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Mass.

The estimated values of construction in the year 1977 was \$10,729,838.00 approximately \$4,000,000.00 more than the year 1976. These estimated values are the second largest in the Town of Sandwich history. The year 1972 with the construction of the Power Plant, was the largest with the estimated value of \$12,000,000.00.

There were 687 permits issued.

There were several commercial permits issued. The Sandwich Co-operative Bank at \$715,000.00, Angelo's Supermarket \$400,000.00, Angelo's Stores \$200,000.00, Plymouth Savings Bank \$60,000.00, Hewlett Packard Recreation Building \$250,000.00, Sea-Lake Condominium \$550,000.00 and a permit issued for Sandwich Industrial Land Trust at \$250,000.00 which did not materialize because of business reasons.

There were 64 more dwelling permits issued in 1977 than in 1976.

The fees collected and paid to the Town Treasurer amounted to \$15,849.76 an increase of \$5,789.30 over 1976.

Permits were issued as follows:

- 242 Dwellings
- 65 Additions
- 40 Alterations
- 12 Garages
- 1 Office Building
- 34 Sign Permits
- 8 Occupancy Permits (with fee)
- 229 Occupancy Permits (no fee, new dwellings)
- 26 Certificates of Inspection
- 43 Miscellaneous Permits

Once again I would like to take this opportunity to thank the Selectmen, all the girls in the Town Hall Office, all the inspectors in the building department, to the Fire Chief for their cooperation and to Mrs. Marie Harrington for her patience and help in doing the paper work for all the inspectors and various boards, and also to Mr. Lester Geary, Alternate Building Inspector for his help when needed.

Respectfully submitted,

Sven E. Hanson
Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1977.

There were 147 permits issued in 1977 for the installation of gas services and appliances.

During 1977 there has been a great deal of talk about doing away with the Massachusetts Gas Regulatory Board and putting the gas fitters under the jurisdiction of the Board of State Examiners of Plumbers. We will soon see if this materializes. Monthly meetings are held in Barnstable by the Cape Cod Gas Inspectors Association which are always most helpful and informative.

I am pleased to report that most of the installers have been cooperative and responsible in their work.

I would like to thank the Selectmen, Chief Alvezi, the Citizens of the Town, the various contractors and installers and in particular Marie Harrington, Edward F. Montague and Herbert Hamlen for their cooperation and assistance during the past year.

Respectfully submitted,

Walter T. Fagnant
Gas Inspector

Report of the PLANNING BOARD

To the Honorable Board of Selectmen
Sandwich, Mass.

A second year of relative quiet has been experienced by the Planning Board.

Most building activity, although escalating, continues to be located on lots already in existence.

Of a greater concern, this year, has been the implementation of the new Chapter 40A, the state zoning statute, by Town Meeting.

Along with the regular activity has come an awareness, that Sandwich must take a long hard look at all means of potential growth control, in order to attempt to retain our rural seaside atmosphere and yet plan for inevitable growth.

Respectfully submitted,

David W. Allen, Chairman

Edward A. Coomey
Chester E. Cross
Jonathan D. Fitch
Carol M. White

Report of the Board of APPEALS AND SIGN CODE BOARD OF APPEALS

To the Honorable Board of Selectmen
Sandwich, Mass.

A total of 57 applications for Appeal Board public hearings were advertised in 1977. Fifty three of these were heard, as four were withdrawn before the hearing. The breakdown was as follows: Special Permits, 41 granted, 3 turned down without prejudice, and 1 denied. Variances, 11 granted, 3 denied. Many of the Special Permits granted have conditions attached in order to meet Zoning Bylaw requirements. Also was heard an application for a home occupation this being dismissed; an appeal of the decision of the Planning Board on the changing of lot lines was granted; and a special exemption on the size of a parking area was granted.

On court action, one brought in 1976 was dismissed, one Special Permit granted by the Board December 1976 was contested and won by the plaintiff, and one Special Permit denied is pending action.

As the Sign Code Board of Appeals we advertised and held four public hearings. One Special Permit granted; 2 variances granted; and 1 variance denied. This Fall our duties as a Sign Code Board of Appeals were terminated with the formation of a new Board as required by Town Meeting action. We wish the new Board good fortune as the Sign Code Bylaw has many problems. Regular member Ann Sullivan has asked to step down and serve as an alternate. Ann had been on the Planning Board many years before being appointed to the Appeals Board and has served the Board well. Peter J. Closson will replace Ann.

We wish to thank our secretaries, Mrs. Helen Palmer who served us for several years; Mrs. Joan Erickson; Mrs. Jean Bondarek for several months; Mrs. Judy Hendy as our present and most proficient recording secretary at the hearings; and Mrs. Marie Harrington for all the work required at Town Hall.

Albert Roberti, Chairman
Roland DeConto, Vice Chairman
Ann Sullivan, Clerk
John Harvey
Edward W. Osgood, Jr.
Peter J. Closson, Alternate

Peter Boniface, Alternate
Walter Stahura, Alternate
Herbert Rosenberg, Alternate

Report of the WIRE INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Mass.

In the year 1977, 297 wire permits were issued for new installations and 125 wire permits for additions or alterations to existing structures.

The permit fees collected and paid to the Town Treasurer amounted to \$1,613.00.

I have traveled 2300 miles to make the necessary inspections in the five months following my appointment.

I wish to thank the people at Town Hall for their cooperation since I have assumed the duties of wiring inspector.

Respectfully submitted,

Victor M. Devine
Inspector of Wires

Report of the Inspector of PLUMBING

The year 1977 brought a definite increase in the number of plumbing and sewerage disposal permits. 437 plumbing permits were issued in 1977 vs. 262 in 1976 an increase of slightly under 60%. 302 sewerage disposal permits were issued in 1977 vs. 235 in 1976 an increase of 77%. There were 518 inspections made at various stages of completion vs 394 in 1976 an increase of 76%.

As always we wish to thank everyone who has worked with us in 1977 especially our secretary Marie Harrington.

Respectfully submitted,

Edward F. Montague, Retired
Herbert A. Hamlen, Plumbing Inspector

Report of the FOREST WARDEN

Honorable Board of Selectmen
Sandwich, Mass. 02563

The Annual Report of the Sandwich Forest Warden Department for the year 1977 is herewith submitted:

Following is the breakdown of department activities for 1977:

Woods, Brush and Grass Fires	56
(Approximately 35 acres burned)	
Dump Fires	0
Wood Smoke Investigations	25
Cooking Permits Issued	267
Brush Permits Issued	709
Burning without Permit	8

Although there were no fires of major proportion during 1977, we did, on May 23rd of this year, respond to 22 grass and brush fires along the railroad track that were started by a train. This kept the Sandwich Fire Department and many of its neighbors busy for a few hours. Also this department responded to assist some of our neighboring towns on larger fires.

The Forest Warden brushbreaker is now 18 years old and replacement of this vehicle is going to be necessary within the next year or two.

The Massachusetts Department of Environmental Health allowed open burning of clear brush for one month in 1977, but in 1978 this period will be extended to 2 months, from 1-15-78 through 3-15-78.

I appreciate the assistance given me throughout the year by other Town departments and residents of the town. I would like to thank them at this time, as well as the permanent and call firefighters of Sandwich and neighboring fire departments for the help afforded the Forest Warden during 1977.

Respectfully submitted,

Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN AND INSECT PEST CONTROL SUPERINTENDENT

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This is my twenty-sixth annual report as Tree Warden of the Town of Sandwich. Twenty-five trees were

planted last year to replace trees lost due to Dutch elm disease. Trees planted were locust, October Glory maples for Fall color, Kwansan cherry for Spring blossom and Little Leaf linden. The flowering trees are usually planted under wires because they don't grow so tall. Due to increased vandalism I'm planting larger caliper trees. Thirteen trees were vandalized last year, although all were saved this time in spite of severe damage from a machete or an axe. More time is being spent on the tree planting program each year, feeding, watering and mulching, particularly as larger trees require more care than the smaller ones. This Department cooperates with the Advisory Landscape Council in obtaining and planting trees; in 1977-8 we planted the island at Quaker Meeting House Road and 6A and removed overgrowth in the island at 130 and Old Main and replanted it.

At this time I wish to thank the voters of the Town for passing Article 59 at the May 2, 1977 Town Meeting for the crane lift for the Tree Warden's truck. As we are planting the larger trees, it has come in very handy. It is also used for lifting logs during take-downs.

Under Chapter 87, Public Shade Trees, towns may appropriate money to be expended by the Tree Warden to plant trees upon adjoining land, at a distance not exceeding twenty feet from a public way. This can and has been done in some cases in Sandwich, with the property owner's permission, where hardtop has taken over former grass strips.

A neighboring town has had problems with campaign signs, and it may be helpful to mention the law for our future elections. Under Chapter 87, Public Shade Trees, Section 9, the tree warden is authorized to remove any signs from Town trees.

Last year we continued injecting elm trees with lignasan for the treatment of Dutch elm disease. It seems to be working, but it still must be considered to be in the experimental stage. It seems to be most effective as a protective treatment for uninfected elms, although we are also using it as a therapeutic treatment at the first sign of disease in infected trees. Of course we are also continuing with the state-recommended spray program for Dutch elm disease. We will continue both the injection and spray programs this year.

In the past year a Gypsy Moth trapping and scouting program was carried out in various parts of the town, with a small number of moths being again trapped in the vicinity of Quaker Meeting House Road and the Mid-Cape. This situation continues to be carefully monitored for any build-up in their numbers. There has been no sign of feeding or egg clusters, and presumably the moths' natural enemies are keeping them in check. These enemies include wasps, birds, various parasites and particularly the wilt disease virus.

As of last Fall, Massachusetts has a law restricting the use of certain pesticides and licensing their applicators in order to meet federal EPA requirements. Of course, I have taken the exam and passed the requirements and am appropriately licensed.

Respectfully yours,

William J. Ellis
Tree Warden

Report of the CONSERVATION COMMISSION 1977

To the Honorable Board of Selectmen
Sandwich, Massachusetts

In its second year of public use, the Wakeby Holly Sanctuary and Recreation Area was visited by a good number of people using the beach facilities in the warmer months and the nature trails almost year 'round. A \$6,000 boat house, approved at the May 1977 Town Meeting, is now under construction by the Upper Cape Vocational & Technical School. The 24' x 32' building is slated for completion this summer. Other work in the Wakeby Area included black topping a section of road leading to the parking area to eliminate an erosion problem. We would like to thank the Sandwich Recreation Committee for managing the Wakeby Area during the summer months.

Bolstered by another gift of 500 tree seedlings from the Cape Cod Conservation District, our tree and shrub nursery continued to grow in size and variety. The Commission also purchased the same number of seedlings, including a wide variety of berry bearing trees which are to be planted for the benefit of wildlife. An inventory of the nursery has been prepared of trees available to town agencies for planting.

In 1977, the Commission enjoyed the services of a full-time employee assisting with the maintenance of Conservation land and equipment. The Commission also benefited from staff provided by the CETA program. We would also like to mention the Campfire Girls who, once again, received the proceeds from sales at our Blueberry Patch, and who plan to prune this area this spring.

The Wetland Act, Chapter 131, Section 40 continues to consume much of the Commission's time. While the number of public hearings has remained about the same, requests for determinations have increased. Three cases where restrictions were issued have been appealed with subsequent conditions issued by the Massachusetts Department of Environmental Engineering, one of which has been further appealed by the Commission.

No land was purchased last year under the Conservation acquisition program, although the town voted to buy a parcel of land from Cape Holdings Inc., which adjoins existing Commission land bordering the Barnstable line and Bodfish Park. Unfortunately, negotiations broke down over how the land was to be used in the future. Other purchases in the past year have been hampered by title difficulties. The future of the acquisition program will undoubtedly be affected by the recent population projections for various sections of town.

The Conservation Commission has had many changes in membership this year with the resignations of Gary Nickerson, J. Louis Roberti and David Persson. Mr. Nickerson was appointed an Associate Member, while Mr. Roberti and Mr. Persson are close at hand for advice. Richard O'Brien was appointed to the Commission on July 7th; Arthur Kingsbury August 3rd, and W. Stephen Collings on August 15th.

Finally, we wish to express our appreciation for the cooperation and assistance of the Board of Selectmen, the Town Engineer, the Highway Surveyor, the Recreation Committee, and the Town Hall Staff. Special thanks goes to Mr. William Taylor and his department's invaluable assistance throughout the year, particularly the time consuming task of locating boundary lines.

Respectfully submitted,

Richard E. Canning, Jr.
J. Albert Torrey, Chr.
Arthur F. Kingsbury, 3rd
Peter Meinl
Paul G. Bousfield
Richard J. O'Brien
W. Stephen Collings

Report of the DOG AND CONSERVATION OFFICER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Herewith submitted is the annual report for the activities of the Town of Sandwich Dog Officer:

Calls for Dog Officer	696
Calls relayed by P.D.	970
Dogs Impounded	216
Dogs to M.S.P.C.A.	35
Dogs given up by owners	9
Dogs killed or injured	29
Dog bites	28

Goats picked up	1
Complaints	542
Calls re lost dogs	111
Calls re cats	18
Cats killed	3
Calls re Horses	5
Calls re Pigs	5
Calls re Cows	2
Calls re Goats	1
Reminders to License dog sent	900
Warnings to license dog sent	340
Warnings to Restrain dog sent	31
Letters sent	69

As of December 31, 1977, there were 1,330 licensed dogs, an annual increase of 65. All dogs 3 months and older must be licensed by the tenth of June or the owners or keepers are subject to court action.

A Rabies Clinic was held in April, 1977, with over 300 dog owners having their dogs inoculated against rabies. All dogs, 6 months and over, must be inoculated. The rabies shot is effective for two years. Another clinic is planned for 1978.

Fees collected for 1977 for pick up and care and custody amounted to \$1,945. A meeting, held on March 15, 1977, adopted a graduated kennel fee payment schedule which went into effect on April 1, 1977. It works as follows:

First time dog is impounded: Pick up fee is \$5. and Care and Custody fee is \$2. per day. (ex: 1st day is \$7., 2nd day is \$9., etc.).

Second time dog is impounded: Pick up fee is \$10. and Care and Custody fee is \$2. per day. (ex: 1st day is \$12., 2nd day is \$14., etc.).

Third time dog is impounded: Pick up fee is \$15. and Care and Custody fee is \$2. per day. (ex: 1st day is \$17., 2nd day is \$19., etc.).

Also, herewith is the 1977 report of the Fish and Game Conservation Officer:

Calls for Conservation Officer	135
Cease and Desist Orders Delivered	4
Conservation Inspections-Wetlands Act	16
Deer killed	11
Swans killed or injured	3
Ducks killed	7
Possum killed	1
Injured Seagulls	2
Fox Killed	2
Calls re Turtles	1
Injured Goose	1

In the performance of my duties as Dog and Conservation Officer I have logged over 18,000 miles in the year 1977.

I would like to thank the following for their assistance:

The Honorable Board of Selectmen
The Fire and Police Department Personnel

The Conservation Commission
The M.S.P.C.A.

Respectfully submitted,

Francis G. Silva
Dog and Conservation Officer

Report of the Inspector of ANIMALS

To the Honorable Board of Selectmen:

During this year, I have investigated 31 animal bites — 29 dogs, 1 pet rabbit and 1 wild chipmunk. Quarantined 28 dogs and subsequently released them. The rabbit and chipmunk carcasses had to be sent to the Mass. State Serology Laboratory for tests. Both animals proved to be free of Rabies.

I have inspected 84 animals and 34 animal shelters. There is no indication of infections or contagious disease. Most horses and ponies have been Coggins tested and vaccinated against Infectious Anemia and Eastern-Western Encephalitis.

Listed below is the census I took for the State Department of Agriculture.

Census:

40 Horses
17 Ponies
8 Cattle
5 Goats
10 Sheep
4 Swine

84 Animals

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the PARK DEPARTMENT

To the Honorable Board of Selectmen

The summer of 1977 was relatively a quiet one after the activities of the previous bicentennial year. We still had a very heavy turnout for the boat parade and fireworks on the Fourth of July and just as much of a job cleaning the town the next day.

Vandalism again was a main concern of the Park Dept. Broken windows, smashed doors and stolen street signs, etc., all make up an extra financial burden for the townspeople in the form of the cost to repair these things, plus the manpower involved.

Work has been started on the new town cemetery on Route 130 and is expected to be completed during the summer of 1978. This will be maintained by the Park Dept., along with all the rest of the town cemeteries now under town control. It will be a welcome addition since the present town cemeteries are almost full.

I would like to thank the Selectmen for their advice and guidance during the year and also the men who worked for the Park Dept., helping keep Sandwich one of the nicest towns on the Cape.

Respectfully submitted,

Raymond L. Thayer
Park Foreman

Report of the **RECREATION COMMITTEE**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The Recreation Committee has enjoyed another year of fine programming under the supervision of our director and the many volunteer adults contributing time and effort to Sandwich Recreation. The committee has stayed within the allocated budget and met all the planned recreational goals for 1976/77.

As expected the participation in all recreational activities has increased with the increase of new families in town.

Each year the Recreation Committee and Community School Committee improve coordination of programs such as gymnastics resulting in upgrading of the programs at a reduced cost.

This year the committee is planning on the completion of the boat house at the Ryder property wherein a boating program may be initiated on a small scale at first.

Many recreational activities were held in 1977 for both children and adults in the town of Sandwich. Ski trips were held for Junior and Senior High School students to Pat's Peak in Henniker, N.H. Approximately seventy youngsters per trip were involved.

The figure skating clinic, sponsored by the Recreation Committee, continued to be popular. The in-

structor, Mrs. Clevette Lionberger, of Plympton, taught the basic skills at the Gallo Rink in Bourne. A total of 45 boys and girls participated in the Fall Session. The Basic Tests as set by the U.S. Figure Skating Association, were given to each skater. Those passing the requirements for each of the nine stages, earned badges for skills perfected.

The indoor soccer program on Thursday evenings attracted many teenagers at the High School for a period of eight weeks. An average of twenty-five students attended each week.

The Spring Tennis Program was well attended by both children and adults. The instructors for this six week program were Robert O'Leary and Kevin Merritt.

The Annual Summer Recreation Program began with a Fourth of July parade and field day on the grounds of the Henry T. Wing School. It was estimated that nearly 950 townspeople participated in the festivities.

The six week summer program, which included swimming and canoeing instruction, arts and crafts, playground activities, and tennis instructions, was again, very successful. This program was under the direction of Silvio Tedeschi. His staff included Jan Semonian, Cynthia Ambroseno, Jan Raposa, Buzz Ambroseno, Douglas Hart, Joanne Basile, Janet Rushton, Pam Whitney, Peter Thomas, Paul Denny, Robert Siegel, Kevin Merritt, Christina Jacobi, Anna Roell, Joy Quinton, John Walling, Jean Sibson, David Dinklage, Tom Birch and Tom Hendy.

The nature and crafts program proved to be a repeated success. At the end of the six week program field trips were made to the Museum of Natural History and the Lincoln Park Amusement Park. Parents were also invited to an Arts and Crafts show held the last day of the program.

The swimming program at Snake Pond and at the Sandwich Jr./Sr. High School pool, was, as usual, a well attended program, drawing a record number of participants. At the conclusion of the program, all participants were invited to a swim carnival where prizes were awarded and refreshments served. Many thanks to Officer George Russell for his continued help with the swim carnival.

The Fourth Annual Sandwich Tennis Tournament was held for both children and adults. Trophies were awarded to all winners and runners-up. Men's and Women's tennis leagues were formed. A record number of people turned out to take advantage of this program and the beautiful new facilities at the High School.

For the first year, tennis attendants were on duty at both the Henry T. Wing School tennis courts and the High School courts. As mentioned, both courts drew a record number of people and the hiring of tennis attendants proved to be a wise decision.

A new soccer program for youths in grades 9-12 was introduced under the direction of Silvio Tedeschi. This program was held every Tuesday evening from 6 to 8:30 P.M. Approximately 50 young people were involved.

The Recreation Committee also sponsored men and women softball teams plus co-ed basketball and volleyball for students in grades 9-12.

Teen dances at Town Beach were again held this summer. As always, they were well attended.

The Recreation Committee would like to take this opportunity to thank the Selectmen, the Finance Committee, and the citizens of Sandwich for their continuing support.

Respectfully submitted,

*Silvio Tedeschi, Director
Carlo M. Di Persio, Chairman
William F. O'Neil, Treasurer
Janice M. Peterson, Secretary
Peter Kohn
Shirley Canning
Mariann Valentini*

Sandwich Little Baseball League

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This year, as in previous years, the Sandwich Little League Baseball League experienced a dramatic increase in the number of participants. The town's largest youth program now involves over 350 boys and girls between the ages of six and twelve.

Among the highlights of the year were:

1. Sandstoning and landscaping of the major league field by volunteer coaches and assistants.
2. Participation, for the first time, by our minor league in an All-Star tournament in Wareham.
3. The live broadcast of a major league All-Star game by WSDH-FM.

The Little League Committee would like to thank the Selectmen, the Recreation Committee, the Finance Committee and the citizens of Sandwich for their continued support.

A very special thanks to the many coaches and assistants who devoted so many hours in developing the skills of their players.

Respectfully submitted,

Robert F. Hannon
Sandwich Little Baseball League

Sandwich Youth Baseball League

The Honorable Board of Selectmen
Sandwich, Massachusetts

The Sandwich Youth Baseball League completed its second successful season of operation with five teams. They are named for the old villages in the Town as follows:

East Sandwich - Coached by Carl Mores and Bob Woodbury.

South Sandwich - Coached by Peter LeBlanc and Art Kingsbury.

Forestdale - Coached by Bobby Brun.

Sandwich - Coached by Tom Hendy.

Spring Hill - Coached by Carl Schmelzer and John Liberty.

I would like to extend to the above coaches the appreciation of the Town for their devotion to the youth of Sandwich.

This year the league was won by Forestdale. A play-off was also held and Forestdale again proved they were the Number-One team.

During the season, I conducted two baseball schools for members of all teams.

We worked individually on the basic baseball skills of base-running, hitting, bunting, catching, pitching and offensive and defensive team play. I hope to continue this program again next year.

To recognize the development of these skills, a field day was scheduled later in the year, but after being rained out on two occasions — I will try again next year!

The same number of youth competed in the league as last year. However, 22 additional persons who competed last year, and are still eligible, decided not to participate for a variety of reasons this year.

Several very spirited and well pitched games were played this year, and a large number of interested spectators attended most games.

The players and coaches would like to thank the School Committee, the Recreation Committee, the Finance Committee, the Selectmen, and Town Voters for making it all possible.

Respectfully submitted,

William R. Hendy
Director

Senior Babe Ruth Team

The Honorable Board of Selectmen
Sandwich, Massachusetts

The 1977 Sandwich "Blues" completed its fifth successful season in the Cape Cod 16-18 year old's Babe Ruth League.

This year the League hosted the New England Sectional Tournament in Wareham. Teams from Vermont, New Hampshire, Maine, Connecticut, Rhode Island, Western Massachusetts, Eastern Massachusetts, and the host Cape Cod Team engaged in a double elimination tournament. Karl Uggerholt and John Hendy were selected from Sandwich to compete on the Cape Cod Team, which finished third in the tournament. The winner, Rhode Island, represented New England Region in the National Tournament held in Kentucky.

For the past two seasons, the "Blues" have operated under the handicap of not having enough field time to practice or play their games. This situation has developed because completion of the new high school field has been delayed. In short, one field is no longer sufficient to accommodate all the youth of Sandwich in playing summer baseball. However, it will be solved when the new field is available to the summer program.

Another poor situation surfaced this year in the ugly form of vandalism to the field and equipment. It affected all teams and is the first I have encountered in 30 years of summer baseball in Sandwich. Let's hope it's the last!

Once again, I should like to thank the School Committee, Recreation Committee, Finance Committee, and the Selectmen for their continued support of the Babe Ruth Team.

Respectfully submitted,

William R. Hendy
Coach

Sandwich Youth Hockey

Honorable Board of Selectmen
and Citizens of Sandwich

We are proud to share with you the accomplishments of our young people in the Sandwich Youth Hockey Program. These accomplishments extend beyond win-loss statistics to encompass the individual personal development of our young skaters.

Your youth hockey program has grown to include 8 groups with 7 teams in competition within the Cape Cod Youth Hockey League. The clinic group, which we consider the "building block" of the pro-

gram, is organized for the benefit of non-skaters at any age level. Emphasis is placed on the development of basic skating skills utilizing a low instructor: skater ratio. Here, as in our other groups, we are most fortunate to have a dedicated group of people helping our young skaters improve. In order to stimulate participation at this clinic level, a 3 week trial period is made available without obligation to ensure an individual will want to continue skating with us prior to any expenses being incurred.

Our team expansion has been aimed at both ends of the age spectrum to broaden the reach of the program. A Mites Team was added for the younger skaters not previously involved in competition (ages 6-8). A Midget Team was added for older participants moving up from the Bantam level of play (ages 14-16). Thus organized league play is available for ages 6-16 with instructional skating available for all ages within the program.

To our coaches and their assistants we extend a well deserved thank you for the commitment of time and energy to the program.

Coaches 1977-1978

Dick Ryan	Clinic
Gerry Goodwin	Mite
Jack Donahue	
Jim Bondarek	Squirt
Paul Feeley	Squirt
Rod Valentini	Pee Wee
Tom Morrissey	Pee Wee
Jay Tivnan	Bantam
George Challis	Midget

The Board of Directors of Sandwich Youth Hockey welcome the participation of all Sandwich children interested in a hockey oriented instructional skating program.

We thank the Recreation Committee, Finance Committee, Board of Selectmen, and people of Sandwich for making this youth program possible.

Board of Directors
Sandwich Youth Hockey

Richard E. Canning, Jr.
President

Report of the **SHELLFISH CONSTABLE**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the summer of 1977, medium and large quahogs and oysters were planted in the Old Harbor Area.

Some quahogs and oysters were planted in Spooky Hole on an experimental basis. It is hoped that this area can be used to raise seed quahogs and oysters for transplanting.

The area was opened for the taking of quahogs, oysters and mussels on Sundays only during the months of November and December of 1977. It is closed for January and February and reopened on Sundays during March and April. It will then close until the first Sunday in November 1978.

There was a total of 119 Shellfish permits issued and two Deputy Wardens were appointed by the Selectmen. They are John H. Winslow and Richard Currier.

Prior to the opening last fall there was an oil spill off the Sandwich Beach but as a result of tests taken, it was determined that there was no damage to the Shellfish in the Sandwich area.

Respectfully submitted,

Eugene H. Morrow
Shellfish Constable

Report of the **TOWN ENGINEER**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit the Report of the Engineering Department for the year 1977.

During the past year the Department finished the updating of the Town Maps to indicate the status of the streets shown and whether they were classified as Town, Private or Private Not Built.

We also finished the "Land Use and Population Study" that we had been working on for the last year. This Report which started as an index of collected materials to be made available to other departments progressed into quite a sizeable project. As the study progressed we could see an ever increasing need by many departments for a concise report which would show:

- a) Our street listing and index
- b) Land Use Study
- c) Population Projections

The Department finally did a street by street, parcel by parcel count of all parcels in Sandwich and then proceeded to collate the materials so that it could be printed into the book which is available today.

We continued to do field surveys of Town owned properties for the Conservation Commission and Board of Selectmen. Field Surveys and controls were also done for aerial surveys of Town property on Quaker Meetinghouse Road and the new Cemetery site on Route 130 and a perimeter survey of Cedarville Cemetery.

A Control Grid of elevations was run throughout the Town and an index map of these bench mark elevations and other controls was prepared. This index will prove of ever increasing importance to anyone who will become involved in wetland restriction programs, flood insurance programs, or to any persons starting a new subdivision. The index is filed in the Engineering Office and the staff stands ready to furnish the information to the public upon request.

Once again the Department prepared the street taking for the 14 streets that were presented for acceptance at the annual Town Meeting.

I have continued to work with the Board of Selectmen and the firm of Weston and Sampson in the preparation of and presentation of the Sandwich Wastewater Facilities Plan.

The work done as the Sandwich Representative to the Coastal Zone Management Committee and also The 208 Wastewater Management and Planning Program Advisory Committee is now nearing completion as both of these Committees are presenting the Final Reports or Drafts at this time.

During the Fall, I assisted the Board of Selectmen and the architectural firm of Perry, Dean, Stahl & Rogers in finalization of our Cemetery Plans and preparation for the grant of E.D.A. Funds to construct this Project.

In cooperation with the Assessor's Office we now have all plans on file with the Assessor's Office recorded on micro film and available at either the Assessing or Engineering Office for viewing.

The year has brought forth great advances in the coordination and/or finalization of many of the projects which this Department has been involved in with other departments. It would appear that in the future we should be better prepared to coordinate our efforts and resources to better serve the residents of Sandwich.

Once again I wish to thank all of the residents for their support and assistance in the past year.

Respectfully submitted,

William C. Taylor, P.E., R.L.S.
Town Engineer

Report of the
**HIGHWAY
SURVEYOR**

To: The Honorable Board of Selectmen
and the Citizens of the Town of Sandwich.

I submit my report for the last half of fiscal year 1977
and the first half of 1978 ending June 30, 1978.

The following works were completed during this
period.

The general maintenance of Town roads was kept
up to date as in previous years. Again I must empha-
size that good maintenance of the roads is an invest-
ment in the continued use of the roads and also in
insurance against costly repairs in the future.

Snow and ice control this winter has been a big pro-
ject and consumed a great amount of time, effort and
expense by this department. The new truck with
sander and snow plow which was voted for at Town
Meeting last year, arrived and was of tremendous
value to this department and the Town in snow re-
moval from past winter storms.

Richards Way was graded and surfaced with Type
I mix.

Tupper Road was resurfaced with Type I Mix, also a
section of Harlow Road was surfaced with Type I Mix.

The flooding problem on Tupper and River Street has
been solved with a new drainage system.

This department is looking forward to resolving many
of the existing drainage problems which the Town
has at the present time.

The addition of a secretary to this department has
proved to be very beneficial.

The cooperation and interest of the citizens, Select-
men and other Town department in the past year
have been fully appreciated by this department.

Respectfully submitted,

Clarence R. Van Buskirk,
Highway Surveyor

Report of the
**GROWTH POLICY
COMMITTEE**

To the Board of Selectmen:

The committee was charged with the task of produc-
ing an in-house master plan for the town. We have
been meeting once a month gathering information
from the various town departments. Our Town En-
gineer, who is a member of the committee, along
with his staff presented to the committee an updated
land use and population study. The study gave us the
present and the future potential figures with which to
work. With this study as a guideline, we have inter-
viewed the Police, Fire, and School Departments.
We have also had speakers from the State Natural
Resources Planning Program. We will continue to
speak with all the other pertinent agencies and
boards until we develop a completed picture. We will
then correlate all our information and present a
Master Plan to the Town.

Respectfully submitted,

Herbert H. Rosenberg,
Chairman

Report of the
VETERANS' AGENT

Herewith is the 1977 Annual Report of the District
Department of Veterans' Services.

Again, as in years past, our office has been a very
busy one, handling over 5,000 personal visits and
a like number of incoming telephone calls.

To keep abreast of all these problems, my Staff and
I have had to familiarize ourselves with all Laws
governing Federal, State and Local programs and
the changes that have taken place over the last
year. We try to handle each case with speed, cour-
tesy and dignity, by having a one-stop center.

It is the responsibility of this Department, under
Chapters 115 and 483 of the Massachusetts General
Laws to aid, assist, advise, file claims and explore
each avenue of resource and revenues for the Vet-
erans and their dependents.

In the past year, we have tried to have better com-
munications with each Town, so that we are more
readily available to the people, especially during
non-working hours, for emergencies.

Following is a report from my Investigator, George
C. Christopulos: It is my responsibility as the Vet-

erans' District Investigator to follow up on applications of eligible recipients on a periodic basis and advise them of the existing benefits available to them on a Federal, State and Local level.

Other duties include emergency transfers to Veterans Administration Hospitals within our jurisdiction, and keeping abreast of Laws and their changes governing the avenues of resources for benefits.

During my first year of such responsibilities, I have found it to be challenging and rewarding in encountering the Veterans and their dependents, who are in need of aid, and to be able to serve their needs. I wish to thank the Veterans' Agent and Office Staff for their cooperation and support for a successful first year.

Respectfully submitted,

George C. Christopoulos
Investigator

It is at this time that I would like to thank each Employee of my respective Towns for all the cooperation that they have bestowed on my Staff and me during the last year. "Many thanks."

Respectfully submitted,

Sidney L. Chase
Director and Agent

DISTRICT BOARD
Paul Brown, Chairman
Ralph Cipolla
Henry Kelley
J. Louis Roberti
George Benway

Report of the **VETERANS GRAVES OFFICER**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

With the able assistance of the members of the Clark-Haddad Post #188 American Legion and the Boy Scouts, the flags were placed at the gravesites at the various Cemeteries in the Town of Sandwich before Memorial Day.

This year I made hand made maps of some of the larger Cemeteries in Town indicating the approximate location of the Service persons resting place:

Bay View Cemetery - three sections
St. Peters' Cemetery - four sections
Other Cemeteries - single pages

Each map has its own listing which was stapled to it. It is hoped that these maps, however crude, will help to locate past resting places of service persons. It is quite possible that some persons haven't been located at this time. If this is the case, please let me know and it will be corrected.

Shortly after July 4th, the flags were removed from the Cemeteries as they are quite faded and torn.

Town memorials were decorated with flags in November for Veterans Day.

Respectfully submitted,

Elizabeth L. Currier
Veterans Graves Officer

Report of the Director of **CIVIL DEFENSE**

Board of Selectmen,
Town Hall,
Sandwich, Mass.

Gentlemen:

The Annual Report of the Civil Defense Agency for the year 1977 is submitted herewith.

1977 was a quiet year with no storms or other emergency situations requiring emergency action.

As authorized by the town meeting outdated CD radio equipment was replaced with modern solid state units providing greater efficiency and coverage in the field of communications.

Funds are being requested in the current budget to establish emergency transmitting antennas at the High School and the Wing School for backup use in the event of an emergency condition precluding the use of the antenna at the fire station.

It is with regret that we note the passing of Edward Sprague who was Radio Officer of Sandwich Civil Defense. His interest and many contributions of time and effort contributed substantially to providing Sandwich with an efficient communications system. Stephen Hall Sr. has taken over as Radio Officer and continues to carry on the program established by Ed Sprague.

In October a ¾ ton truck was obtained through Federal Surplus and will be equipped with a compressor and lighting equipment for emergency use.

Effective September 1, Robert H. Cunningham was appointed State Director of Civil Defense replacing Louis F. Saba who retired on August 31.

During the past year the State Nuclear Civil Protection Staff established a statewide plan for crisis relocation of communities in the event of a nuclear attack. This plan calls for the relocation of Sandwich, Bourne and Mashpee citizens to Provincetown. In this connection an updated inventory of various town department personnel and equipment was prepared and submitted to the State Office of Emergency Preparedness.

In the event of a natural disaster or nuclear attack warning will be given on the fire whistle at fire headquarters and the sirens at the fire stations in East Sandwich and Forestdale. The fire whistle will sound a series of nine blows, and the sirens a series of four blasts repeated three times. Whenever citizens hear these signals they should tune their radios to local stations for further information and instructions.

Local Civil Defense personnel have attended area meetings during the year at which matters relating to area and state activities have been discussed.

Appreciation and thanks is extended to the Board of Selectmen and town departments for their help and cooperation.

Respectfully submitted,

W. Gordon Swan,
Director, Civil Defense.

Report of the

ARCHIVES AND HISTORICAL CENTER

Annual Report - 1977

The Center came into being July 1, 1977, and retained Mr. Russell A. Lovell, Jr. as Archivist/Historian. In May, 1977, the Town accepted the services of Mr. John P. DeMilio under the Federally funded CETA program for a one-year period. Messrs. Lovell and DeMilio inventoried the varied materials on the second floor of Town Hall and effected some useful re-organization.

1. Historical materials (before 1870), books, photographs and such items were segregated in a separate room.
2. State law provides for retention of records generated by the Town Clerk, the Treasurer, the Tax Collector, and the Assessors, for periods ranging from 30 days to perpetuity. These classes of records were segregated, properly boxed and identified, and outdated records were set aside for disposition.

3. Other town files were organized in marked containers, and plans or maps put into marked tubes and listed.
4. Materials were segregated as belonging to the Sealer of Weights and Measures, the Hoxie House or Grist Mill, the Town Nurse, the Civil Defense, and other sectors.

Further progress in organization of old records will be accomplished when warm weather returns. (There is no heat or light upstairs at present). Meanwhile, a great deal of floor space has been cleared and the second floor with its historic stage and balcony has been shown to groups of school children and to interested visitors.

Other projects accomplished by the Archives Department have included the systematic review of Town Meeting actions from the year 1868 forward under a comprehensive classification system so that historical developments can be quickly scanned and retrieved under a useful range of subjects. Study and analysis of certain cemetery records has been completed. A large number of visitors to the Archives working area (on the Town Clerk's side of Town Hall) have been helped with information on Sandwich families and historical events, and letters from all over the country have been answered. National interest in genealogy is high, and our extensive files on early families have proven very useful in these inquiries. We are actively planning to write and publish a history of Sandwich 1880-1980, and are organizing our files and pictures with this goal in view. Part of the preparation for this history lies in interviews with older citizens to preserve first-hand accounts of the earlier days. The assistance of all Sandwich citizens in this project is needed, and we would be glad to have people bring in documents, letters, pictures, or other items for discussion and evaluation. Regular hours for public discussions will be announced. Meanwhile, your visits will be welcome to this new but highly useful and interesting Town Department.

Regular articles about subjects of historic interest have commenced in the *Broadsider*, and this series will continue. Public suggestions for this series are welcomed.

Respectfully submitted,

Channing E. Hoxie, Co-Chairman
Barbara L. Gill, Co-Chairman
William R. Collins
Francis X. Martin

Report of the Sandwich

HISTORICAL COMMISSION

Annual Report 1977

The Commission continued to meet monthly at the Library, and accomplished a great deal of new historical research during the year. Among the specific projects were the earliest Sandwich vital records; the date of the "Skiff" house; facts on Reverend N.H. Chamberlain and his 1889 oration; the newspapers found in the Centennial Box; the iron fireback found on Grove St.; the Saugus background of the original ten men; connections with Sandwich Kent; and the background of the Wesselhoeft family compound on Shawme Road. Mrs. Gill completed the vital records cards from early Church records; an index of the Plymouth Colony records relating to Sandwich; and is accumulating a full genealogy of the Fish family. The Commission was able to copy important early documents or pictures from the John Pratt family, the early Smith family and the Pope family through the kindness of descendants from those families.

Basic records relating to Sandwich were found and copied at the New England Historic Genealogical Society (Percivals, early Church records and other families); at the Old South Church museum; at the Friends' Meetinghouse in West Falmouth; in the diary of Samuel Sewall and in the list of Revolutionary War Veterans. The list of Sandwich, Bourne and Mashpee veterans was extracted by Mrs. Jane Mercier and condensed by Mrs. Gill to compact reference form.

The Commission aided a number of scholarly inquiries into various aspects of our history including persons from both sides of the Mashpee suit; a study of rail spurs in industrial plants; Mr. Sokolosky's Keith Car study; Mrs. Burrows on windmills; and the author of a computerized survey of the growth of eight Sandwich families.

The Commission is particularly pleased to have completed the microfilming of over 20,000 pages of Sandwich newspapers which are now on 29 reels of film. A further four years of very early Sandwich Observers found in Wisconsin are now being filmed for us. The Commission aided in assembling, closing and storing the Town's memorial box to be opened in 2076. We also co-hosted a meeting here of the Bay State Historical League, together with the Historical Society and Heritage Plantation, entertaining historians from all over the State.

The resignation of Mr. C. Ruggles Smith was accepted with regret during the year, and the membership of Judge Worcester welcomed.

Respectfully submitted,

Dr. David F. Wright, Chairman
Mrs. Barbara L. Gill
Mr. Francis X. Martin
Dr. Albert C. Cook
Mr. Ross van der Pyl
Mr. Ben D. Worcester
Mr. R.A. Lovell, Jr., Secretary

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen

The Old Hoxie House was a busy place this past season. Guests from every state in the union and some foreign countries came early and stayed late. Many remained for repeat tours which are given throughout the day. The TV program taped in Sandwich by Channel 5 early in July, including the Old Hoxie House was often mentioned.

The furniture and furnishings are holding up very well — cleaned and treated regularly. The floors are beginning to show some signs of wear.

The herb garden grew very well, supplied many green bouquets for decorations. Some of the sprays were dried for next season.

After enjoying a tour here one Sunday, Mr. Donald J. McAndrews of Milford, Conn. returned the following week and presented the Town with a hand carved chain that he cut from one block of wood about 18 inches long. It is a beautiful piece of art and shall be on exhibit next season.

The interior of this building was photographed by renowned artisan William W. Owens Jr. for a future issue of Colonial Homes published by the House Beautiful Magazine. The proofs were fantastic.

The loss of my dear friend and yours, Mrs. David Crowell, was severe. During my many years as director here, she visited regularly. The Crowell Family have donated several interesting and priceless artifacts to the Old Hoxie House. God Bless them!

My assistants, Mrs. Walter Hilliard and Mrs. Alfred Hoey join me in thanking all for any aid given us this past season.

Do remember taxpayers and local residents, the Old Hoxie House is your house to visit.

See you next summer?

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the DEXTER GRIST MILL

To the Honorable Board of Selectmen

The 1977 season was very good. The Mill opened on June 4th with a very good attendance and remained good throughout the season. We had special groups from off the Cape such as the senior citizens and the school children from the town and other towns and many other groups. We had visitors from foreign countries and they enjoyed our Mill very much and they were very interested in the working ways of the Mill and how clean it was.

We ground twelve and a half tons of corn and sold over 11,000 bags to the public and local stores.

The townspeople are always welcome and we look forward to seeing you.

The Mill closed for the season on Sunday, October 2nd.

Respectfully submitted,

Blake Norris, Miller

Report of Annual Sandwich Historic District Meeting OLD KING'S HIGHWAY Regional Historic District

The Annual Election for a member of the Historic District Committee in Sandwich was held November 28, 1977 at 7:30 P.M. in the Henry T. Wing School Cafetorium.

The meeting was called to order by Mr. David Persson.

The first business was the election of a Moderator for the meeting. Mr. Persson was nominated from the floor and was unanimously elected. He was then nominated and unanimously elected for the ensuing year.

Mr. Persson called for nominations for a member of the Committee to be elected for a four year period.

Mr. George Sutton was nominated from the floor. The nominations were then voted closed.

Mr. George Sutton was then Unanimously Voted, by voice vote, as a member of the Committee for four years.

There were 50 Historic District Voters present.

The meeting adjourned at 7:34 P.M.

Respectfully submitted,

*Barbara J. Walling
Asst. Town Clerk
Town of Sandwich*

Report of the Sandwich Historic District Committee, OLD KING'S HIGHWAY Regional Historic District

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The year of 1977 was the third year of the Committee's operation under the Regional Historic District Act. During that time the Committee disposed of 257 applications for certificates of appropriateness, for which hearings are required, and a constantly growing number of applications for certificates of exemption allowing minor "exterior architectural features" without a hearing, as authorized by a 1975 amendment of the basic act.

A particular concern of the Committee has been the matter of business signs which antedated the effective date of the basic act and which now require certificates of appropriateness. Applications for the approval of such signs are being regularly processed, often with the Committee's requirement of design changes to enhance appearances and minimize visual pollution.

By an amendment to the basic act, effective December 8, 1977, it becomes possible for the Regional Commission to exempt from the strict requirements of the act areas within the district lacking historical significance. It is anticipated that this amendment will be resorted to in due time and in appropriate cases.

At an election held on November 28, 1977, Mr. George Sutton was reelected to the Committee for a further term of four years. Throughout the year Mrs. Harold I. Palmer and Mrs. Vincent Harrington have rendered efficient secretarial and clerical services to the Committee.

Respectfully submitted,

*Donald Bourne, Chairman
Robert W. Bridges
George Sutton
Grattan Gill
Edward A. Coomey*

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich:

As Chief of Police of the Town of Sandwich, I respectfully submit my annual report for 1977.

1977 was a busy year for the Sandwich Police Department. Total complaints investigated by the Department rose almost 10% to 6,017 from 5,645 in 1976.

Breaking and enterings, one of our more serious problems, decreased slightly in 1977, to 108 from 125 in 1976. 91 breaks were into summer and year round homes and 17 into businesses. Larcenies decreased slightly from 318 to 299.

Vandalism, a continuing problem, increased slightly from 208 in 1976 to 223 in 1977. Drug arrests dropped from 57 to 33. One armed robbery occurred, the first in five years and one unarmed robbery was recorded. Other crimes investigated included assault and battery 34, up from 23 in 1976, auto theft rose to 35 from 28, forgery 1, rape 2, buying, receiving, or selling stolen property 1, carrying unlicensed firearm 1, arson 3, sex offenses 2. The remaining incidents were of a minor criminal, service, assistance, or non-criminal nature.

Of the 6,017 complaints, Sandwich Village accounted for 2,799, East Sandwich 1,360, Forestdale 452, South Sandwich 1,314, and Sagamore Beach 92.

2,546 complaints occurred between 4:00 p.m. and 12:00M, 2,324 occurred between 8:00 a.m. and 4:00 p.m., and 1,147 occurred between 12:00M and 8:00 a.m.

Saturday was the busiest day with 934 complaints, followed by Friday 929, Thursday 849, Tuesday 843, Monday 829, and Sunday 799.

A total of 266 arrests were made by members of the Department, down from 294 in 1976. 148 incapacitated persons were taken into protective custody and later released or taken to the detoxification center at Pocasset.

Continuing its policy of strict enforcement of motor vehicle laws, the Department issued 2,719 citations, of which 1,206 required court action and 1,513 were warnings.

167 motor vehicle accidents were investigated, down from 189 in 1976. One accident was fatal. 49 involved personal injury, and 117 resulted in property damage only.

Officers investigated 801 citizen reports of suspicious persons, vehicles, and incidents, answered

464 holdup and burglar alarms, all of which were false, served 372 summonses, and relayed 970 calls to the Dog and Conservation Officer from the Police Communications Center.

Continuing its intensive housecheck program, officers made 11,146 checks of vacant homes. 338 homes and businesses were found open during security checks.

Assistance was rendered on 1,272 occasions, 590 to the ambulance and Fire Department, 258 to other police departments and town agencies, 6 to mentally disturbed persons, 45 to homeowners, 244 to disabled motorists, 109 escorts, 18 lockouts, and 12 medical assists.

101 Firearm ID cards were issued, along with 68 pistol permits, and 5 liquor ID cards.

The Department returned \$1,860.19 to the Town Treasury for the sale of Firearm Licenses and copies of the police reports sold to insurance companies and attorneys.

Patrolmen Michael J. Miller and Paul M. Harrington graduated from the State Police Academy and several other members of the Department completed various state and federal training programs to improve their expertise.

I would like to take this opportunity to thank the citizens of Sandwich, the Selectmen, and other Town Departments and Boards, other law enforcement agencies, and, of course, my own officers for the assistance and cooperation they have shown during the year.

Respectfully submitted,

Robert D. Whearty, Jr.
Chief of Police

Report of the Board of FIRE ENGINEERS

Board of Selectmen,
Town Hall,
Sandwich, Mass.

Gentlemen:

The Annual Report of the Sandwich Fire Department for the year 1977 is submitted herewith.

Following is a breakdown of department activities for the period covered by this report.

Structure Fires with loss over \$1,000	8
Approximate loss \$192,000	
Structure Fires with loss less than \$1,000	6
Approximate loss \$1,200	

Brush, Grass and Woods fires	56
Approximate acreage 35 acres	
Vehicle Fires	27
Approximate loss \$17,950	
Boat Fire	1
Approximate loss \$500	
Electrical Fires	17
Mutual Aid Fires	20
Chimney Fires	8
False Alarms	4
Needless Alarms	5
Miscellaneous Fires	17
Total Fire Calls	169

Investigations:

Automatic Alarms	117
Smoke	59
Burning without Permit	8
Other	97
Total Investigations	260

Assistance Rendered

Elderly	5
First Aid	117
Cellars Pumped	116
Lockouts	13
Miscellaneous	97
Total Assistance	348

Washdowns	20
Ambulance Calls	709
Mutual Aid Ambulance Calls	44
Rescue Calls	10
Mutual Aid Rescue Calls	2
Standby	15
Fuel Spill	1
Bomb Scares	2
Motor Vehicle Accidents	76

Work Performed:

Feet on hose laid	Booster	3,325 ft.
	1-1/8"	4,950 ft.
	1-1/2"	4,440 ft.
	2-1/2"	3,450 ft.
	3"	1,750 ft.
Feet of ladder raised		618 ft.

Inspections Made	Applications Received	Permits Issued
Oil Burners	230	180
Heat & Smoke Systems	232	192
Oil Tanks	1	1
Blasting	2	2
Model Rockets	5	5

During the past year the Department responded to a total of 1,656 calls, up 431 over the previous year.

Again this year ambulance calls comprised a major part of department activities with 753 calls, an increase of 84. Of the total calls to which the department responded, ambulance runs accounted for 45%.

While the number of structure fires was nine less

than the previous year, the loss was \$55,700 greater due to the types of structures involved.

Response to motor vehicle accidents and rescue calls, while slightly less than last year accounted for 88 runs. The new Rescue truck, authorized at the Town Meeting was delivered late in the year. With the equipment carried for both light and heavy duty rescue, a tank and 250 gallon pump, and a 5kw generator to provide light, and power for rescue tools, it provides an efficient and needed addition to the department.

Five permanent firefighters have been certified as paramedics making possible the assignment of a paramedic on each shift. Additionally 14 other permanent men and 15 callmen are certified Emergency Medical Technicians (EMT's).

A three year contract between the Town and the Sandwich Permanent Firefighters covering the period July 1, 1976 through June 30, 1979 was signed on April 15. The contract reduced the average work week from 56 to 42 hours and necessitated the addition of 5 men. Effective July 1, David Currier, Brian Gallant, Robert Gilfoy, Barry Hillman and Ronald Santos were appointed permanent firefighters and Peter Beauchemin appointed lieutenant on the new shift.

Effective June 28, two CETA trainees were authorized for a one year period, providing additional manpower which has been extremely helpful particularly during the busy summer season and periods of vacation.

During the past year the department responded to 56 brush, grass and woods fires - an increase of 35 over the previous year. The 3,100 gallon diesel tanker which was put in service a year ago proved its worth in providing water for this type of fire. There were additionally a number of serious woods fires in neighboring towns to which the department responded on calls for mutual aid.

Due to the increasing amount of traffic on the county radio fire network, a second radio frequency was assigned to Sandwich and became operative in mid June. This is in line with plans of the county to have individual towns install their own radio fire alarm frequency, thus clearing the county network for mutual aid traffic and interdepartmental use.

In mid July a Soundscribe recording unit was installed in the dispatch room at headquarters. This unit records all incoming telephone calls, and permits the dispatcher to check on vital information in cases of doubt. It also records all radio communications for reference when required.

During the summer months the stations at East Sandwich and Forestdale were manned during the daytime hours. Also during the summer months a part-time dispatcher was employed on Saturday

and Sunday between 8:00 A.M. and 4:00 P.M. During the big storm in January all stations were manned as well as at other times when it was felt an emergency existed.

A suitable tract of land is still being sought in the South Sandwich area for the location of a future station in this rapidly growing section of town.

A new and larger fuel oil tank was installed at the headquarters station replacing the smaller tank which had been in use since the original construction of the building. The headquarters station was also painted by students from the Upper Cape Vocational School and a new ceiling was installed in the stations meeting room.

The gable ends of Station 3 in Forestdale were sand blasted and repainted and the fuel oil tank replaced.

The roof at Station 2 in East Sandwich will have to be resingled. Youngsters have climbed on the roof breaking off shingles causing considerable leakage. An article will be submitted requesting funds to have the roof resingled.

During the past year 298 persons have visited the station to have their blood pressure checked.

The Chief reminds all citizens that during periods when burning brush is allowed that a permit is necessary.

Citizens installing wood stoves are reminded that such installations require a permit. Questions concerning wood stoves should be directed to the building inspector or Chief of the fire department.

At the present time there are vacancies in the Call department at the Sandwich, East Sandwich and Forestdale stations. Applicants must be between the ages of 18 and 35 and in good physical condition. Availability to respond to alarms during the daytime hours, as well as availability to attend special training and drills is of primary importance.

To report a fire or to request the ambulance, the number to call is 888-2323. Stickers which may be affixed to telephone instruments showing this number are available at the headquarters station.

The Board of Engineers and the Chief gratefully acknowledge the cooperation and assistance of other town departments and officials, and extend their thanks and appreciation to neighboring towns for their valuable assistance when called upon for mutual aid.

Respectfully submitted,

BOARD OF FIRE ENGINEERS

The five trustees in charge of the Clark-Haddad building are pleased with the attitude and cooperation of all those who use the premises and assist in keeping it the clean and happy place that it is. They are also very appreciative of the most generous donation of equipment furnished by the Sandwich Woman's Club that they received this past year.

Signed,

Clarence VanBuskirk, Chairman
Carl Bazzinotti
Dennis Earle
Clifford Perry
Ernest A. Oetinger

Report of the CLARK-HADDAD MEMORIAL BUILDING TRUSTEES

The Town of Sandwich is indeed fortunate in having this grand old (1885) school house as a community function building. Situated on Dewey Avenue in the old glass factory part of town close to the center of things yet so situated as to be away from the heavily trafficked areas. It overlooks the marshes where the old harbor had been and the wooden foot bridge and the sand dunes beyond. Easy to get to with ample and easy parking space at hand; a truly nice place for small or moderately sized groups to meet in and carry on their chosen pursuits. At present there are over a dozen different organizations using the building on a regular schedule. The Boy Scouts Pack 47 meet each week on Wednesday evening throughout the year and the Sandwich Woman's Club holds a once a week reservation for one of their activity groups. The Extension Service meets once a month as do the Arts and Crafts Club and the Sandwich Gardeners. More recently the newly formed Widows and Widowers Club meets there on specific Sundays and the two political clubs and the Business Mens Club meet there whenever they have the need. Various theatrical groups seeking a place to rehearse make frequent application for permission to use the quarters. The Sandwich Council on Aging since its inception has conducted its programs such as the Drop-In Center there for socialization and recreation on Wednesday and Friday afternoons and twice a week free art classes are conducted there. All Council trips leave from the Clark-Haddad Bldg. and each week Monday through Friday the Elder services of Cape Cod and the Islands uses the kitchen facilities as a preparation and dispersal point for their Meals on Wheels Program.

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen and
Citizens of Sandwich

Submitted below is my thirteenth Annual Report as
Public Health Nurse for the Town of Sandwich.

Home and office visits continue to be the ever pre-
sent and primary responsibilities of the Public Health
Nurse and include skilled nursing care, maternity
care, health teaching and health supervision.

A revised Manual was completed this year by the
Town of Sandwich Nursing Agency. The Manual
contains the criteria to meet the conditions of par-
ticipation of the Medicare and Medicaid Programs,
and contains other pertinent information regarding
the Agency.

An extension of the Geriatric Counseling Program
was added in March. Senior Citizens may have Blood
Pressures taken on Friday afternoons from 2:00 p.m.
to 4:00 p.m. at the Public Health Office. If it is more
than a monthly visit orders from the patient's private
physician is necessary after the initial visit.

Medicare recertification was received in February
and the department was recertified in May by the
Massachusetts Department of Public Health for
participation in the Medicare and Medicaid Pro-
grams.

The agreement for Home Health Aide service was
renewed with Cape Cod Homemaker-Home Health
Aide Services, Inc. in July. Agreements with the
Falmouth Nursing Association, Inc. were renewed
in July for Occupational, Physical, and Speech
Therapy.

PROFESSIONAL ADVISORY BOARD

The Town of Sandwich Nursing Agency Professional
Advisory Board held four regular meetings during
1977. Quarterly reports were submitted by the Public
Health Nurse and Clinical Record Review Subcom-
mittee. Subcommittees met as necessary during the
year and reported to the Professional Advisory Board
at the regular meetings.

New members appointed and welcomed to the Pro-
fessional Advisory Board were: Hilda Bartley, Elaine
W. Cary, Paul R. Desilets, Robert H. Ellis, Barbara
C. MacNeil, Kathleen C. McGongagle, Kathleen A.
Nickerson, Ellen G. O'Neil, David P. Persson, Janice
M. Peterson, Carol A. Stundis, and Mary E. Swan.

The Professional Advisory Board appreciates the
services of the members who resigned: Elizabeth S.
Beale, Betty E. Bridges, Robert H. Ellis, Benjamin
D. Fleet, and Ruth B. Kelley.

A special recognition to Ruth B. Kelley, who has been
a member of the Professional Advisory Board since
it was established in July 1966.

Appreciation and thanks to the Board of Selectmen, various Town Departments, Townspeople and volunteers for their help and cooperation during the past year.

Respectfully submitted,

Frances M. Silva, R.N.
Public Health Nurse

Report of the BOARD OF HEALTH

To the Honorable Board of Selectmen and the Citizens of Sandwich

The monthly meeting of the Board of Health continues to be held on the first Tuesday of each month. The time is 7:30 p.m. and the place is the Town Hall. This will continue until further notice. The business hours are from 8:30 a.m. - 10:00 a.m. Monday thru Friday. Complaints can be submitted at any time in written form.

The Disposal Area has been officially accepted as legal sanitary land fill by the State Dept. of Environmental Quality Engineering and the Dept. of Environmental Management (Division of Solid Waste). The Whitman and Howard Engineering Co. make inspections and reports to these Depts. as required by the Operational Study of the disposal area. Whitman & Howard Engineering Co. on Jan. 11, 1978 tested the monitoring wells at the landfill. Samples were taken from the three wells and tested. The water is still of good quality. No significant changes were found in the ground water quality. The disposal area continues to operate very well under the direction of Albert Fournier with the aid of Alvin Crocker and Milton Fiske. The Board congratulates these people on doing a superb job for the Town of Sandwich.

In the coming year we anticipate the possibility of spending extra funds to maintain the slopes. Due to the heavy rains and snow the slopes continue to be a problem from time to time. A new section of fence was installed at the entrance this year. We may have to replace the fence along Rte. 130. We expect to place a large number of plantings along both fences this coming year. This will help to beautify the area somewhat and also help to contain papers within the area.

The Selectmen have met several times with Mr. Kendall the Director of the State Dept. of Environmental Management in order to renew the permit for the land. This land is owned by the State and comes under the jurisdiction of Mr. Kendall's Dept. and the

Division of Forests and Parks. The permit expires in 1978. An agreement has been worked out and should result in a new permit being granted for a period of Ten years. The Ten year period is based on the assumption that the area will be filled completely by that time. The Town of Sandwich will agree to leave the area in good condition so the land can be returned to the State to use as they see fit.

Kathleen Nickerson was elected to the Board of Health. Kathleen was elected to serve out the unexpired term of Allan Peterson. Kathleen represents the Board of the Nurses Advisory Committee as well as her other duties as Clerk. She has been doing work on the Recycling program. The Board will be asking for help in organizing a Committee soon. Watch for future news of this project in the *Broadsider*.

Ed Montague, Plumbing Insp. and Agent for the Board was forced to retire due to age requirement. Ed was the first Plumbing Inspector and full time Agent for the Town. Ed was the first Inspector to operate from the Town Hall, prior to that most of the work was performed at the home of the Chairman of the Board. Ed established a system of maintaining records and enforcing the codes and regulations passed by the Board of Health. He did an excellent job for the Board and the Town. It was a pleasure to work with him and we will miss him. The Board wishes him well in his retirement.

Title 5 of the State Sanitary Code became law as of July 1977. It is a stricter code than was Article XI. More land is required for a system in order to have a reserve in case of failure of a system. Most of the regulations have been observed and enforced by this Board for the last several years anyway. This Board has stepped up its enforcement of subsurface sanitary disposal systems. The Board is also starting a system of checking marginal areas to be sure the systems meet the regulations and standards of the Board. We will be making various tests around town in order to enforce the requirements of Title 5. The Board will have to do some inspections that were formerly done by the State. We anticipate no problem at this time. The County Sanitarians will continue to help with inspections as requested from time to time. The plans for all systems have to be drawn by professional Engineers and submitted to this Board or to the State Board depending on the size of the system. Percolation tests are required on every lot, these are done by professional engineers and observed by the Agent of this Board. Soil observation tests are also observed by the agent of this Board. Soil observation tests are required for all subdivisions.

Mr. Herbert Hamlen (Master Plumber) the former Deputy Insp. was appointed by the Board to be the Plumbing Insp. and Agent for the Board. Mr. Hamlen is familiar with the duties and regulations of the Board. Mr. Hamlen has been Deputy Insp. for about

ten years. As you can see from the number of inspections and permits issued, Mr. Hamlen is very busy year round. The Board expects for the next fiscal year we can operate with one person acting in a dual role. If in the next year with more building and the population increases we may consider hiring another person full time. We have the Barnstable County Sanitarians at our disposal now on a job to job basis. The County personnel check all the ponds and streams for water quality. They also check along with our own inspector all the Restaurants. This system has worked out well over the years and has saved a great deal of money for the Town.

Elected Officials

Robert H. Ellis	1980
Dennis Earle	1979
Kathleen Nickerson	1978

Appointed by the Board of Health

John H. Lewis	Medical Consultant
Miss Esther Howes	Health Officer (Director Barnstable County Board of Health)
Leo H. Decoteau	Sanitarian (Barnstable County Board of Health)
Herbert Hamlen	Inspector of Plumbing, Agent & Sanitary Installations
Mrs. Hilda Whitmore	Inspector of Animals
Albert Fournier	Supervisor of Disposal Area
Milton Fiske	Assistant
Alvin Crocker ...	Maintenance, Bulldozing & Filling

The Board of Health again requests that the citizens consider a municipal sewage system for the Town. Each year it seems more and more is heard about pollution to the environment. The talk will have little meaning if something is not done soon. There is a desperate need to protect the ponds, streams, creeks, beaches and marshes from possible pollution. Now is the time for meaningful action on the part of the people. The Board of Health has been doing its part to help in this direction and will continue to do so in the future.

Licenses and Permits Issued 1977

Methyl Alcohol Licenses	1
Recreation Camps, Overnight Camps, Hotels, Motels, Camps, Trailer Camps, Summer Camps	29
Garbage and Offal Permits	17
Funeral Director Licenses	2
Sanitary Installation Permits	32
Swimming Pool Permits	8
Sanitation Permits to install septic systems ...	302
Food Service Establishment permits	32
Complaints investigated	41
Plumbing permits	437
International travel certificates	6
Sub-Divisions investigated	2
Day care center permits	1
Milk Licenses	3

The Board appreciates the assistance and cooperation of all Town personnel and especially Marie Harrington who has done an outstanding job for us this year. Special thanks to the Barnstable County Health Board. Thanks to Mr. Oscar Doane Jr. for his good works on mosquito control and green head fly control around the streams and marshes. Thanks also to Frances Silva, Town Nurse and her Staff. Special thanks to Alvin Crocker and "Squeaky" for a job well done.

Respectfully submitted,

Robert H. Ellis, Chairman
Dennis Earle, Vice-Chairman
Kathleen Nickerson, Clerk

Report of the Barnstable County HEALTH DEPARTMENT

Through the provision of health protection and health regulation, health promotion, health services and health planning the department continues to meet its responsibilities.

Health Protection: Communicable disease control has focused on the Federally sponsored "swine flu" program. An additional registered nurse worked with the two public health nurse directors in coordinating the distribution of vaccine and syringes, in assisting towns in the planning for public clinics and in gathering statistics. Funding for this nurse was provided by the Massachusetts Department of Public Health to the Town of Barnstable directly.

The reportable diseases were:

	July-Dec. 1976	Jan.-June 1977	1976- 1977
Animal bites	56	91	147
Chicken pox	0	3	3
German measles	1	2	3
Hepatitis	9	7	16
Measles	1	0	1
Meningitis	1	2	3
Mumps	3	0	3
Pertussis	2	0	2
Rocky Mountain Spotted Fever	1	1	2
Salmonella	9	6	15
Scarlet fever	1	3	4
Shigellosis	1	0	1
Strep throats	18	27	45
Tuberculosis	2	3	5
Tularemia	0	1	1

Case finding, interpreting the epidemiologic procedures to be followed, and arranging for follow-up care, varied depending on the disease entity. Vaccines, diagnostic kits and supplies were distributed to phy-

sicians, public health nurses and health agents. Tuberculosis control activities have been an important part of the health department's program. Mantoux testing (a tuberculin skin test) mandatory for screening of all who work with children - teachers, volunteers, bus drivers and day care staff - is coordinated by the Barnstable County Health Department. Nursing home and residential home staff are also skin tested. Those needing further follow-up receive chest x-rays and medical evaluation at a Massachusetts Department of Public Health sponsored chest clinic. Barnstable County Health Department provides coordination of this follow-up with home health agencies, schools, day care centers and nursing homes in the fifteen towns of Barnstable County. The five cases of Tuberculosis occurring in the '76-'77 fiscal years as well as their contacts were also followed closely by Barnstable County Health Department staff.

Current information on international travel is received weekly. Travelers were advised on required immunizations and their international health certificates were approved.

The Barnstable County Health Department laboratory provided bacteriological analyses of samples of milk, shellfish harvesting areas, and well, pond and ground waters; this year chemical analyses have been done on selected water samples especially for the presence of nitrates which would also indicate pollution.

A determination of freedom from lead paint is now required under certain rules and regulations pertaining to buildings where pre-school children would be. The chemical examination of paint-chip samples for lead paint is a simple method which we now use. We hope to improve the scope and caliber of this testing service. The extent of lead poisoning in children is not known, information seems to indicate that it is sub-clinical if it exists at all.

In addition, sanitarians provided utensil swab studies, inspections of restaurants and mobile food services, also inspections of swimming pools, beaches and pond waters, of schools, and day care centers, and they work closely with health agents and Boards of Health in the enforcement of the Sanitary Code.

Health Promotion: Actually all aspects of health protection include health promotion, since the staff provide scientific data and offer educational services. Work-shops for Health Agents were held, as well as three workshops for Day Care Center Staff.

A planned series of five seminars was held for community health nurses on the subject "The Role of the Community Nurse In the Care of the Cardiac Patient," with continuing education units granted, 31 nurses attended. Additional programs were offered in mental health, tuberculosis management, alcohol-

ism, and an average of 25 attended each session.

School programs on "Postural Screening" were held in the Nauset Regional Schools; 36 nurses, physicians, physical education staff and administrators attended, with 0.4 continuing education units offered.

Classroom education in dental health and assistance to nurses and teachers was offered in seven elementary schools. The Dental Hygienists Association met monthly with planned study clubs for credits.

The medical social worker has participated in the planning and implementation of a series of workshops provided through the Mental Health Continuing Education Consortium. This project was funded by the Department of Health, Education and Welfare and developed by McLean Hospital, New England Medical Center and Boston University School of Social Work.

The first conference was for the non-professional providers of patient care in long term care facilities.

The Health Resource Center at the Cape Cod Community College is co-sponsored by this department. Two public meetings were held to demonstrate the use of the audiovisual equipment, available for members to borrow, and the types of teaching materials available on loan.

Health Services: Dental screening, prophylaxis and fluoride treatment were given to elementary age children in the schools.

Consultation to the school nurses, assistance in the development of health policies and regulations pertaining to the use of psychotropic drugs, discussions about applications for waiver from the existing state requirements, instruction in administration and reading of tuberculin skin tests were services provided.

Seven home health agencies involving eleven nurses and three visiting nurses received supervision as needed, attendance at their professional advisory committee meetings, preparation and participation in surveys for medicare certification. All seven agencies were re-certified. In-service education opportunities were provided or obtained for them. Leadership and participation in regional planning for these agencies continues with the Southeast Regional office of the Department of Public Health and the Massachusetts Association of Community Health Agencies. Consultation has been provided to the staff and administration of the Falmouth Nursing Association and the Visiting Nurse Association of Central Cape Cod.

Medical Social Services were expanded, with a full-time graduate student from Boston College School of Social Work for two semesters. Conferences and assistance to families is on a confidential basis, and arranged in conjunction with medical direction and objectives; guidance for other health professionals has been provided.

The Handicapped Children's Clinic has served 387

children and their families. Staff has participated in CORE evaluations at schools, have made recommendations for recreation and camp opportunities. Following an inquiry and a medical referral, families are visited at home prior to coming to the clinic and then followed as needed. We have participated in a management study conducted by research staff from M.I.T. under contract with the Division of Family Health Services. We have been most fortunate in having the full support of the staff and Trustees of Barnstable County Hospital in the use of facilities for clinical sessions.

Health Planning: The compilation of monthly statistics, the documentation of inquiries for services, the participation on committees, the discussions at monthly staff meetings, the on-going self-evaluation of personnel and of services, provide a base for planning.

Of major importance has been involvement with the new Health Systems Agency of Region V, and membership on the sub-area Council here, and on the task force on Health Promotion and Prevention of illness.

Staff are serving on planning and advisory committees of Elder Services, of Office for Children, town government, of Department of Mental Health, of Barnstable County Hospital, of Cape Cod Hospital, of the 208 Wastewater Management Project, of Home Health agencies.

The Department personnel has included:

The County Health Officer:

Esther G. Howes, R.N., M.N., M.S., Certified Health Officer.

Professional Staff:

Mary L. Casey, R.N., M.P.H., Public Health Nurse Director.

Kathleen Davie, R.N., M.S., Public Health Nurse Director.

Bonnie L. Farmer*, R.N., B.S., Public Health Nurse Director.

Janet Negus*, R.N. Temporary, Massachusetts Department of Public Health.

Alice a. Dalzell, R.D.H., Public Health Dental Hygienist.

Elizabeth Maginnis, M.S., A.C.S.W., Medical Social Work Consultant.

Judith A. McNamara, M.S.W., Medical Social Worker
Barbara J. Fenner, R.P.T., B.S., Public Health Physical Therapist.

Florence Whitely*, R.P.T., B.S., Public Health Physical Therapist.

Leo H. Decoteau, R.S., B.A., Public Health Sanitarian, Certified Health Office.

Richard DeLuca*, B.S., Sanitary Inspector, temporary position.

Stetson R. Hall, R.S., B.S., Public Health Sanitarian, Certified Health Officer.
Bruce Murphy*, R.S., B.S., Sanitary Inspector, temporary.
Richard M. Sturtevant, R.S., M.S., Public Health Sanitarian.
Nancy Komenda, B.S., Public Health Chemist, CETA employee.
Sandra B. Jones, Laboratory Technician.

Clerical Staff:

Ruth J. Alvezi, Principal Clerk
Sandra H. Drozell, Senior Clerk-Stenographer
Mary E. Dwyer*, Senior Clerk-Stenographer
Annette Grant, Junior Clerk-Stenographer
Carol M. Hunter, Head Clerk

* Resigned

**Report of the Sandwich
COUNCIL
ON AGING**

To the Board of Selectmen:

Councils on Aging were first mandated under State law in Massachusetts in 1956. Barnstable was the first Town on Cape Cod to establish the Council on Aging in 1963. Not until 1972 was a Council on Aging established in Sandwich to carry out the mandated responsibilities of:

- (1) to identify the needs of the community's elderly population and available resources;
- (2) to educate the community at large in the needs of the elderly, and
- (3) to design, promote and implement needed services and to coordinate with existing services for the elderly.

Many Councils throughout the Commonwealth meet this charge through implementation of innovative programs and services, for most of which is the establishment of multi-purpose senior centers, within centrally located facilities where educational, recreational, preventive health programs, information and referral, reassurance and other supportive activities can be provided.

The Town-owned Clark-Haddad building is used as the Council on Aging Center for recreational, educational, and preventive health programs. But referral, reassurance and other supportive services have had to be handled from an office open four hours daily in a small room of the Dunbar House, where the Services Coordinator Bradley Kellogg, and Senior Aide Secretary Mary Stout are located.

Volunteers are recruited to serve the elderly through the office and at the Center. The Council on Aging, the only Town-appointed body using the Clark Haddad, shares it with ten other community organizations, three of which meet weekly, and the others monthly or on occasion.

It has been realized for some time that the Council could operate more efficiently and effectively under one roof and efforts were initiated this year to have the office moved into the Clark Haddad building with hours adjusted to prevent interference with other groups using the building.

Early this year the Elder Services of Cape Cod and the Islands received federal funds for a Nutrition Program for persons aged 60 and over and their spouses who need help in adequate nutrition regardless of ability to pay.

In February, in consultation with Town Nurse Silva, Clergy, Council members, and Bradley Kellogg, the Elder Services Social Worker for this area presented the possibility of limited Meals-on-Wheels (MOW) for seniors in Sandwich with assurance that the Clark Haddad kitchen could be used. Meals are prepared and processed at Craigville Conference Center and delivered to Council Centers throughout the Cape for distribution by volunteers. A CETA Coordinator is employed by the Nutrition Program for each Center. Christine Mitchell became the Sandwich MOW Coordinator when the service was implemented on April 20th for 22 seniors to receive meals on Monday, Wednesday and Friday only. Volunteers were recruited through the churches and civic organizations to make these deliveries. When MOW was expanded to five days a week more volunteers responded to the call. No Town Funds are used for this program. One Friday as the meal was delivered to a man over 90, living alone, he said that he would save it for Saturday and then it wouldn't be so long until Monday when his next meal would come!

During 1977, 33 volunteer men and women delivered up to 119 meals per week to 48 different participants totalling 3,302 meals. Food service for seniors at the High School was reduced in 1977 to one day a week under a new class plan and was of limited value but luncheons at Upper Cape Vocational twice monthly continued to be popular.

During 1977, there have been many changes in the Council. Tribute was paid to Lucile Fleet who resigned in January, and in June to Former Chairman Ernest Oetinger, Elizabeth Beale and John Hazen on expiration of their terms, and to Katherine Holmberg and Richard Fox who resigned. William Adolfson, Hilda Bartley, Ruth Nelson and William Ludlow were appointed to the Council in July, later joined by Eleanor Gaffney and Dennis Waitekunas.

Each member carries specific responsibility on a volunteer basis for Council activity.

William Adolfsen for Transportation, following through on securing the Council Mini-Bus delivered in December; Hilda Bartley as Council representative on the Nursing Advisory Committee and assisting in Center programs; Margaret DesBarres as Vice-Chairman, and chairman of the by-laws; Mary Funk as chairman for all Center programs; Eleanor Gaffney as Council liaison with the Community School; Hazel Keith in charge of finances, the Dunbar office operation and MOW; William Ludlow handles publicity, assisted by Herb Nelson who runs trips for seniors and is legislative chairman; Ruth Nelson, is Council secretary; Dennis Waitekunas is chairman of housing and property; Isabel Pifer has served as Chairman since July.

Council trips are popular. Herb Nelson reports 11 taken in 1977, one for two days with just under 700 total participation. Bigger plans for 1978 include a four day trip to Washington, D.C.

Drop-In socializing at the Center Wednesday and Friday afternoons including monthly covered dish luncheons and the annual Christmas party, with Blanche Skelly as hostess, brought a total attendance of 2,520 seniors. Popular painting and copper tooling classes arranged by Mary Funk reached a total of 593. Enthusiastic bridge players have met Thursday afternoons.

A most important service under Bradley Kellogg's direction is the regular reassurance calls to 135 seniors with 12 volunteers assisting in making these calls from their homes to release the office phone for other business; 273 friendly visits and 281 errands and appointments were handled by Bradley Kellogg.

Appreciation is expressed to the Clark Haddad Trustees for making the building so attractive and available to the 1,494 senior citizens of Sandwich, to the Selectmen, and all Town personnel for their continuing interest, aid and encouragement, and to the Citizens of Sandwich who have given loyal support.

Respectfully submitted,

William Adolfsen
Hilda Bartley
Mary Funk
Eleanor Gaffney
Hazel Keith
William Ludlow
Herbert Nelson
Dennis Waitekunas
Ruth Nelson, Secretary
Margaret DesBarres, Vice Chairman
Isabel Pifer, Chairman

Report of the Sandwich PUBLIC LIBRARY

Total Volumes in the Library Collection	27,740

A brief comparison of the 1976 figures with the 1977 ones shows a steady growth in all major library areas: circulation, registration, and the book collection.

The library's physical plant limitations remain the single most disturbing problem for the Trustees and the staff. Planning for an addition has been going on for four years now, and it is hoped that 1978 will see some of these plans brought before the citizens of Sandwich for their consideration.

Space does not allow me to personally thank all those individuals who donated their time or materials to the library. No small part of the growth shown in the preceding figures is due to the contributions of these people. Thanks also to the staff who, in continuing their dedication to the principle of outstanding public service, have allowed the Sandwich Public Library to maintain its reputation both in the community and in the library world outside Sandwich.

Respectfully submitted,

Richard J. Connor
 Librarian

Report of the **SANDWICH COMMUNITY SCHOOL**

To: The Board of Selectmen, Town of Sandwich
 Sandwich School Committee and
 Citizens of Sandwich

Sandwich Schools are for everyone . . . educational experiences are available for people of all ages. The school buildings belong to us all and the facilities are available to everyone in the community seven days a week! The townspeople have responded with remarkable enthusiasm to the concept of education for the whole community which was implemented by the Sandwich School Committee in 1975, and has been carried out by the Sandwich Community School Executive Council and staff.

The Community School acts as an umbrella for a variety of activities which are social, cultural, recrea-

tional, and/or academic. The programming is designed to enrich and/or improve skills for people of all ages and backgrounds. One community service being offered through our program is the availability of school facilities to local organizations, committees and boards for meetings and activities. Over seven hundred community activities will be scheduled and organized through the Community School Office during this year.

Another service is a coordination of community resources. We maintain a list of people with various skills and a list of available materials. This is information which has come to us naturally through the variety of local activities in which we become involved on one level or another, and enables us to act as a clearing-house of information for the entire community.

The Arts Council, Town of Sandwich, a sub-committee of the Community School Executive Council, reorganized during this year and is becoming an active voice in the cultural lives of the townspeople. They cooperated this year with a number of local groups to bring to Sandwich drama and music. They supported theater and concerts for children and made available theater and dance workshops for people of all ages. Also, under their auspices was a training program for local people in the technical use of the auditorium. Under the guidance of Corey Perks, local theater groups had the opportunity to have their own technicians trained in staging and lighting.

Informal recreation programs continue with great success. During this year, local residents used the gyms for basketball, volleyball, jogging and karate. In order to use the facilities on a regular, informal basis for recreation, we require a volunteer supervisor who agrees to be present at every meeting, and the group to be made up of Sandwich residents. Call our office if you are interested in organizing a group. Also, under the Community School, a mixed-doubles league in tennis started this fall.

A gymnastics program for children grades 4 through 12 was organized and financed jointly by the Community School and Recreation Committee. Over 180 children were enrolled in this program.

The pre-school play program was expanded to two groups on two mornings this year. This program is organized, planned and carried out by mothers for children from 18 months to 3 years. This year the program was under the direction of Lynne Blake, Chris Smith, and Mary Swan. It is a pleasure to see the beautiful child care room in the High School being so well utilized by this group of Sandwich mothers and children.

The Adult Education program continues to grow and has been financially self-funding for the past two years. Open houses following each term were well

attended and this year included displays and exhibits by many local organizations — so it was truly a community effort.

Carol MacLean, a member of the Community School Executive Council organized meetings for newcomers in Town to provide them with information about Sandwich. The Community School also is working with a newly organized group for widowed persons.

A community-wide needs assessment is being organized by members of the Community School Executive Council with input from all local agencies and organizations. This is a requirement for receiving any federal funds. The results will be made available to anyone who is writing a grant proposal.

In the planning stages are programs in adult counseling and after school day care for elementary school age children. Input from citizens on these or any areas of the Community School are welcomed.

The most exciting part of the whole community education process is citizen involvement. Thanks to the hundreds of you who have been involved in some way this year!

Respectfully submitted,

Gale B. Ewer
Sandwich Community School
Director

Report of the Sandwich

COMMUNITY SCHOOL POOL PROGRAM

To: The Board of Selectmen, Town of Sandwich
Sandwich School Committee and
Citizens of Sandwich

This past year, the programs and attendance at the pool continue to grow and go forward.

Last April, the Pool celebrated its first Birthday party and what a grand night it was. Cake and punch was served in the lobby, provided by parents under the guidance of Mrs. Ronald Weimar. The Pool was full to the brim with people of all ages.

This summer, in addition to Open Swims and Class Instructions in the evenings, a Competitive Swim Camp was held daily for six weeks. The Camp ran for two, three week periods and was highly successful, both for participants and financially. The sum of \$2,100.00 was returned to the Town for this venture alone.

Memberships continue to go well with a large increase in family use of the pool. These memberships are always available on a year round basis.

Also being offered are Congratulatory T-Tinies messages to our newest citizens in Town with encouragement to join our swim program at the right age. Family Snorkling and Small Craft Boating proved to be successful and popular with those who attended. Senior Citizens Swim on Saturday mornings has proved to be another popular addition.

There are nine employees currently on the Pool Staff who come and go depending on their teaching schedule. All are a credit to the excellent quality of the Pool Program and your safety. One of our newest additions has been the use of a student teaching aide. Caroline Freitas, a sophomore at the High School has been filling that position extremely well. We have in the past, also, used qualified students as Lifeguards.

Future programs will be the re-instating of the Sr. Life Guard Class and the addition of Water Safety Instructor in cooperation with the Cape Cod Chapter of the American Red Cross.

We are fortunate to have a diligent Pool Committee, chaired by Mrs. John McArdle, who works many volunteer hours.

There are many in this Town who have been of invaluable service to the Pool Program, but there is one person, in particular, who deserves special recognition. Mrs. Owen Gaffney, currently Chairman of the Community School Executive Council and past Chairman of the Pool Committee, was largely responsible for the initial success of the Pool Programs and its availability to the people of this Town.

While we continue to grow and improve, we always welcome your suggestions and we have and will continue to appreciate your understanding and patience when we have had minor malfunctions with the machinery that operates the pool at its high standard.

Respectfully submitted,

Diane H. Babbitt
Sandwich Community School
Pool Coordinator

Report of the SCHOOL BUILDING COMMITTEE

To the Board of Selectmen
and the Citizens of the Town of Sandwich

The year 1977 was a year of frustration for the School Building Committee.

The Committee met once a month, plus some special meetings to discuss the suit brought against the Town by Franchi Brothers Construction Corporation. Some members of the Committee also made many court appearances, especially, Mr. Frank Bess, as the suit progressed in the courts. At the present time, the case is being heard by a Master and he in turn will present to the courts, a finding of facts.

To review the litigation, as stated in previous reports, Franchi Brothers Construction Corporation has filed suit charging the Building Committee is withholding funds in an arbitrary manner and attempting to recover costs above and beyond the original bid such as fields and grounds, sewerage disposal system, masonry light pole bases, gym flooring and the fly gallery located in the stage tower of the auditorium. This suit involves \$713,000 plus interest from December 1975.

The Building Committee, in order to expedite the suit and to help research some of the claims made by Franchi Brothers, has hired two consultants, Mr. Hall Nichols and Mr. George Byl. Mr. Nichols is a considered expert in the field of construction and his reports and testimony have proved invaluable over the past year. Mr. George Byl, a consulting engineer has inspected the high school building and prepared reports for us in the suit against Franchi Brothers Construction Corporation. These two gentlemen also have spent many hours with our town counsel, Mr. Alan Green during 1977 to help prepare our case.

However, all was not frustration in 1977 as the Building Committee did turn over the tennis courts and the handball courts to the Town. These two play areas have brought many hours of pleasure to local citizens.

The Committee had hoped that the year 1977 would be our final report to the Town. We do feel, however, that the time and effort given to litigation in 1977 will bring a decision in 1978 and thus allow full use of all play areas at this time next year.

In closing, I wish to thank my fellow Committee Members for the long hours of service, the Superintendent of Schools and his staff who are constantly working on the project and all school personnel whose patience and understanding are appreciated by the Committee.

Stanley Torrey, Chairman
Sandwich School Building Committee

Report of the Upper Cape Cod Regional VOCATIONAL- TECHNICAL School District - 1977

To the Citizens of **Bourne, Falmouth, Marion, Sandwich**
and **Wareham:**

In compliance with Section 13 of the Agreement between the towns of the district, this annual report is submitted.

The membership of the Committee follows:

Town of Bourne Frederick W. McComiskey,
Vice-Chairman
Peter N. Way
Town of Falmouth James M. Crossen
M. Gregg Hibbs
Town of Marion Helen G. Westergard
Town of Sandwich Edgar E. Caron, *Chairman*
Town of Wareham Robert T. Joy
William E.C. Warr, III
Treasurer Peter N. Way
Assistant Treasurer Martha B. Overlock
Secretary and
Superintendent-Director Arthur L. Sweetman

During the past year, our students have continued their service to the five towns by working on community and church projects that they could not otherwise afford. We welcome these community projects because of the excellent learning experiences and because the cost of the materials used for this training is paid for by the organizations which helps to lower the cost of instructional materials used by the school. At the same time it saves the taxpayers in the five communities a large amount of money in labor costs.

Among the various projects are the completion of the Swift Memorial Church Parsonage; painting of the panels and trim on four housing units for the Wareham Housing for the Elderly; cement canopies and brick wind walls for the Massachusetts Maritime Academy and the building of wooden decking for the Bay State Training Ship; construction of steps, remodeling the interior, and installation of emergency lights for the Knights of Columbus facility in Buzzards Bay; painting and paneling the interior of the Wareham Lodge of Elks; assisting the Bourne Chamber

of Commerce in their scallop festival; and reshingling the roof of the Knights of Columbus building in Falmouth. Two ongoing projects are the renovation of the General Leonard Wood Building for the Bourne School Administration offices and the construction of a boat house at Wakeby Pond for the Town of Sandwich.

Projects within the school continue to utilize all of the shops. The Food Trades Department serves meals three days a week on a rotating schedule to the senior citizens of our towns. Our Cosmetology Department services patrons from the nearby communities on a daily basis. We have extended our irrigation system to encompass the front section of our lawn and continue to do all major building repairs and maintenance on all our vehicles, snow plow, and grounds equipment. Solar heating is now being incorporated into the Plumbing and Heating Department in an effort to provide greater job opportunities in this new and expanding field.

The Regional School District Committee voted to phase out the Drafting and Metals Programs because of the lack of student interest over the past years. An upholstery and canvas work program will be instituted in the drafting area this spring, and a marine services program will be started in the metals shop within two years. The Committee also voted to submit a proposal to initiate a Title I program and to apply for funds in the amount of \$16,500. Under this program economically deprived students will be aided in overcoming deficiencies in reading and mathematics.

On September twentieth ceremonies were held naming the school library the *Edgar E. Caron Library* to honor our chairman and in recognition of his years of dedicated service to the Regional School District since the formation of the district.

The Regional School District, in the way of financial assistance in 1977, received \$498,090 representing approximately 90% of the 50% reimbursement for net operating expense for 1975-1976. Also received were the following: \$93,866 for transportation for 1975-1976; a library grant of \$1,369.48; \$14,646.72 under PL 81-874 for federally connected pupils; \$281 for Special Needs; and \$62,949.32 for the annual construction grant.

Additional aid under Chapter 71, Section 16D, is now based on the amount each town contributed to the district and is paid directly to the district. This year the regional school district is entitled to receive \$84,464. At the present time this aid will be distributed at a proration of 74.66 percent.

It is with deep regret that I report the death of our Chairman, Edgar E. Caron, on December 23, 1977. Mr. Caron was appointed to the original school district committee in 1963 and served as chairman of the committee from 1966. School committee members, employees, and all residents of the re-

gional school district have lost a leader, a friend, and an advisor—one who was always willing to give freely of his time and energy. We will all remember his outstanding contributions to the regional school district.

In a report like this I would be remiss if I did not thank my fellow members of the School Committee for their efforts and their willingness to meet whenever necessary and for being able to make important decisions without hesitation, which is so essential in the operation of any school. Thanks and sincere appreciation should be extended to all personnel employed by the school district, to our advisory board members, and to town officials and school personnel in our district for their interest, concern, and support.

Frederick W. McComiskey
Vice-Chairman

Upper Cape Cod Regional Vocational-Technical School District

GENERAL INFORMATION

School Committee Meetings

School Committee meetings are held at 7:30 P.M. on the fourth Wednesday of each month at the Sandwich Jr.-Sr. High School.

School Entrance

Kindergarten:

Any child whose parent or legal guardian is a resident of the Town of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

Grade 1:

Any child whose parent or legal guardian is a resident of the Town of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that each child shall attend school beginning in September of the calendar year in which he attains the age of six years.

Birth Certificate

A birth certificate is required for all children entering the Sandwich Public Schools for the first time.

Medical Requirements

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor. A physical examination is mandatory.

No School

Every effort will be made to have school whenever feasible. On days when transportation by bus is

impossible, school will not be in session. Notice will be broadcast over radio stations WQRC, WPLM, WOCB, WCIB, WCOD, WBZ, WVLC, and WSDH at 7:00, 7:30 and 8:00 A.M. In addition, there will be signals from the Fire Stations at 6:45 A.M. for the High School and 7:45 A.M. for the Elementary School as follows: four signals from the East Sandwich and Forestdale Stations and the Sandwich Station will sound the two, pause, two signal four times. In the event that it becomes necessary to close school before the regular dismissal time due to power failure, severe weather conditions, etc., the above radio stations will broadcast this information at 12:00 Noon.

Report from the SUPERINTENDENT OF SCHOOLS

To the School Committee
and the Citizens of the Town of Sandwich:

With the opening of the new Sandwich High School on Quaker Meeting House Road in East Sandwich in 1976, the citizens of Sandwich rightly celebrated the achievement of a long-sought goal—the elimination of overcrowded classrooms and the provision of adequate housing for all students in the system. Though the echoes of the headlines and commendations lingered, it was clearly time to resume the day-to-day tasks, which ultimately are the real and lasting reward.

For the fourth year in a row, Sandwich citizens were invited to take a first-hand look at the school budgeting process in a series of preliminary meetings beginning in January. Those attending the meetings were able to question and to comment before the final hearing at which the School Committee approved the budget.

Approval of the budget was not, however, the end to financial reckoning. With the October 1st elementary school enrollment at 888 (a 7 per cent increase over last year), projections indicate that the building will reach its design capacity of 900 before the close of the current school year. With the October 1st junior-senior high school enrollment at 798 (a 12 per cent increase over last year), projections allow only three to five years before the capacity of 1,000 is reached. In the last seven years, the school enrollment has doubled; if population projections hold true, the need for a school construction project appears to loom in the near future. School Committee members have launched on a program to investigate both the feasibility of renovations to the 1927 Henry T. Wing School as well as the acquisition of land for satellite elementary schools in the outlying areas of greatest need.

Communication of all kinds and at all levels emerged as the keynote of the school year.

The Parents Advisory Council (PAC), which originated two years ago at the elementary school as an organization to provide two-way communication between parents and the schools, published a monthly newsletter and a school handbook.

In the area of communication on another note, the music departments at both schools were heard loud and clear. The Orff-Schulwerk approach to teaching music at the elementary school emphasized the total growth of the child through the medium of music. Also at the elementary school a chorus of one hundred combined their talents during after-school rehearsals, which culminated in a successful evening concert. The talents of students and parents were combined at the high school in an effort to raise money to send the Marching Band to Disney World where it has been invited to play in March, 1978. The band marched itself to several first place awards in five holiday parades. The always-active secondary school chorus hosted an exchange concert featuring the Kingswood Regional High School Chorus from Wolfeboro, N.H., and again recorded its excellence by having five of its members accepted into the Southeast District Chorus.

WSDH, 91.7 FM, the student-operated radio station continued to man the air waves. A United Press International teletype machine, installed in the fall, now provides the WSDH staff with news coverage of events beyond Cape Cod. Ninety per cent of the funding for this service was provided by grants from local businesses.

The Mohring, an educational program in restaurant training in operation at the high school, continued to communicate with members of the community via their taste buds. With daily dollar-specials and discounts to senior citizens, the restaurant is an increasingly popular lunch spot.

Communications through the medium of journalism continued at the high school as students of the staff of *Knight Time* met their monthly deadlines. *Pegasus* a magazine devoted to the creative writing talents of the secondary school students, made its debut in May.

In-service sessions for teachers this year sought to increase communication in the area of special-needs students. Speakers from within and outside the system explained teachers' widening roles in implementing Chapter 766; the goals of the Cape Cod Collaborative program for young people with severe emotional handicaps; and the increased availability of personnel within the Sandwich system, such as speech therapists and a school adjustment counselor, who are prime resources for teachers confronted with the problems of special-needs students.

Commencement exercises on June 3 saw the grad-

uation of 109 students and the awarding of over \$20,000 in prizes and scholarships. Eight seniors from Sandwich were graduated from Upper Cape Cod Regional Vocational-Technical School.

Finally, in an announcement both retrospective and forward-looking in its intent, the New England Association of Schools and Colleges awarded Sandwich High School its five-year renewal of academic accreditation. Renewal of the school's accreditation indicates successful implementation of the visiting team's recommendations. It is obvious that the day-to-day work and commitment of a school system devoted to excellence are being carried out.

The achievements of the Sandwich schools rest on the concerted efforts of the students, staff, and administrators of the system. Backing them with their generous, enthusiastic, and loyal support are the School Committee and the various Town departments and offices. I extend my thanks to all these participants and pay tribute to their commitment to excellence, which makes it a matter of pride to be associated with the Sandwich Public Schools.

Respectfully submitted,

Anthony D'Antuono
Superintendent of Schools

Report of the High School Principal

To the School Committee
and the Superintendent of Schools

The new Sandwich High School has now been in operation for two years and I would like to take this opportunity to express my thanks to all who use the building for the respect they have shown the property. In this age when publications are constantly citing the cost of vandalism in public schools, I believe that the people of Sandwich can be proud of the manner in which this community building has been maintained.

Education, however, is more than the physical setting. It is now the time to evaluate closely the effectiveness of our educational programs. In this past year the high school administration has concentrated on a program of staff development and evaluation. A more detailed classroom observation instrument has been designed and a uniform evaluation procedure has been initiated. Evaluation of programs and staff must be an on-going process whose primary purpose is the improvement of instruction. In these days of a "return to the basics" movement, coupled with the need to be accountable, educators must be certain that students in their charge are well grounded in the skills and knowledge needed not only to survive in our complex society but also to improve that society.

As a comprehensive high school, Sandwich must serve the needs of a student population which mirrors society. In all course offerings, students, regardless of level, must be challenged, and must realize that learning is not easy. Our goal must be excellence, for if we lose sight of that ideal we will only be tolerating mediocrity.

This end of the year report is actually a look forward which will initiate a process of long range planning that will continue to improve the education we are providing our students.

The high school administration welcomes the following new staff members: Michael Curcio - Special Needs; Janet Francis - Mathematics; Frances Tkaczuk - Science; Sandra Feeley - Social Studies.

I am certain that these individuals will contribute most effectively to our desire for excellence in education.

Respectfully submitted,

John J. Chisholm
Principal

Report of the Elementary School Principal

To the Sandwich School Committee
and the Superintendent of Schools.

It might be interesting some year to write an annual report and not mention growth; however, this year is not any different from all of these reports written in the past. I would venture to say everyone knows we continue to grow — more pupils, more teachers and now a need for expansion. The community presently has a committee studying this specific project, yet it seems like only last year we completed the present renovations and additions.

Growth from last year's report to this year in enrollment in the Elementary School is 824 to 888, or 64 more pupils; with teacher growth in all categories, 58 to 64 or 6 more professional staff. When I began my professional career in Sandwich in 1960, we had one sixth grade and one fifth grade teacher. We presently have eleven teachers in these two grades and project the twelfth for 1978-1979.

Our present educational programs and the time spent by pupils and teachers working and learning, seem to have proven themselves. Testing results indicate in the basics of reading, writing and arithmetic, that we have attained national norms on specific grade-subject levels, and exceed them to some degree. However, efforts must be maintained and increased in order to continue these standards and even improve upon them. This educational effort

Report of the School Nurses

To the School Committee
and the Superintendent of Schools:

The professional school nurse is responsible for the planning, development and implementation of a comprehensive health plan for all students. This program must include screening programs, health counseling and guidance, medical examinations, first aid and maintenance of health records. Referrals to community resources must be made when needed and assistance given in providing a safe and healthy atmosphere in which students are able to learn. In addition, students who have health problems or special health needs must be identified and assisted by the school nurse in adapting their schedules to meet their individual needs.

Each year students in the fourth, seventh and tenth grades are required to have a physical examination. Any student who engages in a competitive sport must also have a physical examination annually. Students have the option of seeing their own private physician or the school physician. This year Dr. John Lewis, M.D. conducted 575 physical examinations at the two schools.

The administration of immunizations is no longer considered a part of the school health program. Parents are urged to keep accurate records of all immunizations and to keep the health office informed concerning any immunizations received by their children.

A pre-school clinic was conducted at the Public Health office by Miss Frances Silva, R.N. There were 33 children examined by Dr. Charles Gleason, M.D. at that time and the following immunizations were given:

DPT	10
MMR	6
Polio	9
Tine Test	8

All school personnel must be certified free of tuberculosis every three years. Students who are engaged in the Food Services program must also comply with this law. Accordingly, one hundred and eleven people were tested this year and follow-up chest x-rays received as indicated.

Vision and hearing screening programs are carried out at every grade level. Parents are advised by letter of any deficiencies found during the test.

Home visits were made throughout the year in accordance with Chapter 766. Core evaluation team meetings were also attended.

Summer camp scholarships were given to fourteen Elementary School students and one Junior High School student. These scholarships were given

through the generosity of the Sandwich Lions Club, Camp Good News, Sandwich Teachers Association, Salvation Army (Sandwich), and the American Legion.

The Barnstable County Health Department sponsored a workshop on scoliosis at the High School in September. Dr. Luther Strayer, M.D. lectured and demonstrated the screening process. The afternoon program included a practice session and seventh and eighth grade students volunteered to participate in the program.

Mrs. Davis attended a two week workshop at the Eunice Kennedy Shriver Center for Mental Retardation. This was a workshop in the observation, assessment and evaluation of young children with developmental disabilities. It included the management of young children and adolescents in relation to sensory stimulation, feeding techniques and parent counseling. Theoretical content was taught in relation to clinical experience. This program was funded by a grant from the Federal Government.

Mrs. O'Neil recently completed the requirements of the Emergency Medical Services course which was taken through Northeastern University at South Weymouth. The 89 hour course included the theoretical and practical aspects of the administration of emergency patient care. Certificates were received from the National Registry of Emergency Medical Technicians and from the American heart Association in cardiopulmonary resuscitation.

Mrs. Davis and Mrs. O'Neil are both members of the Cape Cod School Nurses Association, Massachusetts School Nurses Organization and the Town of Sandwich Nursing Agency Professional Advisory Board. Meetings, conferences and seminars are attended whenever possible by one or both nurses.

The assistance of parents, volunteers, faculty, administration and the school physician are greatly appreciated in helping us to insure a comprehensive and effective health program for the Sandwich School System.

Respectfully submitted,

Ellen G. O'Neil, R.N.

Janet E. Davis, R.N.

ALMA MATER

*High on a hill o'er looking fields and marshes,
 proud stands out school clad in its verdant ivy.
 Her high ideals we'll follow on in pride,
 her triumphs ring forever more.*
*Our love we give to the O Alma Mater,
 we join our hands to sing praise to thee.*
*O radiant flame that burns the lamp of learning.
 A light so bright that shines for all to see.
 Your colors lead us forever through the years.
 Once more we pledge our love to thee.*
*We'll ne'er forget beloved Alma Mater
 our years with thee upon the hill.*

Sandwich High School Students Receive Scholarships

The Sandwich High School, Class of 1977, held their Graduation Exercises in the Sandwich High School Auditorium on June 3, 1977. During the ceremonies, 45 seniors divided in excess of \$20,000 in local scholarships.

David Kellogg, class valedictorian, received a Sandwich High School Association Scholarship, a Mary Baker Scholarship and the Bausch & Lomb Science Award.

Thomas Hendy, class salutatorian, received the Hannah B. Belcher Scholarship and a Sandwich High School Association Scholarship.

Receiving Mary Baker Scholarships were: Lisa Meeks, Catherine Cervantes, Laura Pell, Michael Glynn and Lisa Gagnon.

Michael Stephens was the recipient of the D.A.R. Good Citizenship Award.

Janice Tilley and Linda Pagani received Sandwich Health Association Scholarships. The Elizabeth T. VanBuskirk scholarships were awarded to Janice Tilley and June Reilly.

The George S. Wing Scholarships were awarded to Raymond DeConto and Amy Doherty.

Kathleen Hogan and Mark Thomas were recipients of the William Harrison Scholarships.

The Faunce Scholarships were awarded to Lisa Meeks, Donna Macomber, Elizabeth Stobbart, Karen McKee and Raymond DeConto.

Sandwich Women's Club Scholarships were awarded to Suzannah Jordan, Donna Macomber and David Weaver.

Rama Roell, Michael Stephens and Rita Jacinto were recipients of the Sandwich Teachers Association Scholarships.

Sandwich Men's Club Scholarships were awarded to Gary VanBuskirk and Constance Broder.

Other students receiving awards were: Nicole Gordon, Chamberlain Scholarship; Clare Kudara, Thornton W. Burgess; William Mahoney, John F. Clayton; Amy Lane, Cape Cod Bank and Trust Scholarship; Kevin Merritt, Alvah W. Holway; Donna Macomber, Muriel S. Torrey Award.

The Sandwich Lion's Club Scholarships were awarded to David Weaver and Laurel Brown.

Kathleen Vigliano was awarded the Floyd Folmsbee-YMCA Scholarship and the National Honor Society Scholarship.

The Pagani Construction Scholarship and the Barry Newhouser Memorial Scholarship were awarded to John Luciani.

Richard West was awarded the Sandwich Arts & Crafts Scholarship and the Bourne-Wareham Art Association Scholarship.

The Sandwich Cafeteria Employees Awards were presented to Greg Kapinos, June Duarte and James Douglas.

The Policemen and Policemen's Wives Association Scholarship was awarded to R. Andrew Brule.

The Edwin Zion Award was received by Kathy Vigliano and Carlos Holland.

Other seniors receiving scholarships were Catherine Cervantes, Sandwich High School Association; Debbie Durand, Hyannis, B.P.O.E.; Francis Reddy, Sandwich Junior Women's Club; Kevin Santos, Knights of Columbus (Bishop Daniel F. Feehan); Maryann Days, Student Council Scholarship; May H. Gaynor Memorial Scholarship; Eric Malcolmson, David Allen Memorial Scholarship; Greg Kapinos, Sandwich Firemen's Scholarship; Stephen Hall, Sandwich Sentinals Communications Scholarship.

The James H. Sibson Award was received by Mary Santos and Eric Malcolmson.

The Glasstown Players Scholarship was awarded to Donna Macomber, Karen McKee and Cathy Cervantes.

Nancy DeCubellis received the Harvard Prize Book Award given to an outstanding Junior by the Cape Cod Harvard Club.

NOTES

SERVE YOUR COMMUNITY

Residents of the community are a valuable natural resource. Town Government needs citizens who are willing to give time in the service of their community. This resource center is organized as a means of compiling names of citizens willing to serve voluntarily on Boards or Committees.

Names in this file will be available for the use of the Selectmen and Moderator, as well as all Town Offices. Send your application to:

SCHEDULE OF MEETINGS

Listed below are the scheduled meetings of Town Organizations.

BOARD OF SELECTMEN

2:00 P.M. - Town Hall
Each Monday

BOARD OF APPEALS

7:30 P.M. - Town Conference Room at
H.T. Wing School
2nd and 4th Tuesday (if hearing scheduled)

RECREATION COMMITTEE

7:30 P.M. - Town Hall
1st Monday each month.

BOARD OF HEALTH

7:30 P.M. - Town Hall Annex
1st Tuesday each month.

CONSERVATION COMMISSION

7:30 P.M. - Town Hall
2nd and 4th Wednesday each month.

SANDWICH HISTORIC DISTRICT COMMITTEE

7:30 P.M. - Town Conference Room at
H.T. Wing School
1st and 3rd Tuesday each month.

SANDWICH NURSING AGENCY PROFESSIONAL ADVISORY BOARD

8:00 P.M. - Public Health Office
1st Wednesday, March, June, September,
December.

PLANNING BOARD

7:30 P.M. - Town Conference Room at
H.T. Wing School
1st and 3rd Wednesday each month.

SCHOOL COMMITTEE

7:30 P.M. - Town Conference Room at
H.T. Wing School
4th Wednesday each month.

TRUSTEES CLARK-HADDAD BUILDING

7:30 P.M. - Clark-Haddad Building
3rd Friday each month.

SIGN CODE BOARD OF APPEALS

7:30 P.M. - Town Hall
1st and 3rd Tuesday each month
(if hearing scheduled).

When planning a special meeting, the above schedule should be consulted to avoid confusion.

The Veterans Agent for the Town of Sandwich can be reached at the Hyannis Town Hall by calling 775-1120 Ext. 125 or 126.

Report of the SELECTMEN

In presenting the Selectmen's Annual Report, we again wish to remind you that the report is for the calendar year of 1978. The fiscal reports for all the departments and committees are presented to you on a fiscal year. The fiscal year begins July 1, 1977 and ends June 30, 1978.

The Economic Development Administration Public Works Program for the town-owned cemetery has been completed and we are awaiting its approval and release from EDA so that the Town may start to operate the facility in the Spring of 1979. The Park Department has moved into the building and will use the location as headquarters, and will also maintain this cemetery as well as all the other town-owned cemeteries.

The Town's application for the Senior Citizen/Public Health Nurse Headquarters Grant was given a low priority and was not approved by the Office of Housing and Urban Development. However, there remains a chronic need in the town and we will continue to seek out other funds for these programs.

At the last Annual Town Meeting the voters unanimously approved the purchase of 11 additional acres of land for the future expansion of the Marina. We have held several informal open meetings which have helped us with ideas for developing the area. It seems to us that the marina development should be predominantly in the area of support facilities for commercial fishing. To this extent an \$8,000.00 Grant from Coastal Zone Management was received in order for us to hire an engineering firm. The outline of their project has been to proceed with test borings and schematic plans for the harbor development. All of the work is being submitted to the Corps of Army Engineers and to U.S. Congressman, Gerry Studds, so that we might work together in bringing about the harbor development in the near future.

We received \$11,789. for the repair of the boardwalk destroyed during the "Blizzard of '78." We also received \$2,264. storm aid for repair of highways.

We held two Special Town Meetings to appropriate Anti-Recession and Federal Revenue Sharing funds. These appropriations resulted in much needed work being done on town properties and repairs and drainage of town roads, thus resulting in a savings of taxpayers money.

Completion of the last section of Quaker Meeting-house Road, scheduled for this last year, has been delayed because of a report due from the State Archeological Department. We expect this to be resolved this coming year.

The offices of the Town Clerk, Tax Collector, Trea-

surer, the Archives and the Inspectors offices moved to the Town Hall Annex purchased for that purpose at the 1977 Annual Town Meeting. The old Town Hall continues to house the offices of Selectmen/Assessors. The condition of the old Town Hall has deteriorated over the years. We received a Grant from the National Trust for Historic Preservation to provide schematics of a renovation/restoration of the structure. No funds seem to be on the horizon for the actual reconstruction; however, this project remains a high priority within the town.

After many years of continued effort to have the State Department of Public Works improve the easterly intersection of Route 6A and Tupper Road, the State DPW has promised to install islands and properly channelize traffic at this intersection. Work is expected to begin in the Spring of 1979.

1978 has been a year of austerity and stabilization. We have witnessed much in the media relative to Proposition 13 in California, Proposition 2½ and taxation caps and ceilings. The Selectmen, as well as municipal officers across the nation are faced with a great dilemma. How to maintain basic services citizens have come to expect, while facing demands to reduce taxes. The continuing increase in spending mandated by the State and Federal governments onto local government, the impact of inflation and the increased costs incurred by population increases make the problem worse. The real issue or problem before us today is how to protect our local government, that level of government nearest the citizens and most open to citizen participation, from being threatened with extinction.

The Selectmen wish to indicate their appreciation to the citizens of Sandwich for their confidence this past year. We wish to acknowledge our sincere appreciation to elected and appointed officials who have worked on many boards, commissions and committees. We also wish to thank members of the media for attending the weekly open meetings and bringing to the citizens the news events.

Respectfully submitted,

BOARD OF SELECTMEN

J. Louis Roberti, Chairman
H. Eugene Carr
David P. Persson

Report of the BOARD OF ASSESSORS

Construction within Sandwich is continuing at a very accelerated rate. At the start of FY 79, we picked up \$13,300,000. worth of new construction. We are estimating at this time that the increase for FY 80 will be about \$10,000,000.

While this new construction represents increased revenue to the town, we must remember that it also reflects increased population, which in turn requires increased expenditures.

It is quite evident that Sandwich will continue to increase in population over the next few years. It is also quite evident that we as residents can do little, if anything, about this expansion.

Respectfully submitted,

BOARD OF ASSESSORS

H. Eugene Carr, Chairman
J. Louis Roberti
David P. Persson

Report of the
TOWN
ACCOUNTANT

To the Honorable Board of Selectmen

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I herewith submit my seventh annual report covering the fiscal period July 1, 1977 to June 30, 1978.

My sincere thanks to the Selectmen, Department Heads and Town Employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon
Town Accountant

Report of the TOWN CLERK ANNUAL TOWN MEETING

Junior-Senior High School
Monday, May 1, 1978

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. William A. Bullock. A quorum was declared.

The invocation was given by Father Robida of Corpus Christi Church.

Following the invocation, the Moderator appointed the following tellers: James Sibson, Richard Kestenbaum, Jean Richards and Florence Geltz.

The Finance Committee was introduced by the Chairman Clifford R. Nelson: C. Ruggles Smith, Francis X. Martin, Virginia Harvey and Kenneth N.S. Ferguson.

It was unanimously voted that the complete reading of the Warrant be dispensed with.

ARTICLE 1 - To hear the reports of all Town Officers and committees and to act thereon, or take any action relative thereto.

Unanimously Voted - That the reports of the Town Officers, Boards and Departments be accepted as printed in the 1977 Annual Town Report, subject to errors in printing.

ARTICLE 2 - To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1978, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Unanimously Voted - That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1978, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3 - To see if the Town will assume liability in the manner provided by Sections 29 and 29A of Chapter 91 of the General Laws, as most recently amended, for all damages to property that may be incurred by work to be performed by the Department of Environmental Quality Engineering of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, great ponds, harbors, tidewaters, foreshores and shores along a public beach, (including the Merrimack and Connecticut Rivers), in accordance with Section 11 of Chapter 91 of the General Laws, and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Unanimously Voted - Article 3 was Unanimously Voted as printed above.

ARTICLE 4 - To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

Mr. Gary A. Nickerson from the Selectmen's Salary Study Committee read the following report:

Report of the Selectmen's Salary Study Committee

At the Annual Town Meeting of 1977, the voters amended the Selectmen's/Assessors salaries, reducing the requested figures to a level below the salaries they received during the prior year. This amendment of Article 4, as voted by the meeting, further provided to refer the salary schedules of the

Selectmen and Assessors to a committee appointed by the Moderator, said committee to report back at a future town meeting. Moderator William Bullock appointed a committee of three.

We have met with the present Selectmen, with a former Selectman, and with members of the public. We have assembled information regarding the nature of the job and comparable salary figures. After giving the matter our consideration, we recommend to the Town the following salary schedule:

Two Selectmen	\$12,000.00	each
One Chairman Selectman	\$12,300.00	
Two Assessors	\$ 2,000.00	each
One Chairman Assessor	\$ 2,200.00	

Plus an additional \$400.00 per year for each Selectman for each full 3-year term of office completed by the individual as of the start of the fiscal-salary year.

While it is possible to elect separate individuals to the posts of Selectmen and Assessor, Sandwich voters traditionally elect one person to fill both offices at each election. (In Mashpee for example, it is customary to fill the offices with separate individuals). Through the early 1960's, the job was a part-time one. During the decade marked by the service of Carl Hiler as Selectman, the job evolved into a full-time position for one Selectman, assisted by two Selectmen on a more or less part-time basis. The three incumbent Selectmen/Assessors serve on a full-time basis.

Table 1 charts the growth of the Town and the growth of the salaries of our Selectmen/Assessors. Historically speaking, the job of assessor was compensated on a par with that of Selectmen during the early 1960's. Since then, the assessor's salary has grown modestly compared with the growth in the selectmen's salary.

Our recommendation reflects the diminished workload of the assessors compared with the selectmen, but recognizes the very real responsibilities still attached to the position of assessor.

During the late 1960's to the present, the Chairman of Selectmen received an increasing addition to his pay vs. co-selectmen. This trend represented the reality of the workload shouldered by Carl Hiler. While we recommend a nominal "bonus" for the Chairman of Selectmen and of the Assessors, we do so only to compensate them for their efforts as spokesman for a committee of full-time co-workers.

The selectmen/assessors are frequently referred to as the Town's chief executive officers. This is incorrect, inasmuch as the library, highway and school departments are independent of the selectmen and several other town functions are administered by boards appointed by the selectmen; but the statement is true to the extent the leadership in Town affairs and the informal administration of public

services in Sandwich are guided by the Selectmen. Therefore, it is appropriate to compare their salaries with the proposed salaries of other Sandwich officials, as is done in Table 2.

The Committee feels the present salaries for selectmen/assessors (\$9,980.) must be upgraded if we are to attract competent persons to fill the job. The present salaries are not consistent with the salaries paid other town officials.

Table 3 summarizes the salary data for 1976 for the towns of Cape Cod. Sandwich Selectmen/Assessors are the lowest paid full-time Selectmen/Assessors on Cape Cod. Our population is roughly comparable with Chatham, Harwich and Orleans, all of which have full-time selectmen/assessors. In comparing salaries between towns, please be mindful of these points.

- the figures are for 1976.
- some Selectmen also serve as the Board of Health, with a hired agent.
- Dennis, Mashpee and Provincetown have paid town administrators.

Sandwich now has three full-time selectmen/assessors. Their workload varies from day to day and throughout the year, but the job requires their attention, on the average, in excess of forty hours a week.

Historically, the Board of Assessors set the assessed valuation on properties as a result of their inspection of the properties. Sandwich Assessors now retain an outside appraisal firm to gather the data underlying the assessed valuation of a property. Truro, Wellfleet and Eastham assessors still do all on-site assessing. All other Cape towns either retain an outside appraisal firm or hire assistant assessors to do the job.

Sandwich assessors continue to perform important functions. They set the annual tax rate. Prior to town meeting they estimate the tax rate and the effect various spending proposals will have on it. All requests for real estate, automobile, boat and personal property tax abatements are processed by the assessors (some 525 requests this past year). The assessors determine the town's tax policy on conservation restrictions, paper subdivisions and similar topics. The assessors prepare the monthly reports to the State Department of Corporations and Taxation. The assessors must set the street by street rates to be applied to the raw data provided by the appraisal firm.

The revaluation of Sandwich substantially increased the workload of the assessors during 1977. At the committee's request, one Selectman maintained a log of his hours for a month during the summer of 1977. It showed a disproportionate amount of time, 45 hours a week average, consumed by revaluation related work. While revaluation work has abated, the committee wishes to point out to the voters that our

assessors dramatically increased their working hours at a time when the voters cut their salary. The committee feels Sandwich was most fortunate to have individuals in office who did not retaliate against the voters by reducing their efforts on behalf of the Town.

The Committee's salary recommendation for the job of assessor takes into account the modern role of the assessors as essentially policymakers. While they allocate much more of their time to their Selectmanic duties, the responsibility and workload of the assessors should be compensated at a level of \$2,000.00, with the Chairman of the Assessors receiving an additional \$200.00 to compensate for his activities as spokesman.

The Sandwich Selectmen have numerous duties, some imposed by State statutes, some by Town Meeting, some by tradition and others by the political nature of the job. An enumeration of some of these tasks follows:

- Selectmen appoint the Historical Commission, Council on Aging, Appeals Boards, Conservation Commission and Recreation Commission.
- While these boards have autonomous duties and budgets they rely on the Selectmen for support in budget preparation, programs, etc.
- Selectmen appoint the Board of Fire Engineers and fireman.
- While the Police Department is civil service, appointments are made by the Selectmen.
- Police and fire salary negotiations are done by the Selectmen.
- The Selectmen hire and supervise the Town Accountant, Engineer, Town Counsel, Building Inspector, Park Department workers, Dog Officer, Harbormaster and so on, as listed in the Annual Report.
- While Sandwich has an appointed Finance Committee, Selectmen traditionally sit with the Finance Committee. Selectmen are primarily responsible for coordinating budget preparation.
- Selectmen appoint the Capital Outlay Committee and are working closely with this relatively new board.
- Various State reports must be prepared by the Selectmen.
- Calling Town Meetings and preparing the warrants are Selectmen's responsibility.
- Selectmen license and supervise establishments dispensing alcoholic beverages.
- Selectmen serve as the Town's representatives in regional bodies such as the CCPEDC, the County Transportation Committee and the County

Finance Advisory Committee.

- Selectmen have spearheaded the recent sewerage study.
- Special Federal grants and fundings are sought by and administered by the Selectmen (eg: the cemetery project, revenue sharing) with enormous amounts of paperwork.
- Selectmen represent the Town in negotiations such as the Sandy Neck issue with Barnstable.
- Selectmen administer the Town's beaches.
- Much of the Selectmen's time is consumed by ombudsman duties. The majority of the citizens attending this committee's hearing Feb. 1st voiced the opinion that they are willing to pay Selectmen a full-time salary for the privilege of being accessible when wanted.

The workload of the Selectmen will only increase with time. Sandwich is growing. The demands on local government by state and federal agencies are expanding. The more complex our society the greater the need for public management. The growth of the job, coupled with inflation, leads this committee to note that while \$12,000.00 may be an appropriate salary for a Selectman in FY 1979, the figure may be increased in 1980 or 1981.

The Committee has given some thought to the regulation of the office of selectman/assessor, to ensure the voters it will be a full-time job. We considered proposing a bylaw mandating full-time service, or regular office hours. The Town is presently receiving more than 40 hours a week average from the three selectmen. Setting a minimum number of hours could give an individual in office a shield to hide behind. The job must be filled by the type of individual who will manage his or her own time in the best interest of the town. The best sanction against a misuse of the office is voter scrutiny of persons running for the office. In the event a person misuses the office and the salary (eg: departing for the Caribbean) the voters must recall the person. It would behoove each Board of Selectmen to establish its own policy to ensure the town office is always manned by one of its members.

In conclusion, this committee finds the selectmen/assessors of Sandwich are full-time selectmen/assessors, and should be so. The committee recommends the selectmen/assessors receive a full-time salary.

Respectfully submitted,

*John Mendonza
Norman Welch
Gary A. Nickerson*

	TOTAL BUDGET	\$6,176,317.76	\$6,532,478.67

Unanimously Voted - That the Town raise and appropriate \$6,532,478.67 for the budget for Fiscal Year 1979, divided among the respective accounts, as printed in the Annual Town Meeting Warrant for the Fiscal Year 1979 under Article 5.

ARTICLE 6 - To see if the Town will vote to transfer monies received or to be received from the Commonwealth under State-Aid to Highways Programs for the use of highway construction on Quaker Meeting House Road and Chase Road, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$42,623.00 from State Aid to Highways for FY 1978 and \$22,623.00 from State Aid to Highways for FY 1979 for highway construction on Quaker Meeting House Road and transfer \$20,000.00 from State Aid to Highways for FY 1979 for highways construction on Chase Road.

ARTICLE 7 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a parcel of land consisting of 10.97 acres located off Freezer Road adjacent to the East Boat Basin Marina and shown as Lot H2 on Assessors Map 3 for Town Marina use, or do anything relative thereto.

Mr. Louis Roberti spoke in favor of the article, pointing out that expansion was recommended by our Growth Policy Committee and by Coastal Zone Management, and the purchase would give the town positive control over the area.

Mr. Caesar Alvezi moved that the article be indefinitely postponed. There was no second to this motion.

Unanimously Voted - That the Town transfer and appropriate \$35,000.00 from Surplus Revenue and transfer and appropriate \$40,000.00 from the Federal Revenue Sharing Account to purchase a parcel of land consisting of 10.97 acres located off Freezer Road adjacent to the East Boat Basin Marina and shown as Lot H2 on Assessors Map 3 for Town Marina use.

ARTICLE 8 - To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money to a reserve account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$20,000.00 from Overlay Surplus and transfer and appropriate \$30,000.00 from Surplus Revenue for a Reserve Account.

ARTICLE 9 - To see if the Town will vote to transfer the following unexpended revenue sharing balances from Special Appropriations back into the Special Savings Account for Revenue Sharing Funds:

Revaluation	\$ 9,044.88
Old County Road & Route 6A	5,000.00
Sandy Neck Beach Purchase	60,000.00

Unanimously Voted - That the Town transfer the unexpended balances from Special Appropriations totaling \$74,044.88 as listed in the 1978 Annual Town Meeting Warrant back into the Special Savings Account for Federal Revenue Sharing Funds.

ARTICLE 10 - To see if the Town will vote to accept the provisions of Chapter 808 of the Acts of 1975 and amend its zoning bylaw in the following manner to bring it into conformity therewith:

1. Strike Section 1100 and substitute therefor the following:

Section 1100. Purpose. The purpose of this Bylaw is to provide for the Town of Sandwich all of the protection authorized by the General Laws of the Common-

wealth of Massachusetts, Chapter 40A and any amendments thereto - namely the promotion of the public health, safety, convenience and welfare by

- (a) encouraging the most appropriate use of land;
 - (b) preventing overcrowding of land;
 - (c) conserving the value of land and buildings, including the conserving of natural resources and the preventing of blight and polluting of the environment;
 - (d) lessening the congestion of traffic;
 - (e) preventing undue concentration of population;
 - (f) providing for adequate light and air;
 - (g) reducing hazards from fire and other dangers;
 - (h) assisting in the economical provisions of transportation, water, sewerage, schools, parks and other public facilities;
 - (i) encouraging housing for persons of all income levels; and
 - (j) preserving and increasing the amenities of the Town.
2. Strike the word "Selectmen" from Section 1240 and insert in its place the words "Building Inspector."

- 3A. Strike Section 1320 and substitute therefor the following:

"The Board of Appeals shall have the following powers;

- (1) To hear and decide appeals in accordance with Section Eight of Chapter 40A.
- (2) To hear and decide applications for special permits upon which the Board is empowered to act under this bylaw.
- (3) To hear and decide petitions for variances.
- (4) To hear and decide appeals from decisions of a zoning administrator, if any.

In exercising the powers granted by this section, the Board of Appeals may make orders or decisions, reverse or affirm in whole or in part, or modify any order or decision, and to that end shall have all the powers of the officer from whom the appeal is taken and may issue or direct the issuance of a permit.

- 3B. Add 1321. The Board of Appeals shall have the power after public hearing upon appeal or upon petition to grant variances from the terms of this Bylaw, with respect to particular land or structures, including variances for use, but only where such permit granting authority finds all of the following:

- (1) A literal enforcement of the provisions of this Bylaw would involve a substantial hardship, financial or otherwise, to the petitioner or appellant.
- (2) The hardship is owing to circumstances relating to the soil conditions, shape, or topography of such land, or structures but not affecting generally the zoning district in which it is located.
- (3) Desirable relief may be granted without either:

- (a) substantial detriment to the public good; or
- (b) nullifying or substantially derogating from the intent or purpose of this bylaw.

Before a variance may be authorized, the Board of Appeals shall as required by Chapter 40A, Section 10 of the General Laws find that all of the conditions of this section have been met.

The Board of Appeals shall impose such limitation on time and use or such other conditions as it may deem desirable to protect the public interest and to ensure that the variance granted is not greater in degree or duration than is justified by the hardship to be relieved.

The Board of Appeals shall not impose conditions, safeguards or limitations based upon the continued ownership of the land or structures to which the variance pertains by the applicant, petitioner or any owner.

The Board of Appeals shall record its findings in each case.

If the rights authorized by a variance are not exercised within one year of the date of grant of such variance they shall lapse, and may be reestablished only after notice and a new hearing pursuant to this section. Variances granted prior to the effective date of this ordinance but limited in time may be extended on the same terms and conditions that were in effect for such variances upon said effective date.

The decision of the Board of Appeals shall be made within seventy-five days after the date of the filing of a petition for a variance. Failure by the Board to act within seventy-five days shall be deemed to be a grant of the petition sought.

4. Add new Section 1322. Unless otherwise specified in the bylaw the Board of Appeals shall act as the permit granting authority and the special permit granting authority.
5. Strike the words "Board of Appeals" as they may appear in Section 1340 and substitute therefor the words "Special Permit Granting Authority or Permit Granting Authority."
6. Revise Section 1330 so that it reads:

1330. Special Permits shall normally be granted unless because of a condition peculiar to the particular case, but not generally true for similar permitted uses on other sites in the same district, it appears that nuisance, hazard or congestion will be created, or for other reasons there will be substantial harm to the neighborhood or derogation from the intent of Bylaw, so that the stated district objectives will not be satisfied. The Special Permit Granting Authority shall place upon each Special Permit the condition that it shall expire upon transfer of ownership prior to initiation of substantial construction on

or occupancy of the site, unless such transfer is authorized in the permit, or if no substantial construction or occupancy takes place within the 12 months of Special Permit approval, including such time required to pursue or await the determination of an appeal referred to in section seventeen of Chapter 40A. Extenuating circumstances may be a basis for a 6-month extension to be granted by the Special Permit Granting Authority. Construction or operations under a building or special permit shall conform to any subsequent amendment of the ordinance or bylaw unless the use or construction is commenced within a period of not less than six months after the issuance of the permit and in cases involving construction, unless such construction is continued through to completion as continuously and expeditiously as is reasonable.

7. Add new Section 1331 - Special Permits shall only be issued following public hearings held within sixty-five days after filing of an application with the Special Permit Granting Authority. A copy of the application shall be given to the Town Clerk forthwith by the applicant.
8. Strike Section 1341 and substitute therefor the following: "If an application is made to the Board of Appeals and information required under Section 1340 is submitted, the Board of Appeals shall forthwith transmit such information to the Planning Board for its review and recommendation."
9. Strike the words "Section 20" as they appear in Section 1350 and substitute therefor the words "Section 16."
10. Strike the words "Board of Appeals" as they appear in Section 1350 and 1360 and substitute therefor the words "Special Permit Granting Authority or Permit Granting Authority."
11. Strike Section 1400 and substitute therefor the following: "1400. Amendment - This Bylaw may be changed by amendment, addition or repeal in the manner provided in Section 5 of Chapter 40A, G. L."
12. Strike Section 1700 and substitute therefor the following: "1700. Effective date - the effective date of the adoption or amendment of any zoning bylaw shall be the date on which such adoption or amendment was voted upon by town meeting."
13. Strike the capital letter "S" where it is used to mean "Special Permit" and the capital letter "N" and the number 40 in the first sentence of footnote 1 under the heading "Farm" in the Use Regulation Schedule section 2310 and substitute the following: In place of "S" insert "Y"; in place of "N", insert "Y"; and in place of "40" insert "5".

14. Add Section 2321: Uses whether or not on the same parcel as activities permitted as a matter of right, accessory to activities permitted as a matter of right, which activities are necessary in connection with scientific research or scientific development or related production may be permitted upon the issuance of a Special Permit provided the granting authority finds that the proposed accessory use does not substantially derogate from the public good.
15. Strike Section 2410 and substitute therefor the following: A non-conforming use of a building or land which has been abandoned for a period of two years shall not thereafter be returned to such non-conforming use. A non-conforming use shall be considered abandoned when the intent of the owner to discontinue the use is apparent, or when the premises have been vacant for two years, or when the characteristic equipment and/or furnishings of the non-conforming use have been removed from the premises and have not been replaced by similar equipment, which-ever shall first occur.
16. Strike Sections 2420, 2421 and 2422 and 2440 and substitute therefor the following under Section 2420: Alteration, Extension, Change. No change, extension or alteration of a non-conforming use of a building or land may be made except upon the issuance of a Special Permit for such changes, extension or alteration. Such a Special Permit may be granted only if the following findings are made:
- (1) All new parking and new construction are located not closer to side lines and rear lines than twice the setback distance required for conforming structures in the same district.
 - (2) Only those parcels of land are used as were so employed at the time the use was made non-conforming.
 - (3) All new parking is substantially screened from abutters and from streets.
 - (4) Such change, extension or alteration shall not be substantially more detrimental than the existing non-conforming use to the neighborhood.
17. Strike the words "Board of Appeals" as they appear in Sections 4420, 4430, 4431, 4432, 4434, 4436, 4437, 4445, 4446, and 4447 and substitute the words "Planning Board" and delete all repetitive phrasing. Or do anything relative thereto.
- (Request of the Planning Board)

Unanimously Voted - That the Town accept the provisions of Chapter 808 of the Acts of 1975 and amend its Zoning Bylaw as presented in the 1978 Annual Town Meeting Warrant.

ARTICLE 11 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting in its entirety Section 2550 of the Sandwich Zoning Bylaw and substituting in its place the following:

Section 2550. Lots having a lesser frontage or area than the minimum required for the district and shown on a plan registered or recorded prior to the effective date of this Bylaw or shown on any plan registered or recorded prior to the effective date of any amendment increasing the Intensity of Use requirements applicable to such plan, may be used for a detached single family dwelling otherwise permitted in the district notwithstanding that the owner of any such lot shall own land immediately adjacent thereto, provided that the Planning Board has executed a bond release or otherwise documented that all street, drainage, utility, and other improvements required under the Subdivision Control Law to serve that lot have been satisfactorily completed as of April 1, 1978; and provided that no side yard shall be less than 20 feet on a lot having frontage of more than 100 feet but less than 200 feet and that no side yard shall be less than the greater of 10% of the lot's frontage or 6 feet on one side and 8 feet on the other on a lot having frontage of 100 feet or less and provided further that such lot shall have an area of not less than 5,000 square feet and a frontage of not less than 40 feet; and further provided that all other requirements of the Bylaw are complied with. Legally existing non-conforming lots may be altered in size, shape, or number without losing this exemption, so long as the alteration does not increase the number of actual or potential building lots.

(Request of the Planning Board)

Voted - This article was voted by hand vote; 243 yes, 368 no and declared **Defeated** by the Moderator.

ARTICLE 12 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map, deleting from R-20 and placing in R-40, an area bounded on the north by Cape Cod Bay, on the west by Old Harbor, on the south by the existing R-40, on the east by the existing R-40 and the Shore District or do anything relative thereto.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by amending the Zoning Map, deleting from R-20 and placing in R-40, an area bounded on the north by Cape Cod Bay, on the west by Old Harbor, on the south by the existing R-40, on the east by the existing R-40 and the Shore District.

ARTICLE 13 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map (part 1) deleting from the BL-1 District and placing in the R-20 District all that BL property on the south side of Route 6A not now residential between Webster Avenue to the west and Main Street, and (part 2) placing in the R-20 zone all land on the north

side of Route 6A west of the westerly boundary of F2A (Angelo's) on Map 3, land bounded by Tupper Road and Route 6A, or do anything relative thereto.
(Request of the Planning Board)

Dr. Chester Cross moved that this Article by Indefinitely Postponed.

Unanimously Voted - It was Unanimously Voted to Postpone Article 13.

ARTICLE 14 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map, deleting from the Shore District and placing in R-20 the entire Shore District northeasterly of Freeman Avenue, or do anything relative thereto.
(Request of the Planning Board)

Attorney Alan W. Green said that a court injunction had been placed against any action by the Town on this Article by the Francis Reed Corporation.

Unanimously Voted - It was Unanimously Voted to Table this Article.

ARTICLE 15 - To see if the Town will vote to amend Section 1260 of the Sandwich Zoning Bylaws by changing the amount required for the performance bond or deposit and by requiring the signature of the Town Engineer as well as approval of the Building Inspector so that the article reads in the first sentence "A performance bond or deposit of not less than \$12.00 per foot of lot frontage" etc. In the last sentence after "Building Inspector" include the clause "that he has received a signed statement from the Town Engineer" so that the sentence shall read "These bonds shall be held by the Town Treasurer until he is notified by the Building Inspector that he has received a signed statement from the Town Engineer that on-site work and movement of heavy equipment has been completed and any damage repaired." or do anything relative thereto.
(Request of the Planning Board)

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaws as printed under Article 15 in the 1978 Annual Town Meeting Warrant.

ARTICLE 16 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting Section 2540, and replacing it with the following, or act in relation thereto.

2540. Multiple principal buildings are allowed on the same lot, but each must provide lot area, side yards and rear yards as required in Section 2600 Intensity of Use Schedule without counting any area twice. However, in districts where they are allowed, a single dwelling unit may be located within a structure, the principal use of which is non-residential, without requiring additional lot area or yards, provided that it is granted a Special Permit by the Board of Appeals. Such Special Permit shall be granted only if parking

is provided as if the dwelling floor area were devoted to the principal use, appropriate site provisions have been made for both residential and non-residential uses, and the criteria of Section 1330 have been met.
(Request of the Planning Board)

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw as printed under Article 16 in the 1978 Annual Town Meeting Warrant.

ARTICLE 17 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the definition of "Lot Frontage" as found in Article V so that it reads as follows:

Lot Frontage: That portion of a lot that is contiguous with the street or street right of way line and providing access thereto; or in any lot on the outside of a curve the frontage will be measured at a point 30 feet back from the sideline of said layout, or do anything relative thereto.

Mr. William Bryden moved that the article be amended to read: To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the definition of "Lot Frontage" as found in Article V so that it reads as follows: Lot Frontage: That portion of a lot fronting upon and having access to a street measured continuously along one street line between lot lines, or in the case of corner lots, between one side lot line and the mid-point of the corner radius. On curved streets, may alternatively be measured as the straight-line distance between points on the side lot lines at the required set-back line, provided that said lines are approximately straight and normal to the street line, provided that 60% of the requirement can be met at the street line, and further provided that the distance between said lines is not less than 60% of the required frontage at any other point on the lot.

Unanimously Voted - Article 17, as amended above, was Unanimously Voted.

ARTICLE 18 - To see if the Town will vote to amend the Sandwich Zoning Bylaw Section 1300 by deleting the title "Board of Appeals" replacing with "Special Permit Granting Authority or Permit Granting Authority" and further amending as follows:

- (1) Amend Section 1340 by adding a new sentence at the end, to replace as follows: The date of application shall be considered to be that date on which receipt of all required submittals has been completed.
- (2) Amend Section 1360 by inserting the sentence, "The accuracy of dimensions on such plan shall be certified by a registered land surveyor," immediately after the first sentence, so that Section 1360 will read as follows:

1360. All applications or petitions to the Special Permit Granting Authority or Permit Granting Authority, if involving erection or change in exterior dimen-

sion of any structure or parking area, shall be accompanied by a plot plan as specified in Section 1220 for building permit applications. The accuracy of dimensions on such plan shall be certified by a registered land surveyor. Such plans shall also be submitted in other cases when deemed necessary by the Authority for its determinations. All applicants or petitioners shall appear or be represented by a spokesman at the Public Hearing upon their application or petition, or the Authority may dismiss the application for lack of sufficient information, or do anything relative thereto.

(Request of the Planning Board)

Voted - Article 18 was voted by a hand vote; 105 yes, 265 no. This Article was declared **Defeated** by the Moderator.

ARTICLE 19 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows, or act in relation thereto.

- (1) By inserting a new entry under Section 2310, PRINCIPAL USES, Commercial Use, immediately following the row reading "Restaurant"... to read as follows:

	R-20						
	R-40	BL	IND	MAR	RD	S	GD
Self-service gasoline station	N	N	N	N	N	N	N

- (2) By inserting a new definition in Article V, to read as follows: Self-service gasoline station: facility designed so that some or all customers may dispense gasoline without attendant assistance.
(Request of the Planning Board)

Chief Alvezi of the Fire Department moved that the article be Indefinitely Postponed.

Unanimously Voted - It was Unanimously Voted to **Indefinitely Postpone** Article 19.

ARTICLE 20 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by adding a new Section 1800 Lowland Moratorium, to read as follows:

1800. Lowland Moratorium. In order to provide an orderly period of time for the Planning Board to prepare and submit to the town meeting a Lowlands Management Program, there is hereby established a temporary moratorium on dredging, filling, excavating, draining, construction of new structures, or enlargement of existing structures on parcels or portions of parcels having an existing elevation of less than 10 feet above mean sea level, unless executed under public authority pursuant to a vote at town meeting. This moratorium shall continue until the 1979 Annual Town Meeting, or until such earlier time as the Planning Board submits a Lowlands Management Program to the town meeting. Or act in relation thereto. (Request of the Planning Board)

Unanimously Voted - Article 20 was Unanimously Voted as printed in the 1978 Annual Town Meeting Warrant.

ARTICLE 21 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting Section 4340, and substituting the following, or act in relation thereto:

4340. No person shall initiate any activity requiring a notice of intent under the Wetlands Protection Act (Sec. 40, Ch. 131, G.L.) without a Special Permit from the Board of Appeals. Such permit shall be issued only upon the Board's determination that such removal, filling, dredging, or construction will not pose hazard to health or safety, and will be so executed as to conserve the shellfish and other aquatic resources of the Town.

(Request of the Planning Board)

Unanimously Voted - Article 21 was Unanimously Voted as printed in the 1978 Annual Town Meeting Warrant.

ARTICLE 22 - To see if the Town will vote to recommend that the Selectmen of Sandwich demand that the testing and operation of the USAF PAVE PAWS facility at Otis be delayed until an Environmental Impact Statement has been completed and assurances have been given that the people of Sandwich will not be exposed to harmful levels of electromagnetic radiation.
(By Petition)

Unanimously Voted - Article 22 was Unanimously Voted as printed in the 1978 Annual Town Meeting Warrant.

At this point, 11:00 o'clock P.M. the meeting was adjourned until May 2, 1978 at 7:30 P.M.

Tellers appointed for the May 2, 1978 meeting were: Gary Nickerson, Jean Richards and Jack Jillson.

ARTICLE 23 - To see if the Town will vote to raise and appropriate a sum of money to reimburse Barnstable County for expenses incurred in connection to the matter of the layout, alteration, relocation or extension of Great Hill and Chase Roads as billed to the Town by the County Commissioners, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$442.50 to reimburse Barnstable County for legal fees paid in connection with the County taking on Great Hill Road and Chase Road as billed to the Town by the County Commissioners.

ARTICLE 24 - To see if the Town will vote to transfer and appropriate the money received from the State Public Library Aid Account to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$2,384.25 received from the State Public Library Aid Fund to the Library Appropriation Account.

Mrs. Carol White moved that Article 14 be removed from the table and voted upon. This motion was seconded and voted by voice vote and was declared carried by the Moderator.

ARTICLE 14 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by amending the Zoning Map, deleting from the Shore District and placing in R-20 the entire Shore District northeasterly of Freeman Avenue, or do anything relative thereto.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by amending the Zoning Map, deleting from the Shore District and placing in R-20 the entire Shore District northeasterly of Freeman Avenue.

ARTICLE 25 - To see if the Town will vote to transfer and appropriate the money received from the Dog Fund in 1977 to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$2,774.72 received from the 1977 County Dog Fund to the Library Appropriation Account.

ARTICLE 26 - To see if the Town will vote to authorize the Selectmen to hire a consultant to study the functional restoration of the present Town Hall and vote to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Selectmen to hire a consultant to study the functional restoration of the present Town Hall and transfer and appropriate \$1,500.00 from the Anti-Recession Fund on deposit in a special savings account for this purpose.

ARTICLE 27 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the celebration of the Fourth of July, or do anything relative thereto.

Voted - That the Town transfer and appropriate \$8,500.00 from Surplus Revenue for the celebration of the Fourth of July. This was a voice vote and declared carried by the Moderator.

ARTICLE 28 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain, a parcel of beachland for conservation purposes, consisting of 2.9 acres of upland and 2.6 acres of marsh, adjacent to presently owned Conservation land on Spring Hill Beach as

shown on Assessors Map 22 as Parcel A3-1, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

(Request of the Conservation Commission)

Voted - That the Town transfer and appropriate \$65,000.00 from the Federal Revenue Sharing Fund on deposit in a Special Savings Account to purchase a parcel of beachland for conservation purposes, consisting of 2.9 acres of upland and 2.6 acres of marsh, adjacent to presently owned Conservation land on Spring Hill Beach as shown on Assessors Map 22 as Parcel A3-1. This was a hand vote; 294 yes, 38 no and declared carried by the Moderator.

ARTICLE 29 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for Conservation purposes, consisting of 20 acres, located on Maple Swamp Road, as shown on Assessors Map 57, Lot T6, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

(Request of the Conservation Commission)

Unanimously Voted - That the Town transfer and appropriate \$16,900.00 from the Federal Revenue Sharing Fund on deposit in a special Savings Account to purchase a parcel of woodland for Conservation purposes, consisting of 20 acres, located on Maple Swamp Road, as shown on Assessors Map 57, Lot T6.

ARTICLE 30 - To see if the Town will vote to authorize the Selectmen to employ an individual who will function as a Grant Consultant to seek out and apply for federal and state grants as they become available; who will assist the Town of Sandwich Growth Policy Committee in publishing an updated comprehensive plan for Sandwich, and conduct other research which may from time to time be necessary for support of Town Committees, or do anything relative thereto.

Voted - This Article was voted by voice vote and declared **defeated** by the Moderator.

ARTICLE 31 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of land presently held by the Shawme Fish and Game Club, Inc., for Conservation purposes, consisting of 13 acres of woodland, shown on Assessors Map 53 as Lot E3, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

(Request of the Conservation Commission)

Unanimously Voted - That the Town transfer and appropriate \$9,750.00 from the Federal Revenue Sharing Fund on deposit in a special savings account

to purchase a parcel of land presently held by the Shawme Fish and Game Club, Inc., for Conservation purposes, consisting of 13 acres of woodland, shown on Assessors Map 53 as Lot E3.

ARTICLE 32 - To see if the Town will authorize the Conservation Commission to take by purchase or eminent domain for Conservation purposes, the following two parcels of land and to vote to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto:

Parcel #1 - consisting of 12.12 acres of woodland on Quaker Meeting House Road shown on Assessors Map 58 as Lot K2 presently owned by H. Winthrop Webber.

Parcel #2 - consisting of 5.5 acres of land located off Phillips Road in Sagamore Beach shown on Assessors Map 19 as Lot A5, presently owned by Channing E. Hoxie et ux (Nora M.)

(Request of the Conservation Commission)

Voted - Article 32 was voted by hand vote; 187 yes, 136 no. This Article was declared **Defeated** by the Moderator since it did not meet the 2/3 requirement.

ARTICLE 33 - To see if the Town will vote to amend the Sandwich Sign Code Bylaw by deleting the last part of Section 3, Sub-section E which reads: "whose procedures and decision criteria in acting on such appeals and applications shall be those prescribed in Section 17 of Chapter 40A of the General Laws as amended," and adding, "whose procedures and decision criteria in acting on such appeals and applications shall be to the extent applicable to those prescribed for the Board of Appeals in Chapter 40A of the General Laws as amended," such procedures and decision criteria shall be promulgated by the Board and on file with the Selectmen, or do anything relative thereto.

Unanimously Voted - Article 33 was Unanimously Voted as printed in the Warrant.

ARTICLE 34 - To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Drainage Leveridge Lane	\$ 307.20
Highway Department Radio Purchase	53.00
Archives Committee	755.20
Dunbar Property Study	2,000.00
H.T. Wing Study Committee	6,500.00
Tree Warden Crane Lift	18.00

Road Takings:

Jennifer Road	5.00
Meredith & Emerald Way	5.00
Salt Kettle Lane	5.00
Wellington Circle	5.00
Andrea Way & Arline Path	5.00

Land's End Lane	5.00
Powderhorn Way, Settler's Path, Old Fields Rd., Hunters Trail	5.00
R.S.V.P.	650.00

\$10,318.40

Unanimously Voted - That the Town transfer \$10,318.40 in unexpended balances from Special Appropriations to the Surplus Revenue Account as listed in the 1978 Annual Town Meeting Warrant.

ARTICLE 35 - To see if the Town will vote to appropriate sufficient funds to purchase a Class-A Ambulance for the Sandwich Fire Department at an estimated cost of \$40,000.00. (By Petition)

There was considerable discussion on this Article. A motion for Indefinite Postponement was defeated.

Ferdinand Alvezi, Fire Chief, moved that the Article be amended to read as follows: That \$33,750.00 be raised and appropriated, and that \$5,500.00 be transferred from the Ambulance Fund for the purchase of a Class 1 modular ambulance.

Unanimously Voted - That the Town raise and appropriate \$33,750.00 and that \$5,500.00 be transferred from the Ambulance Fund for the purchase of a Class 1 modular ambulance.

ARTICLE 36 - To see if the Town will vote to raise and appropriate or transfer from available funds, \$7,500.00 for schematic plans for proposed library expansion, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate from Surplus Revenue \$7,500.00 for schematic plans for proposed library expansion.

ARTICLE 37 - To see if the Town will vote to transfer and appropriate the money from the Marina Income Account for the use of the operation, maintenance, repairs and Capital Outlay at the East Boat Basin Marina, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$15,667.19 from the Marina Income Account for the use of the operation, maintenance, repairs and capital outlay at the East Boat Basin Marina.

ARTICLE 38 - To see if the Town will vote to transfer from available funds a sum of money to cover the principal payment on the Municipal Purpose Loan of 1974.

Unanimously Voted - That the Town transfer and appropriate \$790.82 in unused Municipal Bond Proceeds and transfer and appropriate \$99,209.18 from the Federal Revenue Sharing fund on deposit in a Special Savings Account for the principal payment on the Municipal Purpose Loan of 1974.

ARTICLE 39 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of interest on loans.

Unanimously Voted - That the Town raise and appropriate \$100,000.00, transfer and appropriate \$174, 225.00 from the Otis Trust Fund and transfer and appropriate \$410,000.00 from Surplus Revenue for the payment of interest on loans.

ARTICLE 40 - To see if the Town will vote to transfer and appropriate the 1977 income from the Hoxie House and Grist Mill for the operation and maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$20,724.08 from the Hoxie House and Grist Mill Income Account for the operation and maintenance of the Hoxie House and Grist Mill.

ARTICLE 41 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate from the Community School Income Account \$20,000.00 and transfer and appropriate \$48,090.00 from the Anti-Recession Fund on deposit in a Special Savings Account for the operation of the Community School.

ARTICLE 42 - To see if the Town will vote to establish, maintain and operate an airport as a joint enterprise under the provisions of Massachusetts General Laws, Chapter 90, Section 51N, with one or more of the following towns: Bourne, Falmouth, Mashpee, or do anything relative thereto. (By Petition)

Unanimously Voted - This Article was **Unanimously Defeated** as printed in the Warrant.

ARTICLE 43 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for oil treatment of Town roads, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$30,000.00 from the Federal Revenue Sharing Fund on deposit in a Special Savings Account for oil treatment of Town Roads.

ARTICLE 44 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a Front End Loader for the Highway Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$40,000.00 from the Revenue Sharing Fund on deposit in a Special Savings Account for the purchase of a Front End Loader for the Highway Department.

ARTICLE 45 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a four-wheel drive truck, equipped with plow and spreader for the Highway Department or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$13,100.00 from the Road Machinery Account for the purchase of a four-wheel drive truck for the Highway Department, equipped with a plow and spreader.

ARTICLE 46 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for highway work on Town roads in accordance with the following list, or do anything relative thereto.

Woodridge Road	\$ 47,130.00
Lakewood Drive (Kiah's Way to circle)	10,758.00
Chapaquoit Way	22,180.00
Samoset Road	18,663.00
Thumpertown Lane	10,036.00
Shady Oak Lane	12,391.00
	<hr/>
	\$121,158.00

Unanimously Voted - That the Town transfer and appropriate \$85,000.00 from Surplus Revenue and transfer and appropriate \$36,158.00 from the Anti-Recession Fund on deposit in a Special Savings Account for Highway work in accordance with the list as printed in the Annual Town Meeting Warrant.

ARTICLE 47 - To see if the Town will vote to amend the Town Bylaws by deleting the second paragraph of Section 1 of Article XII and inserting the following: "It shall be unlawful for any person to consume alcoholic beverages on public highways, parks, commons, sidewalks, or in public parking places, including vehicles, without a special permit issued by the Board of Selectmen, thereon within the Town of Sandwich. Whoever violates this bylaw shall be fined in an amount not to exceed two hundred dollars for each offense," or do anything relative thereto.

(Request of the Police Chief)

Voted - Article 47 was voted as printed in the Warrant. This was a voice vote and declared **carried** by the Moderator.

ARTICLE 48 - To see if the Town will vote to amend the Sandwich Town Bylaws, Section 6, Article XII by adding after the phrase "set up a tent, camp," the words "sleep in a vehicle" and by deleting "shall be punished by a fine of not more than Fifty Dollars" and inserting "shall be punished by a fine of not more than Two Hundred Dollars," or do anything relative thereto.

(Request of the Police Chief)

Voted - Article 48 was voted by hand vote as printed in the Warrant; 191 yes, 140 no. This Article was declared **Carried** by the Moderator.

ARTICLE 49 - To see if the Town will vote to accept a sum of money for the purpose of establishing the "David B. Laffoon Memorial Scholarship Fund" to be awarded annually to a worthy graduate of Sandwich High School.

Unanimously Voted - That the Town accept \$1,110.00 now in custody of the Town Treasurer and \$2,890.00 to be paid over to the Town Treasurer to establish a Scholarship in the amount of \$4,000.00 to be known as the "David B. Laffoon Memorial Scholarship Fund" to be awarded annually to a worthy graduate of Sandwich High School.

ARTICLE 50 - To hear the report of the H.T. Wing School Building Study Committee and accept their recommendations with a vote of thanks.

Unanimously Voted - That the Town hear the report of the H.T. Wing School Building Study Committee.

Mr. Jack Jillson read the following Report.

Report of the Committee to Study the 1927 Building of the Henry T. Wing School

The Committee held an organizational meeting on June 22, 1977, and since that time has held seventeen meetings, visited a recently renovated school building, and held joint meetings with the School Committee. In addition, it has met with representatives of the State Department of Education, the State School Building Assistance Bureau, and the Supervisors of Building Inspectors for Southeastern Massachusetts, so that the committee's recommendations would take into account the required regulations and procedures.

Architect Grattan Gill and Engineer Alan Jones were interviewed and retained by the committee to prepare an evaluation of the building and a cost estimate of the work to be done.

We have received reports, including a study prepared by New England School Development Council, which support the opinion of the committee that the building should be restored and continue to be used for educational purposes. Alternative cost estimates were reviewed and the committee voted unanimously to recommend the following cost proposal to the Annual Town Meeting for acceptance.

A. General Contract

\$ 9,500	Structural repairs
41,250	Replace slate roof with asphalt shingles
5,005	Sealing of external masonry walls
50,000	Heating
40,000	Ventilation
44,000	Light Fixtures
96,000	Electric service wiring
2,400	Emergency lighting
4,000	Fire alarm system

18,500	Plumbing-new fixtures in lavatories
75	Replace hot water valve
19,250	Window repairs (currently in progress under a CETA Grant)
20,418	Fire doors and enclosures
15,600	Carpeting and floor repair
2,093	Floor of room formerly used as Cafetorium
2,626	Ceilings (sound-proofing would add 4,010)
1,663	Lavatory tiling
6,875	Painting (possibly can be done under CETA Grant)

\$379,255 Total

B. Architect's Fee:

\$ 47,306 (@ 12%)

\$426,561

This sum covers the restoration of educational space which, we have been told, would cost approximately \$1,250,000 to provide in new construction at today's costs.

It should be noted that this estimate does not include the following:

Furnishing the classrooms	(estimated at \$25,000)
P.A. and Bell systems	(if needed)
Shades for the windows	(if needed)
Site work	(probably not needed)
Additional work on room known as Cafetorium	(if needed)

The committee will ask that two articles be entered into the warrant for the Annual Town Meeting. The first article will be to name a Building Committee and appropriate a sum of \$50,000 to retain an architect to prepare plans, specifications, and bid documents for the necessary work. The second article will be to appropriate a sum of \$400,000 to cover the cost of the work necessary to renovate the 1927 building of the Henry T. Wing School. The sum asked will give the committee appointed some leeway to include the items mentioned, but not included above, in case these are, in fact, required. (Information obtained since this report was prepared, has convinced the committee to recommend that this article be tabled at this time).

Our architectural and engineering consultants have assured us that the work listed above will continue the time that this building may be used by 25 years or more before any major repair work might be expected.

Respectfully submitted,
John S. Jillson, Chairman

The Board of Selectmen made the following motion, which was seconded and **Unanimously Voted**: That this Annual Town Meeting on May 1, 1978 go on

record as extending our sincere thanks and appreciation to the Henry T. Wing School Building Study Committee for their service to the Community for their excellent report on the use of the Henry T. Wing School.

ARTICLE 51 - To see if the Town will vote to authorize the appointment of a five member School Building Committee, two members to be appointed by the Selectmen, two members to be appointed by the School Committee and one member to be appointed by the Moderator, with the authority to select and enter into a contract with an architect to furnish plans and specifications for the renovation of the 1927 H.T. Wing School Building for school classroom purposes, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town authorize the appointment of a five member School Building Committee, two members to be appointed by the Selectmen, two members to be appointed by the School Committee and one member to be appointed by the Moderator, with the authority to select and enter into a contract with an architect to furnish plans and specifications for the renovation of the 1927 H.T. Wing School Building for school classroom purposes, and to transfer and appropriate \$50,000.00 from Surplus Revenue for said purpose.

ARTICLE 52 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purpose of renovating, furnishing and equipping the 1927 H.T. Wing School for classroom purposes, and to determine whether such appropriation shall be raised by borrowing or otherwise take any action relative thereto.

Mr. Jillson, for the Committee, moved that this Article be tabled. The motion was seconded. (Additional information would be forthcoming which would mean that the exact amount required could be sought).

Unanimously Voted - It was Unanimously Voted that Article 52 be tabled.

ARTICLE 53 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the audit of Town funds in compliance with federal regulations for Towns receiving Federal Revenue Sharing and Anti-Recession Funds, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$9,000.00 from the Anti-Recession Fund on deposit in a Special Savings Account for an audit of Town funds in compliance with federal regulations for Towns receiving Federal Revenue Sharing and Anti-Recession Funds.

ARTICLE 54 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a copy machine and a set of law books for the Town Hall Annex, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$6,500.00 from the Revenue Sharing Fund on deposit in a Special Savings Account to purchase a copy machine and a set of law books for the Town Hall Annex.

ARTICLE 55 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to correct a drainage problem on town-owned Lot 22, Horseshoe Circle, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$5,000.00 from the Revenue Sharing Fund on deposit in a Special Savings Account to correct the drainage problem on town-owned Lot 22, Horseshoe Circle.

ARTICLE 56 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a one-ton dump truck for the Park Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$7,000.00 from the Revenue Sharing Fund on deposit in a Special Savings Account for the purchase of a one-ton dump truck for the Park Department.

ARTICLE 57 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be made available as needed to cover the cost of the purchase of police cruisers for the Police Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$24,000.00 from the Federal Revenue Sharing Account on deposit in a Special Savings Account to purchase four replacement cruisers for the Police Department.

ARTICLE 58 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to renovate the present conference room in the Police Building into office space and to finish the second floor west wing into a conference room, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$12,000.00 from the Federal Revenue Sharing Account on deposit in a Special Savings Account to renovate the present conference room in the Police Building into office space and to finish the second floor west wing into a conference room.

ARTICLE 59 - To see if the Town will accept the layout of Manor Drive and Earl Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Manor Drive and Earl Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 60 - To see if the Town will accept the layout of Chandler Road and a portion of Tarragon Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated April, 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be deemed necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Chandler Road and a portion of Tarragon Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated April 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 61 - To see if the Town will accept the layout of Greenville Drive, Bramblebush Drive, Woodvue Road, Woodvue Circle and Shagbark Road, as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Greenville Drive, Bramblebush Drive, Woodvue Road, Woodvue Circle and Shagbark Road, as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town

such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

A motion was made and seconded that Article 32 be reconsidered at this time. It was voted by Voice Vote and declared **Not Carried** by the Moderator.

ARTICLE 62 - To see if the Town will accept the layout of Boulder Brook Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Boulder Brook Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 63 - To see if the Town will accept the layout of Surrey Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1978 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - This Article was Unanimously **Defeated** by Voice Vote.

ARTICLE 64 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$2,500.00 from Surplus Revenue and transfer and appropriate \$10,000.00 from the Beach Sticker Account to an account for payment to the Town of Barnstable for beach and other recreational privileges of the Barnstable Sandy Neck area for residents and property owners of the Town of Sandwich and to authorize the Board of Selectmen to enter into such an agreement as might be required under Chapter 40, Section 4A of the Massachusetts General Laws.

ARTICLE 65 - To see if the Town will accept as a gift a parcel of marshland from Lindsay R. Armstrong for Recreational purposes, situated in Great Marshes in the Town of Barnstable at the west end of said marshes, bounded northerly by Sandy Neck; easterly by marsh of Eliza S. Paine; southerly and westerly by upland of Maria L. Armstrong et als and called the "8 Load Lot," or do anything relative thereto.

Unanimously Voted - Article 65 was Unanimously Voted as printed in the Warrant.

ARTICLE 66 - To see if the Town will vote to maintain and plow Percival Lane, or do anything relative thereto. (By Petition)

Voted - It was voted by voice vote to Indefinitely Postpone Article 66.

ARTICLE 59 was then moved and seconded for reconsideration. Reconsideration of the article resulted in the carrying of the Article; 232 Yes, 12 No. This met the 2/3 requirement.

Mr. Fleet requested to speak and his statement that he would like to have the Town Meeting go on record as being appreciative and thanking Mr. Armstrong for his fine gift to the Town was Unanimously approved.

ARTICLE 67 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund several social service organizations in the amounts listed below for services to be performed for, and on behalf of, Sandwich residents or do anything relative thereto.

FISH	\$ 250.00
Cape Cod Committee on Alcoholism ...	2,000.00
Cape Cod Mental Health	2,400.00
Project HELP	500.00
Nauset Workshop	1,000.00
Emergency Medical Serv. System, Inc. .	1,831.00

Unanimously Voted - That the Town transfer and appropriate \$7,981.00 from Surplus Revenue for the various social services as listed in the Annual Town Meeting Warrant.

ARTICLE 68 - To see if the Town will vote to authorize the Selectmen to accept as a gift, a parcel of land presently owned by John J. Beltrandi and Philip C. Smith for recreational purposes, located in Greenville Acres, said parcel designated as "Recreation Area" so-called (Lot 26) as shown on a plan of lots recorded in Barnstable County Registry of Deeds in Book of Plans 250, Page 47, consisting of 43,000 square feet and shown on Assessors Map 60 as Lot B9-26, or do anything relative thereto.

Unanimously Voted - Article 68 was Unanimously Voted as printed in the Warrant, with thanks.

The Annual Town Meeting of 1978 was adjourned at 10:15 P.M. to vote on Thursday, May 4, 1978, beginning at 8:00 o'clock in the forenoon to elect the following officers:

One Selectman for a term of three years.

One Assessor for a term of three years.

One Constable for a term of three years.

One Member of the Board of Health for a term of three years.

One Member of the Planning Board for a term of five years.

Two Members of the School Committee for a term of three years.

One Member of the School Committee for an unexpired term of two years.

Three Trustees of the Sandwich Public Library for a term of three years.

One Trustee of the Weston Memorial Fund for a term of three years.

One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Veteran)

One Member of the Sandwich Housing Authority for a term of five years.

One Member of the Sandwich Housing Authority for an unexpired term of three years.

One Member of the Upper Cape Cod Regional Vocational-Technical School for unexpired term of one year.

And all other candidates that may appear on the official ballot.

SPECIAL TOWN MEETING

TOWN OF SANDWICH

June 27, 1978

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. William Bullock, in the Sandwich Jr./Sr. High School.

A motion was made and seconded to dispense with the reading of the Warrant.

ARTICLE 1 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of legal expenditures, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$17,000.00 from Surplus Revenue to the Law Account for the payment of legal expenditures. This was a voice vote.

ARTICLE 2 - To see if the Town will authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, 5.5 acres of land located off Phillips Road in Sagamore Beach, shown on Assessors Map 19 as Lot A5, presently owned by Channing E. Hoxie et ux (Nora M.), and to vote to transfer from the Conservation Commission Land Acquisition Fund a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, 5.5 acres of land located off Phillips Road in Sagamore Beach, shown on Assessors Map 19 as Lot A5, presently owned by Channing E. Hoxie et ux (Nora M.), and to transfer from the Conservation Commission Land Acquisition Fund \$1,000.00 for said purpose. This was a hand vote; 194 Yes, 39 No. This vote met the 2/3 requirement.

ARTICLE 3 - To see if the Town will authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, 12.12 acres of woodland on Quaker Meeting House Road shown on Assessors Map 58 as Lot K2, presently owned by H. Winthrop Webber, and to vote to raise and appropriate or transfer from the Conservation Commission Land Acquisition Fund a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, 12.12 acres of woodland on Quaker Meeting House Road shown on Assessors Map 58 as Lot K2, presently owned by H. Winthrop Webber, and to transfer from the Conservation Commission Land Acquisition fund \$8,750.00 for said purpose. This was a hand vote; 177 yes, 62 no. This vote met the 2/3 requirement.

ARTICLE 4 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, or do anything relative thereto.

Voted - That the Town raise and appropriate \$2,500.00 for payment to the Town of Barnstable for privileges at Sandy Neck Beach for Fiscal Year 1979. This was a voice vote and declared carried by the Moderator.

ARTICLE 5 - To see if the Town will vote to authorize an exchange of land between the Town of Sandwich and Frank E. Colombo, Jr. et ux, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Board of Selectmen to execute an exchange of land between the Town of Sandwich and Frank E. Colombo, Jr. et ux as follows:

Lot "A" consisting of 973 square feet is to be deeded from Frank E. Colombo, Jr. et ux to the Town of Sandwich and be combined with the "Library Lot," parcel 6-E6; Lot "B" consisting of 1191 square feet is to be deeded from the Town of Sandwich to Frank E. Colombo, Jr. et ux and be combined with Parcel 6-S1 all as shown on "Plan of Exchange of Land between Frank E. Colombo, Jr. et ux and the Town of Sandwich" drawn by Town Engineer William C.

Taylor, R.L.S. and dated May 1978. This exchange of land is subject to Frank E. Colombo, Jr. et ux being able to convey a good and clear marketable title to the Town. This was a voice vote.

ARTICLE 6 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for unpaid bills for emergency highway work in the Lakewood Hills subdivision, or do anything relative thereto.

Voted - That the Town transfer \$44,393.23 from the Revenue Sharing Fund on deposit in a Special Savings Account for unpaid bills for emergency highway work in the Lakewood Hills subdivision. This was a voice vote and declared carried by the Moderator.

The Meeting was adjourned at 8:35 P.M.

The total number of registered voters for this Meeting was 4372. Total number of registered voters attending this meeting was 301 which met the quota.

A True Record of the Special Town Meeting.

YES	903	1147	2050
NO	299	306	605
BLANKS	319	306	625
TOTAL	1521	1759	3280

The polls were closed at 8:00 o'clock P.M. The total vote cast was 3280, which included 62 Absentee Ballots - Precinct 1 and 53 Absentee Ballots - Precinct 2.

The total number of registered voters at the close of registration prior to the election was 4632.

The voting lists of Checkers and Ballot Clerks were checked and found in order and these lists agreed with the ballot box counter.

I certify that this is a true record of the 1978 State Election held in Sandwich on November 7, 1978.

Channing E. Hoxie
Town Clerk

SPECIAL TOWN MEETING TOWN OF SANDWICH December 4, 1978

The meeting was called to order by Mr. William Bullock, Moderator, at 7:49 P.M. in the evening. He announced there was not a quorum present so the meeting was recessed until Thursday, December 7, 1978 at 7:30 P.M. Meeting was recessed at 7:50 P.M.

December 7, 1978

The meeting was called to order by Mr. William Bullock, Moderator, at 7:40 P.M.

It was moved and seconded to dispense with the complete reading of the Warrant. Unanimously voted.

ARTICLE 1 - To see if the Town will vote to transfer and appropriate \$6,900.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Treasurer's Department for updating the computer cash receipts program and for additional clerical help, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$6,900.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Treasurer's Department for updating the computer cash receipts program and for additional clerical help.

ARTICLE 2 - To see if the Town will vote to transfer and appropriate \$3,501.53 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Restoration M & O Account (Hoxie House and Grist Mill) for operating expenses for the balance of FY 1979, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$3,501.53 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Restoration M & O Account (Hoxie House and Grist Mill) for operating expenses for FY 1979.

ARTICLE 3 - To see if the Town will vote to transfer and appropriate \$1,000.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Clerical - S A & A Account for increasing a presently employed part-time clerk's hours from 20 to 30 hours per week, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$1,000.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Clerical-Selectmen, Assessors and Accountant Department to increase a presently employed part-time clerk's hours from 20 to 30 hours per week.

ARTICLE 4 - To see if the Town will vote to transfer and appropriate \$7,280.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Conservation Commission for hiring a foreman to be in charge of a 10-man C.E.T.A. crew available under a one year grant, or do anything relative thereto.

Mr. David Persson moved that this Article be Indefinitely Postponed. The motion for Indefinite Postponement was seconded and Unanimously Voted.

ARTICLE 5 - To see if the Town will vote to transfer and appropriate \$2,600.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Cemetery Account for expenses incurred for supplies and equipment associated with the cemetery operation, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$2,600.00 from the Federal Anti-Recession Fund on deposit in a Special Savings Account to the Cemetery Account for expenses incurred for supplies and equipment associated with the cemetery operation.

ARTICLE 6 - To see if the Town will vote to transfer and appropriate a sum of money from available funds for re-roofing the Deacon Eldred House, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$7,280.00 from the Anti-Recession Fund on deposit in a Special Savings Account and transfer \$1,720.00 from Surplus Revenue for re-roofing the Deacon Eldred House.

The meeting was adjourned at 7:55 P.M.

The total number of registered voters for this Meeting was 4669. Total number of registered voters attend-

ing this meeting was 236 which met the quota.

A True Record of the Special Town Meeting.

Channing E. Hoxie
Town Clerk

Report of the Inspector of BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Mass.

The year 1978 was a close proximity to the year 1977 in estimated values with a figure of \$10,487,722.00 as against \$10,729,838.00 in the year 1977.

It may be interesting to note that although the estimated values were very similar, the commercial values were very different \$2,175,000.00 for 1977 to \$450,100.00 for 1978. This is due to the fact that there were 24 more new houses built in 1978 and due to the increased cost of construction.

There were 552 permits issued.

The commercial permits issued were to the Town of Sandwich cemetery office building at \$90,000.00, Sandwich Associates, 6 stores at \$200,000.00, Jack Frost's deli and restaurant at \$37,000.00, Sandwich Water District pumping station at \$62,000.00, Earl of Sandwich Motel, 6 new units at \$60,000.00 and Paul Quirk, bleachers at \$500.00.

There were 24 more dwelling permits issued in 1978 than in 1977.

The fees collected and paid to the Town Treasurer amounted to \$15,494.00.

Permits were issued as follows:

266 Dwellings
72 Additions
48 Alterations
1 Office Building
21 Garages
59 Stoves
18 Signs
25 Certificate of Inspections
4 Solar (included in permits for additions)
42 Miscellaneous permits
192 Occupancy permits (not included in total of 552)

I would like to take this opportunity to thank everyone in Town Hall for their fine cooperation, and especially to our hard working and very conscientious secretary Debbie Fournier, and also to Lester Geary, alternate Building Inspector for his assistance.

Respectfully submitted,

Sven E. Hanson
Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1978.

There were 169 permits issued in 1978 for the installation of gas services and appliances.

During the past year the Commonwealth of Massachusetts eliminated the Gas Regulatory Board and transferred its authority to the State Board of Examiners of Plumbers and Gas Fitters.

Again I am pleased to report that installers have been most cooperative and responsible in their work.

I would like to thank the Selectmen, the citizens of the Town and in particular Mr. Herbert A. Hamlen and "Debbie" Fournier for their assistance and cooperation during 1978.

Respectfully submitted,

Walter T. Fagnant
Gas Inspector

Report of the PLANNING BOARD

To the Honorable Board of Selectmen
Sandwich, Mass.

In 1978 the number of new subdivisions was few, as was the case in the preceding two years. Building activity though, has continued to escalate. The rate of growth Sandwich is experiencing has concerned the Planning Board. We are preparing a reasonable management program for this growth for the annual Town Meeting in 1979.

The Planning Board has also concerned itself with the Marina, Industrial, Business and Housing needs of the Town.

We have also worked on a plan for the lowland areas of Sandwich and will report to the Town at its annual meeting.

We wish at this time to thank Mrs. Helen Palmer for many years of service to the Planning Board; as well as the Selectmen, the Citizens of the Town, and all other Town Departments for their cooperation and assistance during the past year.

Respectfully submitted,

Carol M. White
Chairman

Report of the Board of APPEALS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

A total of 48 applications for the Board of Appeals public hearings were advertised in 1978. Forty two of these were heard as two had to be readvertised and four were withdrawn. The breakdown is as follows:

Special Permits, 25 granted, 9 denied, and 1 turned down without prejudice. Variances, 2 granted and 5 denied. Action on one Special Permit application is still pending.

On court action, 7 appeals of the decision of the Board have been filed with the Barnstable Superior Court. One is from a Special Permit denied in December of 1977, five from Special Permits denied in 1978, and one is a contesting of a Special Permit granted. Also a court action on a Special Permit denied and appealed in Superior Court in 1977 was remanded to the Board by the presiding Judge for reconsideration. A new hearing was held. This time the Board voted to grant the Special Permit. The court has been notified of the Board's action. The Judge will now make his final decision.

We wish to thank our secretaries, Mrs. Judy Hendy, our recording secretary at the hearings, Mrs. Marie Harrington for her work the first half of 1978 and Ms. Debbie Fournier, our present secretary at the Town Hall Annex.

Respectfully submitted,

Albert Roberti, Chairman
Roland DeConto, Vice Chairman
Edward W. Osgood, Jr., Clerk

Report of the WIRE INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Mass.

In the year 1978, 343 wire permits were issued for

new installations and 116 wire permits for additions or alterations to existing structures.

The permit fees collected and paid to the Town Treasurer amounted to \$1,831.00.

I have traveled 5,400 miles to make the necessary inspections during the year.

I wish to thank the people at the Town Hall Annex and Town Hall for their cooperation. I would also like to thank Deborah Fournier for the fine job she has done since replacing Marie Harrington.

Respectfully submitted,

Victor M. Devine
Inspector of Wires

Report of the INSPECTOR OF PLUMBING

To the Honorable Board of Selectmen
Sandwich, Mass.

The year 1978 again brought an increase in the number of plumbing and sewerage permits issued as well as the number of required inspections. 330 sewage permits were issued with 343 inspections made, of these 8 were subject to reinspection due to incorrect sizes of septic tanks and non-conformance with filed plans. 444 plumbing permits were issued and 693 inspections were made, of these 87 required changes to be made in order to conform to the State Plumbing Code.

As always we wish to thank everyone who has worked with us in 1978, especially our secretary Deborah Fournier.

Respectfully submitted,

Herbert A. Hamlen, Plumbing Inspector
Walter T. Fagnant, Deputy Inspector

Report of the FOREST WARDEN

Honorable Board of Selectmen
Sandwich, Massachusetts

The annual report of the Sandwich Forest Warden Department for the year 1978 is hereby submitted:

Listed below is the breakdown of department activities for 1978.

Wood, brush and grass fires	23
(Approximate acreage burned - 21.5)	
Dump fires	1
Wood smoke investigations	29
Cook permits issued	299
Brush permits issued	484
Burning without permit violations	20

Again we were fortunate in Sandwich as there were no woods fires of major proportions and the number of woods and brush fire calls were down considerably. The fires we did have were extinguished rapidly as shown by the total acreage burned.

The Forest Warden Department plans on replacing its brushbreaker in 1981. It is hoped that a military chassis can be obtained either through surplus or purchase and having the needed work done on it locally. This could be done with a great savings to the town.

In 1978 the Massachusetts Department of Environmental Health extended the burning period from one month to two months and during this period 484 permits to burn were issued. If you want to burn brush, you must have a permit from the Forest Warden, also check and make sure of what can be burned as there are many restrictions.

I would like to take this opportunity to thank all town departments, Fire Department personnel and neighboring departments who assisted the Forest Warden during 1978.

Respectfully submitted,

Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN AND INSECT PEST CONTROL SUPERINTENDENT

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This is my twenty-seventh report as Tree Warden of the Town of Sandwich. Twenty-five trees were planted last year to replace trees lost due to the Dutch elm disease. Trees planted under our tree planting program consisted of moraine and shade master locust, London plane, little leaf linden and October glory maples. We plant flowering trees under wires because of their shorter growth habit.

More time is being spent on the tree planting program each year, feeding, watering and mulching. We also plant larger caliper trees, so that they will be able to better survive the vandalism, which is still a problem.

It is difficult to plant trees on many roadsides due to hardtop taking over the grass strips. Under Chapter 87, Public Shade Trees, towns may appropriate money to be expended by the Tree Warden to plant trees upon adjoining land, at a distance not exceeding twenty feet from a public way. We have done this in some cases, with property owners' permission.

Last year we continued injecting elms with lignasan for the treatment of Dutch Elm disease. This will be our fourth year of injecting and it seems to be working, but it still must be considered to be in the experimental stage and seems to be most effective as a protective treatment for uninfected elms. We are also continuing with the state-recommended spray program using the approved material, methoxychlor, as recommended by the Shade Tree Laboratory of the University of Massachusetts. We will continue both the injecting and spray programs this year, selecting trees for the lignasan program based on their location and aesthetic value. We are also attempting to get a matching grant for this work through Elm Research Institute.

In the past year a gypsy moth scouting program was carried out in various areas of town. Gypsy moths are starting to build up and are feeding south of the Mid-Cape and east of Quaker Meeting House Road in the area of Round Hill golf course. This department and the state will be monitoring this area and will spray if it becomes necessary. Gypsy moths have been in a down cycle for a number of years, and we can expect them to build up again. They have always been present in this area to some extent, but houses have moved in on them in the last few years and now they can be a nuisance to homeowners.

Last fall I had a few calls regarding gypsy moths, only to find out they were fall webworm, which seems to be increasing on the Cape, particularly on wild cherry trees. Control of the webworm is relatively easy, involving cutting out the colony and burning it. Gypsy moths are active in the spring and early summer, and that's when I'll expect the gypsy moth calls.

Respectfully submitted,

William J. Ellis
Tree Warden

Report of the CONSERVATION COMMISSION, 1978

To the Honorable Board of Selectmen
Sandwich, Mass.

In its third year of public use, the Wakeby Holly Sanctuary and Recreation Area's use increased considerably. The boat house was completed and our appreciation goes to the Upper Cape Vocational and Technical School. We would like to thank the Sandwich Recreation Committee for managing the Wakeby Area during the summer months.

In 1978 the Commission established a new position of Conservation Land Manager which was filled by Anthony Martin. His duties are: managing and protecting Conservation Commission lands and supervising the restrictions of private land pertaining to the Wetland Act, Chapter 131, Section 40.

The Wetland Act, Chapter 131, Section 40 continues to consume much of the Commission's time. The number of public hearings has increased to the point that one meeting a month was not enough. We now meet the second and fourth Wednesday of each month. Two cases where restrictions were issued have been appealed to the Mass. Department of Environmental Quality Engineering. In one case the Commission was overruled and the other is still pending.

Five parcels of land totaling 65 acres \pm were purchased by the Commission. The Town now has approximately 1200 acres under the control of the Conservation Commission.

The Conservation Commission has had many changes in membership this year with resignations of Richard E. Canning, Jr., Paul Bousfield and Albert Torrey. The new members appointed were Dr. Frank Columbo, Eugene Morrow and Alden Lawson.

We wish to express our appreciation for the cooperation and assistance of the Board of Selectmen, the Town Engineer, the Recreation Committee and the Town Hall staff.

Finally, we wish to express our thanks for the leadership and knowledge that J. Albert Torrey gave the Commission. We hope he enjoys his retirement.

Respectfully submitted,

Arthur Kingsbury, 3rd
Peter Meini
W. Stephen Collings
Eugene Morrow
Alden Lawson
Richard O'Brien

Report of the DOG AND CONSERVATION OFFICER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Herewith submitted is the annual report for the activities of the Town of Sandwich Dog Officer:

Calls for Dog Officer at pound	709
Calls Relayed by Police Department	1410
Dogs Impounded	198
Dogs turned over to MSPCA	80
Dogs given up by Owners	10
Dogs Killed or Injured (Injured taken to Vet) ..	13
Cats Killed or Injured (Injured taken to Vet) ..	3
Cats and Kittens given up by Owners	10
Goat Impounded	1
Calls for Lost Goats	1
Calls for Lost Dogs	139
Complaints	431
Calls re Cats	37
Calls for Lost China Goose	2
Chicken Picked Up	1
Calls re Cows Loose	3
Calls re Horses Loose	8
Verbal Warnings Given	40
Letters and Notices Sent	131
License Reminders Sent	878
Hearings Held	4
Court Cases Processed	18

As of December 31, 1978, there were 1,409 licensed dogs, an annual increase of 79. All dogs 3 months and older must be licensed by the tenth of June or the owners or keepers are subject to court action.

A Rabies Clinic was held in April, 1978, with 151 dog owners having their dogs inoculated against rabies. A sharp annual decrease of 149. All dogs, 6 months and over, must be inoculated. The rabies shot is effective for two years. Please note that there is another rabies clinic scheduled for 1979. I hope that more dog owners will take advantage of this opportunity for inoculation as in 1979 the Rabies Law will be enforced. All owners whose dogs are impounded must show rabies certificate before the dogs can be released, or they will have twenty-four hours to have the dog inoculated and to show the certificate or court action will result.

Fees collected for 1978 for pick up and care and custody amounted to \$1,995.00. Court fees collected amounted to \$90.00. There is a graduated pick up fee in effect since 1977 to discourage owners to

repeat unrestraining of their dogs. However, about 10 per cent of the dog owners are the biggest offenders of the Leash Law repeatedly. Please be considerate of your neighbors by controlling these loose dogs.

Also, herewith is the 1978 report of the Fish and Game Conservation Officer:

Calls for Conservation Officer	139
Cease and Desist Orders Delivered	10
Conservation Inspections/Wetlands Act	45
Deer Killed	5
Goose Killed	1
Dove Picked up	2
Swan Killed	3
Rabbit Picked up	1
Duck returned to Pond	1
Calls re Duck	2
Ducks Killed	3
Calls re Snakes	1
Possum Killed	1
Woodchuck Killed	1
Seagull Injured	1
Calls re Seagull	1
Squirrel Bite	1
Calls re Chipmunk	1
Calls re Turtles	2
Calls re Raccoon	2
Calls re Skunk	4
Calls re Fox	1

In the performance of my duties as Dog and Conservation Officer I have logged over 18,000 miles in the year 1978.

I would like to thank the following for their assistance:

The Honorable Board of Selectmen
The Fire and Police Department Personnel
The Conservation Commission
The MSPCA

Respectfully submitted,

Francis G. Silva
Dog and Conservation Officer

Report of the Inspector of ANIMALS

To the Honorable Board of Selectmen:

During this year, 33 animal bites were reported to me — 30 dogs, 2 pet cats and 1 wild raccoon. All these animals proved free of Rabies.

I have inspected 90 animals and 36 animal shelters. There is no indication of infections or contagious disease. Most horses and ponies have been Coggins

tested and vaccinated against Infectious Anemia and Eastern-Western Encephalitis.

Listed below is the census I took for the State Department of Agriculture.

Census:

30 Horses
19 Ponies
7 Cattle
15 Goats
11 Sheep
8 Swine
90 Animals

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the PARK DEPARTMENT

To the Honorable Board of Selectmen:

The Park Department, starting this year, has taken over all the flower beds and maintenance of shrubbery around town buildings, with the addition of a new full-time employee. These flower beds are now being done by the Park Department to save the Town money and keep our Town looking one of the best anywhere.

The Park Department has moved from the Town Barn to its own building at the new Town Cemetery on Route 130. The Park Department will be maintaining this new cemetery, along with all the other cemeteries it now takes care of.

I would like to thank the Selectmen and other Town Departments for their continued cooperation during the year.

Respectfully submitted,

Raymond L. Thayer
Foreman, Park Department

Report of the RECREATION COMMITTEE

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Once again the Recreation Committee has enjoyed another year of successful programming under the supervision of our director, Ted Tedeschi, and his staff. Many of our fine programs such as Sandwich Little Baseball League, Youth Baseball, Senior Babe Ruth Baseball, Youth Hockey, and Youth Basketball are directed by our many volunteer adults in Sandwich. The Recreation Committee wishes to take this opportunity to thank all those people who contributed their time and efforts for the youth of Sandwich.

Careful planning and many hours of work go into each recreational activity. As we continue to grow and participation in all activities increases, we welcome your efforts and suggestions so that we may continue to provide and improve the many recreational opportunities for the citizens of Sandwich.

Many recreational activities were held in 1978 for both the children and adults, some for the first time.

The Indoor Soccer Program on Thursday evenings attracted thirty teenagers at the High School Gymnasium for eight weeks. In March a group of All-Stars from this program participated in the Franklin Invitational Soccer Tournament.

Ski trips to Pats Peak in Henniker and Highlands, New Hampshire were held for Junior and Senior High School students. This program involved approximately seventy youngsters per trip.

The Figure Skating Clinic continued to be very popular. About fifty youngsters participated in this program which consisted of eight consecutive weeks from October 3 to November 21.

For the first time, the Recreation Committee sponsored the Sandwich Youth Basketball Program. This program was open to all 5th and 6th grade boys and girls and ran for a period of seven weeks. The girls participated on Saturday mornings and the boys participated in the afternoons at the High School gymnasium. Seventy youngsters were involved in this fine program. Many thanks to all the coaches who gave their time and effort in making this program a successful one.

The Spring Tennis Program was again sponsored by the Recreation Committee. Approximately fifty children and adults took part in this program under the guidance of instructor Ted Tedeschi and his assistant, Anna Roell.

The Fourth of July parade and field events on the grounds of the Henry T. Wing School were held again and were well attended.

The six week summer program which included swimming and canoeing instruction, arts and crafts, playground activities and tennis instruction was again very successful. The nature and crafts program was once again a success. Mrs. Edwina Bielman was the instructor, assisted by Joy Quinton and John Walling. Approximately seventy-five children, 6 to 8 years old registered for the program and thirty-five 9 to 11 age group. Parents were again invited to an Arts and Crafts show held the last day of the program.

The swimming program at Snake Pond and at the Sandwich High School pool was as usual, a well attended program. Registration for classes in the summer of 1978 was up by about one hundred swimmers, with over 600 people registering. The High School Pool once again proved to be very popular. Over 125 people took pool lessons during the summer. We had over sixty swimmers each day in the lessons during the two and one half hours we had in the pool.

The Tennis Program under the direction of Kevin Merritt and Rama Roell, assisted by Anna Roell, was very popular. Lessons were held at the Sandwich High School courts Monday through Friday mornings, for six weeks. Due to the increase in the number of participants, three two week sessions were held.

The Fifth Annual Sandwich Tennis Tournament was held for both children and adults. Both an A and B division Tournament for adults was held. Men's and Women's Tennis Leagues were again formed. The Men's League was held on Monday evenings, and the Women's League on Wednesday evenings. Over 100 men and women participated in this very popular activity.

The soccer program for youths in grades 9-12 was held for the second consecutive year at the Henry T. Wing School field under the supervision of the Director.

The Recreation Committee also sponsored men and women softball teams during the summer months.

A co-ed basketball and volleyball program was held in the Fall for youngsters in grades 9-12 at the High School gymnasium. A newly formed Men's Basketball League was sponsored by the Recreation Committee starting last fall. All games were played at the Henry T. Wing School gymnasium on Wednesday evenings.

The Recreation Committee would like to take this opportunity to thank the Selectmen, the Finance Committee, and citizens of Sandwich for their continuing support.

Respectfully submitted,

*Silvio Tedeschi, Director
Carlo M. DiPersio, Chairman
William F. O'Neil, Treasurer
Janice M. Peterson
Shirley Canning
Mariann Valentini
Paul Feeley
William C. Taylor II*

Sandwich Little Baseball League

To the Honorable Board of Selectmen
Sandwich, Mass.

Due to the increase in the number of participants, five new teams were added this year to the Sandwich Little League Baseball Program.

In order to maximize the opportunity for involvement, the season was extended and a playoff system was instituted. At the conclusion of the season, a minor and a major league All-Star team was selected. These teams participated in three post-season tournaments and were excellent representatives of the town. Also, a well attended cook-out was held, where certificates were presented to all participants.

Naturally, with such a large group of adult volunteers, all individuals cannot be recognized. However, I would like to commend the Board of Directors: Pat McArdle, Secretary; Mariann Valentini, Treasurer; James Swan, Umpire-in-chief; Paul Feeley and Donald Giumetti. I would also like to thank the Honorable Selectmen, the Recreation Committee, the Finance Committee and the citizens of Sandwich for their continued support.

A very special thanks to the many coaches and assistants who devoted so many hours in developing the skills and sportsmanship of their players.

Respectfully submitted,

Robert F. Hannon
Director

Sandwich Youth Baseball League

The Honorable Board of Selectmen
Sandwich, Massachusetts

The Sandwich Youth Baseball League completed its third successful season of operation. In order to give the 16-18 Babe Ruth team more field time, the number of teams was reduced from five to four.

South Sandwich won the championship this year. The teams' standings and their coaches were as follows:

Team	Won	Lost	Tied	Coach
South Sandwich	9	3	0	Fred Dugan & Carl Mores, Jr.
East Sandwich	6	6	0	Jeff Walker & John Walker
Forestdale	6	5	1	Rusty Rustowski
Spring Hill	2	9	1	Peter LeBlanc

A baseball school was held again for the Youth League. This year I was assisted by baseball players who were playing for the University of Massachusetts, Babson College, Rollins College, and the Choate School. These young men, who formerly participated in Sandwich Youth Baseball teams, volunteered their time and gave individual, expert instruction to those present in the basic skills of base running, hitting, bunting, catching, and pitching.

On July first, the First Annual Baseball Field Day was held. Youth League players demonstrated by age their baseball skills in pitching, catching, base running, and hitting. Field Day ribbons were awarded the first four places in each event. The first place ribbon winners were as follows:

Event	13-year	14-year
Pitching	Dan O'Neil	Mike LeBlanc
Catching	Scott Brown	Omar Alejandro
Base Running	Bob Nelson	Omar Alejandro
Throwing	Fritz Lupone	Mike LeBlanc
Circle Bases	Bob Nelson	Omar Alejandro
Hitting	Fritz Lupone	Mike LeBlanc

Event	15-year	16-year
Pitching	Glenn Mores	John Doyle
Catching	Glenn Mores	Myles Ferrick
Base Running	Glenn Mores	John Doyle
Throwing	Ricky Dugan	John Doyle
Circle Bases	Glenn Mores	Eric Alejandro
Hitting	Glenn Mores	Eric Alejandro

This year, the League was assisted by the School Radio Station WSDH, which announced scores and games postponed due to inclement weather.

I should like to thank again the Coaches, School Committee, the Recreation Committee, the Finance Committee, and Selectmen, and town voters for their continued support of summer youth baseball.

Respectfully submitted,

William R. Hendy, Jr.
Director

Senior Babe Ruth Team

The Honorable Board of Selectmen
Sandwich, Massachusetts

The 1978 Sandwich "Blues" completed their sixth season in the Cape Cod 16-18-year-old Babe Ruth League.

This year the League was divided into two divisions to make it easier for players to get to 6 p.m. games and, in part, to cut down on travel. Bourne, Barnstable, Falmouth, and Sandwich represented the Upper Cape, and Chatham, Dennis, Orleans, and Yarmouth, the Lower Cape.

Local businessmen in past years have been sympathetic and supported the 16-18 baseball programs, but in recent years, young working ball players have been unable to convince employers to assign them working hours that allow them to play two-night baseball.

Last year I reported that one baseball field wasn't sufficient to accommodate the Youth League and the 16-18 Babe Ruth team. Three seasons of a reduced schedule and no place to practice finally had an affect on the morale, interest, and future of the team. Unless the new high school field is available this summer, the program will continue to be severely handicapped.

I should again like to thank the School Committee, Recreation Committee, the Finance Committee, and the Selectmen for their continued support of 16-18-year-old baseball in the Town of Sandwich.

Respectfully submitted,

William R. Hendy, Jr.
Coach

Sandwich Youth Hockey

To the Honorable Board of Selectmen and the Citizens of the Town of Sandwich

The Board of Directors of the Sandwich Youth Hockey Program welcome this opportunity to advise you of the progress of the program.

Your youth hockey program continues to operate with seven separate groups offering instruction in skating and hockey skills. Six teams with members from ages six through fourteen are currently entered in the Cape Cod Youth Hockey League and, in addition, compete with other teams in non-league contests.

The basis of the program is a clinic group which offers instruction in basic skills to non-skaters and beginners of all ages. We were fortunate, this year, in obtaining a more convenient hour for this group and this has resulted in an increased participation in this most important program.

The six teams entered in the Cape Cod Youth Hockey League are enjoying successful seasons. As of

this report, approximately halfway through the 1978-1979 season, four Sandwich teams are in either first or second place and the other two not far off this pace. It appears that this may well be the most successful season to date.

The Squirt group (ages 9 & 10) played in the 1978 Randolph Christmas Tournament and defeated teams from Abington, Scituate-Norwell, Quincy and Weymouth on their way to gaining the championship of this most competitive tournament.

We want to extend a hard-earned thank you to the coaches, assistants, instructors and many others who helped make this a successful program through their expenditure of a great deal of time and effort.

Coaches 1978-1979

Clinic Dick Glynn
Mite George Challis
Squirt Gerry Goodwin, Steve Chaffee,
Dave Glynn
Pee Wee Jack Donahue, Rod Valentini,
Bob Brun, Bill Dwyer
Bantam Bud Taylor, Bill O'Neil

The Board of Directors of the Sandwich Youth Hockey Program wishes to thank the Board of Selectmen, the Recreation Committee, the Finance Committee and the people of Sandwich for their assistance in making this program for the youth of Sandwich possible.

Board of Directors
Sandwich Youth Hockey

Respectfully submitted,

Rod Valentini
President

Report of the SHELLFISH WARDEN

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the summer of 1978, 113 bushels of large and medium quahogs and 150 bushels of mixed oysters were planted in the Old Harbor Area.

Open shellfishing days will be the same as in previous years, open on Sundays only during the months of November and December. It will close for the months of January and February and reopen Sundays during March and April.

During 1979, a planting program of seed shellfish-quahogs and soft shell clams is being prepared. Shellfish rafts will be anchored in the area of Spooky Hole for the purpose of raising quahogs and oysters. This area will remain closed year-round.

Again, I wish to thank Deputy Wardens, Richard Currier and John Winslow for their able assistance.

Respectfully submitted,

Eugene H. Morrow
Shellfish Warden

Report of the TOWN ENGINEER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I submit the Annual Report of the Engineering Department to you and the citizens of Sandwich.

The Engineering Department was actively involved with the architect in the construction of the new Cemetery on Route 130. At present, the Department is in the process of compiling a set of Rules and Regulations to be submitted for approval, which will be used in the operation of the Cemetery.

The perimeter plans of the land to be used for the Marina expansion were prepared, as well as the initial application for Coastal Zone Management funds to finance the study now being done by Tibbetts Engineering Corporation. A complete topography survey and map of this area was prepared to facilitate this study.

It is a pleasure to report that after a period of three years serving as the Town's representative to the Coastal Zone Management Advisory Committee and the 208 Water Quality Committee the final reports have been drafted, and are before the public for their comment and use. I feel that these reports will prove to be of great value to the towns in the future.

The entire perimeter of 246 acre Ryder property was surveyed this summer and a plan of this property was prepared and filed at the Registry of Deeds.

The Department was called upon to appear at legal hearings on behalf of the Town, in cases such as the High School suit.

The Engineering Department during the past year continued its regular duties of:

- 1) Inspecting Sub-Divisions for compliance with Sub-Division Regulations;
- 2) Inspecting lots for release of bonds for new home construction;

- 3) Preparation of cost estimates, plans and bid data for various Town projects;
- 4) Preparation of compliance reports on applications before the Planning Board, Board of Appeals and Conservation Commission;
- 5) Revising and updating Town Maps, Assessors' Maps, Street Listing and land use data;
- 6) Preparation of street layouts for Town Meeting acceptance.

We were fortunate to acquire two Four Wheel Drive surplus Pickup Trucks for less than \$500.00. One truck is in use by the Engineering Department and the other is in use at the new Cemetery.

The Department assisted the Growth Policy Committee in their work on the natural resource and land use maps, which were prepared by the Barnstable County Soil Conservation District.

I wish to thank the citizens and other Town Departments for their assistance and support in the past year.

Respectfully submitted,

William C. Taylor, R.L.S., P.E.
Town Engineer

Report of the HIGHWAY SURVEYOR

To the Honorable Board of Selectmen
and the Citizens of Sandwich

The fiscal year 1978-1979 as in previous years was a busy and productive year.

The work accomplished under general and special appropriations includes drainage, road resurfacing, patching, brushing and oiling. Good maintenance of the roads is an investment in pavement structure and insurance against costly repair. To neglect maintenance is to invite damage with consequent expensive repairs at a later date.

Emergency road repair in Lakewood Hills subdivision under special appropriation, and resurfacing of various roads as recommended at the Annual Town Meeting was completed.

This Department has attempted to alleviate many of the flooding problems. Road construction in some areas has caused many drainage problems, that only so much can be done to help the flooding situation.

The following work was accomplished this year:

Emergency repair work on some of the roads in Lakewood Hills.

Resurfacing various roads in Lakewood Hills.

Catch Basins were put in at different locations in Canterbury.

Drainage construction was completed on Meredith Rd., Guild Rd., parts of Greenville Acres and other areas throughout the Town.

Road construction for Gully Lane Extension was completed in October of this year.

Snow and Ice Control was not as much of a problem this year as in past years, however, sanding of the roads consumed a great amount of time due to freezing and icy conditions.

The cooperation and interest of the citizens, Selectmen, and other Town Departments in the past year have been fully appreciated by this Department.

Respectfully submitted,

Clarence R. Van Buskirk,
Highway Surveyor

Report of the GROWTH POLICY COMMITTEE

To the Board of Selectmen:

The Committee has met regularly during the past year and has been able to produce, with the expert help of the Soil Conservation Service and Jim Edwards and Mike Viani, a set of updated maps of the Town. These maps will be the best aid in future planning for the Town.

We have also in the works an economic development survey.

The Committee hopes to complete its work within the next fiscal year.

Respectfully submitted,

Herbert H. Rosenberg
Chairman

Report of the VETERANS' AGENT

Herewith is the 1978 Annual Report of the District

Department of Veterans' Services:

Under Chapters 115 and 483 of the Massachusetts General Laws, it is my responsibility to aid, assist and advise Veterans and their dependents of the benefits which they might be eligible for. To uphold this responsibility, our Staff must keep abreast of all Laws governing Federal, State and Local programs.

During the past year, again we have handled over 5,000 personal visits and over 6,000 incoming telephone calls, regarding benefits for Veterans and/or their dependents.

An example of how our office effects the Communities of our District; we have received figures from the Veterans Administration showing the amount of expenditures to Veterans and their dependents for 1978. These figures are cash figures received in the Community for Compensation and Pension, Education, Vocational Rehabilitation, Insurance and Indemnities.

Town of Barnstable	\$1,485,380.00
Town of Dennis	499,986.00
Town of Mashpee	77,618.00
Town of Sandwich	315,594.00
Town of Yarmouth	939,690.00

Figures, also received by this office, show an approximate figure of what expenditures would have been if there had been no Veterans Administration Hospitals or Clinics for Veterans in this area. This figure, would be \$3,461,697.00.

However, I cannot take credit for all these figures, as I must thank the Local American Legions, V.F.W.'s and D.A.V. for the help they render to the local Veterans, Also, I would like to extend my appreciation to the Veterans Administration, and in particular, Mr. Jack Marland for all the assistance they have given me over past years.

Following is a report of Our Investigator, George C. Chirstopulos:

As Investigator for the Department of Veterans' Services, my main objective is to ascertain the validity of Veterans' applications for eligibility for assistance. Permanent cases are investigated every six months, while temporary ones, each and every month.

Job responsibilities in the Veteran's office, consist of exploring the various avenues where Veterans and their dependents are able to receive the aid essential to their needs, through the Agencies, such as the Social Security Administration, Department of Public Welfare and the Division of Employment Security, as well as pursuing applications for Veterans Administration Pensions, on the Federal level. Keeping abreast of Laws and their changes is essen-

tial, in order to facilitate matters for those who require benefits.

George C. Christopulos, Investigator

I wish to thank my Staff for all the help they have given me over the past year: Mrs. Olive M. Ritter, Mrs. Josephine B. Angell, Mr. George Christopulos.

I would be remiss if I didn't say thank you to the employees of each Town for the help and cooperation they have given me this past year, "Thank you!"

Respectfully submitted,

Sidney L. Chase
Director & Agent

District Board
Edwin F. Taylor, Chairman
Michael McGrath
J. Louis Roberti
Theodore Nelson
Frank Hicks

Report of the VETERANS' GRAVES OFFICER

Honorable Selectmen
Town of Sandwich
Sandwich, Massachusetts

This year, as in the past few years, the flags have been placed on the gravesites for Memorial Day.

On November 11th, the memorials to service persons of all wars, Town Hall square, Mill creek by the Town Hall, Library lawn and Clark-Haddad square were all decorated with flags and left on until after Christmas.

Many missing markers have been called to my attention and a listing of these has been made and these missing markers will be replaced before Memorial Day.

Very thoughtful people have left markers at my house because they found them in the Cemetery and some also had a note saying where they had found it.

If I should overlook a service person's resting place, please get in touch with me.

Respectfully submitted,

Elizabeth L. Currier
Veterans' Graves Officer

Report of the Director of CIVIL DEFENSE

Board of Selectmen,
Town Hall,
Sandwich, Mass.

The Annual Report of the Sandwich Civil Defense Agency for the year 1978 is submitted herewith.

1978 was a relatively quiet year with only the big storm of February requiring emergency action. With the cooperation of the Police Department, several families were moved from the Scusset Beach area at the time of high tide and taken to the High School. With exception of damage to the Board Walk, Sandwich suffered minor damage in comparison to other shore communities during the storm.

Communications personnel have participated in the monthly area radio tests on a regular basis.

Civil Defense personnel have attended area meetings and seminars at which matters relating to the handling of emergency situations were discussed.

Meetings have been held with the Board of Selectmen and heads of town departments to review emergency procedures in the event of a natural emergency such as hurricanes or severe winter storms. Emergency Operations Resource data have been prepared and distributed to all department heads.

Appreciation and thanks is extended to the Board of Selectmen and town departments for their help and cooperation.

Respectfully submitted,

W. Gordon Swan
Director, Civil Defense.

Report of the Sandwich ARCHIVES AND HISTORICAL CENTER COMMITTEE 1978 Report

The Committee retained Mr. Lovell as Archivist/Historian on a part-time basis throughout the year, and as of July 1 also employed Mrs. Jane Morrow Mercier for three hours a day. She is an experienced genealogist with a strong Sandwich background.

With the move to the Cooperative Bank building in August, the Archives & Historical Center was allocated the upstairs room with adequate area for books, maps, files and workspace. Now for the first time Sandwich has an office with skilled people, devoted to explaining and studying many phases of Sandwich history. A number of Sandwich citizens have come and gotten acquainted with this important town resource, and have had their questions answered. Many articles have appeared in the *Broadsider* during the year about historical subjects, and the Archives will become still more useful as it steadily improves the depth and detail of information available.

Visitors to Sandwich from seventeen states have come to the Archives with questions about ancestors and town history and have been helped. Our correspondence is wider still in aiding people across the country with Sandwich roots.

Important basic information which we have available includes the town census for 1790, 1820, 1850 and 1880 in film and typescript; microfilm of newspapers from 1846 to 1938; typescript of Plymouth Colony Records about the town to 1650 and of our own town meeting records 1651-1682. An alphabetical register of town meeting actions from 1976 back to 1854 has been completed and will be extended back to 1682. Proprietors' records and woodlot records are being typed out from the difficult early script to convenient readable form. Information about early Sandwich families is being extracted from published genealogies and journals in order to be readily available.

Current projects involving Sandwich history in which the Archives is working include research on the unique 1675 Capt. Adolph bell, a plan for systematic study of the Glass Factory site, possible archaeological digs in the Heritage Plantation area, cooperation with an English historian on Sandwich connections in Kent, England, and assembly of cemetery records.

One of our main goals over the next three years will be to produce a much needed history of Sandwich that will incorporate material in Frederick Freeman's history (1862) and Deyo's history (1890), adding new information now available on the past periods, and extend the town's history up to the present time. We intend also to publish the town's vital records including information from church records, burial grounds and other sources.

The Archives and Historical Center is an important resource in a town which prides itself on its historic past as the oldest town on Cape Cod. Our purpose is to preserve, research and explain information from many sources about our heritage in cooperation with other public and private agencies existing in the town.

Many gifts and loans have been made to the Archives

of books, documents, pictures and other historical materials, and more will be appreciated. Historical photographs are needed either as originals or for copying. Please visit the Archives office in the Town Hall Annex and learn more about its unique services.

Report of the Sandwich HISTORICAL COMMISSION Report for the calendar year 1978

The Commission was formed in 1971 when the Town voted to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8D. The duty of the Commission is to research, prepare, and maintain an inventory of historic assets in the town as directed by the Massachusetts Historical Commission under these headings:

Buildings (houses, barns, schools, factories, etc.)
Structures (dams, walls, herring runs, bridges, etc.)
Monuments (Plaques in honor of veterans, families or events)
Burial Markers (Period of burials, tombs, noted persons)
Sites (Location of Indian sites and historic areas such as Christopher's Hollow and old Briar Patch)

The inventory is important to the town as the basis of historic tours, school programs, lectures and planning, and is a necessary preliminary to official recognition in State and Federal programs such as National Register listings, historic districts, and historic preservation programs and grants. The East Sandwich and Spring Hill inventory was completed in 1972 and considerable sections of Sandwich were submitted in 1974 and 1976. Work on the balance of the town including Forestdale and South Sandwich is actively underway.

The Commission has assisted in historical research through such projects as microfilming old newspapers, providing a microfilm reader and in planning the current oral history program. The files of the Commission on historic houses, families and related subjects as well as our collection of books on genealogy and town histories are open to the public at

the Archives office, 145 Main Street for reference use. The Commission meets at 3:30 P.M. on the 4th Thursday of each month.

Chairman: Barbara L. Gill	(FY 77-79)
Secretary: Russell A. Lovell, Jr.	(FY 77-79)

Mrs. Anna L. Caron	(FY 79-81)
Miss Carolyn Crowell	(FY 79-81)

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen:

Another very busy year was enjoyed at the Old Hoxie House. Guests came from every state in the Union and many foreign countries. Many were particularly interested in the simple way of life of our early settlers. They stayed longer than usual, repeating the lectured tours which are given throughout the day. A significant increase in local residents visiting here was noted.

As usual, photographers came in great numbers. The interior of the house was photographed by the House and Garden Magazine for their Decorating Guide to be published in the near future. The Cape Cod Guide published an excellent collection of interiors taken here in one of their September issues.

The Kakas Furriers gave us good exposure in the Boston and New York papers with photo ads using The Hoxie House and other interesting places in Sandwich.

Some repairs to the hearth and the andirons in the keeping room will be completed soon. Floor boards throughout will be checked and renailed if necessary.

The furniture and furnishings are in good condition. They are oiled regularly and cared for daily.

The herb garden flourished — always a conversation piece! Many of these green herbs are used regularly as bouquets in the keeping room. The dried pieces hang in great profusion over the hearth. Along with the beautiful bouquets of fresh bayberries picked by Mrs. Hilliard, they give the house a delightful fragrance. Many guests ask if we burn incense!

My assistants; Mrs. Walter Hilliard, Mrs. Alfred Hoey, and Mrs. Carl Leino join me thanking all for any aid given us this past season. A special thanks to the gentlemen of the Park Department for always being ready and willing to help beyond their call of duty.

Do remember taxpayers and local residents, the Old Hoxie House is your house to visit.

See you next summer?

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the DEXTER GRIST MILL

To the Honorable Board of Selectmen
Sandwich, Mass.

I am very proud being the Miller of the Restored Dexter Grist Mill and I am doing my best in taking care and keeping it in good running order. It grinds out some of the best stone ground corn meal you can find.

The Dexter Grist Mill opened on June 10th, 1978 with a very busy season. We had school children from the town and other towns, special groups from off the Cape, the Senior Citizens, and many other groups. We had guests from every state in the union and Canada, and also from many foreign countries. They were very interested and asked a great many questions about the working ways of this Mill.

Many of them liked the setting of the flowers and shrubs around the Mill and lake and remarked what a beautiful place. They would sit on the stone wall and enjoy the beauty of the lake, feeding the ducks, swans and geese, taking pictures and their time leaving.

I am very glad to report that the month of August, 1978 was the busiest one on record. We ground over five tons of corn and bagged 4200 bags of corn meal, which is a record for a single month.

With great satisfaction I wish to thank my assistants for doing an outstanding job. "THANK YOU GENTLEMEN."

For the season of fourteen weeks we ground fourteen and a half tons of corn and sold over 13,000 — 2 pound bags of stone ground corn meal to the public and local stores.

The town property owners are always welcome to visit the Mill as a guest of the town.

Have you tried some Baked Indian Pudding, Corn Bread, Corn Muffins or Spoon Bread made from stone ground corn meal from the Dexter Grist Mill? They are delicious and we have recipes for all of them.

Respectfully submitted,

Blake S. Norris

Report of Annual Sandwich Historic District Meeting

OLD KING'S HIGHWAY

Regional Historic District

The Annual Election for a member of the Historic District Committee in Sandwich was held November 28, 1978 at 8:00 o'clock P.M. in the Henry T. Wing School.

The meeting was called to order by Mr. David Persson.

The first business was the election of a Moderator for the ensuing year. Mr. Persson was nominated and unanimously elected.

Nominations were then received from the floor for a member to the Sandwich Historic District Committee. Mr. Donald Bourne nominated Mr. Roy Perry. Mr. Hutcheson nominated Jonathan Leonard. Nominations were then unanimously voted closed.

Mr. Persson appointed Kenneth Gourley and Ralph Titcomb as counters.

The vote was by ballot vote. Results as follows: Roy Perry - 49; Jonathan Leonard - 118.

There were 164 Historic District voters present.

The meeting adjourned at 8:42 P.M.

Barbara J. Walling
Secretary

Report of the Sandwich Historic District Committee

OLD KING'S HIGHWAY

Regional Historic District

To the Honorable Board of Selectmen

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During 1978, the Historic District Committee processed 253 applications for certificates of appropriateness in accordance with the requirements of the Regional Historic District Act. The annual number of applications has remained remarkably constant during the four years the Act has been in force, totaling for those years a little over 1,000. Compliance with the Act has, in general, been satisfactory, and the few cases of non-compliance appear to have been the result of oversight rather than defiance. It is fair to say that the Act has good public support in the bayside towns from Sandwich to Orleans through which the Old King's Highway extends.

An event of importance for the town and the regional district was an appeal taken from a decision of the Sandwich committee approving a proposed commercial building of contemporary design. The issue was sharply drawn: must a new building in the district reproduce or imitate early Cape Cod architecture, as contended by the appellants, or, as contended by the committee, may a building of contemporary design be deemed appropriate if compatible with its surroundings. The Committee's decision was appealed to the Regional Commission which upheld the Committee by a unanimous vote. Appellants

then appealed the Commission's decision to the First District Court. After trial in that court Judge Whitman in construing the Act found the evidence overwhelmingly in support of the Commission's decision which he affirmed. The effect of this decision is to liberate architecture in the regional district from the restraints on creativity which surely would have followed had appellants succeeded.

At the annual election Jonathan A. Leonard was elected to membership on the Committee to succeed Donald Bourne whose term expired at year's end and who chose not to seek another term. Grattan Gill, who had been the architect member of the Committee from its beginning also chose not to continue. His professional skill, good taste, patience and practical common sense were immensely valuable to the Committee and to those who came before it. Sandwich and the regional district were fortunate in having him on the Committee.

The Committee is grateful to Mrs. Harold I. Palmer, Mrs. Vincent Harrington and Ms. Deborah Fournier for their good services in its behalf.

Respectfully submitted,

Donald Bourne
Chairman 1978

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich:

As Chief of Police, I respectfully submit my annual report for 1978.

1978 was a busy year for the Sandwich Police Department. Total complaints investigated numbered 5,909.

Sandwich was fortunate, as it was in 1977, to have the lowest overall crime rate, per thousand population, in Barnstable County.

Breaking and enterings, one of our more serious problems, decreased to 101 from 108 in 1977. 251 larcenies were investigated, down from 299.

208 cases of vandalism, a continuing problem, were investigated, down from 223. Other criminal investigations included one robbery, one kidnapping, one vehicular homicide, along with assault 33, down from 39 in 1977 and auto theft 29, down from 35. Two forgeries were investigated, along with 3 rapes, 1 buying stolen property, 2 unlicensed carrying of firearms, 3 arsons, 6 sex offenses. The remaining cases were of minor criminal or service nature.

Of the 5,909 complaints, Sandwich village accounted for 2,686, East Sandwich 1,336, South Sandwich 1,309, Forestdale 513 and Sagamore Beach 65.

2,566 complaints were received between 4:00 P.M. and 12:00 M., 2,309 were recorded between 8:00 A.M. and 4:00 P.M., and 1,034 between 12:00 M. and 8:00 A.M.

Saturday was the busiest day with 934 complaints, followed by Friday 931, Tuesday 845, Sunday 826, Thursday 815, Wednesday 791 and Monday 767.

A total of 290 arrests were made by members of the department, up from 266 in 1977. 114 inebriated persons were taken into protective custody, and later released or taken to a detoxification center.

Continuing the department's policy of strict enforcement of the motor vehicle laws, 2,695 citations were issued, of which 1,118 required court action, and 1,577 were warnings.

208 motor vehicle accidents were investigated, up appreciably from 167 in 1977. Two accidents were fatal, 47 involved personal injury, and 159 were property damage only.

Officers investigated 883 citizen reports of suspicious persons, vehicles and incidents, answered 456 burglar and holdup alarms, all of which were false, served 441 summonses, and relayed 1,410 calls to the Dog and Conservation Officer from the Police Communications center.

Continuing its intensive house check program, the department members made 19,830 checks of vacant homes. 282 homes and businesses were found open by officers during security checks.

Assistance was rendered on 1,102 occasions, 459 to the Fire Department and ambulance, 216 to other law enforcement agencies and Town departments, 22 to mentally disturbed persons, 31 to homeowners, 214 to disabled motorists, 143 escorts, 15 lockouts and 2 medical assists.

85 Firearms ID cards were issued, along with 128 pistol permits and 3 liquor identification cards.

\$2,248.00 was turned over to the Town Treasurer from the sale of gun licenses and copies of police reports sold to attorneys and insurance companies.

Patrolman Richard L. Anderson graduated from the Barnstable Police Academy and several other members of the department completed various training programs to improve their expertise.

I would like to take this opportunity to thank the citizens of Sandwich, the Selectmen and other Town departments and boards, other law enforcement agencies, and, of course, my own officers, for the assistance and cooperation they have shown me during the year.

Respectfully submitted,

Robert D. Whearty, Jr.
Chief of Police

Report of the FIRE DEPARTMENT

Board of Selectmen
Sandwich, Massachusetts

Gentlemen:

The Annual Report of the Sandwich Fire Department for the year 1978 is herewith submitted:

Following is a breakdown of department activities:

Structure Fires with loss of over \$1,000	4
Approximate loss \$52,000	
Structure Fires with loss of less than \$1,000	11
Approximate loss \$4,000	
Brush, Grass and Woods fires	23
Approximate acreage 21.5 acres	
Vehicle Fires	35
Approximate loss \$28,950	
Boat Fire	1
Approximate loss \$50	
Electrical Fires	7
Mutual Aid Fires	18
Chimney Fires	12
False Alarms	4
Needless Alarms	6
Miscellaneous Fires	19
Total Fire Calls	140

Investigations

Automatic Alarms and Smoke Alarms	83
Smoke	38
Burning without Permit	19
Other	73
Total Investigations	213

Assistance Rendered

Instructions given	17
Lockouts	14
Medical	125
Cellars Pumped	81
Other Town Departments	31
Miscellaneous	65
Total Assistance	333

Washdowns	19
Standby	59
Fuel Spill	1
Bomb Scares	3

Rescue Calls	19
Mutual Aid Rescue Calls	3
Ambulance	737

Included in above are:

Mutual Aid Ambulance Calls	47
Motor Vehicle Accidents attended	119

Work Performed

Feet of Hose Laid	Booster	3,480 ft.
	1-1/8"	3,250 ft.
	1-1/2"	3,900 ft.
	2-1/2"	2,700 ft.
	3"	1,350 ft.
Feet of Ladder Raised		520 ft.

	Applications Received	Permits Issued
Inspections Made		
Oil Burners	242	225
Fire Alarm Systems	218	229
Blasting	1	1
Model Rocket Launching	6	6

During the past year the department responded to a total of 1,527 calls, down nine (9) from the previous year. In last year's report two figures were included in the final total which repeated themselves in other categories. The correct total for 1977 should have been 1,536, up 311 from the previous year.

The Ambulance responses this year comprised a major part of the department activities with a total of 737 calls, an increase of 28 over the previous year.

The purchase of a new ambulance was approved by the people at town meeting this year and delivery is expected late this year or the first of 1979.

Structural fires only increased by one this year and the total loss for the 15 fires was approximately \$56,000, down by approximately \$130,000.

During the months of July and August the fire stations in East Sandwich and Forestdale were manned between the hours of 8 A.M. and 6 P.M. This practice cuts down emergency vehicle response time in the covered areas during the hours of heavy tourist traffic.

326 people came into the Fire Station in 1978 for blood pressure checks.

Due to the high cost of fuel oil, many people have installed or will be installing wood stoves in their homes. A permit for the installation of these stoves is now necessary and can be obtained from the Building Inspector's Office at the Town Hall Annex. Check before you install and make sure you meet all the requirements.

The roof at Station 2 in East Sandwich has been reshingled. Many shingles were torn from the roof by vandals causing it to leak in several places.

To report a fire or request the ambulance the number to call is 888-2323. Stickers which may be affixed to the telephone with this number on it are available at Fire Department Headquarters. Tot Finder decals are also available.

During 1978 many members of the Fire Department, both permanent and call, continued their education in fire related programs by attending courses at the Cape Cod Community College and participating in different phases of firefighting through courses held at the Barnstable County Fire Training School. Some members of the call department have been attending classes to become E.M.T.'s (Emergency Medical Technicians).

The Fire Chief would like to take this opportunity to thank all the town officials, departments and personnel for their assistance in 1978. He also extends his thanks to the neighboring towns for their valuable aid when called upon for mutual aid.

Respectfully submitted,

Ferdinand L. Alvezi
Chief of Fire Department

Report of the CLARK-HADDAD MEMORIAL Building Trustees

This delightful old schoolhouse now a memorial building continues to serve the Sandwich townspeople, perhaps not as was originally intended but certainly in a most worthwhile manner. Since the last report, one of the assembly rooms has been refurbished; the outside walls insulated, the inside

walls sheetrocked and painted and the ladies and gentlemen's rooms modernized and redecorated. The roof, which takes the brunt of easterly gales as they sweep across the dunes and marshes, has just been resingled and hopefully will render many more years of service.

Last spring the Council on Aging, one of the town departments petitioned that their office be located in the Clark-Haddad building close to where many of their programmed activities take place. Classes in oil painting, arts and crafts are presented here weekly for the elderly at no charge as does the Drop-In Center Group every Wednesday and Friday afternoon throughout the year. The Meals on Wheels Program uses the Clark-Haddad for its distributing base five days a week.

The following organizations have regularly scheduled meetings at this building: The Sandwich Woman's Club, The Sandwich Gardeners, The Sandwich Arts and Crafts Society, The Boy Scouts Pack 47, The Cape Cod Extension Service, Scrapp, The Sandwich Bridge Group, the Sandwich New Outlook for the Widowed Club, and other groups on occasion.

The Clark-Haddad Trustees are pleased that so many of our residents find pleasure in coming to this quiet spot to assemble, socialize and recreate.

Sincerely,

Clarence Van Buskirk, Chairman
Carl Bazzinotti
Dennis Earle
Clifford Perry
Ernest Oetinger

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen and
Citizens of Sandwich

Submitted below is my fourteenth Annual Report as Public Health Nurse for the Town of Sandwich.

Skilled nursing care, maternity care, health teaching and health supervision to Sandwich townspeople in their homes or through office visits are the ever present and primary responsibilities of the Public Health Nurse.

As the population in the town increases each year, the demand for nursing care and services are reflected.

In July, the agreements with Cape Cod Homemaker-Home Health Aide Service, Inc. and Falmouth Nursing Association, Inc. for Occupational Therapy, Physical Therapy and Speech Therapy were renewed for the fiscal year 1979.

Medicare recertification was received in March and the Department was recertified by the Massachusetts Department of Public Health for participation in the Medicare and Medicaid Programs in May.

The Council on Aging moved to the Clark-Haddad Memorial Building in April. However, the close working relationship established between the Council on Aging and the Public Health Nursing Department has been maintained.

The Dunbar House is utilized to serve the Community in several ways. Primarily, it provides office facilities for the Nursing Department. A Social Security Representative visits every 3rd Wednesday of the month to answer and all questions concerning Medicare. Tom Lynch, our Representative for the Sandwich - Barnstable area, is here on Friday mornings to meet with the public. A Tax Representative sets up an office in March and April to aid Sandwich residents with State and Federal Tax Returns.

Mary Casey, the nursing supervisor retired in July, 1978. The new nursing supervisor is Janet Aylward, who filled the position in October, 1978.

The Regulations of the Department of Public Welfare governing participation of Home Health Agencies in the Medical Assistance (Medicaid) Program promulgated as Chapter 403 of Title 106 of the code of Massachusetts Regulations, 11/9/78. In order for the Nursing Department to participate in the Medicaid Program the new standards must be implemented according to the time limits specified.

The Geriatric Program is conducted at the Senior Citizen Friendship Center the 4th Wednesday of every month. Senior Citizens may have blood pressures taken on Friday afternoons from 2:00 p.m. to 4:00 p.m. at the Public Health Office. If it is more than a monthly visit, orders from the person's private physician is necessary after the initial visit.

Well Women Conferences and Well Children Conferences are held from September to June. In May, the Pre-School Conference is held. The conferences are sponsored by the Sandwich Health Association in conjunction with this department.

Lead Poison Screenings were taken out of the Well Children Conferences and Lead Poison Clinics are now held semi-annually. The clinic is open to all Sandwich children 6 years of age and under.

The Mantoux (T.B. skin test) Program is available to all Sandwich residents.

The Annual Flu Clinic was held at Barnstable County Hospital O/P Department in November. The trivalent flu vaccine was administered which included A/USSR, A/Texas and B/Hong Kong. The immunizations were given to Sandwich residents 26 years of age and older.

In November, through the coordinating efforts of the Falmouth Hospital Laboratory and The Nursing Department, blood samples were collected from 18 volunteers living in different areas of the town at the request of the Federal Center for Disease Control which is conducting an epidemiological pilot study on the tick born disease, Babesiosis.

Professional Advisory Board

The Town of Sandwich Nursing Agency, Professional Advisory Board held four regular and one special meeting during 1978.

The special meeting was held for the purpose of finalizing preparations for the survey conducted by the Massachusetts Department of Public Health in May.

At the regular meetings the Public Health Nurse reviewed Agency activities. Quarterly Clinical Record Review Subcommittee Reports and subcommittee meeting reports were submitted.

In September, Kathleen C. McGonagle was elected chairperson and Janet E. Davis re-elected vice-chairperson of the 1976-1978 Professional Advisory Board. Marilyn Myers continues as secretary.

New members appointed to the Professional Advisory Board were: Janet M. Aylward, Frank E. Colombo, and Jean C. Richards.

The Professional Advisory Board appreciates the services of the outgoing members and members who resigned: Eleanor O. Bangs, Mary L. Casey, (in memoriam), J. Harold DeMers, Helen W. French and Carlo A. Pola. Special recognition is deserving for Eleanor O. Bangs who was a member of the Professional Advisory Board since it was established in 1966.

Fee Schedule

The current FEE SCHEDULE was approved by the Massachusetts Rate Setting Commission - effective July 1, 1978.

1. Home Nursing Visit	\$14.00
2. Home Injection Visit	10.00
3. Office Visit	5.00
4. Therapy Visit (O.T., P.T., S.T.)	20.00
5. Therapy Evaluation (O.T., P.T., S.T.) ...	20.00
6. Home Health Aide (per hour)	5.85

Fee Adjustment Procedure

Fees will be adjusted for patients who are unable to pay the full charge for nursing visits.

A patient who wishes to be considered for an adjustment to the established fees must fill out a financial form and submit it to the Town of Sandwich Nursing Agency.

STATISTICAL REPORT NURSING ACTIVITIES

Public Health Nurse	Sessions	Hours

**Report of the
BOARD OF HEALTH**

To the Honorable Board of Selectmen and the Citizens of Sandwich

The monthly meetings of the Board of Health are presently conducted at the Town Hall Annex. The date continues to be the first Tuesday of each month unless a holiday or Town Meeting falls on that day. The meetings are at 7:30 P.M. Business hours are from 8:30 A.M. to 10:00 A.M., Monday through Friday. Appointments are made and kept after 10:00 A.M. for inspections and tests with the Agent and Plumbing Inspector. All soil tests and percolation tests must be observed by the Agent and Inspector.

Mr. Herbert A. Hamlen is the Board of Health Agent and the Plumbing Inspector. Walter Fagnant is the Deputy Inspector. Mr. Fagnant was appointed by the Board in 1978.

The Disposal Area will continue to operate as it has in the past. Mr. Alvin Crocker will continue operating on the same basis as before. Mr. Crocker will from time to time have some one to assist him. Mr. Albert Fournier continues to hold the position of Supervisor of the Landfill. He is assisted on weekends by Milton Fiske. Mr. Fournier is responsible for the operation of the Landfill and must operate under the study plan. The Whitman & Howard Engineering Company will continue to do the engineering under the terms of the contract. They make periodic inspections and recommendations. They continue to monitor three wells to check the quality of water in the Landfill area. The water continues to be of good quality. Maintaining the slopes and swales is an on going problem and one that requires outside help with large machines from time to time. We feel our people have done an outstanding job.

The Selectmen have met several times with Mr. Kendall, Director of the State Dept. of Environmental Management. This State Dept. controls the property at the Landfill. We have been operating here on a twenty-five year lease that expired in 1978. A new lease has been executed and we will be here for about ten years which will be about the time it will take to fill this former hollow or pot hole as they are called. The Selectmen have been the agents for the Town in this agreement and may have a report elsewhere in the Town Report.

The move to the Town Hall Annex was made in 1978. The conditions in our office are very much improved now.

For the foreseeable future, the Board will continue to operate with the same personnel. We will still have the services of the County Sanitarians and the full cooperation of the Barnstable County Board of Health and their laboratory facilities. The County will continue to check all water samples from ponds, lakes, and wells. They will continue along with our Board to check all restaurants and other facilities as required by this Board.

The Board is disappointed that the Selectmen have not acted on a municipal sewage system. The Board of Health has a preliminary plan ready. We have discussed this plan with the Selectmen at length. We need the Selectmen to make land available to the Board of Health if we are going to implement our plans. This Board is ready at any time to hold a hearing to get the reaction of the public for this septage system. The Town needs to find a solution to the problem of properly servicing the community septage needs. At the present time, the Selectmen are still studying the Weston-Sampson report but have not

made a final decision to hold a public hearing to let the people decide what action they want taken. It is not feasible now for us to initiate our plan.

The Board is still interested in re-cycling at the Land-fill, however we do not want it to be an expense to the Town. This spring we hope to have containers for glass. Our budget item of two thousand dollars will be enough to cover this expense so we can find out if we can turn a profit on the glass. The Boy Scouts continue to re-cycle paper and the Salvation Army continues to pick up clothes and rags properly bagged. We ask again to tie the papers. We would appreciate it if you would continue to use plastic bags in order to keep the papers from cluttering up the Landfill. We will appreciate any help we can get in the re-cycling program when spring arrives.

The Board of Health this year sponsored an immunization clinic at the Sandwich High School and the Henry T. Wing School. The clinic was administered by Dr. Robert Reese with his staff and the assistance of Frances Silva, Town Nurse and her staff. Barbara MacNeil representing the Sandwich Nursing Association assisted with the program. These organizations and their associates did an outstanding job of updating cards, getting them out to parents, and conducting the clinics at the High School. There were a total of 252 pupils immunized at both schools for the following diseases: measles, mumps, rubella, polio, diphtheria, tetanus, and whooping cough. Thanks to the School officials and the School Committee for their cooperation in this necessary and successful clinic.

Elected Officials of the Board of Health

Robert H. Ellis	1980
Dennis Earle	1979
Kathleen Nickerson	1981

Appointed by the Board of Health

Miss Esther Howes Health Officer
(Director Barnstable County Board of Health)

Leo H. DeCoteau Sanitarian
(Barnstable County Board of Health)

Herbert A. Hamlen Agent for the Board of Health
Inspector of Plumbing and Sanitary Systems

William Fagnant Deputy Inspector and Agent

Mrs. Hilda Whitmore Inspector of Animals

Albert Fournier Supervisor of Disposal Area

Milton Fiske Assistant at Disposal Area

Alvin Crocker Maintenance, bulldozing, and
filling at the Disposal Area

Licenses and Permits Issued 1978

Food Service Establishment Permits	25
Recreation Camps, Hotels, Motels, Overnight Camps, Trailer Camps, Summer Camps	18
Methyl Alcohol Licenses	1
Garbage and Offal Permits	17

Funeral Director Licenses	2
Sanitation Permits to Install Septic Systems	330
Swimming Pool Permits	3
Sanitary Installation Permits	31
Complaints Investigated	36
Plumbing Permits	444
International Travel Certificates	3
Milk Licenses	5
Sub-Divisions Investigated	8

The Board wishes to thank Albert (Squeaky) Fournier, Alvin Crocker, Milton Fiske, and others who have worked so diligently at the Disposal Area. They have done an outstanding job. We think our Disposal Area is the best on the Cape. We also say thanks to Frances Silva, Herbert Hamlen, Walter Fagnant and Debbie Fournier for their assistance. As always we thank the County Board of Health and Mr. Howard Doane for their professional services to the Town of Sandwich.

Respectfully submitted,

*Robert H. Ellis, Chairman
Dennis Earle, Vice Chairman
Kathleen Nickerson, Clerk*

Annual Report of the Barnstable County HEALTH DEPARTMENT

July 1, 1977 to June 30, 1978

Services

Barnstable County Health Department continues to be the only county health department in this state and in all of New England. This County has had a vital interest in health since its beginning in 1636. At that time smallpox was a problem of Indian tribes and white settlers. Now, the county provides many essential public services in order to promote an environment and a way of life which will maintain, protect or improve the health of county residents. Operating under the provision of Chapter 133 of the Acts of 1926 of the General Court, and under the authority of the elected Barnstable County Commissioners and an appointed county health officer; the department offers health planning; communicable disease control; environmental health management and consultation; a public health laboratory for bacterial and chemical analysis of public and private water supplies, recreational waters and shellfish harvesting areas, and of milk and milk products; consultation and supervision in community nursing; promotion of dental health; medical social services; and services for handicapped children.

Accomplishments

Health Planning, collection of data, participation on local and statewide committees and boards, consultation, information and referral, have been a part of each professional member's function. The county health officer has served as a member of the Board of Trustees of the Barnstable County Hospital and chairman of their Long-Range Planning Committee.

Direct patient care has been provided a) by the medical social workers on the request of physicians, hospitals, home health agencies and families; b) by the team which operates the area Handicapped Childrens Clinic for the Division of Family Health Services of the Massachusetts Department of Public Health, there were 336 children served through the year; c) by the public health nurse directors and the sanitarians in the control of communicable diseases; d) by the dental hygienist in screening selected pre-school and elementary school groups, and in supporting the fluoride rinse programs and tooth-keeper program; e) by all of the staff in the licensing of 43 group day care centers/nursery schools.

Direct supervision has been provided under written agreement to the Home Health Agencies in Harwich, Orleans, Provincetown, Sandwich, Wellfleet/Truro. Supervision and educational programs have also been extended to other nurses and therapists working in community health programs, to those working in school health programs, and to the town health agents. Staff have cooperated in planning programs with other health and human service agencies, and in providing speakers. Students in the fields of physical therapy at Northeastern University, and in dental hygiene at Cape Cod Community College have had planned affiliation experiences, other students from University of Massachusetts Medical School and from graduate programs in community planning have observed or obtained resource materials. Advanced students in environmental health from University of Massachusetts have been employed as summer sanitary inspectors. As a co-sponsor of the Health Resource Center at the Cape Cod Community College efforts have been made to extend audio-visual equipment and educational materials to health workers — the purpose has been to improve and up-date teaching skills of such workers.

Intensive study in the field of environmental chemistry and in social work research was made possible through the CETA program. As a preliminary step in the development of the capabilities of the public health laboratory, the chemist introduced procedures, oriented laboratory staff to the use of new equipment, and accumulated base-line data for monitoring nutrients in private well water supplies. This service was to be an adjunct to the planned 208 Waste Water Management Program. The social work study served to document the impact of disabled children on family life; a related benefit was

the development and application of research skills and techniques.

Aims

This next year the department will be considering:

1. Ways of strengthening technical expertise in order to support and assist Town Boards of Health.
2. Ways of encouraging towns to provide for sanitarian aides to help with inspection procedures.
3. Need for sanitary engineering services on the county level.
4. Responsibilities and/or services in the field of "human services" other than identifiable health services.
5. Ways of assisting towns where there is a desire to, or pressure to, "regionalize" the Home Health Agencies.
6. Cessation of the responsibility for inspecting and recommending licensure for group day care services. This responsibility had been delegated to us first by the Massachusetts Department of Public Health and later by the Office for Children.
7. Extension of continuing education services, to include broader groups of professionals who are dealing with health care services.
8. Further assistance in the development and study of school health policies and services for the "well school child."
9. Further development of procedures for the prevention and detection of lead paint poisoning.

Appreciation is extended to the Selectmen, to members of the Boards of Health, and to the Commissioners of Barnstable County for their encouragement and support of staff activities.

priority of the Council "the implementation and the procurement of a multi-purpose senior citizens' center for Sandwich." The Selectmen corroborated in this effort and a draft proposal to apply for funding of this project was presented at a public meeting on April 26 in the Wing School.

Since the establishment of a Council on Aging in Sandwich in 1972, the need to have the Council office and programs under one roof, has been paramount. With the understanding that efforts were being made to acquire a multi-purpose senior center, the Clark-Haddad trustees finally agreed to allow the Council office to move on a temporary basis to that building, where all Council programs emanate. The move from the Dunbar House was made in April.

The disappointing report in September that Sandwich had been denied this year the grant for a senior center, resulted in a further meeting with the Selectmen and concerned citizens regarding future plans. Had it been possible for the Clark-Haddad Building to be designated as the Senior Center, special funds for remodelling, or addition to that building could have been available.

On a happier note, the Council mini-bus arrived in January and after the CB radio was installed in February and other adjustments made, services to Sandwich Seniors began on a limited basis with five volunteer drivers. Increasing use of the bus which can carry 12 people has developed, of whom over 75% were widows.

The Meals on Wheels Program, funded through Elder Services of Cape Cod and the Islands, continued to provide for shut-in and home bound seniors under the capable leadership of Christine Mitchell, the coordinator. Thirty-two volunteers gave over 2,365 hours packaging and delivering meals, five days a week to 37 different participants, for a total of 5,588 meals in 1978. We can't adequately thank Eli Iordanopoulos, affectionately known in Sandwich as "Eli" for his generous provision of party meals including wine for our Meals on Wheels recipients and volunteers — sixty-four at Easter, and sixty-six at Christmas. Those unable to be brought to the restaurant had meals packaged for delivery to them at home. At instigation of a Meals on Wheels volunteer, Joe Murphy, citations from both Governor Dukakis and the White House were presented to Eli in 1978.

After the *Broadsider* was changed to a subscription basis, it was realized that many seniors were not receiving information about Council programs. In June, the Council voted to publish a newsletter to be sent to the 1,714 Sandwich seniors, and in September, the first issue of "Senior News Update" was mailed. Reaction has been encouraging and plans have been made to publish another issue early in 1979.

Report of the Sandwich COUNCIL ON AGING

To the Board of Selectmen:

As mandated by State Law and appointed by the Selectmen, each for a three year term, the eleven Council on Aging members made every effort to fulfill the basic charge "to establish a multi-purpose center, within centrally located facilities, where educational, recreational, preventive health programs, information and referral, reassurance and other supportive services can be provided."

Numerous consultations and meetings were held with the Selectmen, the Public Health nurses, and concerned citizens after voting in March as the first

Council sponsored programs have been well attended. The drop-in socializing on Wednesday and Friday afternoons with Hostess Blanche Skelly had a total attendance of 1,824. Popular painting classes taught by Bertha Backer on Monday and Wednesday mornings have had a total attendance of 927. Exhibits of paintings by thirty students and their teacher at the Sandwich Public Library and the Falmouth Bank elicited enthusiastic response. A Friday morning craft class, taught by Ruth Sobolewski and assisted by volunteer Mabel Rigazio began in October with total attendance of 116. Bridge players on Thursday afternoons with Al Morse, a former Council chairman, averaged three to four tables weekly.

Trips, under the leadership of Herb and Helen Nelson, appear to be the most popular program offered by the Council. During 1978, there have been eighteen trips totalling 806 participation including a two-day foliage trip in the fall and a four-day Cherry-Blossom trip to Washington D.C. in the spring.

Reassurance calls and visits by our program coordinator Bradley Kellogg and her corps of faithful volunteers are one of the most valuable services provided by the Council. During 1978, 140 regular reassurance calls were made monthly with ten volunteers participating. Two hundred and eighty-one friendly visits and one hundred and ninety errands have been covered by Bradley Kellogg as well.

Cardio-pulmonary resuscitation classes at the Fire House were inaugurated in March, arranged by Herb Nelson in which most Council members and other interested citizens participated.

Housing for Seniors has long been a concern of the Council. A survey in 1976, in cooperation with the Sandwich Housing Authority, had revealed this need. The Council voted in December to update this survey and to continue working closely with the Sandwich Housing Authority as proposals by the United Church (sponsors of Falmouth Senior Housing) and McNeil Associates are being developed.

Margaret Desbarres resigned from the Council in February. Dennis Waitekunas replaced Isabel Pifer as Sandwich Representative on the board of Elder Services of Cape Cod and the Islands upon her resignation in March. Mildred Robinson was appointed to the Council in August and is the Council liaison with the Senior Citizen's Club. Other Council members have continued to serve in the same capacity as in 1977.

Special tribute goes to our Senior Aid Secretary, Mary Stout, who quietly and efficiently manages the affairs of the Council office, freeing Bradley Kellogg to concentrate on the important personal services to Sandwich seniors.

Once again in 1978 all major areas of library service show significant growth. Circulation figures are higher than at any time in the library's history. The circulation figures reflect the increasing demands for library service from the citizens of Sandwich.

The circulation figures also point out the library's major problem — lack of space. The Capital Outlay Committee and the 1978 Town Meeting gave recognition to the library's problem and voted a sum of money to enable the Trustees to retain an architect and to purchase schematic architectural drawings for an expansion to the library. The Trustees will be reporting back to the Capital Outlay Committee and the 1979 Town Meeting on the results of these plans.

Once again the Trustees would like to thank all those people — private citizens, town employees and town officials — who gave of themselves or who otherwise contributed to the library's success in 1978.

Respectfully submitted,

Mrs. Milton R. Cook, Chairman
Trustees of the Sandwich Public Library

Report of the Sandwich COMMUNITY SCHOOL

To the Board of Selectmen, Town of Sandwich
Sandwich School Committee and Citizens
of Sandwich

Lifelong learning is for everyone . . . not just for students of the public school system. Under the old system of education, the school buildings were open at 8:00 a.m. and closed at 3:00 p.m. Sandwich has adopted a new policy of maximum use of the facilities by the whole community. Since 1975 when the School Committee adopted this new concept, the townspeople of Sandwich have responded with enthusiasm and support.

Adult Education Programs continue to be a cornerstone of the Sandwich Community School. This year eighty-seven courses were offered with a greater number of courses appealing to people of all ages; for instance, 31% of the total of students involved in Adult Education were under 18 years of age. For the past three years, the Adult Education Program has been self-funding and continues to be so.

Adult Education is only one of the many responsibilities of the Community School. Organizations from all over the state are requesting use of the school facilities. This year over 1,300 activities were scheduled with over 25,000 people participating. People of all ages and backgrounds are recognizing that the Sandwich Schools have the best facilities in the Southern New England area.

The Arts Council, a sub-committee of the Sandwich Community School Executive Council, has become an active working council. Under the direction of Mr. Joseph Pistorio, the Arts Council (ACTS) was responsible for presenting prominent solo artists, operas, youth concerts, and theatre productions to the townspeople of Sandwich. Without the support of an active Arts Council, many of the cultural programs Sandwich enjoyed this year could not have been staged. This year Corey Perks conducted workshops for local groups to train their own technicians in staging and lighting. A note of thanks to the students who are already trained in auditorium procedure and have contributed their time and effort to the Community School and the Arts Council.

The Extended Day Program directed by Virginia Amidon and taught by Barbara Britt completed its first term of operation. This program provides after school care (3:00-6:00 p.m. weekdays while school is in session) with a variety of educational and recreational opportunities. Essentially, the program is

designed as a service for working parents to ensure proper after school care for their children.

The Preschool Program is for children from 18 months to three years. The program has again met with much success. Staffed by the parents of the children involved and directed by Barbara Messier, the program continues to provide an atmosphere of interaction and creativity. Learning to get along with others is a main theme of the Preschool Program

The Community School sponsors many informal recreation programs during the year. Basketball, volleyball, jogging and tennis are just a few of the activities that are available to the residents of Sandwich. We encourage participation of all age groups. If you would like to be involved in an existing program or would like to create a program, we invite you to call our office (888-5300).

A most important aspect of the function of the Sandwich Community School is the VOLUNTEER STAFF. The most outstanding of the volunteers have been the members of the Executive Council. The Council members are: Arthur Kingsbury, Chairman; Virginia Amidon, Vice Chairman; Susan Miller, Secretary; Carol Maclean, Treasurer; also, Stephen Braconi, John Chisholm, Grace Day, Elizabeth Gill, Maureen Grunst, and Eleanor Gaffney.

A regular staff of volunteers has worked on our office under the guidance of Gerry Porter and Carolyn Buckland, our office staff. Marsha Kirrane, Marilyn Smith, Dotty Kreisinger, Jean Cook, and Mary Waters have donated many hours of volunteer time doing clerical and secretarial jobs. Many thanks to those others who have helped collate our registration forms or who participated at open registrations.

Future plans for the Community School include such courses as foreign languages for children in Grades 1-4, expansion of the Arts Council and Extended Day Programs.

This year the Community School underwent a brief period of transition of leadership. The stability of an organization depends on how well the organization accepts change. The Community School has accepted the challenge of new leadership and is looking forward to creating an environment of lifelong learning for the Community of Sandwich. I would like to thank Mrs. Gale Ewer for directing the Sandwich Community School for the past three years and providing the organized basis which provided for the easy transition noted above. The Community School wishes her great success for the future.

Respectfully submitted,

Craig S. Eldredge
Director

Report of the Sandwich COMMUNITY SCHOOL POOL PROGRAM

To the Board of Selectmen, Town of Sandwich
Sandwich School Committee and Citizens of
Sandwich

Through your help and support the Pool Program, now in its third year, has experienced great growth.

Our Instructional Classes, once again, are well attended—some requiring additional sections. And again, we are fortunate to have a highly trained and dedicated staff.

We have, also, initiated some exchange Swim Meets for our Competitive Classes with neighboring communities in order to enhance and enrich the experience of our students.

The Summer Competitive Swim Camp continues to grow. This year, at the conclusion of our two three-week sessions of Competitive Day Camp, we will be hosting an All-Cape Competitive Swim Meet which will be open to all ages through Senior Citizens. We expect this to be a successful culmination to our Summer Program, both in satisfaction and financial return.

This past summer, we experienced growth in the Competitive Camp Sessions from both Cape residents and summer residents, thereby producing a greater income return to the Town. This was in addition to our regular Open Swims and Evening Classes normally held during the summer.

We are experiencing a large growth in the sale of memberships, both family and individual. These are currently being sold on a half-year basis and are most popular. Have you seen our Adult Lap Swim time or visited on the weekends during Open Swim? It's great to see so many people all enjoying themselves.

A year ago, we instituted a welcome to new babies in Town and extended a free lesson to them with their parents. Would you believe that we now have second siblings of some families in that program and many have continued and "graduated" into the Kinderfolk level (3-5 years). As the song goes . . . "We'll turn around and they'll be in High School."

Aqua Yoga continues to be a popular course with more participants. We will continue to cooperate with the American Red Cross and offer certification courses in Lifesaving and Water Safety Instruction.

As our lovely, well maintained facility becomes known, we are receiving many more requests for rentals. Great way to have a birthday party. Other towns, including our own, make use of the pool to test and train their summer lifeguards. An important aspect and also one that generates additional income to the Town.

Even though we have experienced growth in our "59 and holding" swim times, we would like to see more of you there. It's a great way to socialize as well as "tune-up" that aching body and keep it in good shape for many more years. A veritable fountain of youth! Did you know that swimming is recognized as the best all-round exercise for all ages?

Again, your Pool Committee has been diligent and continues to offer, when possible, your suggestions. We always like to hear from you and will try our best to be responsive to your requests.

My special thanks to Mr. Robert Scott and Mr. John Perkins of the maintenance and custodial departments and their staff for the very fine job they do in maintaining a clean, safe, healthy pool.

Remember, you can best help us grow by coming to the pool!

Respectfully submitted,

Diane Babbitt
Pool Coordinator

Report of the SCHOOL BUILDING COMMITTEE

To the Board of Selectmen
and the Citizens of Sandwich:

The year 1978 has been a continuation of the year 1977. That is to say another year of devoting our meetings to the filed suit brought forth by Franchi Brothers Construction Corporation against the Building Committee and the Town of Sandwich. This suit involves \$713,300 plus interest from December 1975.

Franchi Brothers Construction Corporation is attempting to recover costs above and beyond the original bid such as fields and grounds, sewerage disposal systems, masonry light bases, gym flooring and the fly gallery located in the stage tower of the auditorium.

The Franchi Brother Construction Corporation should be finished with their presentation by the end

of the year 1978. The Master will then hear the case of Audet vs. Franchi Brothers and the Town of Sandwich and finally we present our case to the court. The future time frame concerning all phases of the suit, will take us into the summer of 1979. Allowing a few months for the Masters decision, the case should come to a close during the year 1979.

The Heating, Ventilating and Air Conditioning units which have been giving us problems at the high school are also involved in this suit. The company who installed the units will not return for service or repair work until the finalization of the case which does involve money on their part.

Questions have arisen concerning the use of fields and grounds and I believe the committee can best answer by the following explanation. First of all the fields and grounds are still in litigation. However, some fields are being used for practice sessions and physical education classes at this time. The designated areas such as the soccer field, the baseball field, the softball field and the track may not be used until further progress of the suit. It is the committees desire to obtain complete use of all the fields and the track area by Spring. Secondly, if we obtain complete use of the fields, it still may not be possible to use the playing areas until Fall. The reason being we have only maintained the fields, while they are in litigation, and have not really improved them to actual game standards. Therefore, much work has to be done on all playing areas, and Spring sports start in March. We may be able to practice on certain fields, but play our athletic Spring schedule at the Henry T. Wing Elementary School.

The School Building Committee does realize the importance of the fields to our school programs as well as recreational use for the townspeople and are making every effort to solve this difficult problem.

The School Building Committee has continued in 1978 to meet with their consultants and their attorney to review all material brought forth in the suit in order to achieve the best financial settlement for the Town of Sandwich.

I wish to thank my fellow committee members for their long years of service, the Superintendent and his staff who are working constantly on the project and to the townspeople whose patience and understanding are appreciated by the committee.

Stanley Torrey, Chairman
Sandwich School Building Committee

Report of the Upper Cape Cod Regional VOCATIONAL- TECHNICAL School District — 1978

To the Citizens of Bourne, Falmouth, Marion, Sandwich, and Wareham:

In compliance with Section 13 of the Agreement among the towns of the District, this annual report is submitted.

The membership of the Committee follows:

Town of Bourne	Frederick W. McComiskey, Chairman Peter N. Way
Town of Falmouth	James M. Crossen, Vice Chairman William Andrews
Town of Marion	Helen G. Westergard
Town of Sandwich	Gerald E. Caron
Town of Wareham	Robert T. Joy William E.C. Warr, III
Treasurer	Peter N. Way
Asst. Treasurer	Martha B. Overlock
Secretary and Supt.-Director	Arthur L. Sweetman

During the past year some changes have occurred on the school district committee. Mr. Gerald E. Caron was elected in May to serve as the representative for the Town of Sandwich taking the place of his late father, Edgar E. Caron, who had served on the committee since its inception. Dr. M. Gregg Hibbs, Falmouth representative since 1965, resigned in November and Mr. William Andrews was appointed to serve until the annual election in April 1979.

In May, the Upper Cape Cod Regional School received a donation of a thirty-one foot Pembroke Express Cruiser to be used as a laboratory for the Marine Services program. In June, Toyota, Inc., donated two 1978 Toyota vehicles to our Automotive Department for classroom experiments.

Our new programs, Marine Services and Upholstery, are on full schedule this year. The exploratory students in Marine Services are learning the basics of the marine engine as well as boating repairs and procedures. The Upholstery students are beginning with basic cushion work and advancing into the recovering of full-size furniture. It is anticipated that the program will encompass canvas work in the near future.

The students from our various shops continue their service to the five communities with many projects nearing completion and new assignments beginning. The Wareham Lodge of Elks' redecorating project was finished with a thirty-one foot mural depicting the Bourne Bridge and Canal being painted across one wall.

Also completed with the boathouse for Wakeby Pond in Sandwich and the roof extension for the Knights of Columbus in Buzzards Bay. Nearing completion are the Bourne School Administration offices and the renovation of the Bourne Community Building. New assignments include the redecorating of four apartments, office area, and hallways for the Bourne Housing for the Elderly; a new addition to be constructed for the Wareham Church of the Nazarene; and a large building for classrooms and social functions to be built for the Sagamore Methodist Church.

Our Food Trades Department continues to serve meals to the senior citizens of our towns three days a week on a rotating schedule. The Cosmetology Department services patrons from the nearby communities on a daily basis. The Carpentry Department remodeled the Drafting classroom by removing one wall so that it can now be used by the Upholstery Department.

With an additional grant of \$22,851 our Title I program continues to progress, serving approximately 160 students in remedial math and reading. A full-time instructor was hired to work with students in the 766 program. Together these two programs are meeting the needs of our students who require additional instructional help.

The Regional School District, in the way of financial assistance in 1978, received under Chapter 74 \$443,976 representing 75.33% of the 50% reimbursement for net operating expenses for 1976-77. Under the new reimbursement formula (Chapter 70) the district has received \$237,686 toward the current fiscal year (1979) operating expenses. The Title I program initiated in the spring was funded in the amount of \$16,397. Because this program was started so late in the school year, part of this amount had to be returned to the State. However, this part will be added to our proposal for fiscal 1979 and to date \$18,130 has been received under the new Title I proposal. Also received were the following: \$55,805 for transportation for 1976-1977 (59.24%); \$12,049.54 under PL 81-874 for federally connected pupils; \$299 for Special Needs; and \$62,949.32 for the annual construction grant.

Additional aid under Chapter 71, Section 16D, is based on the amount each town contributed to the district and is paid directly to the district. This year the regional school district is entitled to receive \$86,377. To date the only funds received are \$21,403 which represent a deficit payment for the previous year when this aid was paid at 74%.

We are grateful to our Advisory Board members for their continuing help and interest in working together to keep our programs current and timely. I would like to extend our thanks and sincere appreciation to all personnel employed by the School District, to my fellow school committee members, and to town officials and school personnel in our district for their concern, support, and cooperation during 1978.

Fred W. McComiskey
Chairman

Upper Cape Cod Regional Vocational-Technical School District

GENERAL INFORMATION

School Committee Meetings

School Committee Meetings are held at 7:30 P.M. on the fourth Wednesday of each month at the Sandwich Jr.-Sr. High School.

SCHOOL ENTRANCE

Kindergarten:

Any child resident of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

Grade 1

Any child resident of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that all children seven years of age and over, who are physically and mentally able, attend school.

Birth Certificate

A birth certificate is required for all children entering either Kindergarten or Grade 1.

Medical Requirements

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor.

State Regulations: The School Committee or Board of Health shall cause every child in the public schools to be separately and carefully examined by a physician duly registered in Massachusetts within six months before entrance to school or during the first year after entrance and at intervals of either three or four years thereafter:

No School

Every effort will be made to have school whenever feasible. On days when transportation by bus is impossible, school will not be in session. Notice will be broadcast over radio stations WEEI, WNAC, WBZ, WHDH and WOCB at 7:00, 7:30 and 8:00 a.m. In addition, there will be signals from the Fire Stations at 7:00 a.m. and 8:00 a.m. as follows: four signals from the East Sandwich and Forestdale Stations and the Sandwich Station will sound 2 pause 2 signal four times. In the event that it becomes necessary to close school before the regular dismissal time due to power failure, severe weather conditions etc., the above radio stations will broadcast this information at 12:00 noon.

Report of the Superintendent of Schools

To the School Committee and the Citizens of the Town of Sandwich:

I would like to begin my report where many summaries end—with my thanks to the people of Sandwich for their continued support of the schools.

I think Sandwich is a unique community. Listening to people speak at meetings, such as the open budget hearings held each winter, I find it gratifying to hear comments indicating their pride in the Sandwich School system.

It is a fact that many newcomers to Sandwich have moved here because of the excellent school facilities and the quality education offered, not only in the programs of the elementary and junior-senior high schools, but in the educational, recreational, and enrichment programs of the Community School's night classes.

In June, 1978, 108 Sandwich High School seniors received diplomas, many of whom shared in scholarships and grants in excess of \$30,000 from local and area groups and individuals. Four youths from Sandwich were also graduated from the Upper Cape Regional Vocational Technical High School in Bourne.

Enrollments at both the elementary and high school continue to increase. From October 1, 1977, to October 1, 1978, the increase was 10%. There were 952 students in Grades K-6 at the elementary school complex, which has a capacity of 900. The junior-senior high school building, with a capacity of 1,000, had an enrollment of 885 pupils in Grades 7-12.

In order to meet housing requirements for future increases in enrollments (which will reach 2,823 by 1986, according to population projections), the School Committee has started implementation of one of the plans recommended by the New England School Development Council. This plan calls for the renovation and remodeling of the 1927 Henry T. Wing School, vacated when the new high school was occupied in the spring of 1976. A new roof has already been installed. Other aspects of the renovation project will move forward rapidly now that the Massachusetts School Building Assistance Bureau has given its approval to the project. The goal of the 1927 Building Committee is to have the Wing School ready for occupancy by September, 1980.

I am grateful for the sincerity of the School Committee members who continue to supervise closely the budget-making procedures in order that the tax dollar is spent wisely—to see that the best education is received for the money spent by the Town. This Committee is very, very conscientious and extreme-

ly interested in the educational programs of our schools.

Another lengthy and important project of the School Committee was completed during the past year as a result of an extra meeting each month spent studying, revising and/or re-approving School Committee policies made in the past. All policies have now been indexed and bound into a convenient handbook, copies of which are available to the public at the Town Hall and the Sandwich Public Library.

Parent organizations at both schools have been actively interested in and helpful to the educational process in Sandwich during the past year.

The recently installed computer system at the high school has been used this year both for educational and administrative purposes.

To meet "back-to-basics" requirements at the elementary school, schedules have been changed so that all pupils now have extended periods of reading and math. In order to keep a closer watch on pupil progress in the basic subjects, a testing program has been initiated in both schools. This program provides both pre-test and post-test (fall and spring) results for faculty and parents.

Enrichment programs abound in Sandwich schools, provided not only by faculty, but also by many local and area institutions and groups. Some of the programs offered have been a safe-boating course by the Mass. Registry of Motor Vehicles; great art lectures by the Sandwich Junior Women's Clubs; a dental program by local dentists; creative writing, great books, and intramural sports (after school activities) by faculty; nature programs by the Thornton Burgess Society of Sandwich; Sandwich Youth Concerts, special programs by well-known musicians, and classic films by the Sandwich Arts Council; and programs by authors of children's books, sponsored by the Right-to-Read effort.

Student teachers from both state and private colleges and universities continue to elect to come to Sandwich schools to do their practice teaching.

I wish to commend Mrs. Gale Ewer for her excellent work as Director of the Community School from its inception in 1975 until her resignation in December, 1978. Much of the success of the Community School is mainly due to her efforts.

The administrators, faculty, and staff of the Sandwich schools are also to be commended for their dedication and cooperation. I appreciate the fine work they have done and continue to do; most work far beyond their normal school day helping students and supervising activities.

I am also gratified by the display of good sportsmanship and fine deportment shown in public by so many of the students of our schools. The good care taken

of the school buildings also speaks well for the students, as well as for their parents and teachers.

Respectfully submitted,

Anthony D'Antuono
Superintendent of Schools

Report of the Elementary School Principal

To the Sandwich School Committee
and the Superintendent of Schools

The question over the last few years always seems to be the need of more space for educational purposes; yet when you read news articles on this same subject, the opposite is true — close a school, and all of the ramifications of such a move are the questions in need of resolution. I cannot offer you anything new in terms of why? We have only recently completed construction of expansion and now we need more. How can that be? It can only be that we have more children enrolled than last year and we expect more next year and the years after that. The question has been studied along this line and recommendations have been made and the School Committee has formulated a course of action.

I can only add to the urgent need by stating that some programs are becoming marginal in terms of what more can be expected: art, physical education and both instrumental and general music are examples. Basic education, "the three R's," is still the priority and regardless of conditions, remains top priority. An educational service that we cannot contemplate now, and do not have in the Elementary School is guidance; we have a need, but no space. Programs above need additional professionals, but we do not have space. As school population grows, needs of individuals in Special Education also become evident and the required space again rears itself.

May I express for us here in the Elementary School, our thanks to the School Committee and Building Committee for remaining so faithful to their task and for offering such fine leadership.

Our work doesn't end with the above or even with the task now set down by the State that is referred to as "Competency Testing" or the State's policy on "Basic Skills Improvement." As we review this policy, costs and space become considerations when we design our required plan of action. As sure as I write this, and you read it, we will have something else to work on. The task as members of the School Committee and that of the Superintendent respectfully, is never ending; as is ours here in the Elementary School.

May I again take this opportunity to thank teachers, children, parents at large, just everyone, including the typist of this letter, for being aware of what the job of education is, how to do it, and for doing it. The School Committee and the Superintendent should be pleased and proud of your accomplishments and endeavors as I am. We are pleased at the direction that has been set by you for the Community.

Respectfully submitted,

James G. Dolan, Principal

Report of the High School Principal

To the School Committee and the
Citizens of the Town of Sandwich

The administration and staff of the junior-senior high school have continued their efforts during this past year to offer effective educational programs for all students. Our primary goal has been to refine and improve the existing learning opportunities and not to add new programs.

In order to determine where programs may need a change of emphasis, we have introduced a pre- and post- testing system for grades seven, eight, and nine. These test results are important not only for the scores obtained but also for the diagnostic information they provide which permits us to analyze the strengths and weaknesses not only of each child but of a program if necessary so that all students can be challenged and achieve according to their abilities.

Learning, however, cannot take place unless an atmosphere is created that is based upon order and discipline. As a result, the administration is constantly laboring to maintain a fair and consistent implementation of our code of discipline. This same code was the center of some controversy in the fall of 1978. It is, however, a solid disciplinary procedure which makes very logical and simple demands of the student body. We are only asking that students be where they are supposed to be; be there on time; be respectful to other people, the building and themselves, and learn according to their abilities.

I am grateful to the Sandwich School Committee and the Superintendent of Schools for their support of our goals. I would also like to take this opportunity to publicly thank all the members of the junior-senior high school staff for their cooperation and dedication to their profession.

Respectfully submitted,

John J. Chisholm, Principal

Report of the School Nurses

To the School Committee and the
Superintendent of Schools:

The professional school nurse is responsible for planning, development and implementation of a comprehensive health plan for all students. This program must include screening programs, health counseling and guidance, medical examinations, first aid and maintenance of health records. Referrals to community resources must be made when needed and assistance given in providing a safe and healthy atmosphere in which students are able to learn. In addition, students who have health problems or special health needs must be identified and assisted by the school nurse in adapting their schedules to meet their individual needs.

Students in the fourth, seventh and tenth grades are required to have a physical examination each year. Any student who engages in a competitive sport must also have a physical examination annually. Students have the option of seeing their own private physician or the school physician. This year Dr. John Lewis, M.D. conducted 436 physical examinations.

A pre-school clinic was conducted at the Public Health Office. Dr. Charles Gleason, M.D., with the assistance of Miss Frances Silva, R.N. gave complete physical examinations and the necessary immunizations to 31 students. Included as part of the clinic is a dental exam, blood pressure check, urinalysis and a blood test to check the hemoglobin and for lead poison. The following immunizations were given:

D.P.T.	7	M.M.R.	5
Polio	6	Tine	20

All school personnel must be certified free of tuberculosis every three years. Students who are engaged in the Food Services program must also comply with this law. Accordingly, 91 people were tested this year and follow up chest X-rays received as indicated.

Home visits and core evaluation team meetings were made throughout the year in accordance with Chapter 766.

Vision and hearing screening programs are carried out at every grade level. Parents are advised by letter of any deficiencies found during the tests.

Fourteen camp scholarships were given through the generosity of the American Legion, Camp Good News, Salvation Army (Sandwich Office), Sandwich Lions Club and the Sandwich Teachers' Association.

The Massachusetts School Immunization Law requires that all children, grades K-12 be fully immunized against diphtheria, whooping cough, tetanus,

polio and measles. If children are not properly immunized then they must be excluded from school. All health records in both schools have been examined and if immunizations were incomplete or not up to date, parents were notified by letter.

Mrs. Davis and Mrs. O'Neil are both members of the Cape Cod School Nurses Association, Massachusetts School Nurses Organization and the Town of Sandwich Nursing Agency Professional Advisory Board. Meetings, conferences and seminars are attended whenever possible by one or both nurses.

The assistance of parents, volunteers, faculty, administration and the school physician are greatly appreciated in helping us to insure a comprehensive and effective health program for the Sandwich School System.

Respectfully submitted,

Janet E. Davis, R.N.
Ellen G. O'Neil, R.N.

ALMA MATER

*High on a hill o'er looking fields and marshes,
proud stands our school clad in its verdant ivy.*

*Her high ideals we'll follow on in pride,
her triumphs ring forever more.*

*Our love we give to thee O Alma Mater,
we join our hands to sing praise to thee.*

*O radiant flame that burns the lamp of learning.
A light so bright that shines for all to see.
Your colors lead us forever through the years.
Once more we pledge our love to thee.
We'll never forget beloved Alma Mater
our years with thee upon the hill.*

Sandwich High School Students Receive Scholarships

The graduation exercises were held at Sandwich High School on June 2, 1978. During the ceremonies, 44 seniors divided in excess of \$30,000 in scholarships.

Susan K. Korgen, class valedictorian, received a Mary Baker Scholarship and the Cape Cod Bank & Trust Co. Scholarship.

Joy Quinton, class salutatorian, was the recipient of the Hannah B. Belcher Scholarship and the DAR Medal for excellence in History and the Bausch & Lomb Science Award.

Receiving Mary Baker Scholarships were Nancy A. DeCubellis, Kimberly A. Small, Laura Guillemette, Pamela L. Elvander, Jennifer Boyle, Lisa A. Goodwin, Cynthia M. Campbell, Richard W. Leydon, David C. Tooher and Theresa A. Rossignol.

Richard X. Kudera, Lori A. Bess and Mary M. McGoff received a Faunce Scholarship.

David A. Fournier was awarded the Faunce Scholarship, Floyd Folmsbee Scholarship (YMCA) and the Sandwich H.S. Cafeteria Staff Award.

Donna M. Gilfoy received a Sandwich H.S. Cafeteria Staff Award.

The 1st annual Sandwich Business Association Scholarship was awarded to Joanne R. Fraser.

Sandwich High School Student Council Scholarships were awarded to Rebecca S. Lewis and Therese A. Rossignol.

Lisa Gooding was awarded the Sandwich Police and Policewives Association Scholarship, the Upper Cape Cod Nursing Association Scholarship, Cape Cod Registered Nurses Association Scholarship and the Sandwich Health Association Scholarship.

Kimberley Small also was a recipient of the Sandwich Health Association Scholarship.

Other students receiving awards were: Robert J. Brun - Knights of Columbus (Bishop Feehan Council 2911) and the David Allen Memorial Scholarship,

John S. Walker - Sandwich Women's Club and the Cape Cod Enlisted Men's Scholarship, Alma C. Perry - Sandwich Junior Women's Club Scholarship, Ruth Surdut - Sandwich Women's Club Scholarship.

The Sandwich High School Association awarded scholarships to John S. Walker, Gail M. Weekes, Carl M. Mores, Katharine Colton, and Joanne R. Fraser.

Leo R. Manning was the recipient of a Faunce Scholarship, Sandwich H.S. Student Council Scholarship, Sandwich H.S. Association Scholarship and the Sandwich Teachers Association Scholarship.

Elizabeth T. VanBuskirk Scholarship was awarded to Laura Guillemette and Kimberley A. Small.

Glasstown Players awarded scholarships to Mary M. McGoff, Cynthia M. Campbell and Judy E. Ciarfella.

John Luciani, an alumnus, received the Barry Newhauser Memorial Award.

Bradford W. White was the recipient of the Muriel S. Torrey Award.

The John Clayton Scholarship was given to Steven M. Pagani.

Timothy Q. McMahon received the Sandwich Lion's Club Scholarship and the Sandwich Fire Association Scholarship.

Peter Vigliano received the Band Booster Club Award and the George S. Wing Scholarship.

The Thornton Burgess Scholarship was awarded to Donald W. Allen, Rebecca S. Lewis and Clare Kudera (alumnus).

Other seniors receiving scholarships are Gail M. Weekes - Sandwich Sentinals; Linda J. Fagnant - George S. Wing; William W. Brown - Alvah W. Holway Scholarship; Maureen E. McNamara and Alden D. Fallows - William H. Harrison Scholarship; Ellen R. Tully - Hyannis Emblem Club #94; Daniel DiPrete - Hyannis Lodge of Elks #1549; Carl M. Mores - Pagani Construction Co. Scholarship; Pamela L. Elvander - Sandwich Lion's Club; Scott F. Ames - Band Boosters Club; Kathleen A. Uggerhold - David B. Lafoon Memorial Award; Christopher L. Caron - Chamberlain Scholarship; Benjamin T. Harrington - Sandwich H.S. Honor Society Scholarship; Rebecca Lewis - Willard E. Boyden Scholarship.

The James H. Sibson Athletic Award and the Edwin Zion Athletic Award were presented to Lori A. Bess and Richard W. Leydon.

DAR Good Citizenship Award was given to Nancy A. DeCubellis.

Larry Shell received the Harvard Prize Book Award given to an outstanding Junior by the Cape Cod Harvard Club.

SERVE YOUR COMMUNITY

Residents of the community are a valuable natural resource. Town Government needs citizens who are willing to give time in the service of their community. This resource center is organized as a means of compiling names of citizens willing to serve voluntarily on Boards or Committees.

Names in this file will be available for the use of the Selectmen and Moderator, as well as all Town Offices. Send your application to:

**Board of Selectmen

1979 ANNUAL REPORTS TOWN OF SANDWICH

1979

ANNUAL REPORTS

OF THE

TOWN OFFICERS

OF THE

TOWN OF SANDWICH

"THE OLDEST TOWN ON CAPE COD"

For the year ending
December 31, 1979

THE COVER ---

THOMAS DEXTER'S GRIST MILL

The first reference to the Mill is found in the Plymouth Colony Records, Vol. 1, 1633-1640, page 150 as of April 16, 1640:

"Mr. Thomas Dexter if he come to live here - 26 acres
for his Mill - 6 acres"

The Mill machinery is of the earliest type used in this country; water wheel, main drive shaft, and gears are made of wood and are driven by water power from the Mill Pond.

Report of the BOARD OF SELECTMEN

To the Citizens of the Town of Sandwich

The Town of Sandwich continues to be faced with unparalleled growth. Since 1970 the Town has grown almost 200%. The primary effect of the population explosion has been to increase town services at an

alarming rate. Moreover, inflation has played a major role in driving the costs of local government higher and higher.

In response to this situation, the Board of Selectmen received a report from Dr. Ostrander, Chairman of the Capital Outlay Committee, analyzing the expansion of the operational budget of the Town of Sandwich over the last four years — the increase was an astounding 14% per year. The Board of Selectmen and the Finance Committee utilized this data to set guidelines for growth in budgets in FY 80. This was met with a great deal of success; in the Annual Town Meeting of 1979 the budget presented and accepted was the lowest percentage of increase in recent memory. Yet, in FY 80 we have been met again with double-digit inflation, and the continuing strain for services. We will be facing increased costs for existing services in FY 81.

The renaissance in the importance of commercial fishing to Sandwich, Barnstable County and Southeastern Massachusetts, begun in the early 70's, has continued to increase its economic importance. In terms of the value of fish landings, Sandwich presently ranks thirty-fifth nationwide and fifth in Massachusetts. In recognition of this, the Town of Sandwich purchased additional land adjacent to the Sandwich Marina in 1978 to bring our total holdings to 22 acres. We obtained an \$8,000.00 Coastal Zone Management Grant for the purpose of coordinating the existing facility with the proposed commercial expansion. Once that study was completed early in 1979, we brought our proposal to Congressman Gerry E. Studds and Senator Edward M. Kennedy. On our behalf an amendment to the Waterways Bill was filed. The Board of Selectmen lobbied both branches of Congress, and we were successful in October of 1979 in having funds appropriated, and authorization received, for the U.S. Corps of Engineers to study expansion of the East Boat Basin. We expect completion of the study within a period of two more years, and if expansion is shown to be economically feasible we expect completion of construction within eight years.

In the Annual Town Meeting of 1979, \$25,000 was raised and appropriated for the purposes of renovating and restoring the Old Town Hall in Sandwich, presently the offices of the Board of Selectmen/Assessors, Planning Board and Board of Appeals. Work began in late 1979 to refurbish the interior. We were fortunate to discover seven original electrified chandeliers upstairs in the Town Hall, which have been restored and placed downstairs. Moreover, a much-needed and long-postponed general facelift has been applied to the interior, which has included removal of certain parti-

tions, painting of walls and ceilings, covering the floor and providing insulation on the roof. We hope that our efforts in this area are sufficient to preserve the historic integrity of the downstairs of the old Sandwich Town Hall.

The voters of Sandwich, this year at the Annual Town Meeting, agreed to name the auditorium of the Sandwich Jr./Sr. High School as the Carl H. Hiler Auditorium in recognition of his many years of service to the Town of Sandwich. We appreciate sincerely the recognition by the people of Sandwich of Mr. Hiler's work.

The Board of Selectmen would also like to thank several people this year who donated parcels of land to the Town of Sandwich. We received this year land given to us by Dr. and Mrs. Chester E. Cross; Mr. Lindsay Armstrong; Mrs. Virginia Freeman; Dr. and Mrs. Chester E. Cross, Mr. and Mrs. Donald C. Sweeney, Mr. and Mrs. Ralph M. Titcomb, Dorothy Nye Holway, Philip M. Boudreau, Luke P. Lally, John E. Wykoff, Maida L. Backus, Alfred M. Sheehy, John H. Loye, W. John Braden.

The Board of Selectmen, on behalf of the Town of Sandwich, sincerely appreciates the generosity of these people. It is certainly beneficial to the Town of Sandwich in its efforts to preserve our watershed, heritage and atmosphere.

In closing, the Board of Selectmen would like to thank the people of the Town of Sandwich for sharing with us ideas, thoughts and criticisms. Without input from the community as a whole, it is almost impossible to administer the Town. Moreover, we would like to express our sincere appreciation to those many people who serve on unpaid committees, boards and commissions within our town; they give hours of devoted work on the town's behalf to help make Sandwich what it is today, and shape it for our tomorrow.

Respectfully submitted,

BOARD OF SELECTMEN

*H. Eugene Carr, Chairman
David P. Persson
J. Louis Roberti*

Report of the BOARD OF ASSESSORS

"Sandwich is no different than any other cities and towns throughout the country. The cost of services and the operation of municipalities is forever increasing. This is more evident during recent years than previous. More is wanted, and more is expected. Unfortunately, it all costs more money. We only trust that with the projection of our increased tax base that it will be possible to hold the tax rate within a reasonable limit."

Those words are as true today in Sandwich as they were when they were written by the Board of Assessors, Caesar A. Alvezi, A. John McQuade and Lindsay R. Armstrong in 1966.

Granted that the language may have changed. We now talk in terms of "tax caps," and "classification." Moreover, we have today a phenomenon known as inflation, and added to the above discussion, greatly compounds the problems. One of the first acts of the Great and General Court of Massachusetts in 1979 was to create tax cap legislation. The tax cap was based on the previous years spendings, plus 4%. Any expenditures beyond that limit would need direct approval from the voters or the City Council.

We offered to the voters of Town Meeting, three Articles this year. Each specifically stated the amount the Town of Sandwich would be above the state-imposed tax cap. All three Articles passed resoundingly. We hope this is an indication from the voters of Sandwich they realize that the growth rate in Sandwich, compounded with inflation makes an artificial cap imposed by the State impossible to maintain. The Board of Assessors, the Board of Selectmen and the Finance Committee have attempted to establish some guidelines within the Town to maintain some semblance of reasonability while we are facing these two-fold problems of increasing population and spiraling inflation.

Classification has slipped into our vocabulary. That is, assessing each individual parcel of land at full and fair cash value, and then assigning factor to its use, i.e. residential, business, commercial. We will be studying and watching the clarifying legislation of classification as it unfolds in the months and years ahead.

The Board of Assessors would like to personally thank State Representative Thomas Lynch and the General Court of Massachusetts for, in their first piece of clarify-

ing legislation, returning the ability to assess utility companies to the local level. As we all know, that has a great impact on the Town of Sandwich.

The Town of Sandwich increased in assessed valuation this year from \$358,130,400. in FY 79 to \$369,460,300. in FY 80. However, our expenditures increased from \$6,532,478.67 in FY 79 to \$6,935,555.13 in FY 80 in total budget, thereby increasing the tax rate to \$15.00 per thousand. Some discussion should take place about our constantly slipping values, that is, sales price versus assessed valuation. With classification legislation becoming mandatory in the next few years, we will be mandated to go to full and fair cash value before we can classify our property. In 1969 the Board of Assessors, Caesar A. Alvezi, Carl H. Hiler and Lindsay R. Armstrong, made a very pertinent observation. "With the revaluation of the real property throughout the Town, we will be current as to present values, and therefore establish a fair tax base for all property owners. However, with the continued changes which we are experiencing, how long can we safely project our valuation formula will be effective?"

Respectfully submitted,

David P. Persson, Chairman
J. Louis Roberti

Report of the TOWN ACCOUNTANT

To the Honorable Board of Selectmen

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I herewith submit my eighth annual report covering the fiscal period July 1, 1978 to June 30, 1979.

My sincere thanks to the Selectmen, Department Heads and Town Employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon
Town Accountant

- 17 Jeffrey William Streeter, son to George Willard Streeter and Mary Ellen Leslie Meeker
- 20 Heather Jane Clarke, daughter to Logan Clarke and Pamela Lee Tyler
- 28 Gary Netto Giampietro, son to Louis Frederick Giampietro, Jr. and Diana Fonseca
- 31 Nathan Chisholm Boudreau, son to David Leslie Boudreau and Nancy Chisholm

FEBRUARY:

- 4 Johnathan Douglas Dyer, son to William Palmer Dyer, II and Nancy Lee Cropper
- 8 Meghann Elaine Hensen, daughter to Steven Robert Hensen and Leah Mary Sawyer
- 18 Andrew David Rau, son to Paul David Rau and Sandra Louise Mackel
- 21 Kelly Leann O'Connell, daughter to Terrance Paul O'Connell and Linda Marie Serodio

MARCH:

- 1 Brian Richard Polcaro, son to Richard William Polcaro and Patricia Joan Bye
- 6 Jason James Morse, son to Richard Wayne Morse, Sr. and Sandra Lee Robbins
- 10 David Joseph Silva, son to David Silva and Judith Anne Tokarz

APRIL:

- 2 Alexander Georg Albert Piccoli, son to Pier Paolo Piccoli and Candace Avery Keith
- 3 Melissa Lynne Anderson, daughter to Stephen W. Anderson and Cynthia B. Baker
- 6 Katie Arleen Butland, daughter to Dale Donald Butland and Susan Kathleen Jones
- 8 Eugene Clarence Marrs IV, son to Eugene Clarence Marrs III and Christine Ann Laffoon

- 13 Heather Beth Bryden, daughter to William Gordon Bryden, Jr. and Sandra Spooner
- 16 Julie Michelle Antoncecchi, daughter to Robert Massimo Antoncecchi and Kathleen Patricia McDonald
- 16 Jessica Helen Ohr, daughter to Norman Theodore Ohr, Jr. and Jane Anne Orr
- 27 Kelly Ann Perry, daughter to Clifford William Perry and Patricia Ann McKeon

MAY:

- 3 Lindsey Marie Crane, daughter to Peter Joseph Crane and Arlene Catherine Lunedei
- 7 James Patrick Jewell, son to Mark William Jewell and Bernadette Ann Tencza
- 8 William Richard Stewart, son to Kenneth Patrick Stewart and Janet Ann Cunningham
- 11 Jonathan Zachary Martins, son to Harry John Martins and Patricia Ann Leaden
- 14 Michelle Ann Gore, daughter to Jonathan Peattie Gore and Barbara Louise Shields
- 14 Peter Michael Aldrich, Jr., son to Peter Michael Aldrich, Sr. and Dorothy Ann Wallace
- 21 Kathleen Anne Keough, daughter to Edward Joseph Keough and Ida Catherine Lee
- 24 Jennifer Lynne Reynolds, daughter to Mark Damon Reynolds and Karen Ann Huber
- 29 Heather Elizabeth Reade Eshbaugh, daughter to Geoffrey Arden Eshbaugh and Janet Elizabeth Russo

JUNE:

- 1 Peter Alexander Murphy, son to Frederick Joseph Murphy and Martha Rose Semonian
- 4 Kristen Jennifer Ellis, daughter to Mark Stephen Ellis and Diane Holly Sherman
- 5 Corinne Marie Pereira, daughter to John Medeiros Pereira and Susan Ellen Carmody
- 6 Thomas Abbott Johnson, son to William Scott Johnson and Linda Jane Fagnant
- 8 Benjamin Robert Losordo, son to Benjamin John Losordo, Jr. and Elizabeth Rose Gibson
- 12 Kenneth James Orcutt, son to James Herbert Orcutt and Roberta Anne O'Toole
- 12 Benjamin Varnerin Hartley, son to James Bonnell Hartley and Ellen Maria Varnerin
- 14 Megan Jessica Ritch, daughter to Charles Henry Ritch and Pamela Miriam Ohnysty
- 17 Nicholas Joseph Bonino, son to John Samuel Bonino and Katherine Rose Pontbriand
- 21 Kyle William Schoeck, son to Paul William Schoeck and Susan Lorraine Hall
- 23 Kevin Robert Buckingham, son to James Edward Buckingham and Kathryn Carol Gunther
- 26 Joel Peter McMahon, son to James Robert McMahon III and Kathleen Jane McGuire

JULY:

- 1 Andrew Scott Johnson, son to Robert Lloyd Johnson, Jr. and Nancy Bea Sterin
- 1 Adam Michael Demers, son to Richard Francis Demers and Linda Constance Alves

- 3 Richard James Stewart, Jr., son to Richard James Stewart and Joan Theresa LeVangie
- 11 Danielle Yolanda Dostie, daughter to Donald Arthur Dostie, Jr. and Linda Ann Tavares
- 14 Michael Allen Lohse, son to Michael Allen Lohse and Helen Frances Duncklee
- 14 Tygue Scudder Reed, son to Wayne Scudder Reed and Colleen Ann Stenroos
- 15 John Anthony Henderson, III, son to John Anthony Henderson, Jr. and Kathleen Ann Traves
- 20 Dennis George Chaprales, son to Arthur George Chaprales and Bonnie Lee Pereira
- 20 Marisa Anne Jackson, daughter to Michael Joseph Jackson and Donna Marie Gulluni
- 24 Amy Beth Tedeschi, daughter to Silvio Tedeschi and Linda Jean Wilson
- 24 Joseph Henry Vineis, son to Bruce Michael Vineis and Patrice Marie Hillier
- 25 Robert James Rebello, son to Kenneth Charles Rebello and Mary Elizabeth Duggan
- 25 Andrea Jean Hepworth, daughter to Richard Alan Hepworth and Anne Catherine Fitzpatrick
- 27 Samantha Lynne Nurse, daughter to Ronald William Nurse and Florence Genevieve Lombardo
- 28 Tara Jean Judge, daughter to Michael Joseph Judge and Jean Elizabeth Hussey

AUGUST:

- 1 Michael Anthony Ciccone, son to Francis Nicholas Ciccone and Judith Lee Mantineo
- 6 Christopher Joseph Kirrane, son to Kevin Michael Kirrane and Marsha Phyllis Silverman
- 6 Stephen William Laverty, son to Brian William Laverty and Susan Jeanne Burke
- 9 Kate Lynn Pictour, daughter to John William Pictour and Kathleen Ann Sheerin
- 10 Mary Louise Callanan, daughter to Michael John Callanan and Doreen Ann Santos
- 10 William Nathaniel Johnson, son to Gary Abbott Johnson and Susan Tesorero
- 10 Shawn Michael Sheehan, son to Kevin Edward Sheehan and Shelley Lynn Gardner
- 11 Kevin Michael Earle, son to William Kevin Earle and Jadwiga Narkevicius
- 13 Brenna Jean Romanowicz, daughter to Mark Anthony Romanowicz and Sherry Ann Linehan
- 15 Jessica Hastings Connelly, daughter to Stephen Joseph Connelly and Elizabeth Ann Hastings
- 16 Thomas Alphonsus Cummings III, son to Thomas Alphonsus Cummings, Jr. and Louise Ann Holderried
- 16 Christopher Paul Erickson, son to Paul Edward Erickson and Jean Rose Vikjord
- 20 Katherine Gail Lulley, daughter to Julius Lulley and Gail Carole Russell
- 20 Brendan Roy Rice, son to Frank Roy Rice and Linda Sue Klaassen
- 25 Andrew Hicks, son to Alan James Hicks and Marjorie Ann Gagner
- 31 Daniel Conor McAuliffe, son to Francis Russell McAuliffe and LuAnn Marie Kaitschuck

SEPTEMBER:

- 2 Melissa Jean Miller, daughter to Steven Daniel Miller and Jacqueline Diane LaFrance
- 3 Holly Ann Files, daughter to Russell John Files and Beverly Ann Hill
- 4 Matthew Caleb Fraser, son to David Paul Fraser and Robin Carol Murphy
- 6 Colleen Patricia Dugan, daughter to Frederick Kingston Dugan and Gail Lesley Mullen
- 13 Jennifer Alison Dewar, daughter to Alan Lloyd Dewar and Evelyn Jean Cavaliere
- 16 William Peter Forni, Jr., son to William Peter Forni, Sr. and June Ann Duarte
- 18 Jason Cameron Alden, son to Bradford Cameron Alden and Amy Jean Caswell
- 26 Steven Patrick Sampson, son to David Paul Sampson and Barbara Mary Grosse
- 26 Benjamin Russell Hills, son to Stanley Chapman Hills and Iris Danette Coleman
- 29 Adam Michael Overlock, son to Ross Wesley Overlock and Michele Anne Babineau

OCTOBER:

- 7 Karen Joy Anderson, daughter to Gregory Norris Anderson and Margaret Joyce Main
- 11 Alexander Galvin Brown, son to Thomas Franklin Brown and Yvonne Sharon Galvin
- 14 Zachary Michael Smith, son to Kevin John Smith and Linda Marie Silvia

Report of the TOWN CLERK ANNUAL TOWN MEETING

Junior - Senior High School May 7, 1979

The meeting was called to order at 7:30 P.M. by the Moderator, Mr. Gary Nickerson. A quorum was declared.

The invocation was given by the Reverend John Thomas, St. John's Episcopal Church.

The following tellers were appointed by the Moderator: Messrs. Fred Morey, George Crawford, Stephen Collings and Ferdinand Alvezi.

The Selectmen were introduced by Mr. Roberti and the Finance Committee by Mr. Channing E. Hoxie: Clifford R. Nelson, Chairman, Kenneth N. S. Ferguson, Francis X. Martin, C. Ruggles Smith and Virginia L. Harvey.

ARTICLE 1 — To hear the reports of all Town Officers and Committees and to act thereon, or take any action relative thereto.

UNANIMOUSLY VOTED — That the reports of all Town Officers and Committees be accepted as printed in the 1978 Annual Town Report.

ARTICLE 2 — To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1979, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUSLY VOTED — That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1979, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3 — To see if the Town will vote to increase the budget limit imposed pursuant to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and other Local Government Units Dependent on Property Tax," by an amount of \$71,026.35, or do anything relative thereto.

VOTED — That the Town increase the budget limit imposed pursuant to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and Other Local Government Units Dependent on Property Tax," by an amount of \$71,026.35. This was a hand vote; 606 Yes, 13 No. This met the 2/3 requirement and was declared carried by the Moderator.

ARTICLE 4 — To see if the Town will vote to approve the request of the Sandwich School Committee to increase the budget limit imposed to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and Other Local Government Units Dependent on Property Tax" by an amount of \$126,951.00, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town approve the request of the Sandwich School Committee to increase the budget limit imposed pursuant to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and Other Local Government Units Dependent on Property Tax" by an amount of \$126,951.00.

ARTICLE 5 — To see if the Town will vote to authorize the Board of Assessors to increase the levy limit imposed pursuant to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and Other Local Government Units Dependent on Property Tax" by an amount of \$151,000.00, provided that this levy limit may be further increased by amounts required to offset any decrease in State Aid distribution, pursuant to Chapter 58 of the General Laws, and shall be decreased by any amounts of increased State Aid distributed pursuant to said Chapter 58, in each case as certified by the Commissioner of Revenue, or do anything relative thereto.

VOTED — That the Town authorize the Board of Assessors to increase the levy limit imposed pursuant to an act enacted or to be enacted by the General Court of the Commonwealth of Massachusetts titled "An Act Imposing Limits on the Property Tax Levies and Expenditures of Cities and Towns and Other Local Government Units Dependent on Property Tax" by an amount of \$151,000.00, provided that this levy limit may be further increased by amounts required to offset any decrease in State Aid distribution, pursuant to Chapter 58 of the General Laws, and shall be decreased by any amounts of increased State Aid distributed pursuant to said Chapter 58, in each case as certified by the Commissioner of Revenue. This was a hand vote; 498 Yes, 25 No. This met the 2/3 requirement and was declared carried by the Moderator.

ARTICLE 6 — To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, as follows:

Moderator	350.00
Chairman of Selectmen	12,900.00
Selectman (2) (\$12,600.00 each plus longevity)	25,200.00
Chairman of Assessors	2,300.00
Assessors (2) (\$2,100.00 each)	4,200.00
Treasurer	5,565.00
Tax Collector	8,820.00
Town Clerk	6,720.00
Highway Surveyor	17,850.00
Tree Warden	3,500.00
Board of Health:	
Chairman	738.00
Vice Chairman	685.00
Clerk	685.00

ARTICLE 7 — To hear the report of the Finance Committee and to raise and appropriate monies as may be needed to defray Town expenses for the Fiscal Year, July 1, 1979 to June 30, 1980, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$6,935,555.13 for the budget for Fiscal Year 1980, divided among the respective accounts as printed in the 1979 Annual Town Meeting Warrant under Article 7.

ARTICLE 8 — To see if the Town will vote to instruct the School Committee to designate and name the auditorium of the Sandwich Junior High School the "Carl H. Hiler Auditorium," or do anything relative thereto.

Mrs. McLean proposed the following amendment: Move that this Article be postponed until a committee of five appointed by the Town Moderator can explore a proper memorial in a field in which Carl Hiler was employed and receive input from the Townspeople.

This amendment was voted by VOICE VOTE and declared DEFEATED by the Moderator.

VOTED — That the Town instruct the School Committee to designate and name the auditorium of the Sandwich Junior-Senior High School the "Carl H. Hiler Auditorium." This was a hand vote: 309 Yes, 240 No and declared **CARRIED** by the Moderator.

ARTICLE 9 — To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland, for conservation purposes, consisting of 20 acres adjacent to Town owned land on Popple Bottom Road, shown on Assessors Map 63 as Parcel R6 and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto. (Request of the Conservation Commission)

VOTED — That the Town authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland, for conservation purposes, consisting of 20 acres adjacent to town owned land on Popple Bottom Road, shown on Assessors Map 63 as Parcel R6 and to raise and appropriate \$33,700.00 for said purpose. This was a hand vote: 588 Yes, 8 No. This met the 2/3 requirement and was declared carried by the Moderator.

ARTICLE 10 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of interest on loans, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$116,810.00; appropriate and transfer \$11,500.00 from the Otis Trust Fund, and appropriate and transfer \$500,000.00 from Surplus Revenue for the payment of interest on Loans.

ARTICLE 11 — To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum of money to a reserve account, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$50,000.00 from Overlay Surplus and \$25,000.00 from Surplus Revenue for a Reserve Account for Fiscal Year 1980.

ARTICLE 12 — To see if the Town will vote to transfer and appropriate the 1978 income from the Marina Income Account for the use of the operation, maintenance, repairs and Capital Outlay at the East Boat Basin Marina, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$16,007.80 from the Marina Income Account for the use of the operation, maintenance, repairs and Capital Outlay at the East Boat Basin Marina.

ARTICLE 13 — To see if the Town will vote to transfer and appropriate the 1978 Income from the Hoxie House and Grist Mill for the operation and maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$23,906.23 from the Hoxie House and Grist Mill Income Account for the operation and maintenance of the Hoxie House and Grist Mill.

ARTICLE 14 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a replacement vehicle for the Fire Chief, or do anything relative thereto.

VOTED — That the Town transfer and appropriate \$6,000.00 from the Federal Revenue Sharing Fund on deposit in a special account to purchase a replacement vehicle for the Fire Chief. This was a voice vote and declared **CARRIED** by the Moderator.

ARTICLE — To see if the Town will vote to amend Section 5 (a) of the Sign Code By-law by adding "(a maximum of two signs)" after the words "directional sign" so the sentence reads as follows: "However, off-premise directional signs (a maximum of two signs) not exceeding three (3) square feet may be allowed in any zoning district on Special Permit from the Sign Code Board of Appeals. . . .", or do anything relative thereto. (Request of the Sign Code Board of Appeals)

UNANIMOUSLY VOTED — That the Town amend Section 5 (a) of the Sign Code By-law by adding "(a maximum of two signs)" after the words "directional sign" so the sentence reads as follows: "However, off-premise directional signs (a maximum of two signs) not exceeding three (3) square feet may be allowed in any zoning district on Special Permit from the Sign Code Board of Appeals. . . ."

ARTICLE 16 — To see if the Town will vote to amend Section 4 (b) of the Sign Code By-laws by deleting from the last paragraph the sentence: "All such signs within a plaza or shopping center shall be consistent in structural design and in color." and add it to the preceeding paragraph, or do anything relative thereto. (Request of the Sign Code Board of Appeals)

UNANIMOUSLY VOTED — That the Town amend Section 4 (b) of the Sign Code By-laws by deleting from the last paragraph the sentence: "All such signs within a plaza or shopping center shall be consistent in structural design and in color." and add it to the preceeding paragraph.

ARTICLE 17 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to repair, protect, and refurbish the Town Hall, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$25,000.00 from Surplus Revenue to repair, protect and refurbish the Town Hall.

ARTICLE 18 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be made available during FY 1980 to cover the cost of the purchase of police cruisers for the Police Department, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$32,500.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to purchase five (5) replacement cruisers for the Police Department during FY 1980.

ARTICLE 19 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for a radio and telephone taping system for the Police Building, or do anything relative thereto. (Request of the Police Chief)

Mr. Carlo Pola moved the following Amendment: Amend Article 19 so that one line will be available and not be taped. This amendment was **DEFEATED** by Voice Vote.

VOTED — That the Town transfer and appropriate \$13,500.00 from the Federal Revenue Sharing Fund on deposit in a special savings account for the purchase of a radio and telephone taping system for the Police Building. This was a VOICE VOTE and declared **DEFEATED** by the Moderator.

ARTICLE 20 — To see if the Town will vote to amend the Town By-laws by adding the following as Article XXI, or do anything relative thereto.

ARTICLE XXI Wetland Protection By-Law

Section 1 Purpose

The purpose of this By-law is to protect the foreshores, wetlands, and water resources of the Town of Sandwich by controlling activities deemed to have a significant effect upon the values afforded by them.

Section 2 Permits Required

No person shall initiate any activity requiring a Notice of Intent under the Wetlands Protection Act (Section 40, Chapter 131, G. L.) without a permit from the Sandwich Conservation Commission. In acting on such permit, the Conservation Commission shall consider public or private water supply, ground water, flood control, erosion control, storm damage, water pollution, fisheries, shellfish, wildlife, recreation, aesthetics, or any potential hardship on the applicant.

Section 3 Procedure

Filing of a Notice of Intent with the Conservation Commission under the Wetlands Protection Act shall constitute application under this By-law. The Conservation Commission shall grant, grant with conditions, or deny a permit within sixty days of filing.

The Conservation Commission shall hold a public hearing on each application prior to acting upon it with timing and notice as required for actions under the Wetlands Protection Act.

The Commission shall schedule its hearing and deliberations under this By-law, so as to facilitate coordination with other needed approvals for the same activity. The Commission shall whenever feasible hold its hearing under this By-law in conjunction with its hearing under the Wetlands Protection Act, or the Planning Board's hearing under the Subdivision Control Law, or the Zoning Board of Appeals' hearing under the Zoning By-law.

Definitions set forth in the Wetlands Protection Act and in regulations adopted thereunder by the Department of Environmental Quality Engineering, or any successor thereto, are hereby made a part of the this By-law.

Section 4 Security

The Conservation Commission may require the posting of a bond with sureties or other security to secure faithful and satisfactory performance of work required by any conditions imposed, in such sum and in accordance with such conditions as the Commission may determine necessary. The amount of such bond shall not exceed either the estimated cost of the work required, or the estimated cost of restoration of affected lands and property if the work is not performed as required, whichever is the greater. Forfeiture of any such bond shall be recoverable at the suit of the municipality in Superior Court.

Section 5 Appeal

Appeal from any decision under this By-law shall be made to the Superior Court within thirty days of the date of issuance of said decision. (Request of Conservation Commission)

VOTED — Article 20 was voted as printed above. It was a voice vote and declared **CARRIED** by the Moderator.

ARTICLE 21 — To see if the Town will vote to transfer and appropriate the money received from the Dog Fund in 1978 to the Library Appropriation Account, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$3,205.66 received from the 1978 County Dog Fund to the Library Appropriation Account.

ARTICLE 22 — To see if the Town will vote to transfer and appropriate the money received from the State Public Library Aid Account to the Library Appropriation Account, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$1,964.63 received from the State Public Library Aid Account to the Library Appropriation Account.

A recess of ten minutes was declared at this point. On reconvening, it was ascertained that a quorum was present.

ARTICLE 23 — To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

VOTED — That the Town raise and appropriate \$200.00 and transfer and appropriate \$7,800.00 from the Beach Parking Account for payment to the Town of Barnstable for beach parking privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich. This was a voice vote and declared carried by the Moderator.

ARTICLE 24 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purchase of a replacement vehicle for the Town Engineer, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$2,000.00 and transfer and appropriate \$2,500.00 from Surplus Revenue to purchase a replacement vehicle for the Town Engineer.

ARTICLE 25 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase Electronic Distance Measuring Equipment to be added to existing equipment in the Engineering Department, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$6,500.00 to purchase Electronic Distance Measuring Equipment for the Engineering Department.

ARTICLE 26 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to the Town Archivist for preliminary work towards updating and publishing a Town History and the Town Vital Records, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$2,000.00 for the Town Archivist for preliminary work towards updating and publishing a Town History and the Town Vital Records.

ARTICLE 27 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program for Fiscal Year 1980, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$30,000.00 from the Community School Income Account and transfer \$52,549.00 from Surplus Revenue for the Community School Program for Fiscal Year 1980.

ARTICLE 28 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund several social service organizations in the amounts listed below for services to be performed for, and on behalf of, Sandwich residents or do anything relative thereto.

FISH	250.00
Cape Cod Committee on Alcoholism	2,200.00
Cape Cod Mental Health	7,104.00
Nauset Workshop	1,000.00
Emergency Medical Serv. System, Inc.	2,593.00
Head Start Program	435.00

UNANIMOUSLY VOTED — That the Town raise and appropriate \$13,582.00 to fund several social service organizations as listed in the Warrant.

ARTICLE 29 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a copy machine for the Town Hall, or do anything relative thereto.

VOTED — That the Town transfer and appropriate \$6,000.00 from the Federal Revenue Sharing Fund on deposit in a special savings account to purchase a copy machine for the Town Hall. This was a voice vote and declared **CARRIED** by the Moderator.

ARTICLE 30 — To see if the Town will vote pursuant to Chapter 140, Section 173, that it shall be unlawful for the owner or keeper of any dog to permit it to run at large or to be at large upon premises other than those where it is lawfully kept. The registered owner and the person recovering such dog if held by lawful authority, shall presume to be the owner or keeper thereof. (Request of the Dog Officer)

VOTED — That the Town accept the provisions of Chapter 140, Section 173, that it shall be unlawful for the owner or keeper of any dog to permit it to run at large or to be at large upon premises other than those where it is lawfully kept. The registered owner and the person recovering such dog if held by lawful authority, shall

presume to be the owner or keeper thereof. This was a VOICE vote and Declared **CARRIED** by the Moderator.

ARTICLE 31 — To see if the Town will vote pursuant to Chapter 140, Section 173a, to establish a schedule of fines for violations of such by-law or by-laws as may from time to time be enacted by the Town pursuant to Chapter 140, Section 173 of the Massachusetts General Laws as follows: \$10.00 for the initial offense; \$15.00 for the second offense; \$25.00 for the third and subsequent offenses during a period of any one calendar year. In addition to such fines, all unlicensed dogs lawfully held shall be licensed and the fee required therefor paid by the owner or keeper before being released to him. (Request of the Dog Officer)

VOTED — That the Town accept the provision of Chapter 140, Section 173a, to establish a schedule of fines for violations of such by-law or by-laws as may from time to time be enacted by the Town pursuant to Chapter 140, Section 173 of the Massachusetts General Laws as follows: \$10.00 for the initial offense; \$15.00 for the second offense; \$25.00 for the third and subsequent offenses during a period of any one calendar year. In addition to such fines, all unlicensed dogs lawfully held shall be licensed and the fee required therefor paid by the owner before being released to him. This was a VOICE vote and declared **CARRIED** by the Moderator.

ARTICLE 32 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be paid to the Commonwealth of Massachusetts for the Lease Agreement covering the Town Dump area, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate from Surplus Revenue \$6,000.00 to be paid to the Commonwealth of Massachusetts for the Lease Agreement covering the Town Dump Area.

ARTICLE 33 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to remodel and enlarge the Technical Services Area of the Sandwich Public Library, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$8,000.00 from the Basement Renovation Account and \$2,000.00 from Surplus Revenue to remodel and enlarge the Technical Services Area of the Sandwich Public Library.

ARTICLE 34 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purchase of a replacement four-wheel

drive vehicle for the Dog Officer, or do anything relative thereto.

VOTED — That the Town transfer and appropriate \$8,700.00 from the Federal Revenue Sharing Fund on deposit in a special savings account for the purchase of a four-wheel drive replacement vehicle for the Dog Officer. This was a VOICE vote and declared **CARRIED** by the Moderator.

ARTICLE 35 — To see if the Town will vote to direct the Selectmen to discontinue the fireworks display held on the Fourth of July over Shawme Pond, or do anything relative thereto. (By Petition)

Chief Whearty and Chief Alvezi and residents of the Water Street and Pheasant Lane area spoke in favor of the discontinuance of fireworks.

Jean Marie Hoxie moved the following amendment: I make an amendment to move the fourth of July fireworks to the Town Beach, at Town Neck. After being duly seconded, the amendment was voted by voice vote and declared **NOT CARRIED** by the Moderator.

VOTED — That the Town direct the Selectmen to discontinue the fireworks display held on the Fourth of July over Shawme Pond. This was a VOICE vote and declared **CARRIED** by the Moderator. (This Article reconsidered on May 8.)

ARTICLE 36 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the celebration of the Fourth of July, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$2,500.00 for the celebration of the Fourth of July. (This article was reconsidered on May 8)

ARTICLE 37 — To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury a sum of money for Oil Treatment of Town Roads, or do anything relative thereto.

Mr. James Crocker moved the following amendment, which was duly seconded: Move that the Town vote to transfer from unexpended Special Highway Accounts the sum of \$15,226.90 specifically

Chase Point Road	838.00
East Sandwich Parking Area	1,800.00
Town Neck Sidewalk	6,752.10
Water Street Grading	1,000.00
Pine Street	3,598.28
Route 130	1,238.52

a sum of \$15,226.90
and to transfer from available funds \$14,773.10 mak-

ing a total of \$30,000.00 for oil treatment of Town Roads during 1980.

UNANIMOUSLY VOTED — Article 37 was voted Unanimously as AMENDED. This was a voice vote.

Pursuant to Amendment to Article 37 at the Annual Town Meeting May 7, 1979, this is to advise that the funds voted to be transferred from the unexpended Pine Street account in the amount of \$3,598.28 were not available at the time of the meeting, having been spent in FY 1978.

It is therefore requested that \$3,598.28 be deleted from the original \$30,000.00 appropriation request, leaving a net appropriation for the Oiling of Town Roads of \$26,401.72. This amount to be transferred as voted from the following available funds:

Chase's Point Road	838.00
East Sandwich Beach Parking Area	1,800.00
Town Neck Sidewalk Construction	6,752.10
Water Street Grading	1,000.00
Route 130	1,238.52
Revenue Sharing Savings Account	14,773.10
	<hr/>
	\$26,401.72

/s/ Nancy J. Laffoon
Town Accountant

ARTICLE 38 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a diesel tractor equipped with a long arm mower for the Highway Department, or do anything relative thereto.

VOTED — That the Town transfer and appropriate \$23,500.00 from the Federal Revenue Sharing Fund on deposit in a Special Savings Account to purchase a diesel tractor equipped with a long arm mower for the Highway Department. This was a VOICE vote and declared **DEFEATED** by the Moderator.

ARTICLE 39 — To see if the Town will vote to accept the provisions of Chapter Thirty-two (B) Section 10 (A), Massachusetts General Laws, that the Town purchase insurance for dental expenses under the sections of Chapter 32 (B) of the Massachusetts General Laws which provide for the purchase of hospital, surgical, medical, dental and other health insurance benefits for certain persons in the service of the Town, or do anything relative thereto.

VOTED — That the Town vote to accept the provisions of Chapter Thirty-two (B) Section 10 (A), Massachusetts General Laws, that the Town purchase insurance for dental expenses under the sections of Chapter

32 (B) of the Massachusetts General Laws which provide for the purchase of hospital, surgical, medical, dental and other health insurance benefits for certain persons in the service of the Town. This was a **voice** vote and declared **CARRIED** by the Moderator.

At this point, 11:10 P.M. the meeting was adjourned until May 8, 1979 at 7:30 P.M.

Meeting reconvened on Tuesday, May 8, 1979 at 7:45 P.M. It was determined that a quorum was present.

ARTICLE 40 — To see if the Town will vote to transfer the following unexpended revenue sharing balances from Special Appropriations back into the special savings account for Revenue Sharing Funds:

Fire Rescue Truck	105.00
Park Dept. Truck Purchase	867.43
Drainage Horseshoe Circle	400.00
Front End Loader - Highway	1,570.00

UNANIMOUSLY VOTED — That the Town transfer \$2,942.43 in unexpended Revenue Sharing balances from Special Appropriations as listed in the 1979 Annual Town Meeting Warrant back into the Revenue Sharing Savings Account.

ARTICLE 41 — To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Recreation Beach Equipment Purchase	586.39
Council on Aging Mini-bus Purchase	3,993.37
Elder Services	500.00
ROAD TAKINGS:	
Earl Rd., Manor Dr.	5.00
Chandler, Tarragon Drs.	5.00
Greenville, Bramblebush, etc.	5.00
Boulder Brook Rd.	5.00
Guild Rd.	5.00
Highway Truck Purchase	1,597.00

UNANIMOUSLY VOTED — That the Town transfer \$6,701.76 in unexpended balances from Special Appropriations to the Surplus Revenue Account as listed in the 1978 Annual Town Meeting Warrant.

ARTICLE 42 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for highway work on Town Roads in accordance with the following list, or do anything relative thereto.

Herring Run	7,192.29
Spectacle Road	5,485.24
Pondview Drive	29,091.80
Deerwood Drive	18,353.64
Fox Hill Lane	14,725.22
Pinecone Road	5,517.12

Wee Heather Way	3,666.02
Turtle Cove Road	29,551.32
Burning Tree Lane	7,799.40
Horseshoe Circle	8,746.26
	<hr/>
	\$130,128.31

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$130,128.31 for highway work on Town Roads from the Federal Revenue Sharing Fund on deposit in a special savings account in accordance with the list as printed in the Annual Town Meeting Warrant.

ARTICLE 43 — To see if the Town will vote to accept the provisions of Chapter 152, Section 69, Massachusetts General Laws, so that the term laborers, workmen and mechanics are used in Section 68 through 75 inclusive of Chapter 152 of the Massachusetts General Laws, shall include such elected or appointed officers of the Town (except the Selectmen or members of the Police or Fire forces) as the Selectmen may from time to time designate as evidenced by a writing filed with the Division of Industrial Accidents of the Commonwealth of Massachusetts, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town accept the provisions of Chapter 152, Section 69, Massachusetts General Laws, so that the term laborers, workmen and mechanics are used in Section 68 through 75 inclusive of Chapter 152 of the Massachusetts General Laws, shall include such elected or appointed officers of the Town (except the Selectmen or members of the Police or Fire forces) as the Selectmen may from time to time designate as evidenced by a writing filed with the Division of Industrial Accidents of the Commonwealth of Massachusetts.

ARTICLE 44 — To see if the Town will vote to amend the Sandwich Zoning By-laws as follows, or do anything relative thereto.

1. Add the following to Article IV — Special Regulations:

"4800. Development Scheduling — The Building Inspector shall issue building permits for construction of new dwelling units in subdivisions approved after May 1, 1979, or on land shown on plans made subject to this Section by covenant agreement, or for multi-family dwellings (regardless of location), only as follows:

4810. Moderate Building. If permit issuance will result in fewer than 400 new dwelling units having been authorized town-wide within a twenty-four month period, permits may be issued without scheduling limitation.

4820. Rapid Building. If permit issuance will result in 400 or more new dwelling units having been authorized townwide within a twenty-four month period, permits shall be issued only if one or more of the following is the case:

- (1) If permit issuance will not result in more than twenty dwelling units having been authorized* within a twenty-four month period for that and for contiguous subdivisions or parcels which have been in the same ownership at any time subsequent to May 1, 1979.
- (2) If permit issuance will not in authorization* within a twenty-four month period of a number of dwelling units exceeding 20% of the number of lots in the subdivision or 20% of the number of multi-family dwelling units permitted under the Special Permit authorizing those units, or exceeding the sum of the two in the case of multi-family development within a subdivision.
- (3) If the date of exemption from Section 4820 has been reached for that subdivision lot or multi-family dwelling unit on a Development Schedule which has been approved by the Planning Board and recorded with the subdivision plan which creates the lot or the Special Permit authorizing the multi-family development. Planning Board approval of a Development Schedule shall be granted provided that
 - (1) the schedule exempts not more than 20% of the potential dwelling units governed by it within the first two years following endorsement of approval,
 - (2) in each year thereafter the schedule adds to the exempted category not more than 10% of the total number of potential dwelling units governed by it, and
 - (3) in the opinion of the Planning Board, the development sequence established by the schedule is not arbitrary or unreasonable.
- (4) If the Planning Board has granted a Special Permit for a departure from these scheduling requirements upon its determination that such departure is essential to the feasibility of a development which serves salient local housing needs.

* exclusive of unutilized authorizations which have lapsed or have been withdrawn.

4830. Relation to Real Estate Tax Assessment. Any land owner who has been denied a development permit because of these provisions may appeal to the Board of Assessors, in conformity with Section 59, Chapter 59, G. L., for a determination as to the extent to which the temporary restriction on development use of

such land shall affect the assessed valuation placed on such land for purposes of real estate taxation, and for abatement as determined to be appropriate."

2. Amend Section 2500. Intensity of Use Regulations, by renumbering Section 2560 as Section 2580, by deleting in its entirety Section 2550, and by inserting the following:

"2550. Nonconforming Lots. Certain lots are exempted from current Intensity of Use Regulations by Sec. 6, Ch. 40A, G.L. In addition, any increase in lot area, width, depth, frontage, yard, or coverage requirements of this by-law shall not apply to erection, extension, alteration, or moving of a structure on a legally created lot not meeting current requirements provided that either the lot is in an exempted subdivision (see Section 2560) or the applicant documents that:

- (1) at the time such increased requirement became applicable to it, the lot
 - (a) had at least 5,000 square feet of lot area and 40 feet of frontage on a street; and
 - (b) conformed to then-existing dimensional requirements; and
- (2) the lot is to be used for a single dwelling unit or for non-residential use.

Such nonconforming lots may be changed in size or shape or their land area recombined without losing this exemption, so long as the change does not increase the actual or potential number of buildable lots."

"2560. Exempted Subdivision Plans. Lots in a subdivision no longer exempted from current dimensional regulations by Sec. 6, Ch. 40A, G. L. shall for single-family dwellings and their accessory structures continue to be governed by the dimensional regulations applicable to them when the subdivision plan was approved, provided that a covenant has been recorded subjecting all lots not then held in ownership separate from all adjoining land to the requirements of Section 4800. Development Scheduling, and assuring that all street, drainage, and utility construction subsequent to that date will meet the design and construction standards of the Subdivision Regulations of the Sandwich Planning Board in effect on the date of such covenant.

"2570. Other Groups of Lots. The Planning Board may approve a Special Permit for construction for single-family or non-residential use on legally created lots not meeting current Intensity of Use Regulations and not exempted by the above, provided that such lots, except on accepted Town Ways, are made subject to the development scheduling controls outlined in Section 4800, and that streets, drainage, and utilities serving the lots either are functionally equivalent to ones meet-

ing the construction standards of the then-current Subdivision Regulations of the Sandwich Planning Board, or will be caused to be so without expense to the Town.” (Request of the Planning Board)

Mrs. Carol White, Chairman of the Planning Board reported on the Article, explaining the background and the necessity for the Article.

Mr. Richard W. Leydon, Co-Chairman of the Planning Board, commented on the Article, and wished the following Memorandum of Intent to be placed in the record of the Town Meeting.

The Memorandum of Intent, as presented by Mr. Leydon, follows:

“The article presented by the Sandwich Planning Board to the voters of Sandwich this May 1979 Annual Town Meeting addresses the issue of “GROWTH MANAGEMENT.” In the event this proposal meets with public acceptance, it is the desire of the Sandwich Planning Board to record this document as a “Memorandum of Intent” with the Town Clerk and at the Barnstable County Registry of Deeds.

Invariably, the passage of time and the ever changing political, social and economic structure of our community will tend to obscure the planning board’s original intent in suggesting the Town adopt a growth management by-law. Hence, in an attempt to remove potential ambiguity relative to the board’s INTERPRETATION AND INTENT of this by-law, we, the members of the Sandwich Planning Board provide the following delineation of the Growth Management By-law.

The Planning Board recognizes the fact that our community has a large inventory of “approved” but unbuilt upon house lots in subdivisions which were created in the early 70’s. Because of their age and a provision in the state’s subdivision laws the lots must not meet current requirements for streets, utilities and drainage construction. In addition, most of these lots need not conform to current area requirements because of a “grandfather provision” in the town’s zoning by-law.

During periods of rapid growth in the Town of Sandwich, the availability of this large inventory of “unbuilt upon” residential house lots poses a two-fold problem. One, to provide additional facilities and services to handle high growth years . . . imposes unreasonable costs for administrative and facility overcapacity in off peak years. Two, many hundreds of these unbuilt upon lots would be serviced by substandard roads and utilities because state law does not allow the planning board to apply up-to-date subdivision regulations for construction of roads and other services. In short, the growth management by-law presented at this the May 1979 Annual Town Meeting addresses the aforementioned problems by offering a

solution to reduce the town’s peak growth rate by providing an inducement for older subdivisions to upgrade roads, utilities and drainage to functionally meet current subdivision regulations.

It is not the Planning Board’s intent to fix an upper limit on total population or annual building, just a threshold building rate figure, above which damping rules come into effect. The town will continue to grow, this proposal simply makes it much more likely that the various governing bodies and agencies in the Town of Sandwich can accommodate that growth with less impact to the taxpayers of Sandwich.

For all practical purposes the typical homeowner is not affected by the mechanics of growth control. However, as noted in the preceding paragraph a clear savings would result from the Town of Sandwich not having to cope with the capacity for explosive growth, but rather, having a managed growth rate which allows rational planning for facilities and services.

As a result of public hearings and discussions with numerous town officials **a number of changes were made to the Planning Board’s original growth control by-law proposal.**

The intent relative to these changes is indicated herein:

1. **Re: Section 4820 Rapid Building** — more specifically, multi-family permits. The planning board has deleted wording in Section 4820, Section 4. The deletion of the wording “subsidized housing” was due in large part to the fact that through the use of public funds, subsidized housing can circumvent local zoning and development scheduling thereby receiving a special permit granting relief on the project’s development schedule even though the town is in a “rapid building mode.” The Planning Board felt the latter was discriminatory to the private sector, hence, by deleting the words “and is to be subsidized under a state or federal program for low or moderate income housing.” The planning board has the ability to grant a special permit “for a departure from these scheduling requirements upon its determination that such departure is essential to the feasibility of a development which serves salient local housing needs.” It should be noted that the number of dwelling units authorized by permit under multi-family housing will be added to the “town total” of individual units authorized.
2. **Section 2550 — Under the amendment to 2550, Section (1) (b).** Delete 2550 (1) (b) “was held in ownership separate from all lots having frontage within 1000 feet on that same street (other than one lot on which the owner resided) and.” It was the opinion of the planning board, its consultant, Philip

Herr and other interested townspeople, that the application and intent of this section of the proposed by-law change was somewhat unclear. For example, the primary thesis for the inclusion of Section 2550 (1) (b) was to eliminate the possibility of so-called "checkerboarding" of building lots in large subdivisions. It became apparent that the Town's interests were already covered in this regard by the fact the applicant or developer upon definitive subdivision approval by the planning board would record a covenant at the Barnstable Registry of Deeds to the effect that . . . no residential building lots could and/or would be conveyed from said subdivision unless a release of covenant had been obtained from the planning board. In view of the latter, it would be a virtual impossibility for a large subdivider holding a so-called "paper subdivision" to **legally** transfer property prior to obtaining a release of covenant from the planning board. Hence, the original proposal of Section 2550 (1) (b) would in fact have created a much greater impact on the so-called "small property owner" . . . the very individual(s) upon whom the planning board did not wish to cause any excessive economic hardship. The planning board's intent is met by deleting Section 2550 (1) (b).

3. **Section 2570.** It was felt by the planning board, that lots on accepted town ways could not "legally" be forced to upgrade said ways to make them functionally equivalent to the construction standards of the then-current subdivision regulations. In other words, it seems somewhat illogical to require a building permit applicant to "upgrade town ways" — if in fact these ways had already been accepted by the town through a legally constituted town meeting forum. If the latter were the case . . . it then became incumbent upon the town (and NOT on an individual living upon that town way) to assure the quality and suitability of these ways. Hence, the words . . . "except on accepted town ways," were included in Section 2570 of this proposed by-law.

Other Interpretations/Applications of the Growth Management By-law — If the Town of Sandwich is in a moderate building mode there will be no restriction granting building permits. Additionally any permits granted to an applicant already subject to 'scheduling' during a moderate building phase would not be numerically assessed against that number allowed to that applicant should the town enter a rapid building mode. For purposes of determining those building lots potentially subject to "scheduling" we have used the date of 1 May 1979 . . . hence, in the case of a developer entering a covenant with the planning

board . . . only those subdivided lots still held in common ownership as of 1 May 1979 would be applicable to and affected by the by-law. In addition, developers of subdivisions subject to the scheduling program are allowed to "stockpile" lots.

Relative to Administration and Enforcement of this by-law: The Planning Board has provided the building inspector with a set of parameters relative to the administration and enforcement of the proposed growth management program. We feel it is entirely possible that the building inspector can simply and effectively handle the numerical administration of this by-law with the system in place. In theory, the computed index would commence with and reflect a twenty-four month numerical total extending back to April 1977. The latter is necessary for purposes of developing current base level of building activity for Sandwich. In addition, the Town Engineer's Office, the Planning Board and the Building Inspector's Office have collectively developed numerical data, dates of subdivision approvals, laws applicable upon date of acceptance of same and other information necessary to determine current subdivision status for the Building Inspector's Office. It should be noted here relative to interpretation and enforcement of the proposed by-law, that the Building Inspector's Office will have assistance from both the Planning Board and the Town Engineer's Office.

To successfully implement the growth management program we feel, in the initial states of this effort, that it is both practical and reasonable to involve the boards and/or agencies most conversant with the various nuances of this by-law.

In conclusion, this "Memorandum of Intent" is not designed to hamper the residents of Sandwich or various town governing agencies from amending the by-law at some future date to reflect growth patterns, as these patterns relate to the town's ability to provide necessary facilities and services to the residents of Sandwich.

Richard W. Leydon, Co-Chairman May 8, 1979

UNANIMOUSLY VOTED — That the Town amend the Sandwich Zoning By-Laws as printed under Article 44 of the 1979 Annual Town Meeting Warrant.

ARTICLE 45 — To see if the Town, acting under provision contained in Section 9 of Massachusetts General Law 258, will vote to indemnify public employees from personal financial loss and expenses, including legal fees and costs, if any, in an amount not to exceed one million dollars arising out of any claim, action, award,

compromise, settlement or judgment by reason of an intentional tort or by reason of any act or omission which constitutes a violation of the civil rights of any person under a federal or state law if such employee or official at the time of such intentional tort or such act or omission was acting within the scope of his official duties or employment. However, no such official or employees shall be indemnified for violation of any such civil rights if he acted in a grossly negligent, willful or malicious manner, or do anything relative thereto.

UNANIMOUSLY VOTED — Article 45 was Unanimously Voted as printed in the 1979 Annual Town Meeting Warrant.

ARTICLE 46 — To see if the Town will vote to authorize the Selectmen to subdivide the Dunbar property and transfer that portion of the land shown on a plan dated April 1979 drawn by William C. Taylor, Town Engineer, as Lot S3-2 on Assessors Map 6, consisting of 23,717 square feet, to the First Church of Christ in Sandwich, or do anything relative thereto.

David Persson moved this Article be Indefinitely Postponed.

UNANIMOUSLY VOTED — Article 46 be INDEFINITELY POSTPONED.

ARTICLE 47 — To see if the Town will vote to raise and appropriate or transfer from available funds \$1,500.00 as Sandwich share of a proposed project to study erosion of beaches and foreshores in conjunction with a Coastal Zone Management Grant Program, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$1,500.00 as Sandwich share of a proposed project to study erosion of beaches and foreshores in conjunction with a Coastal Zone Management Grant Program.

ARTICLE 48 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the principle payment of the Municipal Purpose Loan.

UNANIMOUSLY VOTED — That the Town raise and appropriate \$50,000.00 and transfer and appropriate \$50,000.00 from the Revenue Sharing Fund on deposit in a Special Savings Account for the principle payment of the Municipal Purpose Loan.

ARTICLE 49 — To see if the Town will vote to amend the Town By-laws by adding as Section 8 of Article V, the following:

“To see if the Town will vote to authorize the Selectmen to see that all Town-owned and Town-leased vehicles are lettered “Town of Sandwich” and also lettered with the name of the department to which they belong. Said letters shall be permanent; removable signs are not allowed. The only exception will be certain police vehicles as determined by the police chief,”
or do anything relative thereto. (By Petition)

VOTED — Article 49 was voted by Voice Vote and declared **NOT CARRIED** by the Moderator.

ARTICLE 50 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for materials to set up a playground in a Town owned lot in the Greenville Acres subdivision, or do anything relative thereto.

VOTED — That the Town raise and appropriate \$1,000.00 for materials to set up a playground in a Town owned lot in the Greenville Acres subdivision. This was a **Voice Vote** and declared **CARRIED** by the Moderator.

A motion was made and seconded to reconsider Article 35. This motion was Defeated by Voice Vote.

A motion to reconsider Article 36 was made. This carried 151 yes, 131 no by standing vote.

ARTICLE 36 — To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the celebration of the Fourth of July, or do anything relative thereto.

Mr. Carlo Pola offered the following amendment.

Move the Town vote to raise and appropriate \$8,500.00 for the celebration of the Fourth of July, to include fireworks. That the Moderator appoint a Committee of three citizens to assist in planning the celebration.

This amendment was voted by voice vote and declared **CARRIED** by the Moderator.

VOTED — That the Town raise and appropriate \$8,500.00 for the celebration of the Fourth of July, to include fireworks and that the Moderator appoint a Committee of three citizens to assist in planning the celebration. This was a Voice Vote and declared **CARRIED** by the Moderator.

ARTICLE 51 — To see if the Town will vote to accept \$500.00 for the purpose of providing perpetual care at the Bay View Cemetery for the Blake Norris Family Plot therein, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town accept \$500.00 for the purpose of providing perpetual care at the Bay View Cemetery for the Blake Norris Family Plot therein.

ARTICLE 52 — To see if the Town will vote to amend Article XII Section 2 of the Town By-laws by inserting "twenty" in place of "eighteen" so the law reads:

"It shall be unlawful for any person who has not attained the age of twenty years to consume or to have in his or her possession alcoholic beverages in public places, within the Town of Sandwich. Whoever violates the provisions of this by-law shall be fined in an amount not exceeding (\$20.00) dollars for each offense."

or do anything relative thereto. (Request of the Police Chief)

Mr. Carr moved that the Article be amended to read "It shall be unlawful for any person who has not attained legal drinking age in accordance with Massachusetts General Laws to consume, etc."

This Amendment was UNANIMOUSLY VOTED.

UNANIMOUSLY VOTED — That the Town amend Article XII, Section 2 of the Town By-laws so the law reads: "It shall be unlawful for any person who has not attained legal drinking age in accordance with Massachusetts General Laws to consume or to have in his or her possession alcoholic beverages in public places, within the Town of Sandwich. Whoever violates the provisions of this by-law shall be fined in an amount not exceeding twenty (\$20.00) dollars for each offense."

ARTICLE 53 — To see if the Town will vote to accept as a gift from the Estate of Margaret M. Brennan an annual bequest to be credited to the School Department for approved use by the School Nurse, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town accept as a gift from the estate of Margaret M. Brennan an annual bequest to be credited to the School Department for approved use by the School Nurse.

ARTICLE 54 — To see if the Town will accept the layout of Arthur Court and Blackthorn Path as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

VOTED — That the Town will accept the layout of Arthur Court and Blackthorn Path as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose. This was a Voice Vote and declared **CARRIED** by the Moderator.

ARTICLE 55 — To see if the Town will accept the layout of Bayview Road and Pine Needle Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED — It was Unanimously Voted to Indefinitely Postpone Article 55.

ARTICLE 56 — To see if the Town will accept the layout of Bedford Place as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March, 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town will accept the layout of Bedford Place as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March, 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 57 — To see if the Town will accept the layout of a portion of Deer Hollow Road and Dana Road as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

VOTED — That the Town accept the layout of a portion of Deer Hollow Road and Dana Road as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1979 and filed with the

Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose. This was a **VOICE** vote and declared **CARRIED** by the Moderator.

ARTICLE 58 — To elect the following officers:

One Selectman for a term of three years.

One Assessor for a term of three years.

One Highway Surveyor for a term of three years.

One Tree Warden for a term of three years.

One Moderator for a term of three years.

One Constable for a term of three years.

One Member of the Board of Health for a term of three years.

One Member of the Planning Board for a term of five years.

Three Members of the School Committee for a term of three years.

One Trustee of the Sandwich Public Library for an unexpired term of one year.

Three Trustees of the Sandwich Public Library for a term of three years.

One Trustee of the Weston Memorial Fund for a term of three years.

One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Veteran)

One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Non-Veteran)

One Member of the Upper Cape Regional Vocational-Technical School for a term of three years.

and all other candidates that may appear on the official ballot.

BALLOT QUESTION NO. 1

"Shall the Town vote to accept the provisions of Section 6C of Chapter 40, G. L. which authorizes the Town to appropriate money for the removal of snow and ice from private ways therein open to public use?"

Yes _____ No _____

The meeting adjourned at 10:10 P.M. until 8:00 A.M. Thursday, May 10, 1979 for the election of officers.

Ballot Question No. 1

"Shall the Town vote to accept the provisions of Section 6C of Chapter 40, G. L. which authorizes the Town to appropriate money for the removal of snow and ice from private ways therein open to public use?"

YES	479	628	1107
NO	451	405	856
BLANKS	197	125	322
TOTAL	1127	1158	2285

The total number of registered voters at the close of registration prior to the election was 4658. Precinct 1 — 2489, Precinct 2 — 2636.

There were 70 Absentee Ballots cast in Precinct 1 and 55 Absentee Ballots cast in Precinct 2.

A true record of the 1979 Annual Town Meeting and Election.

Channing E. Hoxie
Town Clerk

SPECIAL TOWN MEETING

TOWN OF SANDWICH

July 30, 1979

The meeting was called to order at 7:40 P.M. by the Moderator, Mr. Gary Nickerson. Mr. Nickerson asked the Town Clerk, Channing E. Hoxie, if a quorum was present. Mr. Hoxie replied that a quorum was present. He then asked Mr. Hoxie if the Warrant had been posted and duly returned. Mr. Hoxie replied that it had. Mr. Nickerson appointed the following tellers: John S. Jillson, Edmund V. Serodio, Peter N. Conathan and John Mendonza. Mr. Nickerson also welcomed visiting Japanese students who are currently staying in Sandwich for the month of August.

It was moved and seconded to dispense with the reading of the entire Warrant.

ARTICLE 1 — To see if the Town will vote to prohibit all vehicular traffic on town-owned land between the Canal jetty and the Old Harbor, further defined as land shown on assessors' map 15 as Lot L8; assessors' map 7 as Lot E1; and assessors' map 22 as Lot A1, or do anything relative thereto. (By Petition)

VOTED — That the Town prohibit all vehicular traffic on town-owned land between the Canal jetty and the Old Harbor, further defined as land shown on Assessors' Map 15 as Lot L8; Assessors' Map 7 as Lot E1; and Assessors' Map 22 as Lot A1. This was a hand vote — 232 Yes, 96 No and declared carried by the Moderator.

ARTICLE 2 — To see if the Town will accept the layout of Bayview Road and Pine Needle Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town accept the layout of Bayview Road and Pine Needle Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 3 — To see if the Town will vote to abandon a section of Old County Road as laid out by William C.

Taylor, Town Engineer, Registered Land Surveyor, and recommended by the Board of Selectmen in accordance with plans thereof, dated July 1979 and filed with the Town Clerk, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town abandon that portion of Old County Road shown on plan of Old County Road Abandonment, dated July 1979, and to authorize the Selectmen to convey the fee and the abandoned portion of County Road to the abutters fronting on said abandoned portion.

ARTICLE 4 — To see if the Town will vote to appropriate from funds paid to the Town by H. W. Moore Associates, Inc. in settlement of a claim by the Town of Sandwich, for the purpose of reconstructing, rehabilitating and improving the play fields and lawns at the Sandwich Jr. - Sr. High School under the supervision of the 1973 Sandwich School Building Committee, and under technical direction of the Town of Sandwich Engineering Department, or do anything relative thereto.

UNANIMOUSLY VOTED — That the Town transfer and appropriate \$24,550.00 from funds paid, or to be paid, to the Town by H. W. Moore Associates, Inc. in settlement of a claim by the Town of Sandwich, for the purpose of reconstructing, rehabilitating and improving the play fields and lawns at the Sandwich Jr. — Sr. High School under the supervision of the 1973 Sandwich School Building Committee, and under technical direction of the Town of Sandwich Engineering Department.

ARTICLE 5 — To see if the Town will vote to raise and appropriate \$12,500.00 for the purpose of preparing a 201 Facility Plan update as required by Massachusetts Division of Water Pollution Control and United States Environmental Protection Agency, and to authorize the Board of Selectmen to enter into agreements with the State and Federal Governments for the purpose of accepting Federal and State Grants or reimbursements, or do anything relative thereto.

Mr. David Wright moved, and it was seconded, to Indefinitely Postpone this Article. This motion was voted by voice vote and declared defeated by the Moderator.

VOTED — That the Town raise and appropriate \$12,500.00 for the purpose of preparing a 201 Facility Plan update as required by Massachusetts Division of Water Pollution Control and United States Environmental Protection Agency, and to authorize the Board of Selectmen to enter into agreements with the State and Federal Governments for the purpose of accepting Federal and State Grants or reimbursements. This vote was a voice vote and declared **CARRIED** by the Moderator.

ARTICLE 6 — To see if the Town will vote to raise and appropriate a sum of money for reconstructing, remodeling, rehabilitating and modernizing the Henry T. Wing School and to determine whether such appropriation shall be raised by taxation, by transfer from available funds, by borrowing or otherwise, or take any other action relative thereto.

Peter Conathan and John Jillson were replaced as tellers for this vote as they were Building Committee Members. Ferdinand Alvezi and Benjamin Neill replaced them.

The following amendment was made and seconded. I wish to amend Article 6 so that plans for the school renovation will include restoration of the four chimneys and the balustrade on the roof, funds for this change to come from the Stabilization Fund. This amendment was voted by hand vote; 88 Yes, 160 No, and declared **NOT CARRIED** by the Moderator as it did not meet the 2/3 requirement.

VOTED — That the Town appropriate the sum of \$960,000.00 for the purpose of reconstructing, remodeling, rehabilitating and modernizing the Henry T. Wing School and that to meet such appropriation, the sum of \$110,000 shall be transferred from the Stabilization Fund and the Treasurer, with the approval of the Selectmen, is hereby authorized to borrow the sum of \$850,000.00 under and pursuant to Chapter 645 of the Acts of 1948, as amended and supplemented, or any other enabling authority and to issue bonds or notes therefor, provided that the amount authorized to be borrowed hereunder shall be reduced by the amount of any matching grant received from the Commonwealth prior to the sale of such bonds or notes.

The vote was by ballot vote; 252 Yes, 18 No. The Moderator declared the Article **CARRIED** as it met the 2/3 requirement.

The meeting was adjourned at 9:55 P.M.

This is a true record of the Special Town Meeting.

Channing E. Hoxie
Town Clerk

Report of the Fourth of July Ad HOC COMMITTEE

For the first time in many years the Town of Sandwich was, for various reasons, without the traditional Fourth of July fireworks display. Instead, a committee was formed to arrange and co-ordinate a celebration to replace the fireworks.

For the committee this was a first time effort and we tried to combine some traditional festivities with some more modern ones. The basic plan was to provide a full day of activities for the families in Sandwich, not simply an hour of entertainment (for thousands of tourists). To this end the following activities were scheduled:

Horribles Parade

Field events — All ages

Softball Game — contingent on volunteers

Band Music — Bobby Gage's Countryaires, Ed Heywood's Band

Three Clowns Entertainment — Boco, Bunco & Twinkie

Shakespeare on Shakespeare — Duncan Inches

Mimsy Puppets

Muster Team demonstration with water games for all ages

International Juggler — Ken Sherbourne

Magic Show — Reed the Magician

Mimsy Puppets II

Illusion and Magic Show — Jerry and Ann Field

Musical Variety Show — Jerry Cole

Odessey Puppets — Don Kirk

Ventriloquist — Mike Taylor

Shakespeare on Shakespeare II — Duncan Inches

Rock Concert — Dry Ice

Band Concert — Plymouth Band

Shawme Pond Boat Parade

The total financial expenditures for the Fourth of July Celebration for 1979 were \$5,255.84 from appropriated funds of \$8,500.00 leaving a balance of \$3,244.16 which was returned to the town Treasury.

The monies were expended in the following categories:

Jerry Fields	975.00
SBK Assoc.	150.00
Jean Marie Hoxie (Prize money - Boat Parade)	30.00
John McManus	50.00

Ed Heyward, Jr.	650.00
Robert Gage	350.00
Reed Edleman	50.00
Slate Co. of CAPE COD	112.00
Various Persons	
(Police)	1,163.22
Bazzinotti Services	35.85
Sugar Shack	24.00
Eldridge Lumber Co.	164.72
Sani-Kan Co.	220.00
John Pacheco	500.00
Mimsy Puppets	75.00
Sandwich Hardware Co.	706.05

Respectfully submitted,

Joseph Vaudo, Chairman
Jean Marie George Hoxie, Secretary
Richard Connor

Report of the INSPECTOR OF BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The estimated values of construction for the year 1979 showed a slight decrease over the previous year.

There were 664 permits issued with an estimated value of \$9,973,215.00. An increase of 112 permits issued due to permits issued for wood stoves.

Commercial permits were up about 60% over 1978 with estimated values of \$1,118,780.00. Permits were issued to Bruce Adair, alteration from house to restaurant at \$10,000.00, Sandwich Police Station, alterations at \$8,750.00, Agway warehouse at \$12,000.00, Sandwich Associates, Pancake Man restaurant at \$30,000.00, Thornton Burgess, alteration, repair at \$16,580.00, Alves Photo Service, Photo Kiosk at \$8,000.00, New Haven Railroad, demolish at \$2,000.00, Henry T. Wing alteration at \$835,000.00, Gallo Family restaurant at \$122,000.00, Commonwealth of Massachusetts, bins at Disposal Area at \$1,950.00, Diros Realty, Channel Marker, alterations

at \$30,000.00, Shady Nook Motel, alterations plus new motel at \$26,500.00, Edward Coomey, two cottages at \$16,000.00, Andrew Degraw, shower building at \$10,000.00 and a foundation permit issued to C. & W. Realty for the John Hancock Insurance building on Rte. 6A for \$120,000.00, (not included in the total value.)

There were 54 less dwelling permits issued in 1979 than in 1978.

The fees collected and paid to the Town Treasurer amounted to \$13,074.25.

Permits were issued as follows:

- 212 Dwellings
 - 85 Additions
 - 52 Alterations
 - 20 Garages
 - 1 Motel
 - 2 Tourist Cottages
- 190 Wood Stoves
 - 2 Solar
 - 40 Signs
 - 32 Certificate of Inspections
 - 28 Miscellaneous permits
- 181 Occupancy Permits (not included in total of 664)

Once again I would like to take this opportunity to thank everyone in the Town Hall and the Town Hall Annex for their cooperation and to Debbie Fournier our Secretary, Assistant Building Inspector, Roland De-Conto and Lester Geary for their much valued assistance.

Respectfully submitted,

SVEN E. HANSON
Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1979.

There were 229 permits issued in 1979 for the installation of gas services and appliances, an increase of 60 permits.

During 1979 there was a considerable increase in the number of gas permits. All indications and reports are that there is an ample supply of gas available both at present and for the future, as a source of energy. I have found that many people are reacting to this in new installations, replacements and conversions.

Installers have been most cooperative and responsible in their work.

I would like to thank the Selectmen, the citizens of the Town, and in particular Mr. Herbert A. Hamlen, Debbie Fournier, and Chief Alvezi for their assistance and cooperation.

Respectfully submitted,
Walter T. Fagnant
Gas Inspector

Report of the PLANNING BOARD

The year of 1979 saw the Planning Board present at the Annual Town Meeting a comprehensive by-law allowing us to assure reasonable controls on growth in the Town of Sandwich. This was passed unanimously and has been implemented for several subdivisions.

As of March the Planning Board in conjunction with the Board of Appeals established an office open on a daily basis for the convenience of townspeople and town officials.

At the end of the year the Planning Board assumed the responsibilities and designated tasks from the Growth Policy Committee and will soon be able to present a master plan.

The Planning Board at this time would like to extend its deep appreciation to the Engineering Department, Board of Selectmen, our secretary and all others who assisted the Planning Board in their work this year.

Respectfully submitted,

Carol M. White
Chairman

Report of the BOARD OF APPEALS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

A total of sixty-four applications for Board of Appeals public hearings were advertised in 1979. Sixty-one of these were heard as three were withdrawn before the hearing. The breakdown is as follows:

Special Permits, forty-three granted, one denied, three withdrawn and four turned down without prejudice. Variances: six granted and five denied. One appeal denied, one authorization to transfer a Special Permit to a new owner before construction began and one comprehensive permit under Chapter 774 was granted.

No decision was appealed, therefore no court action.

The Board experienced its first hearing under Chapter 774 and granted a comprehensive permit for the construction of low and moderate income housing for the elderly.

Two most capable regular members have resigned, Mr. Roland DeConto, long time member for about thirteen years has taken the Assistant Building Inspector position, and Mr. John Harvey, a member for some eight years resigned for personal reasons. Both served the Board faithfully and well.

We wish to thank our secretaries, Judy Hendy our recording secretary at the hearings, Debbie Fournier for her work early in the year and Amanda Blaisdell our present office secretary.

Respectfully submitted,

Albert Roberti, Chairman
Edward W. Osgood, Jr. Vice-Chairman
Edward Condon, Clerk
Peter J. Closson
Arthur F. Kingsbury III
Walter Stahura, Alternate
Kevin Kirrane, Alternate
Virginia Lewis, Alternate
Lucien Colucci, Alternate

January 25, 1980

Report of the WIRE INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the calendar year 1979, permits were issued for 271 new buildings and 153 additions or alterations to existing structures. These figures show a decrease in new construction by 72 and an increase in additions and alterations by 37 over 1978.

Permit fees collected and paid to the Town Treasurer amounted to \$1,150.

It was necessary to travel 5,100 miles to complete inspections.

I wish to thank everyone at the Town Hall and Town Hall Annex for their cooperation and especially Debbie Fournier for her efficiency and cooperation.

Respectfully submitted,

Victor M. Devine
Inspector of Wires

Report of the PLUMBING INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The year 1979 brought a slight reversal in the issuance of plumbing and septic permits. 367 plumbing permits and 253 septic permits were issued. 659 inspections of plumbing installations were made. 57 of these required corrections to be made. 305 inspections of Disposal Works were made, 5 of which required corrections to be made.

397 percolation tests were witnessed during the year.

A total of 7,416 miles was traveled during these inspections.

As always, we wish to thank everyone that has worked with us during the past year, especially our secretary Debbie Fournier.

Respectfully submitted,

Herbert A. Hamlen
Plumbing Inspector

Walter T. Fagnant
Asst. Plumbing Inspector

Report of the FOREST WARDEN

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Forest Warden for 1979.

Below is a breakdown of department activities for 1979:

Woods, Brush and Grass Fires	40
(Approximate acreage burned - 21 acres)	
Dump Fires	1
Wood Smoke Investigation	21
Cook Permits Issued	215
Brush Permits Issued	619
Burning Without Permit Violations	21

Although the number of woods and brush fires increased this year over last, there were no major fires in Sandwich in 1979. The acreage burned was approximately the same as last year.

Again this year we are continuing our policy of brushing woods roads. This makes accessibility to certain areas of the town much easier on the equipment responding to fires.

Open burning was allowed again in 1979. For a period of two months, 1-15-79 through 3-15-79, a total of 619 permits were issued for open burning. Remember that burning is allowed only during the time period set by the Department of Environmental Health, and a permit must first be obtained from the Fire Department before

any burning is done because there are restrictions to the burning law. The number to call is 888-0525.

At this time I would like to take the opportunity to thank all Town Departments, Fire Department personnel and neighboring Departments who assisted the Forest Warden during 1979.

Respectfully submitted,

Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN AND INSECT PEST CONTROL SUPERINTENDENT

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This is my twenty-eighth Report as Tree Warden of the Town of Sandwich. Forty-five trees were planted in various parts of town. Trees planted under this program consist of Moraine and Shade Master Locust, Little Leaf Linden, October Glory Maples, London Plane, Red Oak, Pin Oak, Katsura, Cork. We plant flowering trees under wires because of the shorter growth habit — Bradford Pear, Higan and Kwasan Cherry.

Proper selection of tree species is important to pest management. We learned from Dutch Elm Disease that large numbers of a single species of tree can result in a massive problem. Since trees have a long life and are costly to remove, mixed species make economic sense. There is also not the risk of losing a whole street of trees, such as Jarves and Old Main.

I would like to repeat that it is difficult to plant trees on many roadsides due to hardtop taking over the grass strips. Under Chapter 87, Public Shade Trees, towns may appropriate money to be expended by the Tree Warden to plant trees upon adjoining land, at a distance not exceeding twenty feet from a public way. We have done this in some cases, with property owners' permission.

Of course, people want trees in front of their homes — for their beauty, shade, ability to absorb pollutants and sound, and just generally provide a more comfortable environment. And, house lots with trees simply bring much greater prices than those without trees. Anyone who lives on a town way is eligible under this Chapter 87 provision.

We also maintain the street trees to enhance their shade-giving and attractive properties. Where clearance is necessary for traffic, limbs are removed to the necessary height. Excessive pruning will only destroy the value of the trees. Under Massachusetts General Law, Chapter 87, "Public shade trees shall not be cut, trimmed or removed, in whole or in part, by any person other than the tree warden or his deputy . . ."

We will continue injecting elms with lignasan for the treatment of Dutch Elm disease. This will be our fifth year of injecting and it seems to be working, but it still must be considered an experimental program. It seems to be most effective as a protective treatment for uninfected elms. We also continue the state-recommended spray program using the approved material, methoxychlor.

Our gypsy moth scouting program indicates a serious build-up, with infestations in the same area — south of the Mid-Cape and east of Quaker Meeting House Road in the area of Round Hill golf course. This pest has certain natural enemies which have tended to keep it under control here in recent years. The pest's cycle is that eventually its parasites (different species of wasps and flies) can't keep up with the increasing population and a flare-up occurs. The Cape last experienced one several years ago; then, as is typical, the caterpillars become so stressed for food that, weakened, they succumb to a virus disease. The disease reduces their numbers so that a troublesome build-up is not seen for a number of years.

The gypsy moth has one generation a year, with the eggs hatching in early May about the time the shad-bush blooms. The caterpillars feed until early July when they transform into pupae. When the moths emerge the males are strong fliers, but the females will lay their eggs near the place of pupation, where the eggs will remain over the winter. Because this pest is difficult and expensive to control, it is sprayed only in areas where it is troublesome. This is done during the feeding stage, when the caterpillars are small.

Respectfully submitted,

William J. Ellis
Tree Warden and Insect Pest Control Superintendent

Report of the CONSERVATION COMMISSION

To the Honorable Board of Selectmen
Sandwich, Massachusetts

In its third year of public use, the Wakeby Holly Sanctuary and Recreation Areas use was up slightly. The boat house was in full use with the purchase of several canoe and sail boats. Upper Cape Vocational School completed two rooms in the rear of the building; one is used for storage and the other is used as a First Aid room. We would like to thank the Sandwich Recreation Committee for managing the Wakeby Area during the summer months.

In 1979, the Commission was awarded a CETA grant consisting of ten men and equipment for six months. This was to develop trails for hiking, bridle and nature walks, also extensive beach and dune restoration. At the end of the six months we requested an extension and received twelve additional months. With this extension, we are creating several wildlife feeding areas in the Maple swamp area south of the Service Rd.

The Wetland Act, Chapter 131, Section 40 continues to consume much of the Commission's time. We continue to have two meetings a month, the second and fourth Wednesday of each month. The Commission made 79 determinations, 49 public hearings, and 5 denials. One appealed to the Mass. Department of Environmental Quality Engineering which is pending at this time.

One parcel of land, 20+ acres, was purchased and two parcels totaling 45+ acres were presented to the Commission as a gift. The Town now has approximately 1300 acres under the control of the Conservation Commission.

The Conservation Commission has had a few changes in membership this year with the resignations of Peter Meinl and Arthur Kingsbury III. The new members appointed are Ted Dingley and Ronald Nurse.

We wish to express our appreciation for the cooperation and assistance of the Board of Selectmen, Town Engineer, Recreation Committee and the Town Hall staff.

Finally, we wish to give a special thanks to the new Highway Surveyor. With Mr. Crocker's assistance we

have saved money for the taxpayers and made our job much easier.

Respectfully submitted,

Ted Dingley
Ronald Nurse
W. Stephen Collings
Eugene Morrow
Alden Lawson
Richard O'Brien
Frank Colombo

Report of the DOG AND CONSERVATION OFFICER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Herewith submitted is the annual report for the activities of the Town of Sandwich Dog Officer:

Calls for Dog Officer	493
Calls Relayed by Police Department	1612
Dogs Impounded	196
Dogs turned over to SPCA	19
Dogs given to SPCA by owners	7
Complaints	578
Calls for Lost dogs	143
Calls re Cats	43
Dogs hit by M.V.	15
Cats given to SPCA	1
Calls re Roosters	3
Calls re Horses	3
Calls re rabbits killed by dogs	3
Calls re chickens killed by dogs	8
Calls re livestock	4
Calls re pigs	1
Total Calls recorded at kennel	1336
Warnings to license dogs sent	955
Letters sent	45
Citations issued	19

Hearings issued for Failure to Restrain dog . . .	12
Hearings issued for Failure to License dogs . . .	68

As of December 31, 1979, there were 1504 licensed dogs, an annual increase of 95. A new law, effective as of November 9, 1979, requires that all dogs six months or older must have a rabies certificate before a license can be issued. All dogs three months to six months are exempt. It would be an advantage for dog owners to use the rabies clinic in April and license their dogs at the same time. Also, all female dogs must have a certificate of spay before a spayed female license can be issued. Otherwise, a female license is required.

A Rabies Clinic was held in April, 1979, with over 250 dogs being innoculated. This year we hope to see an increase due to the new licensing law. 1980 licenses will be available at the April Clinic.

Fees collected for 1979 for Pick Up and Care and Custody amounted to \$1,910.

At the Town Meeting in May, 1979, a citation law was adopted which allows the owners of unrestrained dogs to be issued a citation rather than impounding the dog. The citation fees are as follows:

1st Offense	\$10.00
2nd Offense	\$15.00
3rd Offense	\$25.00

Monies paid through citations for 1979 amounted to \$195.

Also, herewith is the 1979 report of the Fish and Game Conservation Officer:

Calls for Conservation Officer	116
Cease and Desist Orders Delivered	7
Hunting Complaints	8
Calls re pigeons	3
Calls re ducks	10
Calls re Woodchuck	7
Calls re squirrel	1
Calls re turtles	3
Calls re raccoon	2
Calls re snakes	1
Calls re rabbits	1
Calls re skunk	14
Calls re opossum	1
Calls re seagulls	1
Calls re Canadian Goose	1
Calls re birds	2
Calls re bats	1

In the performance of my duties as Dog and Conservation Officer I have logged over 20,000 miles in the year 1979.

I would like to thank the following for their assistance:

The Honorable Board of Selectmen
The Fire and Police Department Personnel
The Conservation Commission
The MSPCA

Respectfully submitted,

Francis G. Silva
Dog and Conservation Officer

Report of the Inspector of ANIMALS

To the Honorable Board of Selectmen
and Citizens of The Town of Sandwich

During this past year, 25 dog bites were reported to me. All these dogs were proven free of Rabies.

I also inspected 94 animals and 40 animal shelters. There is no indication of infections or contagious disease. Most horses and ponies have been Coggins Tested and vaccinated against Infectious Anemia and Eastern-Western Encephalitis.

Listed below is the census I took for the State Department of Agriculture.

Census:

43	Horses
13	Ponies
10	Beef Cattle
18	Goats
5	Sheep
5	Swine

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the PARK DEPARTMENT

To the Honorable Board of Selectmen:

The taking over of the flower beds and pruning of shrubs and plantings by the Park Department has resulted in some substantial savings for the Town this year. Under the guidance of Nils Soderberg, the flower arrangements at the Town Hall Square were unsurpassed in their beauty and color.

The new Town Cemetery has started to shape up quite well, except for an invasion of chinch bugs which were quickly dispatched. This spring we are planning to plant a variety of shrubs throughout the wooded areas surrounding the Cemetery.

The beaches and boathouses this summer held up well under the onslaught of people using them. One of the biggest problems on the beaches faced by the Park Department is the careless breaking of bottles on the beach, and in the parking area. This results in quite a number of cut feet, which could very easily be avoided if people would only use the barrels.

We also have quite a problem with people who would rather use a Park Department barrel for household refuse, instead of bringing it to the Town Disposal Area. This results in much extra work for the boys who have to empty these barrels.

I would like to thank the Selectmen for their advice and assistance during the year, and all the men who worked during the summer for doing a fine job.

Respectfully submitted,

Raymond L. Thayer, Foreman
Park Department

Report of the RECREATION COMMITTEE

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Many recreational activities were held throughout the year for both youngsters and adults, some programs for the first time.

The Indoor Soccer Program attracted many teenagers at the High School Gymnasium for ten weeks. A group of All-Stars from this program participated in the Boston University Indoor Soccer Tournament in January, and in March in the Franklin Invitational Indoor Soccer Tournament.

Ski trips to Pats Peak in Henniker, New Hampshire were held for Junior and Senior High School students. The Figure Skating Clinic continued to be very popular with many youngsters participating in the program.

The Sandwich Youth Basketball Program was once again sponsored by the Recreation Committee. This program has increased from seventy, to one hundred participants. This program was open to all 5th and 6th grade boys and girls and ran for eight weeks.

The Men's Basketball Program was again held at the Henry T. Wing School gymnasium.

During the spring months the Recreation Committee sponsored the Spring Tennis Program. Both children and adults participated in this six-week program on Saturday mornings at the Sandwich High School tennis courts. The instructor for the program was Kevin Merritt.

Beginning in March the Recreation Committee and the Community School co-sponsored a gymnastic program for youngsters in grades 1-8. This fine program was held on Saturday mornings at the High School gymnasium.

The Fourth of July parade and field events at the Henry T. Wing School marked the beginning of our many summer programs.

The Arts and Crafts program was directed by Miss Sunnee Gallup, assisted by Susan Lupone and John Walling. All children ages six to eight reported every

Wednesday-Friday mornings from 9-12, and youngsters ages nine-twelve met on Monday - Tuesday mornings at the old cafetorium of the Henry T. Wing School.

Children ages nine - twelve participated in the playground program. Activities for both boys and girls were held from 9 A.M. to 12. The program was under the direction of Tim Birch and Joseph Mahoney.

A bowling program for the youngsters was held again at the Cape Bowl facilities in Hyannis. Bus transportation was provided each Thursday morning.

Tennis lessons were given on Monday-Friday mornings at the Sandwich High School courts from 9 A.M. to noon. Many children and adults participated in this program. Lessons for beginners, intermediate, and advanced players were given by Kevin Merritt, Rama Roell, and Anna Roell.

The Youth Soccer Program was once again held at the Henry T. Wing School for youngsters in grades 9-12. The program was under the direction of Ted Tedeschi. The program ran for seven weeks. A Field Hockey Program for girls was also held at the elementary school field. Many thanks to Eleanor Gaffney for organizing this program and giving much of her time to work with the girls.

The swimming program was again divided into two three-week sessions. The instructors for the program were Jan Semonian, Cindy Ambroseno, and Sharon Semonian assisted by Virginia Gaffney and Buzzy Ambroseno.

A new program in sailing and canoeing was offered this year at Wakeby Lake for Sandwich residents. This boating program was under the direction of Jan Repoza. Lessons in sailing and canoeing were held in the morning and in the afternoon. Many thanks to Jan Repoza for an outstanding job and for the extra time and effort. The program was very successful and enjoyable for all the participants.

Men's and Women's tennis leagues were once again held at the High School courts, and the Sixth Annual Recreation Tennis Tournament was held for both the adults and junior divisions. Tennis attendants were on duty at the courts and people using the courts had to display a tennis permit which could be obtained at Sandwich Town Hall at no charge to residents of Sandwich.

A new Men's Softball Program started in July and continued throughout the summer. Four teams competed on Thursday evenings at the Sandwich High School softball field. This program proved to be very popular and interest in this recreational activity will surely increase, for both men and women of all ages.

I would like to take this opportunity to thank all the people in Sandwich who gave their time, effort, and support to the different committees and programs sponsored by the Sandwich Recreation Commission. I would also at this time wish to thank my entire summer staff for an outstanding job.

The Youth Soccer Program for boys and girls in grades 3-6 was held again at the elementary school fields on Saturdays for seven weeks. Approximately 150 young soccer players participated this year. Teams made up of 3-4 grade boys and girls participated on Saturday mornings, and the 5-6 boys and girls program was run on Saturday afternoons. This program was under the direction of Ted Tedeschi, assisted by Robert Messier. A travel team representing the 3-4 grade group and the 5-6 grade participated on Sundays in the newly formed Youth Soccer Upper Cape League including teams from Falmouth, Otis, Mashpee, and Sandwich.

The Recreation Committee would like to take this opportunity to thank the Selectmen, the Finance Committee, and the citizens of Sandwich for their continuing support.

Respectfully submitted,

Silvio Tedeschi, Recreation Director

Paul Feeley, Chairman

William Dwyer, Treasurer

Shirley Canning

William C. Taylor II

Report of the SHELLFISH WARDEN

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the summer of 1979, medium and large quahogs along with mixed oysters were planted in the Old Harbor Area.

Open shellfishing days were the same as in previous years, open on Sundays only during the months of November, December, March and April. It will close for the months of January and February. The only change will be the taking of mussels on Wednesday and Sunday during the four open months. Limit one (1) bushel per day of mussels.

During 1979 a planting program of soft-shell clams was planned, but due to the lack of availability of seed clams, this program was not carried out. If seed stock is available this year the program will be carried out this summer. Some natural seeding of soft-shell clams has taken place in the Old Harbor area as a result of past stocking.

The Spooky Hole Area will remain closed for propagation purposes.

Thanks again to Deputy Wardens Richard Currier and John Winslow for their able assistance. I would like to say that these two men use their own vehicles and John Winslow uses his boat and motor to plant shellfish, and neither of these men will accept reimbursement for the use of their equipment.

Respectfully submitted,

Eugene H. Morrow
Shellfish Warden

Report of the TOWN ENGINEER

The Honorable Board of Selectmen
Sandwich, Massachusetts

During the past year the Engineering Department has been working on the following projects:

COASTAL ZONE MANAGEMENT GRANT:

A joint Grant Application of Barnstable and Sandwich for study, "Sand Inventory and Associated Studies of Beaches and Dunes, Scusset Beach to Sandy Neck".

The Engineering Department prepared the Grant Application which was approved for the sum of \$13,500.

The purpose of this Grant awarded in conjunction with the Town of Barnstable is to study erosion and accretion problems on the beaches from Scusset Beach to Barnstable Harbor. The Provincetown Center for Coastal Studies was hired as consultants for the project and numerous control points are being set along the shoreline by this department to constantly monitor the ever changing conditions.

Aerial photography of the area has been taken to provide a set of controlled scale photographs to be used as a base for the study and for future reference. A heat sensitive infra red photo flight was also done during this flight. These photos were studied by the U.S. Geological Survey to evaluate the fresh water, salt water interface.

Upon completion of the initial study, information will be made available to the towns, so that we can better understand these dynamic shoreline processes and develop good management procedures to preserve and restore these areas.

SUBDIVISION REGULATION REVISIONS:

The department has, at the request of the Planning Board, revised the Subdivision Rules and Regulations incorporating and updating design and construction standards and providing for a more formulated filing procedure.

JUNIOR SENIOR HIGH SCHOOL DRAINAGE PROJECT:

Article 4 of the July 30, 1979 Town Meeting gave the department the responsibility to provide technical assistance for the corrective measures to be taken for the drainage problem on the Junior-Senior High School athletic fields. A drainage system was designed, laid

out and constructed with the cooperation of the Highway Department, at a considerable savings to the Town.

UTILITY LOCATIONS:

The Engineering Department is currently compiling a set of maps showing all buried general utility locations in the town. These maps will be of considerable value to town agencies and utility companies.

SEWER STUDY:

We are currently working for the Board of Selectmen in the coordination of functions required in updating the Sewer Facilities Plan and grant application, as well as the Environmental Protection Agency, Environmental Impact Study.

NORMAL FUNCTIONS:

Throughout the year the department continued its regular duties as follows:

1. Inspecting construction in subdivisions for compliance with Subdivision Regulations.
2. Inspecting lots for release of bonds for new home construction.
3. Preparation of cost estimates, plans and bid data for various town projects.
4. Preparation of Compliance Reports and recommendations on applications before the Planning Board, Board of Appeals and Conservation Commission.
5. Revising and updating Town Maps, Assessors' Maps, street listing and land use data.
6. Preparation of street layouts for Town Meeting acceptance.
7. Providing engineering assistance for various town departments.

Once again we wish to thank all the citizens of Sandwich for their assistance and support. We would especially wish to thank the town boards and officials who have given us so much assistance.

Respectfully submitted,

William C. Taylor, R.L.S., P.E.
Town Engineer

Report of the HIGHWAY SURVEYOR

To the Honorable Board of Selectmen
and the Citizens of Sandwich

I submit my report for fiscal year 1979 - 1980.

This being my first year as your Highway Surveyor I would like to report that it has been a challenging yet rewarding year. With help from the people in my own department and other departments as well the transition was made somewhat easy for me.

The following works were completed during this period.

General maintenance of the roads which included patching, paving and the conditioning of approximately 100,000 sq. yds. of road with oil and sand cover.

The resurfacing of various roads in Lakewood Hills was a major project for this department; also there was extensive drainage construction completed in this area.

Together with the cooperation of the Engineering Department and the employees of the school Maintenance Department a serious drainage problem at the High School was alleviated in October 1979.

No department can function properly without decent working equipment. With money from our general appropriations the following pieces of equipment were purchased by your Highway Department.

1. Bobcat with a bucket. This unit can be used for plowing sidewalks and also for small excavation jobs.
2. Massey-Ferguson Tractor with the following attachments: brush cutter, york rake and a scraping blade. This is a very useful piece of equipment; however at some point in time the Town should consider purchasing a mower.
3. Kellogg American compressor with attachments. This unit is utilized in the Town garage.
4. Heavy Duty Air Compressor with a pavement breaker and other attachments. This piece of equipment is used for rebuilding catch basins,

breaking through pavement and sandblasting certain pieces of equipment in preparation for repainting.

With monies which had been appropriated several years past; a portion of Shawme Rd. was constructed with Type I mix, catch basins and guard rails.

The reconstruction of an area of road on Faunce Mountain was necessary to take care of a drainage situation that has been a concern for quite some time. Approximately 70 ft. of pipe was installed and so far it seems to have solved the water problem in the area.

Drainage is a part of maintenance under ordinary conditions. However, this is fast becoming a major project. There is still extensive drainage problems in the town that need attention.

The cooperation and interest of the citizens, selectmen and other town departments in the past year have been fully appreciated by this department.

Respectfully submitted,

James L. Crocker
Highway Surveyor

Report of the SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen
Sandwich, Massachusetts:

During 1979, some thirty-five places of business were visited, and the measuring devices used in serving the public were tested and sealed. Some scales and meters required adjustments to meet measurement standards. When the price of gasoline went above \$1.00 per gallon, the price at the pumps had to be set on a half-gallon basis in order to continue to use the installed meters. It is expected that the Commonwealth will require new meters before too long.

A good start was made during 1979 in updating the present equipment used to measure various devices. New equipment will be obtained over the next few years to replace old and in some cases obsolete equipment.

Sealing and measuring fees collected during the year and paid to the Town Treasurer amounted to \$489.

Many thanks are extended to the personnel at the Town Hall for their help and cooperation during the year.

Respectfully submitted,

Francis W. Dinan
Sealer of Weights and Measures

Report of the VETERANS' AGENT

Herewith is the 1979 Annual Report of the District Department of Veterans' Services:

The year of 1979 was a year of many changes within our Department. Long time employees of our Department, Josephine Angell and Olive Ritter, both retired during the year. Their positions have been most ably filled by Peggy Wood and Lois Cross who have stepped in and done a remarkable job making my job easier. I thank them both. A second change occurred when the Town of Barnstable moved into their new quarters. Our office moved out of the "dungeon" and into a first floor location making it easier to get to for everyone especially the handicapped.

Under chapter 115 and 483 of the Massachusetts General Laws, we have continued to aid, assist and advise Veterans and their dependents of their benefits.

This Department, again, exceeded 5,000 personal visits and an equal number of incoming telephone calls.

During 1979 this Department took a total of 548 cases which were broken down as follows:

Town of Barnstable	275
Town of Yarmouth	109

Town of Dennis	97
Town of Mashpee	40
Town of Sandwich	27

These cases are for financial assistance only and the total does not reflect the number of people advised for Federal benefits or aided in applying for the Fuel Assistance Program.

We are continually trying to stay abreast of all Federal, State and Local programs so we can better serve our veterans.

Report of our Investigator, George C. Christopulos:

Job responsibilities as Investigator of the Department of Veterans' Services include the taking of applications for Veterans Assistance Eligibility to a follow-up for any changes in the status of the veterans and their dependents.

Keeping abreast of the Federal, State and Local laws is essential in order that the veterans are made aware of the changes pertaining to or which may affect their benefits; as well as the need of making referrals to the associated agencies of the Veterans Administration, Social Security Department, Department of Public Welfare and the Division of Employment Security.

In the past year, our office participated in the State/Federal Emergency Fuel Program Grants by assisting the veterans and their families in establishing eligibility for the much needed aid during the current high cost of energy time.

Welcome to Lois Cross and Peggy Wood, our two newly appointed staff members to the Department of Veterans' Services. I wish to extend my appreciation for the support they rendered this past year.

George C. Christopulos
Investigator

I like to take this opportunity to thank my Investigator, Secretaries and all the Departments for their cooperation and help without which I would not be able to do my work.

Sidney L. Chase
Director and Agent

Report of the VETERANS' GRAVES OFFICER

To the Honorable Board of Selectmen:
Town of Sandwich
Sandwich, Massachusetts

Memorial Day, as in past years, finds all known Veterans gravesites with fresh new flags put there by different groups of volunteers, either Legionnaires, Boy Scouts, interested citizens or myself.

Usually in April, I make a survey of the many Cemeteries in Town and take note of the replacements that have to be made and the work is done prior to Memorial Day.

November 11th the Town Memorials — Town Hall Square (Civil War Veterans), Mill Creek (All Veterans Lost at Sea), Library Lawn (Memorial to the three men who lost their lives WW II) and the Clark-Haddad Memorial our WW I Veterans, were all reflagged.

If I should miss a person's resting place, please let me know and it will be taken care of.

Respectfully submitted,

Elizabeth L. Currier

Report of the AUDIT OF THE TOWN OF SANDWICH

The Town of Sandwich, pursuant to vote of Town Meeting, caused an audit to be made for fiscal year ending June 30, 1979. This audit was accomplished by the firm of Laventhol and Horwath.

After extensive review of our accounts, procedures and compliance with financial guidelines required by the Department of Revenue, Commonwealth of Massachusetts, the firm found the Town to be basically in compliance. Small problems were noted in the advertising procedures for Revenue Sharing funds. These procedures will be corrected.

Copies of the report can be reviewed at the Selectmen's Office at Town Hall.

Report of the Sandwich ARCHIVES AND HISTORICAL CENTER COMMITTEE

ANNUAL REPORT 1979

The chief goal of the Archives Committee and of its staff is to continue work toward the production of an updated town history and companion book of vital records. This project was approved at the Town Meeting in May 1979, and remains on schedule with publication expected in 1982 and 1983. The Archivist/Historian, Mr. Lovell, has been working as a full time employee since July 1, 1979, and Mrs. Jane Morrow Mercier is working four hours a day. The office of the project is on the second floor of the Town Hall Annex 145 Main Street and visitors are always welcome.

The buildup of new basic records continues through analysis of such varied sources as early newspapers, marine records, almshouse records, Federal Census and Quaker records. Details of real estate and personal property ownership are available from 1824 on and these are being studied for growth of new industries and the shift to a money economy during the 19th Century.

Several important new bits of Sandwich history have been discovered and brought to the Archives during the year. These include:

1. Record book of James Mills 1699/1704, a trader between Sandwich, Boston & Maine showing what the town exported and imported in that early period.
2. Diary of Georgianna V. H. Freeman of Ploughed Neck Road for 1888, giving a vivid cross-section of life in Sandwich in that important year.
3. Discovery of a book of records of ship registrations in this County in the 19th Century with much Sandwich information.
4. Letters of 1840's and Civil War period from the Haines Family.
5. Documents relating to the Proprietors' Corporation that controlled allocation of land to settlers and that kept some lands in common and undivided use up to modern times, such as Town Neck in Sandwich.

6. Record book of the Sandwich Agricultural Association that put on a fair at the Casino for almost 30 years.

More of this sort of material is needed. Persons with early photographs, correspondence, family genealogy or other historical materials are urged to come in to get an appraisal of what they have and to help the Archives staff to study all possible local historical items.

During the summer the Archives aided a research scholar, Mr. David Barnet to study the history of the Boston and Sandwich Glass Company and to prepare detailed maps of the property of this company at key periods for comparison with the present site now in residential area use. Mr. Barnet's report and maps are available to the public and help fill in a fascinating chapter in Sandwich's industrial history.

1. Channing E. Hoxie, Co-Chairman (Town Clerk) continuing member
2. Mrs. Barbara L. Gill, Co-Chairman (Sandwich Historical Commission) FY 1978-81
3. Mr. Francis X. Martin (Sandwich Historical Society) FY 1978-80
4. Miss Isabel B. Pifer (Library) FY 1979-82
5. Mr. Lombard C. Jones (Town-At-Large) FY 1980-83

Report of the Sandwich HISTORICAL COMMISSION

Report for the calendar year 1979

The Commission was formed in 1971 when the Town voted to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8D. The duty of the Commission is to research, prepare, and maintain an inventory of historic assets in the town as directed by the Massachusetts Historical Commission under these headings:

1. Buildings (houses, barns, schools, factories, etc. generally those over 100 years old.)
2. Structures (walls, herring runs, bridges, wharves, boardwalks, etc.)
3. Monuments (structures or plaques in honor of war service, families or historical events.)
4. Burial Markers (cemeteries, tombs, noted persons buried, all stones earlier than 1830.)
5. Sites (location of Indian sites and historic spots such as Christopher's Hollow and old Briar Patch.)

The inventory is important to the town as the basis of historic tours, school programs, historic maps and preservation of our town heritage. The inventory is also the basis for official identification of Sandwich historic assets in State and Federal programs such as National Register listings, historic districts, and historic preservation programs and grants. The East Sandwich and Spring Hill inventory was completed in 1972 and considerable sections of Sandwich were submitted in 1974 and 1976. Work on the balance of the town including Forestdale and South Sandwich is now nearing completion. The files of the Commission on each house and other assets are public documents, and residents are urged to come in to the Town Hall Annex (top floor) to see what is known of the age and history of hundreds of houses and other historic assets in Sandwich, including their own house.

The Commission meets on the fourth Thursday of each month but works daily with the Archives staff in basic research in town history. It shares the use of the Archives library of genealogies, town histories, maps, documents and family files. The Commission is entirely distinct from the Old King's Highway Historic District Committee which is empowered to review additions or changes to buildings in the area north of the Mid-Cape Highway.

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen
and the Citizens of The Town of Sandwich

During the months of June and July, the admissions were down, but, August was the busiest ever in the past 20 years that I have been here. One Sunday in five hours, 345 paying guests and 125 children (under 12 with no fee) enjoyed the lectured tours that continued throughout the day. Several days later, a large group of Japanese exchange students and a team of Australian field hockey players were delighted and grateful to visit The Old Hoxie House.

Great numbers of photographers were evident throughout the summer. A closed TV program was taped by Mr. Robert James for the Sandwich School System. I narrated the tour in Colonial costume. New post cards were made and shall be on sale here next season.

The furniture and furnishings are in good condition. They are oiled and cared for regularly. Floor boards are showing signs of heavy wear.

The herb garden did not grow as well as in the past. Blame the weather, because it was well tended. However, I did pick some cuttings for greens and to dry for next season. The beautiful old-fashioned flower garden planted by Mr. Nils Soderberg certainly was deeply appreciated and enjoyed by all.

My assistants: Mrs. Walter Hilliard, Mrs. Alfred Hoey, Ms. Jane Cournoyer, join me in thanking all for any aid given us this past season. A special thanks to The Park Department for always being ready and willing to help beyond their call of duty. We are also grateful to Mr. Richard Wallace of Sandwich for the interesting Seventeenth Century Joint Stool loaned here for exhibit.

Do remember taxpayers and local residents, The Old Hoxie House is your house to visit.

See you next summer?

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the
DEXTER GRIST MILL

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The 1979 season was very good even if gasoline was hard to find. The Mill opened on June 6th with a very good attendance and remained so throughout the season.

We had special groups from off the Cape, and the school children from the town, guests from every state in the Union, and many others including visitors from foreign countries.

As they came in you could hear remarks about how beautiful the setting of the shrubs and flowers around the Mill and lake were, and how well the place was kept. The ducks, geese, and swans continue to be a big attraction.

They were very interested in the Mill and asked many questions about the working ways of the Mill and the town.

Thirteen and one half tons of corn ground into meal and 10,981 two pound bags sold. The Mill closed September 18, 1979 for the season.

The town property owners are always welcome as a guest of the town. Stop by and pick up one or two bags of stone ground corn meal and try these delicious recipes: Corn Bread, Corn Muffins, Indian Pudding, Spoon Bread, Pancakes, and many others. They are great. We have recipes for all.

Respectfully submitted,

Blake S. Norris

Report of the Annual Sandwich
Historic District Meeting
**OLD KING'S
HIGHWAY**
Regional Historic District

The Annual Election for a member of the Historic District Committee in Sandwich was held November 26, 1979 at 7:39 P.M. in the Henry T. Wing School.

The meeting was called to order by Mr. David Persson.

The first business was the election of a Moderator for the ensuing year. Mr. Persson was nominated and unanimously elected.

Nominations were then received from the floor for a member to the Sandwich Historic District Committee.

Mrs. Shirley Cross nominated Paul White. Nominations were then Unanimously Voted closed.

The vote was by voice vote and Mr. Paul White was Unanimously Voted in as the member of the Historic District Committee.

There were 72 Historic District Voters present.

The meeting was adjourned at 7:40 P.M.

Barbara J. Walling
Secretary

Report of the Sandwich Historic District Committee

OLD KING'S HIGHWAY

Regional Historic District

To the Honorable Board of Selectmen:

In spite of a slowdown in building activity near the end of 1979, the Committee acted on 240 applications for certificates of appropriateness. This compared with 253 applications presented to us in 1978.

Two new members joined the Committee during the year. Grattan Gill, the architect-member of the group since its beginning decided at the end of 1978 that another local architect should have the opportunity to serve. Early in 1979 the Selectmen appointed Milton Schwartz. The town is fortunate to have had the benefit of the experience and expertise of both of these men. Mr. Edward Coomey did not seek re-election in November and Paul White, one of the town's top-flight craftsmen, was elected for a three-year term.

One of the on-going problems which the Committee faces is the failure of the many applicants to present accurate and complete drawings of their proposed projects. This makes it difficult for the Committee to make a fair evaluation of the project. In one particular case, the failure to present accurate information regarding the land grades developed into a situation which was disturbing to all concerned. We all learned, the hard way, the necessity for complete and accurate informa-

tion to be presented with the application. Guidelines for assistance to applicants were prepared by the Historic District Commission and have been made available to all the local Committees for distribution with applications.

We express our thanks to Mrs. Helen Palmer for her devoted service as Secretary.

George Sutton, Chairman
Paul J. White
Jonathan A. Leonard
Milton Schwartz
Robert W. Bridges

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich:

As Chief of Police I respectfully submit my annual report for 1979.

1979 was a busy year for the Sandwich Police Department. Total complaints investigated, number 6,217, up from 5,909 in 1978.

Sandwich was fortunate in 1979, as it was in 1977 and 1978, to have the lowest overall crime rate, per thousand population, in Barnstable County.

Breaking and enterings, one of our more serious problems, increased to 154 from 101 in 1978. 248 larcenies were investigated, down from 251.

190 cases of vandalism, a continuing problem, were investigated, down from 208. Other criminal investigations included one armed robbery, along with assault 42, up from 39 in 1978 and auto theft 23, down from 29. Five forgeries were investigated along with two rapes, 6 buying stolen property, one unlicensed carrying of firearms, 3 arsons, 6 sex offenses, 21 drug violations, two offense against family. The remaining complaints were of minor criminal or service nature.

Of the 6,217 complaints, Sandwich Village accounted for 2,755, South Sandwich 1,499, East Sandwich 1,364, Forestdale 560 and Sagamore Beach 39.

2,749 complaints were received between 4:00 P.M. and Midnight, 2,406 were recorded between 8:00 A.M. and 4:00 P.M., and 1,062 between 12:00 Midnight and 8:00 A.M.

Saturday was the busiest day with 982 complaints, followed by Friday 965, Wednesday 876, Thursday 967, Tuesday 846, Monday 587 and Sunday 830.

A total of 244 arrests were made by members of the department. 77 inebriated persons were taken into protective custody, and later released or transported to a detoxification center.

Continuing the department's policy of strict enforcement of the motor vehicle law, 2,068 citations were issued, of which 757 required court action, and 1,311 were warnings.

191 motor vehicle accidents were investigated down from 208 in 1978. Two were fatal accidents. 51 involved personal injury and 138 were property damage only.

Officers investigated 1,049 citizen reports of suspicious person, vehicles and incidents, answered 641 burglar and holdup alarms, all but two of which were false, served 386 summonses, and relayed 1,612 calls to the Dog/Conservation Officer from the Police Communications Center.

Continuing its intensive housecheck program, the department members made 18,008 checks of vacant homes ... 353 homes and businesses were found open by officers during security checks.

Assistance was rendered on 1312 occasions; 548 to the Fire Dept. and ambulance, 161 to other law enforcement agencies and Town departments, 42 to mentally disturbed persons, 57 to homeowners, 173 to disabled motorists, 131 escorts, 56 civil matters, 7 medical assists and 137 dog and conservation calls were handled by the police.

79 Firearms ID cards were issued, along with 131 pistol permits.

\$4,031.55 was turned over to the Town Treasurer from the sale of gun licenses, copies of police reports sold to attorneys and insurance companies and the auction of surplus property.

I would like to take this opportunity to thank the citizens of Sandwich, the Selectmen and other Town departments and boards, other law enforcement agencies, and, of course, my own officers, for the assistance and cooperation they have shown me during the year.

Respectfully submitted,

ROBERT D. WHEARTY, JR.
Chief of Police

Report of the FIRE DEPARTMENT

Honorable Board of Selectmen
Sandwich, Massachusetts

The annual report of the Sandwich Fire Department for the year 1979 is herewith submitted:

The following is the breakdown of Department activities:

Structure fires with a loss over \$1,000	9
Approximate loss \$72,500.00	
Structure fires with a loss under \$1,000	9
Approximate loss \$2,835.00	
Woods, Brush and Grass fires	40
Approximate acreage burned - 21 acres	
Vehicle Fires	27
Approximate loss \$17,835.00	
Boat Fires	1
Electrical fires	5
Chimney fires	8
Dump Fires	1
False Alarms	8
Needless Alarms	4
Burning without permit	13
Heating unit fires	9
Miscellaneous fires	18
Total	152

Investigations:

Automatic Alarms and Smoke Alarms	83
--------------------------------------	----

Smoke investigations	35
Burning without permit	8
Other	86
Total	212

Assistance Rendered:

Instructions given	9
Lockouts	24
Medical	106
Cellars pumped	34
Other Town Departments	15
Miscellaneous	45
Total	233

Washdowns	24
Standbys	38
Fuel Spills	0
Bomb Scares	1
Rescue Calls	11
Mutual Aid Fires	14
Mutual Aid Rescues	2
Ambulance calls	780
Total Calls	1,467

Included in the above are:

Mutual Aid Ambulance	27
Motor vehicle accidents responded to	100

Work performed at fires:

Feet of hose laid	
Booster	3,120 ft.
1- $\frac{1}{8}$ in.	2,950 ft.
1 $\frac{1}{2}$ in.	4,450 ft.
2 $\frac{1}{2}$ in.	3,100 ft.

Feet of ladders raised	690 ft.
------------------------	---------

Inspections:	Applications Rec'd	Permits Issued
Oil Burner	215	222
Fire Alarm System	249	239
Blasting	1	1
Model Rockets	8	8
Black Powder Storage	2	2

During 1979 the department responded to a total of 1,467 calls, down 61 runs from the previous year. Although total runs were down in 1979, emergency runs increased and the drop in total runs was in non-emergency responses.

Ambulance runs totaled 780 runs during 1979, an increase of 43 runs over 1978. There also was a decrease of 20 mutual aid ambulance calls, giving us an actual increase of 63 runs.

To report a fire or request the ambulance, the number to call is 888-2323. All other business should be conducted by calling 888-0525. The Fire Department has stickers with the emergency number on it and this can be attached to your telephone. Tot-finder decals are also available.

During the year 358 people came to the fire station for blood pressure checks.

The new ambulance was received by the Fire Department in January of 1979 and after equipping and having it inspected by the Department of Public Health, the vehicle was put in service on February 21, 1979.

Structural fires for 1979 increased by 4 this year, the total estimated loss for the 18 fires was \$75,335.00. This is an increase of some \$19,000.00 over 1978. The largest percentage of the fire loss was directly accountable to 2 major fires.

We now have 6 members of the Permanent Fire Department certified as Paramedics. They, plus 10 other permanent men and 16 call men are all certified Emergency Medical Technicians.

During 1979 many members of the Fire Department, both permanent and call men have attended courses covering many different phases of firefighting held at Cape Cod Community College and the Barnstable County Fire Training School. This advanced training has proved very beneficial to the Department and its members.

As in the past, the fire stations in East Sandwich and in Forestdale were manned between the hours of 8 A.M. and 6 P.M. during the months of July and August. The stations are also covered during times of power outages and severe storms.

At this time I would like to take the opportunity to thank all Town Officials, Departments and personnel for their assistance in 1979. I would also like to thank the neighboring towns for their help on calls for mutual aid.

Respectfully submitted,

Ferdinand L. Alvezi
Chief of Fire Department

Report of the CLARK - HADDAD MEMORIAL

Building Trustees

This report is for the Concerned Taxpayer, the Sandwich Finance Committee and the uninformed. The Trustees of the Clark-Haddad Mem. Bldg. submit the following figures and facts for your consideration.

1979 Budget request	\$8,080.00	Granted
1980 Budget request	8,712.00	Reduced to \$8,080.00
1981 Budget request	9,075.60	

This old schoolhouse (1885) on Dewey Avenue in Sandwich, now a memorial building dedicated to two veterans of World War I, now serving the Town of Sandwich as a community building, beautifully situated away from traffic yet close to the center of town and having spacious parking areas. This building presently houses the Sandwich Council on Aging, its

office and all of its activities serving the elderly are conducted here, or emanate from Clark-Haddad. Other community groups using this building are:

Sandwich New Outlook	
Widowed (SNOW)	1 day per month
Sandwich Gardeners	1 day per month
Sandwich Arts & Crafts Soc.	1 day per month
Sandwich Scouts Tr. 47	1 day per week
Sandwich Extension Service	1 day per month
Sandwich Woman's Club	1 day per month

Sandwich Council on Aging:

Art Classes (two) each	1 day per week
Crafts Class	1 day per week
Drop In Center	2 days per week
Bridge Players	1 day per week
Office Staff (3)	5 days per week

From this building more than 5,000 Elder Services Meals on Wheels are packaged and delivered from this building by a staff of volunteer drivers 5 days a week for 52 weeks in the year.

Over 500 Office consultations are handled here each year and over 900 persons depart from here on major trips and return here.

The number of persons being served here in a year by the C.O.A.	16,850
The number of private organization members served in a year	2,020
Total	18,870

For a 5 day week and a 52 week year (260 days) = 72 persons served daily.

In the past five years the following major repairs and improvements have been made to the building.

1. All floors resurfaced - vinyl and carpeting
2. Building resingled and painted outside
3. Roof completely resingled
4. New boiler installed
5. All ceilings replaced
6. Both lavatories completely renovated
7. Large room all walls replaced and insulated and painted
8. Complete new septic system
9. 10" of insulation installed over entire ceiling area

All of the foregoing were paid for out of annual budget funds and no special requests were needed.

The Clark-Haddad Trustees are very pleased to submit this report for approval or criticism. Won't you take time some day and come down and see for yourself?

Clarence VanBuskirk, Chairman

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen
and Citizens of Sandwich

Submitted below is my fifteenth Annual Report as Public Health Nurse for the Town of Sandwich.

Home and office visits are the ever present and primary responsibilities of the Public Health Nurse and include skilled nursing care, maternity care, health teaching, and health supervision.

Annual surveys were conducted by the Department of Public Health and Medicare. The Town of Sandwich Nursing Agency was recertified for participation in both programs and continue to maintain a full functioning home health system for the people in the Town of Sandwich.

The revised and new regulations governing participation of Home Health Agencies in the Massachusetts Medical Assistance (Medicaid) and Medicare programs promulgated November 8, 1978, were implemented according to the time limits specified. The Massachusetts regulations are more stringent and of higher quality taking precedence over Federal regulations.

Agreements prompted by the new regulations were established with the Hospitals, Long Term Care Facilities, and Medical Suppliers in the area. Also, agreements with Regional Association of Alcohol Council of Southeastern Massachusetts and Elder Affairs of Cape Cod were established.

Agreements with Cape Cod Homemaker-Home Health Aide Service, Inc. for Home Health Aides and The Community & Home Health Services, Inc. (formerly known as The Falmouth Nursing Association, Inc.) for Occupational Therapy, Physical Therapy and Speech Therapy were renewed for the fiscal year 1980.

The Town of Sandwich Nursing Agency in conjunction with The Board of Health and Sandwich Health Association held two successful Immunization Clinics at the Sandwich Junior - Senior High School in February. 252 students were updated for the immunizations mandated by the State Immunization Law, Chapter 76, Section 15 of the General Laws of Massachusetts. 378 immunizations were administered including 155 tetanus/diphtheria, 55 measles, 69 Measles/Rubella, and 99 Oral Polio.

The Nursing Activities conducted and attended are reflected in the Statistical Report.

PROFESSIONAL ADVISORY BOARD

The Town of Sandwich Nursing Agency Professional Advisory Board held four regular meetings during 1979.

Quarterly reports were submitted by the Public Health Nurse and Clinical Review Subcommittee.

Standing Subcommittees reviewed Agency policies. Several revisions were necessary and the new Patient Rights Policies were formulated to comply with the Medicaid and Medicare Conditions of Participation.

New members appointed to the Professional Advisory Board were: Patricia A. Chisholm and Hazel Keith.

A special thank you to all outgoing members and members who resigned: Hilda Bartley, Elaine W. Cary, Paul R. Desilets, Barbara Lehner, Barbara C. MacNeil, Janice M. Peterson, Carol A. Stundis, and Mary E. Swan.

Report of the BOARD OF HEALTH

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The monthly meetings of the Board of Health are presently conducted at the Town Hall Annex. The date continues to be the first Tuesday of each month unless a holiday or Town Meeting falls on that day. The meetings are at 7:30 P.M. Business hours are from 8:30 A.M. to 10:00 A.M., Monday through Friday. Appointments are made and kept after 10:00 A.M. for inspections and tests with the Agent and Plumbing Inspector. All soil tests and percolation tests must be observed by the Agent and Inspector.

Mr. Herbert A. Hamlen is the Board of Health Agent and the Plumbing Inspector. Walter Fagnant is the Deputy Inspector. Mr. Fagnant was appointed by the Board in 1978.

The Disposal Area will operate as it has in the past until the end of this fiscal year June 1, 1980. The work of bulldozing and filling will go out to competitive bidding. Mr. Fournier will still be responsible for the operation and general upkeep of the area for the Town of Sandwich. We are still operating the landfill under the plan mandated by the Department of Environmental Quality Engineering and the Bureau of Solid Wastes.

The Selectmen have made a final agreement concerning the lease for this State property. We expect to be here for at least ten years or until the area is completely filled. At that time the Town has pledged set aside funds to complete the final landscaping required by the State. The Town Engineering Department will take over the engineering necessary for the operation of the Landfill. Our budget will be reduced by \$4,000.00 and hopefully we will save that amount if the Engineering Dept. can accomplish the work with their crew. It would appear this department has adequate man power at this time.

For the foreseeable future, the Board will continue to operate with the same personnel. We will still have the services of the County Sanitarians and the full cooperation of the Barnstable County Board of Health and their laboratory facilities. The County will continue to check all water samples from ponds, lakes, and wells. They will continue along with our Board to check all restaurants and other facilities as required by this Board.

The sewage for the Town is an ongoing program and will now require an Environment Impact Study. A new committee is being formed and public meetings are being planned. We need to solve this problem of sewage, septage and solve our pollution problems in a satisfactory manner.

Recycling of glass is ongoing at the Landfill. We can use help in this department. Volunteers should call 888-4200.

The move to the Town Hall Annex was made in 1978. The conditions in our office are very much improved now.

The Board will continue to monitor immunization programs for school and pre-school children. We will assist the Sandwich Nursing Association and the Town Nurse, Frances Silva and her staff. We also continue to supply vaccine as required for flu shots.

We wish to thank Dr. Penelope Holt for her valuable assistance and devotion to supervising the rabies clinic in the Town each year. This is a valuable contribution to the community.

Elected Officials of the Board of Health

Robert H. Ellis	1980
Kathleen Nickerson	1981
Dennis Earle	1982

Appointed by the Board of Health

Miss Esther Howes	Health Officer
-------------------	----------------

(Director Barnstable County Board of Health)

Leo H. DeCoteau	Sanitarian
(Barnstable County Board of Health)	
Herbert A. Hamlen	Agent for the Board of Health
	Inspector of Plumbing and Sanitary Systems
Walter Fagnant	Deputy Inspector and Agent
Mrs. Hilda Whitmore	Inspector of Animals
Albert Fournier	Supervisor of Disposal Area
Milton Fiske	Assistant at Disposal Area
Alvin Crocker	Maintenance, bulldozing, and filling at the Disposal Area

Licenses and Permits Issued 1979

Food Service Establishment Permits	35
Recreation Camps, Hotels, Motels, Overnight Camps, Trailer Camps, Summer Camps	13
Garbage and Offal Permits	15
Funeral Director Licenses	2
Sanitation Permits to Install Septic Systems	256
Swimming Pool Permits	3
Sanitary Installation Permits	33
Complaints Investigated	77
Plumbing Permits	367
International Travel Certificates	6
Sub-Divisions Investigated	3

New Regulations now include the following:

1. No onsite sewage disposal percolation tests will be performed from June 15 thru September 15 of each year.
2. Septage haulers must report gallonage of septage pumped from each location to the Board of Health. They must also report the street from which this septage is removed.

The Board requests that plastic bags be used for rubbish and garbage at the Landfill. This practice will help keep the area clean and will also save funds.

The Board wishes to thank Albert (Squeaky) Fournier, Alvin Crocker, Milton Fiske, and others who have worked so diligently at the Disposal Area. They have done an outstanding job. We think our Disposal Area is the best on the Cape. We also say thanks to Frances Silva, Herbert Hamlen, Walter Fagnant and Debbie Fournier for their assistance. As always we thank the County Board of Health and Mr. Howard Doane for their professional services to the Town of Sandwich.

Respectfully submitted,

Robert H. Ellis, Chairman
Dennis Earle, Vice Chairman
Kathleen Nickerson, Clerk

Report of the BARNSTABLE COUNTY HEALTH DEPARTMENT

July 1, 1978 to June 30, 1979

For fifty-three years the Barnstable County Health Department has been providing public health programs for the residents of the fifteen towns. Coordinating and supplementing services to towns and to health related agencies continued to be the purpose for program activities. Such activities included planning, control of communicable diseases, environmental health services, nursing consultation, prevention of dental disease, medical social services and services for handicapped children.

Accomplishments:

Through staff meetings and joint planning, priorities have changed. Responsibility for inspecting and recommending licensure for group day care services was referred back to the Office for Children on July 1, 1978. Management of state-supplied biologics and vaccines was reorganized, with the county distributing them to 7 depots, and providing direction of the reporting and epidemiological follow-up of certain communicable diseases. Funds, supplies and staff time were provided for the inclusion of laboratory examination and monitoring of public water supplies as required on July 1, 1978 by the Safe-Water Drinking Act. The planned additional service of chemical analysis of waters, as a part of the 208 Water Quality Management program, was not funded but is still expected, and the laboratory potential is being developed. Committee time and consultation time has been provided by the nurse directors in assisting two schools to obtain waivers from certain requirements, in order to institute newer ideas. These nurses have also assisted five home health agencies in meeting the medicaid standards, and in continuing education programs. The Health Resource Center, which is co-sponsored by this department, has developed by-laws and a board of directors. Study and preparation for the implementation of fluoride rinse programs in some schools and direct instruction of dental hygiene students from the Cape Cod Community College has been given by the public health dental hygienist. Since the prevention of dental disease is a priority goal, the dental program is to be expanded. The consultant in medical social services continued to work with hospital and agency programs as super-

visor, board member, program planner, and leader of workshop groups, as a part of the Mental Health Training Contract. The Area Human Services Planning Team met weekly, in order to provide the structure for better care for people who need and use the services of several state agencies. The outcome of this was a procedure "The Client Pathway" implemented on the Lower Cape, on a trial basis; this involved the County Health Officer as supervisor of the inter agency coordinator, and the medical social work consultant who participated in training and case management.

The Services to Handicapped Children has provided care to some 500 children and their families. The medical record system has been changed, and a management information reporting system was instituted. The Barnstable County staff was used in the planning and for the pilot project, and it involved many meetings with the Division of Family Services of the Massachusetts Department of Public Health. An expected outcome has been—respect and understanding as well as cooperation and enthusiasm. The County Hospital continued to provide facilities, laboratory and X-ray services.

Aims:

1. Consideration of a program, criteria, equipment and manpower to analyze food samples—as requested by some Boards of Health.
2. Development of active participation of staff, and of health agents in the Health Systems Agency of Area V.
3. Joint planning for the on-going financial support of the Health Resource Center.
4. Guidance to home health agencies in management and reorganization as they come under pressure to provide an alternative to institutional care.

The encouragement and support of the county commissioners, of the local boards of health, and the county hospital staff have made our progress possible.

Respectfully submitted,

Esther G. Howes
County Health Officer

Report of the Sandwich COUNCIL ON AGING

To the Honorable Board of Selectmen:

The Council on Aging makes its Annual Report of the activities and progress during the year 1979.

The number of Seniors now living in Sandwich has increased from 1,714 in 1978 to 1,825 in 1979.

Relocation of the Council Office

Since April, 1979, due to the cooperation of the Trustees of the Clark Haddad Memorial Building, we are now conducting all Council on Aging activities from the Clark Haddad Building until such time as our own building is available.

In the past year a total of 9,491 have participated in our many activities.

Our office is open to all those searching for advice and information on problems relating to being a senior citizen. A total of 500 persons have availed themselves of these services during 1979. We try to answer all questions and give advice or refer the inquiries to the proper agencies.

Meals on Wheels

Meals on Wheels has come to Sandwich under the auspices of Elder Services of Cape Cod and the Islands, sponsored by the Council on Aging. Elder Services of Cape Cod and the Islands, set up in 1972-73, mandated and funded by Federal and State governments, governed by a board including representatives from each "Council on Aging," has as its purpose "to provide older persons with medical and supportive services essential to their maintenance outside of institutional settings." Among the services provided are Case-work Management, Home-Makers, Chore Services, Transportation Information, Referral, and a Nutrition Program to "provide Older Americans, particularly those of low income, with low cost, nutritionally sound meals served in or through local centers."

Persons 60 and over and their spouses, regardless of age, are eligible if, for any reason, adequate nourishment is needed. Ability to pay is not an eligibility requirement and provision is made for recipients to make a contribution to Meals on Wheels (MOW). On April 20, 1977, MOW was begun in Sandwich with

Christine Mitchell as Coordinator who recruited and supervised volunteers to package and deliver meals to recipients, five days a week. Frozen meals and supplementary food in bulk are delivered daily to the Clark Haddad from a central kitchen.

During 1979 42 volunteers, men and women, delivered 7098 meals to 51 total participants; 2300 volunteer hours were spent on this program.

Again our beloved Eli Iordanopoulos entertained recipients and volunteers at his restaurant for Easter and Christmas holiday dinners. Special tribute goes to Christine Mitchell who organized and implemented this important service to Sandwich seniors. Christine left for overseas travel in mid-December.

Our new coordinator is Joan McNaughton who has assumed her responsibility with enthusiasm and efficiency.

Trips

Our Mini-Bus on Tuesday, Thursday and Friday has carried over 2,000 passengers during the year.

The Cape Cod Bus Line trips arranged by Herb Nelson Chairman of the Council and Rus Palmer of the Cape Cod Bus lines has made possible many enjoyable opportunities during the year which gave pleasure to 929 persons. The highlight of all the year's trips was a four day Penn Dutch Trip which 49 persons took part. A special trip is generally planned for each month, and is a very popular activity for Sandwich seniors.

Report from the Council Office

Our Services Coordinator, Bradley Kellogg and her volunteers have given 500 hours in service during the year, making reassurance calls and friendly visits throughout the Town of Sandwich. This is one of the most important services of the Council.

Over 1500 regular reassurance calls were made, 225 friendly visits, and 149 errands have been expertly coordinated by Bradley Kellogg in 1979.

Mary Stout, Office Secretary and Bookkeeper, is at the Council Office every weekday from 9 A.M. to 1 P.M. She carries out the duties and responsibilities of keeping all financial records of the Council, the budget planning and control of all financial activities, as well as all necessary secretarial duties, keeping up to date the ever changing mailing list of seniors, has charge of all identification cards issued to all persons over 59 years of age, which entitles them to the many advantages of being seniors. She also handles all scheduling of the mini-bus for the weekly trips Mondays, Thursdays and

Fridays. She is liaison with Town Offices on many procedural matters affecting the Council and Town Hall, particularly in the field of finances.

We feel due to the cooperation between Bradley Kellogg, our Social Service Coordinator and Mary Stout, our Secretary-Bookkeeper and the members of the Council on Aging the programs of the Council are efficiently carried out.

Center Activities

The Council on Aging has presented a variety of classes and activities to participants under the capable direction of Mary Funk. A large number of participants have enjoyed the Monday and Wednesday morning Art Classes with Bertha Backer instructing (1979 total attendance was 1440).

The Friday morning Craft Classes have offered a wide variety of interesting and useful crafts under the direction of Ruth Sobolewski, assisted by Mabel Rigazio.

Covered dish luncheons every two months have been well attended and enjoyed by all, with Blanche Skelley as Hostess.

On Wednesday and Friday afternoons the Center is always open for social activities with women bringing their handwork and men enjoying their cribbage games. The total attendance in the past year is 2241.

On Thursday afternoon the Council sponsored Bridge Club capably coordinated by Al Morse has had a total attendance of 600.

Note of Appreciation

We were able to accomplish the foregoing programs without additional funds because Clark Haddad was available for our use during 1979 through the cooperation of the Trustees.

We wish to express our appreciation to the Clark Haddad Trustees for making the building so attractive and available to the 1825 senior citizens of Sandwich, to the Selectmen, and all Town personnel for their continuing cooperation, and encouragement, and to the citizens of Sandwich for their loyal support.

Once again all major areas of library service show increasing demand by the citizens of Sandwich. Circulation of library materials increased 16% over 1978 and there has been a 30% increase since 1977.

The Trustees now have schematic architectural drawings for the library expansion and will be moving for a date for the expansion. Once again the Trustees would like to thank all those people—Private Citizens, Town Employees and Town Officials—who gave of themselves or who otherwise contributed to the Library's success in 1979.

Respectfully submitted,

Mrs. Milton R. Cook, Chairman
Trustees Sandwich Public Library

Report of the Sandwich COMMUNITY SCHOOL

To the Board of Selectmen, Town of Sandwich,
Sandwich School Committee, and Citizens of Sandwich

The cornerstone of the Sandwich Community School is the Executive Council. The Council is comprised of volunteers appointed by the Sandwich School Committee. Members of the Council for 1979-80 are: Virginia Amidon, Chairman; Maureen Grunst, Vice Chairman; Elizabeth Gill, Secretary; Eleanor Gaffney, School Committee Representative; and also Arthur Kingsbury, Susan Miller, Wilma Stahura, Robert Fraser, Stephen Braconi, and Grace Day. During the year, resignations were received from Mr. Braconi and Mrs. Day. The vacancies were filled by the appointment of Mr. Milton Schwartz and Mr. Arthur Bouvier. I wish to thank Mr. Braconi and Mrs. Day for their time and support for community education and to welcome the two new members to the Council.

A staff of part-time Community Volunteers under the guidance of Gerry Porter, Carolyn Buckland, and Marilyn DeCoste have donated over 500 hours of time to office procedures. Many thanks to those others who have helped to collate brochures, helped with the task of registration, or through spreading the news of community education offered through the Community School. Another year of growth in programming and involvement of people has been experienced by the Community School.

Adult Education courses continue to attract people of all ages to the Community School. During 1979, over 125 different courses were offered for three terms with an average of 1,450 people participating weekly. For the past four years, this group of courses has been self-funding and will continue in this way.

One of the most significant contributions to Sandwich by the Community School is the Extended Day Program. This year over 18 children participated in the after-school program. Essentially, the program is designed as a service for working parents to ensure proper after-school care for children. A minimal fee is charged to cover costs and to make the program affordable to most everyone.

The Arts Council, under the direction of Mr. Joseph Pistorio, was responsible for presenting prominent solo artists, operas, youth concerts, and theatre productions to the townspeople of Sandwich. Without the support of an active Arts Council, many of the cultural programs Sandwich enjoyed this year could not have been staged.

The Preschool Program is for children from 18 months to three years. The program has again met with much success. Staffed by the parents of the children involved, the program continues to provide an atmosphere of interaction and creativity. Learning to get along with others is a main theme of the Pre-school Program.

The Community School sponsors many informal recreation programs during the year. We encourage participation of all age groups. If you would like to be involved in an existing program or would like to create a program, we invite you to call our office at 888-5300.

Pool Instructional Classes, once again, are well attended — some requiring additional sections. We are fortunate to have a highly trained and dedicated staff.

The Summer Competitive Swim Camp continues to grow. This year, the program included exchange meets with neighboring communities and at the conclusion of the two three-week sessions, we hosted an All-Cape Competitive Swim Meet which was open to all ages including Senior Citizens. Over 300 swimmers com-

peted for medals and ribbons. Next year's Swim Meet should be even greater.

We are experiencing a large growth in the sale of memberships, both family and individual. These are currently being sold on a half-year basis and are most popular. Have you seen Adult Lap Swim time or visited on the weekends during Open Swim? It's great to see so many people all enjoying themselves.

Two years ago, we instituted a welcome to new babies in Town and extended a free lesson to them with their parents. Would you believe that we now have second and third siblings of some families in that program and many have continued and graduated into the Kindergarten level (3-4 years).

Future plans for the Community School include a summer school and a night school offering high school credit courses eventually leading to a high school diploma.

The Community School has accepted the great challenge for integration of community and educational programs to create an atmosphere of cooperation involving learning and group participation in decisions that may affect Sandwich for years to come.

Report of the

SCHOOL BUILDING COMMITTEE

To the Board of Selectmen
and the Citizens of Sandwich:

The year 1979 has shown few positive results for the Town of Sandwich School Building Committee.

The Town of Sandwich by agreement in settling one of its claims was awarded \$24,550 for the fields and grounds at Sandwich High School. On July 30, 1979 at a Special Town Meeting, the voters of Sandwich allowed the transfer of this money to the School Building Committee so that improvements could be made on these sites. The Building Committee would like to thank the citizens of Sandwich for the use of the money.

Thanks to Town Engineer, Mr. William Taylor and Town Highway Surveyor, Mr. James Crocker and their departments, much work has already been done on the grounds and fields to improve the drainage and other faulty areas. The cooperation of the various town departments not only assured us of the work being accomplished immediately, but also saved us money and

will allow more work to be done on the fields during the coming year.

The Building Committee is happy to say that because of the work completed on the fields, the high school fall sports program was held entirely on the high school site and it was a pleasure to see so many students enjoying the various playing and practice areas.

The high school has some very serious problems in the areas of heating, ventilating and air conditioning, as well as the electrical work. It is unknown at this time where the exact problems lie or even where the fault lies: design, installation, sabotage or poor workmanship. Even the courts have not settled this problem area. However, from the Committee's point of view, it will be an expensive solution for the following reasons: We have to hire a consultant to look into the various areas and try to pinpoint the exact problem and the person or persons responsible. We must correct the situation and make a decision on whether to pursue a claim against the responsible party.

There is a question of which route to take as going through the courts could be expensive or simply to bear the cost and remedy the situation through additional funds. The only known fact is that the heating, ventilating and air conditioning system is not working correctly. Some areas are too hot, some too cold and some too stuffy. This must be corrected permanently. Mr. Robert Scott and personnel at the high school are keeping up with day-to-day problems only by ingenious and time-consuming efforts, which are merely stop gaps.

The filed suit brought forth by Franchi Bros. Construction Corporation against the Building Committee and the Town of Sandwich is still in court at this time. The Building Committee has continued to meet with its consultants and its attorney to review all material in the hopes of settling the case. The Building Committee members, in addition to attending local meetings, have had to attend court sessions in order to testify on behalf of the Town of Sandwich, all in all, a very frustrating year.

I wish to thank my fellow committee members for another long year of service, the Superintendent of Schools and his staff and the townspeople for their cooperation, which is greatly appreciated by the Building Committee.

Respectfully submitted,

Stanley Torrey, Chairman
Sandwich School Building Committee

Report of the 1927 H. T. Wing School BUILDING COMMITTEE

To the Honorable Board of Selectmen
and Citizens of the Town of Sandwich:

Having been charged with the responsibility of selecting and entering into a contract with an architect to furnish plans and specifications for the renovation of the 1927 H. T. Wing School Building, we wish to report the progress of our committee during the past eighteen months.

The Committee started formal meetings early in July of 1978, meeting with and interviewing seven architectural firms by the end of the month. On August 2, 1978, the firm of Alger and Gunn of Hyannis was given a unanimous vote to proceed with the proposed renovation plans.

Reports of the various town study groups, along with their recommendations, were made available to the architects and formed the pattern and basis for the proposed work.

The Superintendent of Schools, Dr. Anthony D'Antuono, was given the responsibility of writing the educational specifications and has assisted the Committee throughout the planning and construction stages.

During this period of time, the Sandwich School Committee entered into a contract with Universal Roofing and Sheet Metal Co., Inc. of New Bedford, MA, to replace the slate roof of the building. It was the unanimous opinion of both committees that this part of the project could not wait.

For the next ten months, the Committee worked with the architect on the plans and held meetings with various Town and State agencies. By June 1979, bids were advertised for the project. The sub bids were opened on July 19, 1979 followed by the general bids on July 20, 1979.

At the Special Town Meeting held on July 30, 1979, it was voted to accept the plans and specifications and to raise the necessary monies to continue the project.

The month of August was spent working with various state agencies for final approvals and financing. Mr. Roland B. Kelly was hired as our Clerk of the Works and started work on the project.

On September 6, 1979, written notice was given to John H. Fellouris, Inc., of New Bedford, MA, awarding the contract for alterations to the 1927 Henry T. Wing School. The Fellouris company started work early in September, 1979, with a completion date of September, 1980.

The Clerk of the Works' report on February 1, 1980, shows the overall job progress is on schedule and is approximately forty-three percent complete. The Committee does not anticipate any delays and the project should be completed on or before the completion date of September 1980. The cost of construction has been monitored throughout the project with a minimum of change orders having been written.

At the completion of this project, the 1927 building will have eight classrooms and a multi-purpose room ready for school use with an anticipated life span of fifty years.

In closing, we would like to express our thanks to the Selectmen, School Administration, school personnel, various Town boards and agencies, and other dedicated people for their cooperation and guidance received throughout the project.

Respectfully submitted,

Report of the Upper Cape Cod Regional VOCATIONAL TECHNICAL SCHOOL DISTRICT 1979

To the Citizens of Bourne, Falmouth, Marion,
Sandwich, and Wareham:

In compliance with Section 13 of the Agreement among the towns of the District, this annual report is submitted.

The membership of the Committee follows:

Town of Bourne	Frederick W. McComiskey Peter N. Way
Town of Falmouth	Neil A. Bennett James M. Crossen
Town of Marion	Helen G. Westergard
Town of Sandwich	Gerald E. Caron, Vice Chairman
Town of Wareham	Robert T. Joy, Chairman William E. C. Warr, III

Treasurer	Peter N. Way
Assistant Treasurer	Martha B. Overlock
Secretary and Superintendent-Director	Arthur L. Sweetman

The Committee reorganized in June 1979 following the last town election in May in Sandwich at which Gerald E. Caron was elected to a three-year term on the Committee. Neil A. Bennett of Falmouth is the newest member on the Committee, having been elected in April to serve a three-year term. At this reorganizational meeting Robert T. Joy of Wareham was elected as Chairman, Gerald E. Caron of Sandwich as Vice Chairman, and Arthur L. Sweetman, as Secretary of the Committee.

The Upper Cape Cod Regional Vocational-Technical School recognizes that one of this country's greatest resources is her young people and we have developed courses that will meet their needs. Although the great majority of our student population go directly into the world of work, our offerings are so designed that if a student has the ability and wants to continue with his education after graduation, this opportunity is available to him. We also offer athletic activities which include Soccer, Cross Country, Basketball, Baseball, Softball, Spring Track, as well as Intramural offerings.

Of the 116 graduates of the Class of 1979, seventeen percent entered college or trade schools, seventy-seven percent went directly into the trades or military services and six percent were undecided as to their immediate future.

Special awards presented at graduation included the Highest Scholastic Achievement Award to Richard Bumpus of Marion; the Harvard Prize Book to the outstanding Junior, Glenn Pokraka of Falmouth; and the Massachusetts Vocational Association Presidential Certificate of Merit to Richard Bumpus of Marion and Gary Perks of Bourne for outstanding performance and excellent craftsmanship in the vocational area which they have chosen.

Tools of the Trade, totaling approximately \$2,500, were awarded to students who excelled in their trades in each shop area. Also, each of the students entering higher education received a \$200.00 scholarship award from the school.

The following additional scholarships were presented at graduation:

Edgar E. Caron Memorial - \$50.00
Brian Audette - Bourne
John V. Barron Memorial by the Upper Cape
Regional Teacher's Association - \$200.00
Nancy J. Amaral - Falmouth
The Thomas Mannion Memorial - \$125.00
Edward J. Burke - Falmouth
Cape Cod Bank & Trust Company - \$500.00
Richard A. Bumpus - Marion
Massachusetts School Food Service Area VII
Cape & Islands - \$400.00
Peter A. Gibson - Bourne
Basic Educational Grant - \$900.00
Lorie A. Goodwin - Wareham
Canal Standby's C.B. Radio Club Inc. - \$100.00
Theodore H. Barth Foundation "Special" - \$360.00
Angelo A. Gregory - Wareham
Aptuxet Post 5988, V.F.W. - \$500.00
Suzanne F. Hyde - Bourne
Upper Cape Regional Special - \$150.00
Wareham Lodge, No. 1548,
B.P.O. Elks - \$400.00
Scott S. King - Bourne
John V. Barron Memorial by the Upper Cape
Regional Teacher's Association - \$200.00
Scott M. Lappiere - Bourne
Wareham Lodge, No. 1548,
B.P.O. Elks - \$400.00
Jeffrey A. Loverro - Bourne
John M. Thorne & Ethel C. Thorne
Foundation - \$250.00
James Marshall - Falmouth
Kiwanis Club of Falmouth - \$200.00
T. Kenneth McIntyre - Falmouth
Bourne Mother's Club - \$50.00
Elizabeth M. Mosher - Bourne
Bourne Chamber of Commerce - \$500.00
Gary Perks - Bourne
John M. Thorne & Ethel C. Thorne
Foundation - \$250.00
Robert Steemson - Wareham
Theodore H. Barth Foundation - \$1,000.00
Jack R. Teixeira - Wareham
The Thomas Mannion Memorial - \$125.00
Joseph W. Warburton - Falmouth

Our students are continuing to provide services to the five sending towns. They have completed the Bourne School Administration Building, occupancy of which occurred in February of 1979, and the construction of new offices for the Suicide and Rape Crisis Center in Falmouth which is operated by the Samaritans. In Wareham, we are close to completing a nine-room addition to the Church of the Nazarene which consists of a basement and first and second floors, for a total area of 3,717 square feet.

A new project has begun for the Sacred Heart Seminary in Wareham in which a 1,700 square foot area in the stable section is being remodeled into a large meeting room with two new bathroom facilities, new heating system, and all new electrical circuits. Also planned is the enlargement of the dining room in the main building to accommodate larger groups.

Our Painting Department refinished and designed new figures for the Christmas displays in the traffic circles for the Town of Bourne; painted the exterior of the St. Peter's On The Canal Church in Buzzards Bay; and refinished the interior of the Headquarters Building at Otis Air Base which has been reactivated.

The Carpentry Department has built seventeen large storage areas for the Wareham Intermediate School to be used as mail cabinets and message centers. The Auto Body Department repaired and painted an ambulance for the Town of Marion and a police department vehicle for the Town of Sandwich. Our Masonry Department redesigned the exterior of the V.F.W. Building in Marion, changing the cinder block appearance to a brick front appearance known in the masonry trade as "Scorpetto". Our Electrical Department installed complete new wiring to the remodeled area above the Marion Police Station and Fire Station.

A power wagon was purchased through State Surplus and made over into a snow plow for the school roads. A handicapped bathroom was constructed in the school by the Plumbing and Heating Department. The Food Trades Department is continuing to serve lunches to the Senior Citizens for the fourth year and the Cosmetology Department continues to offer their services to outside patrons.

PL 94-482 Grants were received by the school in the amount of \$9,807 for instructional salaries for the Marine Services Program which began last year, and in the amount of \$1,868 for the employment of a part-time instructor to assist special needs students with vocational subjects.

The Title I ESEA Grant was in the amount of \$27,913 and is being used to provide two full-time tutors and two aides. This program provides supportive services to students in reading and mathematics.

The Regional School District, in the way of financial assistance has received under Chapter 70 - \$254,326 representing two payments toward the current fiscal year (1980) operating expenses. Also received were the following: \$53,861 for transportation (57.34%); \$13,503.40 under PL 81-874 for federally connected pupils; \$90,910 under Chapter 71 (16d); \$62,949.32 for the annual construction grant; and a library grant of \$2,038.

We are grateful to all those who have contributed equipment and supplies to be used in our program of studies and we continue to be thankful for the cooperation received from town and school officials in our district. Thanks and sincere appreciation should be extended to our Advisory Board members for their support and interest, to my fellow School Committee members for their unfailing cooperation and assistance, and to all school personnel for their help and concern during 1979.

GENERAL INFORMATION**SCHOOL COMMITTEE MEETINGS**

School Committee meetings are held at 7:30 P.M. on the fourth Wednesday of each month at the Sandwich Jr. - Sr. High School.

SCHOOL ENTRANCE

Kindergarten:

Any child resident of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

Grade 1

Any child resident of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that all children seven years of age and over, who are physically and mentally able, attend school.

BIRTH CERTIFICATE

A birth certificate is required for all children entering either Kindergarten or Grade 1.

MEDICAL REQUIREMENTS

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor.

State Regulations: The School Committee or Board of Health shall cause every child in the public schools to be separately and carefully examined by a physician duly registered in Massachusetts within six months before entrance to school or during the first year after entrance and at intervals of either three or four years there after.

NO SCHOOL

Every effort will be made to have school whenever feasible. On days when transportation by bus is impossible, school will not be in session. Notice will be broadcast over radio stations WEEI, WNAC, WBZ, WHDH and WOCB at 7:00, 7:30 and 8:00 A.M. In addition, there will be signals from the Fire Stations at 7:00 A.M. and 8:00 A.M. as follows: four signals from the East Sandwich and Forestdale Stations and the Sandwich Station will sound 2 pause 2 signal four times. In the event that it becomes necessary to close school before the regular dismissal time due to power failure, severe weather conditions, etc., the above radio stations will broadcast this information at 12:00 noon.

Report of the Superintendent of Schools

To the School Committee
and the Citizens of Sandwich:

It is most gratifying to reflect on the 1979 school year for the Sandwich School System because, in my opinion, it was a year in which the dedication and efforts of all school personnel and the community produced most satisfying results while problems appeared to be held at a minimum.

In the Spring of 1979, committees were at work searching for a new high school principal. Thanks to their untiring efforts, by the opening of school in September, Mr. Robert Fraser, former principal of Saugus High School, had been appointed to this position. Our junior-senior high school students were presented with new handbooks prepared by Mr. Fraser and his able Assistant Principal Curtis Collins, which outlined new discipline policies and gave much other valuable information about the school. Led by these administrators, a number of new extra-curricular organizations were formed, the Student Council was revitalized, attendance improved, there was better discipline and test scores revealed a change for the better.

In spite of continued crowded conditions, education also improved at the elementary school under the capable leadership of Principal James Dolan and his assistant, Mr. Edmund Twomey. Increasing the length of mathematics classes to sixty minutes per day placed more emphasis on that basic subject resulting in higher math scores at all levels of the school.

The Community School again offered many evening classes for citizens of the Town, and, due to the zeal of Director Craig Eldredge, a number of new courses offered were well-received.

During 1979, the 1927 School Building Committee, headed by Mr. Frank Bess, began the arduous task of the renovation of the 1927 Henry T. Wing School. This project is now entering the last stages; it is proceeding exactly on schedule and will open in the Fall with eight new classrooms prepared to house 200 students.

As in the past several years, the School Committee held many public School Budget meetings in their continuing effort to keep the citizens of this community informed about the budget-making process and the difficult work of trying to keep costs at a minimum during times of maximum inflation. Although these meetings have been poorly-attended, the Committee is to be commended for their perseverance and dedication.

In 1979, the Sandwich School System lost a dedicated teacher when Mrs. Mary Huff, for fifteen years a member of the business education staff at the high school, retired. We are grateful to Mrs. Huff for her many years of service to our school and community.

School populations here continue to grow at the rate of between eight and ten percent per year as more and more families come to Sandwich to live. As we talk to newcomers, it becomes increasingly clear that aside from the unique community itself, the Sandwich educational programs, the fine school facilities, and the excellent reputation of the school system are among the reasons they chose Sandwich as the place where they wish to raise their families.

An educational system such as ours is only as good as the people who implement it. I should like to extend my thanks to the very dedicated School Committee, our fine administrators, our excellent teachers and staff, the students and the parent groups, PAC and SHAPE, for their cooperation and interest in continuously upgrading the quality of education in Sandwich.

Respectfully submitted,

Anthony D'Antuono
Superintendent of Schools

Report of the Elementary School Principal

To the School Committee and the
Citizens of the Town of Sandwich:

The first annual report by this writer was submitted in January 1969, therefore this report for 1980 becomes number twelve. As an annual report, review of the past year is a requirement and an expectation.

Size, in terms of number of teachers and students, continues to increase; adding inflation factors to this growth, the school budget in the Elementary School was again more than in the previous year. However, I am of the opinion, we did as well last year as in previous years, in the teaching of basic skills — reading, language and math. Achievement scores compared to national norms, places the school above the norm or average in all grade levels. I believe this to be a reflection of our professional teaching staff's capabilities, the time we devote to the basics of sound

education and to the availability of varied resources in terms of textbooks and learning materials.

In comparison with other communities in the Commonwealth, similar normative information remains professionally undeveloped and therefore comparisons are difficult to make. This is also the case on the county level. The State has, and continues to take, samplings. The most recent **Summary Report — Massachusetts Assessment of Basic Skills 1978-1979**, published in September 1979, shows a sample of twelfth grade students covering reading, language and math; whereas in previous years elementary grades were included. These reports are reviewed in this district as to strengths and weaknesses in various curriculum areas. In this review, I have been able to formulate my own professional opinion, which places the school in a very positive position. We will continue to remain aware of these developments and implement changes as the need arises. A good reason for such action here in the local school district is the requirement of implementation of the Massachusetts Department of Education's policy referred to as "Basic Skills Improvement". This policy is also known as "Competency Testing" and will be instituted in the next academic year.

One phase of this policy will involve state-wide testing in all of the public schools in the Commonwealth, with the added factor of reporting the results to the public. It should be noted in this report that a committee has been at work on this issue for more than a year. Committee members are Stanley Torrey, Eleanor Gaffney, Janet Pinault, Kathleen Dolan, Beth Thayer, Diane DeeEmbree, Robert Guarino, Martha Stephens, John Eccleston, Gene Morrow, Robert Fraser, Thomas Jaillet, John Chisholm, Ann McSweeney, Edmund Twomey, James Dolan and the entire faculties of both schools. Dorna Allen serves the committee as secretary. If you have questions in regards to Basic Skills Improvement, I am sure contacting one or more members of this committee will provide you with some answers. This committee will be providing more information in the near future on this very important educational development.

We continued with some of the many learning activities we have developed over the years such as the paper airplane contest, marble tournament, intramural programs (with basketball playoffs and gymnastics show), concerts and the instrumental music program. Last spring we engaged in an interesting learning activity with the theme "Showboating U.S.A.". This resulted in many interesting learning situations relative to our national heritage and it culminated in another parade as in 1976. These and other activities such as the "Book Review", "Picture Lady",

and "Safe Boating Course" reflect the efforts of pupils, parents and teachers working hard and in cooperation with the community — one needing the other.

I extend to Philip Bangs, who did not run for re-election, everyone's appreciation for his efforts on the School Committee, and as a parent and concerned citizen. He remains active and interested in our future educational efforts.

Finally, my thanks to the citizens of the Community in general, parents of school children in particular, faculty, staff and students specifically, for your support, your efforts and just plain hard work—I can attest to the fact it is most worthwhile.

Respectfully submitted,

James G. Dolan, Principal

Report of the High School Principal

To the School Committee and the
Citizens of the Town of Sandwich:

The administration and the staff of the junior-senior high school are reviewing the course offerings and the content of each course in order to upgrade the curriculum at the school. The major areas of investigation center around the honors courses, the advance placement courses, and the Standard I courses which are geared to college-bound students.

Certain members of the staff are working to develop a program which will satisfy the requirements of the Basic Needs curriculum which has been mandated by the State. This program involves students, parents, teachers and administrators in its implementation. At present, a local group of community people meet on a regular basis to put together the requested program.

The staff and administration of the junior-senior high school is currently working to update curriculum guides and preparing for a self-evaluation in anticipation of the 1982 evaluation of the school. The New England Association of Schools and Colleges evaluates all high schools in the state every ten years. Sandwich is scheduled to be re-evaluated in 1982. The Commission sends a group of educators to the school for a three-day period in order to evaluate the facilities, staff and curriculum. When the evaluation is completed, the

Commission sends a report to the principal. This report includes recommendations for improvement, commendations, and a statement of the number of years the school has been accredited. This accreditation is considered by the various colleges at the time of admission requests by students from the high school.

In August of 1979, we reviewed the discipline code at the high school and revised it. We eliminated the demerit system and the in-school suspension policy and replaced those regulations with a policy requiring immediate action for an infraction and an out-of-school suspension policy.

We are grateful to the Sandwich School Committee, the Superintendent of Schools, the Assistant Superintendent, the Town Officials, and the parents for the fine facility and their constant support.

As a person new to Sandwich, I am extremely impressed with everything I have seen and everyone I have contacted. The Town should be proud of their school, faculty and staff.

The staff and administration will do everything to improve curriculum and extra-curricular activities in order to create an atmosphere conducive to learning.

Respectfully submitted,

Robert J. Fraser, Principal

Report of the School Nurses

To the School Committee and the
Superintendent of Schools:

The health programs of the school system have continued to be planned and implemented by the School Nurses. These include screening programs, health counseling and guidance, first aid, school physical examinations and maintenance and updating of student health records. Students with health problems are identified and assisted according to their individual needs.

The Massachusetts School Immunization Law requires that all children be fully immunized against diphtheria, whooping cough, tetanus, polio and measles. In addition, all students entering kindergar-

ten are now required to be immunized against mumps and rubella, prior to entry into the school. All students in the school system were updated with immunization boosters as needed during the past year. Two clinics were sponsored by the Sandwich Health Association and the Town Health Office when over two hundred students were immunized. All other students were updated by their own physicians. Each year parents will be notified by letter of any booster immunizations needed.

Students in the fourth, seventh and tenth grades are required to have a physical examination as well as any student who engages in a competitive sport. Physical examinations ideally should be done by a student's own physician who has knowledge of his family history and medical background. The school also offers physical examinations conducted by the school physician, John H. Lewis, M.D. This year 433 examinations were performed by the school physician.

All school personnel must be certified free of tuberculosis every three years. Students enrolled in the Food Services program must also comply with this law. This year 92 staff and students were administered the Mantoux intradermal skin test with follow-up chest x-rays done as indicated.

The pre-school clinic, which was held at the Public Health Office, offered physical and dental examinations to thirty-seven children this year. Blood pressure, urinalysis, and blood work including hemoglobin level and lead screening were also done at this time. Immunizations given were:

D.P.T. 19 M.M.R. 5 Polio 19 Tine Tests 24

Thirteen children benefited from camp scholarships. These were given by the American Legion, Camp Good News, Salvation Army, Sandwich Lions Club, Sandwich Teachers' Association and an anonymous donor.

We would like to thank all the volunteers, parents, staff and administration who help us throughout the year to maintain an effective health program. We would also like to thank the Sandwich Health Association and Town Health Office, especially Marilyn Myers, who devoted innumerable hours helping us to organize and implement a complete immunization survey and update during 1979.

Respectfully submitted,

Ellen G. O'Neil, R.N.
Janet E. Davis, R.N.

Report of the Board of SELECTMEN

To the Citizens of the Town of Sandwich:

The most impressive fact of 1980 was that for the first time in more than a decade the Town of Sandwich's rate of growth began to decline. Many factors are responsible for this lesser expansion rate. Certainly energy costs and mortgage rates were the most significant. Nevertheless, at least in the short run, we are beginning to expand at a rate which is reasonable in order to plan for future services.

However, to plan for the maintenance of services, and indeed to absorb a double digit inflation rate, one must have the ability to raise necessary funds to continue services. 1980 was the year of Proposition

2½. Although the voters of the Town of Sandwich voted against this proposal, it carried overwhelmingly in the Commonwealth of Massachusetts. Consequently, the ability to raise necessary funds, at least through the property tax, has been severely diminished.

While we completely agree with the need to limit the property tax, as that source of revenue for the local cities and towns in Massachusetts has become far too great a burden, there must be an additional source of revenue. To date no such source of revenue has been identified by the State Legislature.

The Town of Sandwich is fortunate to have able department heads who will do everything in their power to maximize the services they can provide, yet minimize the dollars that will be required. However, we are all realists and we realize that if this situation lasts more than one year, that the services rendered by the Town of Sandwich will be greatly diminished.

1980 was also the year when the Town of Sandwich learned that the Department of Energy of the United States Government decided to issue a proposed order prohibiting the burning of petroleum in Canal Unit #1, essentially forcing Canal Unit #1 to burn coal. To examine the probable impacts on the Town of Sandwich and neighboring communities, and to raise questions with the DOE, the Board of Selectmen appointed the following ad hoc committee on coal: J. Louis Roberti, William Chase, Richard Connor, John Ohman, Jonathan Leonard, William Adolfsen and Reale Lemieux from Sandwich; Barry H. Johnson, Mary-Jo Sorenti and Alex Consoni from Bourne. Their report was mailed this fall to the Department of Energy. To date we have not received a response. It is quite obvious that over the course of the next several years we will be in constant communication with not only Canal Electric, but also the State and Federal government on this issue.

While discussing Canal Electric, the Board of Selectmen would like to recognize the efforts of the Sandwich Fire Department in their response to two tank fires located at the Canal Electric site. The Sandwich Fire Department, as well as the Sandwich Police Department, and various other Town departments and individuals and businesses within the town, acted cooperatively to help mitigate a potentially disastrous situation. Moreover, we would like to thank the neighboring towns for assisting us in our time of emergency. A special thanks to the Fire Chief, Ferdinand L. Alvezi, for his leadership during this time of crisis.

While giving kudos we should also recognize the efforts of individuals who have helped bring the Little Red Schoolhouse in Forestdale from an abandoned condition to active use within the community. Special thanks go to Albert Roberti and Richard Connor.

The Town of Sandwich and the Town of Barnstable

jointly received a Coastal Zone Management Grant studying the shoreline process of Cape Cod Bay from 3,000 feet north of the Cape Cod Canal to Sandy Neck. This study was completed in early fall and the effect of the Cape Cod Canal was dramatically revealed. As we are sure most of you are aware, the sand on the shoreline of Cape Cod Bay in Sandwich has been removed over a period of years, the cause of which is the Cape Cod Canal and the extended sandcatcher on the northerly shore. We have discovered further that scouring, that is the removal of sand on the southerly shore, is caused by the shortness of the sandcatcher on the south side of the Cape Cod Canal. We must take steps to redirect or redeposit the sand moving from the north of the Cape Cod Canal to our southern shores if we are to preserve and rehabilitate our existing beaches.

The expansion of the Sandwich East Boat Basin continues to move forward. In 1979 we were successful in obtaining federal funds for the Corps of Army Engineers to conduct Phase 1 of their 3-phase study. Phase 1 was completed in November of this year.

In the spring of 1980 we discovered that the Phase 2 funds for the Corps, although included in the original federal budget, were deleted by the second requested federal budget. The Board of Selectmen was successful in presenting the need of the Sandwich East Boat Basin expansion to Washington, and we would like to especially thank Congressman Gerry E. Studds and Senator Paul Tsongas, for their continuing efforts on our behalf.

The Town of Sandwich continues to benefit from individuals donating parcels of land to the Town of Sandwich. This year we received a gift of land from Mr. Philip M. Boudreau. The Board of Selectmen, on behalf of the townspeople of Sandwich, would like to thank Mr. Boudreau. We sincerely appreciate his generosity. It is certainly beneficial to the Town of Sandwich to help preserve our watershed, our heritage, and our atmosphere.

In closing, we would like to specifically thank those individuals who serve on unpaid boards, committees and positions within the Town of Sandwich. Without your unselfish donation of time and effort town government could not function. You are part of the reason that the Town of Sandwich is such a desirable place to live. And to all the people of the Town of Sandwich we look forward to your criticisms and comments. Without sufficient input, government loses contact with the governed.

Respectfully submitted,

BOARD OF SELECTMEN

H. Eugene Carr, *Chairman*
David P. Persson
J. Louis Roberti

Report of the BOARD OF ASSESSORS

We have survived Tax Caps, we have survived reductions in Cherry Sheets, and we will survive Classification and the implementation of Proposition 2½. In terms of lost dollars from 1980 to 1981 we envision a reduction in the FY 82 budget of approximately \$700,000. The effects will be profound.

We are currently embroiled in two disagreements with the Commonwealth of Massachusetts. First, the Commonwealth has demanded of the Town of Sandwich to revalue their property and to classify according to the proposals passed in the 1978 General Election. We have no funds to do so, nor is the desirability of Classification great enough to add sufficient impetus to our decision. The second disagreement is over the value of certain lands within the Town of Sandwich owned by the Commonwealth of Massachusetts. We have lost our appeals in court on two occasions. We are bringing our position to the State Legislation.

A few words are due on the assessing of boats. Boat owners are reminded that they must file with the Board of Assessors a Form of List which values their vessel. With this Form of List the Board of Assessors must assume the highest value placed upon that length of boat by the Commonwealth of Mass. Moreover, failure to file mandates that we assess 1½ times the value established by the Commonwealth of Mass. We wish no taxpayer to be overvalued for their property, whether it be Personal or Real. Boat owners are encouraged to inquire at the Board of Assessors office at their earliest possible opportunity.

Respectfully submitted,

BOARD OF ASSESSORS

David P. Persson, *Chairman*
J. Louis Roberti
H. Eugene Carr

Report of the TOWN ACCOUNTANT

To the Honorable Board of Selectmen:

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I herewith submit my ninth annual report covering the fiscal year July 1, 1979 to June 30, 1980.

My sincerest thanks to the Board of Selectmen, Department Heads and Town Employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon
Town Accountant

Report of the TOWN CLERK ANNUAL TOWN MEETING MAY 5, 1980

The Annual Town Meeting was called to order at 7:35 P.M. at the Junior-Senior High School by the Moderator, Mr. Gary Nickerson. A quorum was declared.

The invocation was given by the Reverend Leif Olsen, Forestdale Baptist Church.

The Moderator then appointed Messrs. Dingley, Kingsbury, Gianferante and Rogow as Tellers.

Members of the Board of Selectmen and the members of the Finance Committee were introduced.

It was then voted to dispense with the reading of the Warrant.

Mr. H. Eugene Carr, Chairman of the Board of Selectmen then read the following proclamation:

PROCLAMATION

WHEREAS

Mr. Carl H. Hiler served the Town as Town Meeting Moderator from 1949 to 1967, and

WHEREAS

Mr. Carl H. Hiler served the Town as Town Accountant from 1954 to 1967, and

WHEREAS

Mr. Carl H. Hiler served the Town as Selectman-Assessor from 1967-1976, and

WHEREAS

Mr. Carl H. Hiler served the Town as Chairman of the Board of Selectmen from 1968-1976, and

WHEREAS

Mr. Carl H. Hiler served as Treasurer of the Sandwich Water District from 1955-1976, and

WHEREAS

The citizens of the Town of Sandwich, at the Annual Town Meeting held on May 7, 1979 directed that the auditorium of the Sandwich High School be designated and named the Carl H. Hiler Auditorium, and

THEREFORE

The Board of Selectmen take this opportunity to dedicate this room to the memory of Mr. Carl H. Hiler, and further

PROCLAIM

In the name of the Town of Sandwich that this room will now be officially known as the Carl H. Hiler Auditorium.

ARTICLE 1 - To hear the reports of all Town Officers and committees and to act thereon, or take any action relative thereto.

Unanimously Voted - That the reports of all Town Officers and Committees be accepted as printed in the 1979 Annual Town Report.

ARTICLE 2 - To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1980, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Unanimously Voted - Article 2 was Unanimously Voted as printed in the Warrant.

ARTICLE 3 - To see if the Town will vote to increase the appropriations limit as established by Chapter 151 of the Acts of 1979 by \$644,068.36, or do anything relative thereto.

Voted - That the Town increase the appropriations limit as established by Chapter 151 of the Acts of 1979 by \$644,068.36. This was a standing vote — 11 No — in excess of 260 yes.

ARTICLE 4 - To see if the Town will vote to approve the request of the Sandwich School Committee to increase the school budget limits established by Chapter 151 of the Acts of 1979 by \$351,386.00, or do anything relative thereto.

Voted - That the Town approve the request of the Sandwich School Committee to increase the school budget limits established by Chapter 151 of the Acts of 1979 by \$351,386.00. This was a standing vote; 18 no — in excess of 260 yes.

ARTICLE 5 - To see if the Town will vote to authorize the Board of Assessors to increase the levy limits established by Chapter 151 of the Acts of 1979 by not

more than \$96,900.07 so that the levy limit as so increased will not be more than \$7,552,797.07 provided that this levy limit may be further increased by amounts required to offset any decrease in state aid distribution, pursuant to Chapter 58 of the General Laws, and shall be decreased by any amounts of increased state aid distributed pursuant to said Chapter 58, in each case as certified by the Commissioner of Revenue, or do anything relative thereto.

Voted - That the Town authorize the Board of Assessors to increase the levy limits established by Chapter 151 of the Acts of 1979 by not more than \$616,900.07 so that the levy limit as so increased will not be more than \$8,072,797.07 provided that this levy limit may be further increased by amounts required to offset any decrease in state aid distribution, pursuant to Chapter 58 of the General Laws, and shall be decreased by any amounts of increased state aid distributed pursuant to said Chapter 58, in each case as certified by the Commissioner of Revenue. This was a standing vote — 2 No — in excess of 260 Yes and declared carried by more than 2/3 by the Moderator.

ARTICLE 6 - To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

Unanimously Voted - That the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, as follows:

Moderator	350.00	
Chairman of Selectmen	13,800.00	(plus earned longevity)
Selectmen (2) (13,480. ea. plus longevity)	26,960.00	
Chairman of Assessors	2,460.00	
Assessors (2) (2,250. ea)	4,500.00	
Treasurer	5,954.00	
Tax Collector	9,437.00	
Town Clerk	7,190.00	
Highway Surveyor	19,100.00	
Tree Warden	4,000.00	
Board of Health:		
Chairman	950.00	
Vice Chairman	900.00	
Clerk	900.00	

ARTICLE 7 - To hear the report of the Finance Committee and to raise and appropriate monies as may be needed to defray Town expenses for the Fiscal Year July 1, 1980 to June 30, 1981, or do anything relative thereto:

Unanimously Voted - That the Town raise and appropriate \$7,753,876.69 for the budget for Fiscal Year 1981 divided among the respective accounts as printed in the 1980 Annual Town Meeting under Article 7.

ARTICLE 8 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Town's share of Highway construction and to transfer monies received or to be received from the Commonwealth under State Aid to Highways programs for the use of highway construction on Chase Road and Pimlico Pond Road, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$18,784.00 from Surplus Revenue as the Town's share of Highway construction and that \$28,174.00 from State Aid to Highways for FY 1980 and \$28,174.00 from State Aid to Highways for FY 1981 be appropriated from monies received or to be received from the Commonwealth under State Aid to Highways programs for construction on Chase Road and Pimlico Pond Road.

ARTICLE 9 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to commence the investigation and correction of deficiencies in the heating, ventilating and air conditioning system at the Sandwich Jr.-Sr. High School, said funds to be administered by the School Building Committee, or do anything relative thereto.

Voted - That the Town transfer from the Revenue Sharing Fund \$80,000.00 to commence the investigation and correction of deficiencies in the heating, ventilating and air conditioning system at the Sandwich Jr.-Sr. High School, said funds to be administered by the School Building Committee. This was a **Voice Vote** and declared **carried** by the majority by the Moderator.

ARTICLE 10 - To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$13,000.00 for an automatic water treatment control system for the high school pool, that the sum be expended by a committee of three, to consist of the Chairman of the Community School Pool Committee, Director of Athletics, Sandwich High School, and the Superintendent of the Water District or do anything relative thereto. *(By Petition)*

Voted - That the Town raise and appropriate \$13,000.00 for an automatic water treatment control system for the high school pool, to be expended by a committee of three, consisting of the Chairman of the Community School Pool Committee, Director of Athletics, Sandwich High School and the Superintendent of the Water District. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 11 - To see if the Town will vote to authorize the appointment of a five-member School Building Needs Committee, to be appointed by the Selectmen, two members to be appointed from the School Committee and three members to be appointed from the community, with the authority to study school facility needs and to report back to a future Town Meeting, or do anything relative thereto.

Voted - That the Town authorize the appointment by the Selectmen of a five-member School Building Needs Committee, two members to be appointed from the School Committee, and three members to be appointed from the community, with the authority to study school facility needs and to report back to a future Town Meeting. This was a **Voice** vote and declared **Carried** by the Moderator.

ARTICLE 12 - To see if the Town will vote to raise and appropriate or transfer from available funds the sum of \$7,000.00 for the completion of rehabilitation of the "Little Red Schoolhouse," Route 130, Forestdale, so that it can be made useable, or do anything relative thereto.

Voted - That the Town transfer \$7,000.00 from Surplus Revenue for the completion of rehabilitation of the "Little Red Schoolhouse," Route 130, Forestdale, so that it can be made useable. This was a **Voice** vote and declared **Carried** by the Moderator.

ARTICLE 13 - To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Boat House - Ryder Property	\$1,472.86
Roofing Repairs - H.T. Wing School	2,058.98

Road Takings:

Bedford Place	5.00
Bayview Dr. and Pine Needle Lane	5.00

Drainage Repairs - Guild Rd.	5,313.51
Town Engineer Vehicle	397.19
Town Dump Lease	60.00
Highway Pickup Truck Purchase	634.00

Unanimously Voted - That the Town transfer \$9,946.54 in unexpended balances from Special Appropriations to the Surplus Revenue Account as listed in the 1980 Annual Town Meeting Warrant.

ARTICLE 14 - To see if the Town will vote to transfer the following unexpended revenue sharing balances from special appropriations back into the special savings account for Revenue Sharing Funds:

Freeman Avenue	\$44,503.00
Copy Machine Purchase	136.90
Dog Officer Vehicle Purchase	358.12
Lakewood Hills - various roads	16,299.94

Unanimously Voted - That the Town transfer \$61,297.96 in unexpended Revenue Sharing balances from special appropriations back into the special savings account for Revenue Sharing Funds, as listed in the 1980 Annual Town Meeting Warrant.

ARTICLE 15 - To see if the Town will vote to transfer the following unexpended Anti-Recession Funds from Special Appropriations back into the special savings account for Anti-Recession Funds:

H.T. Wing School Repairs	\$3,316.19
Eldred House Roof Repairs	1,700.00

Stone Wall Repairs	4,160.59
Comfort Station Repairs	1,882.42
Harlow Road	6,498.80

Unanimously Voted - That the Town transfer \$17,558.00 in unexpended Anti-Recession balances from special appropriations back into the special savings account for Anti-Recession Funds, as listed in the 1980 Annual Town Meeting Warrant.

ARTICLE 16 - To see if the Town will vote to amend the Town Bylaws by adding the following as Article XXII, or do anything relative thereto:

(Request of the Conservation Commission)

"Article XXII - Operation of Motor Vehicles on Town owned property. No person shall operate a motor vehicle, as defined in Chapter 90, Section 1 of the Mass. General Laws, on beaches, dunes, parks or conservation areas owned by the Town of Sandwich except on trails marked and approved by the Selectmen and the Conservation Commission.

Any person violating this Bylaw shall be punished by a fine of \$200.00 for each offense. Any officer authorized to make arrests may arrest without a warrant anyone who in his presence violates this Bylaw."

Voted - That the Town amend the Town Bylaws by adding the following as Article XXII.

"Article XXII - Operation of Motor Vehicles or motorized bicycle on town-owned property. No person shall operate a motor vehicle, or motorized bicycle as defined in Chapter 90, Section 1 of the Mass. General Laws, on beaches, dunes, parks or conservation areas owned by the Town of Sandwich except on trails marked and approved by the Selectmen and the Conservation Commission.

Any person violating this Bylaw shall be punished by a fine of \$200.00 for each offense. Any officer authorized to make arrests may arrest without a warrant anyone who in his presence violates this Bylaw."

This was a **Voice** Vote and declared **Carried** by the Moderator.

ARTICLE 17 - To see if the Town will raise and appropriate or transfer from available funds a sum of money to fund several social service organizations in the amounts listed below, for services to be performed for, and on behalf of, Sandwich residents, or do anything relative thereto.

Nauset Workshop, Inc.	\$1,000.00
Emergency Medical Services, Inc.	3,026.00
Cape Cod Mental Health	7,000.00
Project HELP	1,601.00
FISH	250.00
Head Start Program	750.00
Cape Cod Council on Alcoholism	2,300.00

Unanimously Voted - That the Town raise and appropriate \$15,927.00 to fund several social service organizations as listed in the 1980 Annual Town

Meeting Warrant, for services to be performed for and on behalf of, Sandwich residents.

ARTICLE 18 - To see if the Town will vote to instruct the Selectmen to petition the Commonwealth of Massachusetts to abandon to the Town of Sandwich that portion of the 1919 Layout of State Highway Route 130 and that portion of Shawme Crowell State Forest shown as a portion of Lot E3 on Assessor's Map 13; both as shown on plan of land drawn by William C. Taylor, Town Engineer dated August 1979 titled "Plan of Land to be acquired by the Town of Sandwich from the Commonwealth of Massachusetts," or do anything relative thereto.

Unanimously Voted - That the Town instruct the Selectmen to petition the Commonwealth of Massachusetts to abandon to the Town of Sandwich that portion of the 1919 Layout of State Highway Route 130 and that portion of Shawme Crowell State Forest shown as a portion of lot E3 on Assessors Map 13; both as shown on plan of land drawn by William C. Taylor, Town Engineer dated August 1979 titled "Plan of Land to be acquired by the Town of Sandwich from the Commonwealth of Massachusetts."

ARTICLE 19 - To see if the Town will vote to raise and appropriate a sum of money to reimburse Barnstable County for expenses incurred in connection to the matter of the layout, alteration, relocation or extension of Old County Road, Great Hill and Chase Roads as billed to the Town by the County Commissioners, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$13,443.98 from the Revenue Sharing Fund to reimburse Barnstable County for expenses incurred in connection to the matter of the layout, alteration, relocation or extension of Old County Road, Great Hill and Chase Roads as billed to the Town by the County Commissioners.

ARTICLE 20 -To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, a parcel of land consisting of 5.5 acres of upland and 2.37 acres of marsh shown on Assessors Map 23 Parcel N-12; and 5.49 acres of marsh shown on Assessor's Map 23 as a portion of N-6, and to raise and appropriate or transfer from available funds, a sum of money for said purpose, or do anything relative thereto.

After some discussion, Mr. Oetinger moved that the article be indefinitely postponed. The vote was standing vote; 303 Yes, 286 No. Indefinite Postponement was declared **Carried** by the Moderator.

ARTICLE 21 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain for conservation purposes, a parcel consisting of 12.23 acres of woodland

Great Hill Road and Popple Bottom Road, shown on Assessors Map 56 as Parcel D1, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town transfer \$20,700.00 from the Surplus Revenue Account and authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for conservation purposes a parcel consisting of 12.23 acres of woodland off Great Hill Road and Popple Bottom Road, shown on Assessors Map 56 as Parcel D1. This was a standing vote; 14 No, in excess of 260 Yes. This Article was declared **Carried** by 2/3 vote by the Moderator.

ARTICLE 22 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for conservation purposes, consisting of 1.80 acres and 10 acres adjacent to town owned land as shown on Assessor's Map 59, Parcel E-13A and Assessor's Map 53, Parcel E-13, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town transfer \$17,300.00 from Surplus Revenue and authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for conservation purposes, consisting of 1.80 acres and 10 acres adjacent to town owned land as shown on Assessor's Map 59, Parcel E-13A and Assessor's Map 53, Parcel E-13. This was a standing vote; 3 No, in Excess of 260 Yes. The Moderator declared this article carried by the 2/3 requirement.

ARTICLE 23 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for conservation purposes consisting of 3.15 acres adjacent to town owned land on the Service Road, shown on Assessor's Map 53, Parcel E-9; and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Voted - That the Town transfer \$7,300.00 from Surplus Revenue and authorize the Conservation Commission to take by purchase or eminent domain a parcel of woodland for conservation purposes, consisting of 3.15 acres adjacent to town owned land on the Service Road, shown on Assessor's Map 53, Parcel E-9. This was a standing vote; 1 No, in Excess of 260 Yes. This article was declared carried by the 2/3 requirement by the Moderator.

ARTICLE 24 - To see if the Town will vote to authorize the Conservation Commission to take by purchase or eminent domain a parcel of beachland for conservation purposes consisting of 9.1 acres adjacent to Town owned land off Leonard Road shown on

Assessor's Map 45 as Parcel J-11, and to raise and appropriate or transfer from available funds a sum of money for said purpose, or do anything relative thereto.

After considerable discussion on this Article, Mr. Oetinger made a motion for Indefinite Postponement which was seconded. The vote was 347 Yes, 309 No. The motion for Indefinite Postponement was declared carried by the Moderator.

ARTICLE 25 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to purchase a One Ton Dump Truck with attached Plow for the Highway Department or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$14,000.00 to purchase a one ton dump truck with attached plow for the Highway Department.

ARTICLE 26 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the purchase of a Backhoe for the Highway Department or do anything relative thereto.

Voted - That the Town raise and appropriate \$50,000.00 for the purchase of a Backhoe for the Highway Department. This was a **Voice** Vote and declared **Carried** by the Moderator.

ARTICLE 27 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to establish a Drainage Account to be controlled and administered by the Highway Department based upon a work plan established by them, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$30,000.00 from the Revenue Sharing Fund to establish a Drainage Account to be controlled and administered by the Highway Department based upon a work plan established by them.

ARTICLE 28 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for oil treatment of Town roads, to be controlled and administered by the Highway Department based upon a work plan established by them, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$30,000.00 from the Revenue Sharing Fund for oil treatment of Town Roads, to be controlled and administered by the Highway Department based upon a work plan established by them.

ARTICLE 29 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for highway work on Town roads in accordance with the following list, or do anything relative thereto:

Popple Bottom Road \$13,900.00

North Shore Boulevard 17,400.00
Regent's Gate 34,250.00

Unanimously Voted - That the Town transfer \$65,550.00 from the Revenue Sharing Fund for highway work on Town roads as listed in the 1980 Annual Town Meeting Warrant.

ARTICLE 30 - To see if the Town will raise and appropriate or transfer from available funds a sum of money to be administered and controlled by the Highway Department so that Guard Rails may be purchased for various town roads in accordance with a work plan established by the Highway Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$15,000.00 from Surplus Revenue to be administered and controlled by the Highway Department so that guard rails may be purchased for various town roads in accordance with a work plan established by the Highway Department.

ARTICLE 31 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury \$29,500.00 so that the Highway Department will remove snow and ice from private ways in the Town which are open to public use, or do anything relative thereto.

Voted - This Article was voted by **Voice Vote** and declared **Defeated** by the Moderator.

ARTICLE 32 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be made available during FY 1981 to purchase four police cruisers for the Police Department, or do anything relative thereto.

Voted - That the Town transfer \$30,000.00 from the Revenue Sharing Fund to be made available during FY 1981 to purchase four police cruisers for the Police Department. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 33 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to air condition the front three offices of the Sandwich Police Station, or do anything relative thereto.

Voted - That the Town transfer \$3,500.00 from Surplus Revenue to air condition the front three offices of the Sandwich Police Station. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 34 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the hiring of an additional patrolman for the Sandwich Police Department, or do anything relative thereto.

Voted - That the Town raise and appropriate \$11,921.00 for the hiring of an additional patrolman for

the Sandwich Police Department. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 35 - To see if the Town will raise and appropriate or transfer from available funds \$5,000.00 for microfilming town records, or do anything relative thereto.

Voted - That the Town transfer \$5,000.00 from Surplus Revenue for microfilming town records. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 36 - To see if the Town will vote to delete Section 2 of Article X of the Town Bylaws and substitute the following; or do anything relative thereto:

"No new building shall be constructed and no alterations of any existing building which increases the floor space thereof shall be made in Sandwich unless the applicant therefor first obtains from the Board of Selectmen or its authorized representative a permit therefor, for each of which permits the applicant shall pay in accordance with fee schedules as may be adopted from time to time by the Board of Selectmen.

Violation of this Bylaw shall be punishable by a fine not exceeding \$100.00 for each offense."

Unanimously Voted - That the Town amend the Town Bylaws by deleting Section 2 of Article X and substituting the following: "No new building shall be constructed and no alterations of any existing building which increases the floor space thereof shall be made in Sandwich unless the applicant therefor first obtains from the Board of Selectmen or its authorized representative a permit therefor, for each of which permits the applicant shall pay in accordance with fee schedules as may be adopted from time to time by the Board of Selectmen.

Violation of this Bylaw shall be punishable by a fine not exceeding \$100.00 for each offense."

ARTICLE 37 - To see if the Town will vote to authorize the Selectmen and the School Committee to enter into a Lease Agreement with the Commonwealth of Massachusetts for the purpose of establishing temporary Commuter Parking Lot at the Sandwich Jr.-Sr. High School and to transfer from available funds \$15,000.00 for said purpose.

Voted - That the Town authorize the Selectmen and the School Committee to enter into a Lease Agreement with the Commonwealth of Massachusetts for the purpose of establishing a temporary Commuter Parking Lot at the Sandwich Jr.-Sr. High School and to transfer \$14,000.00 from the Revenue Sharing Fund for same. This was a **Voice Vote** and declared **Carried** by the Moderator.

ARTICLE 38 - To see if the Town will vote to raise and appropriate or transfer from available funds \$1

000.00 to insulate and winterize various Town buildings to include the East Sandwich Fire Station; Forestdale Fire Station, Sandwich Police Station and the Sandwich Town Hall, or do anything relative thereto.

Unanimously Voted - That the Town transfer from Surplus Revenue, \$10,000.00 to insulate and winterize various Town buildings to include the East Sandwich Fire Station, Forestdale Fire Station, Sandwich Police Station and the Sandwich Town Hall.

ARTICLE 39 - To see if the Town will vote to authorize the Selectmen to appoint a three member committee to study data processing needs for the Town of Sandwich, to report back to the next Annual Town Meeting and to transfer from available funds \$1,000.00, or do anything relative thereto.

Voted - That the Town authorize the Selectmen to appoint a three member committee to study data processing needs for the Town of Sandwich, to instruct said committee to report back to the next Annual Town Meeting and to transfer \$1,000.00 from Surplus Revenue for the use of this Committee. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 40 - To see if the Town will vote to authorize the Selectmen to transfer by released deed that portion of land shown on a plan dated April 1979, drawn by William C. Taylor, Town Engineer, as Lot S3-2 on Assessor's Map 6, consisting of 23,717 sq. ft. to the First Church of Christ in Sandwich, or do anything relative thereto.

(Request of the First Church of Christ in Sandwich)

Unanimously Voted - That the Town authorize the Selectmen to transfer on payment of \$10,000.00 to the Town, by deed, that portion of land shown on a plan dated April 1979, drawn by William C. Taylor, Town Engineer, as Lot S3-2 on Assessor's Map 6, consisting of 23,717 sq. ft. to the First Church of Christ in Sandwich.

At this point, the Meeting was adjourned at 11:10 P.M. to reconvene at 7:30 on May 6, 1980.

The Annual Town Meeting reconvened at 7:30 P.M. on Tuesday, May 6, 1980. A quorum was present.

Tellers for the evening were Messrs. Kingsbury, Dingley, Jillson and Raymond.

ARTICLE 41 - To see if the Town will vote to raise and appropriate or transfer from available funds \$27,500.00 so that a series of walkways to the beach may be established under the direction of the Conservation Commission at North Shore Boulevard and at Town Beach, or do anything relative thereto.

Voted - That the Town raise and appropriate \$27,500.00 so a series of walkways to the beach may be established under the direction of the Conservation

Commission at North Shore Boulevard and at Town Beach. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 42 - To see if the Town will vote to transfer from available funds in the Sandwich Cemetery Perpetual Care Fund a sum of \$2,500.00 for the purchase of a tractor and a aerator, or do anything relative thereto.

Unanimously Voted - That the Town transfer from the Sandwich Cemetery Perpetual Care Fund \$2,500.00 for the purchase of a tractor and an aerator.

ARTICLE 43 - To see if the Town will vote to authorize the School Committee to convert the Henry T. Wing School boilers from oil to dual-fuel combustion, using either natural gas or oil and to transfer from available funds a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town authorize the School Committee to convert the Henry T. Wing School boilers from oil to dual-fuel combustion, using either natural gas or oil and to transfer \$37,000.00 from the Revenue Sharing Fund for this purpose.

ARTICLE 44 - To see if the Town will vote to raise and appropriate or transfer from available funds \$35,000.00 for purchasing, equipping and converting a used chassis into a Brushbreaker for the Forest Warden Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer from Surplus Revenue \$35,000.00 for purchasing, equipping and converting a used chassis into a Brushbreaker for the Forest Warden Department.

ARTICLE 45 - To see if the Town will vote to authorize the Selectmen to appoint a Community Service Building Committee and authorize them to enter into such contracts, supervise construction, execute change orders, approve requisitions and otherwise supervise and coordinate construction as may be necessary in order that a Community Service Building may be erected on two acres of town owned land on Morse Road, and to transfer from available funds a sum not to exceed \$150,000.00, or do anything relative thereto.

Unanimously Voted - That the Town authorize the Selectmen to appoint a Community Service Building Committee and authorize them to enter into such contracts, supervise construction, execute change orders, approve requisitions and otherwise supervise and coordinate construction as may be necessary in order that a Community Service Building may be erected on two acres of town-owned land on Morse Road, and to transfer from the Stabilization Fund a sum not to exceed \$150,000.00.

ARTICLE 46 - To see if the Town will vote to transfer and appropriate the income from the Hoxie House

and Grist Mill for the operation and maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$20,308.61 from the Hoxie House and Grist Mill Income Account for the operation and maintenance of the Hoxie House and Grist Mill.

ARTICLE 47 - To see if the Town will vote to transfer and appropriate the money from the Marina Income Account for the use of the operation, maintenance, repairs and capital outlay at the East Boat Basin Marina, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$19,050.27 from the Marina Income Account for the use of the operation, maintenance, repairs and capital outlay at the East Boat Basin Marina.

ARTICLE 48 - To see if the Town will vote to transfer and appropriate the money received from the State Public Library Aid Account to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$4,768.50 received from the State Public Library Aid Account to the Library Appropriation Account.

ARTICLE 49 - To see if the Town will vote to transfer and appropriate the money received from the Dog Fund in 1979 to the Library Appropriation Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$3,679.67 received from the Dog Fund in 1979 to the Library Appropriation Account.

ARTICLE 50 - To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, \$7,500.00 to be used as up front money as we continue the Sewerage Study Update. These funds to be reimbursed by state and federal agencies, and funds received to be transferred back to Surplus Revenue at the completion of the study, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$7,500.00 to be used as "up front" money as we continue the Sewerage Study Update. These funds to be reimbursed by state and federal agencies, and funds as are received to be transferred back to Surplus Revenue at the completion of the study.

ARTICLE 51 - To see if the Town will vote to authorize the Moderator, acting in conjunction with the Selectmen to establish a three member personnel board for the Town of Sandwich; this Board to have as its duties the formalizing of personnel policies within the Town of Sandwich, and from time to time as needs be recommended to the Town Meeting a personnel payment plan, or do anything relative thereto.

Unanimously Defeated - This Article was voted by voice vote and was Unanimously Defeated.

ARTICLE 52 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to a Reserve Account, or do anything relative thereto.

Voted - That the Town transfer \$10,000.00 from Overlay Surplus and raise and appropriate \$65,000.00 to set up a Reserve Account. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 53 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the celebration of the Fourth of July, or do anything relative thereto.

It was moved that the Town raise and appropriate \$7,500.00 for the celebration of the Fourth of July. This motion was seconded. An amendment was presented by Ruth Provost adding "to include fireworks."

The amendment was then voted by voice vote and declared Defeated by the Moderator.

Voted - That the Town raise and appropriate \$7,500.00 for the celebration of the Fourth of July. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 54 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the definition of Structure in Article V, or act in relation thereto, so it will read as follows:

Structure: Anything constructed or erected, the use of which requires fixed location on the ground, or attachment to something on the ground, including all buildings, mobile homes, billboards, towers, swimming pools or tanks having a capacity of 4,000 gallons or more, or the like, or part thereof; but not including paving, usual lawn accessories, fences or retaining walls six feet in height or less.

Voted - That the Town amend the Sandwich Zoning Bylaw by revising the definition of "Structure" in Article V, so it will read as follows:

Structure: Anything constructed or erected, the use of which requires fixed location on the ground, or attachment to something located on the ground, including all buildings, mobile homes, billboards, towers, swimming pools or tanks having a capacity of 4,000 gallons or more, or the like, or part thereof; but not including paving, usual lawn accessories, fences or retaining walls six feet in height or less.

This was a voice vote; 3 No, in Excess of 260 Yes and declared **Carried** by the 2/3 requirement by the Moderator.

ARTICLE 55 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revising Section 2600, f, by inserting the words "from

yard setback is required and" after the word feet, so it will read:

f. If abutting an arterial street, 60 feet front yard setback is required and to be maintained with vegetation.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by revising Section 2600, f, by inserting the words "front yard setback is required and" after the word feet, so it will read:

f. If abutting an arterial street, 60 feet front yard setback is required and to be maintained with vegetation.

ARTICLE 56 - To see if the Town will vote to amend or act in relation thereto the Sandwich Zoning Bylaw by deleting that part of the first sentence of Section 3130 that reads, "or 10% of lot depth, whichever is greater" so it will read: 3130. No off street parking shall be maintained closer to the street line than 20 feet.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by deleting that part of the first sentence of Section 3130 that reads, "or 10% of lot depth, whichever is greater," so it will read: 3130. No off street parking shall be maintained closer to the street line than 20 feet.

ARTICLE 57 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting those sections of Section 4300 pertaining to dune requirements and also adjusting the minimum feet elevation above sea level requirement to conform with the Flood Insurance Rate as follows, or act in relation thereto.

SECTION 4300 FLOOD PLAIN DISTRICT REQUIREMENTS

4310. No part of any sewage disposal system shall be less than 100 feet from the edge of any marsh.

4320. No building permit shall be issued for construction where any land to be excavated or filled in conjunction with such construction is less than eleven feet elevation above mean sea level unless granted a Special Permit for an exception by the Board of Appeals. Such Special Permit shall be issued only if it is demonstrated by the applicant that the proposed development will pose no hazard to the health or safety of the occupants thereof and meets Flood Plain District Requirements.

4330. Without limiting the generality of the foregoing, the following are presumed to be hazardous to health and safety:

- a. Floor level including basement or cellar of any structure less than eleven feet elevation.
- b. Individual sewage disposal systems subject to inundation in the event of coastal flooding to eleven feet elevation.
- c. Methods of filling or foundations subject to displacement by coastal flooding to eleven feet elevation.

- d. Water supply subject to interruption or contamination in the event of coastal flooding to eleven feet elevation.

Within ten days of receipt of the application, the Board shall transmit one copy of the development plan to the Conservation Commission, Planning Board, Board of Health, Town Engineer and Building Inspector. Final action shall not be taken until reports have been received from the above Boards or until 35 days have elapsed.

Unanimously Voted - Article 57 was Unanimously Voted as printed in the Warrant.

ARTICLE 58 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by adding the following definition in Article V or act in relation thereto:

Flood Plain District: The purposes of the Flood Plain District are to protect the public health, safety, and general welfare, to protect human life and property from the hazards of flooding, to preserve the natural flood control characteristics, and to preserve and maintain the ground water table and water recharge areas within the flood plain.

The Flood Plain District is delineated on the Sandwich Flood Insurance Rate Map (FIRM), dated June 18, 1980, as Zones A, A 1-30, V 1-30 to indicate the 100 year flood plain. The exact boundaries of the District are defined by the 100 year water surface elevations shown on the FIRM and further defined by the Flood Profiles contained in the Flood Insurance Study, dated June 18, 1980. This map as well as the accompanying Study are incorporated herein by reference and are on file with the Town Clerk, Planning Board, Building Inspector and Town Engineer.

Within Zone A, where the 100 year flood elevation is not provided on the FIRM, the developer/applicant shall obtain any existing flood elevation data and it shall be reviewed by the Building Inspector. If the data is sufficiently detailed and accurate it shall be relied upon to require compliance with this Bylaw and the State Building Code.

The Flood Plain District is established as an overlay district to all other districts. All development, including structural and non-structural activities, whether permitted by right or by special permit must be in compliance with Chapter 131, Section 40 of the Massachusetts General Laws and with the requirements of the Massachusetts State Building Code pertaining to construction in the flood plains (currently Section 744).

Unanimously Voted - Article 58 was Unanimously Voted as printed in the Warrant.

ARTICLE 59 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by deleting Section 4340 in its entirety or act in relation thereto.

Unanimously Voted - That the Town amend the Sandwich Zoning Bylaw by deleting Section 4340 in its entirety.

ARTICLE 60 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the definition of Building Height in Article V, or act in relation thereto, so it will read as follows:

Building Height: The vertical distance from the mean finished grade of the ground adjoining the building to the highest point of the roof for flat or shed roofs, to the deck line for mansard roofs, and to the ridge for gable, hip and gambrel roofs. Not included are spires, cupolas, TV antennae, or other parts of structures which do not enclose potentially habitable floor space.

Unanimously Voted - Article 60 was Unanimously Voted as printed in the Warrant.

ARTICLE 61 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the wording of Section 1230 to reflect the change in numbering from 120.0 to 119.1 of the Commonwealth of Massachusetts Building Code, or act in relation thereto, so it will read as follows:

1230. No certificate of use and occupancy as required at Section 119.1 of the Commonwealth of Massachusetts Building Code shall be issued in violation of any provisions of this Bylaw, and no use of land not requiring such certificate under the building code shall be initiated or changed with certification of use compliance by the Building Inspector.

Unanimously Voted - Article 61 was Unanimously Voted as printed in the Warrant.

ARTICLE 62 - To see if the Town will vote to amend the Sandwich Zoning Bylaws by adding to Section 4710 the following sentence, "Fences will be installed before any water is placed within the pool.", and inserting after the word "height" the following: "for a private pool and five feet high for a public pool", or act in relation thereto, so it will read as follows:

4710. Each swimming pool, whether public or private as defined in Section #442 of the Commonwealth of Massachusetts State Building Code shall be enclosed by a fence not less than four feet in height for a private pool and five feet high for a public pool, with a self latching gate, which shall completely enclose the swimming pool and surrounding walks and diving platforms. Fences will be installed before any water is placed within the pool.

Unanimously Voted - Article 62 was Unanimously Voted as printed in the Warrant.

ARTICLE 63 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by revising the definition of Lot Frontage in Article V, or act in relation thereto, so it will read as follows:

Lot Frontage: That portion of a lot fronting upon and having access to a street, measured continuously along the street sideline between side lot lines, or in the case of corner lots, between one side lot line and the midpoint of the corner radius. For lots on the outside of a curve whose radius is 120 feet or less, the lot frontage may be reduced at the street line to 60% of the required lot frontage, provided that the full required frontage can be met at the front building line. No lot width shall measure less than 60% of the required lot frontage between side lot lines within a distance of 100 feet from the street sideline.

Unanimously Voted - Article 63 was Unanimously Voted as printed in the Warrant.

ARTICLE 64 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows, or act in relation thereto:

Amend Section 2550 Non-conforming Lots, by deleting it in its entirety and substituting the following:

"Application of amended intensity of Use Regulations to previously created lots is limited by Section 6 CH. 40A, G. L. In addition, any increase in lot area, width, depth, frontage, yard, or coverage requirements of this Bylaw shall not apply to erection, extension, alterations, or moving of a structure on a legally created lot not meeting current requirements provided that either the lot is an exempted subdivision (see Section 2560) or the applicant documents that

1. At the time such increased requirement became applicable to it, the lot (a) had at least 5,000 square feet of lot area and 40 feet of frontage on a street; and (b) conformed to then-existing dimensional requirements.
2. the lot is to be used for a single dwelling unit or for non-residential use provided that no side yard shall be less than 20 feet on a lot having frontage of more than 100 feet but less than 200 feet and that no side yard shall be less than the greater of 10% of the lot's frontage or 6 feet on one side and 8 feet on the other on a lot having frontage of 100 feet or less.
3. either the lot was held in ownership separate from all abutting property on May 1, 1979, or the lot is one of not more than twenty (20) lots out of those shown on a plan endorsed by the Planning Board prior to May 1, 1979, which have been in the same ownership subsequent to that date.

Such non-conforming lots may be changed in size or shape or their land area recombined without losing this exemption, so long as the change does not increase the actual or potential number of buildable lots."

Moved - That the Town amend the Sandwich Zoning Bylaw as follows:

Amend Section 2550 Non-conforming Lots, by deleting

ing in its entirety and substituting the following:

"Application of amended Intensity of Use Regulations to previously created lots is limited by Section 6, Ch. 40A, G. L. In addition, any increase in lot area, width, depth, frontage, yard, or coverage requirements of this Bylaw shall not apply to erection, extension, alterations or moving of a structure on a legally created lot not meeting current requirements provided that either the lot is an exempted subdivision (see Section 2560) or the applicant documents that:

1. at the time such increased requirement became applicable to it, the lot
 - (a) had at least 5,000 square feet of lot area and 40 feet of frontage on a street; and
 - (b) conformed to then-existing dimensional requirements.
2. the lot is to be used for a single dwelling unit or for non-residential use provided that no side yard shall be less than 20 feet on a lot having frontage of more than 100 feet but less than 200 feet and that no side yard shall be less than the greater of 10% of the lot's frontage or 6 feet on one side and 8 feet on the other on a lot having frontage of 100 feet or less.
3. either the lot was held in ownership separate from all abutting property on May 1, 1979, or the lot is one of not more than twenty (20) lots out of those shown on a plan recorded at the *Barnstable Registry of Deeds prior to May 1, 1979* or endorsed by the Planning Board prior to May 1, 1979, which have been in the same ownership subsequent to that date.

Such non-conforming lots may be changed in size or shape or their land area recombined without losing this exemption, so long as the change does not increase the actual or potential number of buildable lots.

The motion was seconded, and Mrs. White, Chairman of the Planning Board, explained that this article was to ensure that owners of more than twenty lots are grandfathered *only* if they agree to schedule their building by means of a covenant drawn with the Planning Board. Discussion of the article followed, and Mrs. White stated that the article did not change the status of one, two, or three up to 20 lots as previously grandfathered.

Voted - Article 64 was voted as moved. This was a standing vote; 24 No, in excess of 260 Yes. The Moderator declared this Article carried by the 2/3 requirement.

ARTICLE 65 - To see if the Town will vote to amend the Sandwich Zoning Bylaw as follows, or act in relation thereto:

Amend Section 4800 by adding a new Section 4840 at the end thereof, to read as follows,

"4840. Zoning Change Protection. The protection

against subsequent zoning change described in Section 2550 shall, in the case of a development whose completion has been constrained by Section 4800, be extended to the minimum time for completion allowed under restrictions applied under Section 4800."

Unanimously Voted - Article 65 was Unanimously Voted as printed in the Warrant.

ARTICLE 66 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

Voted - That the Town raise and appropriate \$2,219.83 and transfer \$6,820.17 from the Beach Parking Account for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 67 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program for Fiscal Year 1981, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$50,000.00 from the Community School Income Account, \$17,558.00 from the Anti-Recession Fund and \$34,456.00 from Surplus Revenue for the operation of the Community School Program for FY 1981.

ARTICLE 68 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of interest on loans.

Unanimously Voted - That the Town raise and appropriate \$152,220.00 and transfer \$482,000.00 from Surplus Revenue for the payment of interest on loans.

ARTICLE 69 - To see if the Town will vote to amend Article XVIII of the Sandwich Town Bylaws by making the existing Article XVIII as Section 1 and adding the following as Section 2, or do anything relative thereto.

"Section 2. All land approved for sale in accordance with the provisions of Section 1 of this Bylaw shall be sold by the Selectmen at public auction after foreclosure by the Town of rights of redemption pertaining thereto, first advertising three times in a newspaper published in the County, with general circulation in the Town and posting notices at the Town Hall and Post Offices in the Town stating the time and place of said sale. The last advertisement and posted notice to be at least seven days prior thereto, provided that the Selectmen or whomever they may

authorize holds such public auction may reject any and all bids which they may deem to be inadequate.”

Unanimously Voted - Article 69 was Unanimously Voted as printed in the Warrant.

ARTICLE 70 - To see if the Town will vote to amend the Town Bylaws by adding as Section 7 under Article 1 the following:

“No vote shall be reconsidered at a Town Meeting unless notice of intent to ask for reconsideration shall have been served upon the Moderator within one hour of meeting time after the vote to which such notice relates has been announced.”

The Moderator turned the meeting over to Mr. Hoxie and spoke against this Article.

Voted - The article was **Defeated** by Voice Vote.

ARTICLE 71 - To see if the Town will vote to amend the Town Bylaws by deleting Section 1 of Article VIII and substituting the following, or do anything relative thereto:

“Section 1. These Bylaws may be amended at any Town Meeting; an article or articles for such purpose having been inserted in the Warrant for such meeting.”

Unanimously Voted - Article 71 was Unanimously Voted as printed in the Warrant.

ARTICLE 72 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to raise the surface of the Town owned parking lot near the entrance to the canal.

Voted - That the Town raise and appropriate \$8,000.00 to raise the surface of the Town owned parking lot near the entrance to the canal. This was a Voice vote and declared **Carried** by the Moderator.

ARTICLE 73 - To see if the Town will accept the layout of Country Farm Road, Cross Hill Road and Robinwood Circle, as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Country Farm Road, Cross Hill Road, Cross Hill Circle and Robinwood Circle, as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 74 - To see if the Town will accept the layout of a portion of Bourne Avenue as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of a portion of Bourne Avenue as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 75 - To see if the Town will accept the layout of King's Row, Yarmouth Road, Dover Street, Buckingham Drive (portion of), Kensington Drive, Windsor Road (portion of), Duchess Drive and Dukes Drive as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, in behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of King's Row, Yarmouth Road, Dover Street, Buckingham Drive (portion of), Kensington Drive, Windsor Road (portion of), Duchess Drive and Dukes Drive as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 76 - To see if the Town will accept the layout of Chestnut Lane and Latimer Lane as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Chestnut Lane and Latimer Lane as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary

herefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 77 - To see if the Town will accept the layout of Arnold Road as laid out and recommended by the Selectmen in accordance with the plans thereof dated February 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

(This Article was not recommended by the Town Engineer and the Highway Surveyor.

Voted - Article 77 was voted by Voice Vote and declared **Defeated** by the Moderator.

ARTICLE 78 - To see if the Town will accept the layout of Nottingham Drive and Pin Oak Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Nottingham Drive and Pin Oak Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 79 - To see if the Town will accept the layout of Pickerel Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Pickerel Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1980 and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such land as may be necessary therefor and to raise and appropriate \$5.00 for said purpose.

ARTICLE 80 - To see if the Town will confirm the 1979 Town Meeting vote and accept the layout of Arthur Court and Blackthorn Path as laid out and recommended by the Selectmen in accordance with the

plans thereof, dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain, on behalf of the Town such lands as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town confirm the 1979 Town Meeting vote and accept the layout of Arthur Court and Blackthorn Path as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such lands as may be necessary therefor.

ARTICLE 81 - To see if the Town will confirm the 1979 Town Meeting vote and accept the layout of a portion of Deer Hollow Road and Dana Road as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town confirm the 1979 Town Meeting Vote and accept the layout of a portion of Deer Hollow Road and Dana Road as laid out and recommended by the Selectmen in accordance with the plans thereof dated March 1979 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor.

ARTICLE 82 - To elect the following officers:

- One Selectman for a term of three years.
- One Assessor for a term of three years.
- One Tax Collector for a term of three years.
- One Treasurer for a term of three years.
- One Town Clerk for a term of three years.
- One Constable for a term of three years.
- One Member of the Board of Health for a term of three years.
- One Member of the Planning Board for a term of five years.
- Two Members of the School Committee for a term of three years.
- Three Trustees of the Sandwich Public Library for a term of three years.
- One Trustee of the Weston Memorial Fund for a term of three years.
- One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Veteran)
- One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Non Veteran)
- One Member of the Sandwich Housing Authority for a term of five years.

And all other candidates that may appear on the official ballot.

BALLOT QUESTION NO. 1 - Shall the town vote to accept the provisions of Section 13 of Chapter 258 of the General Laws which provides that the Town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense including reasonable legal fees and costs, if any, in an amount not to exceed \$1,000, 000.00 arising out of any claim, demand, suit or a judgement by reason of any act or omission except an intentional violation of civil rights of any person under any law, if the official at the time of such act or omission was acting within the scope of his official duties or employment?

Yes _____ No _____

Unanimously Voted - That the Meeting be adjourned until 8:00 A.M., Thursday, May 8, 1980, for the election of officers.

The meeting was adjourned at 10:35 P.M.

BALLOT QUESTION NO. 1

Shall the Town vote to accept the provisions of Section 13 of Chapter 258 of the General Laws which provides that the Town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense including reasonable legal fees and costs, if any, in an amount not to exceed \$1,000,000.00 arising out of any claim, demand, suit or a judgement by reason of any act or omission except on intentional violation of civil rights of any person under any law, if the official at the time of such act or omission was acting within the scope of his official duties or employment?

Yes	445	464	909
No	179	161	340
Blanks	158	90	248
TOTAL	782	715	1,497

The total number of registered voters at the close of registration prior to the election was 5,081. Precinct 1 - 2,253, Precinct 2 - 2,828.

hereby certify that this is a true record of the 1980 Annual Town Meeting and Town Election.

The polls were closed at 8:00 o'clock P.M. The total vote cast was 4,872, which included 258 Absentee Ballots; 134 - Precinct 1, 124 - Precinct 2.

The total number of registered voters at the close of registration prior to the election was 5,637.

The voting lists of Checkers and Ballot Clerks were checked and found in order. These lists agreed with the Ballot Box Counter.

I certify that this is a true record of the 1980 State Election held in Sandwich on November 4, 1980.

Channing E. Hoxie
Town Clerk

Report of Annual Sandwich HISTORIC DISTRICT MEETING Old King's Highway Regional Historic District

The Annual Election for a member of the Historic District Committee in Sandwich was held November 24, 1980 at 7:35 P.M. in the Junior-Senior High School.

The meeting was called to order by Mr. David Persson.

The first business was the election of a Moderator for the ensuing year. Mr. Persson volunteered to serve another term and was unanimously voted by acclamation.

Nominations were then received from the floor for a member to the Sandwich Historic District Committee. Robert Gerling nominated Mr. W. Daniel Cullity, Jr. Nominations were then Unanimously Voted closed.

The vote was by voice vote and Mr. Cullity was Unanimously Voted in as the member of the Historic District Committee.

There were 22 Historic District Voters present.

The meeting was adjourned at 7:37 P.M.

Barbara L. Walling,
Secretary

Report of the INSPECTOR OF BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The estimated value of construction for the year 1980 showed a decrease of \$2,267,138.

There were 593 permits issued with an estimated value of \$7,706,077. This was a decrease of 71 permits from the 1979 total.

Commercial permits showed a \$74,530. decrease with a 1980 total of \$1,044,250. This included one office building at \$120,000., the oil tank repair at the power plant estimated at \$850,000. and the fish hatchery on Old County Rd. at \$74,250.

Housing permits were also down from 212 to 130, a 39% decrease from 1979.

Stove permits were down from 190 in 1979 to 171 in 1980.

Total permits issued in 1980 were as follows:

		Est. Cost
Dwellings	130	\$5,129,065.
Additions/alterations	173	558,142.
Garages	17	120,000.
Dwellings Relocated	4	28,000.
Demolish	2	120.
Condominiums (24 units)	1	600,000.
Office Building	1	120,000.
Oil Tank Repair	1	850,000.
Miscellaneous	42	300,750.

Fees collected for these permits and paid to the Town Treasurer amounted to \$11,026.40.

I would like to thank everyone at the Town Hall and the Town Hall Annex for their willing co-operation, particularly our secretary Debbie Fournier and the Assistant Building Inspector, Abbott Johnson for their invaluable assistance.

Respectfully submitted,

Roland F. DeConto
Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1980.

There were 153 permits issued in 1980 for the installation of gas services and appliances, a decrease of 76 permits.

Installers have been most cooperative and responsible in their work.

I would like to thank the Selectmen, the citizens of the Town, and in particular Mr. Herbert A. Hamlen,

Debbie Fournier, and Chief Alvezi for their assistance and cooperation.

Respectfully submitted,

Walter T. Fagnant
Gas Inspector

Report of the PLANNING BOARD

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The Planning Board had few subdivisions of size to consider, but there continues to be many divisions of large lots on accepted ways being divided into two or more building lots, thereby increasing the potential growth of the Town.

We began some work on long-range planning for the Town, and hired a new planning/consulting firm, Vision Incorporated of Cambridge, Massachusetts. The areas looked at first were the Industrial area, the Marina and Central Village including Jarves Village or Factory Village. Due to a limited amount of funding we were unable to continue, but we are hopeful that we will be able to fund this project through Town Meeting action during the year 1981.

The Planning Board gave up its part-time secretary and office hours in December in an attempt to comply with Proposition 2½, and hope that this has not proved to be too great an inconvenience to the townspeople.

The Planning Board would like to thank the Engineering Department for their continued support and assistance with all our projects. We would also like to thank everyone who has assisted the Planning Board through the year.

Respectfully submitted,

Carol M. White
Chairman

Report of the BOARD OF APPEALS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

A total of 55 applications for Board of Appeals public

hearings were advertised in 1980. Fifty-three of these were heard as two were withdrawn before the hearing. The breakdown is as follows:

Special Permits, twenty-six granted, two denied, and seven turned down without prejudice. Variance applications, nine granted and nine denied. One appeal granted. Two authorizations to transfer a Special Permit to a new owner before construction began were granted, and a Comprehensive Permit application under Chapter 774 for housing for the elderly is pending.

Only one decision, Petition #80-30 was appealed requiring court action. This was on a variance to the Board granted to the applicant to permit the use of property located in the Government District for a medical center.

Nineteen hundred and eighty marked the first time the Board went on the Town Meeting floor to sponsor their own articles for proposed amendments to the Zoning Bylaw. We were 100% successful. We expect to propose more amendments in the future, the primary purpose being to improve our Bylaws. The deletion of the section pertaining to wetlands and dune requirements has already reflected in less hearings required. The Conservation Commission's public hearings now fully cover these requirements.

We want to thank our secretaries, Judy Hendy and recording secretary at the hearings, Amanda Blawie, our former office secretary, and Debbie Fournier, our present secretary for their cooperation and performing their duties well.

Respectfully submitted,

Albert Roberti, *Chairman*
Edward Osgood, Jr., *Vice-Chairman*
Arthur F. Kingsbury III, *Clerk*
Peter J. Closson
Edward Condon
Kevin Kirrane, *Alternate*
Lucian Colucci, *Alternate*

Report of the WIRE INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During calendar year January 1 to December 31, 1980 permits were issued for 168 new structures and 270 additions or alterations to existing structures. These figures show a decrease in new construction by 38% over 1979 while alterations were up by approximately the same figure.

Fees collected and paid to the Town Treasurer amount to \$1,092.00.

It was necessary to travel 4,050 miles to complete inspections.

I wish to thank everyone at the Town Hall and Town Hall Annex for their cooperation and especially Debbie Fournier for her efficiency and cooperation.

Respectfully submitted,

Victor M. Devine
Inspector of Wires

Report of the PLUMBING INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the calendar year 1980, 264 plumbing permits were issued. A decline of 28% from 1979. 740 inspections of plumbing installations in their various stages were made. Of these, 67 required minor corrections to be made.

There were 186 Disposal Works Construction permits issued and 284 inspections made.

There were 248 Percolation tests witnessed during the year.

A total of 11,512 miles was traveled during these inspections.

As always we wish to thank everyone that has worked with us during the past year especially our secretary Debbie Fournier.

Respectfully submitted,

Herbert A. Hamlen
Plumbing Inspector

Walter T. Fagnant
Asst. Plumbing Inspector

Report of the FOREST WARDEN

To the Honorable Board of Selectmen
Sandwich, Mass.

I hereby submit my annual report as Forest Warden for 1980.

The breakdown of department activities for 1980 is as follows:

Woods, Brush and Grass Fires	58
(Approximate Acreage Burned)	33½
Dump Fires	1
Smoke Investigations	34
Cook Permit Issued	250
Brush Permits Issued	827
Burning violations	17

Although there was a noticeable increase in the number of woods and brush fires this year (approx. 30%), I am happy to report that there were no fires of major proportion. Approximate acreage burned during 1980 increased by 11½ acres.

Open burning was allowed again in 1980 and the burning period was extended from 1-15-80 through 5-1-80, and will be the same in 1981. During this period a total of 827 permits were issued for burning. Permits must be obtained from the Fire Department before any burning can be done, the number to call is 888-0525.

I would like to take this opportunity to thank all departments and persons who assisted the Forest Warden during 1980.

Respectfully submitted,

Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN AND INSECT PEST CONTROL SUPERINTENDENT

To the Honorable Board of Selectmen
Sandwich, Massachusetts

This is my twenty-ninth Report as Tree Warden of the Town of Sandwich. Twenty-five trees were planted in various parts of town. Trees planted under this program included Moraine Locust, Little Leaf Linden, Red Oak and Sugar Maple.

We continued injecting elms with lignasan for the treatment of Dutch Elm disease. It seems from our experience that it is effective in protecting uninfected trees. We also continued the spray program, using the state-recommended material methoxychlor. However, under the radical cuts made in the Dutch Elm budget by 2½, these programs will have to be

limited. The budget has been cut from \$15,000 to \$5,000.

Our gypsy moth scouting program indicates there will be a serious problem with gypsy moths in 1981. They can be expected to be found everywhere in Sandwich. The caterpillars will not only be in the undeveloped areas, the campgrounds and their neighboring developments — where they were last year and will be at their heaviest this year, particularly Lakewood Hills. They will for the first time within memory, depending to some extent on the winds, move in to the center of town.

So that you will know what to expect: The female gypsy moth deposits her eggs in a well-formed buff colored egg mass in June or July and then dies. This egg mass will contain 75 to 1,000 eggs and they will be found anywhere from litter on the ground to the tops of trees. I have found them under and in mailboxes, under the eaves of houses, under trailers, in wood piles, you name it. During the winter months remove and destroy egg masses that you find. This will not however protect your property, for the emerging caterpillars (in May) can be carried on the wind for miles.

The Insect Pest Control budget, under which the gypsy moth control program falls, has been cut from \$9,000 to \$4,500. Considering the conditions which are anticipated, the \$9,000 budget would not have been adequate. The budgeted \$4,500 will scarcely cover spraying of the roadsides. Owners of infested property will simply have to hire private contractors. The recommended spray is sevin; this is an insecticide that deserves a great deal of respect and care in its use and I urge caution in using it yourself or in selection of those you may hire. Spraying must take place during the caterpillar stage; by the time you see moths (from late June on) it's too late.

This Department has had three budgets, the two aforementioned ones and the Tree Warden budget. Under the latter, the general activities of maintenance of town trees, pruning and removal of hazardous trees, tree planting etc. are conducted. We have always closely pared our budget requests within the requirements of this on-going work. Under 2½ this budget is cut from \$15,500 to \$6,000. Clearly trees are considered non-essential.

Respectfully submitted,

William J. Ellis
*Tree Warden and Insect Pest
Control Superintendent*

Report of the CONSERVATION COMMISSION

To the Honorable Board of Selectmen
Sandwich, Massachusetts

In the fourth year of public use, the Wakeby Holm Sanctuary and Recreation Area use is increasing yearly. The trail system was groomed and the use was up by thirty percent with cross country skiing excellent with the rare snow cover. We would like to thank the Sandwich Recreation Committee for managing the Wakeby Area during the summer months.

The CETA grant was completed successfully with all projects finished. The wildlife feeding areas in the Maple Swamp area will be planted and in full use in the fall of 1981.

The Wetland Act, Chapter 131, Section 40 continues to consume much of the Commission's time. We continue to have two meetings a month, the second and fourth Wednesday of each month. The Commission made 50 determinations, 45 public hearings and 123 on-site inspections. The Mass. Department of Environmental Quality Engineering has appealed our decision on three hearings which are pending at this time.

The Conservation Commission has continued to work with the same members for the first time in many years.

We wish to express our appreciation for the cooperation and assistance of the Board of Selectmen, Town Engineer, Recreation Committee, Highway Surveyors and the Town Hall staff.

Respectfully submitted,

Richard J. O'Brien
W. Stephen Collings
Ted Dingley
Frank Colombo
Eugene Morrow
Alden Lawson
Ronald Nurse

Report of the DOG AND CONSERVATION OFFICER

To the Honorable Board of Selectmen

Sandwich, Massachusetts

Herewith submitted is the annual report to the Activities of the Town of Sandwich Dog Officer:

Dogs Impounded	258
Dogs turned over to SPCA	32
Dogs turned over to SPCA by owners	10
Calls for Dog Officer	454
Complaints	567
Calls for Lost dogs	183
Calls re dogs hit by Motor Vehicles	13
Citations issued/Failure to Restrain	15
Letters Sent	36
Warnings to Restrain dogs sent	6
Warnings to License dogs sent	1,043
Calls re dog attacking another dog	2
Calls re dog attacking cats	2
Calls re dog attacking rabbits	3
Calls re dog attacking chickens	6
Calls re dog attacking pigs	1
Calls re dog attacking geese	8
Calls re dog attacking deer	1
Calls re cats	45
Cats hit by Motor Vehicles	5
Calls for Lost Parrot	1
Calis for Lost Goat	1
Hearings issued for Failure to License	47
Calls Relayed by Police Department	1,511

As of December 31, 1981, there were 1,514 dogs licensed, an annual increase of 10. All dogs at three months of age and older, must be licensed every year by the tenth of June. After that date the owners or keepers of unlicensed dogs are subject to Court Action.

Fees collected for 1980 for Pick up and Care and Custody amounted to \$3,191. There is a graduated pick up fee in effect which is as follows:

1st Offense:	\$10.00
2nd Offense:	\$15.00
3rd Offense:	\$25.00

Added to this fee is a two dollar per day charge for Care and Custody. This is to hopefully discourage repeated violations of the Leash Law. However, about 20 percent of the dog owners are the biggest offenders repeatedly.

Monies paid through citations for 1980 amounted to \$165.

Also, herewith is the 1980 report of the Fish and Game Conservation Officer:

Calls for Conservation Officer	99
Calls re horses	16
Calls re skunks	14
Calls re ducks	13
Calls re birds	9
Calls re raccoons	7
Calls re woodchuck	6
Calls re swan	5

Calls re rabbits	5
Calls re seals	4
Calls re squirrels	2
Calls re geese	2
Calls re cows	2
Calls re snakes	1
Calls re turtles	1
Calls re pigs	1
Calls re roosters	1
Deer hit by Motor Vehicles	4
Ducks hit by Motor Vehicles	1

Total calls logged at Kennel 1,480

In the performance of my duties as Dog and Conservation Officer, I have logged over 20,000 miles in the year 1980.

I would like to thank the following for their assistance: The Honorable Board of Selectmen, The Fire and Police Department Personnel, The Conservation Commission and The MSPCA.

Respectfully submitted,

Francis G. Silva
Dog and Conservation Officer

Report of the ANIMAL INSPECTOR

To the Honorable Board of Selectmen
and Residents of the Town of Sandwich:

During this past year, I have had 23 animal bite reports — 19 dogs, 3 cats and 1 wild mole. Quarantined and subsequently released the dogs and cats. The mole carcass had to be sent to the State Laboratory Institute. All animals proved to be free of Rabies.

I have inspected 84 farm animals and their shelters. There is no indication of infections or contagious disease. Most horses and ponies have been Coggins tested and vaccinated against Infectious Anemia and Eastern-Western Encephalitis.

Listed below is the census I took for the State Department of Agriculture:

Census:	
36 Horses	
16 Ponies	
18 Goats	
2 Sheep	
8 Beef Cattle	

4 Swine

84 Total

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the PARK DEPARTMENT

To the Honorable Board of Selectmen:

The Park Department had a very active year in 1980 taking care of the many Town beaches, parks and cemeteries. The lawns in the new Town Cemetery are coming along quite well since they were sprayed for chinch bugs this summer by the Tree Warden William Ellis.

The Town beaches, especially Lombard Park on Snake Pond, were cleaned daily with the help of a C.E.T.A. crew, who did a fine job of beach cleaning.

The flower beds in Town were handled by the Park Department under the direction of Robert Hoxie, who did a tremendous job his first year, and was greatly appreciated by everyone.

Since Proposition 2½ has come into being, the Department has lost its full-time gardener, also a full-time laborer, which will make it very difficult to maintain the Park Department at its past rate of efficiency. I hope the residents of Sandwich will bear with us in trying to do the best we can.

I want to thank the Selectmen for their help and co-operation during the year, and also the men who worked on the Department during the year.

Respectfully submitted,

Raymond L. Thayer, *Foreman*
Park Department

Report of the RECREATION COMMITTEE

To the Honorable Board of Selectmen:

Many recreational activities were once again held throughout the year for Sandwich residents.

The Sandwich Youth Basketball program was again very successful. Boys and girls in grades 5-6 participated for eight weeks on Saturdays at Sandwich High School. Over one hundred youngsters participated.

Ski trips to Pats Peak in Henniker, N.H. were held for Junior High and Senior High students. The Figure Skating Clinic continued to be very popular with youngsters in grades k-12 participating.

This year the Recreation Committee and the Community School co-sponsored the gymnastic program for youngsters in grades 1-8.

The Fourth of July parade and field events at the Henry T. Wing School marked the beginning of many summer activities. The annual road race was very popular this year. Over one hundred runners participated. Trophies were awarded to the top finishers in both men and women divisions.

The Arts and Crafts program was again directed by Miss Sunnee Gallup. Children ages 6-12 met on Monday-Friday in the art room at Sandwich High School. Approximately one hundred youngsters participated in this six week program.

Playground activities were held again this year. The program was run at Sandwich High School due to construction at the Wing School. The bowling program continued to be very popular with fifty boys and girls participating on Thursday mornings at the Cape Bowl in Hyannis. Tennis lessons were given at the Sandwich High School courts. Many children and adults participated. Lessons were given by Bob Zipay, Rama Roell, and Anna Roell.

Youngsters in grades 9-12 again participated in the Soccer program each Tuesday evening at the Elementary School soccer field. This program was under the direction of Ted Tedeschi. An exhibition game was played against Barnstable.

The swimming program was again well attended with over six hundred youngsters taking lessons from our three instructors Jan Semonian, Sharon Semonian and Caroline Freitas. Lessons were given at the Sandwich High School pool and at Snake Pond.

The sailing program under the direction of Jan Repoza was very popular. With the addition of two sailboats, many more residents were able to participate.

Men's and Women's tennis leagues were formed for the seventh consecutive year. The seventh annual tennis tournament was held for both Juniors and adult divisions.

The Men's Softball League expanded to seven teams and played on Tuesday and Thursday evenings at Sandwich High School.

The Youth Soccer program was again held this year under the direction of Ted Tedeschi. This year the program included instructional clinic for boys and girls in grades 1-2. Six teams of 3-4 grade young

sters, and six teams of 5-6 grade boys and girls participated on Saturdays for nine weeks. A travel team representing the 3-4 grade group and the 5-6 grade group played against teams from Mashpee, Otis, Taunton, New Bedford, Yarmouth, and Wareham. A Sandwich Youth Soccer Board was also formed this year. This program has increased from 150, to two hundred and seventy participants. Many thanks to all the volunteer coaches for making this program a successful one.

A Field Hockey program was also held for girls in grades 5-6 at the Elementary School field. Many thanks to Jan Perry for her time and effort.

The Recreation Committee would like to take this opportunity to thank the Selectmen, the Finance Committee, and all the people who gave their time, effort, and support to the different committees and programs sponsored by the Sandwich Recreation Committee. The Sandwich Recreation Committee meets on the first Monday of each month at 7:30 p.m. in the Sandwich Town Hall. All citizens of Sandwich are welcome to attend the meetings, and we look forward to your continued support and suggestions.

Respectfully submitted,

Susan Curley, *Secretary*

Report of the SHELLFISH WARDEN

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the summer of 1980, medium and large quahogs were planted in the Old Harbor Area.

Open shellfishing days will remain the same as in previous years, open on Sundays only during the months of November and December. It will close for the months of January and February and reopen Sundays during March and April.

The only change in regulations was for the taking of mussels. They may be taken on Wednesdays and Sundays during the months of November, December, March and April. Limit 1 bushel per day.

No oysters were available for stocking this year because an oyster disease Organism, *Minchinia Costalis*, was detected in them at the Federal Laboratory in Maryland. State rules and regulations prohibit the transplanting of these shellfish across town lines.

The Spooky Hole Area will remain closed for seeding and experimental area.

Thanks again to Deputy Wardens, Richard Currier and John Winslow for their able assistance.

Respectfully submitted,

Eugene H. Morrow
Shellfish Warden

Report of the TOWN ENGINEER

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

During the past year the Engineering Department has been involved with the following projects:

Coastal Zone Management Grant

We are happy to report that the study "Sand Inventory and Associated Studies of Beaches and Dunes, Scusset Beach to Sandy Neck", has been completed.

The final report "Shoreline Processes in the Vicinity of the Eastern Entrance to the Cape Cod Canal", prepared by the Provincetown Center for Coastal Studies is available for public review at Town Hall.

Among the key points in this report are the geological history of the coast bordering southwestern Cape Cod Bay, the effects of the Cape Cod Canal on the shoreline, and recommendations for coastal management of beaches from Scusset to Sandy Neck.

This report will serve as a valuable tool in establishing management procedures to preserve and restore our beaches, and we urge any interested persons to read this report.

Road Petitions

This year we have had an unusually large amount of petitions for the acceptance of private roads as town ways. A great deal of time has been spent on the preparation of the plans and cost estimates for recommendations at the Annual Town Meeting.

Twenty roads were submitted for the 1980 Annual Town Meeting, and so far thirty-seven were submitted to be brought before the 1981 Town Meeting.

Sanitary Landfill

This year we have assumed the responsibility for engineering supervision at the landfill site. Bi-monthly inspections for compliance with operational pro-

cedures, as required by the State, have been made. An extensive topography of the existing ground was done last summer. Calculations for the remaining volume at the site and its expected life were also made.

Septage Lagoons

Field surveys and preliminary design plans are being prepared for a new interim septage facility. This facility will be northeast of the area now in use.

Regular Duties

Throughout the year the Department continued its regular duties as follows:

1. Inspecting the construction of roadways and drainage facilities in subdivisions for compliance with Subdivision Regulations.
2. Inspecting lots for release of bonds for new home construction.
3. Preparation of cost estimates, plans and bid data for various Town projects.
4. Preparation of compliance reports and recommendations on applications before the Planning Board, Board of Appeals and Conservation Commission.
5. Revising and updating Town maps, Assessor's maps, Street Listing and land use data.
6. Providing engineering assistance for various Town departments.
7. Representing the Town on various committees.

We wish to thank all the citizens, Town Departments, Boards and officials for their assistance and support.

Respectfully submitted,

William C. Taylor, *R.L.S., P.E.*
Town Engineer

Report of the HIGHWAY SURVEYOR

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The fiscal year 1979 - 1980 was a busy and productive year. The following works were completed during this period.

General maintenance of the roads which included, patching, paving, brushing, and the conditioning of approximately 70,000 sq. yds. of roads with oil and sand cover.

The Drainage Account has afforded me the oppor-

tunity to resolve many drainage problems. However, there are existing drainage problems throughout the town that need attention.

The new "Backhoe" voted for at last town meeting has been a tremendous addition to this department. It has been utilized quite extensively for many projects.

With the town meeting action last year of transferring available funds for immediate expenditures, we were able to pave Regents Gate and a portion of No. Shore Blvd. with a savings to the town of \$23,604.66.

Because of the time element and the extensive work performed on Regents Gate and No. Shore Blvd., we were unable to complete the necessary excavation of Popplebottom Rd. by July 1, 1980, and because of the tremendous increase of asphalt there was not enough money to complete the surfacing of Popplebottom Rd.

Each year there are requests for the town to accept new roads. As of this date there are 71 requests for road-takings. This means more expenses for the Highway Department to maintain these roads, as well as for snow and ice control. It also puts a big burden on the equipment and the manpower. In spite of the increasing miles of road, the revenue for the town does not increase. With Proposition 2½ there are no available funds for the added service. Because of the added service, at some point in time the department will need equipment replacements, such as a road sweeper, and replacement of some of our larger trucks.

I wish to extend a word of thanks to the Conservation Department and the Park Department for their tremendous assistance with the snow plowing during this year's snow storms. Also thank you to the Engineering Department for their continued cooperation during this past year.

Respectfully submitted,

James L. Crocker
Highway Surveyor

Annual Report of the District Department of VETERANS' SERVICES

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

1980 was again a very busy year for this office. We exceeded 10,000 incoming telephone calls and personal visits with problems ranging from Real Estate Abatements to Medical Assistance and even

hing in between.

To assist Veterans with these problems, my staff, as well as myself, must keep open constant communications with all Social Services, Federal, State, and Local Programs to take advantage of all benefits available for Veterans and their Dependents. I would like to thank the Town Personnel for their assistance to me and my staff over the last year. This cooperation enabled me to function efficiently.

Herewith is a Report from my investigator, George C. Christopulos:

As Investigator for the Department of Veterans' Services it is my responsibility to take applications for the Veterans and their Dependents who are in need of assistance. Applications must then be ascertained as to eligibility for Veterans' Benefits as per Directives under Chapter 115 of the Massachusetts General Laws.

Job responsibilities in the Veterans' office consist of exploring the various avenues where the Veterans are able to receive the aid essential to their needs, through the Agencies such as the Social Security Administration, Department of Public Welfare and the Division of Employment Security, as well as pursuing applications for Veterans Administration Pensions, on the Federal level. In the past year, this office participated in the Federal/State Emergency Fuel Program Grants in establishing eligibility for those in need of benefits.

I would like to take this opportunity to thank the office staff and all the Departments for their cooperation given me this year.

George C. Christopulos, *Investigator*

Respectfully submitted,

Sidney L. Chase
Director and Agent

Report of the VETERANS' GRAVES OFFICER

Honorable Selectmen
Town of Sandwich
Sandwich, Massachusetts

It has been eight years since I have updated the number of gravesites for service persons of all Wars in my report.

Many Legion members, Boy Scouts, and interested persons, assist in putting the flags on the gravesites for Memorial Day.

I make a survey and new listings are made and card file is updated before Memorial Day, and my home-made maps are brought up to date at that time.

If I should miss any service person's site, please let me know in which area of the Cemetery the lot is located and it will be taken care of.

We also have had some service persons buried at the National Cemetery at Otis since it opened last year.

Annual Report of the Sandwich ARCHIVES & HISTORICAL CENTER COMMITTEE - 1980

Great interest in the new Archives Department has been shown by members of our Sandwich community who have made important contributions, such as a major gift of family papers, photographs and maps from the Freeman Farm. Other important receipts by the Archives office in 1980 include early Proprietors' land transactions from Junia Hannah Curtin, Barnstable County Ship Registry from the early nineteenth to the twentieth century; case records of Judge Whittemore 1862-92; and of great human interest, new information on what happened to the French Acadian families who came to Sandwich as part of the tragic history of the Acadians deported by the British from Nova Scotia in 1755.

We still need more of this kind of material, and anyone having photographs, letters, family genealogy or any other historic items is urged to come to the Archives for an appraisal to help us in our search for every item of interest in the long history of Cape Cod's oldest town. The Center is working on a complete listing of burial markers in all cemeteries. During the year the Forestdale cemetery records were turned over to the Town, but curiously we find that no cemetery seems to have kept complete interment records. The Center has aided the Selectmen in placing historical photos on the walls of Town Hall, and has cooperated with the Library and the Historical Society in answering questions about town history.

It is probably not generally realized how many out-of-State visitors come to the Archives in search of their 'Roots'. In 1980 we had customers from two Canadian Provinces and twenty-eight states, including Hawaii, California, Oregon, Washington, and Arizona. We are consulted about such varied interests as early baseball, railroads, maps, woodlots, the magic spring at Town Hall, the Boston & Sandwich Glass Company, early newspapers, taxpayers, census rolls, etc. How far our fame has spread is amusingly illustrated by a satisfied customer leaving the office with a thick batch of photocopied family records: "I heard in Ohio that there was a unique collection of records in Sandwich Archives!" Our Center has become a matter of real interest and inspiration to several other Cape Cod towns.

At Sandwich Town Meeting in May 1979, the voters approved of work by the Archives toward the production of an updated Town History and a companion book of Vital Records. These books were scheduled to appear in 1982 and 1983. Much preliminary study has now been completed for these books, involving research into early town meeting records and wide reading of early newspapers, genealogy, Quaker history and other material from varied sources.

It will be seen that the work of research for these new books is both wide and specialized. The History must be readable by the public, not just for experts. It must be detailed and accurate — a great human story of the first settlers on Cape Cod. According to the owner of a local book store, there are already inquiries for the new Sandwich history book. And in 'History News' the national magazine of The American Association for State and Local History, an article appeared discussing the present market for town histories. For national sales only two areas are of broad public interest, and these are New Orleans and Cape Cod!

As to our record of births, deaths and marriages, the market is in Libraries, Historical Societies and genealogists, but wide sales are assured. The Archives Committee and staff urges the town to proceed with the completion and publication of these two important new books.

The Archives and Historical Center in Sandwich is

now firmly established, and long-range plans are being prepared by this unique town department to be of effective service to all other town departments as well as to the townspeople and our many visitors.

Mrs. Jane Morrow Mercier, *Research*

Report of the Sandwich HISTORICAL COMMISSION Report for 1980

The Commission was formed in 1971 when the Town voted to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8D. The duty of the Commission is to research, prepare, and maintain an inventory of physical historic assets in the whole town, as prescribed by the Massachusetts Historical Commission under these headings:

1. Buildings (houses, barns, schools, factories, etc. generally those over 100 years old).
2. Structures (walls, herring runs, bridges, wharves, the boardwalk, etc.).
3. Monuments (structures or plaques in honor of war service, leaders, or historical events).
4. Burial Markers (cemeteries, tombs, noted persons buried, all stones earlier than 1830).
5. Sites (location of Indian sites and historic spots such as Christopher's Hollow and Old Briar Patch).

Our inventory is important to the town as the basis of facts to be used in preparing historic tours, school history programs, lectures, historic maps and similar efforts to recognize and preserve our town heritage. The inventory is also the basis for official identification of Sandwich historic assets in State and Federal programs such as National Register listings, new historic districts, and historic preservation grants. The East Sandwich and Spring Hill inventory was completed in 1972 and considerable sections of Sandwich were submitted in 1974 and 1976. Work

on the balance of the town including Forestdale and South Sandwich is now nearly complete. The files of the Commission on each house and other historic structure are public documents, and residents are welcome to see them. Please come in to the Town Hall Annex (top floor) to find what is known of the age and history of hundreds of houses and other historic assets in Sandwich, including your own house if it is 19th Century or earlier.

At year's end the Commission was working on National Register applications for three historic properties: The Nye Family House, the Quaker Meetinghouse and the Green Briar Jam Kitchen.

The Commission meets on the fourth Thursday of each month but works daily with the Archive staff in basic research in town history. It shares the use of the archives library of genealogies, town histories, maps, documents and family files. The Commission is entirely distinct from the Old King's Highway Historic District Committee which is empowered to review additions or changes to buildings in the area north of the Mid-Cape Highway.

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen
and Residents of the Town of Sandwich:

In spite of the heat, humidity and wall to wall people, the lectured tours continued all day. This was one of the busiest seasons. Many times groups had to wait outside because the building was already too crowded! Guests came from all over the United States and many foreign lands. They were always delighted with Sandwich and The Old Hoxie House — especially for tours. More children visited here than ever. (One attraction being free admission under 12 years!) Of all the interesting groups that came, one was outstanding — 45 from Truro, England. A reporter with them taped the tour for the B.B.C.

The furniture and furnishings are in good condition. They are oiled and cared for regularly.

The herb garden did well this year. Many green cuttings were used throughout the summer in bouquets and some were dried for next season. The beautiful old-fashioned flower garden planted and tended by Robert Hoxie was a delight to all.

My assistants, Mrs. Walter Hilliard, Mrs. Alfred Hoey and Ms. Jane Cournoyer, join me in thanking you for any aid given us this past season. A special thanks to the Park Department for always being ready and willing to help beyond their call of duty.

Do remember taxpayers and local residents, the Old Hoxie House is your house to visit.

See you next summer?

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the DEXTER GRIST MILL

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The Mill opened on June 7th and was forced to close on the 9th for repairs and reopened on the 15th and worked great the rest of the season.

It was a very hot and dry summer, still we had a record season. We ground 16 and 1/2 tons of corn and sold over 14,500 two pound bags of corn meal which is a good season.

We had special groups from off the Cape, the Senior Citizens and school children from the town and other towns and many other groups. There were guests from every state in the Union and Canada and many foreign countries, and asked many questions about the Mill and town. A great number visit the Mill every season to get a new supply of corn meal for the winter.

Many of them thought the location of the Mill with the shrubs, flowers and lake with the ducks, swans and geese make a beautiful setting.

The Mill closed October 13, 1980, with a good season.

The town property owners are always welcome as a guest of the town.

Try some of the corn meal — it's great.

Respectfully submitted,

Blake S. Norris

Channing E. Hoxie
Treasurer

Report of OLD KING'S HIGHWAY Regional Historic District Committee

Your Committee had another active year in 1980 processing 255 applications for Certificates of Appropriateness. This represented an increase of 15 over 1979.

Among the more important matters which came to the Committee for consideration was a request by the Massachusetts Division of Fish & Wildlife for permission to install new pools and structures at the State Fish Hatchery in East Sandwich and a request for the removal of the buildings from the property in Sandwich known as the Freeman Farm. In the case of the Hatchery, because the plans of the structure were completed before we became involved, a less than perfect solution was the planting of a hedge of cedar trees to screen the structures from view from

Old County Road. The Freeman Farm issue aroused a lot of emotional interest and the Committee voted not to give permission to remove the buildings. Negotiations with Canal Electric Company, the present owner of the property, are on-going in an attempt to work out a possible use of the buildings on the site. These negotiations are not part of the activities of this Committee.

Because of a controversial situation in Brewster involving the Regional Historic District Committee there, opposition to the existence of the committee has arisen in several Towns, including Sandwich. A study committee consisting of two members, not associated with the committees, in each Town is working to see what can be done to remedy this situation.

Bob Bridges who has been a member of the Committee since its beginning decided not to stand for re-election. Walter D. Cullity, Jr. of East Sandwich was elected for a term of three years. We take this opportunity to thank Bob for his valued contribution to the deliberations of the Committee. We also thank Mrs. Helen Palmer for her faithful service as Secretary and also Roland DeConto, our Building Inspector, and Ms. Debbie Fournier for the considerable work they do in processing the applications.

George Sutton, *Chairman*
Paul White

Milton Schwartz
Robert Bridges

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich:

As Chief of Police, I respectfully submit my annual report for 1980.

1980 was a busy year for the Sandwich Police Department. Total complaints investigated numbered 6,590, up from 6,217 in 1979.

Sandwich was fortunate in 1980, as it was in 1978 and 1979, to have the lowest crime rate, per thousand population, in Barnstable County.

Breaking and enterings, one of our more serious problems, decreased to 91 from 154 in 1979. 22 larcenies were investigated, down from 248 in 1979. Two rapes were investigated. Both were cleared by court action.

173 cases of vandalism, a continuing problem, we

investigated, down from 190. Other criminal investigations included 4 robberies, up from 1, along with assault 33, down from 42 in 1979, and auto theft 27, down from 23. 6 forgeries were investigated, along with arson and 7 buying stolen property, also 4 sex offenses, 17 drug violations, 2 offenses against family. The remaining complaints were of minor criminal or service nature.

Of the 6,590 complaints, Sandwich Village accounted for 2,904, South Sandwich 1,607, East Sandwich 1,465, Forestdale 567 and Sagamore Beach 47.

306 complaints were received between 4:00 P.M. and 12:00 midnight, 2,512 were recorded between 12:00 A.M. and 4:00 P.M., and 1,272 between 12:00 midnight and 8:00 A.M.

Saturday was the busiest day with 1,026 complaints, followed by Friday 998, Thursday 949, Monday 942, Wednesday 904, Tuesday 891 and Sunday 880.

A total of 220 arrests were made by members of the department. 75 inebriated persons were taken into protective custody and later released or transported to a detoxification center.

Continuing the department's policy of strict enforcement of the motor vehicle law, 2,398 citations were issued, of which 725 required court action and 1,673 were warnings.

75 motor vehicle accidents were investigated, down from 191 in 1979. Two persons died in an accident on Rte. 6. 67 accidents involved personal injury and 108 were property damage only.

Officers investigated 1,140 citizen reports of suspicious persons, vehicles or incidents, answered 94 burglar and holdup alarms, all of which were false, served 338 summonses and relayed 1,511 calls to the Dog/Conservation Officer from the Police Communications Center.

Continuing its intensive housecheck program, the department members made 19,384 checks of vacant homes. 318 homes and businesses were found open by officers during security checks.

Assistance was rendered on 1,641 occasions, 737 to the Fire Dept. and ambulance, 262 to other law enforcement agencies and Town departments, 20 to mentally disturbed persons, 53 to homeowners, 168 to disabled motorists, 133 escorts, 93 civil matters, 8 medical assists and 167 dog and conservation calls were handled by the police.

103 Firearms ID cards were issued along with 77 pistol permits.

\$2,339.00 was turned over to the Town Treasurer from the sale of gun licenses and copies of police reports sold to attorneys and insurance companies.

I would like to take this opportunity to thank the citizens of Sandwich, the Board of Selectmen and other Town departments and boards and other law enforcement agencies, and of course, my own officers,

for the assistance and cooperation they have shown me during the year.

Respectfully submitted,

Robert D. Whearty, Jr.
Chief of Police

Report of the FIRE DEPARTMENT

Honorable Board of Selectmen
Sandwich, Mass.

The annual report of the Sandwich Fire Department for 1980 is herewith submitted:

Listed below is the breakdown of department activities:

Structure Fires with a loss over \$1,000.00	10
Approximate loss \$42,000.00	
Structure Fires with a loss under \$1,000.00 . . .	10
Approximate loss \$2,025.00	
Woods, Brush and Grass Fires	58
Vehicle Fires	33
Approximate loss \$22,675.00	
Electrical Fires	10
Chimney Fires	24
Dump Fires	1
False Alarms	6
Needless Alarms	16
Burning Without Permit	4

2 1/2"	10,820

Inspections:	Applications Received	Permits Issued
Oil Burners	81	99
Fire Alarms	135	175
Blasting	1	1
Model Rockets	11	11

During 1980 the Sandwich Fire Department responded to a total of 1,737 calls, an increase of some 270 runs over 1979. This number was the highest amount of runs ever recorded by the Sandwich Fire Department. Increases were noted in all categories.

Ambulance runs for the year totaled 866. This is an increase of 86 runs for the year. 23 of these calls were Mutual Aid to other towns.

The Town now operates 3 ambulances, 2 Class I and one Class V. We will continue to do this as long as the equipment meets regulations. The 1972 Cadillac Ambulance is showing its age and could possibly be phased out of the department in the near future.

Structural fires for 1980 showed a very slight increase over 1979, the estimated damages were set at \$44,025.00, this is a decrease of some \$31,000.00 from the previous year.

During the year, 424 people came to the Fire Station for Blood Pressure checks.

Of course the big news concerning the Fire Department in 1980 was the two fires in the #6 Oil Tank at the Nepco Terminal of Canal Electric Company. This indeed was a true test for the Fire Department and its many neighbors who responded for our call for assistance. One thing I will never forget is the aid

rendered by the other Town Departments and individuals who assisted us in many ways, again many thanks.

Due to Proposition 2 1/2, the Fire Department will no longer be able to man the East Sandwich and Fore Dale Stations in the summer, but it will continue to cover these stations during times of power outage and severe storms.

Remember — to report a fire or request the ambulance, the number to call is 888-2323. Any other business should be conducted by calling 888-0511.

I would like to take this opportunity to thank Town Officials, Members of their Departments, all Fire Department personnel, individuals and neighboring Towns for their help in 1980.

Respectfully submitted,

Ferdinand L. Alvezi
Chief of Fire Department

Report of the **CLARK-HADDAD MEMORIAL BUILDING**

For fiscal year 1981 Clark-Haddad Memorial Building was operating for the first time on a budget of \$1075.00. By the time ballots were counted in November 1980 and a new President had been elected at a questionable Proposition 2 1/2 had been mandated by the people of the Commonwealth a whole new set of problems had been developed effecting all of us for years to come. By December 9, 1980 the trustees were directed by the selectmen that they delete from our current budget the sum of \$453.75, this sum to be returned to the town certified as free cash to help defray the coming 1983 financing of the town.

Our latest budget request for the fiscal year 1981 was submitted in December of 1980, in the amount of \$6,975.60 a reduction of \$2,100.00 from this year's budget but provides for no major repairs or planned increases of any kind. With Nature's cooperation together with the assistance of all those persons using the premises we should be able to get by this crisis comfortably.

Organizations presently using Clark-Haddad Building are:

Council on Aging Office
Council on Aging Art Classes
Council on Aging Craft Class
Council on Aging Bridge Class

Council on Aging Drop In Center
 Council on Aging Meals on Wheels
 Girl Scouts
 The Sweet Adelines
 Sandwich Extension Service
 Sandwich Arts and Crafts Assoc.
 Sandwich Gardeners
 The Covenant Community Way.

The foregoing approved by the trustees:

Clarence VanBuskirk, *Chairman*
 Carl Bazzinotti
 Dennis Earle
 Clifford Perry
 Ernest A. Oetinger, *Clerk*

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen
 and Citizens of Sandwich:

Submitted below is my sixteenth Annual Report as
 Public Health Nurse for the Town of Sandwich.

We, the Sandwich Nursing Agency, have for two
 years been working under the new State and Federal
 guidelines called "Conditions of Participation for
 Home Health Agencies." From these guidelines all
 previous contracts for services to the townspeople
 have had to be revised to meet the regulations stated.

Due to the fact that patients are being discharged
 earlier, in their stage of illness, from the hospitals a
 bigger demand is put on the Home Health Agencies
 to provide more prolonged skilled services. Our need
 for and use of physical therapy has doubled from
 previous years.

Many patients are making the choice to stay in their
 own homes instead of institutional living such as
 nursing or rest homes. The demand for assistive help
 for these people has become much greater in the
 form of a Homemaker Home Health Aide. These
 people go into the homes to assist a person with
 personal care, cooking, cleaning, and general aides
 to daily living that they are unable to perform fully
 themselves. From this need a new contract has been
 signed with the Medical Personal Pool to provide the
 extra workers to assist in patient care.

Because of the extra demand for services from the
 Sandwich Nursing Agency, necessary extra paper
 work has also put a demand on the staff. We were
 fortunate to have summer help from the college work
 program out of Simmons College and at the present
 a CETA worker from the Sandwich High School.

For many years the Sandwich Nursing Agency with
 the Sandwich Board of Health has provided flu injec-
 tions through clinics to the townspeople. These
 clinics have always been held at the Barnstable
 County Hospital Out Patient Department. The hospi-
 tal was only able to give us a limited time for our
 clinics, because of this the need to provide the clinics
 closer to the town and time has become a necessary
 consideration.

We have all been hit with the increase in the cost of
 living, because of this the Well Women Conferences,
 which are sponsored by the Sandwich Health Asso-
 ciation have increased in size and number. The
 Sandwich Health Association has also discussed the
 need for Well Men Conferences. They are now pro-
 viding services for women and children.

PROFESSIONAL ADVISORY BOARD

The Town of Sandwich Nursing Agency Professional
 Advisory Board held four regular and one budget
 meeting during 1980.

Quarterly reports were submitted by the Record
 Review Subcommittee and the Public Health Nurse.
 Agency policies were reviewed and updated to meet
 the Medicare and Medicaid regulations as set forth in
 the Conditions of Participation for Home Health
 Agencies.

New members appointed to the Board were: Milton
 R. Cook, Jr., Barbara J. Fenner, Helene A. Fisk,
 Mary J. Fuhrman, John Jacobi, James E. Martin,
 Regina O'Brien, John J. Piekarski, and J. Louis
 Roberti.

In September, Janet E. Davis was elected chair-
 person and Hazel Keith was elected vice-chair-
 person of the 1980-1982 Professional Advisory
 Board.

Our thanks and appreciation to the outgoing mem-
 bers and members who resigned: Sarah W. Bassett
 (in memoriam), Frank E. Colombo, Jr., Kathleen C.
 McGonagle, Robert J. O'Doherty, and David P. Pers-
 son. Outgoing member, Margaret S. Pola, is deserv-
 ing of special recognition as she served as a Board
 member since it was established in 1966.

Report of the BOARD OF HEALTH

To the Honorable Board of Selectmen:

Fiscal year 1979-80 the Board of Health's budget was \$109,419.00. The budget for fiscal year 1980-81 was \$108,098.00. In spite of inflation we have continued to operate the Board of Health in a responsible manner. In Fiscal 1982 with a new operator and a contract we can submit this low budget. For the first time since 1936 in this location we will have to purchase fill for our general operation at the Landfill.

I have been in every Landfill on Cape Cod and several off the Cape. I feel we are second to none in our operation and although I do not know their figures, I feel we do an excellent job of maintaining our Landfill in an economical way.

The Disposal Area will be open about 345 days. We are closed on Christmas. We will try to be closed on Wednesdays as often as we can in order to cut costs. We have had minor problems with Wednesday closings and will maintain the same schedule for 1981-82.

Submitted for the Board,

Robert E. Ellis, *Chairman*
Board of Health

Annual Report of the BARNSTABLE COUNTY HEALTH DEPARTMENT July 1, 1979 to June 30, 1980

Programs of the Barnstable County Health Department include a broad range of public health services.

This year the dental health staff was doubled, and services to schools increased, new equipment procured, fluoride rinse programs initiated in two schools.

Communicable disease control services have decreased gradually. Since the reporting of diseases to the state is no longer channelled through this office, the epidemiological investigation of certain diseases has been reduced. An increase in requests for information, and the concern of parents, tourists, and elderly have led to study and collection of data and material for instruction.

Environmental health services are becoming a major visible function of this department. Public awareness about environmental problems such as ground water contamination and the Safe Water Drinking Act have resulted in a significant demand for expansion of environmental laboratory services. The initial steps to meet this demand have led to the employment of an environmental chemist as director of the operational and research aspects, and the designation of a bacteriologist. Technical assistance to the public is provided on a variety of environmental issues. An intensive study report of Provincetown Harbor was printed.

The three registered sanitarians have been working with town health agents in the continued surveillance of sources of water, or sewage disposal, food establishments, sources of lead paint poisoning. Supplementary services are provided to most towns, especially in busy summer months. Until additional equipment, space and support staff are available, responsibility for the analysis of food samples, and of organic contaminants of waters cannot be undertaken.

Services for Handicapped Children have increased beyond staff capabilities. The caseload at the end of the year was over 600. We are continuing to plan with the Division of Family Health Services of the Massachusetts Department of Public Health, for more effective services, management information system, new records, and priority of programs. A family and children's picnic was held in September at the YMCA Camp Lyndon. Further involvement with family members has led to developing plans for Parent Education Workshops. In an effort to determine the extent of need, to provide support to staff and to improve use of other community resources, six consultation sessions with a pediatric psychiatrist were held; staff of the school collaborative, and agencies serving children were included. As a part of the "Infant at Risk of Hearing Impairment Program", 34 families were contacted and 10 infants received early testing. Staff coordinated postural screening and instruction in several schools, as per new law. Two schools continue to have waivers from some mandated services in order to develop different programs.

In addition to coordinating school and clinical services, the nurse consultants have worked with the lower Cape planning committee on the regionalization and structure of Home Health Agencies. Educational programs for nurses in community health services were presented and continuing education

credits awarded; co-sponsorship of the Health Resource Center continued. Orientation, supervision and consultation services have been provided; as well as career counselling to some newcomers. Explosion of publications, much nursing research, new terms, assessments, nursing diagnosis, all require continued preparation.

Medical Social Workers have worked with planning bodies, student placements, hospital accreditation. During the past three years, this department planned for, and taught in eleven training seminars in the mental health aspects of care of the elderly sick. Instruction was given at a local college. Leadership was given to the human services model, "Client Pathway", which had been a project of the Area Human Services Planning Team. Advisory service to agency boards and committees has continued.

Ties with other County Departments have continued. The Cape Cod Planning and Economic Commission included this department in water quality surveillance plans, and shared in a review of human service responsibilities. The Barnstable County House of Correction Medical Services continues to use biologics and confer on current changes. The Barnstable County Hospital provides facilities for the Handicapped Childrens Clinic, and staff support from maintenance, laundry, clerical, laboratory, radiology departments. Sharing responsibility for policy decisions and long-range planning, on the Hospital Board of Trustees has led to increased concern for services to elderly and those with long-term illness.

Statistical report included:

1. Dental hygiene examinations for
pre-school children, school children
Prophylaxis treatments, fluoride treatment 3,459
Classroom instruction 116
2. Communicable disease control
Distribution of biologics to local centers
Information and instruction
3. Environmental Health Services 1,628
Inspections and surveys of bathing beaches,
recreational areas, ponds, harbors, childrens
camps, trailer parks, swimming pools
Inspections of schools, nursing and rest
homes, lodging homes, cabins, motels, housing
Lead paint surveys, lead paint tests
Investigation of nuisances
Pest control
Inspection of private water supplies,
shellfish waters, stables, sub-surface
sewage disposal, solid waste disposal sites
4. Food Service Control
Inspection of bakeries, markets,
food service establishments 803
Investigations of food borne diseases,
cultures of utensils

5. Laboratory Analysis of Samples
Private well water, surface water, town
water supplies, shellfish waters,
dairy products 6,54
6. Services for Handicapped Children
Number of children seen during year 73
Total number of visits 1,33
7. Nursing Activities
Career counselling, clinical services,
epidemiological services, home health agency
activities, in-service education, school health,
student instruction, participation in
community service
8. Physical Therapy Services
Patient care at clinic, at home, at school 1,44
Scoliosis screening consultation, case
conferences including 766 CORE evaluations,
in-service education and student instruction,
record review, management of orthopedic
equipment
Participation in community service 1,03
Modalities, evaluation, exercise, gait training,
cast care, patient follow-up
9. Social Services
Services at clinic, hospitals, home, 1,60
office, school conferences, including 766
CORE evaluations, in-service education,
supervision and consultation, record review,
inter-agency visits

Expenditures for fiscal year 1980 \$264,174.4
Income \$ 71,359.9

Report of the Sandwich COUNCIL ON AGING

This report will show the Sandwich Council on Aging has in the past year broadened and also increased its scope of activities without increasing the financial burden on the Town's taxpayers. This was made possible by the total support of each member of the Council and by the large number of Sandwich citizens, who have volunteered their services to help make life better for all the Senior Citizens of our town.

The Council on Aging, Mini bus has now been in operation three full years and we feel it is one of the best investments the Town of Sandwich has made.

In 1980 over 2,000 senior citizens used the Mini bus for shopping, doctor visits, various errands, museum trips and just plain fun trips.

In addition to the regular Tuesday, Wednesday, Thursday and Friday trips, the bus has been used to transport Council on Aging members to Cape wide and area meetings, thus saving energy and mileage fees. All this excellent use of the Mini bus was made possible by the many volunteer drivers, who have been so faithful in giving their time.

A most important program by the Council on Aging and rapidly becoming well known throughout the town is the Meals on Wheels program. Just short of fifty (50) volunteers come to the Clark-Haddad Hall 5 days a week throughout the year and under the leadership of co-ordinator, Joan McNaughton prepare and deliver nutritious meals to seniors who are alone, in poor health or just in need. These volunteers not only bring a good meal to a shut-in but also greetings, good cheer and whatever help and aid they find necessary.

The Council on Aging has had a large number of participants in the variety of activities presented during the past year at the Clark-Haddad Hall.

The Monday and Wednesday morning Art Classes were enjoyed by a total attendance of 905 participants, under the capable instruction of Bertha Backer.

The Friday morning Craft Class has offered a wide variety of useful and interesting projects under the direction of Ruth Sobolewski, assisted by Mabel Rigazio. Total of attendance approximately 300.

Covered dish luncheons held every two months have been well attended and enjoyed by all with Blanche Skelly as hostess. On Wednesday and Friday afternoons the Center has become open to social activities with women bringing their handwork and men participating in Cribbage games. Total attendance 1,799. On Thursday afternoon the Council sponsored Bridge Club, capably led by Al Morse has been well attended and enjoyed by many.

As service coordinator for the Council on Aging, Brad Kellogg has been asked to give a report on her activities for 1980. In the mornings from 9 A.M. to 1 P.M. she is in the office making reassurance calls, helping with fuel assistance, making referral calls to help solve problems and to take reservations for the luncheon at the Upper Cape Regional School in Bourne. There were a total of 2,650 daily calls made in 1980. Close to 900 calls made 2 or 3 times a week and nearly 200 on a weekly basis.

In the afternoon friendly visits are made to the ill, the shut-ins, she also does some transportation and errands for clients of the Council on Aging. During 1980, she made 312 friendly visits and 242 other service calls to seniors. She attends a monthly meeting at Cape and Islands Elder Services to keep in

touch with information regarding help for the seniors. In addition to regular calls she calls 5 who are alone on Saturday and Sunday. Most have her home phone number in case of need.

Each member of the Council on Aging is a Committee Chairman and actively involved.

--	---------------	---------------

The Library continues to serve an ever-increasing population. Additional space for books, personnel and the general public has become critical at a time when funds for expansion are unavailable. The resulting overcrowding is beginning to have an adverse effect on Library services. The Trustees would like to thank all those people — private citizens, town employees and town officials — who gave of themselves or who otherwise contributed to the Library's success in 1980.

Respectfully submitted,

Jonathan Leonard, *Chairman*
 Trustees, Sandwich Public Library

Report of the Sandwich COMMUNITY SCHOOL

To the Board of Selectmen, Town of Sandwich, Sandwich School Committee, and Citizens of Sandwich:

The Sandwich Community School exists for the Community and depends on your help. The governing body of the Community School is comprised of citizen volunteers appointed by the Sandwich School Committee. Members of the Executive Council for 1980-81 are: Elizabeth Gill, Chairman; Wilma St. Hura, Vice Chairman; Arthur Bouvier, Secretary; Eleanor Gaffney, School Committee Representative; Susan Miller; Robert Fraser; Robert Leahy; Virginia Amidon; Maureen Grunst; Dee Boniface. During the

year, Arlene Hagberg resigned. The vacancy has been filled by the appointment of Carol MacLean.

Under the guidance of Gerry Porter, Carolyn Buckland and Marilyn DeCoste, a staff of part-time community volunteers were utilized to give the office over 500 hours of volunteer time. I would like to thank the Executive Council and all the community committee members and volunteers for their time and support during a year filled with challenge and growth.

The adult instructional program continues to be self-funding. This year over 1,000 persons of all ages participated in instructional programs held in the Elementary School and High School. Northeastern University continues to offer programs for college credit at the High School. This cooperative effort between Northeastern and the Town of Sandwich has benefitted all involved. Each year, Northeastern University, in addition to paying rent, contributes two full freshmen tuition scholarships to Sandwich High School graduates. I would like to extend an invitation to all interested persons to contact the Community School for information regarding this opportunity.

Of special interest is the expanding of the Community School Dance Program. With the help of the Sandwich Cooperative Bank, which allows us use of their meeting rooms, the Community School has been able to offer dance classes both mornings and evenings. Many thanks to Jane Gay Stephens and Linda Shelburne for their efforts in making this program such a success.

The Arts Council under the direction of Christina Jacobi presented the finest season of entertainment ever sponsored by the Community School. Programs such as Summer Movies, U. Mass. Dancers, Mandala Dancers, U.S. Coast Guard Band were met with great response and enthusiasm by those fortunate enough to take advantage of our offerings. Without the support of an active Arts Council, many of the cultural programs Sandwich enjoyed this year could not have been staged.

The Community School Extended Day Program reaches out to those families with young children in need of after school care. Primarily designed as a program for working parents, the Extended Day concept has evolved into an essential service for parents of elementary age school children who are in need of inexpensive child care service in a structured learning environment. Many thanks to the instructors, aides, and elementary school staff for making this program a success.

The Community Pre-School Program meets at the High School five afternoons a week. Under the coordination of Mrs. Polly Galliker, parents and their children are given the opportunity to meet once a week for interaction and creativity. The program provides two valuable services. It allows young children the opportunity to learn how to interact with others and also it gives parents a chance to meet

together to discuss the trials, problems, and joys of parenting.

The Community Pool under the able direction of Mrs. Diane Babbitt has grown in leaps and bounds. Staffed by highly trained individuals, our pool is the focal part of many training and instructional programs now taking place on the Cape.

Our own pool instructional classes were over our attendance predictions with some classes needing new sections. We have been experiencing a decline in the new born sections but the senior swim participation has increased tremendously. The Summer Competitive Swim Camp continues to grow. Once again, we have included exchange meets and field trips to college competitions during the summer months. This enables the camper to experience competition at various levels. At the conclusion of camp, the Second Annual Sandwich/Barnstable County Swim Meet was held. Mr. William Broderick and a host of volunteers coordinated and directed an event that included almost 400 participants of all ages. Next year's meet should be even better.

The Community School will continue to try and meet the needs of the community we serve. During the coming year, we will be faced with a fiscal challenge as voted on by the taxpayers of Massachusetts. Fortunately programs conducted by the Community School do not consume large quantities of energy, are inexpensive, and are flexible enough in structure to be able to be held anywhere in Town. I urge you to take advantage of your Community Education System. You will be surprised at what is available to you.

Future plans for the Community School include the creation of a night high school available to those persons who were unable to complete their high school requirements. If you would like to participate call 888-5300 for information.

Respectfully submitted,

Craig Eldredge

Report of the Sandwich SCHOOL BUILDING NEEDS COMMITTEE

To the Honorable Board of Selectmen:

The Sandwich School Building Needs Committee was organized in the early fall of 1980 under authority granted from action taken in Article XI of the 1980 Annual Town Meeting.

In a series of meetings the committee met with a wide spectrum of Sandwich citizens. Discussions were held with the Board of Selectmen, Superintendent of Schools, Dr. Nicholson and his staff, and with the Building Inspector, Mr. DeConto. Input was received from local realtors and representatives of the Sandwich commercial banks concerning growth rates, new construction trends and population movements. Projections of possible and probable school population in the years immediately ahead were received and reviewed from the Superintendent's Office and from the New England School Development Council (NESDEC).

The conclusion of this committee are two-fold:

1. The combined effects of inflation, costs of money, increased construction costs, decreasing birth rates and leapfrogging costs of motor fuels have caused a dramatic drop in new construction in Sandwich. This has, in turn, manifested itself in a substantial drop in the yearly increase of school population. We therefore conclude that it is not necessary, nor would it seem prudent, to commence plans for a new school at this time.

2. The factors as outlined above are, we recognize variables which could change in the months ahead. We also recognize that although the rate of increase has declined, there nevertheless continues to be a yearly increase in school population. We therefore conclude and recommend that an ongoing School Building Needs Committee be named by the Board of Selectmen to continuously monitor the Sandwich school population, making itself at all times aware of changing economic conditions in the community, and the effect that these changes may have on future school needs.

Report of the FOURTH OF JULY AD HOC COMMITTEE

Once again, by order of Town Meeting vote, fireworks were not included in the year's Fourth of July celebration. In conjunction with the Recreation Committee a full day's activities were planned and the weather finally cooperated. The Fourth of July Committee and the Recreation Committee tried to have something for everyone — adults, young adults and children. To this end, the following activities were staged:

Horribles Parade; Field Events — all ages; Softball Game — contingent on volunteers; Band Music — Bobby Gage's Countryaires, Ed Haywood's Band; Mimsy Puppets; Muster Team demonstration with water games for all ages; Illusion and Magic Show — Jerry and Anne Field; Odessey Puppets — Don Kirk; Folk and Country Dancing — Acres of Clams String Band; Hot Air Balloon; Country Music — Betty and Gerald Caron; Ventriloquist; Clowns; Escape Artist; Pocket Mime; Rock Concert — Dry Ice; Band Concert — Plymouth Band; Shawme Pond Boat Parade.

The total expenditures for the Fourth of July celebration for 1980 were \$7,259.49 from appropriated funds of \$7,500.00, leaving a balance of \$240.51 which was returned to the Town Treasury.

Respectfully submitted,

Joseph Vaudo, *Chairman*
Jean Marie George Hoxie, *Secretary*

Report of the SEWER STUDIES PUBLIC PARTICIPATION PROGRAM

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Preparation of a wastewater facilities plan and an environmental impact study (EIS) began as requested by the Board of Selectmen in February 1980. Weston & Sampson, Engineers was hired as the town's consultant, and C.E. Maguire, Inc. was hired as the EIS consultant for the Federal Environmental Protection Agency.

A co-ordinator and ten member Advisory Committee were named to implement a public participation program for Sandwich residents and interested persons. The central goal of the public participation program has been to provide consultants the benefit of local information and to prepare Sandwich residents for voting knowledgeably on wastewater issues at Town Meeting.

Although preparation of the facilities plan and the EIS is assigned to professional engineers and planners, and numerous federal, state and local agencies, final approval is entirely in the hands of Sandwich voters.

The two studies began last year with needs assessment. The extent and location of wastewater problems was established by soil and water quality tests, a house-to-house survey and data provided by the Board of Health and local septage haulers.

These studies confirmed that the most severe concentration of wastewater problems — repeated pumping, repeated repair, water contamination, etc. — exist on Town Neck and Sandwich Center. Problems are caused by such factors as poor soils, shallow depth to groundwater, small lot size, old and/or inadequate disposal systems. Such conditions exist and cause problems in other parts of town, but not to the same extent as in these two areas.

After needs assessment, the consultants looked for a wastewater treatment site. This has proved extremely difficult, despite the town's size. Even the best sites have one or more of the following constraints: high transmission costs (effluent must be pumped uphill and/or great distances), threat to groundwater aquifer, prohibitive expense to prepare land, owner opposition, or use prohibited by law.

At this point, the consultants feel that two parcels of land along the Cape Cod Canal owned by Canal

Electric are probably the most feasible sites because of 1) their proximity to the problem areas, 2) technical feasibility, 3) cooperation of owner, and 4) protection of groundwater. Canal discharge from these sites, however, is prohibited by the Ocean Sanctuaries Act. Representative Thomas Lynch has indicated that a Town Meeting vote endorsing discharge would be weighed heavily by the State Legislature.

Final recommendations on cost allocation, type of treatment, facilities, as well as sites, have not been presented to the Town yet. This information is expected to be available in Spring 1981. Following preparation and review of the draft and final EIS, a record of decision will be made by the EPA in November 1981. After receiving a facilities plan from Weston & Sampson, the Board of Selectmen will draw up Articles for presentation at a Town Meeting. Then we vote.

In voting, we will provide answers to such questions as: Who's problem is this — the Town's or the individual's? Is our groundwater quality and supply safe? Do we have a public health problem? What can we afford to do? What can we not afford to do?

This complex matter of wastewater disposal is geographically and figuratively at the Town's core. There are no simple answers because there are no simple questions. But credit for trying to bring both questions and answers to the attention of residents should be given to John Flagg, Chairman of the Sewer Studies Advisory Committee, and to members Paul Bousfield, Steve Collings, Robert Ellis, Steve Hall, Joe Hanlon, Marie Macdonald, James Megley and Hollis Seavey. Eva Broderson served as Vice-Chairman until her resignation in December. Neighborhood representatives have been very helpful, as have the *Broadsider* and the *Cape Cod Times*.

Respectfully submitted,

Christie Lowrance
Co-ordinator

Report of the HUMAN SERVICES BUILDING

In November 1979, an Ad Hoc Committee was appointed by the Selectmen to study and make proposals for a building to house the Sandwich Schools Administration, the Public Health nurse and the Council on Aging.

The needs of each group were studied by this committee and with the support of the Selectmen, Capital Outlay Committee and the Town of Sandwich Finance Committee a proposal to build at the cost of \$150,000.00 was submitted to the Town Meeting

in May, 1980. The proposal was accepted unanimously by the Sandwich Citizens attending the Town Meeting after which a permanent committee was appointed by the Selectmen. The responsibilities of this committee were to choose an architect and then together with the architect oversee the construction of Human Services building by the Upper Cape Vocational High School.

A number of very fine Architects offered to take on the job of designing the Human Services Building and the choice was very difficult. After several weeks of meetings, interviews and discussions a decision was finally made and the choice was Mr. Milton Schwartz of Sandwich and progress is now being made in the final design of the building. The goal is to break ground on the site granted on Morse Road in the Spring of 1981.

Report of the SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Measuring devices used in serving the public were tested and sealed in some thirty-six places of business in the Town of Sandwich. Some adjustments were required to enable some of the scales and meters to meet minimum measurement standards. Additional gasoline stations within the Town changed meters on their pumps to handle gasoline prices above \$1.00 per gallon. All stations will have to have such meters installed by the end of 1981.

Continued progress in upgrading the Town's measuring equipment was made during 1980. Additional new equipment will be obtained each year to replace old and obsolete equipment.

Test and measuring fees collected during the year and paid to the Town Treasurer amounted to \$465.

Respectfully submitted,

Francis W. Dinan

Sealer of Weights and Measures

Report of the Sandwich SCHOOL BUILDING COMMITTEE

To the Board of Selectmen
and the Citizens of the Town of Sandwich:

The year 1980 has shown additional positive results for the Town of Sandwich School Building Committee.

The Town of Sandwich in settling another of its claims was awarded approximately \$12,000 for the roof of the Sandwich Jr./Sr. High School. Also, at a regular Town Meeting, the voters of Sandwich allowed a sum of money to commence the investigation of and correction of deficiencies in the heating, ventilating and air conditioning system at the Sandwich Jr./Sr. High School. As a result, the following has been accomplished.

1. The renovation and recontrol of roof-top unit including one year service by trained personnel.
2. Replacement of some duct heaters.
3. Rebalancing of air handling and temperature control in the areas treated.
4. Replacement of fume hood exhaust system and rebalance of air.
5. Renovation of the pool, gym and locker area to include new fans, duct work and rebalance of the air.
6. Renovation of the control system for duct heaters.

The above work was accomplished over the summer and follow up work finished this fall. Some minor adjustments are still in process at this time. However, the overall renovation to the heating, ventilating and air conditioning has been done and the system is working. The School Building Committee would like to thank the citizens of Sandwich for the money used for this purpose.

The filed suit brought forth by Franchi Brothers Construction Corporation against the School Building Committee and the Town of Sandwich is still in court. The feeling is that the testimony being given at the hearings in court will probably come to an end by March 1981, and possibly a decision may be given by the Master before the end of 1981.

The results of this court action could lead to further questions as to which route to take in the future. The kind of a decision will be carefully examined by the School Building Committee in consultation with Town Counsel.

The School Building Committee in 1980, has met with frustration at times, but still the work and time put in at hearings has been encouraging, and for the first

...me in many years we do look forward to a new year
in terms of settling the case.

I wish to thank my fellow committee members for
work done over the past year, Dr. Anthony D'Antuono
retired Superintendent of Schools, for his counsel
and advice, Mr. Robert Scott for the work done on this
project and the townspeople for their patience and
cooperation which is very much appreciated.

Stanley Torrey, *Chairman*
School Building Committee

Report of the 1927 H.T. WING SCHOOL BUILDING COMMITTEE

To the Honorable Board of Selectmen
and Citizens of the Town of Sandwich:

Having been charged with the responsibility of over-
seeing the building construction contract for the reno-
vation of the 1927 H.T. Wing School building, we
wish to report the progress of our committee during
the past twelve months.

Our last report to the Town was in February of 1980
at which time the job progress was on schedule and
approximately 43% complete. The committee con-
tinued to review the job progress and we are pleased
to report that the project was completed on time and
under budget. The newly renovated building was
available for opening of classes in September of
1980.

We are continuing to meet to supervise completion
of a number of miscellaneous items.

In closing, we would like to express our thanks to the
Selectmen, School administration, school personnel,
various Town boards and agencies, and other dedi-
cated people, especially Roland B. Kelley, Clerk of
the Works, and Stanley B. Alger, Architect, for their
cooperation and guidance received throughout the
project.

Respectfully submitted,

Report of the Upper Cape Regional VOCATIONAL- TECHNICAL SCHOOL DISTRICT

To the Citizens of Bourne, Falmouth, Marion,
Sandwich and Wareham:

In compliance with Section 13 of the Agreement
among the towns of the District, this annual report is
submitted.

The membership of the Committee follows:

Town of Bourne Frederick W. McComiskey
Peter N. Way

Town of Falmouth Neil A. Bennett
James A. Crossen

Town of Marion Helen G. Westergard
Vice Chairman

Town of Sandwich Gerald E. Caron
Vice Chairman

Town of Wareham Robert T. Joy, *Chairman*
William E. C. Warr, III

* * * * *

Treasurer Peter N. Way
Asst. Treasurer Martha B. Overlook
Secretary and
Superintendent-
Director Arthur L. Sweetman

The Committee reorganized at their May 1980 meet-
ing. Robert T. Joy of Wareham was re-elected as
Chairman; Gerald E. Caron of Sandwich and Helen
G. Westergard of Marion were elected as Vice-
Chairmen; and Arthur L. Sweetman was elected as
Secretary of the Committee.

Graduation of the Upper Cape Regional Class of
1980 took place on June 1, 1980 at the Massachu-
setts Maritime Academy gymnasium. Of the 117
students receiving their diplomas, 23% entered col-
lege or technical schools, 62% went directly into their
trades, and 8% entered the military service, with 7%
undecided as to what they wanted to pursue.

Special awards presented at graduation included the
Highest Scholastic Achievement Award to Rose-
marie Andrade of Falmouth. Rosemarie and Gregory
Lino, also of Falmouth, received the Massachusetts
Vocational Association Presidential Certificate of
Merit for outstanding performance and excellent
craftsmanship in the vocational area which they have
chosen.

Through the generosity of many companies and local organizations, and the Upper Cape Regional Scholarship fund, tools of the trade totaling approximately \$3,100.00 were awarded to students who excelled in their trades in each shop area.

The Upper Cape Regional Scholarship Fund also presented total of \$3,850.00 in the form of scholarships to twenty-three students who plan to enter higher education.

The following additional scholarships were presented at graduation:

John V. Barron Memorial by the Upper Cape Regional Teacher's Association	\$400.00
Rosemarie Andrade (Falmouth)	
Edgar E. Caron Memorial	\$ 75.00
Michele M. Barrows (Wareham)	
Knights of Columbus, Bishop Feehan Council, No. 2911	\$200.00
Annette M. Benson (Bourne)	
Massachusetts School Food Service Area VII, Cape & Islands	\$400.00
Brian E. Bump (Wareham)	
Cape Verdean Scholarship Club	\$200.00
Wilson E. Cardoza (Falmouth)	
Theodore H. Barth Foundation	\$750.00
Neil W. Donahue (Wareham)	
The Thomas Mannion Memorial	\$250.00
Lynne P. Gomes (Falmouth)	
Theodore H. Barth Foundation	\$750.00
Scott A. Harraden (Wareham)	
Wareham Lodg, No. 1548, B.P.O. Elks ...	\$400.00
Scott A. Harraden (Wareham)	
Cape Cod Bank & Trust Company	\$250.00
Paul A. Harris (Bourne)	
Cape Cod Contractors	\$250.00
David A. Light (Wareham)	
John M. Thorne & Ethel C. Thorne Foundation	\$250.00
David A. Light (Wareham)	
Sandwich Junior Woman's Club	\$100.00
Robert P. Lucas, Jr. (Sandwich)	
Aptucxet Post 5988, V.F.W.	\$300.00
Clifford J. Moore (Bourne)	
The Thomas Mannion Memorial	\$250.00
Clifford J. Moore (Bourne)	
John M. Thorne & Ethel C. Thorne Foundation	\$250.00
Glenn R. Pokraka (Falmouth)	
Kiwanis Club of Falmouth, Inc.	\$200.00
Paul Sellers (Falmouth)	
Cape Cod Bank & Trust Company	\$250.00
Linda M. Westergard (Marion)	

Our Licensed Practical Nurse Program held its eleventh commencement with twenty nurses receiving diplomas and pins. This present class brings total number of graduates to 219 and 199 prior graduates have all successfully passed their State Exams. Following are the graduates: Bourne: Mr. Elaine Ayres, Mrs. Janice Biorn Meyer, Mrs. Louis Brooks, Miss Patricia Pierce, Mrs. Sandra Tretaway, Mrs. Cheryl Walter, and Mrs. Christine Hade. Falmouth: Mrs. Kathleen Connell, Miss Sharyl Griffin, Mrs. Leurenda Pumphery, Miss Laura Reddy, and Miss Gloria Sherlock. Sandwich: Mr. Richard Carro and Mrs. Dorothy Quirk. Wareham: Mrs. Patricia Carlson, Mrs. Louella Couto, Miss Susan Lake, Mr. Sherry Leskiw, Mrs. Glenda O'Mara, Mrs. Leuil Potter.

Some of the larger projects completed by the students are the following:

In Wareham: a nine-room addition to the Church Nazarene was completed which consisted of a basement and first and second floors; a stable was remodeled for a large meeting room and an addition; a dining room was constructed for the Sacred Heart Seminary; the interior of the Monday Club meeting rooms was completely painted.

In Falmouth: the exterior of the Knights of Columbus building was completely painted and a new sign constructed; The Falmouth Public Library received a new sign constructed by the Painting and Decorating Department.

In Sandwich: the Upholstery Department is in the process of recovering all of the church pew cushions with red velvet material for the United Church of Christ.

In Bourne: a new bulletin board was constructed and refinished for the Bourne Methodist Church; construction was done on partitions for the fry-o-laters for the Bourne Scallop Festival; a new sign was constructed and painted for the Aptucxet Post 5988 V.F.W.; and St. Peter's On-the-Canal Church Exterior change has been painted on the exterior.

A new construction project was begun in the spring for the Swift's Memorial Methodist Church in Sandwich. The building is to be an activity center with 10,000 square feet of floor space. The frame was constructed and enclosed before the end of school in June; and then in the fall, work began at a rapid pace to encompass the plumbing and heating department, the electrical department, and the carpentry department. Plans are to complete the interior of the building with the painting and decorating department doing the finish work.

PL 94-482 Grants were received by the school in the amount of \$12,279 for supplies and equipment for the Computer Technology Program and \$2,520 for RELY covering guidance salaries.

The Title I ESEA Grant was in the amount of \$24,100.

and is being used to provide two full-time tutors and two aides. This program provides supportive services to students in reading and mathematics.

The Regional School District, in the way of financial assistance, has received under Chapter 70 — \$254,26 representing two payments toward the current fiscal year (1981) operating expenses. Also received were the following: \$65,114 for transportation (50.35%); \$6,578.30 under PL 81-874 for federally connected pupils; \$88,963 under Chapter 71 (16d); and \$62,949.32 for the annual construction grant. We are expecting a Library grant in the amount of \$1,676.

I would like once again to thank my fellow school committee members and advisory board members, all school employees, and the town and school officials of our district for their interest, concern, and support. The success of our school is due primarily to the dedication of people committed to quality vocational education.

GENERAL INFORMATION

SCHOOL COMMITTEE MEETINGS

School Committee meetings are held at 7:30 P.M. on the fourth Wednesday of each month at the Sandwich Jr.-Sr. High School.

SCHOOL ENTRANCE

Kindergarten:

Any child resident of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

Grade 1

Any child resident of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that all children seven years of age and over, who are physically and mentally able, attend school.

Birth Certificate

A birth certificate is required for all children entering either Kindergarten or Grade 1.

Medical Requirements

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor.

State Regulations: The School Committee or Board of Health shall cause every child in the public schools to be separately and carefully examined by a physician duly registered in Massachusetts within six months before entrance to school or during the first year after entrance and at intervals of either three or four years thereafter.

No School

Every effort will be made to have school whenever feasible. On days when transportation by bus is impossible, school will not be in session. Notice will be broadcast over radio stations WEEI, WNAC, WBZ, WHDH and WOCB at 7:00, 7:30 and 8:00 a.m. In addition, there will be signals from the Fire Stations at 7:00 a.m. and 8:00 a.m. as follows: four signals from the East Sandwich and Forestdale Stations and the Sandwich Station will sound 2 pause 2 signal four times. In the event that it becomes necessary to close school before the regular dismissal time due to power failure, severe weather conditions etc., the above radio stations will broadcast this information at 12:00 noon.

Report of the Superintendent of Schools

Since having assumed the position of Superintendent of Schools in September, I have been genuinely impressed by the high calibre of our professional staff, the achievement and attitude of our students, the total dedication of their parents and the conscientiousness and commitment of the Sandwich School Committee.

It is therefore a sincere pleasure to be making this my first annual report as Superintendent of Schools to the citizenry of Sandwich.

During 1980, the educational atmosphere continued to improve with the majority of students achieving at or above national norms, reflecting the dedication of the professional staff and the citizens to providing a high quality education.

The school system employed a total of 206 employees. 134 were professional and support staff, 15 worked in an administrative capacity and the remainder were employed in the secretarial, custodial, cafeteria and maintenance areas. Together these people provided the children of Sandwich with an outstanding atmosphere for learning.

Happenings in the individual schools are as follows:

Jr.-Sr. High School

In September 1980, Sandwich Jr.-Sr. High School opened its doors to a total enrollment of 955 students and by October 1, 1980, that count had risen to 975. Twenty new students registered after the opening of school.

These students enrolled in courses which had been reviewed and refined according to level. Numbers were adjusted in the Advanced Placement and Honors courses to educationally advisable figures. At the same time, upgrading of the Standard I or regular college programs was accomplished.

Our Basic Needs Committees brought to fruition a testing and remediation plan to be initiated during the current school year. We were pleased to receive news that this plan has been accepted by the State Department of Education.

The New England Association of Schools and Colleges, which is the accrediting organization for all schools in New England, will be visiting Sandwich High School on November 8-10, 1982.

The administration, staff, parents, students and School Committee members have been working to complete a self-evaluation of this school. Mrs. Gretchen Webster, of the English Department, has been the chairperson for our Steering Committee.

The High School staff has now been working with a new discipline code for a full year and it appears to be working well. We are extremely appreciative of the

cooperation given by the parents in this program. The administration believes that the parents of the Town of Sandwich desire a properly disciplined school in which the optimum of education will take place. All of our efforts have been devoted to that end.

During the past year, several staff members left our employ and I would like to pay tribute to those individuals who recently retired; Mr. Edwin Zion, since 1948 a teacher, coach, school administrator and a friend to those who knew him, and Mrs. R. Naomi White, who since 1961, as a grade three teacher, contributed in like fashion to the younger children. May they both have many reflections of happy days in teaching.

Sandwich Elementary School

The Elementary School Parent Advisory Council (PAC) recently dedicated the completed playground. A brief history of its coming into reality goes back three to four years. In each of these previous years, the attempt was made to get something underway and it failed. The seed was planted, however, and once again the idea arose. This final effort was a fine example for everyone (children and adults) of what a community effort can do when all work together in an effort to achieve a common goal. Excellent leadership and direction to the entire project can be attributed to Mrs. Katherine Chaffee and Mrs. Lenice Maher and their volunteer committee members. Special thanks to Mrs. Chaffee and Mrs. Maher and all committee members. We wish to extend sincere thanks also to Mr. Allen Abrahamson who designed the project and Mr. Wayne Gilmore who contributed time, men, equipment, organization and ideas to bring it to reality. To the School Committee, the Historical Commission for their approval, the Selectmen for their guidance and to everyone who made donations of money, bought a chance on a small boat and just gave the idea their enthusiastic support, future and present students will express heartfelt thanks — without everyone working together, we would still be at ground zero. If ever we wished to teach by our own example what democracy and freedom is, was, should be — it was accomplished in this project.

The Basic Skills Improvement Policy (i.e. Competency Testing) has also been developed at the Elementary School level as required by the Mass. Department of Education, of all cities and towns of the Commonwealth. This will be implemented in the Spring of 1981 at both the High School and the Elementary School.

Health Program

The pre-school clinic, which was held at the Public Health Office, offered physical and dental examinations to forty-seven children this year. Included in this visit is a urinalysis, immunizations, blood pressure, and blood work including hemoglobin level and lead screening.

The Elementary School has expanded its traditional audiometric screening program in grades K-3 with the addition of tympanometry. This test is an objective measurement of tympanic membrane (ear drum) mobility and is an efficient method of identifying abnormal middle ear conditions in need of medical attention.

A new law has been passed that will require postural screening on all students in grades 5 to 9 by 1983. This screening has been done in Sandwich for the past seven years. By detecting a curvature of the spine early, serious problems can be avoided.

Conclusion

Presently, the Sandwich School System is enjoying a fine reputation throughout the state which enhances the overall attractiveness of this community but more importantly, provides our students with respected credentials as they face the world of work or college.

The commitment of the townspeople to a superior quality of education is a credit to them, the benefits of which the children have, heretofore, reaped.

There is a growing concern, however, on my part that in such difficult economic times as we are now facing, that the willingness to continue this commitment will be curtailed and the children will be the losers.

While realistically I am aware that a more streamlined educational budget can be drawn without seriously impairing the educational atmosphere: and indeed should be drawn in an effort to be responsive to the present difficult economic pressures, the concern is that the degree to which the Sandwich citizens are ready to be committed to excellence is being genuinely restricted.

I believe we are all aware that there are many areas of expertise, whether educational, athletic, social or cultural, which a child develops during his elementary and secondary education. These become the tools and equipment he brings to adult life. The experiences are provided through the basic instructional program and numerous extra curricular activities.

Some of the budget cuts for the coming year have been healthy. Transportation, utilities, fuel and administrative costs are all areas that have been looked at critically and designated for immediate or future reduction. But certainly, when we are forced to consider collecting student fees to help support our schools' programs and to allow participation in enrichment activities, we have reached the point where the total schools' programs, which were formerly community responsibility, shared with pride by all, are now becoming a parental responsibility.

This becomes a forced abdication of responsibility which the voters of Sandwich indicated an unwillingness to surrender. Current legislation has prohibited

the opportunity for Sandwich residents to determine their degree of commitment.

At this writing, I am still hopeful that the legislature will recognize that home rule is a privilege that should be restored to all communities in the Commonwealth.

In the year ahead, I shall make every effort to economize in whatever areas it is possible. I have, however, a determination which I am confident we all share of continuing to provide as superior a quality of education as is possible within the present economic and political constraints.

I look with anticipation to the challenge of providing the best for the students of this community.

Respectfully submitted,

Joseph F. Nicholson
Superintendent of Schools

SERVE YOUR COMMUNITY

Residents of the community are a valuable natural resource. Town Government needs citizens who are willing to give time in the service of their community. This resource center is organized as a means of compiling names of citizens willing to serve voluntarily on Boards or Committees.

Names in this file will be available for the use of the Selectmen and Moderator, as well as all Town Offices. Send your application to:

**Board of Selectmen

THE COVER:

The Melatiah Bourne Saltbox

This splendid old house with its cluster chimney and clean elegant lines, overlooking the center of Sandwich village, is one of our finest historical assets. It is reliably associated with the name of Judge Melatiah Bourne (1674-1742) a grandson of Richard Bourne, the early settler and Indian missionary. Sandwich legend had assumed that Melatiah built it for his marriage in 1692 to Desire Chipman. Desire died in 1705 and Melatiah married next Mrs. Abigail Skiff Smith, widow of Thomas Smith. A deed of purchase of this land by Melatiah dated 1710 has now been found, showing it was then a 6-acre garden and orchard owned by John Dexter, with no residence on it, and Melatiah is described as "late of Falmouth". From the clear evidence of this deed, we must now assume that Melatiah and Abigail built the house shortly after 1710.

The "salt box" is a distinctive shape with two stories in front and a long back roof sloping down to one story in back. It allows for two large sleeping rooms upstairs but very little attic space. Extra bedrooms however are provided by a large ell extending from the east end of the house backward. The only other early salt-box type houses surviving in Sandwich are the Hoxie House (1675) and the Ansel Tobey House (1691) both on Water Street. Several surviving Colonial houses (full 2½ story houses) however, give evidence of having earlier gone through a salt-box stage before being enlarged. Among these are the Nye House on Old County Road and the Phil Granger house on River Street.

Judge Melatiah Bourne was a wealthy man, a large landowner and a man of high social standing in the Town and County. He was a slave owner, like many of his class. In his will of 1742 he passed the house to his son Colonel Silas Bourne (1701-1772), making other bequests of land, money, or properties, to his other three sons and to his daughter Bathsheba Newcomb Ruggles, also to each of his grandchildren. Silas in his will of 1772 left the house to his son Melatiah (1734-1802) with similar listings of elegant furniture, property, slaves and cash. This Melatiah allowed a Liberty Pole to be placed in his front yard before the Revolution, but we read that he became a Tory refugee who after the war made repentance and was accepted back on his estate and into the community. His son Melatiah III (1778-1862) outlived two wives and all of his seven children, dying alone in the beautiful house and ending the Bourne family ownership there.

Here are some of the items passed down in this house: wrought silver plate, gold rings, vessels of brass and pewter, chaise horse and chaise, side saddle, collection of books of divinity, watch and silver chain, tall clock, best gun, ivory-headed

cane, other walking canes, other guns, silver-hilt sword and belt, silver shoe-buckles, gold shirt buttons, a fireback, two pews in the meetinghouse, negroes Phyllis and Nero, farm stocks and special tools for goldsmiths, boatbuilders and the glazier trade. The list goes on — a veritable treasure of property in the 18th Century.

The house was bought by a distinguished newcomer to Sandwich Judge Ebenezer Whittemore, who served Sandwich in many ways including historical articles, School Committee and through forming a Board of Health. His son-in-law Ambrose Pratt lived here and passed the house to his son Everard Stowell Pratt, who sold it after marriage to Evelyn Carpenter, heiress of the Freeman Farm. The present owners are Dr. and Mrs. Frank Colombo.

Notes from information in the files of the Sandwich Historical Commission.

1968 - 1976
Chairman
1970 - 1976
Chaplain to Fire Department

SCHEDULE OF MEETINGS

Listed below are the scheduled meetings of Town organizations. When planning a special meeting, the schedule should be consulted to avoid confusion.

BOARD OF SELECTMEN

2:00 P.M. each Monday, Town Hall Hearing Room

BOARD OF APPEALS

7:30 P.M. the 2nd and 4th Tuesday of each month
(If hearing scheduled) Town Hall Hearing Room

COUNCIL ON AGING

9:00 A.M. the 1st Monday of the month
Clark-Haddad Building

RECREATION COMMITTEE

7:30 P.M. the 1st Monday of each month
Town Hall Hearing Room

BOARD OF HEALTH

7:30 P.M. the 1st Tuesday of each month
Town Hall Annex

CONSERVATION COMMISSION

7:30 P.M. the 2nd and 4th Wednesday
of each month
Mohring Restaurant at the Jr./Sr. High School

SANDWICH HISTORIC DISTRICT COMMITTEE

7:30 P.M. the 2nd and 4th Wednesday
of each month
Town Hall Hearing Room

SANDWICH NURSING AGENCY

PROFESSIONAL ADVISORY BOARD

7:30 P.M. the 1st Wednesday of
Jan., April, June, Sept., Nov.
Public Health Nurse Office in the Dunbar House

PLANNING BOARD

7:30 P.M. the 1st and 3rd Wednesday
of each month
Town Hall Hearing Room

SCHOOL COMMITTEE

7:30 P.M. the 4th Wednesday of each month
Sandwich Jr./Sr. High School

TRUSTEES CLARK-HADDAD BUILDING

7:30 P.M. the 3rd Friday of each month
Clark-Haddad Building

SIGN CODE BOARD OF APPEALS

7:30 P.M. the 1st and 3rd Tuesday of each month
(If hearing is scheduled) Town Hall Hearing Room

The Veterans' Agent for the Town of Sandwich can be reached at the Hyannis Town Hall by calling 775-1120.

Report of the Board of SELECTMEN

To the Citizens of the Town of Sandwich:

The recession has had an impact on the Town of Sandwich in many ways. As a result, the uncontrolled growth of the 70's has come to a halt. This has given us the time to make some changes in our bylaws that may have a more balancing effect in our future growth. The recession, combined with continuing inflation, has resulted in all of us looking hopefully toward lower taxes and lessening in government spending all along the line. Although Sandwich did not vote for Proposition 2½ (Chapter 580 of the Acts of 1980) the frustration of voters throughout the State with the Real Estate Tax and general spending, resulted in its passage.

Unfortunately, the law was poorly written and did not allow for growth and other problems of the small town under the \$25.00 tax rate. Proposition 2½ has resulted in some favorable changes. The repeal of compulsory and binding arbitration and school autonomy will give us better control of the budget in our largest departments. The people are, and will be, scrutinizing more closely all expenditures. You have indicated to us that the less needed and so-called luxury programs in government and schools should be eased or eliminated.

The Town of Sandwich lost \$500,000. in lieu of taxes from the reassessment of State-owned land, and coupled with the requirements of Proposition 2½ that we use the 1979 assessment for the levy base, put us in a position of not being able to keep up with inflation. The Legislature, realizing the problems of many cities and towns, passed Home Rule Legislation (Chapter 782 of the Acts of 1981) allowing several override options to Proposition 2½. The voters will decide which option, if any, to accept.

This year the Town completed the updated and the EPA Sewer Facilities Report. The Sewage Advisory Committee put in many hours of work. They held many meetings with the public. Our Town Engineer, Bill Taylor, and the Sewage Public Coordinator, Christie Lowrance, put many hours of dedicated work into the project. The Selectmen would like to express our gratitude to them. Unfortunately, after many years of planning, the voters at a Special Town Meeting voted to turn down the Facilities Plan.

Last Spring we were inundated by many unwanted intruders — the Gypsy Moth caterpillar. This unsightly and destructive insect aroused thousands of people. Unfortunately the Town did not have money appropriated to help our citizens. Studies show we will have this invasion again in the Spring and over 11,000 acres will be infested. The cost of spraying will not allow us to spray the entire infested area. We will be submitting a plan to spray the more critical areas around the streets and homes. You will have the opportunity at Town Meeting to vote for funds to be appropriated.

The agreement with the State DPW for a commuter parking lot at the Jr/Sr. High School has been very frustrating to say the least. Every time we clear up one obstacle, the State bureaucracy and red tape come up with two more. After the passage of Chapter 579, requiring all DPW Contracts and Leases to be reviewed and approved by a Review Board, it became a stalemate. It appeared our best solution was to submit a bill through the Legislature allowing the State to enter into a Contract Lease with the Town. Representative Thomas Lynch was unsuccessful in getting it through the Legislature last year, but has refiled for this year. We have testified on behalf of the Bill and the prospect of its passage looks favorable for early Spring.

The Marina Expansion Program is still progressing. The Corps. of Army Engineers is in the second planning stage. This stage consists of preliminary schematic designs, environmental and economic impact studies and costs on different design layouts. This is an eight to ten year project. The Selectmen, realizing the length of time this will take, have decided to plan for improvements to the present facilities at the Basin with an eye on improving commercial mooring and increasing recreational facilities by rearranging the present basis.

This year Sandwich is experiencing one of the most embarrassing and distasteful positions it has ever been in — the investigation of the actions of a previous school administration. The work of Officers Daniel O'Connell and Joseph Cotter under Chief Robert D. Whearty, Jr. has been outstanding. We hope to bring this matter to a successful completion this year.

The Human Services Building that will house the School Administration, the Town Nurse and the

Senior Citizens Center should be underway this Spring. A ruling by the Department of Education has prevented the use of the Vocational School students to do this work. The problem has been solved and plans are being finalized.

Another first for Sandwich resulted from last year's election when Joan M. Russell was elected the first woman Selectman. She replaced David P. Persson who is going to Tulane University to study for his law degree.

We again wish to express our appreciation to the elected and appointed officials who have given their time and dedication in service to the many boards and committees. We also wish to acknowledge the many dedicated town employees who also help to make this such a wonderful Town.

Respectfully submitted,

J. Louis Roberti, *Chairman*
H. Eugene Carr
Joan M. Russell

Report of the Board of ASSESSORS

The Town of Sandwich directed the Board of Assessors to once again revalue the Town. We have engaged the firm of J.M. Cleminshaw Co., Inc., who have been our consultants for over 25 years, to accomplish this directive.

We anticipate an increase in real and personal property values of approximately seventy million dollars, to a total of four hundred and fifty million dollars or more.

It is our feeling that as long as inflation remains at or above 5% per year we will be forced by the Department of Revenue to revalue every two to four years. We know that revaluation is always a trying time for taxpayers, as it is for the Assessors Office.

We will hear all complaints and try to judge the merit of each case fairly. We request your understanding and patience.

With the help of Representative Thomas Lynch, Sandwich will soon be going into court against the Department of Revenue in regard to the value which they placed on state-owned land within our town. We have engaged Mr. Martin Coleman as our expert witness. We are confident that this action will be successful and we will be able to recoup some of the thousands of dollars which the State cut from our Cherry Sheet in 1980 and 1981.

Respectfully submitted,

H. Eugene Carr, *Chairman*
J. Louis Roberti
Joan M. Russell

Report of the TOWN ACCOUNTANT

To the Honorable Board of Selectmen:

In accordance with Chapter 41, Section 61 of the Massachusetts General Laws, I herewith submit my tenth annual report covering the fiscal year July 1, 1980 to June 30, 1981.

My sincerest thanks to the Board of Selectmen, department heads and all Town employees for the kind assistance and cooperation shown during the past fiscal year.

Respectfully submitted,

Nancy J. Laffoon
Town Accountant

DEMOCRATIC — 585 Votes Cast

Senator in General Court	Prec. 1	Prec. 2	Total
Richard E. Kendall	62	74	136
Thomas K. Lynch	193	256	449
Blanks	0	0	0
Total	255	330	585

The polls were closed at 8:00 P.M.

The total vote cast was 1,015.

430 Republicans

585 Democrats

The voting lists of Checkers and Ballot Clerks were checked and found in order and the Ballot Box counter agreed with these lists.

The total number of registered voters at the close of registration prior to election was — Precinct 1 - 2,326; Precinct 2 - 3,156 — Total 5,482.

Precinct 1

530 Democrats
558 Republicans
1,238 Independents
2,326

Precinct 2

641 Democrats
683 Republicans
1,832 Independents
3,156

The total vote cast includes 9 Absentee Ballots; Precinct 1 - 4, Precinct 2 - 5.

I hereby certify that this is a true record of the 1981 Special State Primary held in Sandwich on April 28, 1981.

Channing E. Hoxie
Town Clerk

ANNUAL TOWN MEETING

May 4, 1981

Junior-Senior High School

The meeting was called to order at 7:40 P.M. by the Moderator, Mr. Gary Nickerson. He asked the Town Clerk, Channing E. Hoxie, if a quorum was present and the Warrant had been posted and proper return made. Mr. Hoxie declared that there was a quorum and proper return had been made.

The Reverend John Thomas gave the Invocation. The Pledge of Allegiance was then given.

The Moderator then introduced the members of the Board of Selectmen, H. Eugene Carr, John L. Roberti and David Persson. He also introduced Town Counsel, Mr. Green, Mr. Hoxie, Town Clerk, Barbara Walling, Assistant Town Clerk, Helen Palmer, Secretary and the members of the Finance Committee, Clifford R. Nelson, Chairman, Kenneth N.S. Ferguson, Francis X. Martin, Donald J. Fleet and Virginia L. Harvey.

Tellers were appointed as follows: George Fernandes, Frank Silva, Wallace TerHuen, Jack Raymond and Jim Bondarek.

The reading of the Warrant was dispensed with and Article 1 was considered.

ARTICLE 1 - To hear the reports of all Town Officers and committees and to act thereon, or take any action relative thereto.

Unanimously Voted - That the Town accept the 1980 Town Report as printed.

Mr. Carr pointed out that the effects of Proposition 2½ were the loss of revenue through the reduction of the automobile excise, a drastic reduction, and stated that the way the Town could cope with this was to set priorities to be adhered to — no capital expenditures were considered and only necessary repairs, some services cut completely, others were on a lower level, some departments operated with fewer people, but services protecting life and property to be maintained to do that. The small increase for school would not pay fuel costs alone. He noted that what the Town would really like was a reduction in state taxes.

ARTICLE 2 - To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

Unanimously Voted - That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to review any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

ARTICLE 3 - To see if the Town will fix the salaries of all elected officers as provided in Section 108 of Chapter 41 of the General Laws, or do anything relative thereto.

Mrs. Carol White moved to amend Article 3 by deleting the salaries of the Board of Health in the amount of \$2,750.00. This amendment was seconded. The amendment was voted by Voice Vote and declared **Carried** by the Moderator.

Voted - That the Town fix the salaries for FY 1982 of all elected officers as follows:

Moderator	\$ 350.00	
Chairman of Selectmen	14,740.00	
Selectmen (2)	28,850.00	(\$14,425. ea. plus longevity)
Chairman of Assessors	2,600.00	
Assessors (2)	4,800.00	(\$2,400. ea.)
Treasurer	6,370.00	
Tax Collector	10,097.00	
Town Clerk	7,693.00	
Highway Surveyor	20,437.00	
Tree Warden	4,000.00	

This was a voice vote and declared **carried** by the Moderator.

ARTICLE 4 - To hear the report of the Finance Committee and to raise and appropriate monies as may be needed to defray Town expenses for the Fiscal Year July 1, 1981 to June 30, 1982, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$7,564,468.11 for the budget for Fiscal Year 1982 divided among the respective accounts as printed in the 1981 Annual Town Meeting Warrant under Article 4.

TOTAL BUDGET:\$7,761,376.69 \$7,564,468.11

ARTICLE 5 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to a Reserve Account, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$1,254.00 from Overlay Surplus and \$73,746.00 from Surplus Revenue to set up a Reserve Account.

ARTICLE 6 - To see if the Town will vote to raise and appropriate \$962.74 for FY 1980 unpaid bills of the Health and Sanitation Department to Whitman and Howard, Inc.

Unanimously Voted - That the Town raise and appropriate \$962.74 for the Health and Sanitation Department to pay a FY 1980 bill to Whitman and Howard Engineering.

ARTICLE 7 - To see if the Town will vote to transfer and appropriate the money from the Marina Income Account for the use of the operation, maintenance, repairs and capital outlay at the East Boat Basin Marina, or do anything relative thereto.

Unanimously Voted - That the Town transfer and appropriate \$23,188.38 from the Marina Income Account to the Marina Operating Account.

ARTICLE 8 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the Town's share of highway construction, and to transfer monies received or to be received from the Commonwealth, under State Aid to Highways Programs, for the use of highway construction on a state approved primary road, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$20,109.00 from Surplus Revenue as the Town's share of Highway Construction and that \$21,483.00 from Chapter 570, Acts of 1980 and \$38,843.00 from Chapter 329, Acts of 1980 be appropriated as State Aid for FY 1982 for highway construction on a state approved primary road.

ARTICLE 9 - To see if the Town will vote to raise and appropriate the sum of \$8,000.00 to repair serious rust damage on Engine 2 and Engine 3 of the Sandwich Fire Department, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$8,000.00 from Surplus Revenue to the Fire Department for repairs to Fire Engines #2 and #3.

ARTICLE 10 - To see if the Town will vote to institute charges for ambulance services performed by the Fire Department, in accordance with the following schedule:

1. Sandwich to Cape Cod Hospital \$48.00
2. Sandwich to Falmouth Hospital \$54.00
3. All others \$35.00 base rate plus \$1.00 per loaded mile, or do anything relative thereto.

After some discussion, Mr. Pola moved that the Article be Indefinitely Postponed. This was seconded. It was voted by Voice Vote and declared **Not Carried** by the Moderator.

It was noted that under no circumstances would anyone unable to pay be forced to pay. Mr. Alvezi noted that we do charge non-residents for the service.

Voted - That the Town authorize the Selectmen to institute charges for ambulance services performed by the Fire Department, in accordance with the following schedule:

1. Sandwich to Cape Cod Hospital \$48.00
2. Sandwich to Falmouth Hospital \$54.00
3. All others \$35.00 base rate plus \$1.00 per loaded mile.

This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 11 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the principle payment of the H.T. Wing School Renovation Loan, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$150,000.00 from the Revenue Sharing Fund on deposit in a special savings account to pay the principle payment of the H.T. Wing School Renovation Loan for FY 1982.

ARTICLE 12 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of interest on loans, or do anything relative thereto.

Unanimously Voted - That the Town transfer \$575,455.00 from Surplus Revenue for the payment of Interest on Loans.

ARTICLE 13 - To see if the Town will vote to raise and appropriate or transfer from available funds \$30,000.00 for a Drainage Account to be administered by the Highway Department, or do anything relative thereto.

Voted - That the Town transfer \$30,000.00 from the Revenue Sharing Account on deposit in a special savings account for a Highway Drainage Account. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 14 - To see if the Town will vote to raise and appropriate or transfer from available funds \$10,000.00 for the repair and installation of guardrails in accordance with a work plan established by the Highway Department, or do anything relative thereto.

Voted - That the Town transfer \$10,000.00 from the Revenue Sharing Fund on deposit in a special savings account for the repair and installation of

guardrails in accordance with a work plan established by the Highway Department.

ARTICLE 15 - To see if the Town will vote to transfer the unexpended Revenue Sharing balance for police cruiser purchases of FY 1980 back to the special savings account for the Revenue Sharing Fund.

Unanimously Voted - That the Town transfer \$302.52, the unexpended revenue sharing balance appropriated for police cruiser purchases of FY 1980 back to the Revenue Sharing Special Savings Account.

ARTICLE 16 - To see if the Town will vote to transfer the following unexpended Anti-Recession Funds from Special Appropriations back into the Anti-Recession Account:

Audit	\$2,100.00
Tupper Road	\$4,132.41

or do anything relative thereto.

Unanimously Voted - That the Town transfer \$6, 232.41 in unexpended Anti-Recession balances from special appropriations, as listed in the Warrant; back to the Anti-Recession Account.

ARTICLE 17 - To see if the Town will vote to transfer the following unexpended balances from Special Appropriations to the Surplus Revenue Account:

Air Condition Police Station	\$ 547.55
Library Renovations	191.10
Backhoe Purchase	2,996.24
Town Dump Lease	60.00
Selectmen Office Equipment	517.29

Unanimously Voted - That the Town transfer \$5, 270.04 in unexpended balances from Special Appropriations as listed in the Warrant, back to the Surplus Revenue Account.

ARTICLE 18 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to establish an Asphalt Account to be controlled and administered by the Highway Department based upon a work plan established by them, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$19,867.79, transfer \$4,132.41 from the Anti-Recession Account and transfer \$999.80 from the Guild Road appropriation to establish an asphalt account for the Highway Department.

ARTICLE 19 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for oil treatment of Town roads to be controlled and administered by the Highway Department based upon a work plan established by them, or do anything relative thereto.

Voted - That the Town transfer \$30,000.00 from the Revenue Sharing Fund on deposit in a special savings account to an account for the oil treatment of town roads. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 20 - To see if the Town will vote to transfer from available funds a sum of \$3,650.00 for the purchase of a Pull Sweeper by the Sandwich Highway Department, or do anything relative thereto.

Voted - That the Town transfer \$3,650.00 from the unexpended balance in the Highway Department Backhoe Purchase Account for the purchase of a Pull Sweeper. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 21 - To see if the Town will vote to repeal Section 2 of Article III of the Sandwich Town Bylaw, relative to Saturday office hours in the month of July and August, or do anything relative thereto.

Unanimously Voted - That the Town repeal Section 2 of Article III of the Sandwich Town Bylaws.

ARTICLE 22 - To see if the Town will vote to raise and appropriate \$3,000.00 and transfer and appropriate the 1980 income from the Hoxie House and Grist Mill for the operation and maintenance of the Hoxie House and Grist Mill, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$3,000.00 and transfer \$27,713.02 from the 1980 Income Account to the Hoxie House and Grist Mill operating account.

ARTICLE 23 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for payment to the Town of Barnstable for privileges at Sandy Neck Beach, subject to a favorable agreement executed between the Town of Barnstable and the Town of Sandwich, or do anything relative thereto.

Mr. David Canning offered the following amendment. To see if the Town will rent to the Town of Barnstable, for one year, a one square foot parcel of land located at the intersection of Route 6A and Sandy Neck Road, for the purpose of allowing the

Town of Barnstable to erect a sign showing the direction to Sandy Neck Beach. Said fee being \$9,672.00. Said fee to be used for payment of the Town of Barnstable for beach parking privileges at Sandy Neck Beach.

The Moderator ruled the amendment in order, and it was seconded and **unanimously** voted.

Unanimously Voted - That the Town transfer \$6,557.00 from the Beach Parking Account and \$3,115.00 be raised and appropriated for payment to the Town of Barnstable for beach parking privileges at Sandy Neck Beach. Also, to see if the Town will rent to the Town of Barnstable, for one year, a one square foot parcel of land located at the intersection of Route 6A and Sandy Neck Road for the purpose of allowing the Town of Barnstable to erect a sign showing the direction to Sandy Neck Beach. Said fee being \$9,672.00. Said fee to be used for payment to the Town of Barnstable for beach parking privileges at Sandy Neck Beach.

The Moderator ruled the amendment would be treated as a Resolution to the Selectmen, since they have to negotiate it with Barnstable.

ARTICLE 24 - To see if the Town will vote to direct the Board of Selectmen to petition the General Court for a special act to remove the Town of Sandwich from membership in the Old King's Highway Regional Historic District, or do anything relative thereto.

Voted - Article 24 was voted by Voice Vote as printed in the Warrant and declared **Not Carried** by the Moderator.

A recess was called at 9:40 P.M., the meeting to resume at 10 o'clock.

ARTICLE 25 - To see if the Town will vote to amend Section 2600 of the Sandwich Zoning Bylaw or act in relation thereto by adding a letter g after max. building height (ft.) to read: Max. building height (ft.) g, and add a footnote under "Notes" to read: g. A Special Permit may be granted by the Board of Appeals for a greater height of up to 60 feet for wind turbines or generators if proven the greater height is required for efficient power output.

Mr. Albert Roberti, Chairman of the Board of Appeals, spoke on this article and moved an amendment so that the article would read:

To see if the Town will vote to amend Section 2600 of the Sandwich Zoning Bylaw or act in relation thereto by adding a letter g after max. building height (ft.) to read: Max. building height (ft.) g, and add a footnote under "Notes" to read: g. A Special Permit may be granted by the Board of Appeals for a greater height from the required maximum for wind turbines or generators only if proven the requested greater height is required for efficient power output.

Mr. Roberti reminded voters that in no way does

this bylaw have any jurisdiction over the Regional Historic District Committee in that area north of the Mid-Cape.

Unanimously Voted - Article 25 was Unanimously Voted as amended.

ARTICLE 26 - To see if the Town will vote to amend Section 2310 of the Sandwich Zoning Bylaw under Restaurant** by deleting that sentence that reads **No food to be consumed on the premises outside of a building except at tables out of sight of any public way, to read: **Tables placed outside on the premises for the purpose of the consumption of food shall be out of sight of any public way; or act in relation thereto.

A motion proposed by Mr. Stanford was ruled out of order. Mr. Stanford then made a motion that consideration of Article 26 be postponed until after Article 27 was voted on. This motion was seconded and **Voted** unanimously by voice vote.

ARTICLE 27 - To see if the Town will vote to amend the Sandwich Zoning Bylaw by adding the following definition under Article V, Definitions: RESTAURANT: Any food service establishment; or act in relation thereto.

Mr. Stanford said he felt this definition was much too broad, and he spoke against the article. Others agreed.

It was moved and seconded that Article 27 be Indefinitely Postponed. This motion was voted by Voice Vote and declared **Carried** by the Moderator.

Article 26 was then moved Indefinitely Postponed. The motion was seconded. This motion was voted by Voice Vote and declared **Carried** by the Moderator.

ARTICLE 28 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of \$50,000.00 for the purpose of updating the existing Town Master Plan, or do anything relative thereto.

Miss Nelda Hoxie of the Planning Board spoke of the necessity of updating the earlier Master Plan.

Voted - Article 28 was voted by Voice Vote and declared **Not Carried** by the Moderator.

ARTICLE 29 - To see if the Town will add to Section 4100, Subsection 4110 Add Asterisk* See use regulation schedule. Add to Section 2320 Accessory Home Occupation delete the existing Home Occupation Designation substitute the following:

Home Occupation S S S S S S N

or do anything relative thereto.

Mrs. White presented this Article for the Planning Board.

Voted - Article 29 was Voted by Voice Vote and declared **Not Carried** by the Moderator.

ARTICLE 30 - To see if the Town will vote to put into plain language that would be understandable to the average person interested in or involved with these Bylaws and also enable the various Boards to be better able to agree on which Bylaw fits a particular case that they may be hearing.

It was moved and seconded that the article be indefinitely Postponed. This was voted by Voice Vote and declared **Not Carried**.

Voted - Article 30 was voted by Voice Vote and declared **Not Carried** by the Moderator.

ARTICLE 31 - To see if the Town will vote to take or change the following lots B6, B9, B7A, B4, B2, C3, C2, C1, B2B, Main St. and Clayton Street, Sandwich, Massachusetts from BL-1 Zoning and place them in residential zoning. Assessors Map #8.

(By Petition)

The article was moved and seconded as in the Warrant.

Mr. Gallant spoke in favor and pointed out that there appeared to be a clerical error, B3 should be substituted for B2. He moved that the Article be amended to substitute B3 for B2.

Voted - This Amendment was voted by Voice Vote and declared **Carried** by the Moderator.

The original article, as amended, was then moved.

Unanimously Voted - That the Town take or change the following Lots B6, B9, B7A, B4, B3, C3, C2, C1, B2B, Main Street and Clayton Street, Sandwich, Massachusetts from BL-1 Zoning and place them in residential zoning. Assessors Map #8.

ARTICLE 32 - To see if the Town will vote to amend Section 1300. Board of Appeals of the "Sandwich Protective Zoning Bylaws" by adding Subsection 1380. Special Permits issued by the Planning Board, or act in relation thereto:

1300. Board of Appeals

1380. Special Permits Issued by the Planning Board.

Where specified in this Bylaw, the Planning Board shall act as the special permit granting authority. All applicable requirements of Section 1300. Board of Appeals apply to special permits granted by the Planning Board. Such special permits shall be granted if the Planning Board determines that the intent of this Bylaw as well as the specific criteria of Subsections 1380 and 1390 are met. In making this determination, the Planning Board shall give consideration to the simplicity, reliability and feasibility of the control measure proposed and the degree of threat to water quality which would result if the control measures failed.

1381. Special Permit Criteria. The Planning Board shall issue special permits only if the Board deter-

mines that groundwater quality resulting from on-site waste disposal and other on-site operations will not fall below federal or state standards for drinking water or, if existing groundwater quality is already below those standards, on-site disposal will result in no further deterioration.

1382. Submittals. In applying for a Special Permit from the Planning Board, the information listed below shall be submitted by the applicant in accordance with Subsection 1331.

a. A complete list of all chemicals, pesticides, fuels, and other potentially toxic or hazardous materials to be used or stored on the premises in quantities greater than those associated with normal household use, accompanied by a description of measures proposed to protect all storage containers/facilities from vandalism, corrosion, and leakage, and to provide for control of spills.

b. A description of potentially toxic or hazardous wastes.

c. Evidence of approval by the Massachusetts Department of Environmental Quality Engineering (DEQE) of any industrial waste treatment or disposal system or any wastewater treatment system over 15,000 gallons per day capacity.

d. For underground storage of toxic or hazardous materials, evidence of qualified professional supervision of system design and installation.

e. Analysis certifying compliance with Subsection 1381; such analysis to be done by a professional engineer in sanitary or civil engineering registered in the Commonwealth of Massachusetts.

1390. Design and Operations Guidelines. Except for single family dwellings, the following design and operations guidelines shall apply to Special Permits granted by the Planning Board.

a. Safeguards. Provision shall be made to protect against toxic or hazardous materials discharge or loss resulting from corrosion, accidental damage, spillage, or vandalism through measures such as: spill control provisions in the vicinity of chemical or fuel delivery points; secured storage areas for toxic or hazardous materials; and indoor storage provisions for corrodable or dissolvable materials.

For operations which allow the evaporation of toxic or hazardous materials into the interiors of any structures, a closed vapor recovery system shall be provided for each such structure to prevent discharge of contaminated condensate into the groundwater.

b. Disposal. For any toxic or hazardous materials to be produced in quantities greater than those associated with normal household use, the applicant must demonstrate the availability and feasibility of disposal methods which are in conformance with Ch. 21C, MGLA.

c. Drainage. All runoff from impervious surfaces

shall be recharged on the site, diverted towards areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are infeasible, and shall be preceded by oil, grease, and sediment traps to facilitate removal of containants.

Mr. Burgmann of the Planning Board reported for that Board: Article 32 and the subsequent articles up to Article 37 all deal with a very important subject where the Town of Sandwich is concerned. It deals with our groundwater, the water we drink, the water that is life for us here in Sandwich. It is the only source of water we have and the intent of these bylaws are to protect this water so that it remains pure and useful to the citizens of Sandwich. The next group of articles are all a mechanism that is being established to insure that any future construction that will take place within the Town of Sandwich that could be dealing with toxic or hazardous material will be set up in such a way that safeguards are taken to prevent the pollution of this very important groundwater aquifer. We had a public hearing on these zoning articles. At that public hearing it became apparent that there were some problems in interpretation and possible confusion created by the way the articles are written. Therefore to aid in the interpretation of the bylaws, the Planning Board would like to make an amendment to the bylaw as printed. It would like to start by striking Article 32 as printed and amend it.

To see if the Town of Sandwich will vote to amend Section 1300 of the Sandwich Protective Zoning Bylaws by adding new Sections 1380, 1381, 1382, and 1390 as follows, or act in relation thereto.

The basic change in the way the article was printed is strictly to give the permitting authority to the Board of Appeals. It was felt after that public hearing that the Planning Board and Board of Appeals both working to grant special permits on materials in Articles of this type, there could be overlapping jurisdiction and so to make it as simple and as easy as possible, an amendment is being offered to give that permitting authority to the Board of Appeals.

Mr. Burgmann then amended Article 32 as printed in the Warrant to read:

1300. Board of Appeals

1380. Special Permits Issued for Protection of Drinking Water Resources. Where specified in Section 2300 by the letters "SA" the Board of Appeals shall act as the special permit granting authority in accordance with this section. Such special permits shall be granted if the Board of Appeals determines that the intent of this Bylaw, as well as the specific criteria of Sections 1381 and 1390 are met. In making this determination, the Board of Appeals shall give consideration to the simplicity, reliability, and feasibility of the control measures proposed and the degree of threat to water quality which would result if the control measures failed.

1381. Special Permit Criteria. The Board of Appeals shall issue special permits only if the Board determines that groundwater quality resulting from on-site waste disposal and other on-site operations will not fall below federal or state standards for drinking water or, if existing groundwater quality is already below these levels, on-site disposal will result in no further deterioration.

1382. Submittals. In applying for a Special Permit under Section 1380, the information listed below shall be submitted by the applicant in accordance with Section 1331.

a. A complete list of all chemicals, pesticides, fuels, and other potentially toxic or hazardous materials to be used or stored on the premises in quantities greater than those associated with normal household use, accompanied by a description of measures proposed to protect all storage containers/facilities from vandalism, corrosion, and leakage, and to provide for control of spills.

b. A description of potentially toxic or hazardous wastes.

c. Evidence of approval by the Massachusetts Department of Environmental Quality Engineering (DEQE) of any industrial waste treatment or disposal system or any wastewater treatment system over 15,000 gallons per day capacity.

d. For underground storage of toxic or hazardous materials, evidence of qualified professional supervision of system design and installation.

e. Analysis certifying compliance with Section 1381; such analysis to be done by a technically qualified expert.

1390. Design and Operations Guidelines. Except for single family dwellings, the following design and operations guidelines shall apply to Special Permits granted under Section 1380.

a. **Safeguards.** Provision shall be made to protect against toxic or hazardous materials discharge or loss resulting from corrosion, accidental damage, spillage, or vandalism through measures such as: spill control provisions in the vicinity of chemical or fuel delivery points; secured storage areas for toxic or hazardous materials; and indoor storage provisions for containers which are corrodable or dissolvable.

For operations which allow the evaporation of toxic or hazardous materials into the interiors of any structures, a closed vapor recovery system shall be provided for each such structure to prevent discharge of contaminated condensate into the groundwater.

b. **Disposal.** For any toxic or hazardous materials to be produced in quantities greater than those associated with normal household use, the applicant must demonstrate the availability and feasibility of disposal methods which are in conformance with CH. 21C, MGLA.

c. Drainage. All runoff from impervious surfaces shall be recharged on the site, diverted toward areas covered with vegetation for surface infiltration to the extent possible. Dry wells shall be used only where other methods are infeasible, and shall be preceded by oil, grease, and sediment traps to facilitate removal of contaminants.

Mrs. MacLean said she felt the Board of Health should have this jurisdiction. Mr. Schwartz agreed with this — and asked how all the items mentioned could be adjudicated by either the Appeals Board or the Planning Board. Mrs. Nickerson, from the Board of Health, said that the article requested the applicant to show evidence of approval by the Board of Health or the DEQE. If they did not approve, the applicant could not show evidence.

Mr. Taylor, Town Engineer, said that he had worked with the Water Resource Committee on the Cape, and felt that the Town needed the paper work and the structure of this article to protect itself, that the rules to do this are needed. The reason for a zoning bylaw rather than a general bylaw — the town gets jurisdiction before construction and can see that buildings are constructed that are not going to cause a problem. So far as the Board of Appeals is concerned, if they feel they need additional expertise, they can seek it from outside sources.

Mr. Schwartz felt that the Board of Health was qualified to do the task and the article added layers of bureaucracy with citizens needlessly dealing with governmental boards.

Mr. Morrison said that he had attended the hearings of the Planning Board and raised the question that agriculture did not fall within the scope of this article. Zoning regulations could not be made to restrict agriculture. He asked Town Counsel if this were making a bylaw that would be restrictive.

Mr. Green, Town Counsel, said that agriculture was not usually considered under zoning bylaws, but did not know the answer, since he had not studied these particular bylaws, since the Planning Board had its own counsel on these matters.

Mr. Burgmann said in dealing with the Regional Planner from the Cape Cod Planning and Economic Development Commission, they had done research and been told themselves that the zoning bylaws cannot be restrictive of agriculture and because this was a zoning bylaw and not a general law agriculture was excluded from control by this bylaw. He said that as far as the section on the uses, the uses addressed, there are no agricultural uses that are addressed as requiring a permit under the bylaw the way it is written.

Mr. Roberti, Board of Appeals, said there was no legal way in which the Board of Health could be given this permit granting authority under Chapter 48 of the General Laws.

Voted - The Amendment was then voted and declared Unanimous by the Moderator.

Article 32, as amended, was then voted on and carried by the two thirds vote necessary for a zoning article. The vote was 126 Yes, 57 No.

Mrs. MacLean asked for a quorum count.

Mr. Carr moved that the meeting adjourn until 7:30, May 5, 1981.

Mr. Nickerson pointed out that the count for a quorum would not affect the preceding vote, as at any meeting there was always considered to be a quorum until a request for a count was received.

The motion to adjourn outranked the request for a count and it was VOTED that the meeting be adjourned at 11:15 P.M. until 7:30 on Tuesday, May 5, 1981.

Mr. Carr moved to reconsider Article 1. A. To amend the original motion to hear the reports of the Computer Study Committee, and the School Needs Committee. B. That the Reports of the Computer Study Committee and the School Needs Committee be accepted, the Computer Study Committee report to be a part of this report, and that the Committees as appointed be extended for another year.

Mr. Nickerson, the Moderator, allowed the motion to reconsider Article 1 since there was an error of fact, so the motion would come under that exception. Reconsideration of Article 1 was voted and Mr. Carr asked Mr. Hardy to read the report of the Computer Committee.

COMPUTER COMMITTEE REPORT

May 4, 1981

The Computer Committee was formed on September 22, 1980, with two primary objectives:

1. To determine if a need exists for new data processing equipment,
2. To formulate an approach to best satisfy these needs if they exist.

The committee consists of five members, all Sandwich residents, with a combined total of 85 years experience in the field of computers and data processing. The members are: William W. Brown, Donald J. Fougere, Robert M. Hardy, Ralph E. Haynes and Pamela A. Hutchinson.

The current Town equipment, purchased in 1975, is used for payroll, accounts payable, and general ledger activities. Evidence, in the form of machine scheduling details provided by the Town Treasurer and Town Accountant, indicates the equipment is presently operating at maximum capability in relation to volume and a 40 hour work week.

The committee unanimously agreed that the current equipment is obsolete from four perspectives:

1. Functionally obsolete - the current magnetic ledger card system has been replaced by a variety of vastly improved storage medias.
2. Mechanically obsolete - the current equipment has not been in new production since 1975.
3. Software or program obsolescence as evidenced by the scarcity of qualified programmers for the language used on this equipment.
4. Operational obsolescence due to the specialized operator techniques required.

After reviewing the alternatives of maintaining status quo, implementing a second shift, acquiring another similar piece of equipment, and acquiring new equipment, the committee determined that the only realistic option of the four was acquiring new equipment, thus meeting our first objective. However, subsequent meetings surfaced several problems concerning the implementation of new equipment including the personnel support required to be successful. At a meeting with Town Officials, the committee, and consultants from Arthur Andersen & Co. of Boston, it was agreed that the best approach to solve the immediate problems was to process, first, the payrolls through a service bureau and, secondly, the accounts payables. This would provide the necessary equipment relief to prolong the useful life of the current equipment.

Determination of the computer needs of the Town will be an ongoing task, and it is recommended that the Computer Committee continue to evaluate the Town's data processing position.

Respectfully submitted,

/s/ Robert M. Hardy
Robert M. Hardy
Chairman

Under Article 39 of the 1980 Town Meeting, the School Needs Committee was to report back to the Town Meeting of this year. Mr. Benjamin D. Fleet, Chairman of this Committee read the report of the School Needs Committee as follows:

Report of the Sandwich School Building Committee

To the Board of Selectmen
and the Citizens of the Town of Sandwich:

The year 1980 has shown additional positive results for the Town of Sandwich School Building Committee.

The Town of Sandwich in settling another of its claims was awarded approximately \$12,000.00 for the roof at the Sandwich Jr./Sr. High School. Also, at a regular Town Meeting, the voters of Sandwich allowed a sum of money to commence the in-

vestigation of and correction of deficiencies in the heating, ventilating and air conditioning system at the Sandwich Jr./Sr. High School. As a result, the following has been accomplished.

1. The renovation and recontrol of roof-top units including one year service by trained personnel.
2. Replacement of some duct heaters.
3. Rebalancing of air handling and temperature control in the areas treated.
4. Replacement of fume hood exhaust system and rebalance of air.
5. Renovation of the pool, gym and locker areas, to include new fans, duct work and rebalance of the air.
6. Renovation of the control system for duct heaters.

The above work was accomplished over the summer and follow up work finished this fall. Some minor adjustments are still in process at this time. However, the overall renovation to the heating, ventilating and air conditioning has been done and the system is working. The School Building Committee would like to thank the citizens of Sandwich for the money used for this purpose.

The filed suit brought forth by Franchi Brothers Construction Corporation against the School Building Committee and the Town of Sandwich is still in court. The feeling is that the testimony being given at the hearings in court will probably come to an end by March 1981, and possibly a decision may be given by the Master before the end of 1981.

The results of this court action could lead to further questions as to which route to take in the future. This kind of a decision will be carefully examined by the School Building Committee in consultation with Town Counsel.

The School Building Committee in 1980, has met with frustration at times, but still the work and time put in at hearings has been encouraging, and for the first time in many years we do look forward to a new year in terms of settling the case.

I wish to thank my fellow committee members for work done over the past year, Dr. Anthony D'Antonio retired Superintendent of Schools, for his counsel and advice, Mr. Robert Scott for the work done on this project and the townspeople for their patience and cooperation which is very much appreciated.

Stanley Torrey, Chairman
School Building Committee

Article 1 as amended with then **Voted**, voice vote unanimous.

ARTICLE 33 - To see if the Town will vote to amend Section 2200 Use Regulations of the "Sandwich

Protective Zoning Bylaws” by adding the following Special Permit category to Subsection 2210, thereto:

2200. Use Regulations

2210. No building . . . Symbols employed shall mean the following: SP — Use authorized under Special Permit as provided for in Subsections 1380 and 1390 herein.

2220. Where an activity . . . shall govern. All uses not specifically listed are excluded or prohibited from all districts.

It was moved and seconded that the Town amend Section 2200. Use Regulations of the “Sandwich Protective Zoning Bylaws”, as printed under Article 33 in the Warrant.

Mr. Burgmann for the Planning Board said that Articles 32-37 were all designed for the purpose of protecting our groundwater, and he went over the explanation given on the previous night for the reasoning of the Planning Board, and again pointed out that the amendment to Article 33 was to place the permit granting authority with the Board of Appeals.

He then moved that Article 33 be amended to read:

Article 33. To see if the Town will vote to amend Section 2200 of the Sandwich Protective Zoning Bylaw by making additions to the end of the appropriate sections as follows, or act in relation thereto:

2200. Use Regulations

2210. SA — Use authorized under Special Permit as provided for in Section 1380 herein.

2220. All uses not specifically listed are excluded or prohibited from all districts.

The amendment was seconded.

Mr. Gianferante felt that the last sentence in Section 2220 was too restrictive. Mr. Pola agreed, saying that it cut out new business in some field completely.

The amendment to Article 33 was voted unanimously, voice vote.

After further discussion, the Article 33 itself, as amended, was voted by standing vote, 138 yes, 93 no, and it did **Not Carry** by the necessary two thirds of those voting.

Mr. Taylor then made a motion to reconsider Article 32. This was accepted by the Moderator, and the motion was seconded.

Mr. Taylor, Town Engineer, explained that since these articles were all a package, that Article 32 was ineffective without the following articles; they were all part of a plan for the protection of groundwater and all went together forming a complete package.

Reconsideration of Article 32 was carried by voice vote.

Article 32, as amended, was then voted on, and the vote was 178 in favor, 40 opposed, standing vote carried by the necessary two thirds.

Mr. Pola then made a motion to reconsider Article 33. This was seconded and carried, voice vote.

Mr. Pola made a motion to amend the amended Article 33 to delete the final sentence in section 2220 “All uses not specifically listed are excluded or prohibited from all districts.” This motion was seconded and carried.

Article 33 amendments were voted, carried by voice vote.

Article 33 itself, as amended, was **Voted** unanimously, voice vote.

Mr. Carr moved that Articles 34, 35, 36 and 37 be heard together since they were all concerned with the same thing — dealing with protecting our groundwater. This was seconded and carried by voice vote.

ARTICLE 34 - To see if the Town will vote to amend the “Sandwich Protective Zoning Bylaws” by adding the following uses to Section 2300. **PRINCIPAL USES** under the designated underlined heading, or act in relation thereto.

2310. Principal Uses

	R-20						
	R-40	BL	IND	MAR	RD	S	GD

Sale, storage or transportation of fuel oil or gasoline as a principal activity	N	SP	SP	SP	SP	N	N

ARTICLE 35 - To see if the Town will vote to amend Section 3400 Environmental Controls of the “Sandwich Protective Zoning Bylaws” as follows, or act in relation thereto:

3400. Environmental Controls

3430. Cinders, Dust, . . . or disposal of.

3431. On site waste disposal. Any use resulting in on-site disposal of the following wastes shall require a Special Permit from the Planning Board as provided for in Section 1380 and 1390 herein:

a. Process wastes from operations other than personal hygiene and food for residents, patrons and employees.

b. Other than for single-family residences, sewage flows, as determined by Title 5 of the State Environmental Code, exceeding 110 gallons per day per 10,000 square feet of lot area, or exceeding 15,000 gallons per day regardless of lot area.

ARTICLE 36 - To see if the Town will vote to amend Section 3500. Landscaping and Screening of the "Sandwich Protective Zoning Bylaws" as follows, or act in relation thereto:

3500. Landscaping and screening. The following shall be observed in all districts.

3510. Not more than 60% of lot area shall be rendered impervious, and not less than 30% of lot area shall be retained in its natural state with no more than minor removal of existing trees and ground vegetation. Variation from these two standards shall require Special Permits from the Planning Board as provided for in Section 1380 and 1390 herein.

ARTICLE 37 - To see if the Town will vote to amend Article V DEFINITIONS of the "Sandwich Protective Zoning Bylaws" by adding the following definitions at the appropriate location, or act in relation thereto:

"TOXIC OR HAZARDOUS MATERIALS." Any substance or mixture of such physical, chemical or infectious characteristics as to pose a significant, actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town.

Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, as pesticides, herbicides, solvents and thinners wastes generated by the following activities, without limitation, are presumed to be toxic or hazardous, unless and except to the extent that anyone engaging in such an activity can demonstrate the contrary to the satisfaction of the Board of Health:

- Airplane, boat and motor vehicle service and repair
- Chemical and bacteriological laboratory operation
- Cabinet making
- Dry cleaning

- Electronic circuit assembly
- Metal plating, finishing and polishing
- Motor and machinery service and assembly
- Painting, wood preserving and furniture stripping
- Pesticide and herbicide application
- Photographic processing
- Printing

The Board of Health may, by authority of Ch. 111 S. 31, issue regulations further identifying specific materials and activities involving the use of material which are toxic or hazardous, consistent with this definition.

Articles 34, 35, 36 and 37 were then moved, as printed in the Warrant, and seconded.

Mr Burgmann, for the Planning Board, then offered amendments to the articles:

Article 34. To see if the Town will vote to amend the "Sandwich Protective Zoning Bylaw" by adding the following uses to Section 2300 under the designated underlined headings, as follows, or act in relation thereto:

2310. Principal Uses

	R-20						
	R-40	BL	IND	MAR	RD	S	GD
Commercial							
Car Wash	N	SA	SA	SA	N	N	N
Dry Cleaning	N	SA	SA	N	N	N	N
Boat & Motor Vehicle Service & Repair	N	SA	SA	SA	N	N	N
Industrial, Utility Use							
Municipal sewage treatment with on-site disposal of secondary-treated effluent	N	N	SA	SA	N	N	N
Covered road salt stock-pile on impervious surface	N	N	SA	N	SA	N	SA
Metal plating	N	N	SA	N	N	N	N
Use of toxic or hazardous materials in quantities greater than associated with normal household or agriculture use	N	SA	SA	SA	N	N	N
Research Lab							
Chemical & bacteriological lab	N	SA	SA	SA	SA	N	N
Disposal:							
Salvage yard	N	N	SA	N	N	N	N
Sanitary landfill	N	N	SA	N	SA	N	N
Sale, storage or transportation of fuel oil or gasoline as a principal activity	N	SA	SA	SA	SA	N	N

ARTICLE 35 - To see if the Town will vote to amend Section 3400 of the "Sandwich Protective Zoning Bylaw" by adding a new Section 3421 as follows, or act in relation thereto:

3400. Environmental Controls

3431. On-site waste disposal. Any use resulting in on-site disposal of the following wastes shall require a

Special Permit from the Board of Appeals as provided for in Section 1380 herein:

- a. Process wastes from operations other than personal hygiene and food for residents, patrons and employees.
- b. Other than for single-family residences, sewage flows, as determined by Title 5 of the State Environmental Code, exceeding 110 gallons per day per 10,000 square feet of lot area, or exceeding 15,000 gallons per day regardless of lot area.

ARTICLE 36 - To see if the Town will vote to amend Section 3500 of the "Sandwich Protective Zoning Bylaws" by deleting the existing Section 3510 and replacing with a new Section 3510 as follows, or act in relation thereto:

3500. Landscaping and screening. The following shall be observed in all districts.

3510. Not more than 60% of lot area shall be rendered impervious, and not less than 30% of lot area shall be retained in its natural state with no more than minor removal of existing trees and ground vegetation. Variation from these two standards shall require Special Permits from the Board of Appeals as provided for in Section 1380 herein.

ARTICLE 37 - To see if the Town will vote to amend Article V of the "Sandwich Protective Zoning Bylaws" by adding the following definition at the appropriate alphabetical location, or act in relation thereto:

"TOXIC OR HAZARDOUS MATERIALS." Any substance or mixture of such physical chemical or infectious characteristics as to pose a significant actual or potential hazard to water supplies, or other hazard to human health, if such substance or mixture were discharged to land or waters of this Town. Toxic or hazardous materials include, without limitation, organic chemicals, petroleum products, heavy metals, radioactive or infectious wastes, acids and alkalies, and include products such as pesticides, herbicides, solvents and thinners.

Waste generated by the following activities, without limitation, are presumed to be toxic or hazardous, unless and except to the extent that anyone engaged in such an activity can demonstrate the contrary to the satisfaction of the Board of Appeals.

- Airplane, boat and motor vehicle service and repair
- Chemical and bacteriological laboratory operation
- Cabinet making
- Dry cleaning
- Electronic circuit assembly
- Metal plating, finishing and polishing
- Motor and machinery service and assembly

- Painting, wood preserving and furniture stripping
- Pesticide and herbicide application
- Photographic processing
- Printing

The amendments by Mr. Burgmann were seconded.

Mr. Fagnant made a motion to amend the amendment to Article 34 to leave in the line concerning Disposal-Public in Section 3310 as printed in the Warrant. This was seconded. He felt the amendment as given by Mr. Burgmann did not give enough protection.

This amendment to the amendment was unanimously voted, voice vote.

Mr. Morrison moved to amend the amended Article 37 to change the line in the last section where it reads "Pesticide and herbicide application" to "pesticide and herbicide storage." This motion was seconded and carried unanimously, voice vote.

The amendment to Articles 34-37, as amended, was then voted on and carried by voice vote.

Articles 34-37 were then voted on, as amended and declared **Carried**, voice vote, by the necessary two thirds, in excess of 275.

ARTICLE 38 - To see if the Town will vote to transfer from available funds a sum of money necessary to correct deficiencies in the heating system of the Sandwich Public Library, or do anything relative thereto.

It was **Voted** that the Town transfer \$4,000 from Surplus Revenue to correct deficiencies in the heating system of the Sandwich Public Library. Voice vote, unanimous.

ARTICLE 39 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to fund several social service programs for services to be performed for and on behalf of the Sandwich residents as listed below:

Nauset Workshop	\$1,000.00
Emergency Medical Services, Inc.	\$2,939.00
Cape Cod Council on Alcoholism	\$2,300.00
Cape Cod Child Development Program, Inc.	\$8,587.00

It was **Voted** that the Town raise and appropriate \$15,576.00 to be divided among the several Social Service accounts as listed in the Warrant (above). Voice vote, unanimous.

ARTICLE 40 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to establish a temporary septage disposal area in accordance with the Department of Environmental Quality Engineering Guidelines, or do anything relative thereto.

It was **Voted** that the Town transfer \$175,000. from the Stabilization Fund to establish a temporary septage disposal area in accordance with the Department of Environmental Quality Engineering Guidelines. Voice vote, unanimous.

ARTICLE 41 - To see if the Town will vote to transfer and appropriate a sum of money from the Ambulance Donation Account to be used for repairs of the Town Ambulance, or do anything relative thereto.

It was **Voted** that the Town transfer and appropriate \$5,000.00 from the Ambulance Donation Account to be used as needed for repairs to the Town Ambulance by the Fire Department. Voice vote, unanimous.

ARTICLE 42 - To see if the Town will vote to instruct the Board of Selectmen to petition the Massachusetts General Court to enact legislation authorizing the Board of Assessors of the Town of Sandwich to prosecute its appeal before the Appellate Tax Board, Docket #113449, against the Commissioner of Revenue for failure to accurately determine the fair cash value of land owned by the Commonwealth of Massachusetts and located within the Town of Sandwich in the year 1980, or do anything relative thereto.

Article 42 was moved, seconded and unanimously **Voted** as printed in the Warrant (above).

ARTICLE 43 - To see if the Town will vote, in order to protect the purity of the water and to prevent the deterioration of the fresh water ponds, and to protect the safety of swimming and swimming activities and the users of small boats, by amending the Town Bylaws by adding as Article XXIV the following: "No one shall operate or permit to be operated, any boat with an internal combustion engine over (5) five horsepower on any fresh water pond in the Town of Sandwich except under the direction of any law enforcement officer, fire or rescue officer, or other authorized official for the express of aiding in rescue or other emergencies," subject to the approval of the Director of the Division of Motor Boats pursuant to Chapter 90B, Section 11 (M.G.L.), or do anything relative thereto.

Article 43 was moved, and seconded, as printed in the Warrant.

A motion was made and seconded that Article 43 be indefinitely postponed, and this was Carried by voice vote.

ARTICLE 44 - To see if the Town will vote to instruct the Selectmen to utilize Town Counsel and commence legal proceedings to move the present Post Office from its present location on Route 6A as soon as practicable, or do anything relative thereto.
(By Petition)

Mr. Green, Town Counsel, pointed out that the Post Office was a federal agency and not within the jurisdiction of the Selectmen, after the article was moved and seconded.

Article 44 did not carry, voice vote.

ARTICLE 45 - To see if the Town will vote to amend Article V, Section 2 of the Town Bylaws to add the following: "Whosoever violates this Bylaw shall be subject to a fine not to exceed \$200.00 for each offense," so that the Bylaw would read, "No person shall throw, place or drop, or suffer to remain on any street or Town way any rubbish, garbage or foreign substance, nor shall such person dispose of such rubbish or foreign substance at, on, or near any public way in the Town except in the dumping grounds provided by the Town and in accordance with the regulations set forth from time to time by the Board of Health of said Town. Whosoever violates this Bylaw shall be subject to a fine not to exceed \$200.00 for each offense," or do anything relative thereto.

This article was moved, seconded, and **Voted** as in the Warrant. Voice vote, unanimous.

ARTICLE 46 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money to be used as the Town's share for insulating the Jr.-Sr. High School, or do anything relative thereto.

It was **Voted** that the Town transfer \$40,000. from Surplus Revenue to be used as the Town's share for insulating the Jr.-Sr. High School. Unanimous, voice vote.

ARTICLE 47 - To see if the Town will vote to accept the real and personal property of the Forestdale Cemetery Association in accordance with a Special Enabling Act filed with the General Court and to hold and administer the said property for the purpose of a Town Cemetery in the manner therein set forth, upon the enactment thereof, or do anything relative thereto.

It was **Voted** that the Town accept the real and personal property of the Forestdale Cemetery Association in accordance with a special enabling act filed with the General Court and to hold and administer the said property for the purpose of a Town Cemetery in the manner therein set forth, upon the enactment thereof. Voice vote. Unanimous.

ARTICLE 48 - To see if the Town will vote to accept Chapter 40, Section 4G of the Massachusetts General Laws relative to certain requirements of bidding procedures, which reads in part as follows . . . "In any city or town which accepts the provisions of this section, unless otherwise provided by Bylaw or Special Law in Towns and Districts, no contract for the purchase of equipment, supplies or

materials, the actual or estimated cost of which amounts to four thousand dollars or more, except in cases of special emergency involving the health or safety of the people or their property, shall be awarded unless proposals for the same have been invited by advertisement in at least one newspaper, if any, published in the Town or District, otherwise in at least one newspaper of general circulation in the Town or District, such publication to be at least one week before the time specified for the opening of said proposals" . . . or do anything relative thereto.

It was **Voted** that the Town accept Chapter 40, Section 4G of the Massachusetts General Laws relative to certain requirements of bidding procedures. Voice vote, unanimous.

ARTICLE 49 - To see if the Town will vote to transfer and appropriate the money received from the State Public Library Aid Account to the Library Appropriation Account, or do anything relative thereto.

It was **Voted** that the Town transfer \$3,179.00 from the State Aid to Libraries Account to the Library Appropriation Account. Voice vote, unanimous.

ARTICLE 50 - To see if the Town will vote to transfer and appropriate the money received from the County Dog Fund in 1980 to the Library Appropriation Account, or do anything relative thereto.

It was **Voted** that the Town transfer and appropriate \$2,990.82 from the County Dog Fund to the Library Appropriation Account. Voice vote, unanimous.

ARTICLE 51 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the operation of the Community School Program for Fiscal Year 1982, or do anything relative thereto.

It was **Voted** that the Town raise and appropriate \$17,900.00, transfer \$75,000.00 from the Community School Income Account and transfer \$2,100.00 from the Anti-Recession Account for the operation of the Community School Program for Fiscal Year 1982. Voice vote, unanimous.

ARTICLE 52 - To see if the Town will vote to raise and appropriate or transfer from available funds \$19,000.00 to be made available during fiscal year 1982 to purchase two police cruisers for the Police Department, or do anything relative thereto.

It was **Voted** that the Town transfer \$19,000.00 from the Revenue Sharing Fund on deposit in a special savings account to purchase two police cruisers in Fiscal Year 1982. Voice vote, carried by majority.

ARTICLE 53 - To see if the Town will vote to transfer from available funds a sum of money to establish a summer school program to be administered under the direction of the Sandwich School Committee,

or do anything relative thereto.

It was **Voted** that the Town transfer \$6,000.00 from Surplus Revenue for a summer school program to be administered under the direction of the Sandwich School Committee. Voice vote, by majority.

ARTICLE 54 - To see if the Town will vote to appropriate from funds paid to the Town in settlement of a claim against Franchi Bros. Construction by the Town of Sandwich, for roof repairs at the High School and Elementary School under the supervision of the Sandwich School Building Committee, or do anything relative thereto.

It was **Voted** that the Town appropriate \$12,000.00 from funds paid to the Town, in settlement of a claim against Franchi Bros. Construction by the Town of Sandwich, for roof repairs at the high school and elementary school under the supervision of the Sandwich School Building Committee. Voice vote, unanimous.

ARTICLE 55 - To see if the Town will vote to add to Article II of the Town Bylaws a section 6 to read, "The Board of Selectmen may from time to time after a Public Hearing advertised in a newspaper having general distribution in the Town of Sandwich at least 7 days prior to said hearing, set reasonable fees and charges for services rendered by the Town of Sandwich not covered by Town Bylaw. In no case shall said fees or charges be levied in excess of the cost to provide those services," or do anything relative thereto.

Article 55 was moved, seconded, and **Voted** as in the Warrant. Voice vote, majority.

ARTICLE 56 - To see if the Town will vote to amend Article XIV, Section 2 of the Town Bylaws, pertaining to issuance of gas permits, by deleting the words, "A fee of 50¢ shall be charged for such permit," and insert the words "The applicant shall pay in accordance with fee schedules as may be adopted from time to time by the Board of Selectmen," or do anything relative thereto.

Article 56, as above, was moved, seconded, and **Voted**. Voice vote, carried by majority.

ARTICLE 57 - To see if the Town will vote to amend the Town Bylaws by adding Section 3, Article X, to read as follows: "Whosoever desires to install or alter electrical wires shall first make application to the Inspector of Wires and obtain a permit thereof. The Inspector of Wires shall grant a permit authorizing such installation or alteration provided such proposed installation or alteration shall comply with the laws of the Commonwealth. The applicant shall pay in accordance with fee schedules as may be adopted from time to time by the Board of Selectmen," or do anything relative thereto.

Article 57, as in the Warrant, was moved, seconded and **Voted**. Voice vote, unanimous.

ARTICLE 58 - To see if the Town will vote to add to Article XII of the Town Bylaws Section 8, to read as follows:

Section 8 - Alarm System Bylaw

1. An automatic dialing device shall not be connected to the emergency or regular business lines of the Police Department. A signal from an automatic dialing device received at the Police Station shall terminate only on the line or lines specifically designated for that purpose.

2. All alarm systems installed with an outside audible horn, bell, siren or other signal shall be equipped with a device that will shut off such signal within thirty minutes after the activation of the alarm system.

3. Alarms directly connected to the Police Department shall be connected in such a manner that the signal transmitted specially identifies either intrusion or holdup.

4. The Selectmen may, upon the recommendation of the Police Chief, make procedural rules and regulations regarding false alarms, after a public hearing.

5. All alarm systems connected to the Police Station which are not presently in compliance with this Bylaw shall be in compliance by October 1, 1981.

6. The owner of such an alarm system, after receiving written notice from the Chief of Police, and fails to comply with this law, shall be punished by a fine of \$50.00.

or do anything relative thereto.

It was moved and seconded that the Town add to Article XII of the Town Bylaws, Section 8, to read as printed in the Warrant under Article 58.

An amendment to delete Section 2 was defeated.

Mr. Morrison made a motion that mechanical fire alarms be excluded (section 2). This was seconded and carried.

The article, as amended, was then voted on, and was **Carried** by majority. Voice vote.

ARTICLE 59 - To see if the Town will direct the Board of Selectmen to have street lights installed in the area of Town known as Town Neck, on Dillingham Avenue, Carman Avenue, Wood Avenue, Tupper Avenue, Almy Avenue, Feake Avenue, Chadwell Avenue, and Freeman Avenue between the existing lights at intersections or any other area of Town Neck, or do anything relative thereto.

(By Petition)

Article 59 was moved and seconded as in the Warrant, and was **Defeated** by voice vote.

ARTICLE 60 - To see if the Town will vote to raise and appropriate or transfer from available funds a sum of money for the payment of legal expenditures, or do anything relative thereto.

It was **Voted** that the Town transfer \$16,000.00 from Surplus Revenue for the payment of legal expenditures. Voice vote, unanimous.

ARTICLE 61 - To see if the Town will vote, notwithstanding the provision of Sandwich Town Bylaw Article XVIII, Sections 1 and 2, to authorize the Board of Selectmen, with the concurrence of the Conservation Commission, to sell for the sum of \$7,500.00 to the Sandwich Water District a portion of Town-owned land as shown on plan of land drawn by Whitman and Howard, Inc. of Wellesley, Mass. and dated March 13, 1981, shown as Lot B6-2, an area consisting of 3.057 acres, for water supply purposes, or do anything relative thereto.

It was **Voted** that the Town authorize the Board of Selectmen, with the concurrence of the Conservation Commission, notwithstanding the provisions of Sandwich Town Bylaw Article XVIII, Sections 1 and 2, to sell for the sum of \$7,500.00 to the Sandwich Water District a portion of town-owned land as shown on plan of land drawn by Whitman and Howard, Inc. of Wellesley, Mass. dated March 13, 1981, shown as Lot B6-2, an area consisting of 3.057 acres, for water supply purposes, said money received to be added to the Conservation Land Acquisition Fund. Voice vote, unanimous.

ARTICLE 62 - To see if the Town will authorize the Board of Selectmen to grant to the Sandwich Water District an easement over Town-owned land on Route 130 as shown on plan drawn by Whitman and Howard, Inc. of Wellesley, Mass. and dated March 11, 1981, said easement to be used for a transmission water main, underground electric and access, or do anything relative thereto.

Article 62, as in the Warrant, was moved, seconded, and **Voted**. Voice vote, unanimous.

ARTICLE 63 - To see if the Town will vote to add Article XXV to the Town Bylaws to be entitled Food Vendor's Licenses and to read as follows:

Article XXV — Food Vendor's Licenses

Section 1. No person shall offer food for sale to the public in a food service establishment as hereinafter defined, unless licensed as a common victualer or an innholder under the provisions of Chapter 140 of the General Laws, without first obtaining a food vendor's license under the provisions of this Bylaw. Any person who violates this section shall be liable to a fine of \$50.00 per violation. Each day of operation without a food vendor's license shall constitute a separate violation.

Section 2. Food service establishment shall include any fixed or mobile place, structure, or vehicle, whether permanent, transient, or temporary, private, public or non-profit, routinely serving the public; or any other eating and drinking establishment or place in which food or drink is prepared for sale or for service to the public on the premises or elsewhere.

Section 3. Each applicant for such license shall submit, on forms to be provided by the Selectmen, the following information: Name and address of applicant, name and address of place of business, evidence, in form satisfactory to the Selectmen, that the applicant has upon the premises the necessary implements and facilities for cooking, preparing and furnishing food to the public, and such other information as the Selectmen shall require. The Selectmen may require applicants to submit detailed plans and specifications showing, if any, the location of fixtures and other facilities and the general arrangement of the premises including, in the case of applications for premises not yet completed, estimates of the cost of the proposed arrangement and of the facilities indicated on the plan. The Selectmen may require detailed plans for ongoing upkeep and maintenance consistent with standards necessary for sanitation and safety. Such plans shall include a listing of facilities for cleaning of all utensils, refrigerator and food storage areas. In the event of a proposed sale of a business requiring a food vendor's license or a common victualer's license, an application for a transfer of either of said licenses will be deemed to be an application for a new license, subject to the rules and regulations herein contained and the owner of such business shall be required to file with the Selectmen a thirty-day notice of his intention to sell same before such application will be acted upon by the Selectmen.

Section 4. Such license shall not be issued or be valid until it has been signed by a majority of the Selectmen. The Selectmen may refuse to grant such a license if, in their opinion, the public good does not require it.

Section 5. Food vendor's licenses shall be valid for a term of one year from the first day of January until the 31st day of December. A non-refundable fee of \$25.00 shall be submitted with the application for such license. Any license issued during the year shall expire of the 31st day of December and the fee shall not be prorated. The Selectmen may, in their discretion, suspend the requirement of the fee for schools, hospital, church, municipal, civic or fraternal organizations.

Section 6. If, in the opinion of the Selectmen, a licensee ceases to be engaged in the activity licensed hereunder, or fails to maintain upon the premises on which such activity is licensed the implements and facilities required by the Bylaw, the Selectmen shall immediately revoke the license.

Section 7. If the licensee at any time conducts the licensed business in a manner inconsistent with this Bylaw, the Selectmen, after notice to the licensee and public hearing may, upon satisfactory proof thereof, suspend or revoke the license.

Section 8. The Selectmen may from time to time make rules and regulations interpreting, clarifying and imposing standards consistent with this Bylaw

for conduct of licensed businesses as required by Section 7 thereof.

or do anything relative thereto.

It was moved and seconded that the Town add Article XXV to the Town Bylaws to be entitled "Food Vendor's Licenses," as printed under Article 63 in the Warrant.

Mr. Carr moved to amend Article 63 by deleting the phrase in Section 1 . . . "unless licensed as a common victualer or an innholder under the provisions of Chapter 140 of the General Laws," and this motion was seconded and carried by a majority, voice vote.

The motion was then made that the Article be tabled. By a standing vote, 127 in favor, 79 opposed, declared not carried by the Moderator.

At this point Mrs. Barbara Lantery asked for a quorum count. The meeting lacked 14 votes for a quorum, 261 present.

The meeting was then adjourned to May 6, at 7:30 p.m. This was at 10:15 p.m.

The meeting was called to order at 7:45 p.m., after ascertaining that a quorum was present, on May 6.

Discussion on Article 63 was continued, and Mrs. Helen Silva made a motion to amend the Article in Section 2 by adding after "elsewhere" in the last section of that section "with the exception of occasional food sales sponsored by legitimate local, school, civic, municipal, fraternal, or church organizations." and in Section 5 to delete the last sentence "The Selectmen may, in their discretion, suspend the requirement of the fee for schools, hospital, church, municipal, civic or fraternal organizations."

Mrs. Silva's motion was seconded and carried by voice vote.

Article 63, as amended, was then **Voted** and was carried by majority, voice vote.

ARTICLE 64 - To see if the Town will vote to accept the Mary E. and Henry L. Hall Scholarship Fund, income from which is to be awarded annually to a deserving graduate of Sandwich High School who intends to further his or her education, subject to the following:

1. The recipient shall be selected annually on the basis of merit and need pursuant to procedures established from time to time by the Sandwich School Committee.

2. Each award shall be in an amount determined by the Town Treasurer to be available from the income of the fund.

3. The principal of the fund and any additions thereto shall be invested by or at the direction of the Town Treasurer

or do anything relative thereto.

The Article was moved, and seconded, as in the Warrant, with a vote of thanks to the donors. This was unanimously **Voted**, voice vote.

The motion was made and seconded that Articles 65, 66, 67, 68, 72, 73, 74, 76, and 77 be treated as one unit. This motion was carried.

ARTICLE 65 - To see if the Town will accept the layout of Peter's Pond Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 66 - To see if the Town will accept the layout of Palmer Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 67 - To see if the Town will accept the layout of Bourne Avenue as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 68 - To see if the Town will accept the layout of Shaker House Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated January 1981, and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 72 - To see if the Town will accept the layout of Tarragon Drive (portion) and Fairfield Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 73 - To see if the Town will accept the layout of Oxford Road and Courtland Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 74 - To see if the Town will accept the layout of Robin Road, Oriole Land and Cardinal Road as laid out and recommended by the Selectmen in accordance with the plans thereof, dated March 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 76 - To see if the Town will accept the layout of Marshview Circle, Arrowhead Circle, Bayberry Lane, Fleetwood Road and Scorton Circle as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

ARTICLE 77 - To see if the Town will accept the layout of Old Forge Road, Orchard Way, Timber Way, Indian Trail and Lakeview Drive (Portion) as laid out and recommended by the Selectmen in accordance with the plans thereof, dated December 1980 and Deer Run Lane and George Gallant Road in accordance with the plans thereof, dated January 1981 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 65, 66, 67, 68, 72, 73, 74, 76 and 77 were voted by Voice Vote and declared Unanimous by the Moderator. The sum of \$5.00 be raised and appropriated for each Article.

ARTICLE 69 - To see if the Town will accept the layout of Stonefield Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated January 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 69 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 70 - To see if the Town will accept the layout of Luscombe Lane and Spinnaker Street as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 70 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 71 - To see if the Town will accept the layout of Evsun Drive and Short Way as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 71 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 75 - To see if the Town will accept the layout of Dogwood Drive (to Pleasantwood Drive), Grand Oak Road (to Checkerberry), Checkerberry Lane (from Dogwood Drive to Grand Oak Road) and Huckleberry Lane as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 75 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 78 - To see if the Town will accept the layout of Chipman Road (Portion) as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and Deacon's Path, Charles Street (Portion), Wayside Lane, Haystack Lane, Christopher Hollow Road, Sheepmeadow Lane, Holder Lane, Highridge Lane, Little Lane, Hoxie Lane and Crowell Road (Portion) in accordance with the plans thereof, dated May 1981 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 78 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 79 - To see if the Town will accept the layout of Ridgetop Road, Laurel Lane, Old Barn Lane, Greenhouse Road (from Knolltop Road to Wellfield Road), Wellfield Road, Week's Pond Drive, Hillside Road, Spruce Tree Lane, West Crossfield Road (from Snake Pond Road to Knolltop Road), Knolltop Road, Cross Circle Lane, Uphill Road, and Pond Circle as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - Article 79 was voted by Voice Vote and **Unanimously Defeated**.

ARTICLE 80 - To see if the Town will accept the layout of Holly Ridge Drive, Field Island Point, Country Club Road, Greenway Circle, Golf Links Way, Fairway Circle, Greensward Circle, By the Green Circle, Pine Tree Circle, Bunker Circle, Greenview Circle, Inkberry Circle, Quail Hollow Circle and Evergreen Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

The original motion was amended by the Finance Committee to delete Bunker Circle, Greenview Circle, Inkberry Circle and Quail Hollow Circle.

Unanimously Voted - The amended motion as presented by the Finance Committee as follows:

That the Town accept the layout of Holly Ridge Drive (Station 0+00 to 38+02.13), Field Island Point, Country Club Road, Greenway Circle, Golf Links Circle, Fairway Circle, Greensward Circle, By the Green Circle, Pine Tree Circle and Evergreen Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated May 1981 and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor, and to raise and appropriate \$5.00 for said purpose.

ARTICLE 81 - To see if the Town will vote to provide a tax reduction or to extend snow plowing and sanding services to the residents of the following roads in Lakefield Farms: Old Forge Road, Orchard Way,

Indian Trail Road, Timber Way, Lakeview Drive, Deer Run Lane, George Gallant Drive, or do anything relative thereto.

The article was moved and seconded as printed in the Warrant. Town Counsel declared it illegal since you cannot have a tax reduction to a special group. **Defeated.**

ARTICLE 82 - To elect the following officers:

- One Selectman for a term of three years
- One Assessor for a term of three years
- One Constable for a term of three years
- One Member of the Board of Health for a term of three years
- One Member of the Planning Board for a term of two years (unexpired term)
- One Member of the Planning Board for a term of five years
- Two Members of the School Committee for a term of three years
- Three Trustees of the Sandwich Public Library for a term of three years
- One Trustee of the Clark-Haddad Memorial Building for a term of three years. (Veteran)
- One Member of the Sandwich Housing Authority for a term of five years
- And all other candidates that may appear on the official ballot.

The polls for the election of officers will be open at 8:00 o'clock in the forenoon on said Thursday, the seventh day of May 1981.

The 1981 Annual Town Meeting was moved to be adjourned until 8:00 o'clock A.M. on Thursday, May 7, for the election of officers. Unanimously Voted at 9:45 P.M.

Channing E. Hoxie
Town Clerk

SPECIAL TOWN MEETING September 21, 1981

The meeting was called to order at 7:40 P.M. at the Junior-Senior High School by the Moderator, Mr. Gary Nickerson. Mr. Nickerson asked the Town Clerk, Channing E. Hoxie, if a quorum was present. Mr. Hoxie replied that a quorum was present. He then asked Mr. Hoxie if the Warrant had been posted and duly returned. Mr. Hoxie replied that it had.

The invocation was given by the Reverend John Thomas, St. John's Episcopal Church.

It was moved and seconded to dispense with the reading of the entire Warrant.

ARTICLE 1 - To see if the Town will vote to raise and appropriate \$2,800.00 for repairs to the Water Tanker housed in the Forestdale Fire Station, or do anything relative thereto.

Before Clifford Nelson, Chairman of the Finance Committee, made the motion, he stated that all Articles had been approved by the Finance Committee. If the Articles are passed as shown in this Warrant, the tax rate is projected to be \$17.08 for the next fiscal year.

Unanimously Voted - That the Town raise and appropriate \$2,800.00 for repairs to the water tanker housed in the Forestdale Fire Station.

ARTICLE 2 - To see if the Town will vote to raise and appropriate \$8,000.00 for an audit of the Town books for FY 1982, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$8,000.00 for an audit of the Town books for FY 1982.

ARTICLE 3 - To see if the Town will vote to raise and appropriate \$25,000.00 to be placed in a Special Account under the control of the Selectmen, for Police Overtime in FY 1982 relating to the ongoing investigation, or do anything relative thereto.

Voted - That the Town raise and appropriate \$25,000.00 for Police Overtime in FY 1982 relating to the ongoing investigation, said funds to be placed in a special account under the control of the Board of Selectmen. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 4 - To see if the Town will vote to raise and appropriate \$1,000.00 for repairs to the NCR Book-keeping machine damaged during a thunderstorm, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$1,000.00 for repairs to the NCR bookkeeping machine damaged during a thunderstorm.

ARTICLE 5 - To see if the Town will vote to raise and appropriate \$3,000.00 for repairs to the Grist Mill Wheel and wall, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$3,000.00 for repairs to the Grist Mill Wheel and wall.

ARTICLE 6 - To see if the Town will vote to raise and appropriate \$2,764.69 to pay a FY 1981 unpaid bill for legal expense, or do anything relative thereto.

Voted - That the Town raise and appropriate \$2,764.69 for an unpaid prior year bill for legal expenses. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 7 - To see if the Town will vote to raise and appropriate \$5,000.00 for repairs to the H.T. Wing School roof, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$5,000.00 for repairs to the H.T. Wing School roof.

ARTICLE 8 - To see if the Town will vote to raise and appropriate \$35,000.00 to be added to the Reserve Account to be held for repairs of the Junior-Senior High School shower facilities, or do anything relative thereto.

Before Clifford Nelson made the Motion, he drew the attention of the Town Meeting to the fact that the money amount had been changed from \$35,000.00 to \$11,000.00 in the Motion.

Mr. John Brownell made a Motion that the sum of money be reduced from \$11,000.00 to \$5,000.00. The Motion did not receive a second.

Voted - That the Town raise and appropriate \$11,000.00 to be added to the Reserve Account to be held for repairs of the Junior-Senior High School shower facilities. This was a Voice vote and declared **Carried** by the Moderator.

ARTICLE 9 - To see if the Town will vote to raise and appropriate \$1,500.00 for repairs to the Boardwalk, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$1,500.00 for repairs to the Boardwalk under the direction of the Highway Surveyor.

ARTICLE 10 - To see if the Town will vote to raise and appropriate \$6,600.00 for repairs to Highway Equipment, in particular the Grader and M.F. Tractor, or do anything relative thereto.

Unanimously Voted - That the Town raise and appropriate \$6,600.00 for repairs to the Highway Department Grader and Massey Ferguson Tractor.

ARTICLE 11 - To see if the Town will vote to retain a sum of money as "Free Cash" to be available for expenditure for FY 1983, or do anything relative thereto.

Voted - That the Town raise and appropriate \$183,000.00 to be retained as "Free Cash", in a Reserve Account, to be available for expenditure for FY 1983. This was a voice vote and declared **Carried** by the Moderator.

ARTICLE 12 - To see if the Town will vote to transfer from available funds \$7,000.00 to purchase a used dump truck for the Highway Department, or do anything relative thereto.

Voted - That the Town transfer from the Road Machinery Account \$7,000.00 to purchase a used dump truck for the Highway Department. This was a Voice vote and declared **Carried** by the Moderator.

ARTICLE 13 - To see if the Town will vote to adopt Chapter 90, Section 20A½ of the Massachusetts General Laws which is a new parking enforcement statute, or do anything relative thereto.

Unanimously Voted - That the Town adopt Chapter 90, Section 20A½ MGL, passed by the Legislature as Chapter 351, Section 115, sub-section 20A½ of the Acts of 1981.

The meeting adjourned at 9:20 P.M.

This is a true record of the Special Town Meeting.

Channing E. Hoxie
Town Clerk

SPECIAL TOWN MEETING October 19, 1981

The meeting was called to order at 7:50 P.M. at the Junior-Senior High School by the Moderator, Mr. Gary Nickerson. Mr. Nickerson asked the Town Clerk, Channing E. Hoxie, if a quorum was present. Mr. Hoxie replied that a quorum was present. He then asked Mr. Hoxie if the Warrant had been posted and duly returned. Mr. Hoxie replied that it had.

The invocation was given by the Reverend John Thomas, St. John's Episcopal Church.

The Moderator dispensed with the reading of the Warrant in its entirety.

The following tellers were appointed: Ted Dingley, David Allen and John Thomas.

ARTICLE 1 - To see if the Town will accept the layout of Stonefield Drive as laid out and recommended by the Selectmen in accordance with the plans thereof, dated January 1981, and filed with the Town Clerk and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of Stonefield Drive as printed in the Warrant and that \$5.00 be transferred and appropriated from Surplus Revenue for said purpose.

ARTICLE 2 - To see if the Town will accept the layout of Chipman Road (portion) as laid out and recommended by the Selectmen in accordance with the plans thereof, dated February 1981, and Deacon's Path, Charles Street (portion), Wayside Lane, Haystack Lane, Christopher Hollow Road, Sheepmeadow Lane, Holder Lane, Highridge Lane, Little Lane, Hoxie Lane and Crowell Road (portion) in accordance with the plans thereof, dated October 1981, and filed with the Town Clerk, and to authorize and instruct the Selectmen to take by purchase or eminent domain on behalf of the Town such land as may be necessary therefor and to raise and appropriate a sum of money for said purpose, or do anything relative thereto.

Unanimously Voted - That the Town accept the layout of a portion of Chipman Road, Deacon's Path, a portion of Charles Street, Wayside Lane, Haystack Lane, Christopher Hollow Road, Sheepmeadow Lane, Holder Lane, Highridge Lane, Little Lane, Hoxie Lane and a portion of Crowell Road as printed in the Warrant and that \$5.00 be transferred and appropriated from Surplus Revenue for said purpose.

ARTICLE 3 - To see if the Town will vote to transfer and appropriate from available funds the sum of \$7,500.00 for the purpose of purchasing an automobile to continue the Drivers Education Program, or do anything relative thereto.

Joan M. Russell moved that this Article be Indefinitely Postponed. This Motion was seconded.

Unanimously Voted - To Indefinitely Postpone this Article.

ARTICLE 4 - To see if the Town will vote to transfer and appropriate from available funds a sum of

money to revalue the Town of Sandwich as required by the Department of Revenue, Commonwealth of Massachusetts, or do anything relative thereto.

Voted - That the Town transfer and appropriate \$85,000.00 from Surplus Revenue to revalue the Town of Sandwich as required by the Department of Revenue, Commonwealth of Massachusetts. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 5 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revising Section 4640 to read:

Multi-family dwellings shall have a lot area of at least 20 acres and a lot area per dwelling of at least 1 times the lot area required at that location for a single family dwelling. Front and rear yards and each side yard shall each be at least equal to the distance required at the location for a single family dwelling, multiplied by the number of units contained in the building, or 60 feet, whichever is greater.

Mr. Burgmann moved to Indefinitely Postpone this Article. This motion was seconded.

Voted - To Indefinitely Postpone this Article. This was a Voice Vote and declared **Carried** by the Moderator.

ARTICLE 6 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revising Section 2580 to read:

Residential condominiums shall comply with the regulations for multi-family dwellings. (See Section 4600).

Voted - That the Town amend the Sandwich Zoning Bylaws by revising Section 2580 to read:

Residential condominiums shall comply with the regulations for multi-family dwellings. (See Section 4600). This was a standing vote; 188 Yes, 7 No. This Article was declared **Carried** by the Moderator and met the 2/3 requirements.

ARTICLE 7 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revising Section 4610 to read:

Multi-family dwellings shall have lot frontage on an arterial or collector street and shall be so located and designed that egress does not create hazard or create substantial increase in traffic on any minor street or lane.

Unanimously Voted - Article 7 was Unanimously Voted as printed in the Warrant.

ARTICLE 8 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revising the last sentence of footnote b. to Section 2600, Intensity or Use Schedule, to read:

For two-family dwellings increase the lot area by 100%.

Voted - That the Town amend the Sandwich Zoning Bylaws by revising Section 2600 as printed in the Warrant. This was a standing vote; 140 Yes, 74 No. This did not meet the 2/3 requirement and was declared **Not Carried** by the Moderator.

ARTICLE 9 - To see if the Town will vote to amend the Sandwich Zoning Bylaw or act in relation thereto, by revision Section 2300 to read:

Revise Section 2300 Use Regulation Schedule, by deleting the asteric footnote at "Restaurant."

Voted - That the Town amend the Sandwich Zoning Bylaw by revising Section 2300 as printed in the Warrant. This was a standing vote; 167 Yes, 60 No. This Article was declared **Carried** by the Moderator and met the 2/3 requirement.

ARTICLE 10 - To see if the Town will vote to add Section 1251 after Section 1250 of the Sandwich Zoning Bylaws, or act in relation thereto, to read:

Section 1251. The imposition of the penalties herein prescribed shall not preclude the Building Inspector from instituting appropriate action to prevent unlawful construction or to restrain, correct or abate a violation, or to prevent illegal occupancy of a building, structure or premises or to stop an illegal act, conduct, business or use of a building or structure in or about any premises.

Voted - That the Town amend the Sandwich Zoning Bylaws by adding Section 1251, as printed in the Warrant. This was a standing vote; 1 No and in excess of 279 Yes. This Article was declared **Carried** by the 2/3 requirement by the Moderator.

A Motion was made and seconded to adjourn the Special Town Meeting. This was voted Unanimously. The meeting was adjourned at 9:00 P.M.

This is a true record of the Special Town Meeting.

Channing E. Hoxie
Town Clerk

SPECIAL TOWN MEETING November 16, 1981

The meeting was called to order at 7:40 P.M. at the Junior-Senior High School by the Moderator, Mr. Gary Nickerson. Mr. Nickerson asked the Town Clerk, Channing E. Hoxie, if a quorum was present. Mr. Hoxie replied that a quorum was present. He then asked Mr. Hoxie if the Warrant had been posted and duly returned. Mr. Hoxie replied that it had.

The Invocation was given by Reverend Geertz of the First Church of Christ.

Mr. Nickerson pointed out that the first six articles dealt with the same subject matter, and since the reading of the Warrant had been dispensed with, the first six articles would be considered and debated as a whole.

ARTICLE 1 - To see if the Town will vote to accept the 201 Facility Plan Update entitled "Facility Plan for Wastewater Management" and to proceed with the design and construction of the recommended facilities to include the base sewer area and the wastewater/septage treatment facilities and to authorize the Board of Selectmen to apply for and accept state and federal funds and to enter in contracts for the design and construction of the facilities, or take any action relative thereto.

ARTICLE 2 - To see if the Town will vote to instruct the Selectmen to request that the Town's State Representative petition the Massachusetts General Court to enact legislation, on behalf of the people of Sandwich, to grant the Town a waiver or exception to the provisions of the Massachusetts Ocean Sanctuaries Act (M.G.L. c. 132A, ss 13-16 and 18) and respective Ocean Sanctuaries Regulations, or do anything relative thereto.

ARTICLE 3 - To see if the Town will vote to adopt the sections of the General Laws of the Commonwealth of Massachusetts relating to the assessment of betterments for sewers, Chapter 80, Section 13B, or take any other action relative thereto.

ARTICLE 4 - To see if the Town will vote to borrow and/or transfer from available funds a sum of money for the purpose of designing and constructing sewers and sewage treatment and disposal facilities and authorizing the assessment of betterments for the construction in accordance with the provisions of the General Laws of Massachusetts, or take any other action relative thereto.

ARTICLE 5 - To see if the Town will vote to authorize the Board of Selectmen to purchase a portion of a parcel of land owned by Canal Electric shown on assessors' map 1 as Parcel A1; and to take all actions necessary to assign the site for use as a sewage treatment and disposal facility; to acquire any easement or other rights necessary for access to that parcel and for the discharge of treated wastewater to the canal; and to transfer from available funds a sum of money for said purpose, or do anything relative thereto.

ARTICLE 6 - To see if the Town will vote to place the following questions on the next Annual Town Election ballot.

1. Shall the Town vote to have its Selectmen act as sewer commissioners in accordance with Chapter 41, Section 21, M.G.L.? YES _____ NO _____

2. Shall the Town vote to have its Selectmen appoint a Board of Sewer Commissioners consisting of three persons, in accordance with Chapter 41, Section 21, M.G.L.? YES _____ NO _____

3. Shall the Town vote to establish a Board of Sewer Commissioners consisting of three persons to be elected at Annual Town Election, in accordance with Chapter 41, Section 63, M.G.L.? YES _____ NO _____

or do anything relative thereto.

Article 1 - It was moved that the Town accept the 201 Facility Plan Update entitled "Facility Plan for Wastewater Management" and to proceed with the design and construction of the recommended facilities to include the base sewer area and the wastewater/septage treatment facilities and to authorize the Board of Selectmen to apply for and accept state and federal funds and to enter into contracts for the design and construction of the facilities. This motion was seconded.

A presentation of material within the first six articles followed. Christie Lowrance, Sewer Studies Coordinator, was the first speaker, explaining what had been done in the studies, and the contacts made with the public. Dr. John Flagg, who was Chairman of the Sewage Advisory Committee followed, stating the Committee had studied every aspect of the plan, and the members of the Advisory Committee endorsed the plan. Joan Russell was the third speaker, explaining how the Town could set up a Sewer Commission, as a Town Department she said would appear to be the best plan. Mr. Taylor, Town Engineer, gave a slide presentation showing the technical aspects of the plan, the area which would be sewered, the need for this, the set up of the facility. Slides illustrated the various points Mr. Taylor made. Mr. Gene Carr then gave the figures showing the financial aspect of the proposal.

Discussion and questions from the floor followed. Mr. John Ohman questioned some of the technical aspects of the collection system. He then made the following amendment:

Move that the Town will vote to accept the recommended site 11 in the 201 Facility Plan Update entitled "Facility Plan for Wastewater Management" and to proceed with the design and construction of the collection system of the recommended sewer needs area; to proceed with the design and construction of wastewater/septage treatment facilities with disposal either by land application or canal outfall and to authorize the Board of Selectmen to apply for and accept state and federal funds and to enter in contracts for the design and construction of the facilities.

The amendment was then **Voted** by Standing Vote; 198 Yes and 233 No and was declared **Not Carried** by the Moderator.

After further discussion, Article 1 was moved as printed in the Warrant.

Voted - Article 1 was then Voted by Voice Vote and declared **Not Carried** by the Moderator.

Mr. Carr then moved Indefinite Postponement of Articles 2, 3, 4, 5 and 6. This motion was seconded.

Unanimously Voted - Indefinite Postponement was Unanimously Voted by Voice Vote.

ARTICLE 7 - To see if the Town will vote to impose a moratorium upon granting of a Special Permit for the construction of multi-family dwellings and upon the conversion of existing motels, motor courts, cottage colonies and other buildings used primarily for seasonal use, to condominium-type ownership until appropriate amendments to the Zoning Bylaw of the Town of Sandwich to regulate and control such construction and conversion for the benefit of the health, safety and welfare of the inhabitants of Sandwich are voted upon at the 1982 Town of Sandwich annual Town Meeting, or do anything relative thereto.

Voted - That the Town impose a moratorium upon granting of a Special Permit for the construction of multi-family dwellings and upon the conversion of existing motels, motor courts, cottage colonies and other buildings used primarily for seasonal use to condominium-type ownership until appropriate amendments to the Zoning Bylaw of the Town of Sandwich to regulate and control such construction and conversion for the benefit of the health, safety and welfare of the inhabitants of Sandwich are voted upon at the 1982 Town of Sandwich Annual Town Meeting. This was a Standing Vote; 234 Yes, 52 No. This Article was declared carried by the 2/3 requirement by the Moderator.

The meeting was then adjourned at 10:30 P.M.

This is a true record of the Special Town Meeting.

Channing E. Hoxie
Town Clerk

Report of the OLD KING'S HIGHWAY Regional Historic District

The Annual Election for a member of the Historic District Committee in Sandwich was held November 23, 1981 at 7:30 P.M. in the Henry T. Wing School Cafeteria.

The meeting was called to order by Mr. H. Eugene Carr, Acting Moderator.

The first business was the election of a Moderator for the ensuing year. H. Eugene Carr was nominated and elected by Unanimous Vote.

Nominations were received from the floor for a member to the Sandwich Historic District Committee. Mr. George Sutton was nominated for another term. Nominations were the Unanimously Voted closed.

The vote was by voice vote and Mr. Sutton was Unanimously Voted in as the member of the Historic District Committee.

There were 16 members of the Historic District present.

The meeting was then adjourned at 7:32 p.M.

Barbara J. Walling
Secretary

Report of the Inspector of BUILDINGS

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The estimated value of construction for 1981 showed an increase of \$2,425,583.

There were 365 building permits issued at an estimated value of \$10,131,660. In addition, 144 stove permits were issued making a total of 509 permits, a decrease of 84 from the 1980 total.

Commercial permits showed an \$864,250. decrease with a 1981 total of \$180,000. This included one office building at \$80,000. and two gasoline tanks at \$100,000.

Housing permits were up from 130 to 155, an increase of 17%.

Stove permits were down from 171 in 1980 to 144 in 1981.

Total permits issued were as follows:

		Est. Cost
Dwellings	155	\$6,708,500.
Additions/Alterations	152	753,860.
Garages	18	108,700.
Sheds	21	12,950.
Dwellings Relocated	3	33,000.
Condominiums (52 units)	2	2,200,000.
Office Building	1	80,000.
Gas Tanks	2	100,000.
Pools	6	41,000.
Miscellaneous	5	93,650.
	365	\$10,131,660.

The following permits were also issued:

Stove Permits	144
Certificates of Inspection	13
Sign Permits	11
Occupancy Permits	2

Fees collected for all permits amount to \$13,043.98, an increase of \$2,017.58.

I would like to thank those at Town Hall and Town Hall Annex for their assistance and particularly our secretary Debbie Fournier.

Respectfully submitted,

Roland F. DeConto
Building Inspector

Report of the GAS INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit my annual report as Gas Inspector for 1981.

In 1981 there were 130 permits issued for the installation of gas services and appliances.

Installers and gas suppliers have been most co-operative and responsible in their work.

I would like to thank the Selectmen, the citizens of Sandwich and in particular Mr. Herbert A. Hamlen, Roland DeConto, Debbie Fournier and Chief Alvezi for their assistance and cooperation.

Respectfully submitted,

Walter T. Fagnant
Gas Inspector

Report of the Sandwich PLANNING BOARD

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

The past twelve months has seen a shift in the development pattern in the Town of Sandwich. For the first time in the history of the Planning Board a change has taken place in the way land is being utilized.

Instead of the subdivision for single family homes, the emphasis is now on multi-family housing, held in condominium ownership. The people of Sandwich have expressed concern regarding the way the present Zoning Bylaws are coping with this new development emphasis.

The Planning Board is working with the Board of Appeals to bring recommendations to Town Meeting for Bylaw changes to better deal with the changing growth patterns and the effects that they will have on the Town of Sandwich.

The effects of Proposition 2½ are being felt by all Town Departments with the Planning Board being no exception. Working in connection with the Board of Selectmen, the fees for the filing of various types of plans were revised, in order to better return to the Town the cost of the services of town employees that are required to process the various types of plans. The Board felt that in this way the people who are making use of a particular Town service would be asked to pay for that service directly.

In addition to the normal work of dealing with the subdivision of land and acting as a reviewing agent for the Board of Appeals, the Planning Board was called upon to deal with a request from the Highway Surveyor and Town Engineer to be allowed to make certain sight distance improvements at several points along Chase Road. Planning Board approval was necessary because Chase Road is one of a number of roads in the Town that have been designated by Town Meeting as Scenic Roads. After much discussion, at a well attended Public Hearing, the Board decided that driving safety of those using Chase Road would be improved with no appreciable harm being done to the aesthetic qualities of the area by allowing the improvements to be made.

While the slow state of the economy was reflected in a somewhat reduced number of subdivision proposals that were brought before the Board, there was none-the-less a full schedule of duties that required the Board's attention throughout the year.

The work of the Board was made much easier by the excellent co-operation and professional assistance that was received from the Engineering

Department. Our thanks go out to Mr. William Taylor the Town Engineer, and his assistant, Mr. Richard LeClerc for their help throughout the year.

The Board would also like to thank Mrs. Alice M. Maiato, the Board's Secretary, for her work on our behalf during the year. She stepped in to fill a very difficult position. Without her able assistance the Board could not function.

The past year has seen changes take place and the upcoming year will see more. The Planning Board will continue to deal with these changes for what is to be the best interest of the Town of Sandwich.

Respectfully submitted,

Robert A. Burgmann
Chairman

Report of the **BOARD OF APPEALS**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Nineteen eighty-one has been a most demanding year. Fifty petitions for hearings were advertised. Forty-seven of these were heard as three were requested to be withdrawn without prejudice. Thirty-three Special Permits were granted and two were turned down without prejudice. Five variances were denied and six granted with one for a limited time of one year. One appeal to reverse a decision of the Building Inspector was denied. The applicant has filed a complaint against the Board in Superior Court. Four other complaints have also been filed during 1981. The first by the Planning Board contesting our decision on the required parking as granted in Petition 80-56. This was settled out of court to the satisfaction of the Board of Appeals. The condominium applications for a total of 158 units drew great controversy. Of the four condominium Special Permits granted, three are being appealed to the Superior Court. All of these four hearings were well attended by concerned citizens. As the Bylaw now stands, the Board feels confident that a proper decision was made on each petition. It is hoped the Planning Board will address many of these concerns at the May Town Meeting.

Shawme Heights, Inc. was finally granted their comprehensive permit to proceed to construct 45-units of multi-family housing for the elderly. This permit was granted after all concerned Town Boards and Officials had reported favorably.

Board member Edward Osgood, Jr. resigned during the latter part of the year for personal reasons. The Board expresses its gratitude for his contributions and dedication through the years. Alternate member Kevin Kirrane has been appointed to fill the vacancy.

The Board also welcomes its new alternate members, John Brownell and Mary Williams.

Respectfully submitted,

Albert Roberti, *Chairman*
Edward Condon, *Vice-Chairman*
Peter J. Closson, *Clerk*
Arthur Kingsbury, III
Kevin Kirrane
Lucian Colucci, *Alternate*
Alfred LaPlante, *Alternate*
John Brownell, *Alternate*
Mary Williams, *Alternate*

Report of the **WIRE INSPECTOR**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the past year Four hundred twenty-five (425) permits have been issued. This figure represents Two hundred twenty-six (226) new units and One hundred ninety-nine (199) additions to or alteration of existing units.

Permit fees were collected and paid to the Town Treasurer in the sum of Seventeen hundred seventy-five dollars (\$1775.00). The fees were raised to bring them in line with surrounding Towns; as a result thirty-two percent (32%) of the yearly fees were collected in November and December.

I would like to thank all the employees of Town Hall and Town Hall Annex and also the electricians and contractors for their cooperation and understanding. A special thanks to Debbie Fournier without whom the Inspector's Office would not run so smoothly.

Respectfully submitted,

Victor M. Devine
Inspector of Wires

Report of the PLUMBING INSPECTOR

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During the calendar year 1981, 278 plumbing permits were issued. This is an increase of 9% over 1980. 616 inspections were made of plumbing installations during various stages of construction. 47 of these required minor modification or repair.

There were 163 Disposal Works Construction Permits issued with 208 on-site inspections being made. The co-operation of the installers is greatly appreciated.

A total of 16,548 miles was traveled during these inspections.

We wish to thank everyone that has worked with us during the past year, especially our secretary Debbie Fournier.

Respectfully submitted,

Herbert A. Hamlen
Plumbing Inspector

Walter T. Fagnant
Asst. Plumbing Inspector

Report of the FOREST WARDEN

To the Honorable Board of Selectmen
Sandwich, Massachusetts

I hereby submit the annual report of the Forest Warden Department for 1981. The breakdown of department activities for 1981 is as follows:

Woods, Brush and Grass fires	39
(approximate acreage burned, 287)	
Dump Fires	4
Smoke Investigations	32
Cook Permits	186
Brush Permits issued	682
Burning Violations	3

There was a notable decrease in the number of woods and brush fires this year, but the acreage burned skyrocketed. This of course was due to the major fire at Scussett Beach in April. This fire accounted for approximately 250 acres in Sandwich.

The open burning of clear brush was allowed again in 1981 from 1-15-81 to 5-1-81. During the period 682 permits were issued to residents. A permit must be obtained from the Fire Department before any burning can be done. Make sure you check before you burn brush because there are limits to what can be burned. The number to call for permits is 888-0525.

I would like to take this opportunity to thank all people who assisted the Forest Warden in 1981.

Respectfully submitted,

Ferdinand L. Alvezi
Forest Warden

Report of the TREE WARDEN and INSECT PEST CONTROL SUPERINTENDENT

To the Citizens of the Town of Sandwich:

This is my thirtieth and final report as Tree Warden of the Town of Sandwich. It has been my custom to start each report with a listing of the trees planted during the previous year. Due to the more than sixty percent cut in my budget last year, I was able to plant only one tree and that at the special request of the Landscape Council. The tree planting program was eliminated by the Selectmen because it was "non-essential".

Moreover, routine maintenance and care of trees was severely limited, due to the cut. Six trees, valued at \$250 each, were lost. Other trees (twenty-five or more) are under stress. In the past this Department has never lost a tree, because we never had a policy of planting them and walking away from them.

The full impact of the cuts made in this budget can only be understood if you realize that this Department has never inflated its budget requests. When other departments in recent years have expanded dramatically, we have remained a part-time Department, myself and one assistant, with one stake body truck; you have all seen me using my personal truck on Department business. Removal of Dutch Elm diseased trees and other major take-downs and pruning has always been done with hired outside help and equipment, at very considerable savings to the Town.

Last year this department was expected to operate under a 1960's budget; neither the Selectmen nor the Finance Committee called me in to discuss these cuts. It seems to me that this Department was singled out for these cuts. There were no cuts such as these sustained by Park Department, Conservation or Highway.

Gypsy moths will be heavy in 1982. You will have a choice to either live with them or spray, and at Town Meeting you will be able to vote on aerial spraying with either Sevin (Carbaryl) or with Dipel (*Bacillus thuringiensis*). Sevin has been routinely used by us along the roadsides for years, as well as by many gardeners. BT is the choice of many gardeners against caterpillars; it's a bacteria which attacks only them. Aerial spraying with Sevin will kill virtually all insects etc. under the spray; also, many people question its safety for humans. For instance, it cannot be used aerially in Maine within a quarter mile of a house. On the other hand, my information questions the effectiveness of BT. I do not recommend a yes vote for either. The Town has enough lawsuits on its hands now; with aerial spray they may have more.

Gypsy moths have been around for a long time, but people have moved in on them in recent years. Nobody's ever been able to eradicate them, and they just go through their cycles, just take their course. We know they're a nuisance; in the caterpillar stage especially, they're terrible. This is the first time they've been such a problem to people, because of all the new developments in Sandwich.

Otherwise, in my thirty years I've been through hurricanes and Dutch Elm Disease. I took the job in 1952 and there were two hurricanes in 1954. They say there have been some since, but I call them northeasters. Dutch Elm hit in '68; anyone who knew Sandwich before knows how devastating its effects have been. We still have some specimen elm trees, a few of them, that we're trying to save. And, of course we have much more than replaced the lost elms with our tree planting programs over the years. The center of Town has been pretty well planted, what with replacements for the elms. After years of work the results show on Old Main, Tupper Road, State Street, and the other streets throughout the village, with their flowering and shade trees, and fall foliage. In future years it will be necessary to concentrate efforts on the more outlying streets of Sandwich.

William J. Ellis
*Tree Warden and
Insect Pest Control Superintendent*

Report of the CONSERVATION COMMISSION

To the Honorable Board of Selectmen
Sandwich, Massachusetts

As in previous years the administration of the Wetlands Protection Act, Chapter 131, Section 40 and Article 21 of the Town of Sandwich Wetlands Protection Bylaw consumed much of the Commission's time. Twenty-three advertised hearings relative to 42 individual applications were held. In addition, 97 site inspections were made, 37 oil spill reports investigated, 5 Cease and Desist Orders issued and 4 hazardous waste complaints investigated.

Vandalism of Conservation Commission property has become an increasing problem. Damage reported included destruction of benches, gates and signs at Talbots Point and Holway area as well as damage to the bathhouse, boathouse and sun shelters at Mashpee-Wakeby. The co-operation of the Recreation Department and Police Department are greatly appreciated.

We would like to thank Reverend and Mrs. Beveridge for their donation of a one acre parcel of land which abuts Conservation Commission property off Route 6A.

Two new members were appointed to the Commission, Richard Loring and David Lowrance. The Commission would like to express their thanks to former members Eugene Morrow and Frank Colombo for the interest and dedication displayed during their terms.

The Commission noted with sadness the passing of J. Albert Torrey, long-time member and former Chairman.

Respectfully submitted,

W. Stephen Collings
Richard J. O'Brien
Ted Dingley
Alden Lawson
Ronald Nurse
David Lowrance
Richard Loring

Report of the DOG and CONSERVATION OFFICER

To the Honorable Board of Selectmen
Sandwich, Massachusetts

Herewith submitted is the annual report of the Activities of the Town of Sandwich Dog Officer:

Dogs Impounded	178
Dogs turned over to SPCA	24
Dogs turned over to SPCA by owners	13
Calls for Dog Officer	661
Complaints	558
Calls for Lost Dogs	138
Calls for Dogs hit by motor vehicles	22
Citation issued/Failure to Restrain	14
Letters Sent	98
Warnings to Restrain Dogs sent	10
Warnings to License Dogs sent	208
Calls for Cats	45
Hearings for Failure to License arranged	90
Summons issued for Failure to License	11
Summons issued for Failure to Restrain	3
Warrants issued for Failure to License	3
Hearings brought before Selectmen	2
Calls Relayed by Police Department	1,550

As of December 31, 1981, there were 1,530 dogs licensed, an annual increase of 16. Dog licenses for 1982 will be available in March, and all dogs three months or older must be licensed by the tenth of June.

Fees collected for 1981 for Pick up and Care and Custody amounted to \$2,527. Monies paid through citations amounted to \$145., and monies paid through court amounted to \$20. These are all small decreases over the amounts recorded for 1980, showing some response to the graduated pickup fees as a deterrent for repeat violations.

Also, herewith is the 1981 report of the Fish and Game Conservation Officer:

Calls for Conservation Officer	49
Calls re horses	4
Calls re cows	2
Calls re goats	3
Calls re pigs	1
Calls re chickens	7
Calls re geese	3
Calls re ducks	2
Calls re swans	6
Calls re seagulls	5
Calls re Wild Turkeys	2
Calls re turtles	2

Calls re raccoons	6
Calls re possum	3
Calls re snakes	1
Calls re skunks	13
Calls re birds	5
Calls re woodchuck	1
Calls re muskrats	5
Calls re deer	7
Cease and Desist Orders Served	4
Total Calls logged at Kennel	1,551

In the performance of my duties as Dog and Conservation Officer, I have logged over 22,000 miles in the year 1981.

I would like to thank the following for their assistance:

The Honorable Board of Selectmen
The Fire and Police Department Personnel
The Conservation Commission
The MSPCA

Respectfully submitted,

Francis G. Silva
Dog and Conservation Officer

Report of the ANIMAL INSPECTOR

To the Honorable Board of Selectmen
and Residents of the Town of Sandwich:

During this past year, I have had 15 dog bite reports — quarantined and subsequently released 14 dogs. One dog carcass was sent to the Massachusetts State Laboratory for tests and proved to be free of rabies.

I have inspected 92 farm animals and their shelters. There is no indication of infections or contagious disease. Most horses and ponies have been Coggins tested and vaccinated against infectious anemia and Eastern-Western encephalitis.

Listed below is the census I took for the State Department of Agriculture.

Census:	
Horses	43
Ponies	15
Goats	18
Sheep	6
Swine	3
Beef Cattle	7
Total	92

Respectfully submitted,

Hilda E. Whitmore
(Mrs. Charles G. Whitmore)

Report of the **PARK DEPARTMENT**

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

The following is a list of the activities carried on by
the Park Department during the year of 1981:

Jennifer Lane — 1
Faunce Mountain Road — 2

I would also like to thank the Selectmen and all other Departments that assisted the Park Department during the year.

Respectfully submitted,

Raymond L. Thayer
Park Foreman

Report of the **RECREATION COMMITTEE**

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The Recreation Committee again sponsored many activities throughout the year. However, under Proposition 2½, the Recreation budget was cut by \$23,000 thus eliminating eight summer staff positions as well as reducing funds needed to operate various sports programs and activities. Thanks to the many people who volunteered their time and support for the different fund raising projects, many activities and programs continued to succeed and grow in popularity. Some minimal fees had to be introduced for various activities due to Prop. 2½ budget cuts.

The winter recreation activities proved to be very successful again. Activities included the Sandwich Youth Basketball program, ski trips, the Indoor Soccer program, the Figure Skating program, and a gymnastics program co-sponsored with the Sandwich Community School.

The Fourth of July parade and field events at the Wing School kicked off a very successful summer program. A full schedule of programs and activities was offered to Sandwich citizens. The always popular swimming program was well attended at both Snake Pond and at the Sandwich High pool. Sailing lessons were again offered at Wakeby Lake. The Arts and Crafts program was again held in the Sandwich High School art room. Tennis lessons were held at the Sandwich High School courts for six weeks. A Basketball program for

boys and girls in grades 9-12 was held for eight weeks at the Sandwich High School gymnasium. The girls participated on Monday evenings and the boys on Wednesday evenings.

The men's and women's tennis leagues were formed again for the eighth consecutive year along with the annual recreation tennis tournament.

The Recreation Committee and the newly formed Sandwich Tennis Association co-sponsored the First Annual Sandwich Juniors Open Tennis Tournament drawing more than one-hundred sixty entries.

Youngsters in grades 9-12 again participated in the soccer program each Tuesday evening at the Wing School. Also on Tuesday evenings, the Recreation Field Hockey program was held for girls in grades 9-12. Many thanks to Eleanor Gaffney for directing this popular program.

The Fall Youth Soccer Program was held each Saturday at the Wing School fields for more than two-hundred fifty youngsters in grades 1-6. The First Sandwich Youth Soccer Tournament was held this year with teams from Falmouth, Mashpee, Dennis, Orleans, Harwich and Sandwich competing.

The Sandwich Recreation Committee would like to take this opportunity to thank all the people who gave so much of their time, effort, and support to the different committees and youth programs sponsored by the Sandwich Recreation Committee. Many thanks also to the Finance Committee, and our Selectmen for their continued support. The Sandwich Recreation Committee meets on the first Monday of each month at 7:30 p.m. in the Sandwich Town Hall.

Respectfully submitted,

Silvio Tedeschi, *Recreation Director*
Paul Feeley, *Chairman*
William Dwyer, *Treasurer*
Steven Anderson
Jana Perry
Barbara McNeil
Thomas Taylor
Donald Fleet

Report of the **SHELLFISH WARDEN**

To the Honorable Board of Selectmen
Sandwich, Massachusetts

During 1981, medium and large quahogs were planted in the Old Harbor area.

Open shellfishing days will remain the same as in previous years, open on Sundays only during November and December. It will close for January and February, and reopen Sundays during March and April.

The regulation for the taking of mussels will remain the same. They may be taken on Wednesdays and Sundays during the months of November, December, March and April. Limit one bushel per day.

The Spooky Hole area will remain closed for seeding and experimental area.

A new Deputy Warden was put on. His name is Peter Hanlon.

Thanks to my Deputy Wardens for their able assistance and their willingness to use their vehicles and equipment for shellfish work, at no cost to the Town of Sandwich.

Respectfully submitted,

Eugene H. Morrow
Shellfish Warden

Report of the **TOWN ENGINEER**

To the Honorable Board of Selectmen
and Citizens of Sandwich:

The past year has shown the effect of Proposition 2½, as our staff has now been reduced by 40%.

We have continued with the usual function of the Department such as: bi-monthly inspections of the Sanitary Landfill, inspections of subdivision construction, bond release inspections for new home construction, revising and updating Assessor's Maps and various Town Maps and records, preparing plans, cost estimates and bid data for Town projects and the preparation of compliance reports pertaining to applications made to the Planning Board and Board of Appeals.

The design of the new Septage Lagoons was completed and approved by the Massachusetts Department of Environmental Quality Engineering. Bids were received in the fall and work was started.

Pipework and other incidentals were done by the Highway Department. At the year's end there remained only a few items to be completed and with a break in the weather this work should be completed and the system activated.

It was felt that data should be available about possible impacts of our Sanitary Landfill. We are now taking samples of private wells located "downstream in the groundwater aquifer" from the Landfill. The correlation of the laboratory results of these tests will enable us to evaluate if a contaminated "plume" might be working away from the Disposal Area. The data presently available would indicate that there is no problem or that we do not have enough available test sites to properly evaluate the situation. We will continue to work and improve this data bank.

Our study of the Landfill which was completed last year indicated that the period of time that this area would be usable would be considerably shorter than the time frame projected in the initial report prepared by Whitman and Howard Engineers, a few years ago. In order to prepare for this situation, we have prepared preliminary data and have met with the Board of Selectmen and various State Officials and agencies to gain access to other land which will enable us to continue with the Landfill for a few years more. This however, is only a short term solution and we must look to some form of recycling, energy generation, incineration, etc., as the ultimate solution. This would probably have to be done on a regional basis and is presently being reviewed by the Solid Waste Advisory Committee of the Cape Cod Planning and Economic Development Commission.

Since summer we have done studies of the proposed Wing School roof repairs, Wing School sanitary facilities, also the proposed repair of the boys and girls showers, water main installation and HVAC repairs at the Junior-Senior High School. These studies were done for the Board of Selectmen and the School Committee.

The Department played a very active role in the development of the Environmental Impact Statement and the Sandwich Facilities Plan presented at the fall Special Town Meeting.

Forty-six street layouts were accepted by Town Meeting action of the seventy-one that were submitted by petition and required evaluation and reports.

We wish to thank the Highway Department for their continued assistance throughout the year and all the citizens, Departments, Boards and Officials for their assistance and support.

Respectfully submitted,

William C. Taylor, R.L.S., P.E.
Town Engineer

Report of the HIGHWAY SURVEYOR

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

I hereby submit my annual report.

The work accomplished under general and special appropriations included: drainage, road resurfacing, patching, brushing, and the reconditioning of approximately 10 miles of road with oil and sand cover. Good maintenance of roads is an investment in pavement structure and insurance against costly repair.

Through the drainage appropriation, many of the drainage problems have been resolved, however there are some problems that still need attention, and we will try to schedule repairs in a reasonable and practical manner. Snow removal consumed a significant amount of time, effort, and expense. This year the snow removal budget was exceeded by \$15,000.00, however this department managed to complete the fiscal year without requesting monies from general funds. This was due to the fact that the department completed various projects, which brought revenue into our machine account. One particular project was, loaming and seeding Freezer Road and Tupper Road for the Water District.

This year as in previous years there were numerous petitions for road takings. There were 46 roads accepted at Town Meetings this year. With the acceptance of new roads, there is increased responsibility placed on this department for manpower and equipment. In spite of this extra responsibility, the budget was increased by only 7%. However, in the meantime we will continue to make every effort to work with the Selectmen, the citizens, and all other departments to provide the necessary services to all within the confines of this restraint.

Also because of this situation, our request for a badly needed power-sweeper must be placed on the back shelf. The power-sweeper the Town now owns is in need of constant repair, and it has become costly and time consuming to continue operating with this situation.

In past years it has been the policy of the Town to appropriate \$125,000.00 a year for resurfacing designated areas, however last year due to Proposition 2½, we were appropriated only \$25,000.00. This did not hurt us this year because we had State Aid money to work with that has been accumulating over previous years. This afforded us the opportunity to reconstruct and resurface

portions of: Farmersville Rd., Great Hill Rd., and Newtown Rd.

We look with confidence to the future that the financial responsibility for the Town of Sandwich will once again be placed back in the hands of its citizens where it belongs, so that our vital services continue to prevail.

Again I wish to extend a grateful thank you to the Conservation Dept., the Engineering Dept., and the Park Dept. for their continued cooperation with this department.

The Highway Department also wishes to thank the citizens, the Selectmen, and all the other departments throughout the Town for their cooperation and support.

Respectfully submitted,

James L. Crocker
Highway Surveyor

Report of the VETERANS' SERVICES

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The establishment of Veterans' Services throughout the Commonwealth of Massachusetts was insured by the enactment of Chapter 599, in the year 1946, by the Commonwealth.

The District Department of Veterans' Services is staffed by two clerks, an investigator and the Director of Veterans' Services.

The Veterans' Services Department handles the numerous questions and problems relating to a veteran's entitlement to Federal and State Programs. This is a great asset to the community because it brings into each community new money by assisting veterans and dependents in obtaining monetary benefits from State or Federal Government thus reducing local expenditure need.

The program of most importance to the taxpayer is Veterans' Benefits. This program is not charity nor is it a pension. It is a privilege available to those who meet three major requirements; Honorable Service in time of war, worthiness and need. The money spent in this type of assistance is reimbursed 50% by the Commonwealth of Massachusetts.

A short report from the District Investigator, George C. Christopulos:

During the current year approximately 225 new applications were taken from veterans and their dependents residing within the five towns the District represents. These new claims for Veterans' Assistance are carefully investigated as to their eligibility and if eligible are then classified under a monetary and/or medical budget prescribed by the Commonwealth of Massachusetts State Veterans' Services Office according to veterans need.

Some of the related job responsibilities include the completion of the annual income questionnaire cards of those veterans and dependents who are in receipt of the various pension awards from the Veterans' Administration and the referral to the various agencies such as the Social Security Administration and Department of Public Welfare for eligibility.

George C. Christopulos

The growing concern of those who strive to meet the rights and privileges for veterans' and their dependents, with reduction in fundings, is critical. If a thorough study were to be made focusing on the past allocation of funds and benefits provided for those in need who served our nation to the present it would reveal that the cost to our Taxpayer has declined steadily without Proposition 2½.

In the past fiscal year, the Veterans' Administration expenditure to the Town of Sandwich veterans' and dependents for compensation pension and educational programs was \$648,715.00. It is worthy to note that this expenditure does not reflect the savings brought about by veterans' hospitalized or treated on an outpatient basis at a VA facility. In view of the cost of medical care, in these times, this could be a monumental saving to the community.

The estimated Sandwich living Veterans' population is 1,316.

Average Age of Veterans' Today

Viet Nam	33.4 years
Korean Conflict	49.6 years
WW II	60.0 years
WW I	85.7 years

The following have rendered excellent cooperation and valuable assistance which has made our job easier and resulted in more effective and efficient services for the people we represent.

Selectmen and Staff
Town Accountant and Staff
Town Treasurer and Staff
Assessors and Staff

Our sincerest and warmest expression of appreciation to all the above mentioned.

Respectfully submitted,

Sidney L. Chase, *Director*
George C. Christopulos, *Investigator*
Florence Wood, *Clerk*
Lois Cross, *Clerk*

Report of the VETERANS' GRAVES OFFICER

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

Many thanks to all the Legionnaires and interested citizens for their assistance in placing the needed 364 flags on the gravesites in our 14 cemeteries before Memorial Day.

Needless to say, we all are aware of "Proposition 2½" and this department too is trying to conform. Have had 10 medallions repaired so they may be used again. Also, when the flags were taken off gravesites, they were carefully stored at Legion Hall, and they too can be used again if necessary.

Respectfully submitted,

Elizabeth L. Currier
Veterans' Graves Officer

Report of the Sandwich ARCHIVES & HISTORICAL CENTER COMMITTEE

This is the third annual report of the Town's historical center.

We have received a number of important acquisitions during the year 1981 — giving us new and fascinating information on the history of our Town through its many periods. These include:

Diary by Benjamin Percival for 40 years 1777-1817, a Selectman and State Representative, details of life in the Revolution and on the farm.

Diary of Thomas Robie kept in 1710. First person accounts of such an early time are very rare.

Diary of Rev. Ezra Goodwin kept in 1815. The First Parish Church minister who built the brick house at 100 Tupper Road.

Records of the Puritan Congregational Church 1847-1857. This church broke away from the Calvinistic Society and met in the Town Hall. Records of it were thought lost forever.

Three scrapbooks kept by Ned Nickerson of Bourne from 1898 to about 1950. Unique pictures and personal stories of the founder of the Nickerson-Bourne Funeral Service.

Microfilm of the Yarmouth Register from 1836. This early newspaper of record had much Sandwich news in a period when hardly any Sandwich papers survive.

Board of Trade Records from 1951, covering the period when Sandwich became a historic tourist center.

We have also been greatly helped by interested and knowledgeable people with gifts of photos, documents and varied information. These donors include: Martha Blake, Virginia Wing Blake, Clarence Haines, Carolyn Crowell, Mabel Morrow, Anna Caron, Channing Hoxie, Isabel Pifer, Rosanna Cullity, Lombard Jones, Ray Barlow, John and Winnifred Coe, Barbara Gill, Herbert Hamlin, Clare Morse Wing, Mildred Nickerson and Gordon Swan.

Many thanks to these friends and others for their generous and invaluable contributions.

The past year has seen many achievements to bring our twin goals of the Sandwich Town History and Book of Vital Records much nearer to reality. We have completed detailed reviews and indexing of our unique original sources of information, including Town Meeting Records, diaries, letters, Federal Census, newspapers and genealogies. These unabridged voices from the past open up to us immense fields of human interest as well as necessary statistics. The process of digestion and analysis goes on, and the treasure of information we have on hand has been of value to many townsmen and friends of the town through such outflow as:

help to persons on cemetery lots here
facts for persons owning or buying older houses
assistance to authors, tour operators, tourists,
students and descendants of early families on history
cooperation with organizations such as Sandwich Historical Society, Bourne Archives, Massachusetts Maritime Academy, TW Burgess Society, Nye, Wing and Tupper Families and National Seashore
slide talks for several groups

A volunteer from Southeastern Massachusetts University worked here during the summer on early records including Old Town Cemetery interments and land owned by settlers in 1658. There is much more such work available, both easy and hard, and we would warmly welcome any volunteers who would like to work with us for a few hours a week. We would be glad for volunteers to come in to 145 Main Street for a talk on their fields of interest. We urge all residents to visit us at any time to see our unique town history materials for themselves.

There has never been a central historical reference and information source like this in the town before, and we exist to serve the townspeople and their government.

We plan to complete our manuscript of the town history book during calendar year 1982, and urge voters and townspeople to support the publication of this much-needed book. Costs will be recovered through sales of the book.

Report of the Sandwich
**HISTORICAL
COMMISSION**

The Commission was formed in 1971 when the Town voted to accept the provisions of Massachusetts General Laws, Chapter 40, Section 8D. The duty of the Commission is to research, prepare, and maintain an inventory of physical historic assets in the whole town, as prescribed by the Massachusetts Historical Commission under these headings:

1. Buildings (houses, barns, schools, factories, etc., generally those over 100 years old).
2. Structures (walls, herring runs, bridges, wharves, the boardwalk, etc.).
3. Monuments (structures or plaques in honor of war service, leaders, or historical events).
4. Burial Markers (cemeteries, tombs, noted persons buried, all stones earlier than 1830).
5. Sites (location of Indian sites and historic spots, such as Christopher's Hollow and Old Briar Patch).

Our inventory is important to the town as the basis of facts to be used in preparing historic tours, school history programs, lectures, historic maps and similar efforts to recognize and preserve our town heritage. The inventory is also the basis for

official identification of Sandwich historic assets in State and Federal programs such as National Register listings, new historic districts, and historic preservation grants. The East Sandwich and Spring Hill inventory was completed in 1972 and considerable sections of Sandwich were submitted in 1974 and 1976. The records of assets in the balance of the town have been assembled, but not yet sent to Massachusetts Historical Commission, Boston. The files of the Commission on each house and other historic features are public documents, and residents are welcome to see them. Please come in to the Town Hall Annex (top floor) to find what is known of the age and history of hundreds of houses and other historic assets in Sandwich, including your own house if it is 19th Century or earlier.

The Commission has completed an inventory of eighteen cemeteries with information on every grave marker, excepting only those in St. Peter's Cemetery. These interral records are available for anyone interested. We hope to complete the St. Peter's inventory in 1982.

The Commission is entirely distinct from the Old King's Highway Historic District Committee which is empowered to review additions or changes to buildings in the area north of the Mid-Cape Highway.

Director's Report of the OLD HOXIE HOUSE

To the Honorable Board of Selectmen
and Residents of the Town of Sandwich:

This was a banner year. Over 15,500 guests visited the Old Hoxie House and enjoyed the lectured tours. August the 6th was the biggest day ever — 426 paying guests and 135 children. Many had to wait outside because of overcrowding in the building.

The furniture and furnishings are in good condition. They are cared for daily. An intensive research is being conducted by the Museum of Fine Arts on Connecticut chests to find out just who built certain ones, especially the two owned by our Town.

The old-fashioned garden planted by Robert Hoxie was a delight to all. Many bouquets were cut from it for decorations. The herb garden did well — always a conversation piece.

My assistants, Mrs. Walter Hilliard, Miss Leslie Tucker, Ms. Jane DeCubellis and Miss Ann Fairbanks, join me in thanking you for any aid given us this past year. A special thanks to the Park Department for always being ready and willing to help beyond their call of duty.

Do remember taxpayers and local residents, the Old Hoxie House is your house to visit.

See you next summer?

Respectfully submitted,

Hilda E. Whitmore

(Mrs. Charles G. Whitmore)

Report of the DEXTER GRIST MILL

To the Honorable Board of Selectmen
Sandwich, Massachusetts

The Dexter Grist Mill opened on June 13th, 1981. It was forced to close for repairs June 15th to June 20th, and August 10th and 11th.

The outside end of the drive shaft which is out in all kinds of weather for the past twenty years has decayed so that it is not safe to run the Mill. Also the two stone walls that the shaft rests on are falling apart. The stones fall into the water wheel which makes it unsafe and could cause a lot of damage. The repairs are to be made this fall or early in the spring.

The closing didn't hurt too much as we had a banner season. We ground nineteen tons of corn and sold 17,000 2-pound bags of stone ground corn meal to the public.

The Sandwich third grade school children visited the Mill and had a good time. We had bus tours visit from every state in the union and Canada, as well as many foreign countries. They were very interested in the Mill and asked many questions. Many were busy taking pictures of the Mill, lake, ducks, swans, geese, and the scenery around the Mill and lake remarking about the beautiful location.

The Mill closed October 4, 1981 for the season.

The town property owners are always welcome to visit the Mill as guests of the town and buy several bags of stone ground cornmeal as gifts for your family and friends.

Hoping to be back with the rest of the help and a busy season in 1982.

Respectfully submitted,

Blake S. Norris

Report of the OLD KING'S HIGHWAY

Regional Historic District Committee

The Committee is dedicated to maintaining and improving the historic and aesthetic appearance of Sandwich and to ensure the appropriate appearance of new construction. Even though building activity declined quite substantially during the year, the Committee held hearings on 241 applications for Certificates of Appropriateness, down slightly from last year. In addition, there were a substantial number of applications not requiring a hearing.

One of the important events of the year was the report of the District Review Panel which made recommendations for improving the operations of

the various Historic District town committees. As a result of the report, the District Commission with the approval of the town committees, worked out changes in the Guidelines stressing, among other things, accommodation of alternate energy sources such as solar and wind power and attempting to clarify the criteria under which the committees would be making decisions.

One of the more difficult decisions which the Sandwich Committee had to make concerned several applications for the application of vinyl siding on the homes and other structures along Main Street in the center of the village. In general, our committee did not feel that the application of vinyl siding was a good solution to the problem of sidewall maintenance.

The only change in the personnel of the Committee was in the architect member position. Mr. Milton Schwartz decided that he should not continue as a member and the Selectmen appointed Louis F. (Fred) Giampietro to serve. We are greatly indebted to Mr. Schwartz for his considerable contributions to the work of the Committee. Fred has lived most of his life in Sandwich and is proving to be a great help to the Committee.

We again thank our Secretary, Mrs. Helen Palmer, for her dedicated work in doing the considerable paper work for the Committee. We also again thank our Building Inspector, Roland DeConto, and Ms. Debbie Fournier for their help and support.

Respectfully submitted,

W. Daniel Cullity, Jr.
Louis F. Giampietro, Jr.

Report of the POLICE DEPARTMENT

To the Citizens of the Town of Sandwich:

As Chief of Police, I respectfully submit my annual report for 1981.

1981 was a busy year for the Sandwich Police Department. Total complaints investigated numbered 6,706, up from 6,590 in 1980.

Sandwich was fortunate in 1981, as it was in 1977, 1978, 1979 and 1980 to have the lowest crime rate, per thousand population, in Barnstable County.

Breaking and entering, one of our more serious problems, increased to 110 from 91 in 1980. 274

larcenies were investigated, down from 229 in 1980. Four rapes were investigated. Three were cleared by court action, one was unfounded.

165 cases of vandalism, a continuing problem, were investigated, down from 173. Other criminal investigations included no robberies, down from 4, along with assault 48, up from 33 in 1980 and auto theft 20, down from 27. Four forgeries were investigated, along with 4 arsons and 5 buying stolen property, 15 drug violations and 3 offenses against family. The remaining complaints were of minor criminal or service nature.

Of the 6,706 complaints, Sandwich village accounted for 3,006, South Sandwich 1,568, East Sandwich 1,509, Forestdale 578 and Sagamore Beach 45.

2,826 complaints were received between 4:00 p.m. and 12:00 midnight, 2,650 were recorded between 8:00 a.m. and 4:00 p.m., and 1,230 between 12:00 midnight and 8:00 a.m.

Thursday was the busiest day with 1,018 complaints, followed by Friday 996, Monday 985, Saturday 979, Sunday 919, Tuesday 906 and Wednesday 903.

A total of 255 arrests were made by members of the department, up from 220 in 1980. 87 inebriated persons were taken into protective custody and later released or transported to a detoxification center.

Continuing the department's policy of strict enforcement of the motor vehicle law, 2,382 citations were issued, of which 642 required court action and 1,740 were warnings.

191 motor vehicle accidents were investigated, up from 176 in 1980. One person died in an accident on Rte. 6 which was investigated by the State Police.

Officers investigated 1,187 citizen reports of suspicious persons, vehicles or incidents, answered 678 burglar and holdup alarms, all but one of which were false, served 426 summonses and relayed 1,550 calls to the Dog/Conservation Officer from the Police Communications Center.

Continuing its intensive housecheck program, the department members made 16,869 checks of vacant homes. 226 homes and businesses were found open by officers during security checks.

Assistance was rendered on 1,499 occasions, 648 to the Fire Dept. and ambulance, 242 to other law enforcement agencies and Town departments, 24 to mentally disturbed persons, 38 to homeowners, 178 to disabled motorists, 160 escorts, 70 civil matters, 2 medical assists and 137 dog and conservation calls were handled by the police.

84 Firearms ID cards were issued along with 57 pistol permits.

\$2,779.50 was turned over to the Town Treasurer from the sale of gun licenses, copies of police reports sold to attorneys and insurance companies and an auction of found and surplus property.

I would like to take this opportunity to thank the citizens of Sandwich, the Board of Selectmen and other Town departments and boards and other law enforcement agencies, and of course, my own officers, for the assistance and cooperation they have shown me during the year.

Respectfully submitted,

Robert D. Whearty, Jr.
Chief of Police

Report of the FIRE DEPARTMENT

Board of Selectmen
Sandwich, Massachusetts

The annual report of the Sandwich Fire Department is submitted:

Listed below is the breakdown of department activities:

Structure fires with loss over \$1,000.00	6
(Approximate loss — \$67,500.00)	
Structure fires with loss under \$1,000.00	7
(Approximate loss — \$1,500.00)	
Woods, Brush and Grass Fires	39
(Approximate acres burned — 287)	
Vehicle Fires	30
(Approximate loss - \$18,650.00)	
Electrical Fires	5
Chimney Fires	39
Dump Fires	4
False Alarms	8
Needless Alarms	10
Burning Without Permit	3
Heating Unit Fires	4
Automatic Alarms	18
Oil Fires	0
Miscellaneous Fires	4
Total Fires	177
Investigations	
Automatic Alarms	59
Burning without Permit	13
Electrical	24
Gas	24
Motor Vehicle Accidents	5
Smoke Alarms	16
Smoke in Buildings	12
Woods Smoke	32

Miscellaneous	51
Total	236
Assistance Rendered	
Instruction Given	8
Lockouts	25
Medical	117
Cellars Pumped	29
Other Town Departments	15
Motorists	8
Water Supplied	9
Miscellaneous	45
Total	256
Washdowns	11
Standbys	53
Bomb Scare	1
Rescue Calls	19
Mutual Aid Fires	10
Mutual Aid Rescues	0
Ambulance Calls	732
Total all runs	1,495
Included in the above are:	
Mutual Aid Ambulance	29
Motor Vehicle Accidents responded to	85

Work performed at fires:

Feet off hose laid	Booster 4,850 ft.
	1- 1/8" 4,590 ft.
	1- 1/2" 5,300 ft.
	2- 1/2" 5,850 ft.

	Applications Received	Permits Issued
Inspections		
Oil Burners	95	91
Fire Alarms	195	161
Blasting	0	0
Model Rockets	18	18
Gun Powder Storage	1	1

During 1981 the Sandwich Fire Department responded to a total of 1,495 calls, this shows a decrease of some 242 runs from the previous year. A decrease of 134 runs in Ambulance calls was the main factor for the lesser amount of runs.

Ambulance calls for the year 1981 totaled 732 and 29 of these were mutual aid calls to other departments. The Town still operates with 3 ambulances. One Class I, one Class II and one Class V. This will continue as long as the vehicles meet state and federal regulations.

Structural fires for 1981 were down by 33% this year, but losses were a little higher, estimated damage for 1981 was approximately \$70,000.00, an increase of some \$26,000.00 over 1980.

During the year 531 people came to the station for Blood Pressure checks.

Engine 2 and Engine 3 were both sent to a maintenance shop for repair of serious rusting problems. This work has been completed and the vehicles returned to service.

Proposition 2 1/2 has shown its effect on the Fire Department. We lost one Firefighter through a medical retirement and were unable to fill his position and we had to release one dispatcher. Although we have been able to cope with the situation so far, it is my opinion that in the near future, monies are going to have to be made available for the replacement of items so that we can maintain a safe level of operation.

When reporting a fire or requesting the ambulance, the number to call is 888-2323. Any other business should be conducted by calling 888-0525.

At this time I would again like to take the opportunity to thank all members of the Fire Department, Town Officials, other Town Departments, individuals and neighboring towns for all the assistance given to the Fire Department in 1981.

Respectfully submitted,

Ferdinand L. Alvezi
Chief of Fire Department

Report of the CLARK-HADDAD MEMORIAL BUILDING TRUSTEES

To the Honorable Board of Selectmen
and the Citizens of the Town of Sandwich:

Submitted herewith is the report of the activities of
your trustees of the Clark-Haddad Building.

This past year has been one of increased activity
by the Senior Citizens of the Town. Regularly
scheduled are: The Meals on Wheels, the Girl
Scouts, The Sweet Adelines, The Covenant Com-
munity Way, plus all the many Council on Aging
activities.

The building is available to those requiring a
meeting place for social gatherings or some
special occasion. Make written application to the
Clark-Haddad Trustees, Town Hall, Sandwich.

For handicapped persons: concrete walk and ramp
for access to rear entry.

The Board of Trustees of Clark-Haddad Memorial
Building wish to thank the citizens of the Town of
Sandwich for their continued interest and support.

Respectfully submitted,

Clarence R. VanBuskirk, *Chairman*
Carl E. Bazzinotti
Dennis Earle
Clifford Perry
Ceyphus H. Rice

Report of the PUBLIC HEALTH NURSE

To the Honorable Board of Selectmen
and Citizens of Sandwich:

Submitted below is my seventeenth Annual Report
as Public Health Nurse for the Town of Sandwich.

During 1981, the Town of Sandwich Nursing Agen-
cy was surveyed and recertified by the Massachu-
setts Department of Public Health to provide ser-
vices to Medicare and Medicaid patients.

After meeting with the Board of Selectmen to
reassess town needs, it was decided to contract
with private persons for therapy services. The
Agency now contracts on an individual, private, per
visit basis for Occupational Therapy, Physical
Therapy, Speech Therapy, and Medical Social
Work. This has proven to be an asset to the Agen-
cy and to the townspeople, both financially and in
providing a better continuity of care.

Flu Clinics were made more assessable this year by
being held in Sandwich. Dr. Carlton A. Baker with
the assistance of the Public Health Nurse and
Dawn E. Closson, R.N. (who volunteered her ser-
vices) gave the injections. The American Legion
Post 188 provided the building and financial
assistance. Due to Proposition 2½, the Massachu-
setts Department of Public Health limited the
amount of vaccine made available to the Town.

The Sandwich Health Association has provided
another service to the Town of Sandwich. The Well
Men Conferences became a reality in October. A
Well Man Conference is held the third Wednesday
of each month beginning at 6:00 p.m. Dr. Baker is
the attending physician. Any man that is a resident
of Sandwich is eligible to attend by calling the
Public Health Office for an appointment.

Dawn E. Closson, R.N., who has worked for the
Agency for nine years, resigned in July. This posi-
tion was filled by Kathleen S. Currier, R.N., our

former Substitute Nurse.

The Statistical Report states the Nursing Activities for fiscal year 1981.

Group of Professional Personnel

Although the name of the Town of Sandwich Nursing Agency Professional Advisory Board was changed to Group of Professional Personnel, the purpose of this group remains the same — an advisory group to the Governing Body (Board of Selectmen) of the Town of Sandwich Nursing Agency.

One budget meeting, one special meeting, and three regular meetings were held during 1981.

Prior to the annual survey conducted by the Massachusetts Department of Public Health, the Group of Professional Personnel reviewed and evaluated the Agency's total program. Recommendations were made to the Board of Selectmen for final approval.

A survey questionnaire was formulated, printed, and distributed to help the Group of Professional Personnel determine the health needs of the residents of Sandwich. This first attempt proved unsuccessful, and alternative methods of finding the answers are being studied.

New members appointed to the Group of Professional Personnel were: Selectman Joan M. Russell and Celine M. Hardy, president of the Sandwich Health Association.

The Group of Professional Personnel appreciated the involvement of outgoing members: Patricia A. Chisholm, representative of the Sandwich Health Association; Kathleen A. Nickerson, representative of the Board of Health; and Selectman J. Louis Roberti.

STATISTICAL REPORT — NURSING ACTIVITIES

July 1, 1980 - June 30, 1981

Public Health Nurse -	Sessions	Hours
Office	221	626
Conferences & Clinics	33	90

Report of the BOARD OF HEALTH

To the Honorable Board of Selectmen
and the Citizens of Sandwich:

The monthly meetings of the Board of Health continue to be held at the Town Hall Annex. The meetings are held on the first Tuesday of each month at 7:30 P.M. The exception to this is when a holiday or a Town Meeting falls on that day. Sufficient notice will be given to notify citizens of any change. Business hours continue to be from 8:30 A.M. to 10:00 A.M., Monday through Friday. Appointments can be made for other times with sufficient notice to the Agent and Plumbing Inspector. All soil tests and percolation tests must be observed by the Agent and Inspector for the Board.

Mr. Herbert Hamlen is the Board of Health Agent during regular hours from 8:30 A.M. to 4:30 P.M. Mr. Walter Fagnant will continue as Deputy Inspector. Mr. Fagnant's appointment will continue through 1982. All complaints and inspections of an emergency nature after hours will continue to be handled by the Board members who act as Agents at all times. For complaints of any kind at any hour, the personnel to call are as follows: Robert Ellis, 888-1166; Dennis Earle, 888-2859; and Alvin Gibbs, 888-3689. Board members will respond to every call.

The Disposal Area will continue to operate as it has in the past. We now have a contractual arrangement which will continue until 1983. This job was accomplished through the bid process and will be again when the present bid expires. Mr. Paul Quirk was the successful bidder and is now the Operator at the Landfill. I am sure everyone knows what a superior job is being accomplished at this Landfill. Mr. Albert Fournier continues to be the Supervisor at the Landfill for the Board of Health. Mr. Fournier will continue to be responsible for the operation and general upkeep of the area for the Town of Sandwich along with Mr. Quirk, the Operator. The operator is responsible to the Board of Health for the day to day operation and has the responsibility for policing the area and dealing with the problem of wind blown litter. We continue to operate the Landfill under the operational plan mandated by the Dept. of Environmental Quality Engineering and the Bureau of Solid Wastes, Commonwealth of Massachusetts. Under these departments we can hopefully continue in this area for at least six years longer. The Board in 1975 made tentative plans to use a so-called reserve area that was included in the final operational plans. The Board of Health along with the Board of Selectmen are planning to obtain the right to expand into this area. It is still premature to make a final judgement but if we are allowed to do this, we could stay in this area through the 1980's. If the county can get a regional Landfill in operation in the future we could possibly use this present sight for a transfer station.

The Board will continue to operate with the same personnel. We still have the services of the Barnstable County Health Sanitarians along with the full cooperation of the Barnstable County Board of Health facilities. These services continue to save the Town thousands of dollars and we are always assured of professional service. The County Sanitarians will continue to assist this Board of Health to check all restaurants, wells, ponds, streams and other facilities as required by circumstances.

The recycling program continues at the Landfill. The Boy Scouts under Albert Roberti will continue to provide the means of collecting papers at the Landfill. Mr. Roberti has done an outstanding job over the years for the Boy Scouts and the Town of Sandwich. This has been their principal way of raising funds for their activities. We have been less than successful with the recycling of glass. There is a problem of price and markets for the glass. We will continue with this project and hopefully conditions will improve and we may at some time make a profit on the operation. The Salvation Army continues to provide shelter for clothes,, etc. for their program.

The Board will continue with immunization programs for school and pre-school children. We will continue this as a budget item when needed. With the aid of the Sandwich Nursing Association,

under the direction of Frances Silva, Town Nurse and her staff, we will continue to supply vaccine for flu shots, especially for the elderly citizens.

Thanks to Dr. Penelope Holt for her assistance and devotion to supervising the animal rabies clinic for Sandwich. Dr. Holt contributes a valuable service to the community.

Elected Officials of the Board of Health.

Robert H. Ellis	1983
Dennis Earle	1982
Alvin Gibbs	1984

Officials appointed by the Board of Health.

Miss Esther Howes, Health Officer
Director Barnstable County Board of Health
Leo H. DeCoteau, Sanitarian
Barnstable County Board of Health
Herbert A. Hamlen, Agent & Plumbing Inspector
Inspector of Plumbing and Sanitary Systems
Walter Fagnant, *Deputy Plumbing Inspector and Agent*
Mrs. Hilda Whitmore, *Inspector of Animals*
Albert Fournier, *Supervisor of Disposal Area*
Milton Fiske, *Assistant at the Disposal Area*
Paul Quirk, *Contractual Operator at the Disposal Area*

The Board respectfully requests that you use plastic bags at the Landfill whenever possible. This will make the work and the appearance at the Landfill much better. It will also help to cut costs of the operation.

The Board thanks all members and public officials for their assistance in the past year. Without your help we could not be successful.

Our Landfill has been cited as an example to other Towns and consulting companies. We are proud of this fact.

The Board regrets that the Town did not accept a central sewer system. We believe it is needed and hopefully can be brought up again and will be successful next time.

Respectfully submitted,

Robert H. Ellis, *Chairman*
Dennis Earle, *Vice Chairman*
Alvin Gibbs, *Member*

Barnstable County HEALTH DEPARTMENT

July 1, 1980 to June 30, 1981

Barnstable County Health Department has reviewed its purpose and philosophy and criteria for setting priorities, in order to serve residents of the fifteen towns in the most effective manner.

Significant impact, in the prevention of illness and promotion of health, has been realized in all program areas:

1) Dental Hygiene: Staff have examined and taught 5,622 young school children in the prevention of dental caries. At the fall meeting of the Associated Boards of Health, the cost savings of dental instruction were stressed.

2) Public Health Nursing: Supervision or consultation has been provided to staff and governing bodies of most Home Health Agencies, to schools and to planning agencies.

A. Educational offerings for school and community health nurses included 6 contact hours on "Interviewing, Teaching and Counselling", and 36 contact hours on "Introduction to Health History Taking and Physical Assessment". Monthly meetings were held with the Cape Cod Conference Group for the Classification of Nursing Diagnoses. Staff have participated in program planning and co-sponsored programs with American Heart Association and the Health Resource Center, have served on the Mass. Nurses Association Council on Continuing Education, and assisted with the Health Fair "Healthy-Well Thee Week-end - '81" and with the Barnstable County Fair of July, 1980, in the Community Service Section.

B. Serving as a coordinator and advisor, staff participated in procurement of grant money for the Lower Cape Steering Committee study of consolidation of home health services.

C. Epidemiological services included instruction about communicable diseases, distribution of vaccines, management of the tuberculin testing of teachers, and health care personnel, assistance at the state Tuberculosis Clinic and follow up of active cases of Tuberculosis, contacts, patients on chemoprophylaxis, and positive reactors.

D. Services to schools included classes on vision and hearing testing, scoliosis screening procedures, obtaining and maintaining waiver status from Mass. Dept. of Public Health in order to start innovative programs, orientation and assistance for school nurses.

3) Medical Social Work: Serving as consultants for health care agencies, hospitals, nursing homes, schools, and other State Departments, staff have worked jointly with other professionals in assisting 72 clients with medically related problems. Concern for continuity of appropriate services and for independent living capabilities of the handicapped young adult has led to exploration of political and legislative issues with parent groups. Through the Handicapped Children's Clinic program, attention to the 0-21 year old group, included more inter-agency coordination, and efforts to provide economical and innovative approaches. Advocacy groups, and parent groups have been formed, 11 workshops developed, crisis intervention and short-term transitional assistance provided. Staff have served as Board Members and committee chairmen for six different organizations.

4) Handicapped Children's Services: The caseload continued to grow. 609 children were seen for orthopedic services, and 147 for neurologic services. 20 children and their families have been able to have pediatric-psychiatric consultations. An additional pediatric orthopedic surgeon has been added to the staff; now there are 4 orthopedic clinics, 2 neurologic clinics and 1 pediatric consultation each month. With the new public health nurse position, we have begun to implement a new record system, tested other methods of planning, improved medication management, and provided counselling in nutrition. Two series of programs for parents (6 sessions) were held; there is continued concern for respite care, day care and residential care. Additional help in office services and in playroom at clinic sessions was given by volunteers.

5) Environmental Health: The Commonwealth of Massachusetts distributed a new edition of "Manual of the Laws Relating to Public Health". This has strengthened program and services of the public health sanitarians. Requests for lead paint surveys of homes, nursery schools and Housing Authority rental properties have increased by 59%; identification of, and elimination of, the risk of neurological damage from ingestion of lead, is an illustration of the prevention of disease and savings in cost. Continued services of inspection of food service establishments, of well sites, of septic system sites, and buildings based on environmental health standards have been provided, supplementing those of the towns already employing registered sanitarians. Staff provide some direct services in the other towns of Bourne, Brewster, Chatham, Eastham, Falmouth, Harwich, Mashpee, Orleans, Provincetown, Sandwich, Truro and Wellfleet.

As consultants, staff have met with, and served on, Boards of Health, served on committees and on the Board of Directors of Mass. Health Officers Association and Mass. Environmental Health

Association, assisted with the redesigning of the curriculum for the preparation of sanitarians and licensing examination. Exhibits have been prepared for the Barnstable County Fair, the Health Resource Center, the Health Fair; demonstration and program was designed for a Girl Scout troop. Workshops for Health Agents included topics on occupational cancer, survey of license fees, collection of water samples, ground water level readings, dealing with hard to handle human service problems, guardians and conservators, mosquito control and CZM film "Precious Water, Fragile Land". A program was arranged for the Associated Boards of Health, with Dr. Gregory N. Connelly as speaker, because of our growing concern for dental health.

A comparison of the number of some tests performed by the public health laboratory shows the following:

Waters	FY 1980	FY 1981
Bathing beaches	422	329
Private Wells		
Bacteriological	1270	1688
Chemical	1221	1740
Surface Waters (ponds, etc.)		
Bacteriological	291	287
Chemical	114	53
Town water supplies	3211	3373
Milk		
Standard plate count	9	29
Coliform	6	30

A close working relationship with Cape Cod Economic and Development Commission resulted from joint concern in implementing the 208 Water Quality Program and in ascertaining the scope of chemical studies and funding needed, and the capability of the laboratory. An agreement with the Division of Mathematics, Sciences, Engineering and Industrial Related Technologies of the Cape Cod Community College has enabled staff to use equipment at the college laboratory, and to obtain consultant services from Dr. Bernhard E. Bartels.

Serving as Chairman of the Board of Trustees of Barnstable County Hospital for the third year, and as Chairman of the Cape and Islands Hospital Consortium, has expanded the role of the County Health Officer. This has led to the delegation of administrative responsibilities to various senior staff.

Expenditures for fiscal year 1981 \$316,238.16
Income for fiscal year 1981 72,478.08

Respectfully submitted,

Esther G. Howes
County Health Officer

Report of the COUNCIL ON AGING

We have come to end of another year and as we look back, we see that the Sandwich Senior Citizen population of 2100+ have become more aware of the existence of the Council on Aging and its services. A pool of 50 volunteer drivers with private cars transport patients to medical appointments both on and off Cape. The minibus, also manned by volunteer drivers, has been put to good use in providing transportation for group medical appointments, together with various shopping trips for people who need these necessary services. The Tuesday excursion trips have provided relaxation and friendship for the many who have participated, and a total of 2,000+ have availed themselves of these trips.

The year opened sadly with the loss of the friendship and services of Mary Stout through a serious illness. Mary had been a quietly efficient worker, both as an Elder Services aide and then during her last year as a valued employee of the Town of Sandwich.

It became evident as the year progressed that much of Mary's work had been routinely carried out without any backup person. Some of the obvious duties were handled very well by a few much appreciated volunteers. We were indeed fortunate when a new senior aide from Elder Services was sent to Sandwich in May. Mrs. Trudy Gallucci has an excellent business medical background, which has enabled her to handle the many telephone and personal enquiries received in the Council on Aging office, together with our Services Co-ordinator Bradley Kellogg. She has gradually become aware of all the administrative duties and has introduced many helpful ideas of her own.

The office is open from 9 a.m. to 1 p.m. Monday through Friday, but 9 a.m. to 4 p.m. would be ideal hours, due to the increase in requests for assistance in various areas. At present the additional hours are covered by an excellent telephone answering service. Though volunteer help is essential and much appreciated, a second aide to support Trudy would be most beneficial. A request has been made to Dr. James Peace, Executive Director of Elder Services for Cape Cod & the Islands for such a person, who could give support both in the area of office duties, outreach and on two days a week assist at the proposed Congregate Meal Site.

During the year, Sandwich Council on Aging has responded to requests from Elder Services in Hyannis and the State Department of Elder Affairs in Boston for specific activity figures and numbers of seniors involved. Applications have also been made for grants to fund the newly organized

Outreach program. Sandwich has proved to be a welcome retirement community for many, some of whom have not yet participated in any of our programs. In order to be more aware of individual needs, it has been found necessary to commence the Outreach Program, and through valued volunteer help, this is now in progress.

Another source of transportation for extended trips of one to five days has been provided through the Cape Cod Bus Lines. These trips have proved to be warm and friendly mini-vacations for the many who have participated in visiting so many points of interest not available to the minibus.

The Meals on Wheels program, under the direction of Mrs. Joan McNaughton, is proving a source of satisfaction both to the recipients and the drivers. Joan is very proud of the many volunteer drivers in her program, and their dedication to this important service in the community, which provides so much pleasure to so many people. At present there are 59 participants, served by 52 volunteers, who have delivered 7,470 meals in 2,695 hours and covering 10,040.3 miles.

Over the past year, reassurance calls and friendly visits have been made by Bradley Kellogg to people confined to their homes, with a total of 2,988 telephone calls and 377 friendly visits. Bradley has also provided transportation where necessary, and run errands on a number of other occasions. The Sandwich Public Health Nurse, Fran Silva works closely with the Council office personnel in meeting the health needs of our seniors.

Through the joint efforts of Joan McNaughton, Fran Silva and the Council on Aging Office, small poinsettia plants were delivered to shut-ins around town from the Council office, and this gave pleasure both to those who delivered and to the recipients.

Due to the splendid co-operation of the Trustees of the Clark-Haddad Memorial Building, facilities have been made available to the Council on Aging five days weekly for social activities which are conducted throughout the year. The Arts and Crafts classes meet 42 weeks of the year, with a total of 827 participants. Approximately 2,000 people participate in all the activities which take place at the Drop-In Center, including the monthly covered-dish luncheons. All Sandwich seniors are welcome to participate in all of these activities.

Only through the success of the ongoing Outreach Program and with the promised completion of the Human Services Building, will we be able to look forward to increasing and improving our services to the senior population of the Town of Sandwich.

Report of the Sandwich COMMUNITY EDUCATION PROGRAM

To the Honorable Board of Selectmen:

The Sandwich Community Education Program serves as a link between the residents of Sandwich and the public schools. In order to help facilitate this partnership, an executive council was formed to be appointed by the Sandwich School Committee. This year's members are: Elizabeth Gill, Chairperson; Wilma Stahura, Vice Chairman; Kathleen Keenan, Secretary; Eleanor Gaffney, School Committee Representative; and also, Robert Leahy; Robert Fraser; Robert Hannon; Naomi White; Robert Nolan. All of these individuals have served on many sub-committees and given a great deal of their personal time to ensure the best possible program is available at the minimum of cost to the residents of Sandwich. I would like to express my personal thanks to all committee members for their support and advice during this past year.

Financially, the Community School continues to make progress towards becoming a self-funding Town department. With the help of revolving accounts, this goal should be realized in the near future.

A staff of part-time volunteers under the direction of Geraldine Porter and Carolyn Buckland have donated over 500 hours of time to office procedures. Many thanks to those persons who have helped to collate brochures, evening registrations, or through spreading the news of Community Education offered through your Community School.

Adult Education courses continue to expand with over 150 courses offered during the year. All of these courses are self-funding and will continue to

be so in the future. Should any resident of Sandwich wish to offer a course or see that a particular subject is offered, they may call the Community School Office for more information.

The Let's Go! Theatre and Dance program under the direction of Jane Gay Stephens and Linda Shelburne has grown by leaps and bounds with over 150 people.

The objective of the extended day program is to create an atmosphere that is both enjoyable and beneficial to the 23 full and part-time students who are enrolled. These students, an average of 13/day, are exposed to an enjoyable afterschool environment where they can make new friends and participate in a variety of activities.

The children, who range in age from 6 to 12, spend their time playing, reading, doing homework or just relaxing. The program offers many gymnasium and playground activities, with basketball and soccer as the present favorites, as well as several arts and craft projects. During the holiday season, the students wrote spooky poems, created Thanksgiving scenes, had snowmen building contests and organized their Christmas party.

The Community Pre-School Playgroup continues to meet a growing need in Sandwich. Under the direction of Mrs. Polly Galliker, the playgroup enrolled over 58 students during the past year. The playgroup utilized the child development room at the high school building 5 days a week from noon to 2:30 p.m. each afternoon. A new program for the coming year is a parent's night out with guest speakers on topics related to parents of young children.

The Driver Education program completed its first year under the Community School umbrella. The instructors, Mr. Benjamin Losordo and Mr. Eugene Ash, helped over 140 students complete the requirements for their driving license. Future goals for the Driver Education program will be to offer the program to the residents of Sandwich who may not have their license and to operate the program on a year-round basis.

The Sandwich community pool under the able direction of Mrs. Diane Babbitt continues to expand its offerings to the community. This year, with the cooperation of the high school athletic department, the community was given the opportunity to utilize the pool during regular class hours enabling the Community School to offer noon lap swims and morning swimming classes for infants and adults. Enrollment in all instructional classes continues to increase with each new term. In order to conserve energy in the pool area, a new cover and pool heater were installed; hopefully, these two items will alleviate many of the energy problems experienced in the pool area.

The summer competitive swim camp expanded to the largest participation ever. Thirty students ex-

panded their competitive skills by attending camp this year. At the conclusion of the camp, the Second Annual Barnstable County Swim Meet was held. All residents of Barnstable County are invited to come and test their skills for medals and ribbons. We are looking forward to the Third Annual Swim Meet in August.

Future goals for the Community Education Department include: passage of a revolving account law; formation of an evening high school where students would be able to receive a Sandwich High School diploma by attending night classes; the development of an all day pre-school program for children ages 3-5 years.

Community education in Sandwich continues to strive to improve the quality of life for all residents of Sandwich. Community School could not exist without the support of the Selectmen, School Department, School Administration and most importantly the residents of Sandwich. To those who have supported the Community School, I express my deepest appreciation and to those residents who are not aware of what might be available to them, I would like to extend an invitation to participate in "YOUR SCHOOLS."

Respectfully submitted,

Craig Eldredge
Director

Report of the **SCHOOL BUILDING NEEDS COMMITTEE**

To the Board of Selectmen
Town of Sandwich

The Sandwich School Building Needs Committee was organized under authority granted from action taken in Article XI of the 1980 Annual Town Meeting and was continued by action taken under Article 1 of the 1981 Annual Town Meeting.

The committee has reviewed enrollment figures as of October 1, 1981 and received projected enrollments for the school year 1982-83. The Chairman has had a needs discussion with the Superintendent of Sandwich Schools, and is aware that the School Committee has reviewed these same numbers showing an enrollment decline of approximately 1%.

It is the telephone polled opinion of this committee that no further action is required at this time regar-

ding building needs, and recommends to the Town that the committee be continued as an ongoing monitor of possible future enrollment changes.

Respectfully submitted,

Benjamin D. Fleet, Jr., *Chairman*
School Building Needs Committee

Report of the Ad Hoc VILLAGE PARKING STUDY COMMITTEE

To the Honorable Board of Selectmen
and Residents of the Town of Sandwich:

In the late summer of 1981 the Board of Selectmen established a Parking Study Committee and gave them the task of finding possible solutions to the parking situation in the Historic Area of Town. It was felt that a dangerous situation existed on Water Street during the summer months, and is compounded by the large numbers of additional pedestrian traffic the Cape Cod and Hyannis Railroad brings into the Town. Cars park on both sides of Water Street, causing congestion, a hinderance to through traffic, a hazard to pedestrians trying to maneuver around parked cars as they visit the different sites, etc. A special hazard exists when our fire engines have to travel Water Street at high speeds in responding to a fire.

After months of study and consideration the Committee made the following recommendations to the Board of Selectmen.

1. Post Water Street to "No Parking" in the summer months from Town Hall to Beale Avenue with certain exceptions, i.e., artesian well in front of Town Hall; a bus stop; strip parking in front of the Deacon Eldred House; parking space in front of a residence.

2. Encourage the use of the existing parking area in front of the Wing School during the summer months that school is not in session. This would be done by signs posted on Water Street directing visitors up to "municipal parking" in the front lot of the Wing School.

3. Posting existing parking areas clearly as "municipal parking", i.e. Hoxie House lot, River Street lot, the raised road in front of the Dunbar House.

4. Extend sidewalks from Hoxie House to the bird feeding station.

The Committee feels that at this time these recommendations are the easiest to implement and most

cost-effective for the Town. The bus company that transports visitors coming in from the train rides have agreed to stop at the Wing School lot to bring people down into the Historic District at no cost to the Town.

We do realize that there will be a period of adjustment for us with these new parking regulations. There probably will be times when we are inconvenienced by them. However, we feel it will ease the congestion and hazards that presently exist in our Historic Area in the summer.

Respectfully submitted,

Joan M. Russell, *Chairman*

Report of the FOURTH OF JULY AD HOC COMMITTEE

Programs	1,912.91
Band	550.00
Police	440.00
Park	97.09
Total	<hr/> 3,000.00

Due to budget restraints, the activities on the Fourth were cut significantly. The Recreation Committee's program was excellent, and, with the help of many outstanding volunteers, a good time was had by all.

Respectfully submitted,

Jean Marie George Hoxie
Joseph Vaudo
Richard J. Connor

Report of the **SEWER STUDIES PUBLIC PARTICIPATION PROGRAM**

To the Honorable Board of Selectmen
Sandwich, MA

The Sewer Advisory Committee was mandated by the Federal Environmental Protection Agency in connection with the study of wastewater collection and treatment facilities for Sandwich. Its purpose was to advise the Selectmen regarding present and perceived future needs for sewage collection and treatment in the Town. Working with the engineering consultants and others, the Committee also was to recommend cost-effective and environmentally acceptable means for meeting these needs. Beginning in February 1980, the Committee monitored the project from the initial needs survey through review of treatment methods, areas to be sewerred, and site selection for the treatment plant. Additionally, information was developed for providing a means for charge-out of costs to the taxpayers.

Recommendations of the Committee favoring the proposals in the draft Environmental Impact Statement and the Facilities Plan were made to the Selectmen in November 1981. The work of the Committee was completed in December 1981, with the final hearing on the EIS.

Respectfully submitted,

John F. Flagg, *Chairman*

Report of the **HUMAN SERVICES BUILDING**

In November 1979, after an extensive study, the Sandwich Board of Selectmen appointed an Ad Hoc Committee composed of representatives of the Council on Aging, the Town of Sandwich Nursing Agency, School Committee and one member at large. The purpose of this committee was to make further studies and to bring recommendations to Town Meeting in May 1980.

Tentative plans were drawn and presentations were made to various organizations in Sandwich prior to Town Meeting.

At Town Meeting, with the support of the Finance Committee and the Board of Selectmen, a request was made for a total of \$150,000. to buy materials and to have a building which would house the Council on Aging, Public Health Nurse, and the Sandwich Schools Administration constructed by the students of the Upper Cape Regional Vocational High School.

Town Meeting voted unanimously in favor of the request. After interviewing many architects the committee finally decided on Milton Schwartz of Sandwich.

Now in 1982 after overcoming many obstacles, the Human Services Building is to become a reality and will be ready for occupancy in the not too distant future.

At this time the committee wishes to express its gratitude to Selectman Louis Roberti for his untiring efforts in behalf of the committee and the building.

Report of the Sealer of **WEIGHTS AND MEASURES**

To the Honorable Board of Selectmen
Sandwich, Massachusetts:

Testing and sealing procedures were conducted in some forty places of business that serve the public in Sandwich. Some scales and meters required adjustments to meet established standards for measuring equipment. The Commonwealth of Massachusetts provided assistance and equipment for testing large capacity scales and meters used in some business operations in Sandwich. It would be uneconomical for the Town of Sandwich to buy and maintain the equipment needed to test large capacity scales and meters.

Additional measuring equipment was purchased during the year to upgrade the Town's inventory. This is part of the long-range plan to insure that Sandwich keeps abreast of the largest techniques in the measurement field.

Test and measuring fees collected during the year and paid to the Town Treasurer amounted to \$650.

Respectfully submitted,

Francis W. Dinan
Sealer of Weights and Measures

Report of the 1927 H.T. WING SCHOOL BUILDING COMMITTEE

To the Honorable Board of Selectmen
and Citizens of the Town of Sandwich:

Having been charged with the responsibility of overseeing the building construction contract for renovation of the 1927 H.T. Wing School Building, we wish to report the progress of our committee during the past twelve months.

Our last report to the Town was in February of 1981 at which time the job was substantially completed. The committee continued to review the completion of miscellaneous items under the building contract and we are pleased to report that we had our last meeting in August of 1981 at which time all items were completed.

In closing, we would once again like to express our thanks to the Selectmen, School Administration, school personnel, various Town Boards and agencies and other dedicated people, including our Clerk of the Works, Roland B. Kelley and our architect, Stanley B. Alger, for their cooperation and guidance received throughout the project.

Respectfully submitted,

Frank C. Bess, *Chairman*
H. Earl Lantery, Jr.
Peter N. Conathan
Gerald E. Caron
John S. Jillson

Report of the LITTLE RED SCHOOLHOUSE

To the Honorable Board of Selectmen
and Citizens of the Town of Sandwich:

I wish to inform you the inside work in the Little Red Schoolhouse in Forestdale is now completed to be used for meetings, etc.

Reconditioning this sound little building started several years ago when the Selectmen had the sides and roof resingled, trim painted, a new septic system put in, and a water line run to the building from the Fire Station. The selectmen wanted a tenant before asking the Town for funds

to complete the interior. CETA workers did paint and patch the main room and insulated and did some finishing of the rear room. The committee of Boy Scout Troop 47 accepted the responsibility to complete the project, which would require a complete new electrical system, two rest rooms, a small kitchen, a new heating unit, accessibility to the handicapped, painting, etc. The money for supplies, etc., was appropriated at the May 1980 Town Meeting. Volunteer work would furnish the labor.

About the end of July, I found that Richard Connor, the Librarian, wanted to use the building also for library use. So Richard joined in with us, and I must say, much of the credit must go to him. He lined up many of the volunteer workers and worked many a Saturday along with us. We started the project at the beginning of August.

The committee and Richard Connor wish to thank the following volunteers: Peter Russell, electrician, for wiring and putting in a whole new electrical service. G. Steven Carmel, carpenter, for constructing two new rest rooms, completing the kitchenette, erecting two new doorways for the handicapped, and sanding the main floor. Steve Chaffee, plumber, for installing the sanitary system piping, rest room bowls and sinks, and kitchen sink. John Mendonza, plumber, for installing the water pipes. John Jacobi, mason, for constructing the cement walk and ramp for the handicapped to the rear door entrance. Walter Fagnant, Sandwich Plumbing & Heating, for putting the gas heating system in. Bruce McDaniel, carpenter, for erecting the cabinets in the kitchen. Mary Connor for the stenciling on the walls. Ralph G. Ekstrad, professional painter, James Bondarek, Sean Moroney and John Crowley, Sandwich High School students, for their work in staining the exterior of the building red.

Also, we thank Butland Paint Store for their donation of the vinyl flooring in the kitchen and rest rooms. MacDonald's Hardware Store for the red stain for the exterior. Agway Agricultural Supply, for the landscaping shrubbery and fertilizer, lime and seed for the future lawn. Gil-Pam Construction for loam for the lawn. The Highway Department for spreading the loam and seeding the lawn, putting in a drainage system for water runoff, and hauling and spreading the stone dust out front which was donated by Tilcon-Warren, Inc.

Of course, we want to recognize the committee members also. Ron Perry, the instigator of the project, helped in the electrical work, painting, etc. Nancy Perry, for the curtains, painting, etc. Donald Fougere and Peter Beauchemin for in between jobs.

It has been a pleasure and gratifying to work with such a group of professionals who have volunteered their time.

The library did have a program for children on Friday afternoons. However, this was discontinued

due to poor attendance. Boy Scout Troop 47 and several Girl Scout groups are now using the facility. It is available, of course, to any civic group by asking through the Selectmens office.

Respectfully submitted,

Albert Roberti, *Chairman*
Troop 47, *BSA Committee*

Report of the Upper Cape Cod Regional VOCATIONAL- TECHNICAL SCHOOL DISTRICT

To the Citizens of Bourne, Falmouth, Marion, Sandwich, and Wareham:

In compliance with Section 13 of the Agreement among the Towns of the District, this annual report is submitted.

The membership of the Committee follows:

Town of Bourne

Frederick W. McComiskey
Tello Tontini

Town of Falmouth

Neil A. Bennett
John C. Pimental

Town of Marion

Helen G. Westergard, *Chairman*

Town of Sandwich

Gerald E. Caron, *Chairman*

Town of Wareham

Robert T. Joy
William E.C. Warr III

* * * * *

Frederick W. McComiskey, *Treasurer*
Joan M. Harrington, *Assistant Treasurer*
Arthur L. Sweetman, *Secretary and
Superintendent-Director*

The Committee reorganized at their May 1981 meeting. Helen G. Westergard of Marion was elected Chairman; Gerald E. Caron of Sandwich was elected Vice-Chairman; and Arthur L. Sweetman was elected Secretary.

Graduation of the Upper Cape Regional Class of 1981 took place on June 7, 1981, at the Massachusetts Maritime Academy gymnasium. Of the 122 graduates receiving their diplomas, 17% entered college or technical schools, 70% went directly into their trades, 7% entered the military service, and 6% were undecided in their pursuits.

Tools of the trades awards totaling \$3,250 were presented to the students who excelled in each of the trade areas. In addition, twenty students going on to higher education received a total of \$3,800 from the Upper Cape Regional Scholarship Fund.

Special awards received at graduation included:

Highest Scholastic Achievement Award presented to Louis J. Cremonini of Sagamore, a graduate of the Automotive Department.

The Massachusetts Vocational Association Presidential Certificate of Merit for Outstanding Performance and Excellent Craftsmanship presented to Louis J. Cremonini of Sagamore and to Helen E. Colon of Falmouth, a graduate of the Health Careers Department.

The Outstanding Citizenship Award was presented to Vicky Lynn Kelly of Buzzards Bay, a graduate of the Painting and Decorating Department.

The Harvard Prize Book Award, given by the Harvard Club of Cape Cod to the outstanding student in the Junior Class who combines excellence in scholarship with achievement in other areas was presented to Raymond Glass of Wareham, who is enrolled in our Electronics Program and has been a High Honor Roll student for two and a half years.

The following additional scholarships were presented at graduation:

Joan M. Baptiste - Wareham
\$750 - Theodore H. Barth Foundation

Tina R. Benoit - Wareham
\$300 - John M. & Ethel C. Thorne Foundation

Tammy L. Berio - Buzzards Bay
\$100 - Knights of Columbus, Bishop Feehan
Council No. 2911

\$200 - John V. Barron Memorial by Upper Cape
Regional Teachers' Association

Traci L. Braley - Wareham
\$679.50 - Theodore H. Barth Foundation
\$200 - Knights of Columbus, Bishop Feehan
Council No. 2911

Keith A. Collins - West Wareham
\$100 - Edgar E. Caron Memorial Award

Helen E. Colon - Falmouth
\$100 - Falmouth Women's Club
\$500 - Cape Cod Bank & Trust Company

Donald F. Destremps, Jr. - Sandwich
\$500 - Massachusetts Restaurant Association
\$250 - Sandwich Women's Club
\$100 - Sandwich Junior Women's Club
\$300 - Clifford W. Collins Memorial by the
Clark-Haddad American Legion Post No. 188
\$400 - Massachusetts School Food Service
Area VIII Cape and Islands

Gail P. Duffy - Wareham
\$200 - Thomas Mannion Memorial

Marlene M. Fernandes - Wareham
\$100 - John V. Barron Memorial by Upper
Cape Regional Teachers' Association

Steven L. Fernandes - Wareham
\$50 - Thomas Mannion Memorial

John C. Jepson - Teaticket
\$300 - Falmouth Kiwanis Club

Vicky L. Kelly - Buzzards Bay
\$750 - Theodore H. Barth Foundation

Linda L. Leonard - Buzzards Bay
\$50 - Bourne Mothers' Club
\$100 - John V. Barron Memorial by Upper
Cape Regional Teachers' Association

Jacqueline A. Stewart - Buzzards Bay
\$100 - Knights of Columbus, Bishop Feehan
Council No. 2911

Deborah A. Tuell - Wareham
\$300 - John M. & Ethel C. Thorne Foundation

Annette M. Ware - Teaticket
\$200 - Falmouth Kiwanis Club

Our Licensed Practical Nurse Program held its twelfth and last commencement on August 19, 1981, with nineteen students receiving diplomas and pins. This brings the total number of graduates since the program's inception to 252.

Following are the 1981 L.P.N. graduates: BOURNE: Jean Kane, Deborah McKenna, Susan Placentino, and Susan Tamagini. FALMOUTH: Bonnie Kelly, Lois Ledwell, Bridget Lydon, Barbara Neill, Mary Sarah Roy, Arlene Schaefer, and Barbara Weston. MARION: Kimberley Washburn. SANDWICH: Sally Byrne, Marilyn Rasche, and WAREHAM: Diane C. Dubreuil, Lori Goodwin, Laurine Logan, Rosalie MacDonald, and June Miranda.

Due to fiscal constraints the following changes were made in programs and personnel. Licensed Practical Nurse Program, Driver Education, and a special reading program were eliminated. All sports, except Varsity and Junior Varsity Soccer, Varsity Baseball, Varsity Basketball and Softball were phased out. All extra curricular positions were eliminated with the exception of Student Council Advisor, Senior Class Advisor, Junior Class Advisor, and Yearbook Advisor.

Five full-time teachers, one guidance counselor, one teachers' aide and two part-time secretarial positions were eliminated. Hiring of substitutes except in cases of long-term illnesses were discontinued and evening school programs will not be in operation unless they are self-supporting.

The Title I ESEA Grant in the amount of \$35,901 is being used to provide two full-time tutors and two

aides. This program provides supportive services to students in reading and mathematics.

A PL 94-482 Grant in the amount of \$26,820 was received to provide equipment to the Auto Body, Electronics, and Marine Trades Department, and Career Information to the Guidance Department.

A PL 94-142 Title VI-B Grant in the amount of \$9,225 is being used to provide an instructional aide and clerical assistance to the Special Needs Program.

A grant in the amount of \$3,354 was awarded under Chapter 74, Apprenticeship Training, for the purpose of Evening School Salaries.

The Regional School District has received financial assistance under Chapter 70 in the amount of \$254,323, representing two payments toward the current fiscal year (1982) operating expenses. Also received were the following: \$67,897 for transportation; \$7,979.18 under PL 81-874 for federally connected pupils; \$89,876 under Chapter 71 (16d); and \$62,949.32 for the annual construction grant.

I wish to thank the members of the School Committee, Advisory Boards, School Employees, and the town and school officials of our district for their continued support. The success of our school is due primarily to the dedication of people committed to providing relevant vocational-technical education necessary to meet the demands of the ever-changing job market.

Helen G. Westergard
Chairman

General Information

SCHOOL COMMITTEE MEETINGS

School Committee meetings are held at 7:30 P.M. on the fourth Wednesday of each month at the Sandwich Jr.-Sr. High School.

SCHOOL ENTRANCE

Kindergarten:

Any child resident of Sandwich may attend Kindergarten provided he has reached the age of four years and eight months on or before September first of the year of entrance.

Grade 1:

Any child resident of Sandwich may attend Grade 1 provided he has reached the age of five years and eight months on or before September first of the year of entrance.

The State Laws require that all children seven years of age and over, who are physically and mentally able, attend school.

BIRTH CERTIFICATE

A birth certificate is required for all children entering either Kindergarten or Grade 1.

MEDICAL REQUIREMENTS

Medical requirements for school entrance are immunizations, according to the General Laws of Massachusetts, certified by a doctor.

State Regulations:

The School Committee or Board of Health shall cause every child in the public schools to be separately and carefully examined by a physician duly registered in Massachusetts within six months before entrance to school or during the first year after entrance and at intervals of either three or four years thereafter.

NO SCHOOL

Every effort will be made to have school whenever feasible. On days when transportation by bus is impossible, school will not be in session. Notice will be broadcast over radio stations WEEI, WNAC, WBZ, WHDH and WOCB at 7:00, 7:30 and 8:00 a.m. In addition, there will be signals from the Fire Stations at 7:00 a.m. and 8:00 a.m. as follows: four signals from the East Sandwich and Forestdale Stations and the Sandwich Station will sound 2 pause 2 signal four times. In the event that it becomes necessary to close school before the regular dismissal time due to power failure, severe weather conditions etc., the above radio stations will broadcast this information at 12:00 noon.

Report of the Superintendent of Schools

It is a sincere pleasure to submit my second Annual Report as Superintendent of the Sandwich Public Schools. The community of Sandwich, its people and its children stand out as an example of good government with good schools and interested participating citizens. I am proud to have the privilege of serving such a fine community.

The 1980 calendar year was, however, a difficult one, which witnessed significant developments at the National, State and local levels. The current fiscal austerity which has brought about these developments now also reflects, to some degree, in our schools.

The "belt tightening" that has been done in our schools over the past year has caused the administration and School Committee to focus in on the physical condition of our schools to be certain that, despite reduced finances, they are in excellent condition from a maintenance viewpoint and operating as efficiently as possible, so that dollars may be saved for our educational programs.

As a result of these efforts, a reduction in energy consumption of 18% over the previous years has been realized. Despite budget cutbacks, these savings have assisted in making it possible to retain the high quality of education in our schools as desired by the citizens of Sandwich.

The renewed emphasis on basic skills, carried through from the initiative started at the state level, has continued to serve as a major thrust of our efforts in the curriculum areas.

Annual test results, reported publicly at School Committee meetings, indicate that our students are performing at and above national averages. For this, it should be recognized that we have a staff of outstanding teachers, who continue to give their best efforts to the students of Sandwich.

Other areas which have received fresh attention and which will be focal points in the coming year are:

Improving and extending the development of computer literacy skills through the elementary grades;

Continued reorganization of administrative staff to assure efficiency in our schools' operation; (Substantial savings have been realized as a result of these efforts.)

Updating and rewriting of our secondary curriculum guides;

A review of program offerings for students whose abilities do not lie in the average range;

Improvement of program offerings for students in our 7th and 8th grades;

Reinstatement of Latin as a subject, not only worthy of pursuit by secondary school students, but as a necessary ingredient for the well educated, college-bound student.

This administration is extremely grateful to Town officials and parent support groups and committees who have assisted in the improvement of our schools and the conduct of activities offered to students. A special note of thanks to the parent teacher organizations in our two schools, also to Mr. Donald Fleet and Mr. Clayton Chapman, co-chairmen of the Carnival Committee (which last year was instrumental in raising several thousand dollars to assist the community in its desire to offer a full athletic program to the students in our secondary schools), also our Town officers for their efforts to support a fiscally tighter, but high quality educational program for the students being served by our schools.

We are also extremely fortunate in our community to have a dedicated School Committee to assume the leadership responsibilities at a time like this. I should like to extend my appreciation to them for the great sacrifices that each member of the committee has and shall make in terms of time and personal resources to help direct the schools.

Junior-Senior High School

959 students arrived on the first day of school at Sandwich Jr.-Sr. High School and this total increased to 990 by the first of October. Seventy-two new students registered at the Jr.-Sr. High School and forty-four left Sandwich for other areas between October 1st of 1980 and October 1st of 1981.

Method of grouping divides students into four programs for achievement, providing an opportunity for every student to achieve his/her maximum potential. These programs are Advanced Placement, Honors, Standard 1 and Standard 2.

In September of 1982, we are looking forward to a new program for the junior high school students. The number of students in the 7th and 8th grades in September of 1982 is expected to reach the 400 mark for the first time. As a result, we will be assigning a specific area of the building to these students, as well as setting up a team teaching program to reinforce curriculum materials. We believe that this approach will minimize the trauma of these young people when they move from elementary to junior high school.

Eight teachers were added to the staff in September of 1981, adding exceptional credentials and experience to the impressive backgrounds of our professional staff.

The staff, school committee and members of the community continue to work on the self-evaluation program which culminates with our evaluation in November of 1982 by the New England Association

of Schools and Colleges. This self-evaluation has been in progress for the past two years. Mrs. Gretchen Webster of our English Department is the Chairperson of the Steering Committee.

Sandwich Elementary School

Basically, these yearly reports reflect the past twelve months of activity. One major effort at the elementary will be an adjustment to the change that is being required. This adjustment and change is essentially the job of educating students with less staff and equipment than formerly available.

A major aspect to this adjustment is expectation of what the school can provide. We shall, in the future, be less able to expand and broaden our programs and/or services; therefore, our major effort will be given to properly maintain those we have in place.

However, development of curriculum must be an ongoing process to keep information vital and pertinent to the interests and needs of our students. Therefore, attention has been given to extension into the elementary grades of our mathematics offering in computer literacy. Despite the limited budget funding, the acquisition of federal grants has made it possible to keep vital and current in this important area. Creative ways to finance and support our programs will continue to be explored, so that every avenue will be utilized in our efforts to serve the needs of our students.

Having fewer teachers has resulted, however, in larger class sizes, which, in turn, increases the teaching tasks for those who remain. Teacher aides have been completely eliminated, which adds to the teaching assignment. Money for services, e.g. field trips, as a result of Proposition 2½ has been greatly reduced or eliminated.

This is an unfortunate deletion and, in the future, it is hoped that funding can be provided to restore these programs.

Our current operating budget for the 1980-1981 school year reflects a 1% increase over the previous fiscal year and, as a result, forced the elimination of twenty-four positions from our staff.

The following analysis identifies the reason for those reductions:

Budget Increase	
1981-1982	\$4,200,000.
1980-1981	4,154,150.
	\$ 45,850. or 1.1%
Actual Increases for 1981-1982	
1. Negotiated Increases	\$ 218,930. or .5%
2. Transportation	\$ 62,756. or 1.5%
3. Electricity	\$ 124,550. or .3%
4. Programs w/other Schools	\$ 52,000. or 1.25%
Note: Total budget increase allowed	
	(\$ 45,850.) 1.1%
Items 1 through 4 increased	(\$458,236.) 10.75%

It is recognized by this administration that significant changes are occurring in education, and that many of the changes brought about must be guided by a basic set of goals identifying what is most important in our schools, as many of these changes will be permanent. Such a guiding foundation has been provided as I have reviewed and recommended our school budget allocations. These goals will provide the direction for further reductions, if necessary, due to the Town's inability to appropriate for the kind and degree of services to be offered to its residents.

These goals have been expressed at School Committee meetings, as follows:

"It is our intent to provide the next generation with the accumulation of basic knowledge in science, mathematics, history, and language, emphasizing knowledge of our own language first and foreign language second. With this understanding, students will have richer and more meaningful lives, with opportunity to avail themselves of further learning by utilizing the skills acquired in our schools.

Of slightly lesser importance is the goal of enriching students with knowledge of art, music and literature.

Physical education is also of importance, as it provides for emotional growth through social interaction in a competitive world-like setting. It is, therefore, part of our basic curriculum offering."

If, in the future, it is necessary to eliminate programs, those eliminations must address the curricular offerings which have evolved and developed in the past two decades.

Every effort will also be made to reduce operational costs further so that our priority of educating children can be realized.

However, it was once stated by Socrates that the fate of a nation rests upon the education of its youth. These words are well worth pondering today as the many uncertainties we face will probably not be solved by us, but, rather, by our children. The decisions that are to be made in the future are critical to our environment and life on this planet. These decisions must be made by thinking, sensitive, sightful persons who are fortified by an education which has provided them with the scientific facts and a guiding philosophy.

Freedom and ignorance will never join hands. It is recognized in Sandwich that it is our responsibility to provide our children with the same degree of freedom that we have enjoyed. It is my sincere pleasure to serve such an aware community. It is most gratifying and uplifting to see the total efforts

of this community to assist its schools and serve the needs of its children. Our thanks!

Respectfully submitted,

Joseph F. Nicholson
Superintendent of Schools

School Nurses Report

To the Superintendent of Schools
and the School Committee:

Two pre-school clinics were held at the Public Health Office. A total of 31 children were seen for physical exams, including immunizations, blood work for hemoglobin and lead level, blood pressure, urinalysis and dental screening. Immunizations given were 19 DPT's, 21 polio and 25 Tine tests.

A total of 418 students were given physical examinations by Dr. John H. Lewis.

A fluoride mouthrinse program was started in Grades 2 and 3 with the help of the Barnstable County Health Department. Each child with parental permission will rinse weekly with a 2% fluoride solution during the school year. A total of 215 students are participating.

Respectfully submitted,

Janet Davis, R.N.
Ellen O'Neil, R.N.
